

- Townhall
 - Helping that one guy get into contact with his wife in the townhall.
 - Gloryhole
 - Pillory in the middle of the townhall for 'special cases'.
 - Stalls should be more futuristic and have more features.
 - Your stall can upgrade the more you work in there.
 - If you're wearing the punk outfit, the skirt can get caught in one of the stalls and you get pulled in.
 - If you're nude in the townhall, you'll get more than just gropes if someone runs by you.
 - Sex with the other girls in the townhall in the stalls.
- Removing the badge
 - Like curfew but in the daytime with all the NPCs.
 - Increases the lewd potential if the guards catch you during curfew.
- Expanding on the curfew
 - Go into the prison while wearing guard armor and can talk to the other guards there.
 - At a high enough perversion, you can just fuck the guards when they catch you to avoid having to restart curfew.
 - Stealth takedown a guard by jerking him off from behind
 - Random events where a woman is getting harassed by guards.
 - You can distract them away somehow.
 - She'll do the sex with you as thanks, you can choose whether to take it or not.
 - If you have an andro strap-on, you can bang her with it.
- More APRIL (AI) stuff
 - VR Challenges
 - Make her pure or perverted based on your choices.
 - Unlock stuff with her by doing VR challenges.
 - She gets an andro body in the real world and you can interact with her.
- More pure route related choices that require 0 perversion.

 - House customization?
 - Customizations/rooms that unlock sexual scenes.
- NPC reactions
 - React to nakedness (either by broken equipment, opened top, or just being nude)
 - React to cum
 - React to high perversion(?)
 - React to no badge
 - Some NPCs react to certain pieces of gear being worn(?)
- More stuff with Klaus
 - Continue the storyline of him having the picture of Jenna masturbating, show the picture itself as a pinup.
 - A route where you give in and become his personal slut.
- Work as a model for the local porn mag (The Daily Voyeur).
 - Things start out fairly softcore but end up turning into hardcore sex.
 - People will start talking about you being in the porn mag, and you can actually view the porn mags after you're done modeling for them.

- You make a choice about what pose / CG to do for the issue you're going to be shooting for, and that choice will be reflecting in the porn mag when you get it along with quick little pinups of other girls (like Jewel).
- You're tasked with sneaking into certain places and taking pictures of people having sex to put in the porn mag (low detail pinups so we don't have to create tons of new character designs).
