

This time  
I told him  
the truth.

And to  
my surprise,

he  
believed  
me.

Is it bad that  
I feel almost  
thankful

that my  
room got  
destroyed?

I wish it didn't happen.

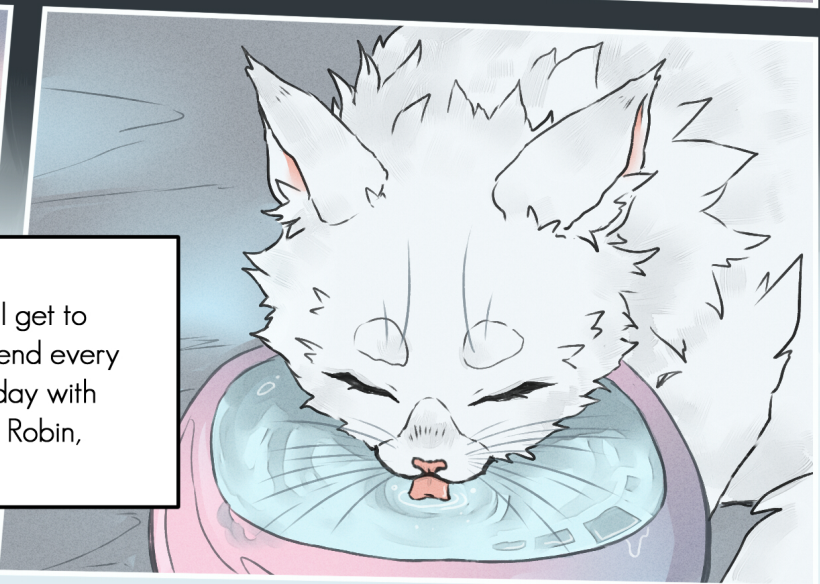

But, I'm trying to see the good in it.

Because of it

I get to spend every day with Robin,

hmm  
Pretty sure  
the sweater  
you're  
wearing

is mine.

Oh...  
oops,  
didn't  
notice!  
(a lie)

I don't  
mind.

Besides,  
you look  
really cute  
in it.

Then,  
it's mine  
now...!

Not  
how it  
works~

I was finally able to tell him

about the closed area,

and well...!

We adopted Mimi!

Although,  
I guess  
I haven't been  
entirely honest  
with him

this time  
either.

Don't...

don't  
look back...

.....  
hurts.

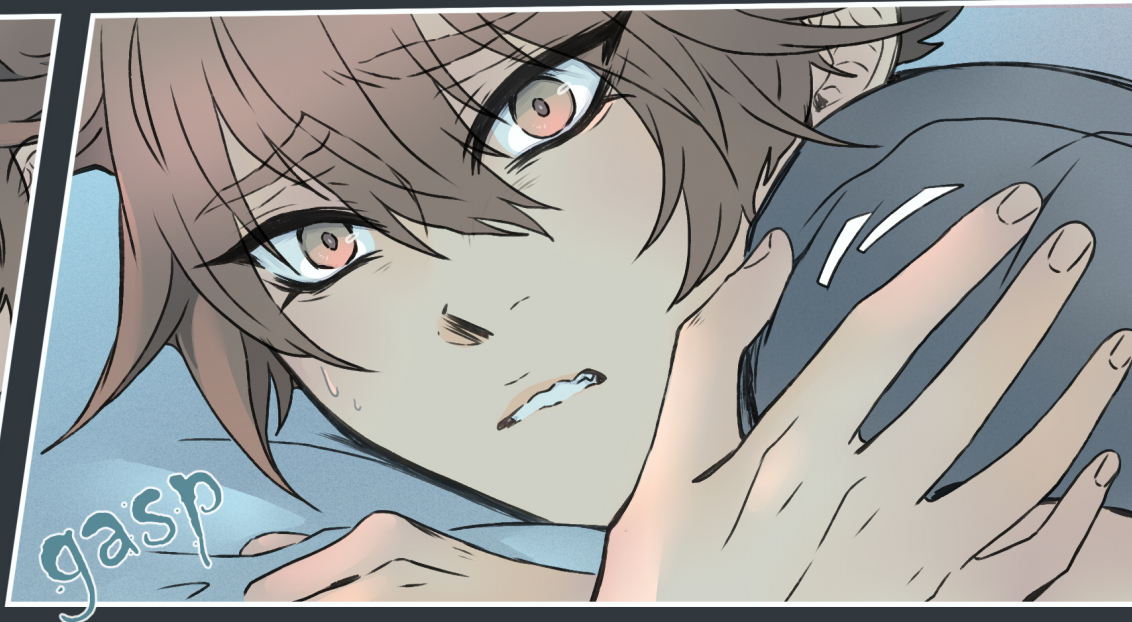

He doesn't  
know the  
whole reason

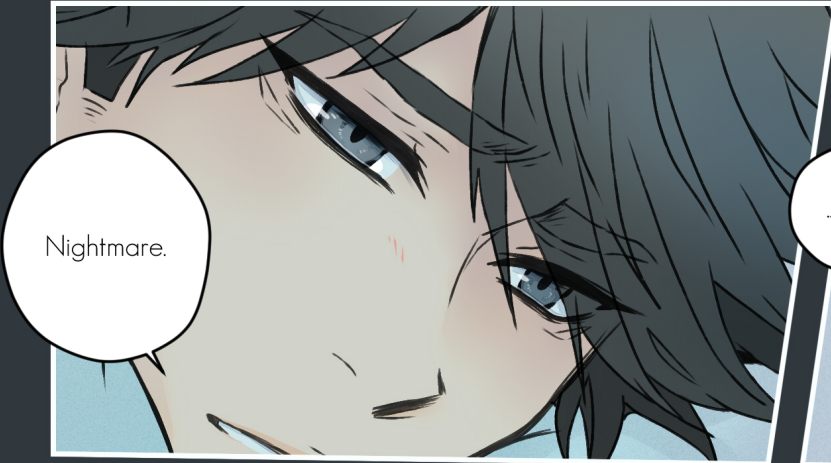

why I want  
to live with  
him,

and why I  
still want  
to share  
the bed.

no.....

.... stay...  
with y...!

Nightmare.

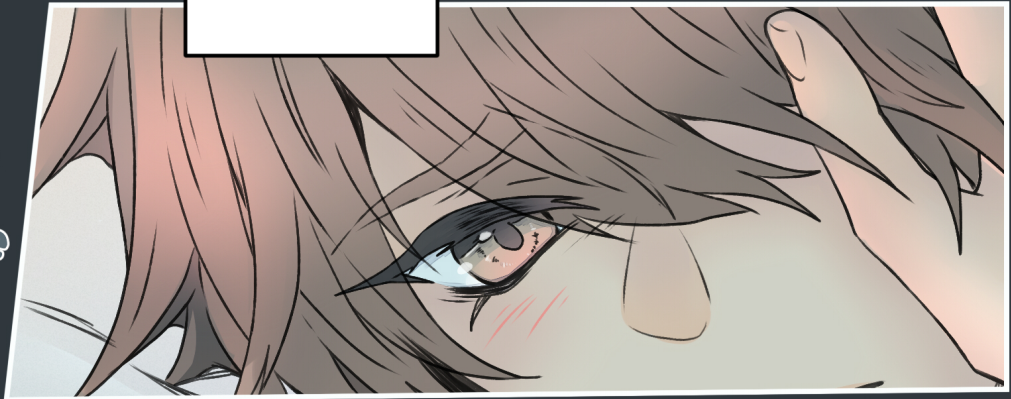

... ah!  
sigh

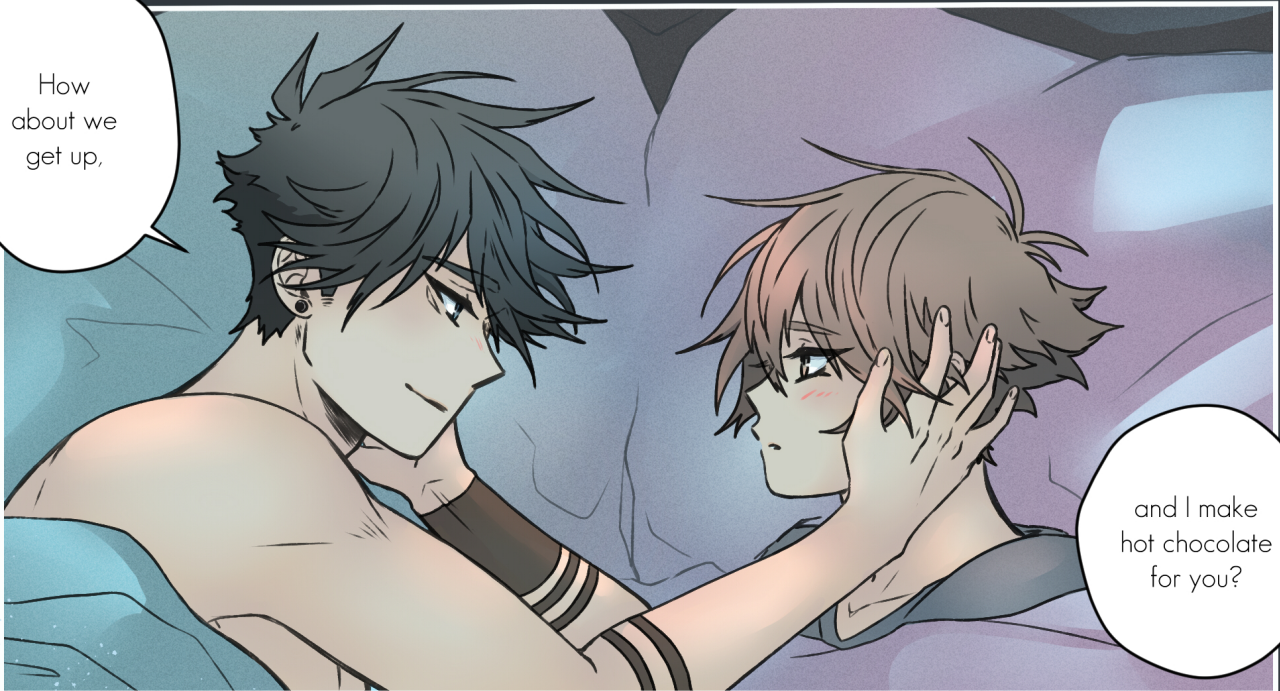

ruffle

It's true  
that I'm  
scared.

How  
about we  
get up,

and I make  
hot chocolate  
for you?
