

We all took some Ava. It guarantees an ultimate Bimbo Body without any intelligence loss...

I took some too. Come on Ava...we always got mocked around by those dumb cheerleader hens...

Well, why not. I would not hurt to look sexy and be smart. Heads up ...

...and now WE can turn the tabels...get a mega sexy body and stay smart.

Ava, just as advice...stay naked. You will outgrow that clothes very soon...

It was super
easy Girls...those Nerds
are way to naive...I said them
that those Pills would give
hot Bimbo Bodys and increase
their IQ instead of the
sex drive...

told them that I kept those
Pills for you and me...
I gave them the 100% Bimbo
Body and Mind
Pills..

...while we stay hot
and become super smart
those former Nerds will
become absolute sexcrazed
Bimbos!
