

Courage Crest

Tai and his friends are brought to the digital world, but they aren't the only humans there.

Chap 1

Tai was going to summer camp, to be honest he wasn't looking forward to it. It was an all boy's camp which would be fun, but he was leaving his boyfriend behind. He and Matt were dating, had been for over a year now.

They were childhood friends, and that friendship grew into love. His parents sprang the whole camp trip on him at the last minute. He called Matt as he was packing things up. "So there's no way you can get out of this?"

"No babe, I tried my parents think it would be good for me to experience a camp." He packed away his clothes and his trusty scope and goggles.

"I thought we were gonna spend extra time together, I bought some fun stuff with my allowance." The tone in his voice sent a shiver down his spine.

"Oh yeah?" he sat on his bed. "Tell me what you got?"

"Some sexy underwear..."

"Oh yeah!" he felt his manhood stir in his shorts.

“I bought a vibe...” Tai groaned at the other end of the line. The blonde smirked and removed his clothing freeing his own manhood spring up. “I thought you could use it to prep me for your big cock!”

Tai undid his pants and freed his manhood. “I’m listening.”

“If you didn’t want to do it, I could put on a show for you. I’ll lick it properly just like I do you!” the brunette grinned and pumped his manhood. “Once I get it nice and wet I’ll slide it into my ass, it won’t feel as good as you but the vibrations will make me feel good and get me loose for you.”

“Fuck, you’re so damn sexy!” he moaned, pumping his length. Matt was doing the same, while his other hand played with his ass.

“No I’m horny and I want you!” he moaned, and the two moaned as they played with their cocks. “Oh Tai I want you inside me!”

“Fuck I want to be inside you!”

“Tai!” the blonde moaned, his fingers rubbing his sweet spot.

“Matt!”

The two found their release and spilled their seed all over themselves. They could hear the other pant as they came down from their sex high.

“I’m gonna miss you, you know that.” The brunette whispered. “I love you.”

“I love you to.” He sent a kiss emoticon, and Tai sent him a heart. He closed his phone and rolled onto his side.

“This summer is gonna suck...unless...” he was struck with an idea and he smiled.

-X-

Tai finished packing up, and laid back thinking of his sexy blonde. “This summer is gonna suck!”

The next morning came and Tai was waiting for the bus that would take him to the all-boys camp. His parents had given him a brochure on it. “Fun and exciting time, where young men can make friends have fun and spend their summer outside.”

‘Yeah I’d rather be on the couch with Matt,’ he thought and looked over the various activities they had. ‘Boring,

man this is lame. Oh well might as well make the best of it.'

The bus came, and Tai put his stuff away and got on, but was shocked to see Matt. "Matt?!" he walked down the path to where Matt was seated. "What are you doing here?"

"Surprise, I asked my dad if I could go and after making a few calls and since I was in the area the bus already had to travel through. He got my name added to the list." He winked at him.

Tai smiled and hugged his BF. "Yes, now this summer won't be such a drag."

"You said it." He got up so Tai could sit down, and he shamelessly sat in his lap. Their crotches pressed together tightly, and the brunette could already feel his love's arousal. What he didn't expect was for Matt to slip something into his hand. It was a remote to a vibrator.

With a smirk Tai flipped the device on, but kept it at a low setting. He moaned and ground his hips against Tai's. "You are such a naughty boy..." he whispered, and gave a lick to the curve of his ear. "If we weren't on a bus right

now I'd put you over my knee and spank you for being such a naughty boy."

"What are you gonna do to me then?"

"Kiss you duh!" he pulled him in for a kiss, and the two made out, not caring if others saw. They weren't ashamed of their relationship and they were in the back of the bus. With the vibe up his ass, buzzing at his sweet spot, and Tai's mouth pressed against his own, there was nothing he could do to hold back. He came hard into his underwear, but he remained hard as Tai increased the vibration.

Little did they know their little make out session was observed by two males. Izzy, the young man was being sent to camp by his guardians, they thought he could use some social interaction and not spend all his time on a computer, he agreed but only if he could take his laptop.

The young boy with red hair, had caught sight of what the two were doing. He blushed catching a glimpse of the remote and guessed what it was. He felt his manhood stir in his shorts, he covered his lap with his computer but kept stealing glances at the two, a deep blush on his

cheeks. ‘Wow they are so hot!’ he thought, and he felt his manhood twitch. ‘I’ve never seen anything like that!’ He shivered as the image of him between the two came to mind. ‘Snap out of it Izzy, even if they were in an open relationship they’d never want a twerp like me.’

The other boy was Joe, he had caught a peek at the two and couldn’t tear his eyes away. His manhood throbbed as he nursed a nose bleed. ‘So hot to hot, that guy with the brown hair is so sexy!’ he thought, his body shifting to ease his arousal. He had thought this camp idea was a horrible one, but it maybe won’t be so bad.

The last stop was a surprise for both of the two lovers. Matt recognized the area quickly enough. “Oh shit!” he jumped from Tai’s lap just in time as his little brother got on the bus.

“Oh Matt and Tai to!” he laughed and came running up to them.

“H-h-h-h-hey T.K. it’s good to see ya, guessing mom sent ya to camp.” The little blonde nodded. Although they weren’t shy about each other’s relationship, Matt didn’t

want his little brother to know. Tai was okay with this, since their parents didn't know either.

"Why don't you sit here T.K I'm sure you and your brother have catching up to do?" Tai got up, much to the older blonde's disappointment. T.K cheered and sat next to his brother. He gave him a wink as he moved by, and he moved to go sit by Izzy. "Mind if I sit here?"

"Oh yes, I mean no, I mean yeah go ahead." He scooted over and the brunette joined him. Tai looked at Matt and smiled, he would never come in-between him and his brother. He knew them when their parents were still together. He was there when they split, he stayed beside him when he needed him. It was probably why there bond was so strong.

He was there when he needed to cry or vent, and he always treated T.K like his own family to. However Matt didn't want to ruin T.K.'s innocence.

It was actually amusing to see him try and keep his cover as the vibe buzzed inside him.

The bus ride was a long one, but they finally made it to camp. Tai had chatted with Izzy along the way, the kid

was smart so it was a little intimidating for Tai who was more street and sport smart. Izzy was great at video games to and the two played a heated match on his computer. The two might not be close but they were certainly friends.

The camp had a lake, one side it was for boys, the other side was for girls. The cabins held 4 boys at a time, each one had their own generator. However thanks to Matt's surprise addition they didn't have enough rooms.

T.K of course offered up his bed, since they were brothers they had no problem letting them share a bed. Tai, Izzy, Joe, and Matt and T.K were all scheduled for Cabin B now.

The cabins each had their own generator which was shut off every night at 10. The beds were simple enough, and they had a small bathroom with a shower, sink, and toilet. The boy's unpacked putting their stuff under their respective beds. Izzy plugged his computer in, while Joe was given the medical bag, he was put in charge of it for Cabin B.

With their clothes packed, it was time for some free time. Tai wanted to go for a swim in the lake, so without a second word he stripped off his clothes in front of the other guys. Matt, Izzy, and Joe all stared as Tai's huge manhood was revealed. They gulped as they felt their manhoods stir at the sight of his dazzling skin and body.

Tai with great skill slipped his huge manhood into a speedo. They were the speedos Matt bought for him, and the blonde was so happy to see them on his boyfriend. "So you guys wanna join me for a swim?"

Izzy nodded and he stripped off his clothes but used his bed for some cover, he put on his swim trunks.

Matt also stripped but used the bathroom so he could discreetly remove the toy. He put on his own speedo and put the vibe in his bag under his spare clothes. T.K had changed into his swim trunks but Joe seemed hesitant.

"What's wrong Joe don't wanna come swimming?"

"Well you see...I..." he was so nervous. "I'm scared of the water, I can't swim so it freaks me out."

Tai smiled and patted him on the shoulder. "It's okay come with us, I'll help teach ya how to swim."

“You mean it?” he asked blushing.

“Sure!” Joe stripped and got in his trunks, and they got their packs and brought them down to the lake. The others went out on the lake, jumping in and swimming to the deeper end while Tai and Joe hung back near the shallow end. “Now let’s take things slow.”

They moved into the water and Joe freaked out and clung onto Tai. The brunette smiled and rubbed his back soothingly. “It’s okay, just relax I got ya.”

“I’m so pathetic.” He said glumly, letting out a sigh.

“No your not, just relax and cling to me.” He did and they moved deeper and deeper. “Now just kick with your feet and try to keep yourself a float.” Joe did and it took a few tries but he managed to keep himself afloat. “See your getting it, now let’s catch up to the others.” He showed him how to paddle and he was able to keep up with him. He was still scared, but having Tai around made him feel brave.

Apparently the lake was split by some buoys, the boys on one and girls on the other. The boys were laughing and

having fun in the water, but that fun came to a screeching halt.

“Tai hey Tai!” that female voice sent a trembling shiver down the boy’s spine. Even Matt grimaced as they turned and saw the bane of their existence, Sora! It was clear she liked Tai a lot, and was completely blind that he was gay and wanted nothing to do with her.

“Hey Sora...guess your parents sent ya to camp to.” He said trying to be polite.

“Yeah I thought it would be boring, but now...” she swam up the border. “Now we can start our relationship with a summer romance!” she said blushing.

Matt made a he was going to be sick gesture. Tai held his hand under the water to comfort him. “Sora we’ve been over this, we aren’t a couple, we aren’t gonna be a couple.” She seemed unaffected by his words.

Another giggle alerted them that there were others. Mimi who was wearing a pink bathing suit, and Tai’s little sister Kari. Tai heard she was being sent to camp to but he didn’t know it was the one right next to his.

Before the two groups could continue their banter something strange began to occur. A strange light rained down over the lake, and the water began acting up. "What is this?!" the light began shining brighter and the water began to swirl. "Everyone hang on!"

Tai grabbed hold of Matt, who grabbed T.K, with his other hand he grabbed Izzy and Joe clung to the brunette. Their bags were swept into the water and the boys and girls were caught in a whirlpool.

They were pulled from their world, and Tai tried to keep everyone together but the force eventually divided them. "Noooooooooooooooooooo!" They passed out as they entered the new world.

To be continued

Chap 2 Meeting Digimon

Tai woke up, he groaned as he sat up. His wet body was lying on grass, he ran his fingers through the grass, and as he looked around he was in a jungle of some kind.

“Man what hit me?”

He got up and once erect he saw wherever he was it certainly wasn't Earth. “Better find the guys.”

“Tai!” the surprise voice made the boy freeze.

“Huh?” he looked around but saw no one.

“Down here,” the brunette's eyes went down and saw a strange creature, he was pink with long bunny-like ears, but they seemed more versatile. He bounced up and down happily. “I've been waiting so long to meet you.”

“Who are you?”

“I'm your friend, I'm your friend, I'm your friend, I'm your friend!” he said over and over, happily. “You can call me Koromon, it means brave little warrior and don't forget it.” he jumped into Tai's arms.

“Koromon?” the digimon nodded. “Okay I must be dreaming?” Koromon shook his head no.

“Nope this is all real, and I am your partner” he suddenly jumped up and kissed Tai, his bunny ears wrapping around his head. “I've waited a long time to do that.” he chuckled.

Tai's cock throbbed. “Well well, aren't you a bold one” Koromon grinned. “Wanna help me out then, partner?” he lowered his speedos and revealed his monster of a cock.

Koromon's eyes sparkled. “Can I really?” Tai nodded. “Thank you for the meal!” He latched his mouth over the brunette's hard penis, consuming him down to the root, his ears coiling around his waist.

“Ohhh fuck!” Koromon sucked on his full length, slurping and licking the mighty rod. He was going to town on him, sucking none stop. “Wow Koromon, you are very good at this!” he massaged the skin of the digimon. His fingers stroked his head earning a purr from the male digimon.

Koromon moaned around his penis. "Mmmhhmmm mmmhhhhhmm suck suck mmmmmmm slurp!" he hollowed his cheeks giving powerful sucks.

Tai's eyes rolled up and he cried out as he came. Koromon kept sucking, sucking down his seed. He released Tai's body, and allowed the brunette to pull up his speedo.

Koromon licked his lips. "That was delicious, Tai" the human sat down beside Koromon.

"No that was amazing. You are awesome." he pat his head, and Koromon blushed. "Can you tell me where I am?"

"This is the digital world."

"Digital world?"

"Yep, the home of digital monsters like me."

"Well are all them as cute as you?" he scooped the little guy up.

"Aww, well I'm your partner Tai, but there are other digimon out there that can be very dangerous." Koromon glowed and Tai's digivice appeared. It was red and had

the crest of courage on the back. "With this you can protect your friends, and I can draw on your power."

Tai sighed, this was crazy, but he believed him. "Alright, I need to find my friends, they were with me when we disappeared." he clipped the digivice to his speedo. They started walking, carrying Koromon with him.

He found Izzy first, he was with Motimon. "Tai it's good to see you, this is Motimon." the little digimon bowed.

"I'm glad you are okay." Tai hugged Izzy, and the teen shivered. They were in swim wear so there was skin on skin contact.

Izzy shivered. "Let's go find the others." Motimon looked from Tai to Izzy.

"Is he the one you told me about?"

"Yes."

"I see why you like him, you should tell him how you feel."

"Shush!" Tai turned back to them.

"Everything okay back there?"

“Yes!” they said in unison. They followed after Tai. They ran into Matt and T.K. and their digimon, Tokomon and Tsunomon.

“Matt!” the brunette rushed over and hugged the older blonde. Matt shuddered and hugged Tai back. He wanted nothing more was for Tai to take him, but being in his arms felt great. “I'm glad you are okay.” Tai whispered into his ear.

Matt shuddered. “I'm glad you are okay to.” Tai would have kissed him if T.K. wasn't around.

A sudden scream tore them apart. Joe came running and ran into Tai and the two fell to the ground.

“Joe...Joe...you are okay, you are safe.” Joe clung to Tai, wrapping his arms around his neck.

“There's this thing...he's after me!”

“Hey I'm not a thing, Bukamon is my name.” the digimon seemed to be able to fly, or at least move through the air fairly well. With the guys together they were able to sit down and figure things out. Each one had a digivice. Izzy's was purple with the crest of knowledge on the back, Matt's was blue with the crest of friendship on the

back, T.K.'s was yellow with the crest of hope on the back, and Joe's was gray with the crest of reliability.

“So what does this all mean?” Izzy asked.

“You guys are digidestined, you were always meant to come here and meet with us.”

“I'd much rather have some clothes.” Joe rubbed his bare shoulders. Tai pulled him closer to help keep him warm.

“Is there a clothing store, or something...not that we have any money.” Tai sighed.

“Well what about that place?” Koromon looked to the other digimon.

“Yeah that place.”

“Follow us.” The digimon ran off, leading their partners to a strange area. It was a slough of electronic mail boxes.

“Weird, why would these be here?” the teens examined them. To their surprise some of the cases had their names on them. Tai opened his and found his clothes and his bag he brought with him to camp.

“Hey it's my stuff.” he put on his clothes.

Izzy got his clothes and his computer. Matt got his clothes, and upon searching the bag saw his sex toys were in there. He blushed and quickly closed his bag. T.K. got his clothes and a bunch of snacks. Joe got his clothes and the medical bag.

They got dressed. “Okay we have our clothes, and some supplies, and we are stuck in some place called the digital world.”

“How are we gonna get back?” Joe says, feeling panic setting in.

“Joe relax, we have each other, and our digimon and if we stick together we will be fine.” Tai was trying to be positive, but Matt could tell he was just as worried. He pulled out his harmonica and began to play, the music was calming.

To be continued

Chap 3 Camping

With clothes on, the boys and their digimon worked together, they found some safe big leaves and used them to make some bedding.

“I'm gonna go get some fire wood.” Tai says getting up.

“I'll go with ya,” Koromon hops up and down.

“Thanks buddy, but I need an extra pair of hands, you look after everyone for me okay?” Koromon used his bunny like ears to salute.

“I'll go with you Tai.” Matt gets up. “Tsunomon you look after T.K.” the digimon nodded, and the two boys went off into the woods alone.

As soon as they were alone Tai pushed Matt up against the nearest tree, hungrily kissing him.

“Tai...oh...fuck...Tai...” the brunette ravaged him, lips and hands going to town. Strong hands cupped the blonde's rear, giving his ass a good squeeze despite the barrier between them.

“Sorry, but I needed to do this.” he says after breaking the kiss. He rubbed his huge bulge against Matt's.

“Don't stop on my account I need you bad.” This was normal, this felt right, and right now they both needed a little stress relief. Their hard bulges rubbed together, the friction against their shorts could not satisfy.

Tai knew this and began to fix it. He removed Matt's shirt and his own and hung them on a branch nearby. Now shirtless they got some skin on skin contact as they made out.

Bare chests met and warm hands felt up each other. They continued to grind against each other, slowly losing their shorts, they were down to their underwear now, hard cocks making tents in their respective underwear.

Matt wrapped his arms around Tai's neck as the frothing hot hotter. Their underwear getting wet with pre. Tai kept kissing Matt, playing with his tongue, while his hands roamed down his back.

His underwear clad ass was their destination, two strong hands fondled his cheeks, giving his ass a squeeze. “Tai underwear off!”

“Ohh say it again baby.” he licked Matt's neck.

“Tai!” he whimpered.

“Only teasing,” he kissed his cheek. He removed their underwear and letting them fall around their ankles. Hard wet cocks sprang up, Tai's penis dwarfing his own. The frot continued with Tai's monster of a cock sliding against Matt's cock and balls. “Ohh Tai!” Tai groped his bare cheeks. “I love you!”

“I love you too.” he kissed him again, letting his penis cause friction to his cock and balls it felt good.

“Please...please fuck me...” his hole was positively aching.

“You got it buddy.” he spun Matt around and braced him up against the tree, Matt stuck his ass out lewdly. His hole was loose, from the vibe treatment he went through earlier.

The need to be filled properly etched into Matt's body. Tai's monster of a cock slid between his ass cheeks, his hole twitched as the penis rubbed along his crack. “Tai please don't tease.”

“Yeah,” he let the tip kiss his hole. His cock was slick with pre. He pushed in and Matt moaned, deeper and deeper his huge rod buried it's way into his channel. “So tight!”

“So big!” Matt moaned, his head rolling back on his shoulder. Tai hugged him close, hands going up to caress his chest. “Move!”

Tai obeyed and began to pound his tight hole, his inner walls hugged his cock so well. Each pull back they clenched, almost like they were sucking him, only to relax when he thrust in.

“Ah ah ah Tai ah ah ah!”

“Matt, ah ah ah!” the two moaned and panted in lustful abandon. The sound of skin striking skin echoed, but to Matt it sounded like applause. His hard cock bobbed with each powerful thrust.

Tai toyed with his perky buds, giving them a flick here and pinch there. Matt was in heaven, pushing back to meet his thrusts. “Tai, I'm gonna cum.”

“Me to babe, shall I pull out?”

“You do and I'll kill you!” he panted back.

“Well I don't wanna die, so guess I gotta cream pie ya.”
he picked up the pace and fucked him harder.

“Ohh fuck yes!” he came hard, spraying his seed all over the tree. His clenching inner walls squeezes Tai's thrusting cock.

“Matt!” Tai moans as he cums hard, pouring his load deep inside Matt's ass. The blonde sighs in bliss, and he was so pent up he came again, Tai's spurts pelting his sweet spot. “Oh wow!” he falls back and holds Matt in his lap.

“Yeah,” he snuggles up to him. He didn't want to get off Tai's cock not ever.

“Having sex in the woods, that's a new one.”

“A bonus to being swept away to this weird place.” their was a light shift and he turned around on Tai's dick.

“We'll get home, somehow.” he rubbed Matt's back.

“What do you think about our partners?” Matt suddenly blushed. “Did something happen?” he smirked.

“Don't be mad, I was freaked out and horny.”

“I'm all ears.”

Flashback

Matt landed in his swimsuit. "Oh man what's going on?" he rubbed the back of his head. "Tai?" he looked around quickly. He couldn't find his brother or his boyfriend.

He got up and soon ran into Tsunomon. "Hello," Matt jumped. "Do not be afraid, I am your partner, I am Tsunomon."

"Tsunomon? My partner?"

"Indeed, I am your digimon, a digital monster."

"Can you help me find my brother, or my boyfriend?" he asks blushing.

"Ohh you have a mate." Matt blushed and rubbed the back of his head.

"Yeah," thinking about Tai caused him to get hard. He was tenting his swim trunks. Blushing he tried to cover his tent.

"Oh my, shall I assist you?" Matt's blush grew.

"I don't know," he felt his cock twitch.

“You can't run around like that can you?” Matt shivered, if T.K. caught him like this it'd be humiliating.

“Okay,” he got on his knees and lowered his trunks freeing his hard cock. Tsunomon came up and began to lick Matt's cock. “Ohhh!”

Tsunomon sucked his penis and soon consumed him down to the root. Matt clutched Tsunomon's horn and caressed it as he got sucked.

As he stroked his horn, Tsunomon moaned, sending pleasing vibrations through his rod. “Cumming!” He cried out and came, Tsunomon drank him down.

“Delicious.”

End Flashback

“There you have it.” he says blushing. To his surprise Tai's cock was twitching inside him.

“Wow you and I had the same experience.” he told him about Koromon. Matt blushed and his own cock got hard again.

“Oh man, I'm so perverted.”

“Hey so am I, we a perfect match.” he kissed Matt and begins to stroke his erect cock. Matt moans into the kiss.

They would have had a second round then they heard a rustling in the grass. Tai acted fast and quickly shielded Matt from view. “Tai?”

“Matt?” it was Koromon and Tsunomon.

“You guys!” they breathed a sigh of relief.

“You were suppose to watch the others.” Matt says.

“You guys were taking to long we got worried.”

“We had no idea you were mating.” the two digimon blushed.

Tai laughed and rubbed the back of his head. “Sorry guys, thanks for checking on us.” he looked to Matt and got an idea. “Say guys we are still horny wanna help us out?”

“Tai!” the blonde gasped. Tai suddenly pulled his hard cock out. He whined at the loss.

“I've got an idea,” he shared his plan and the digimon agreed. Their relationship was an open one, and Matt couldn't deny it, it was hot watching Tai with someone. He had seen Tai with Izzy and Joe, and his mind had

shipped them and he found it even hotter if they went at it together. He wasn't going to let someone steal Tai from him, but as long as they were willing to share he was cool with a threesome, or foursome, or dare he say it orgy.

Tai was pretty creative. Matt was on his knees, Koromon was on his crotch, his bunny ears wrapped around him, sucking his dick like a champ. Tsunomon was in his ass, lapping all of Tai's cum out of his ass. Matt's mouth was around Tai's cock, Tai fucking his face.

Matt could only moan as he rode the high of pleasure. 'So good, so good!' he moaned around his penis. He came again and Tai eventually came in his mouth and down his throat. The blonde drinking every drop.

Koromon drank down all his seed, and Tsunomon happily cleaned Matt out, Tai's cum quite delicious.

The two got dressed, and the two digimon were happy to get fresh cum. They got firewood and returned to the group. "You guys were gone a long time." T.K. says.

“Had to make sure we got good firewood.” they set it down. Tai showing off his skills started a small camp fire. “I'll keep watch, you guys get some rest.”

The boys and their digimon settled down for the night. Tai and Koromon staying up and keeping watch. “Tai do humans mate with other males?”

“Some do.”

“If I got bigger would you mate with me to.”

“Get bigger? Uh sure buddy.” he pat his head.

“I think Tsunomon and Matt would like that to.”

Koromon chuckled.

“I know we just got here and all but this place is strange, we need to try and get home.”

“I'll help you get home Tai.” he says. “I don't know how but I'll try.”

“Thanks buddy.” he took a look to Matt who was cuddling with his brother. “It's not all bad here.” he looked up into the night sky and for a moment he thought he saw something fly through the air. 'What was that?'

To be continued

Chapter 4 Chase

Thankfully the night made it so Kuwagamon wasn't able to see them, it's hunger slowly building.

Tai stayed up all night, looking after his boys. Koromon drifted off a little before dawn. Tai could feel his morning wood swell, he palmed his growing manhood. It seemed he wasn't the only one, both Izzy and Joe were pitching a tent in their shorts. The morning light made the boys stir, they shifted and rose from sleep.

Izzy gasped, feeling his manhood rub against the confines of his underwear. He bolted upright, shivering as his tight briefs hugged his hard manhood tight. "Morning," Izzy blushed deeper and turned to see Tai staring at him. "I see your up and at 'em." he grins.

Joe stretched, getting up not realizing his current state of arousal. He saw Tai look at him, and looked down. "Gah!" he gasped covering his crotch, blushing from ear to ear. "I uh um I I I..." he stuttered. "Morning Joe, good dreams?" Tai asked. Joe's face blushed deeper, he looked like steam was ready to leak off his head.

“Relax guys, come here and I’ll give you a hand.” Tai pats his lap. Izzy and Joe look at each other then to Matt, who was still sleeping. Tai follows their gaze and chuckles.

“Trust me guys, it’s cool.” Joe wasn’t sure, clutching his crotch. Izzy, however did the math in his head and decided to go for it. He lowers his shorts and undies and his hard uncut cock snaps free.

He sits on Tai’s lap, gasping feeling the bulge spread his cheeks. ‘It’s so big!’ he shivers. “I got you,” Tai whispers into his ear. One hand slips under his shirt, the other goes between his legs. “Ah ahh!” Izzy shudders. The brunette palms his crotch, as the other hand caresses his chest. The boy’s nipple is teased to hardness. “Tai!” he moans, wiggling in his lap.

Tai takes a firm hold of the genius boy’s dick and starts stroking him. The boy pants, it was so weird, his foreskin getting pulled back and forth over his cock head. It was making such a naughty noise to. It was hard for his brain to process, as Tai pinches his now hardened nipple. The reaction was fast, he bucks his hips as pleasure goes straight to his dick.

Pre starts to form and leak out. The goggle head pulls Izzy's foreskin back completely exposing the sensitive head. His thumb rubs over the head, as he strokes him. "Tai ahh so good!"

Joe watches, his dick getting harder and harder at the sight. He couldn't look away...

Tai switched nipples and got Izzy's nips nice and perky. He flicked, pinched, and caressed the nubs. The young genius had no idea his nipples would feel this good. It was like his nipples were buttons that sent pleasure surging through the net to be received and harnessed by his penis. The brunette was so good with his hands.

Izzy couldn't hold back. "Ah ah ah ah I'm cumming!" he bucks his hips and cums. Tai was ready, feeling the boy's dick pulses in his hand. He reaches forward and catches the boy's seed. Izzy shudders, feeling his balls tingle, he felt so hot, his heart was racing. He fell back against Tai, being cradled by the soccer player's body.

Tai brought his cum slicked hand to his lips and he began to lap away his seed. Joe's glasses were fogged up, his cheeks were as red as a tomato. He has never been so

hard before in all his life. Watching Tai suck Izzy's cum off his fingers, made him hot. As a boy studying to become a doctor he knew all the ins and outs of the human body.

He helps Izzy back into his underwear and shorts. Izzy was in a daze, his body felt electric, his manhole was twitching. Tai's bulge was so big, and so hot, it seared a desire to be filled inside him. This all felt so wonderful, his body was lit up like a fresh new computer. Tai hugged him from behind. "You still with us?"

"Oh yes," Izzy shivers. He gets up, his legs a little shaky, but Tai supports him.

"How about it Joe, want a hand?" Joe doesn't answer with words. He nods and comes over. Tai helps Joe out of his pants and underwear and his fat cock snaps up. The brunette whistles. "You have a nice piece here Joe."

"Not as big as yours," Joe says, before clapping his hands over his mouth. Tai undoes his shorts and lowers them allowing his cock to snap out. Izzy licks his lips at the sight. 'So big!' out of the boys Tai had the biggest cock, Joe the second, Matt the third, and Izzy had the fourth.

Joe sits down, and Tai's cock slides between his legs. Joe blushes. He knew men could be huge, but hot damn! Tai reaches down and takes hold of their dicks. He pumps them together and Joe moans. "This feels so good!" Joe shivers.

Pre gushes out, and Tai's pumps spreads the essence over both their cocks. "Have you ever touched yourself Joe?" Tai whispers into his ear, his breath his hot, and somehow his words are hotter. Like liquid heat, it rushes down and makes his cock twitch in delight. "Mmm no never!" He pants.

Tai chuckles, he holds their dicks together, stroking them faster. Joe bucked his hips whimpering, his thrusts made their dicks rub together more. Tai collects the pre from Joe's dick, coating the fingers.

He brings them to Joe's lips. "Have a taste." Joe was hesitant, but obeys. Opening up, he takes Tai's fingers into his mouth. His tongue hesitantly licks the digits, tasting himself for the first time.

The taste didn't really excite him, but as he sucked on his fingers his mind began to wonder. He whimpered and

groaned. 'I'm really doing this.' he finished cleaning Tai's fingers but kept sucking. The brunette responded in kind, playing with his tongue with his fingers.

Joe didn't understand why but it was strangely arousing. So much so, when the fingers left his mouth he whined at the loss. "Tai..." the brunette reached down and collected some of his own pre.

He offers it to Joe, and he opens up again. This time the taste was explosive, he had no idea there would be such a difference. He eagerly lapped at Tai's fingers wanting to get more of the essence.

Joe sucks and licks, feeling hot all over. 'What's this feeling, it's so intense!?' With Joe's mouth occupied, it kept his moans muffled, a trickle of drool running down his chin.

His orgasm hit him hard, his seed launched forward and splattered the ground before him. "Oh wow," he pants, his legs felt like jelly. He noticed Tai was still hard. "Do I...uhh...you know..." he blushed.

Tai chuckled. "Don't worry guys, I got him." Izzy and Joe gasped, turning to see Matt. T.K. was still asleep,

snuggled in a cocoon of blankets and Tokomon. Matt came over, and tapped Joe on the shoulder. The taller boy got up, and Tai's dick snapped up. "Let me show you how to suck his dick."

Joe and Izzy watched as Matt settled between Tai's legs, and began licking the massive dick. "You are always so sexy when you do this." Tai says.

"Shut up goggle boy," Matt blushes. He wraps hi lips around the head and starts sucking Tai's big dick into his mouth. The onlookers gulp as Matt sucks him down.

'How is he taking something so big?' Izzy thinks.

'I can't believe it's possible to suck something so big.' Joe thinks, as he manages to pull up his pants and boxers.

Matt had tons of practice, he was pretty sure Tai was the reason why he had no gag reflex. Inch after glorious inch was swallowed down. He went slow to put on a show, Tai sure as hell wasn't complaining. "Mmmm," he moaned softly.

The blonde sucked him down to the root, nose buried in Tai's pubes. 'Oh my gawd!' the taste, the musk, the

fullness in his throat. He moaned around Tai's shaft, he really loved his big dicked boyfriend.

No more games, he bobbed his head back and forth, slurping and sucking Tai's cock. 'So good!' Tai nibbled his lip, holding back his moans as his orgasm neared. His blonde boy friend gave amazing head.

"Ohhnnn~" Tai shivers, his orgasm washing over him. Matt felt the familiar twitching and gave one final long suck to the tip. Just in time, cum explodes into his mouth. Matt gulped down his hefty load.

He didn't waste a drop, his tongue making rounds to clean up Tai's dick. Tai's stamina was impressive, his cock only coming down to a semi hard state. "Hmm, that was wonderful." He pulls Matt in for a kiss, and it deepened.

The kiss only breaks as Matt rises. "Need a hand?" Tai asks with a smirk. "I think I deserve more than a hand." Matt pants. Tai nods. "That you do." he undoes his pants, and his dick springs out. The blonde's cock was so wet, pre overflowing. Tai doesn't hesitate, he swallows the blonde down to the root in one go. Matt clapped a hand over his mouth, to muffle his moans.

He spares a glance and sees T.K. still asleep. Tai was just as skilled at oral. He slurped and sucked, tongue teasing the underside, and lapping at the tip. "Mmhhmm, mmm MMMMM!" Matt shudders as his orgasm rocks through him.

Tai swallows every drop, and catches Matt as his knees gave out on him. They fix up their trousers, and Matt sits in his lap. "So how'd you enjoy my boyfriend's wake up method?"

Izzy and Joe, were at a loss for words, barely able to stammer. Finally Joe was able to say. "Are you angry?"

Matt chuckles. "No, I love Tai," Tai kisses him. "And I love Matt." he says. "I don't mind if Tai gets with other guys, so long as you guys are willing to share and play we can get along great."

Izzy and Joe share a look. "It might sound weird, but the door is there if you want in." Tai says.

"I'm in," Izzy says, Matt smiles and gives him the come here gesture. The boy obeys and once he's close enough, Tai pulls him in for a kiss, on the lips. Izzy moans into the kiss, and Tai deepens it.

When the kiss breaks Izzy is weak in the knees and Tai hugs him. Joe watches and he steps forward. "I want in to...please?" Matt chuckles and gets up. Joe gets his kiss, and joins Izzy in Tai's lap. "I've never felt like this before."

"Hehehe, I'm glad you will be happy." Bukamon suddenly appears on Joe's shoulder making Joe scream. "Don't do that." he looks at the little digimon. "You don't think this is weird?"

"Many digimon mate in packs, it's a way of sharing experience and love, and keeping each other safe."

Motimon says.

"Makes sense," Izzy says. Koromon and Tsunomon join the others and grin. "As long as you guys are happy, we'll be happy." Tsunomon adds.

"We should get some food for breakfast, before T.K. wakes up." Tai says. "Izzy can you help me?"

"Sure," he says. Joe and Matt stay in camp to gather things up. The boys and their digimon head off into the woods. "Trust in Motimon, there should be a berry bush around here." they followed the little blob.

Tai yawns. "You alright Tai?"

“Just stayed up a little too long, I’ll get a nap after breakfast and I’ll be fine.” he says.

“There it is!” Koromon shouts bouncing excitedly. Sure enough there was a bush full of berries. “Can we eat these?” Tai asks.

The bush had a variety of colored berries there was nothing like it in the human world. “The red and blue ones are sweet, the orange ones can be tart but tasty, the yellow ones are bitter, don’t eat the green ones or they’ll make you sick.” Motimon explains.

Izzy and Tai nod and collect the safe to eat berries. Tai takes off his shirt and they use it as a blanket to carry the berries back to the group. ‘He’s so handsome, I can’t believe I get to be with a guy like this.’

They got the berries in a nice bundle, but a noise from on high made them freeze. “Rooooooaaaaarrrr!” a giant red bug digimon bellowed. “It’s Kuwagamon!” Motimon and Koromon gasp.

It jumped down, and they ran away. “What is that thing?”

“He’s a predator digimon, he hunts smaller digimon and eats them.” Kuwagamon flaps his wings and takes off into the air. The boys grab their digimon and food, and run for it.

Kuwagamon swoops down. “Izzy!” Tai grabs Izzy and pulls him down, just avoiding the pincers.

“Bubble Blow!” the two fire pink bubbles, it didn’t do much. He spun out of control and hit a tree but came back just fine. On another pass Kuwagamon seems to stop attacking them and flies off.

“Oh no, he’s after the others.” They get up and run towards their camp. T.K. was up and the little digimon were trying to make a stand but their pink bubbles couldn’t harm Kuwagamon. “Guys!” Tai shouts.

“Tai!” they gasp. “This way we have to run!” They manage to grab their stuff and run as Kuwagamon flies after them.

Tai was getting exhausted, he was breathing harder. “Tai are you alright?” Matt asks. He gives him a smile. “I’m fine, keep running.”

Izzy knew the truth, but now wasn't the time. They dodged another swoop from Kuwagamon. They end being chased out of the forest and onto a bare cliff, overlooking a river down below.

"Oh man this is bad." the digimon jump out. "We'll protect you!" they say.

"He's too strong, you can't." Tai slumps, fatigue catching up to him. "Tai!" the boys rush to his aid, even Takeru.

"We can do it Tai, believe in me, believe in us." Koromon says.

"Go get him." Tai gives a weak thumbs up.

"We believe in you." Matt says.

"You can do it!" Izzy says.

"Do your best!" Joe says.

"Go get him!" Takeru says.

"Let's do this guys!" Their digivices glowed, and the digimon digivolve. "Digivolve to..."

"Agumon!" "Gabumon!" "Gomamon!" "Tentomon!"
"Patamon!" They stand in their new forms.

“They got bigger!” Tai gasps. His vision was blurring but he could see them standing up to Kuwagamon.

Tentomon shocks him and stops him from taking to the air.

Agumon and Gabumon blast him, and while he was distracted Gomamon trips him up, and Patamon knocks him down.

Kuwagamon roars as he gets back up. “Now all together!”

“Pepper Breath!” Agumon launches a fire ball from his mouth. “Blue Blaster!” Gabumon launches a stream of blue flames. “Super Shocker!” Tentomon blasts him with an electric shock. “Water Edge!” Gomamon draws the moisture in the air turns it to energy and sends a blade at Kuwagamon. “Boom Bubble!” Patamon balloon’s up, and launches a huge bubble of air.

The attacks collide and boom! Kuwagamon goes flying back. “We did it!” they cheered and rub back to their partners.

“You guys did it.” Agumon hugs Tai, Gabumon hugs Matt. Joe hugs Gomamon, Izzy smiles at Tentomon impressed with his new form. “You’re so cool Patamon.”

“Glad that’s over, I’m ready for a nap.” Tai says.

“RRRROOOOAAARRRR!” the boys sweat drop.

Kuwagamon came back, this time he doesn’t attack the kids he attacks the cliff. His massive claws cleave it from the main land and send the kids and their digimon into the river below.

Was this the end of our heroes?

To be continued

Chap 5 Beach Side

Of all the things Tai thought he'd experience at Summer Camp falling to his death certainly wasn't one of them. He and his boys with their partners were currently hurtling towards the rushing river below. Patamon was trying to keep Takeru up, but his wings weren't strong enough. "This can't be it!"

"Marching Fishes!" Gomamon calls out. A massive school of fish gather, breaking their fall.

"Fish?!" Everyone gasped. The fish swim down the river, acting as a raft for them.

"These are my followers!" Gomamon says happily. The fish raft take them safely down the river, Kuwagamon wasn't so lucky falling into the rushing river below.

"What a ride!" the fish carried them safely down the river, even when things got choppy. They escaped the crevice, and landed back to the some new woods.

"I knew we'd be okay, I wasn't worried." Matt says. T.K. rushes over to him and hugs him. Tai knew he was

putting on an act, and he wanted nothing more than to go over and hug his boyfriend, but he knew the rules. No funny stuff in front of Takeru.

“You guys okay?” Tai asked, looking over their comrades. Izzy gave a thumbs up, and Joe tried to catch his breath.

“That was so scary!” Joe says sitting up.

“But it’s all okay now.” Gomamon says.

“Right thank you...uhh I guess it’s not Bukamon anymore.” Joe fixes up his glasses.

“It’s Gomamon now.” he says with a laugh, his tail wagging happily.

“Allow us to introduce ourselves.” Agumon says and gives a bow. “Since we digivolved, I am Agumon!”

“I’m Patamon!” Patamon says flying a bit in the air over to Takeru.

“I’m Gabumon!” the dino with the fur says.

“I’m Tentomon!” the bug like digimon says.

“So digivolving is what happens when they advance to the next level, interesting.” Izzy says.

“Well you guys got way bigger for sure.” Tai pet Agumon.

“Are you guys different now?”

“We are stronger now, but at our core we are always digimon, but I needed your help, Tai.” Tai blinked.

“Me? For what?”

“You see, digivolving is a very difficult process.” he explains, “We were only able to do it because you shared your power with us.”

“But how do we share this power?” Izzy asked.

“Even we don’t know that.” Tentomon says giving a little shrug.

“Thanks for the power.” Gabumon says to Matt.

“Yeah, sure no problem.”

“So I helped you change that’s cool.” Takeru says happily, Patamon smiles. “Yep sure is.”

“This is weird.” Joe says.

“I’m not weird, I’m your friend for life.” Gomamon says.

“We need a plan, what are we gonna do?” Matt says.

Tai pulls out his scope. "Well we can't go back, that's for sure." he looks around.

"I wonder if there is a pay phone nearby, we could call the police, or the fire department, or our parents." Joe says.

"But we don't even know where we are, even if we could call our parents, we don't know how to meet them or if they can get to us." Tai pockets his spy glass. "But it's okay, we have each other, we have supplies, so long as we have each other's backs. Together we will find our way back home." Tai didn't know if he was saying this for their spirits or his own. "We came from that mountain."

"Going back is too dangerous, we should explore here." Matt adds, and Tai nods.

"I don't wanna explore anywhere, we should camp here and wait for help." Joe says, crossing his arms.

"But we don't if anyone can find us like this." Tai says.

"Yeah, and what if that bug thing comes back?" Matt asked.

"Joe, no matter what we need to stick together."

“Exploring won’t help if we don’t know where we are, we have no compass or map.” Izzy says.

“Agumon, have you seen any humans before?” Tai asked.

“Like you, never.” he shakes his head. Tai sighs and runs his fingers through his hair.

“Those big monsters don’t scare me!” Takeru says. “Let’s go explore.”

“We should explore until it gets dark, stopping to rest when needed, and we’ll need to forage for food to.” Tai says. “We won’t find anything just sitting around here.” he playfully smacks Joe’s ass to get the boy moving.

“Maybe we should just find a cave or something and hide.” Joe suggests.

“Let’s follow the river, maybe it will lead to an ocean.” Tai says, and leads the way.

“Maybe we can make a boat or raft and sail home.” Matt says with a shrug.

The group walks, Gomamon using the river to swim along. “These trees are strange, not even tropical trees have this coloring.”

“This is weird, let’s go back.” Joe clutches his bag.

“Hey, Joe if you wanna go back and be monster food, that’s up to you.” Gabumon chuckles, and Joe blushes. Tai stops and goes to him, gives the male a hug.

“Joe, I know this is scary, but we can’t do nothing if we explore we can at least find food, before we get too hungry. We can keep one step ahead on any big digimon that want to turn us into snacks. If things get too stressful you can hold my hand.” He whispers, and Joe nods, hugging Tai back. He needed a hug big time. Tai rubbed his back soothingly. ‘Tai’s really a great guy.’ Joe joins Tai at the head of the pack and walks with him holding his hand.

Izzy looks from the two to Matt, who seems a bit more frustrated than normal. They continue walking and talking. “Digital monsters, who came up with that name?”

“Just call us Digimon, we like that.” Tentomon says.

“I only ask because you don’t seem very machine like.”

“Oh no?” Tentomon’s wings buzz giving off sparks. “Aye, I get it.”

Takeru was amazed that Patamon could fly, though it seems he was still getting used to his new wings. The river did lead to the ocean but the kids were met with another strange occurrence, ringing! Ring Ring Ring

“You guys here that?” Tai held a hand up to his ear. Ring Ring Ring

“A phone!” Matt says.

“Either that or we are all hearing things.” Joe says.

They follow the ringing to a beach where random payphones were found. They raced along the beach to the phone booths only for the ringing to stop. “Huh?”

“Why’d it stop Tai?” Agumon asked.

“No idea, wrong number?” he tried the phone but got nothing.

“I think this is a trap, probably aliens left them here to trick us.”

“Looks like we won’t be able to call home on these things.” They each tried a booth but got weird results. They used phone cards loose change, even calling collect but just got an operator speaking gibberish.

Operator: The weather forecast calls for ice cream with a light drizzle of chocolate syrup.

Operator 2: This number only exists in your imagination. Please hang up and don't call back.

"Why else would phone booths be on the beach?" Joe asks. "We need to call our parents." The digimon were confused not knowing what parents are. Izzy tried to connect to the internet again no luck.

"Any luck?" Tai asks. The others shook their head. "I got a strange feeling about this."

"Shame they don't work, we could call and order some food, I'm getting hungry." Matt says.

"Ugh don't mention food." Izzy groans and his stomach growled.

"We digimon can forage for food." Agumon volunteers.

"Really, that's so cool. Can I come?" Takeru asked.

"I don't know T.K. maybe you should stay on the beach." Matt says.

"Aww please, I won't be alone the digimon will be with me." he gave his brother the puppy eyes.

Matt sighed. "Go ahead."

"Yay!" the boy and the digimon, except Gomamon went off into the woods to find food. Matt groaned and Tai embraced him.

"How you holding up?" Tai asked.

"Better now," Matt kissed him and the two made out. Izzy and Joe blushed at the powerful and loving make out. The kiss was hot! They could feel it just watching. When the kiss ended Matt leaned against Tai, nuzzling his neck.

"I don't get it, you guys are so into each other, why do you hide it?" Joe asked.

Matt rubbed his arm. "Well, my parents are divorced, when they split I stayed with dad, and T.K. went with our mom. So we don't exactly have the best bond, I don't want him to think badly of his big brother."

"But if you are keeping it from him doesn't that mean he doesn't get to know the real you?" Izzy asked. "Keeping secrets will only cause trouble later, believe me I know." Izzy's words held meaning and it gave Matt pause, he has thought of telling T.K. but would the boy understand?

“It’s Matt’s decision,” he kissed his cheek. “Know that I’ll support whatever you decide.” Tai never pushed him on this. He had a sister, it’s different but being a big brother was hard. Kari seemed to think he needed a girlfriend so she was constantly trying to hook him up.

“I’m gonna look around some more, we’ll need to take stock of our supplies.” Tai says but Izzy stops him.

“No Tai you should rest.” Tai gives him a smile.

“I’m fine really.” he says but the boy was sweating. “I’m just a little tired but hey we are all tired right?”

“No you are not.” Matt says and pulls him down.

“Hey!” Matt pins him down.

“You don’t think I don’t know when you are keeping something from me. You are more than just a little tired.” Tai blushes. In truth he’d been running on adrenaline for awhile now. Things were a lot calmer now so he was starting to feel his fatigue.

“I can’t just do nothing.” he gives the bags to Tai.

“Lay down get a tan,” Tai pouted. “I’ll go search the rest of the beach see if there’s anything here.”

“I’ll watch the bags, and take stock of our supplies.”

“I’m gonna keep trying the phones.” Joe says. Not much else they can do, with no fishing poles or bait not like they could fish. Tai sighs and strips off his clothes, using them as a make shift bed to lay down in, he puts on his speedos on. Matt headed off to find anything.

As Izzy checked the bags he came across the various sex toys. He blushed crimson and Tai gave a tired chuckle.

“Yeah, Matt wanted to surprise me, only to get surprised by T.K. guess he was wanting a wild summer, careful what you wish for huh?” Izzy nods and looks at the variety of sexual objects. They varied in size and shape but none were as big as Tai, plugs, dildos, vibes, and more. Izzy felt himself get hard but quickly stored the sex toy bag away. ‘Who knew he was so kinky.’ Outside of Matt’s clothes there wasn’t much else in there.

Izzy had brought his computer, a digital camera, and a small cellphone but nothing has worked since they got there. Tai’s bag was a bit more conventional, he had his mini telescope of course, but there was a compass, a knife spoon and fork, a flashlight, and a swiss army knife.

“The compass doesn’t work I didn’t want to get everyone’s hopes up.” Tai grumbled.

“Sleep,” Izzy insists. Tai sighs and tries to relax. “It’s sweet you want to take care of us, but if you get sick it would be bad.”

“Right, right,” Tai yawned.

Takeru was packing junk food galore, and Joe had the emergency kit, with medical supplies and emergency food. Plus they had remnants of their breakfast foraging. “Looks like we are good on supplies.” He looks and Tai had fallen asleep. Izzy smiles and sits beside him, eyes memorizing Tai’s sexy body. ‘How could something that big fit inside...’ he blushes.

-x-

Matt finds a small shack, and similar to the mail boxes there’s stuff inside. “Towels canteens sunscreen...do digimon use this stuff or were there humans here?” he finds a note saying. “A gift for those chosen?” Matt uses a towel to collect some items and heads back to camp.

“Good he’s asleep.” Matt says spotting Tai sleeping.

“Wanna help?” he waves the suntan oil and Izzy nods.

Oiling up they start to massage Tai's body, Matt working the top while Izzy fondles the legs.

"You never, never in my life did I think I'd be doing stuff like this?"

"Hanging with monsters in a strange place?" Matt asked.

"Well that, but this to." he feels up Tai's legs, caressing the soccer player's muscles.

"Yeah I used to think like that with him to. Always thought he'd leave me for someone else."

"Is that why you made that arrangement?"

"It wasn't the only reason, but I'd be lying if I didn't say it crossed my mind. It's simple guys are fine as long as they willing to share to, but no girls." he finished coating Tai.

"Tai has a big heart, I truly believe he can love us equally, but if he got with a girl and she got pregnant, we can't compete with that."

"That is quite logical." Izzy finished up to, rubbing Tai's feet. "So um could you explain some of the uhh sex toys." Izzy says blushing.

Matt chuckles. "Sure thing."

-X-

A little later Takeru returned with the digimon with their haul. With the gang all here it was time for lunch, Tai waking up with a yawn. They have a nice little camp fire at the beach and begin to prepare the food. They dig in but the fun time doesn't last long as their lunch attracts an enemy.

Gomamon hears a roar from the sea. "Guys we got trouble!" Sure enough a giant shell comes from the sea and a pink monster like creature with green tentacles for hair comes out. This was Shellmon. He blasts the phone booths destroying them.

The rookies try to fight but every time they attack, Shellmon retreats back into his shell. It blasts them with a powerful hose level blast from his head. Knocking the rookies and the kids back. "This guy is too strong." Tai grabs his digivice. "Matt, I'll distract him you get everyone to safety."

"Are you crazy?" Tai gives him a quick kiss.

"I'm not, think about T.K. get him safe." Tai grabs some metal from one of the damaged booths.

“I’m with you Tai.” Agumon charges in with him, the two distracting the large digimon. Matt grits his teeth but obeys getting everyone up to try and escape.

“Pepper Breath!” Agumon spat flames at Shellmon.

“Pepper Flame!” he breaths fire and hits him in the face.

“Take this and this!” Tai rams the long metal piece into Shellmon’s body, wiggling it. Shellmon roars, he pins Agumon down with his massive hand. He nabs Tai with one of his tentacles. “Gaaaahhhh!” It squeezes him.

“Tai!” Agumon cries out.

Matt could hear his boyfriend’s scream, and his heart ached. “We can’t leave him.” Matt hesitated, but now Shellmon was after them.

“Leave them alone!” he thrashes in his hold. His digivice goes off, and Agumon is filled with the power.

“Agumon...digivolve to...Greymon!” he topples Shellmon, and Tai goes flying which Greymon catches.

“Oh wow!” Tai gasped.

“I got this guy!” he puts Tai down, as Shellmon gets back up. He tries firing a stream of water at the kids, but

Greymon counters it with a massive torrent of fire. They were evenly matched, but when Greymon tried to blast him with flames again, Shellmon hid in his shell. It spins like a twister and charges at Greymon. "Don't let that shellfish beat you go dinosaur crazy!" The giant dinosaur grabs the shell stopping its spin.

Shellmon comes out and tries to grapple with Greymon. "Go get him Greymon!" Tai cheers. Using the horns on his mask he lifts Shellmon up and throws him up into the air. "Nova Blast!" he launched a giant fire ball to Shellmon's underside and boom! Shellmon was now one steamed shellfish and sent flying into the ocean. "Alright!" Tai cheers.

Greymon de-digivolves and returns to being Agumon. Tai rushes over and hugs him. "Agumon you did it." the digimon smiles. "Hehehe, I went dinosaur crazy!"

With Shellmon gone the group is able to relax, rushing over and giving a group hug on Tai.

To be continued...Beach Side Fun Walk
