**ANGELIQUE LESTRANGE**

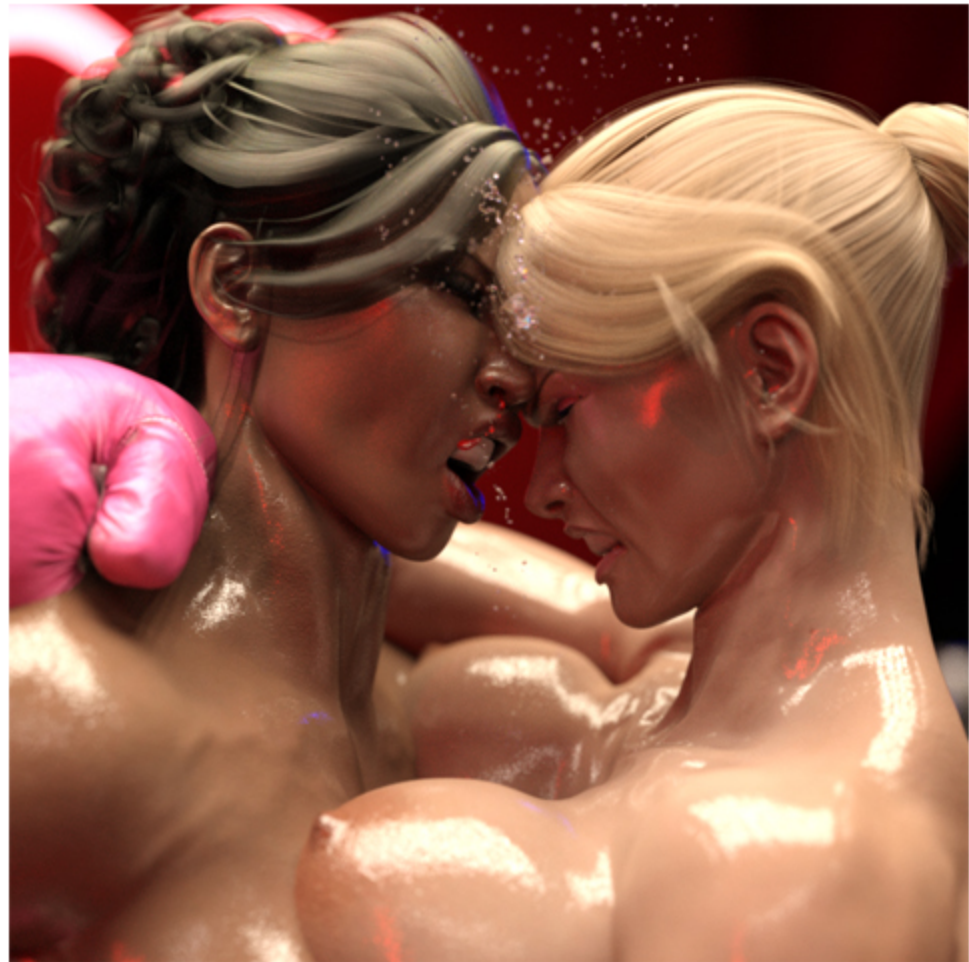

**VS.**  
**"BUBBLEGUM"**  
**BUFFY STEWART**

**IN...**

*"Fight with  
Dirty  
Me"*

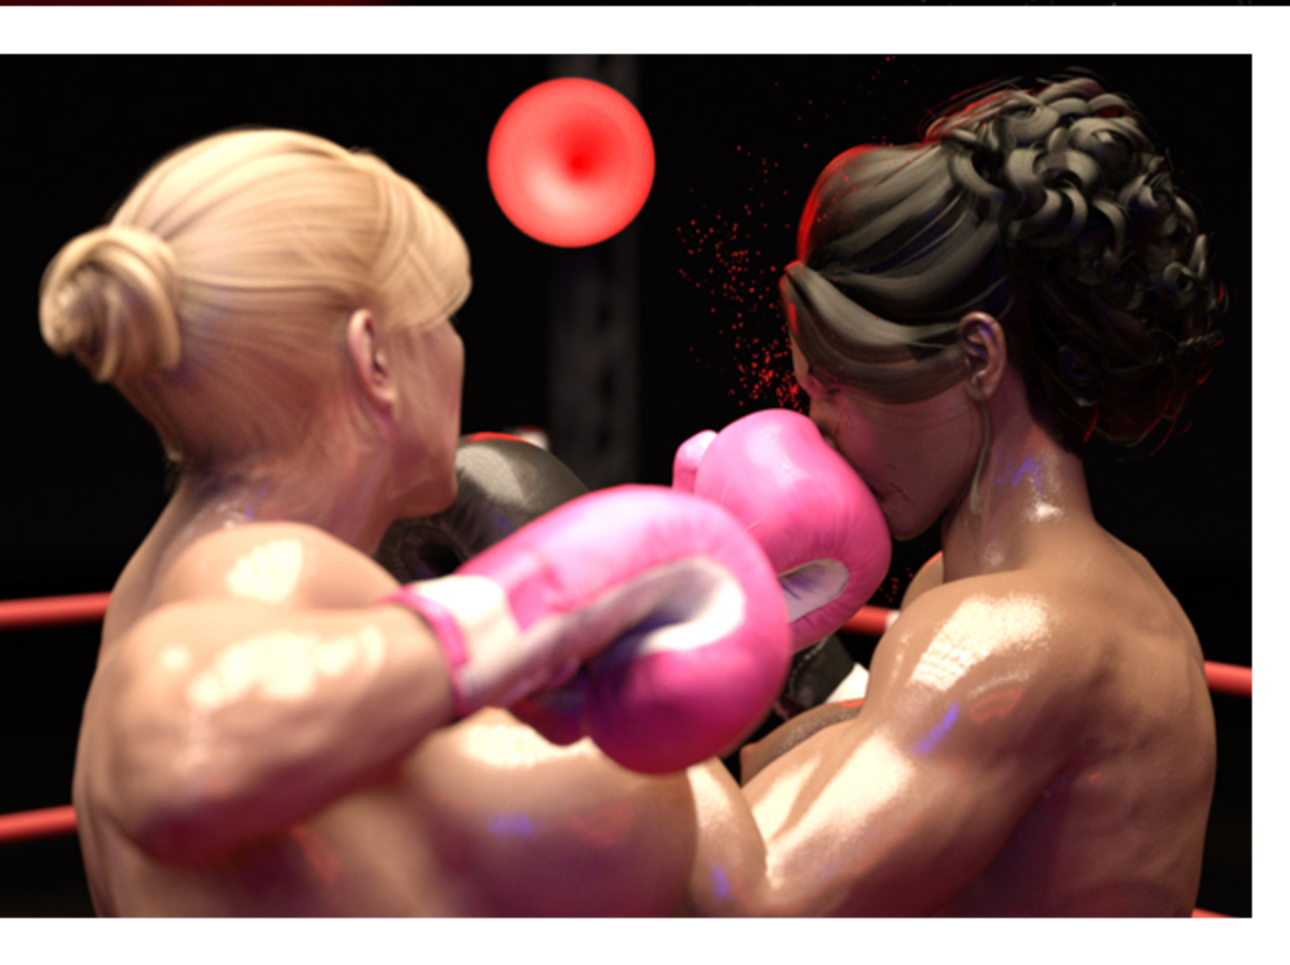

OH, YOU  
B--

Our last quarterfinal match doesn't even wait for the opening bell to get started! Stewart slams her head into the center of LeStrange's face, and then adds a knee for good measure! That nose is broken for sure!

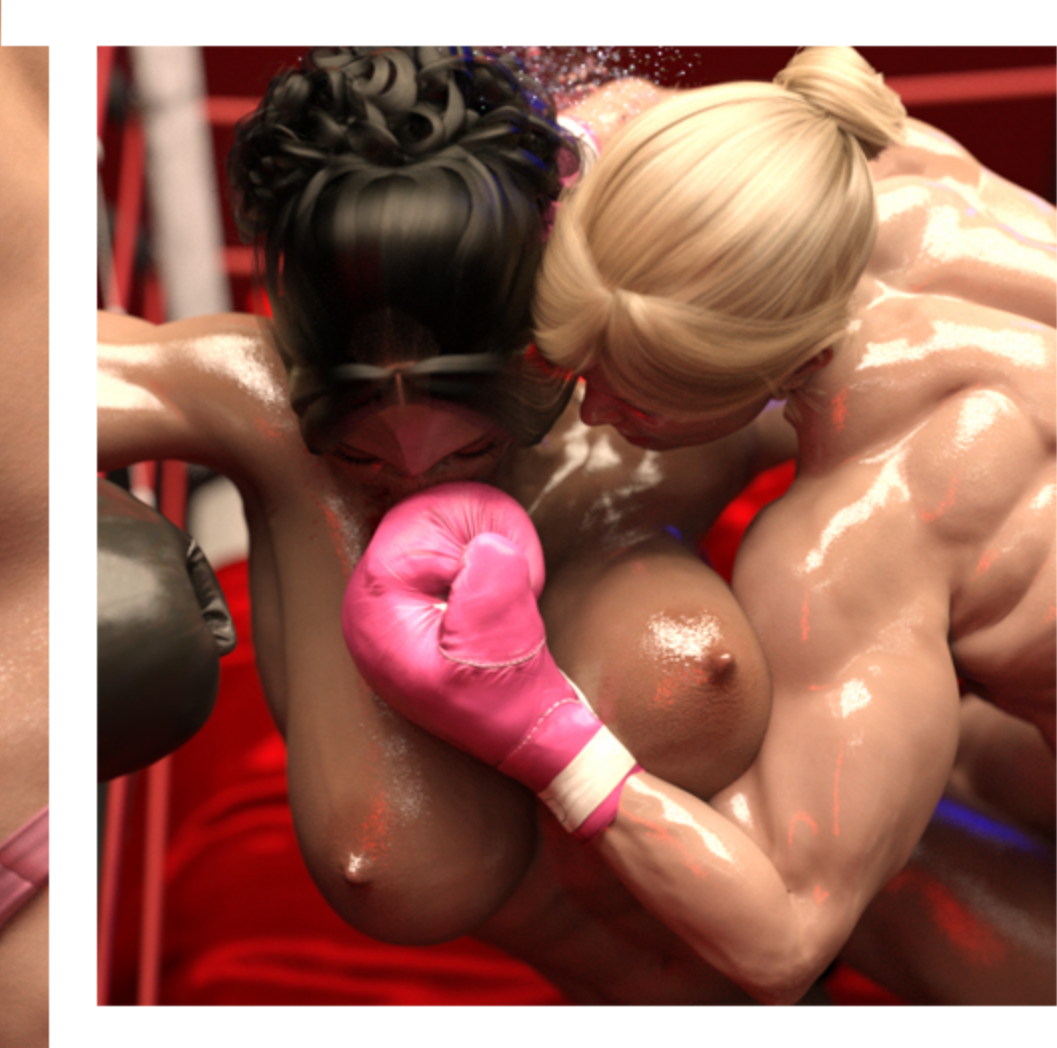

Stewart refuses to let up, attacking with lefts and rights while LeStrange is still blind from the pain!

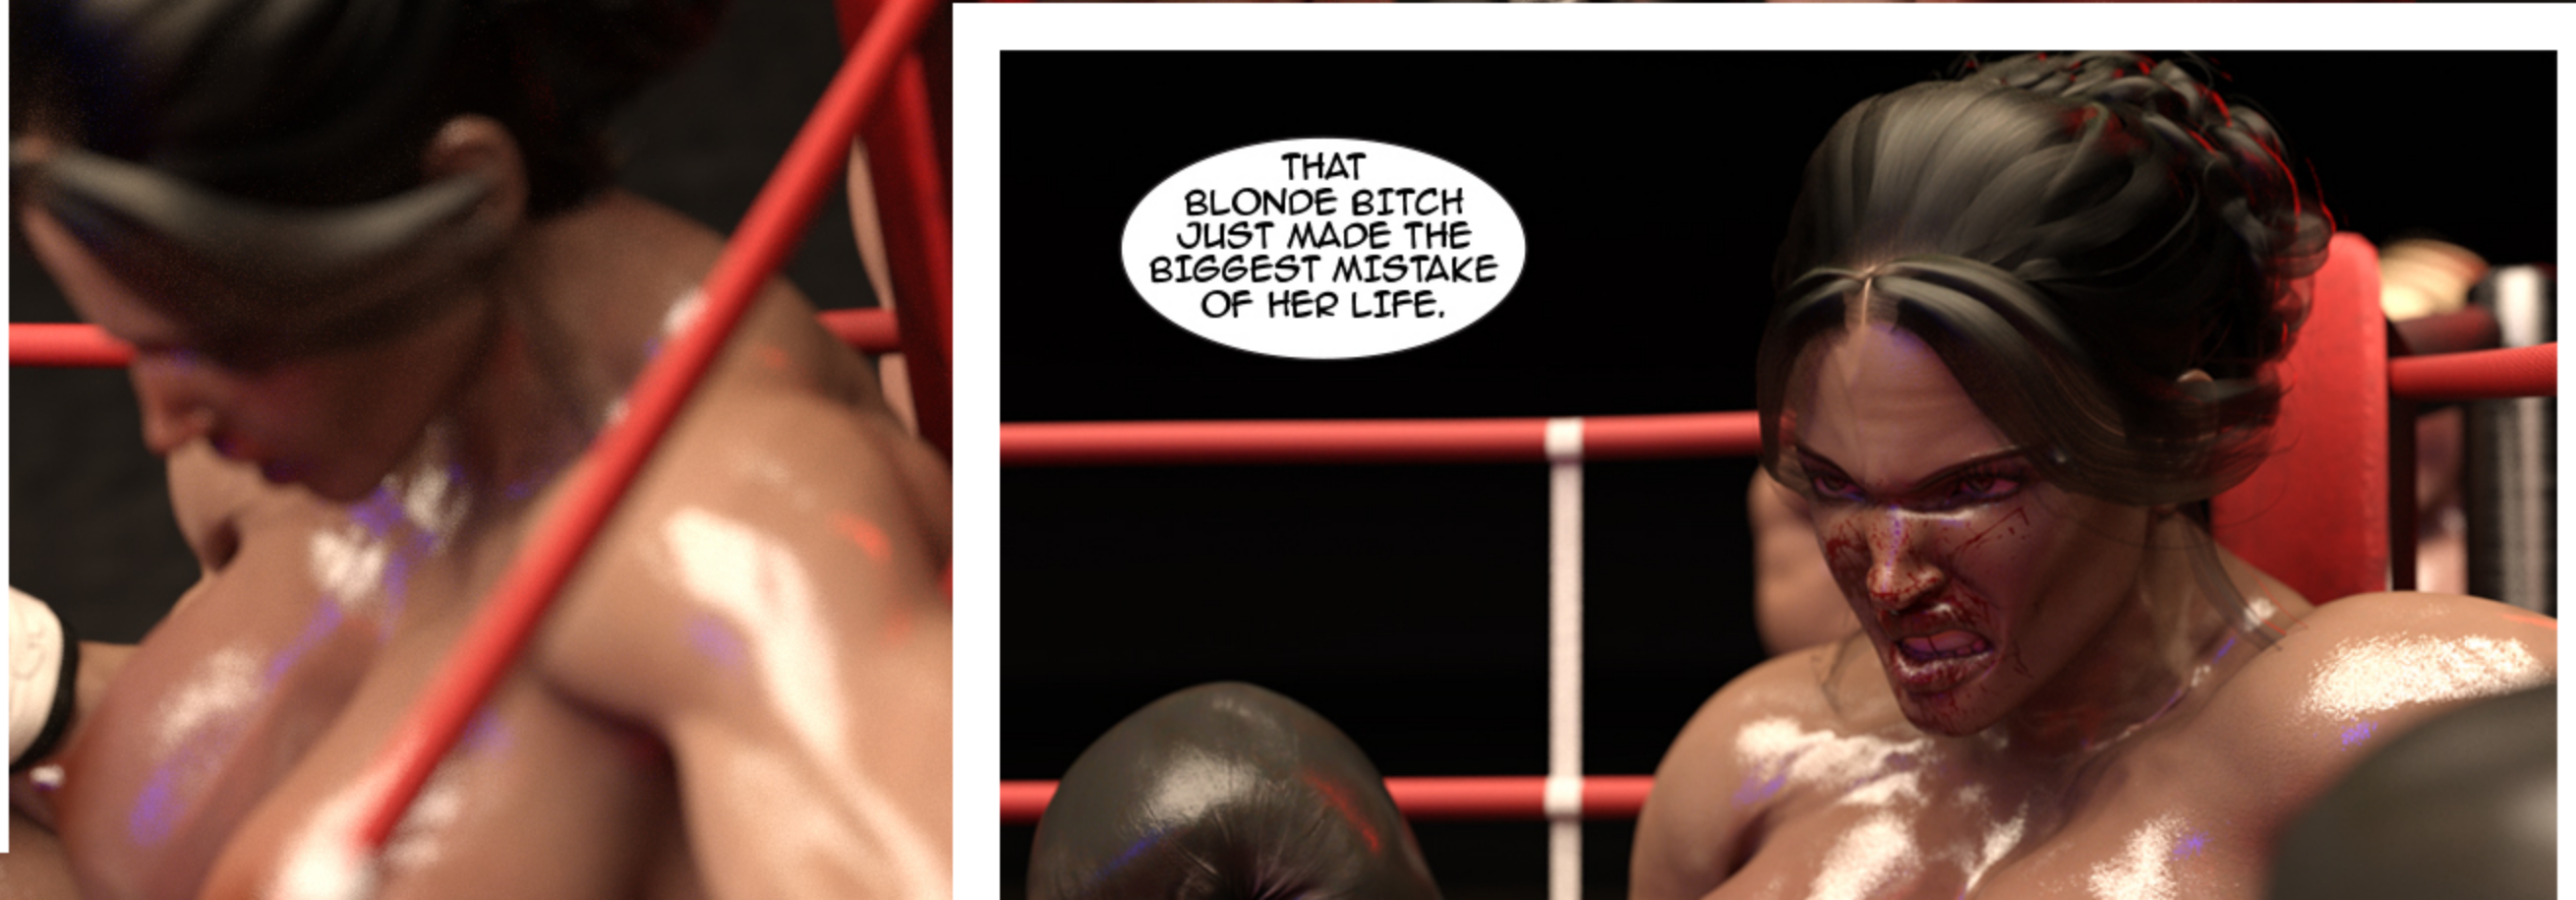

Now Stewart has LeStrange in a breast-lock against the ropes, and blasts her with rabbit-punches until the bell!

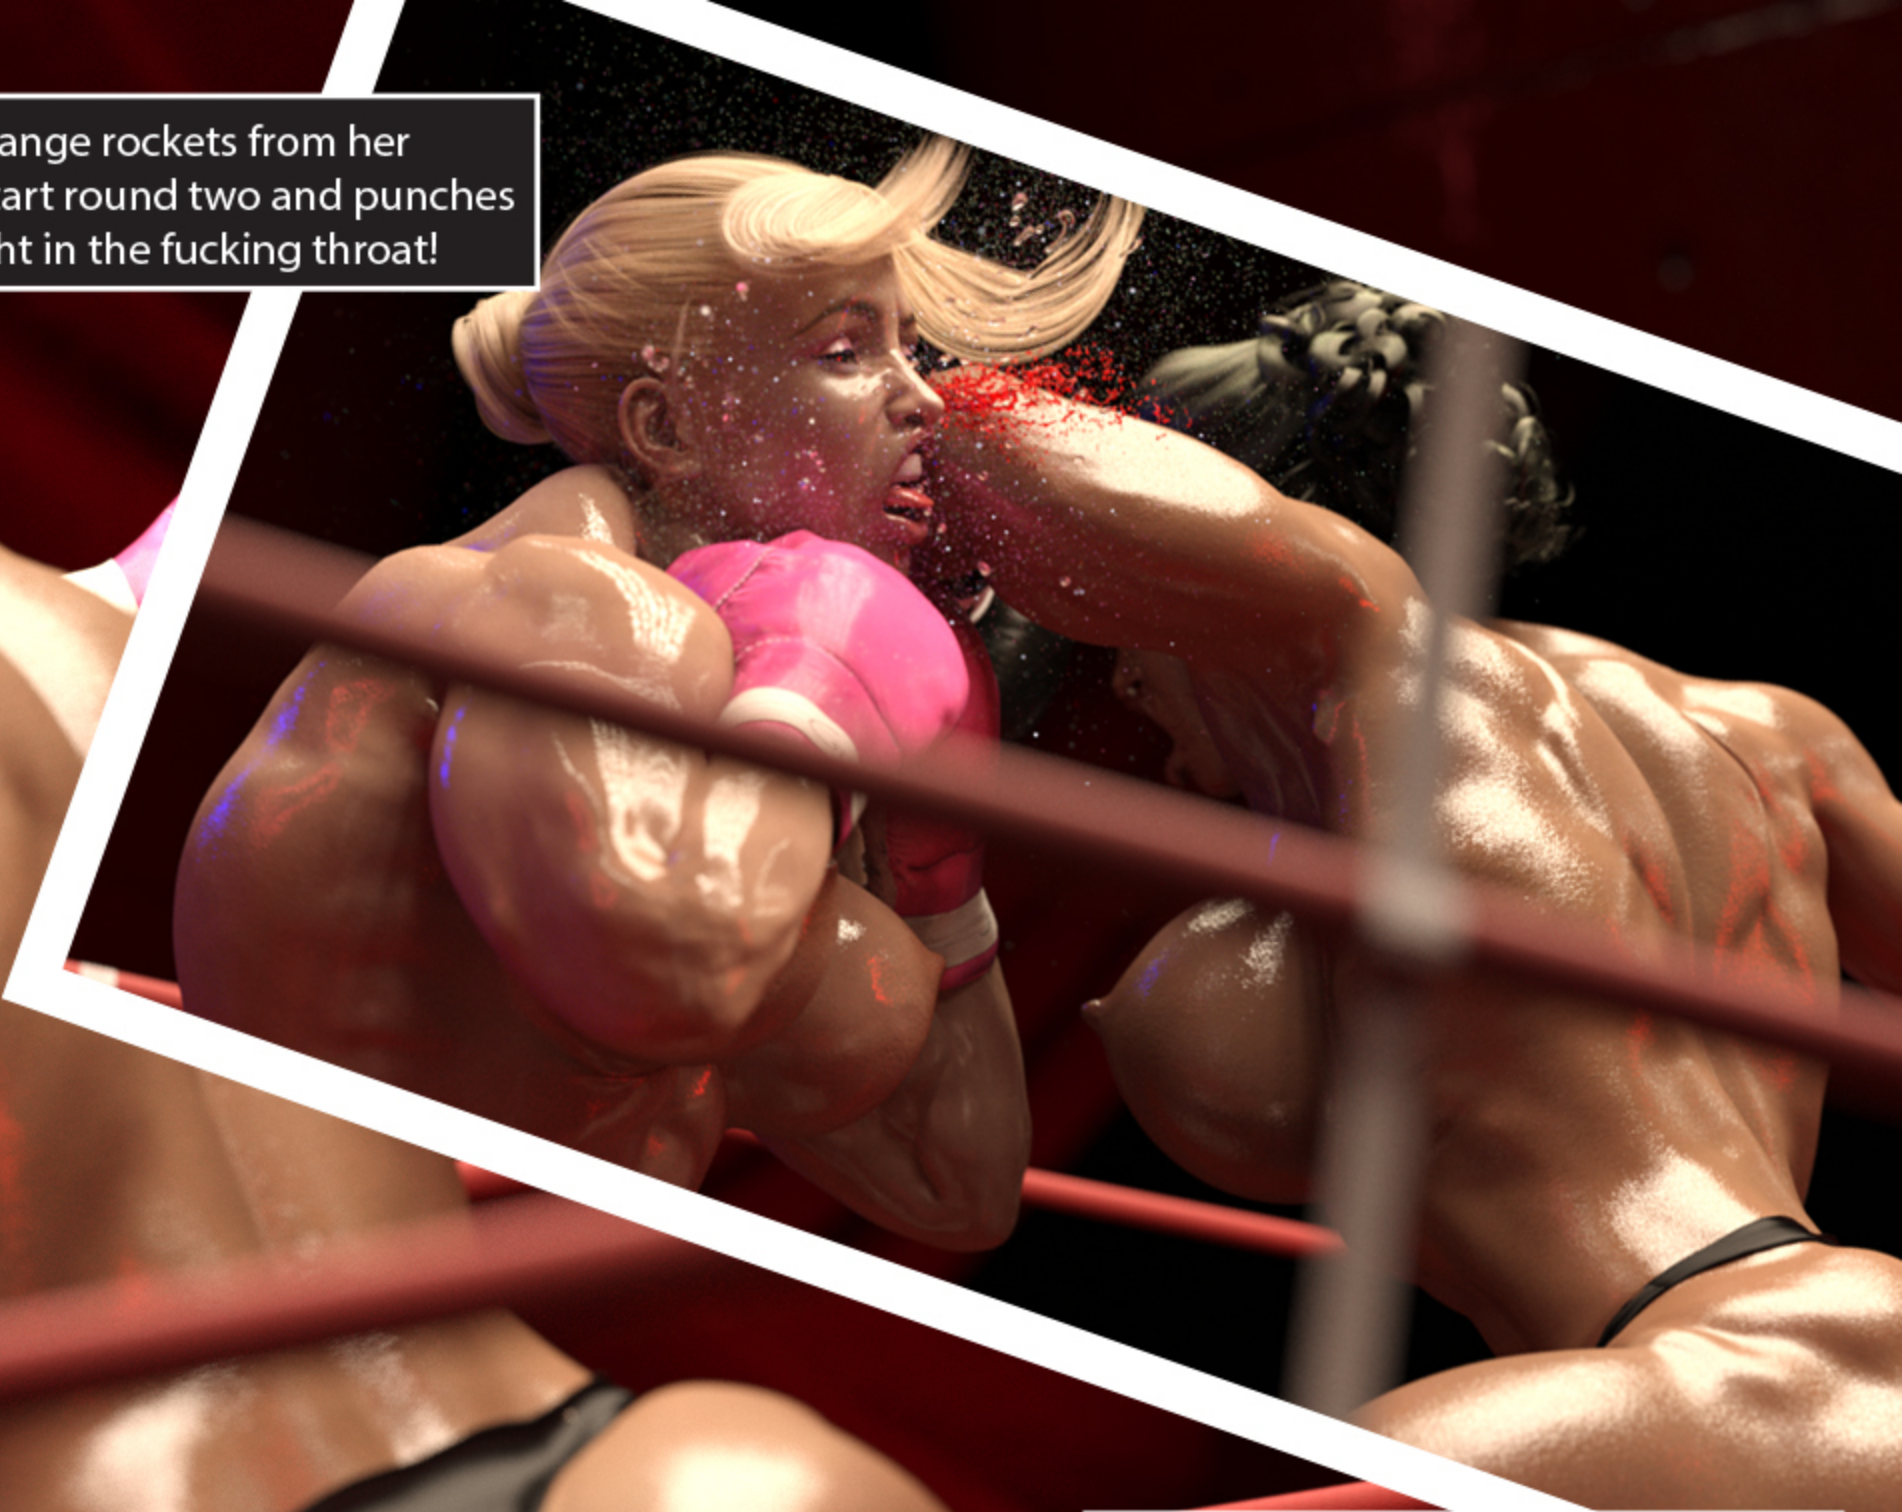

# ROUND 2:

Wow! LeStrange rockets from her corner to start round two and punches Stewart right in the fucking throat!

GKKKK!

And then follows it up with an elbow to the cheek, splitting it wide open!

While Stewart's bent over in pain, LeStrange grabs ahold of her left arm...

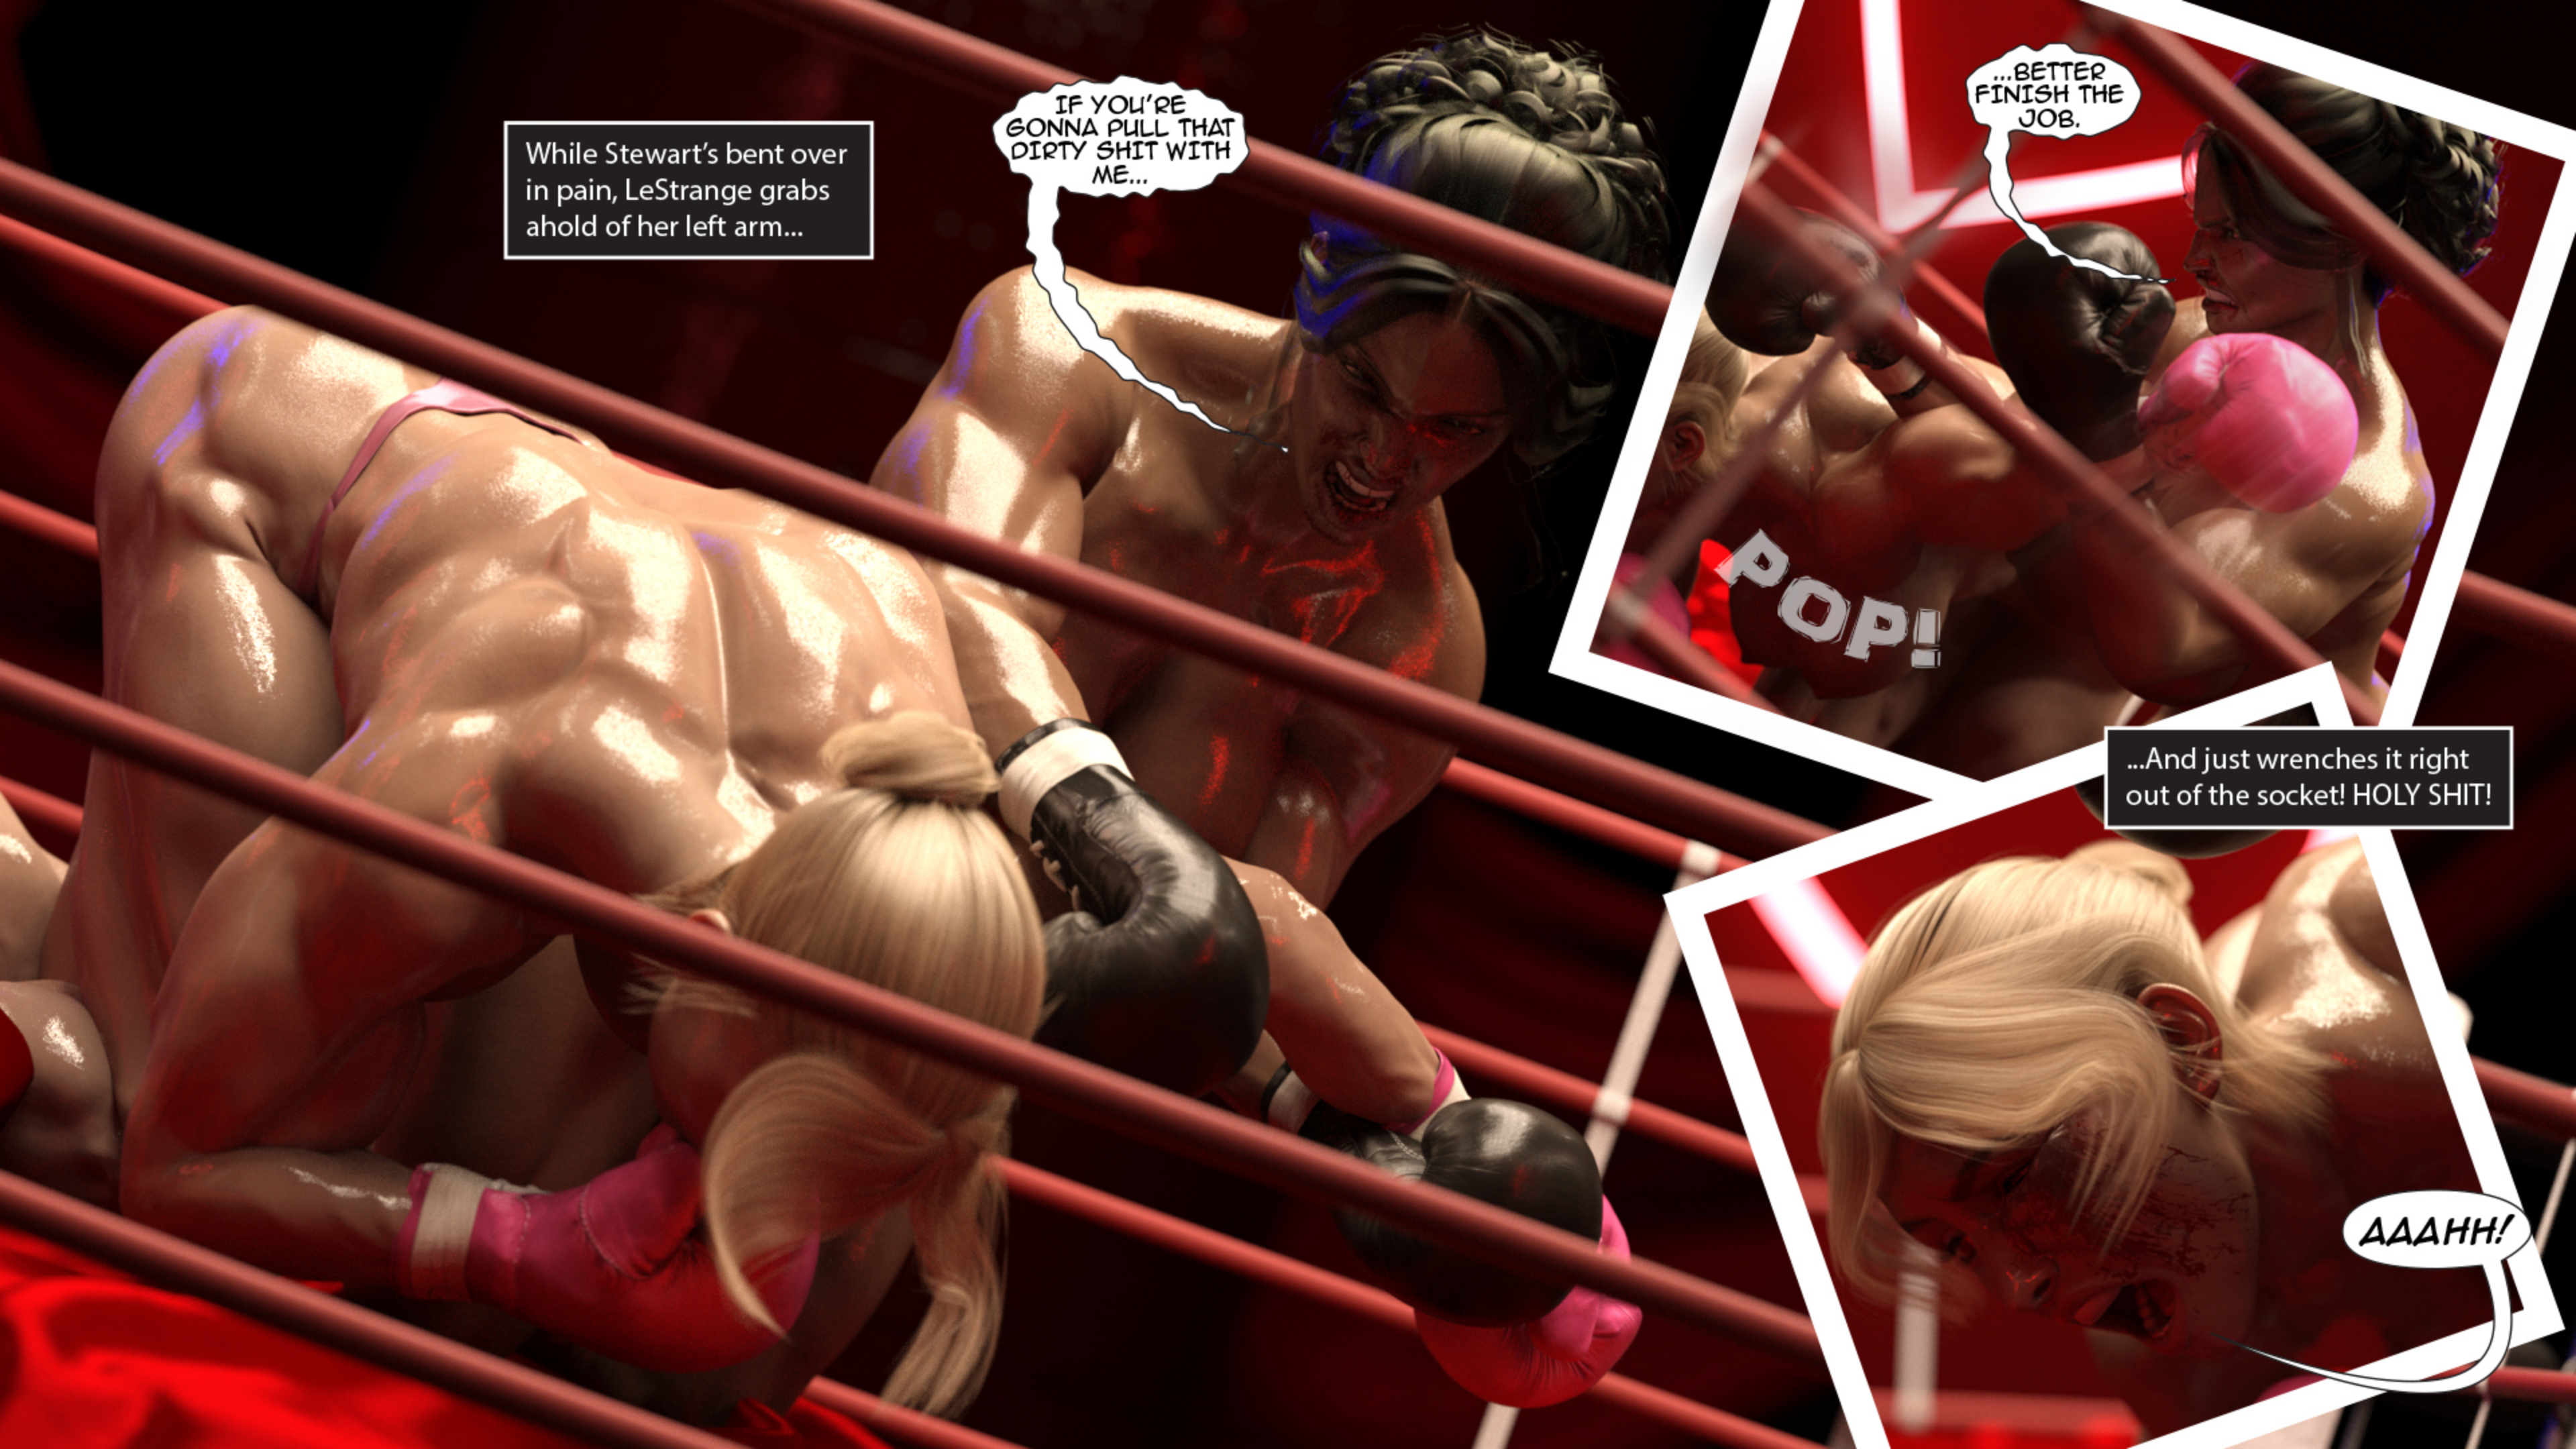

IF YOU'RE GONNA PULL THAT DIRTY SHIT WITH ME...

...BETTER FINISH THE JOB.

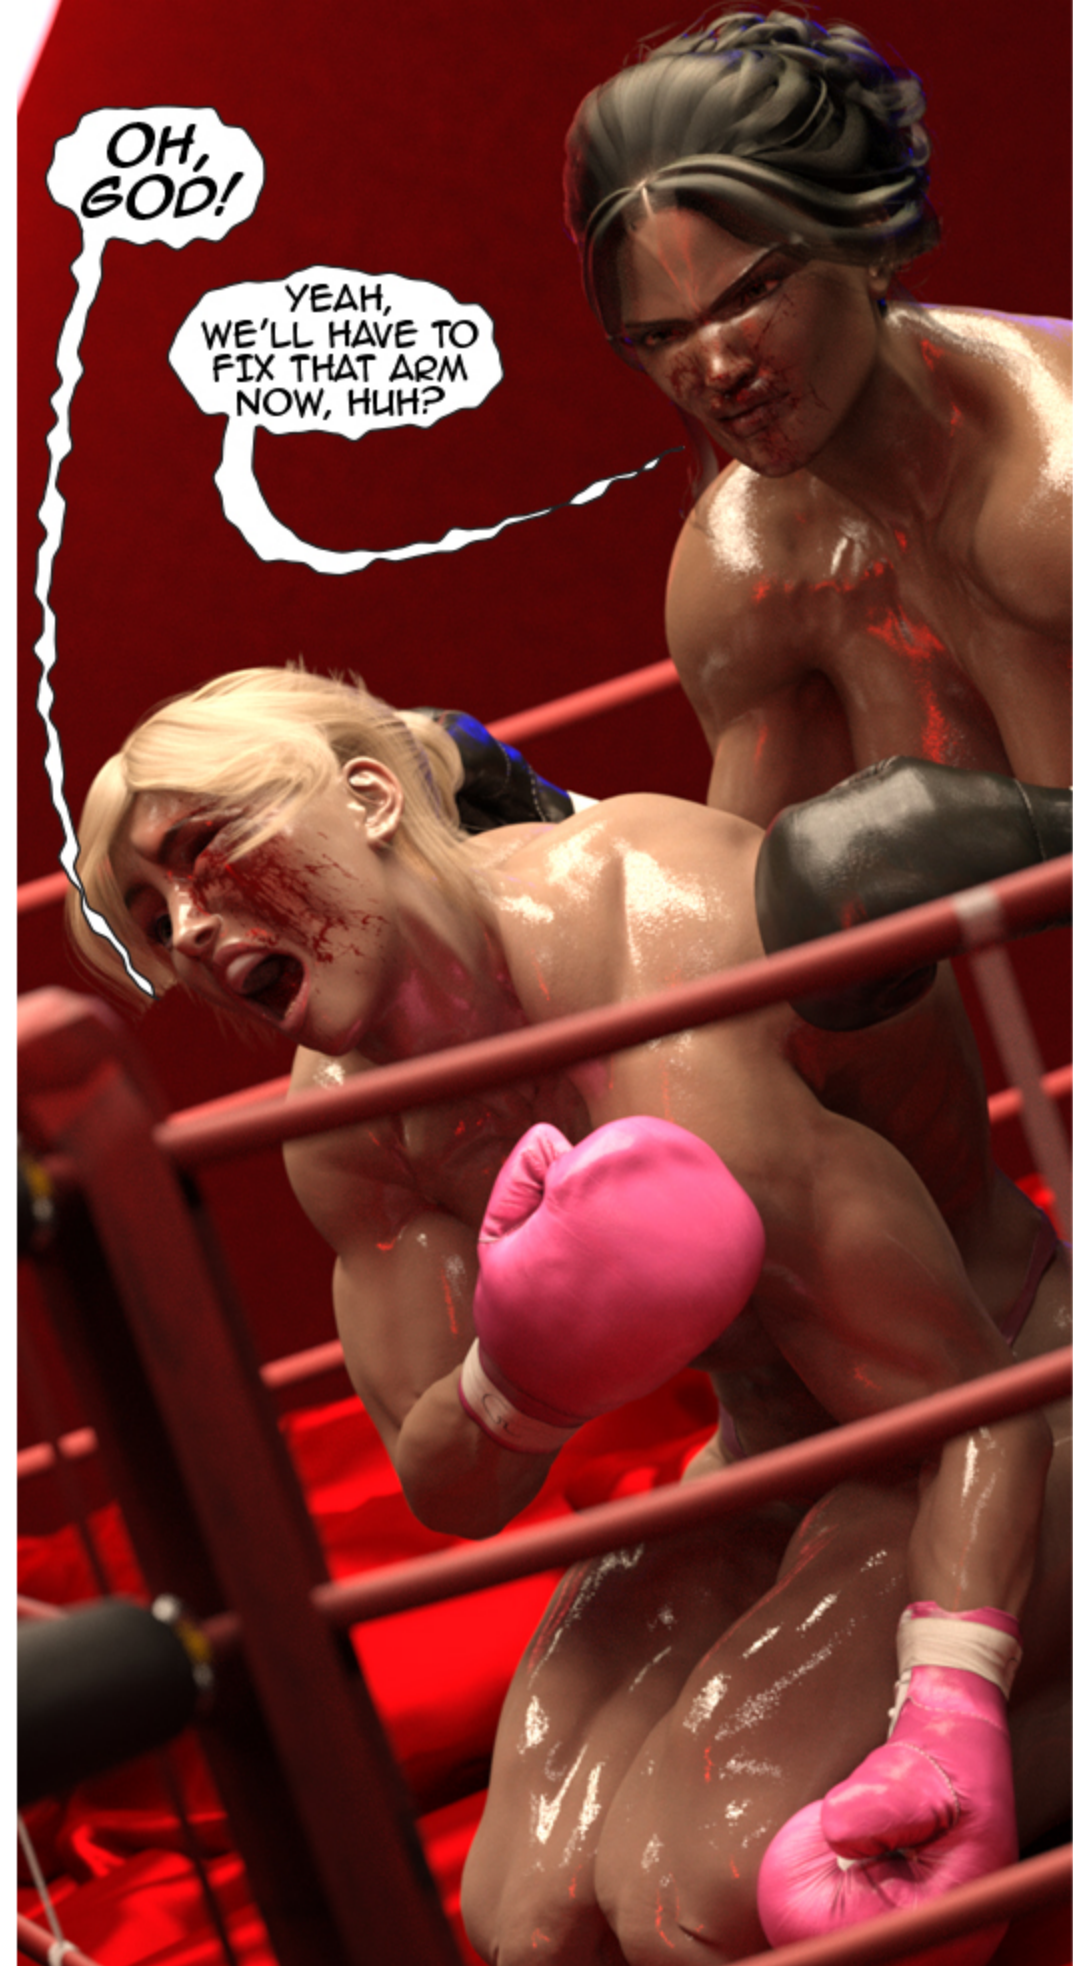

POP!

...And just wrenches it right out of the socket! HOLY SHIT!

AAAHH!

# ROUND 3:

Between the damage to the eye and the shoulder, Stewart's entire left side is now defenseless, and LeStrange is determined to make her pay!

GLUHHH!

...I lost count of how many punches Stewart just took to the face, but she's finally slumping over onto her side and she is out!

YOU BITCHES BETTER PAY ATTENTION! THIS IS A BED-RING, SO YOU MIGHT GET FLUCKED...

...BUT YOU PULL ANY DIRTY SHIT WITH ME, YOU WILL GET FLUCKED UP!
