The next day...

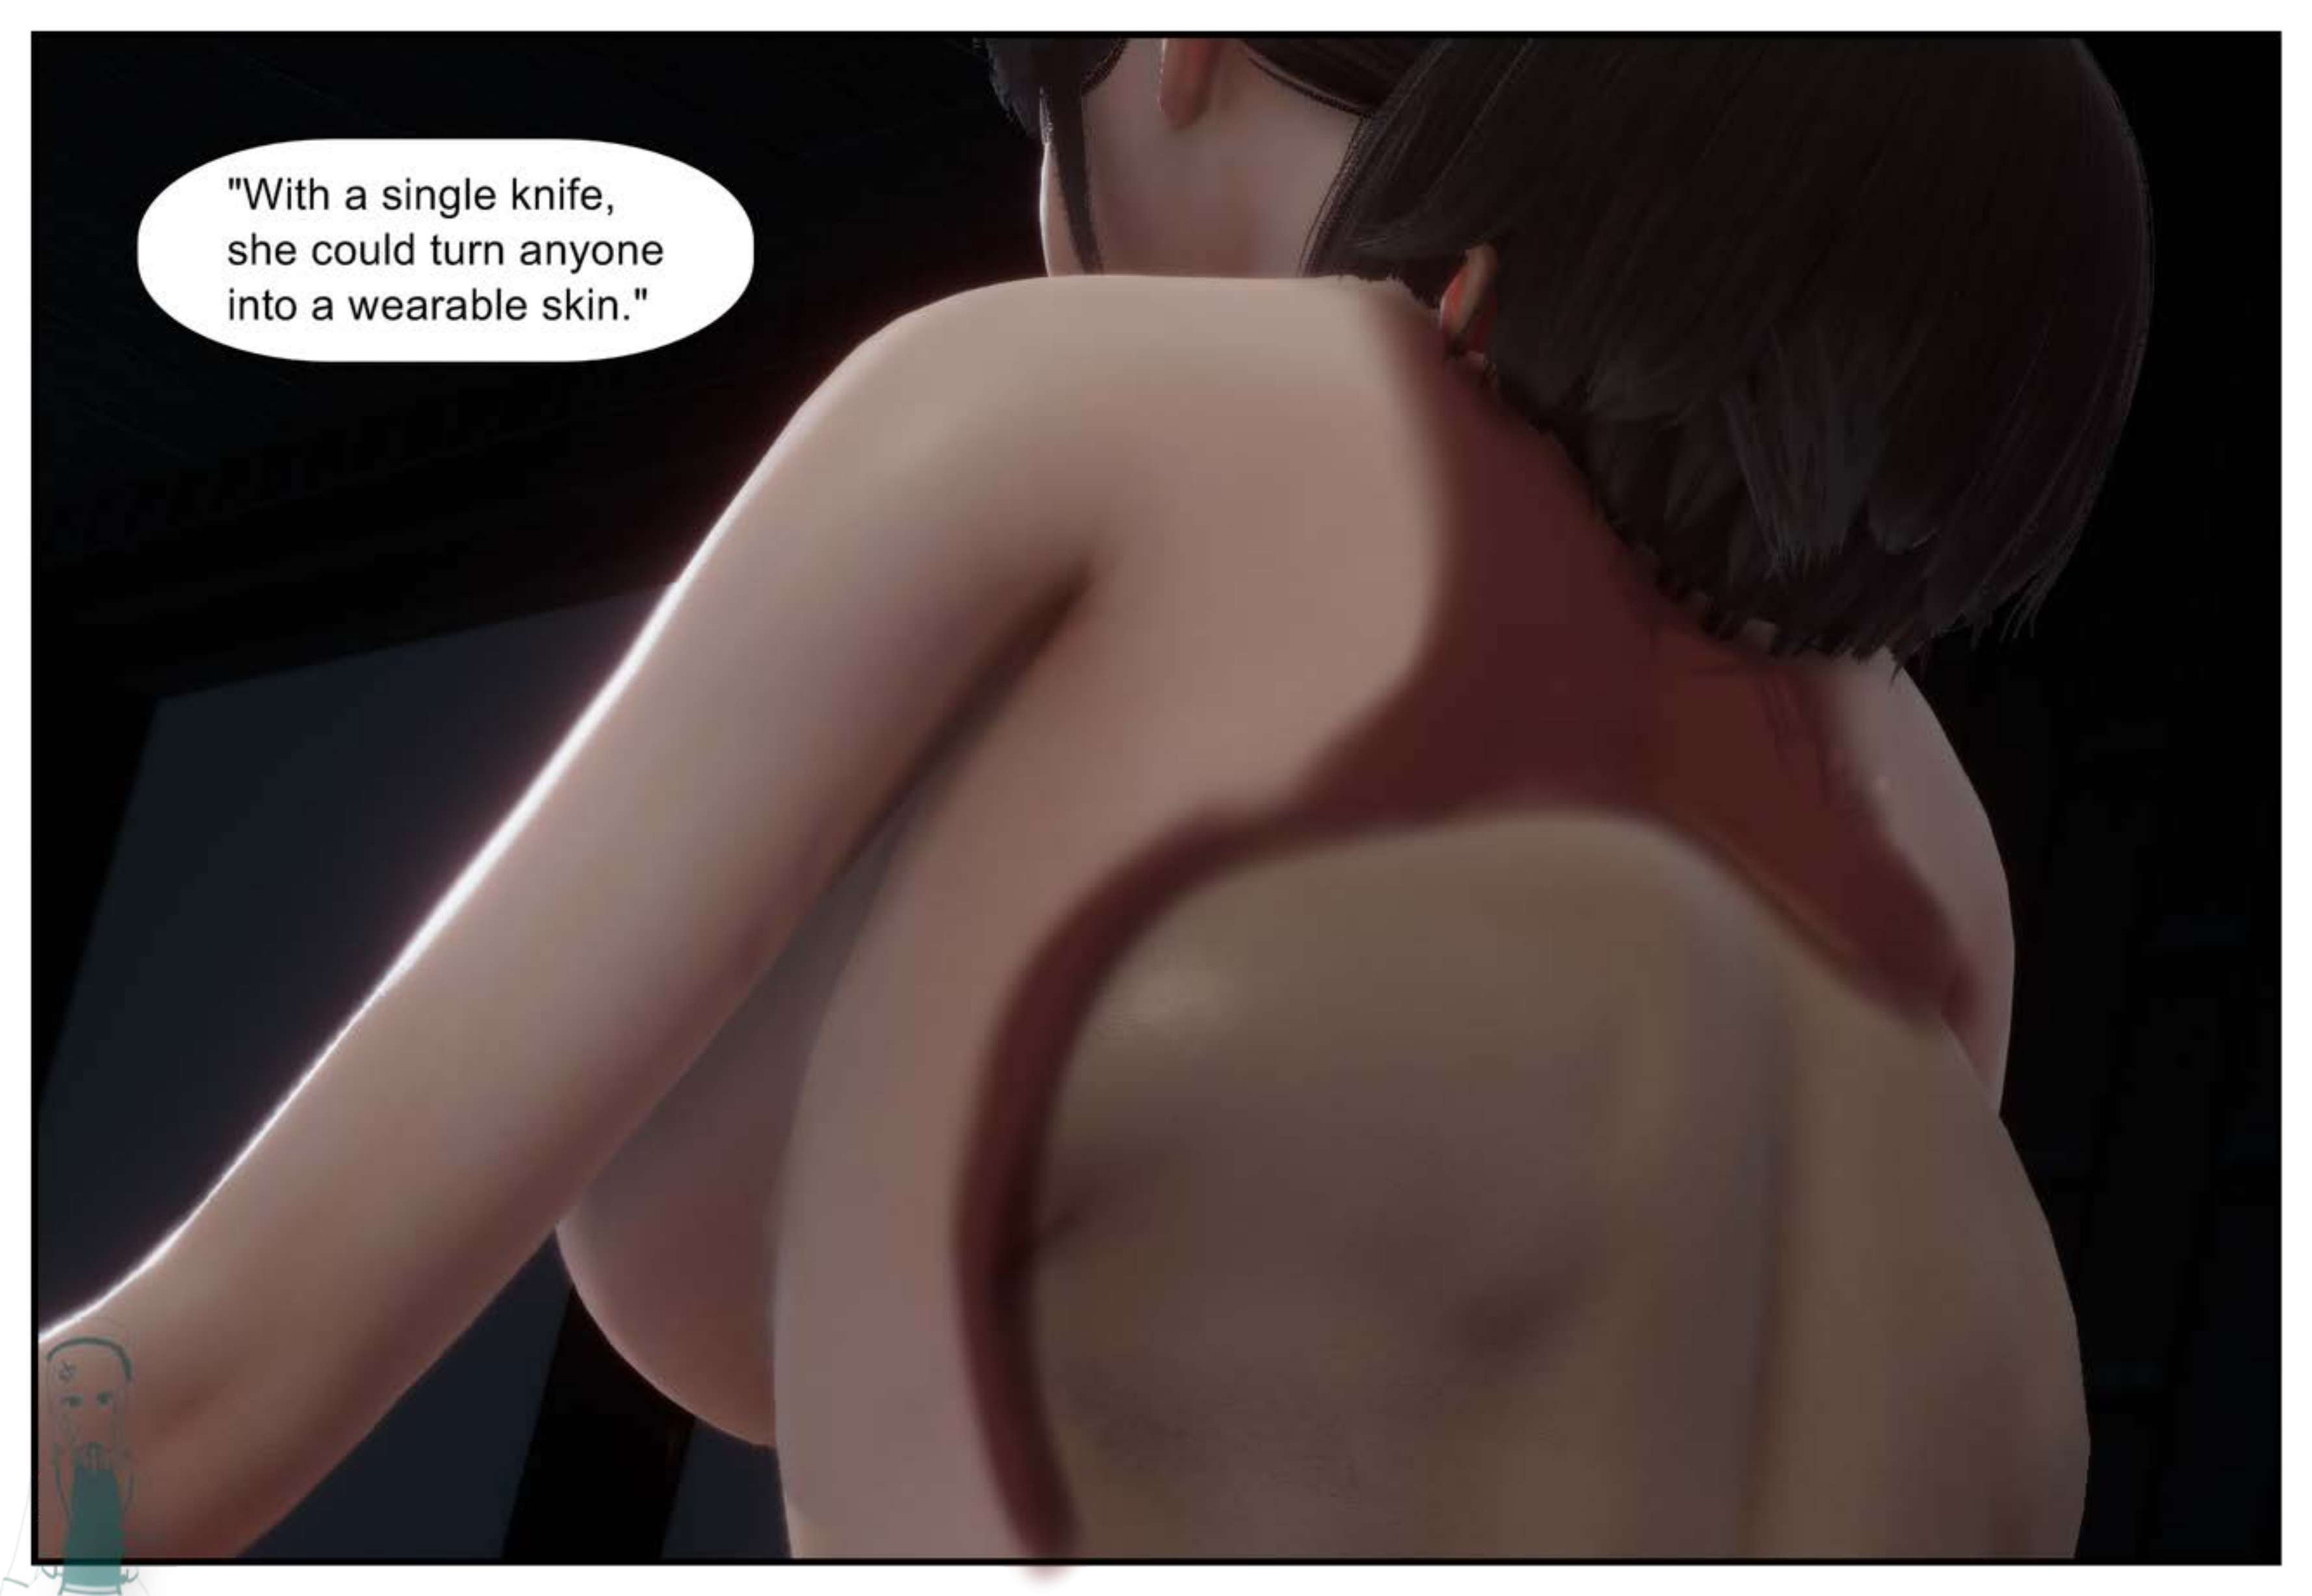

"I never believed  
that skinsuit existed."

"Yesterday, when I saw Kyouka wore one, I was surprised."

"With a single knife,  
she could turn anyone  
into a wearable skin."

"Also, the current unfair working adjustment made me think..."

"...that my position  
can't be replaced  
with those elves."

It felt so real... Like  
I'm actually turn into  
my partner with her voice.

"My side is done here, continue as Kyoka planned."

"Telling that man to join was easy. Especially what just happened."

A 3D rendered female character with large breasts and a red mark on her chest, standing in a dark environment. She is wearing a dark, form-fitting outfit. The scene is dimly lit, with a grid pattern visible on the floor. A speech bubble is positioned to the right of the character.

"And we came up with a plan to put those in charge down."

"Although I didn't want to get involved, this was just too interesting."

"Funny thing was...  
he still thought that  
I was his crush, Kyouka."

"Well, I will take  
my chance with him."

Finish putting on skin and continue to proceed with the plan.

"I wonder how was  
an elf skin look like."

Ugh... Look at those elves, they are now in charge.

They think they are top of intelligence chain with human.

What are the upper thinking to leave them with higher position?

Psst... An elf is coming!

All of you get  
back to work!  
No gossiping!

Ugh... They are ordering us.

Come on, she is at the higher rank than us human.

Alright, let's go back as she pleased.

"\*sigh\*... What a tired day with this company."

"It also seem that everyone thinking too much."

Chief Airi, may I  
ask for your help, please?

O-Oh sure, what  
do you need?

There is a stack  
of important reports  
that I need you to  
look through.

Hm? That much?

Are you busy?

Not of all. Let  
me help you a hand.

Thank you very much, Chief Airi!

Where did you put those reports?

A 3D rendered scene showing a woman's legs in black high-heeled shoes in the foreground. In the background, a group of people in business attire are walking in an office hallway. A blue office chair is visible on the right. A speech bubble is positioned in the upper right area.

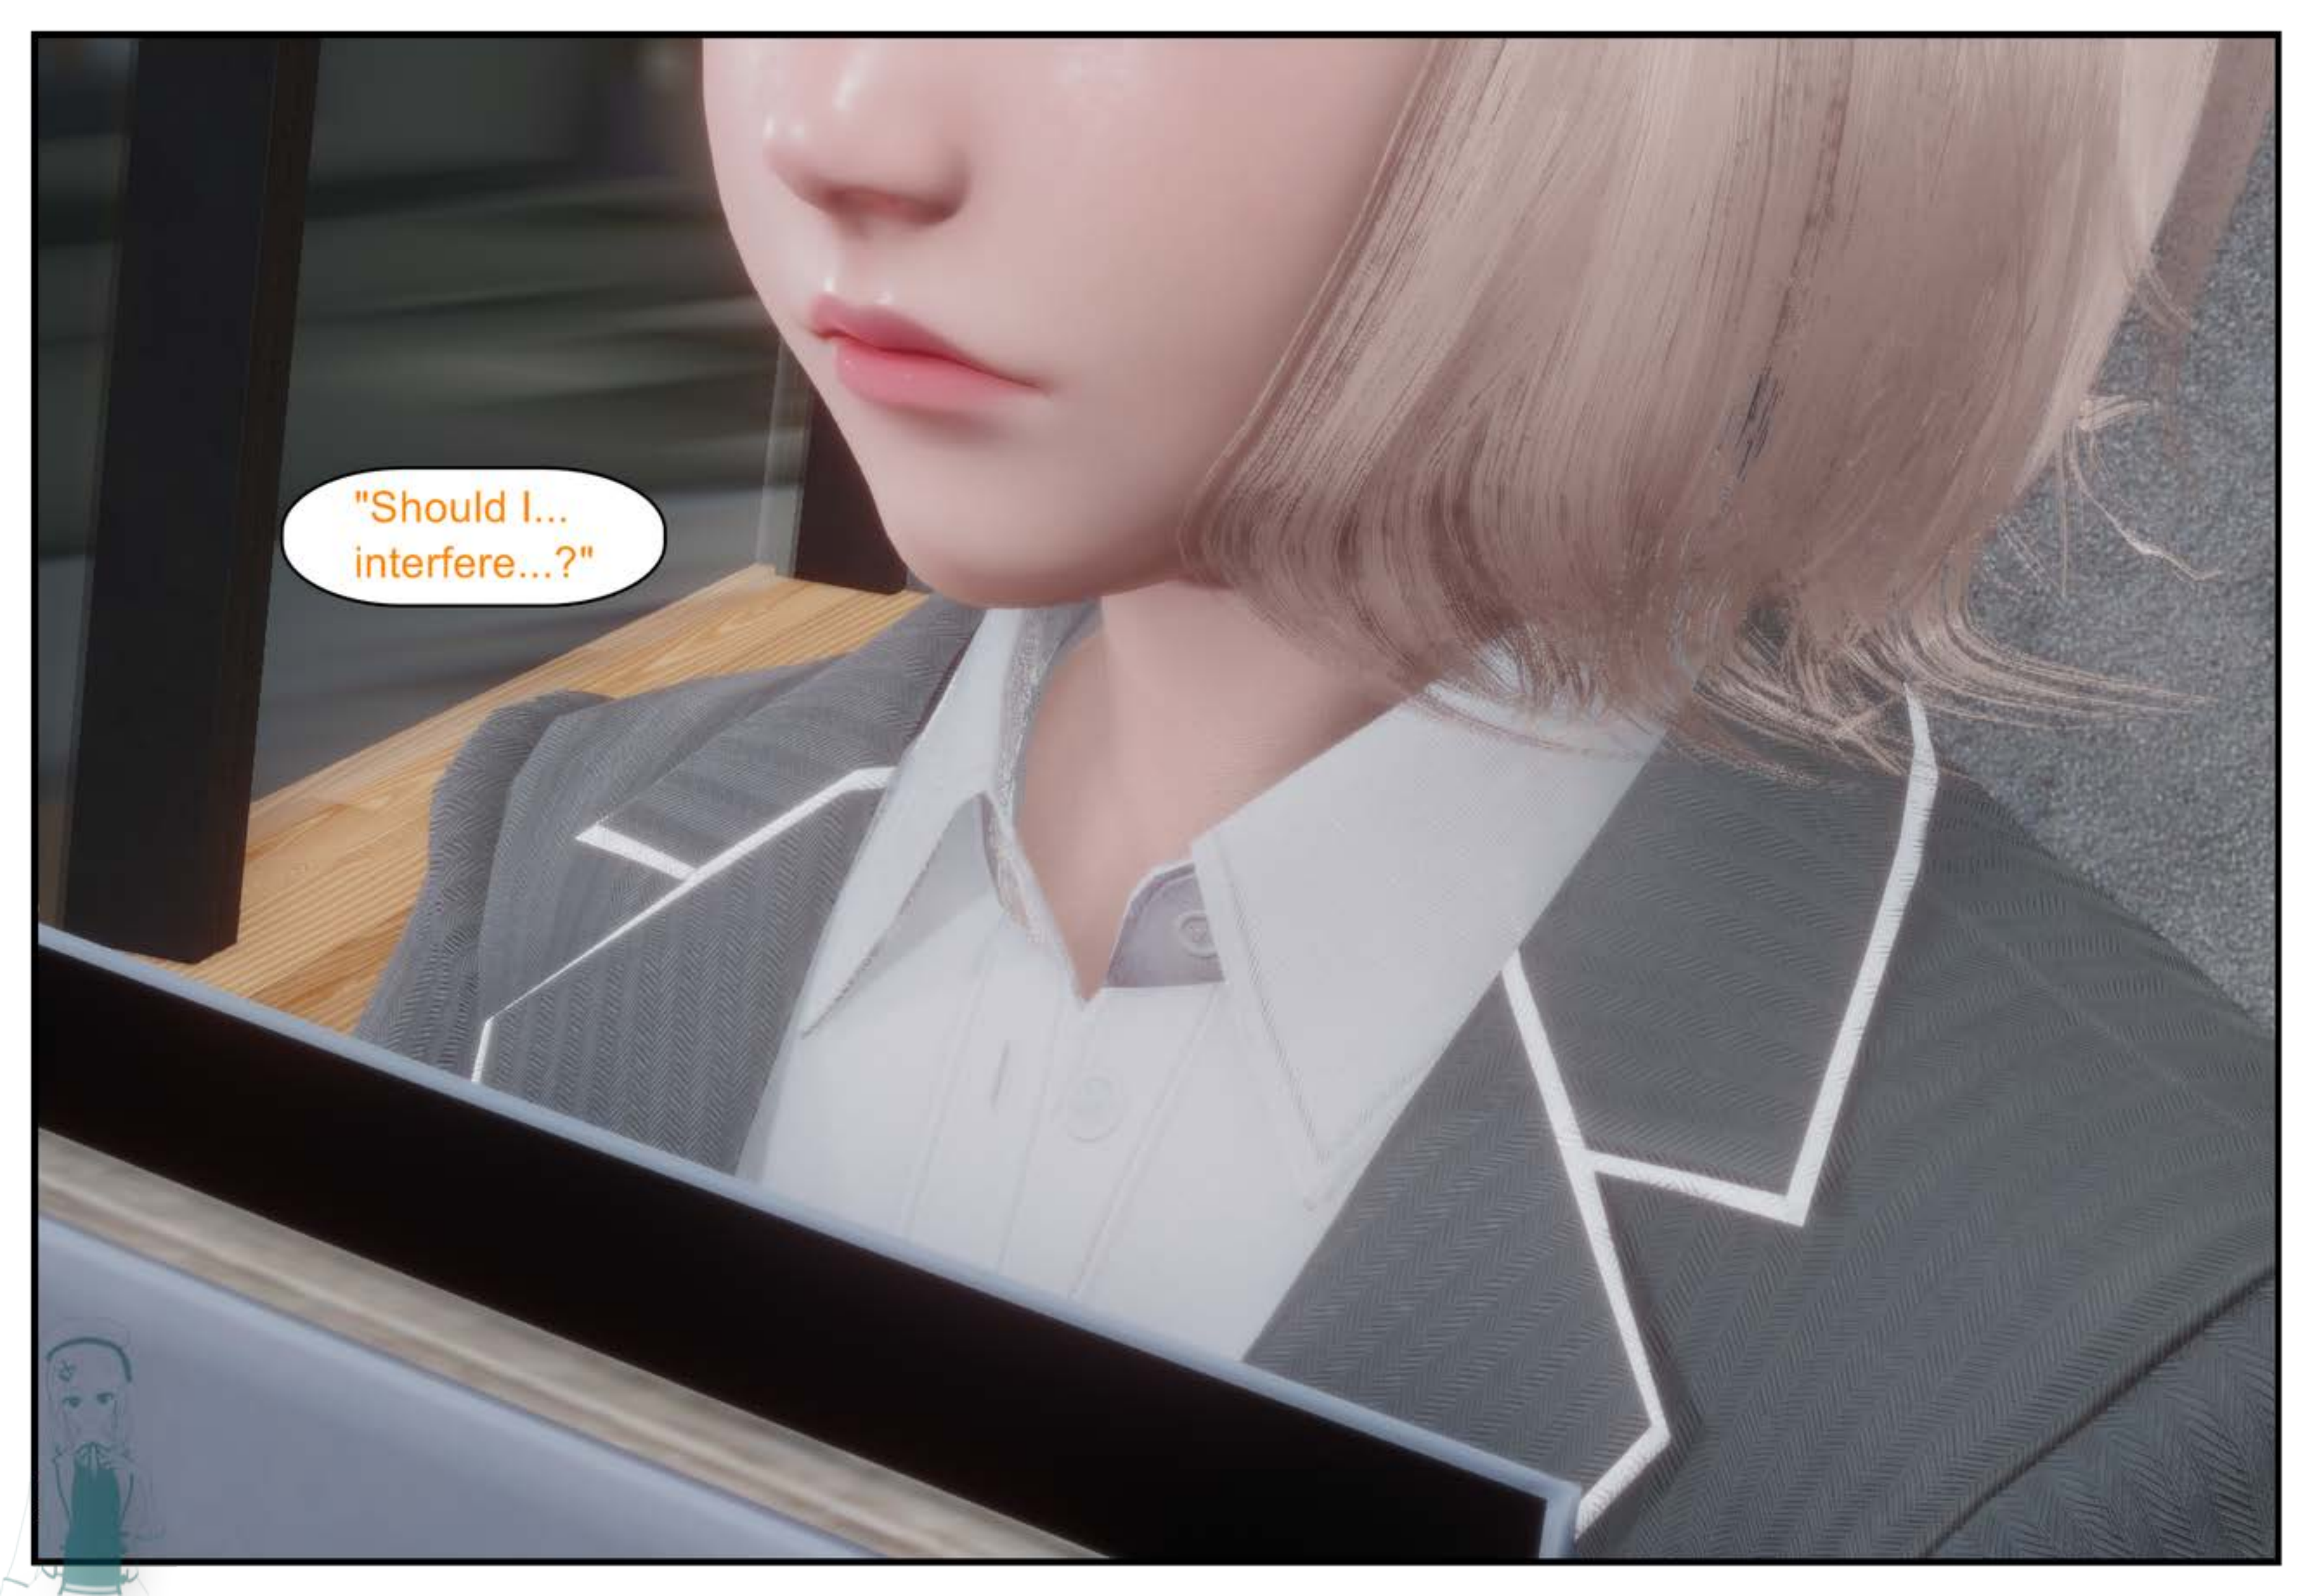

It's in my office,  
right this way.

"Should I...  
interfere...?"

Then, where are those paper that you need me help with?

Actually, there were not any.

Only you and  
me here, that's all.

You were the one  
at the meeting  
yesterday... Tell me...

What are you  
trying to pull!?

W-Who's there!?

Ugh...!!!!???  
Y-You...!?

Well, hello there.

How does it feel  
to be stabbed, hm?

B-Both of you...  
Ugh...

Human... can even  
go this far... to take  
back their place...?

A digital illustration of two women in a professional setting. The woman on the left has short dark hair, wears glasses, a white collared shirt, and a dark blazer. The woman on the right has long dark hair, wears a dark blazer with light-colored piping, and holds a handgun. A speech bubble is positioned between them.

That's just a small part, Chief Airi.

We actually want  
to try you on...

This knife won't  
cause any lethal  
wound, instead...

A close-up shot of a character with dark hair, red horns, and yellow eyes. The character's eyes are closed, and they have a slightly open mouth. They are wearing a white collared shirt under a dark, textured jacket with white piping. The background is a plain, light-colored wall.

...turn you  
into skinsuit.

What... in the  
world... are you...

You two...  
Our Queen...

I will leave her  
for you, Kyouka.

Thank you then.

I always wonder  
will elf have  
feeling like human?

A photograph showing the backs of two women. The woman on the left has a large, dark, crescent-shaped tattoo on her upper back. The woman on the right is partially visible, looking towards the first woman. A speech bubble is positioned between them, containing the text "Now we are going to see it." In the bottom left corner, there is a small, faint watermark of a cartoon character.

Now we are  
going to see it.

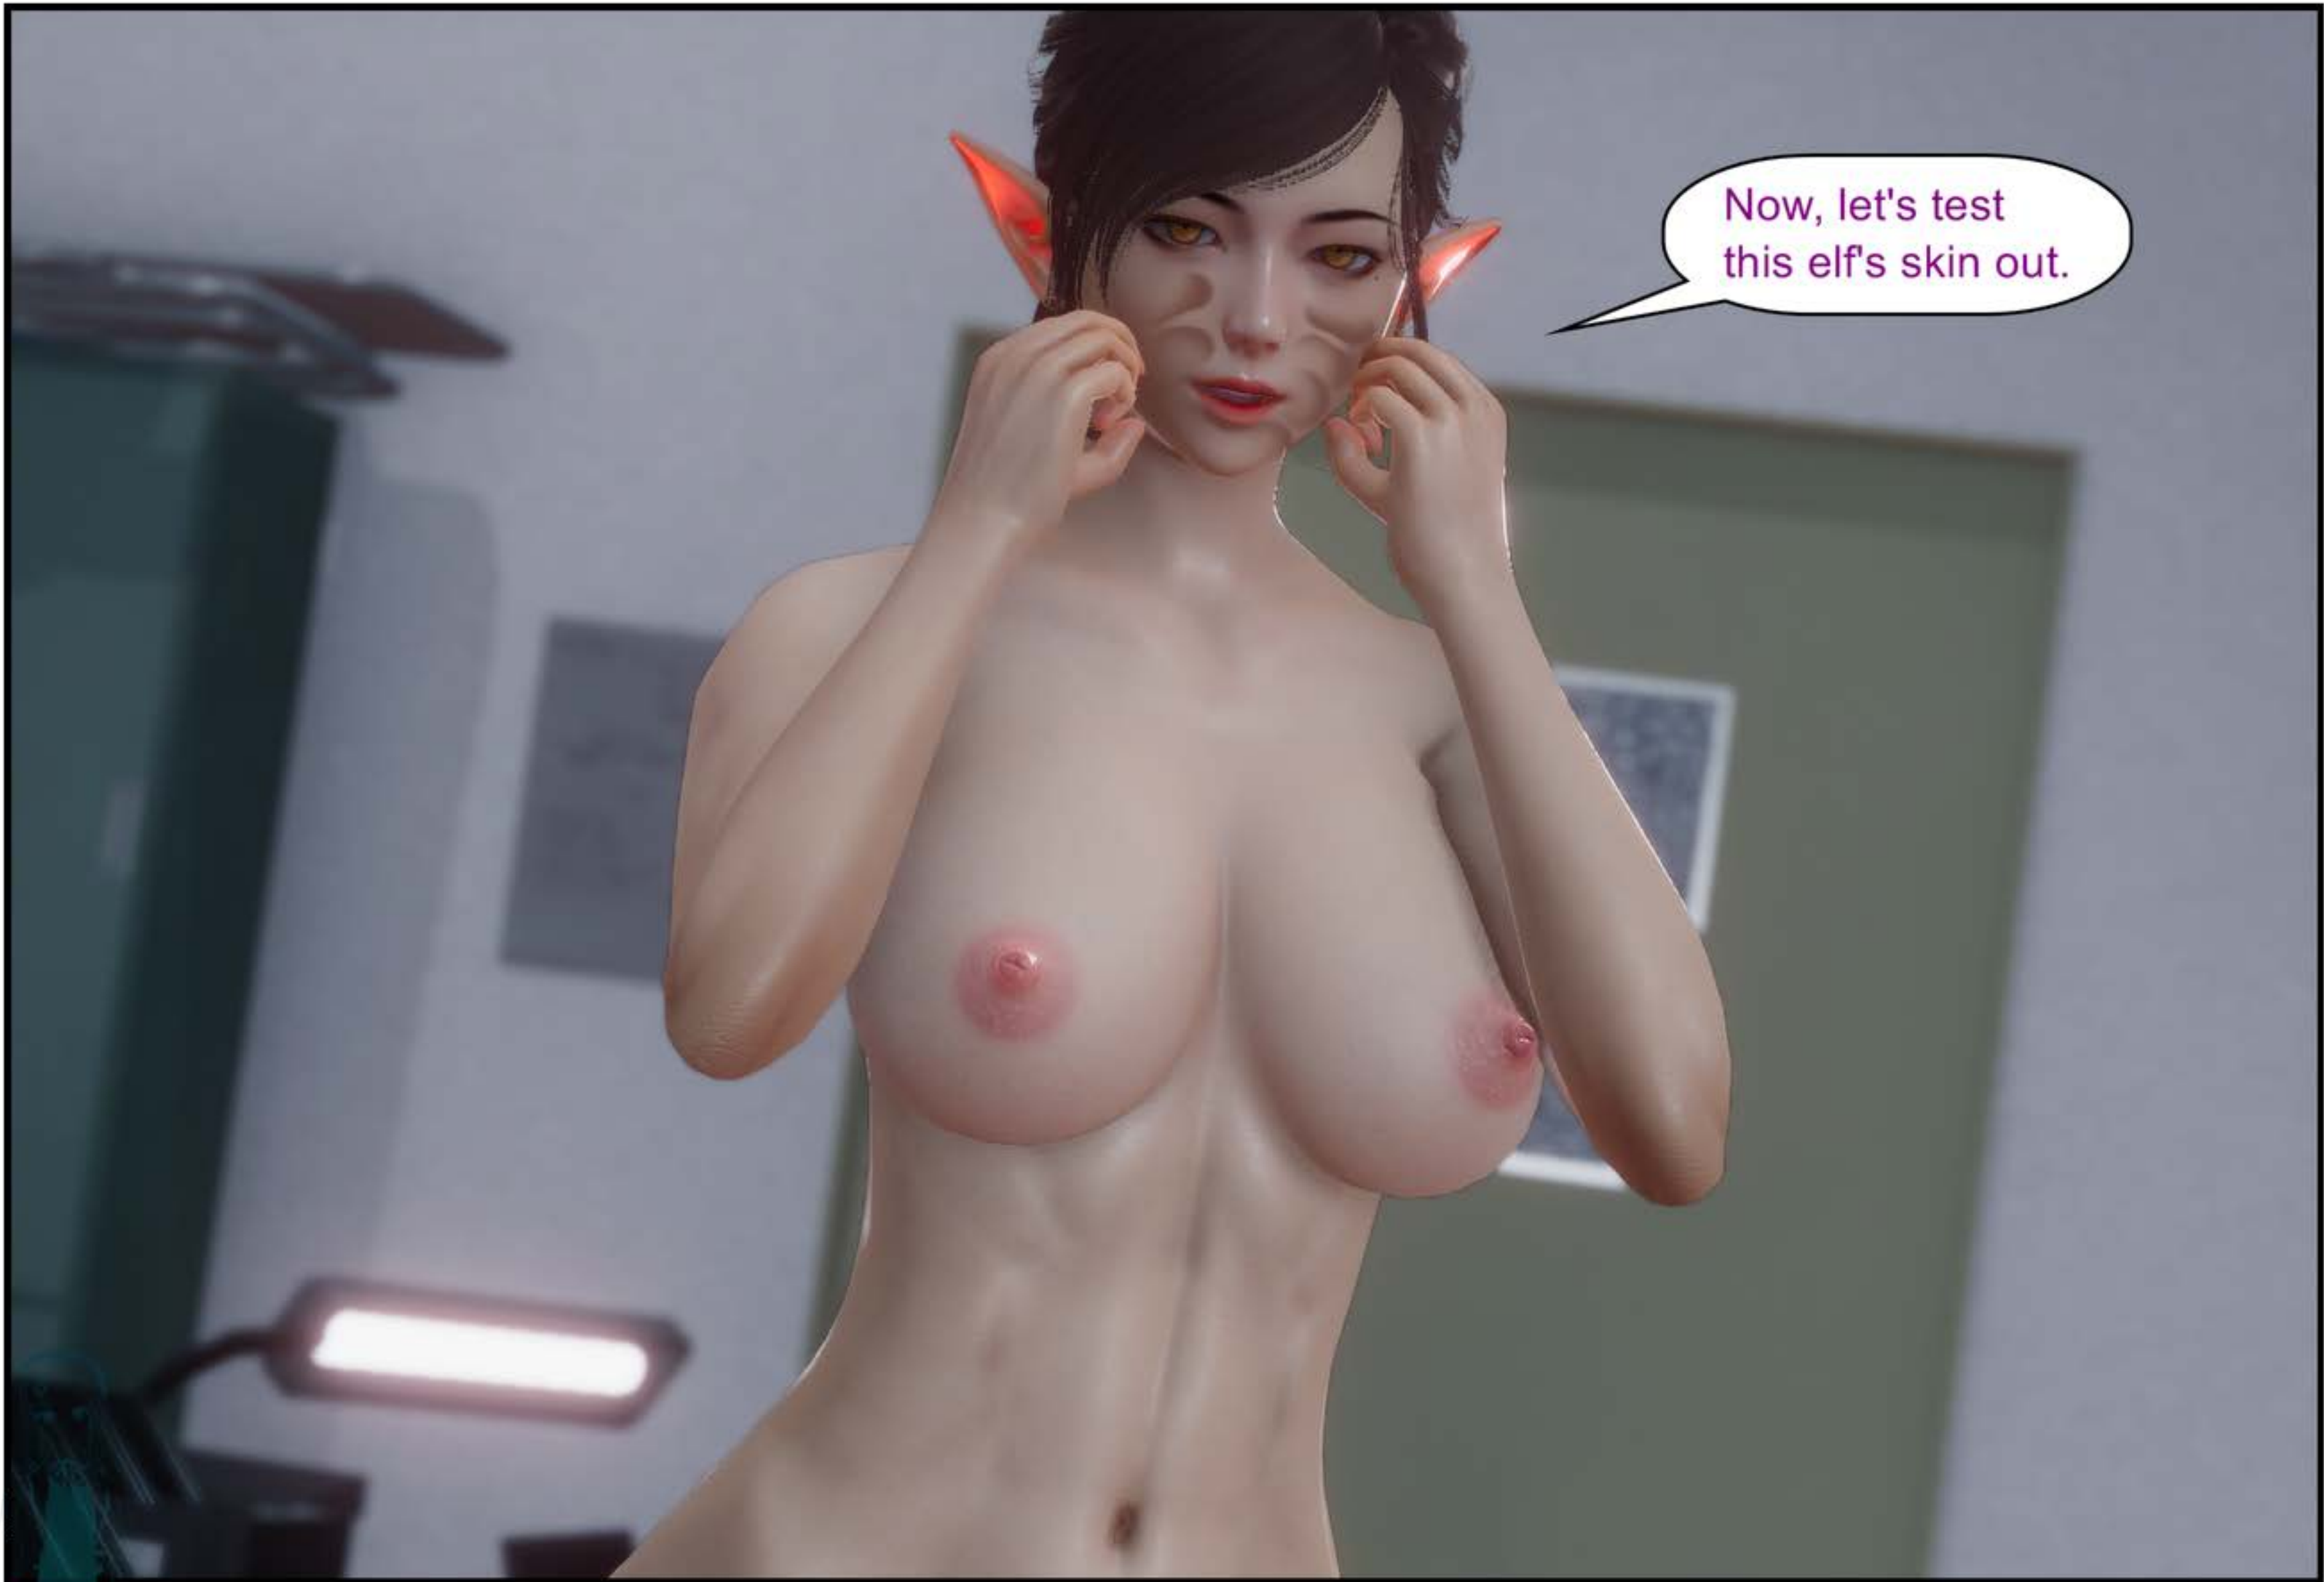

Is she fit  
for you?

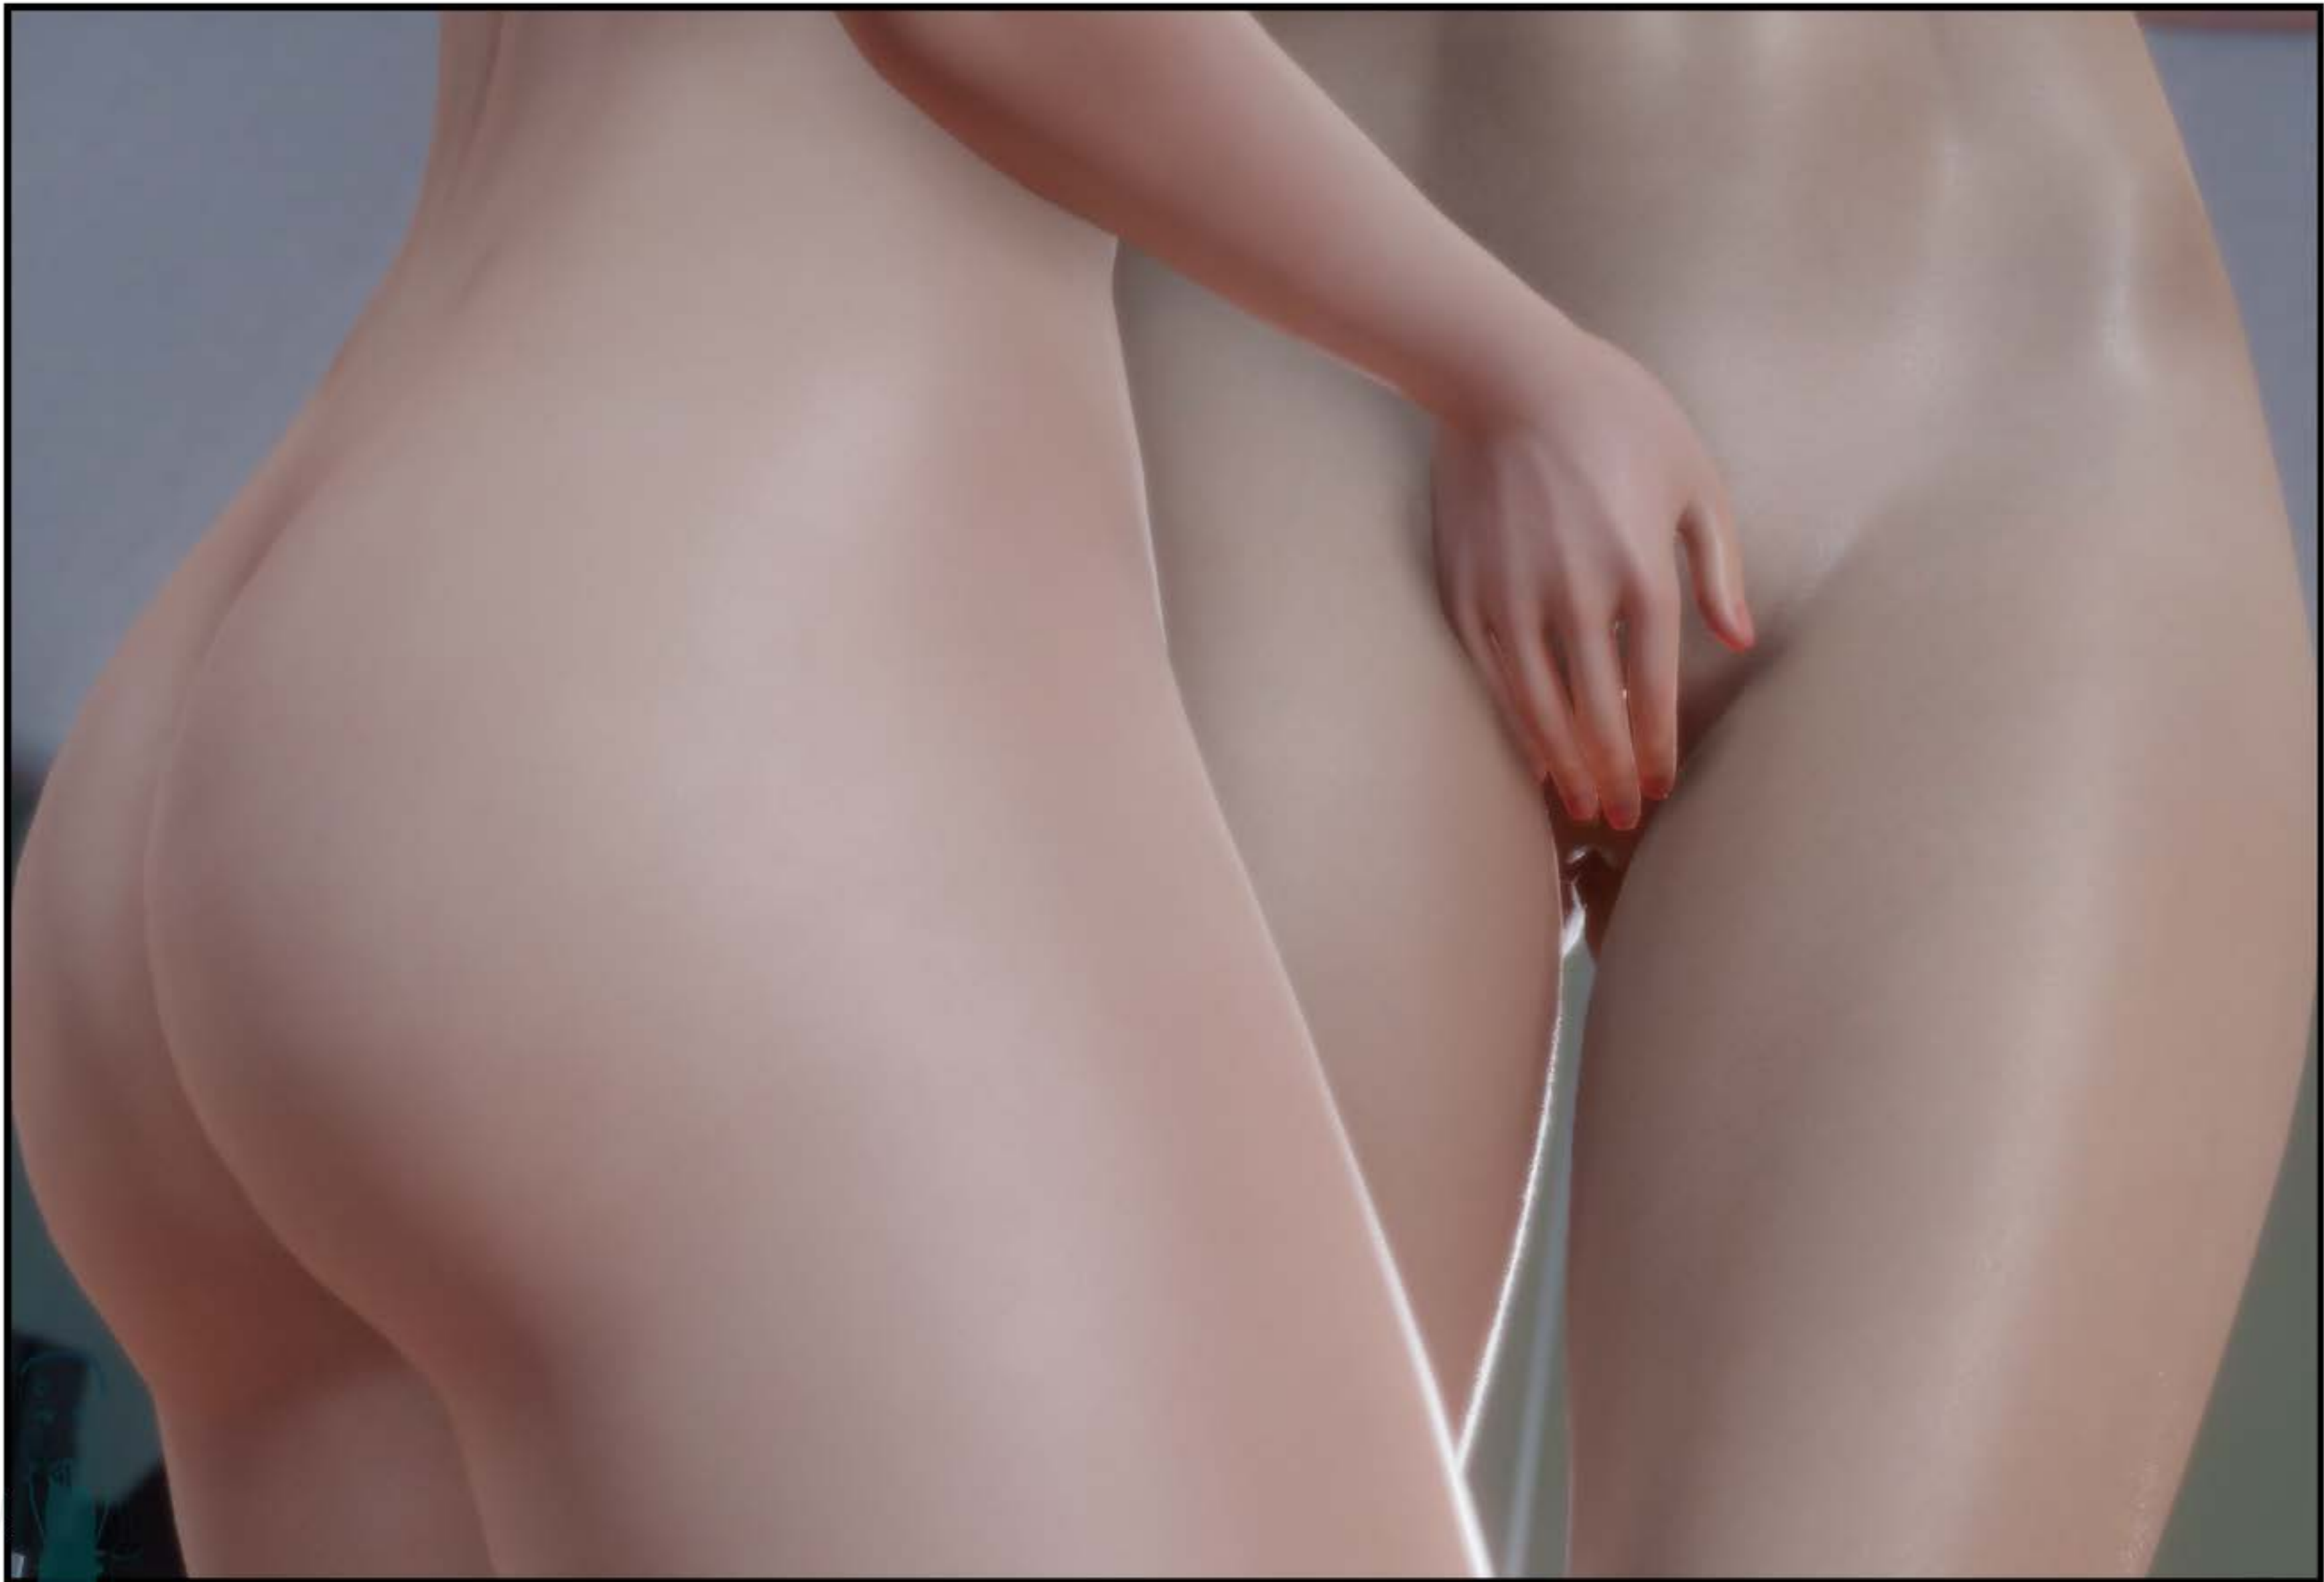

Of course, she does.

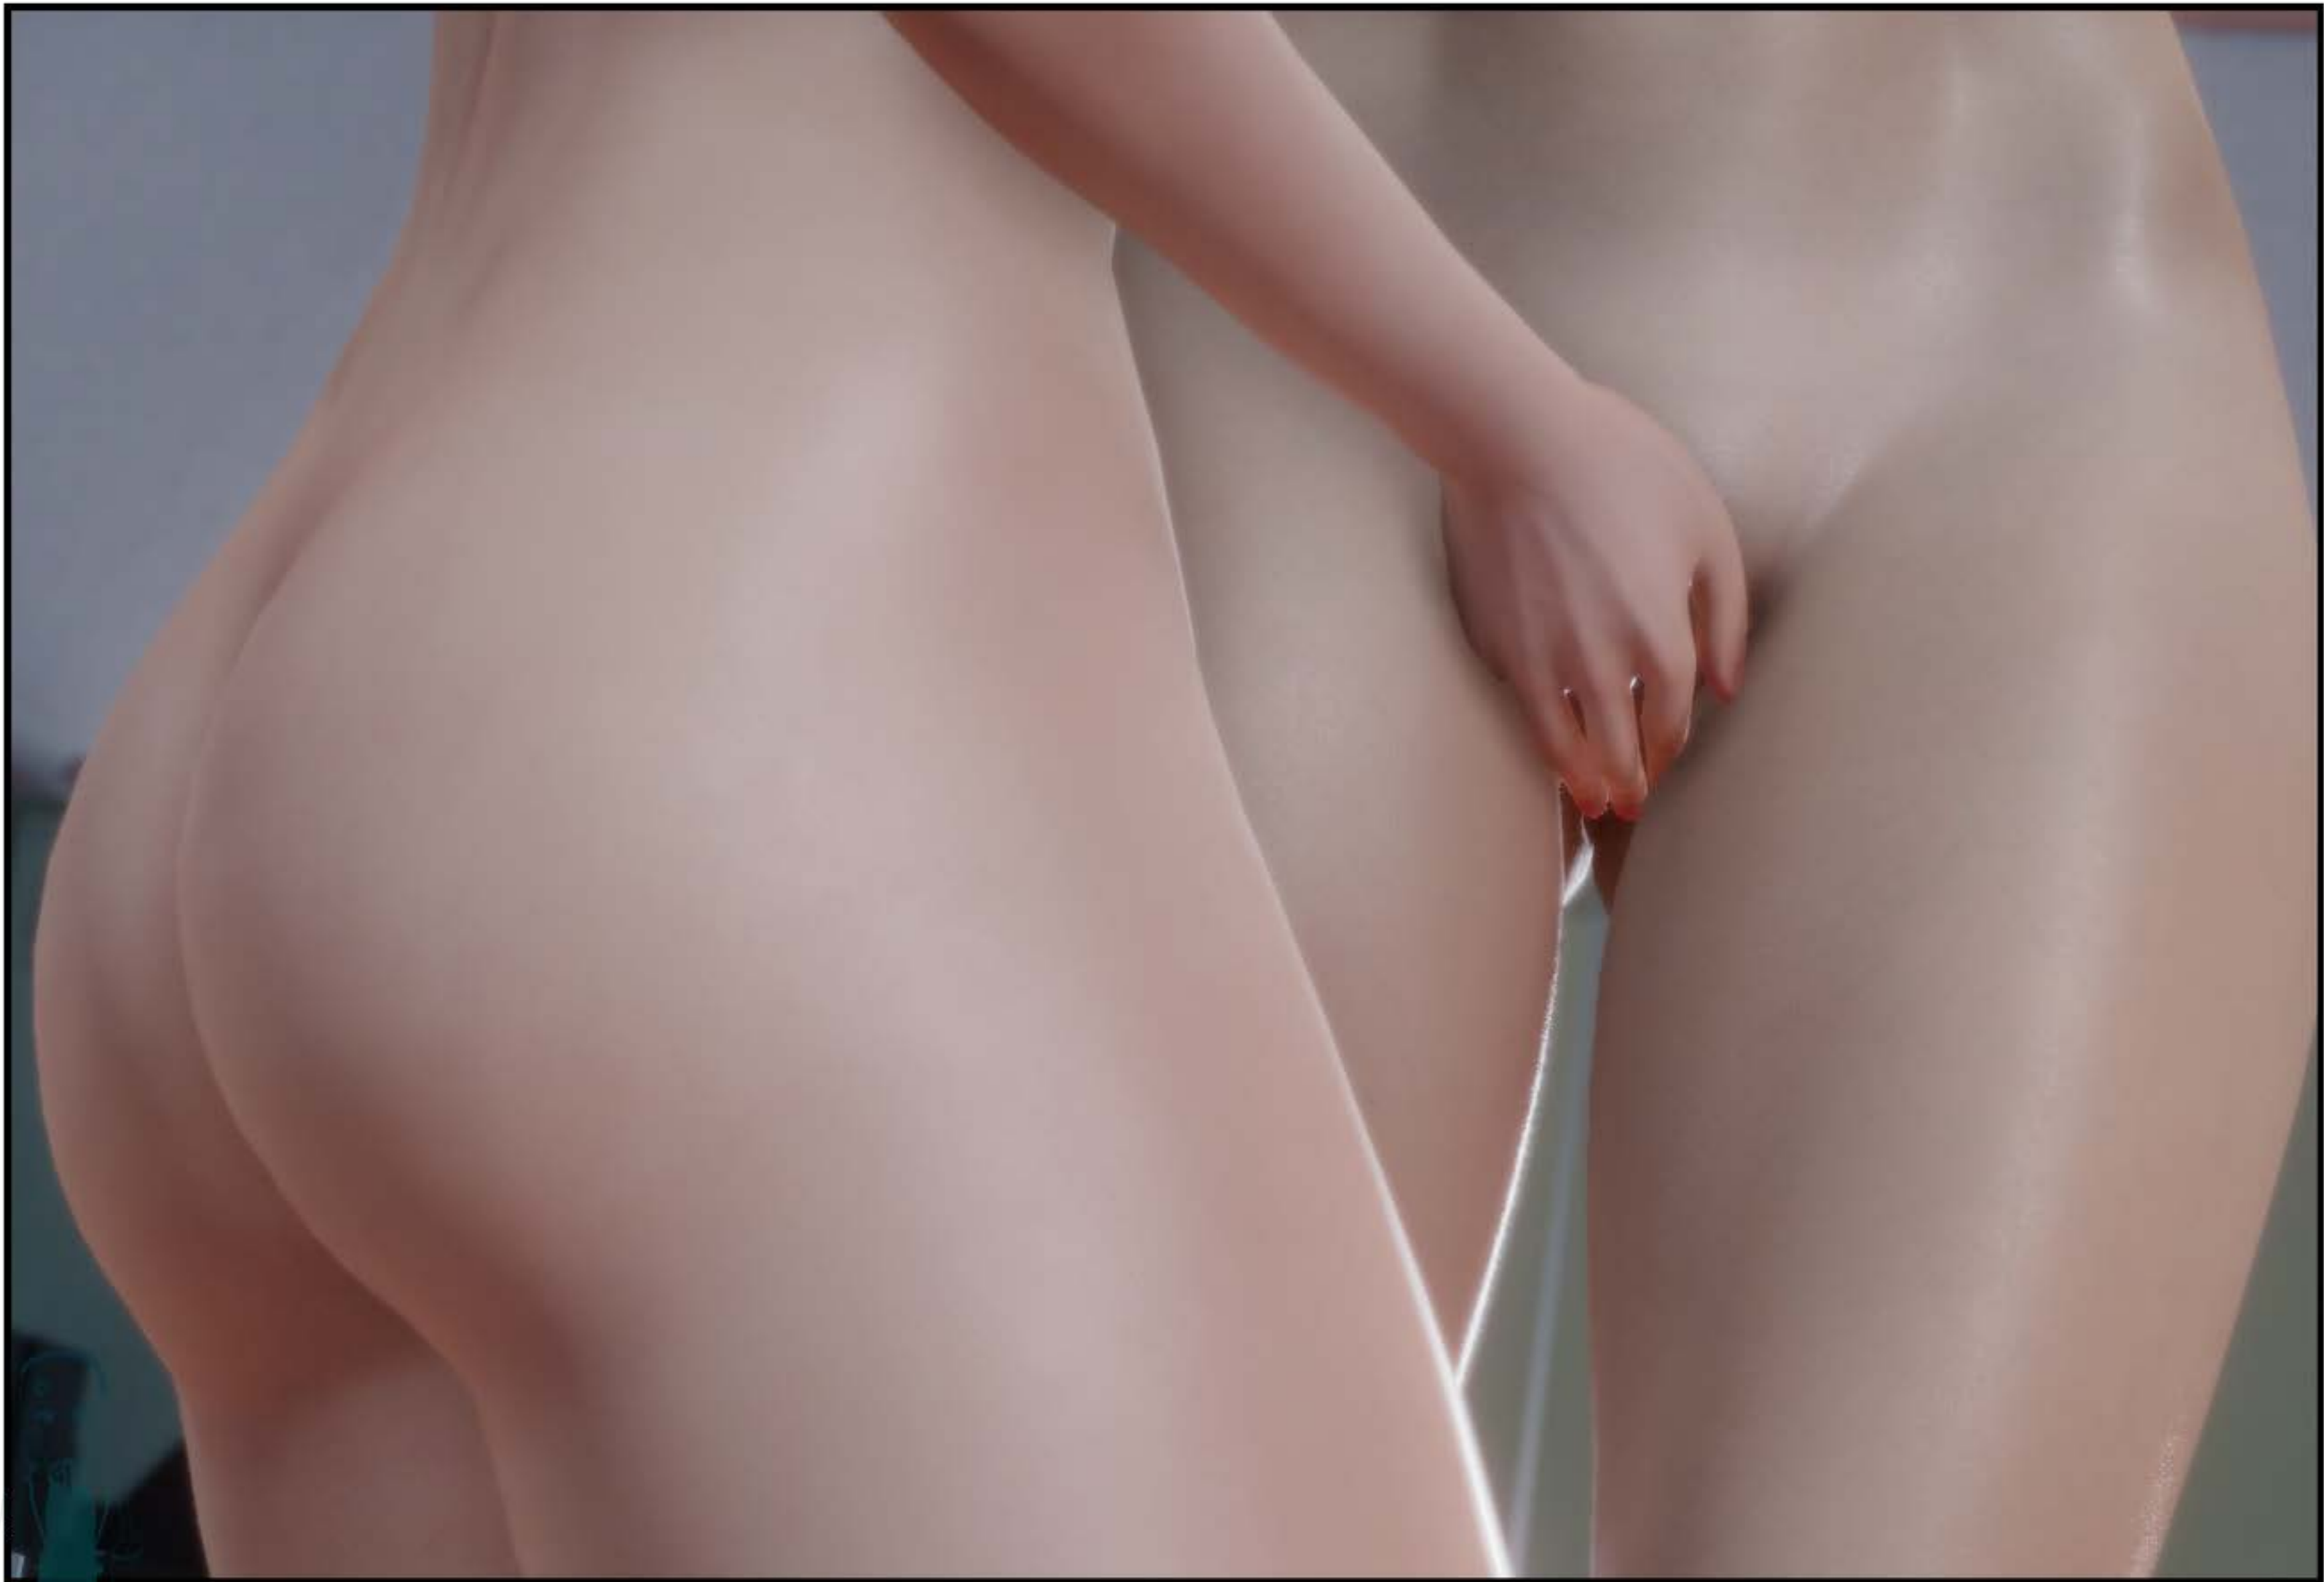

Now, let's test  
this elf's skin out.

Y-Yes... I can

But let's stop  
this for now.

Meanwhile...

Yes, I will have  
my employee  
take care of those.

Estimated about  
the next Monday,  
you will receive it.

Of course, I'm still  
doing great with  
my new position.

If you excuse me,  
I have a guest. Will  
contact you later.

Is there any problem, Kaori?

Um... I have... to report some...

Recently, I saw  
what I couldn't  
believe...

A 3D rendered scene. On the left, a large, textured grey object, possibly a piece of clothing or a large bag, is shown from a side profile. On the right, a woman with short, wavy white hair and glasses stands with her arms crossed. She has pointed, reddish-orange ears. She is wearing a grey, textured blazer over a dark top. A speech bubble is positioned above her head, containing the text "Go on, say it out loud. What happened?".

Go on, say it  
out loud. What  
happened?

Our company...  
has illegal sex  
between employee!

Oh?

You know, I worked  
with many type of  
people before...

...I can base on their facial expression, words to guess if they were lying or not.

So that I will get  
the upper hand when  
making a business deal.

So, I will know  
when someone  
is hiding something...

I-I'm... actually  
telling the truth!

I was just joking.  
You didn't have to  
be that loud.

Well, what you said,  
I will have my people  
to check it out.

Our company won't allow this kind of disorder activity.

Thank you, Ms. Yukio. I will take my leave now.

Are you ready  
for our next move?

Of course, we  
will see about that.
