

UH, WHERE  
EXACTLY ARE WE  
GOING?

I FEEL LIKE  
WE DESERVE TO  
KNOW!

YEAH! AND  
ALSO...HOW THE HELL  
ARE WE GETTING  
JAE THERE?

SHE'S NOT  
EXACTLY AMBULATORY  
RIGHT NOW, AND I THINK WE'LL  
BE SPOTTED IF WE'RE HALLING  
A GIANT SILVER BALL  
AROUND!

YOU'RE RIGHT,  
**BOTH** OF YOU. I WISH  
I COULD TELL YOU **EVERYTHING**,  
BUT **SOME** OF IT HAS TO WAIT  
UNTIL WE'RE IN A **SECURE**  
**LOCATION!**

YOU CAN  
**TRUST** MYKA AND ME,  
I GIVE MY **WORD**.

**MINE TOO!**

FOR **NOW**,  
COME **CLOSER** AND  
I'LL **SHOW** YOU HOW  
WE'RE GOING TO  
**MOVE** HER.

WHAT ARE  
YOU DOING ON YOUR  
TABLET, KENZ?

AS YOU SAW,  
I CAN ACCESS JAE'S  
**NANO-BOTS** THROUGH THIS  
AND GET THEM TO DO  
**BASIC TASKS...**

...SUCH AS  
**ASSUMING THE SHAPE**  
OF AN EVERYDAY  
**OBJECT!**

WHAAA-

OH! THAT  
LOOKS LIKE-  
LIKE A *CANISTER*,  
YEAH?

SUPPOSED  
TO BE...IT'S STILL  
LOADING...

JUST ABOUT  
THERE...A COUPLE MORE  
SECONDS UNTIL IT'S  
STABILIZED...

HUH? THAT  
JUST LOOKS LIKE A  
BASIC BIO-SAMPLE  
CONTAINER...

HMMM...

OOOOH...

BLACKMECH  
AUTO CYBORG

YEP, THE MOST  
GENERIC ONE I COULD  
FIND IN MY DATABASE.  
IT SHOULD BE DONE  
....NOW!

YEAH!  
BUT, WAIT... WHY  
DOESN'T IT -

BLACKMECH  
AUTO CYBORG

...DROPP?

WHOOOPS!

UH OH...

\*CLUNK\*

IT'S - I MEAN,  
JAE'S FINE. REMEMBER,  
HER NANO-MATRIX IS BASICALLY  
INDESTRUCTIBLE, FROM A PHYSICAL  
STANDPOINT, REGARDLESS OF  
WHAT FORM IT'S-SHE'S  
IN AT THE TIME.

NOW, PLEASE  
ONE OF YOU PICK HER  
UP AND FOLLOW ME!

*\*SIGH\**  
ALL RIGHT, I'M  
ON IT!

SO THIS  
IS GETTING PRETTY  
DAMN WEIRD!

TELL ME  
ABOUT IT...

IT'LL ALL  
BECOME CLEAR  
WHEN YOU'RE BACK  
AT OUR PLACE,  
TRUST ME...
