

Unable to resist, Blue Bolt undoes the seam in his costume and slides out his already-hard cock. Slowly the young hero begins to stroke it with his latex glove.

Oh... fuck. I can't stop! Need.. to jack my load out! Fuck, glove feels... so good on my cock!

Good boy, Blue Bolt, you're doing fine. Stroke your penis until you cum!

My subdual serum makes someone very suggestible. So, let's test it. Blue Bolt. Take out you cock and play with yourself. Really jack it!

Oh shit, Zach, he's really doing it! Look at him rub his cock like a pro!

Oh, ugghh! So close!

Blue Bolt's hyper-metabolism produces a truly amazing amount of cum!

WOW!!

AUGH! UGH! UHHH!

Wow, you hit yourself in the **mouth**, Blue Bolt. I bet you **love** eating cum **don't** you? Yeah, you do. I bet you **think** you're a **straight** boy, don't you?

He's making me taste more of my cum! I.. I love it...

Wow, he's **STILL** cumming! I.. man, I wanna wrap my lips around that beautiful knob of his....

Zach slowly wipes the cum from Blue Bolt's mouth and feeds it to him one finger at a time ... gently, almost lovingly.

He's completely under our power, Jeff! This is going to be amazing.

Got to.. break free... somehow...so hard... to think...!

Hah. Our own pet superhero, What should we do, first?

First, need to take a big blood sample. I need to analyze his genetic makeup.

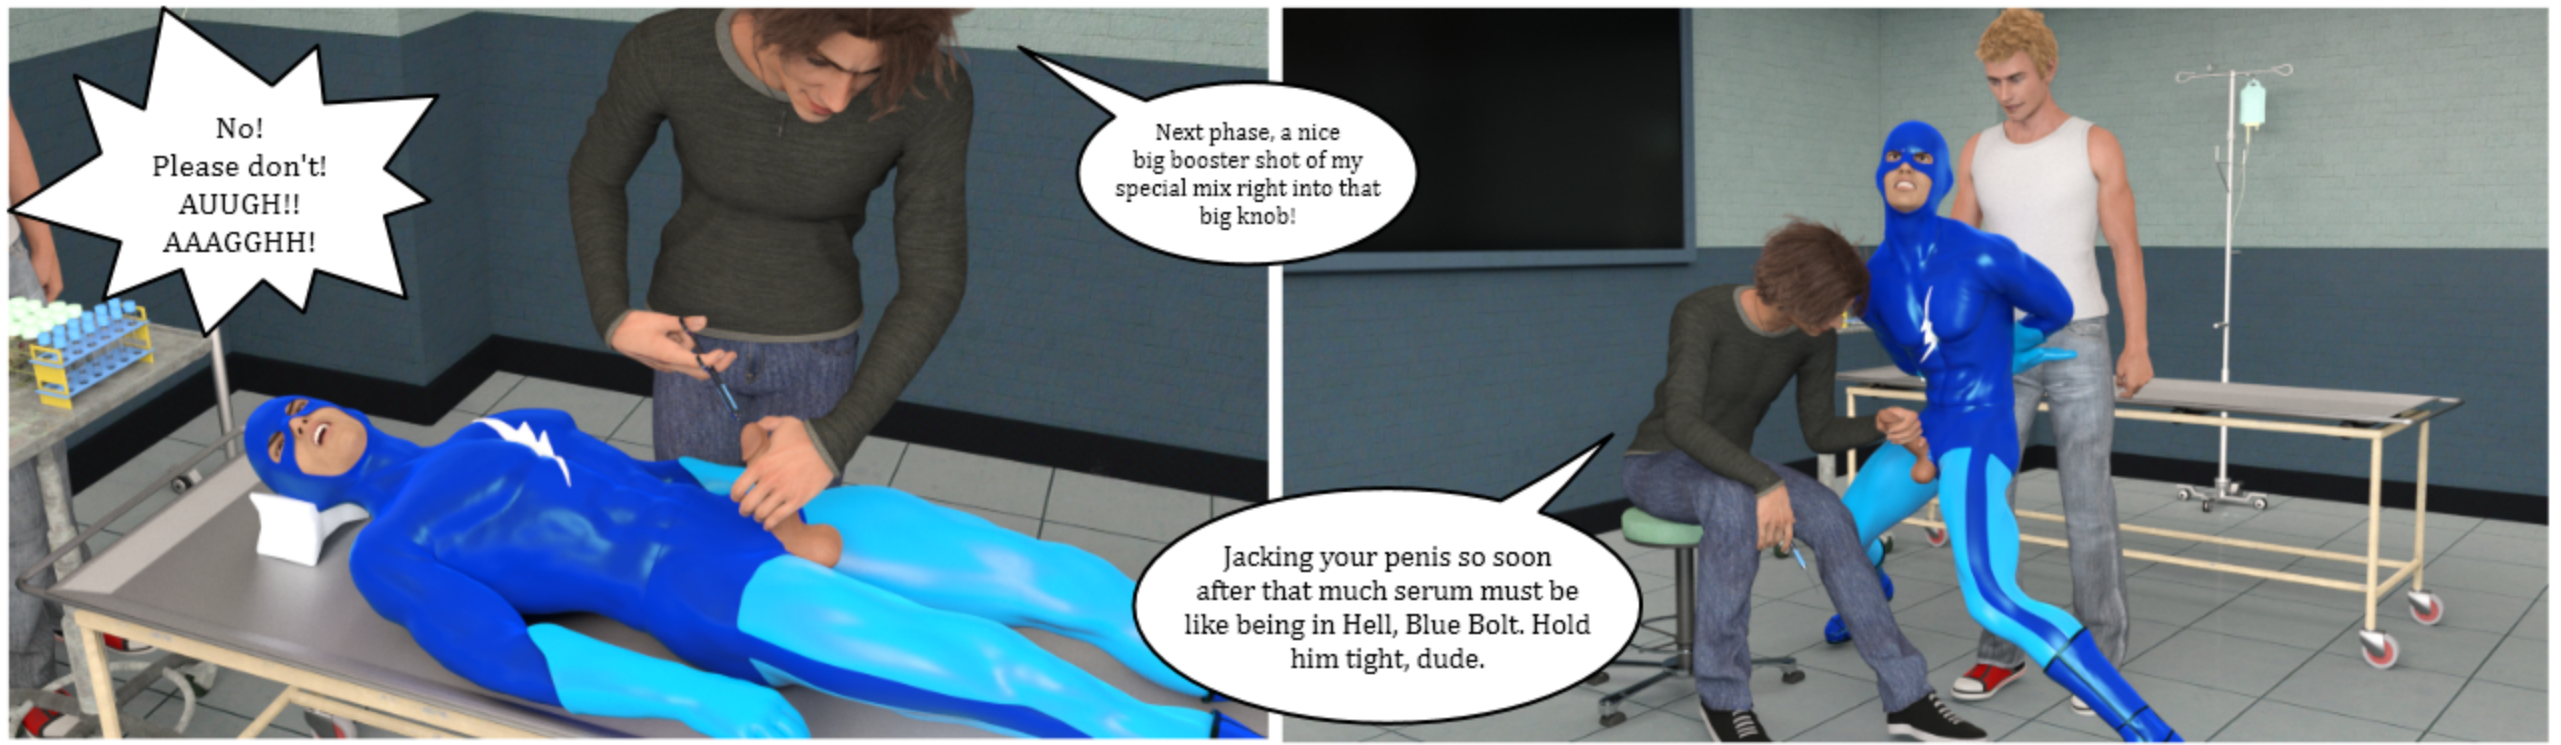

Yessir, I understand!

Once Zach is done with his tests, I'm going to take off that mask and see who you really are, Blue Bolt!

You belong to us, Blue Bolt. That is your most important command. You are our plaything. Understand?

Soon, Blue Bolt's mouth slides over both young men's hard cocks, his tongue stroking them in turn until they begin to cum in his face!

Take it all over your **mask**, hero! Drink up!

That's it, pretty boy. Clean every drop off my cock. Wow! Zach! Look! He's so excited, he's cumming again!

Man, you should feel the tension in his muscles! He wants to pound our faces in... but he can't! All he can do is suck our rods!

Blue Bolt is unmasked!

All the helpless superteen can do is clean each man's cock in turn!

Man! I think Blue Bolt goes to the same college I do!

Wow! I wonder if Jen feels like this when we fuck? His cock feels so amazing inside me!

There you go, Blue Bolt! A reminder that you're my bitch whether or not you're in your costume!

This is your new home for right now, Blue Bolt! Don't worry, it completely drains your powers, so there is no escape. Once I'm sure my mind control drug is foolproof, there will be a lot more experiments!

Is Blue Bolt captive? Or just playing possum to get more hunky undergrad cock before he breaks out? Either way, it's...

END!
