A 3D-rendered character's legs are shown from the knees down, wearing dark purple leggings and brown flat shoes. The character is standing on a green ledge or surface. The background is a dark, textured wall with a square vent on the left and a rectangular opening on the right containing a yellowish object. A speech bubble in the upper right corner contains the text: "Ugh.. They dared to hit me this hard..".

"Ugh.. They dared to hit me this hard.."

"Maybe I was too rushed.. then.."

"..I need a new body.."

Come on, Mia.
Just this night.

We have been together for a month.

Y-Yes.. But that money.. I can't..

You are generous
like the stars on the
sky, Mia. Just this once.

Okay.. Jack..
Just tonight,
no more, okay?

"Hm.. A begger
and she is falling
into his trap."

How much do
you want to
borrow..?

Excuse me,
you two.

All the money
you are caring..

Huh? What's with you, old woman with two-colors eyes?

Girl, you are giving your own property for the wrong person.

Spell it, old woman?
You want some
money, too?

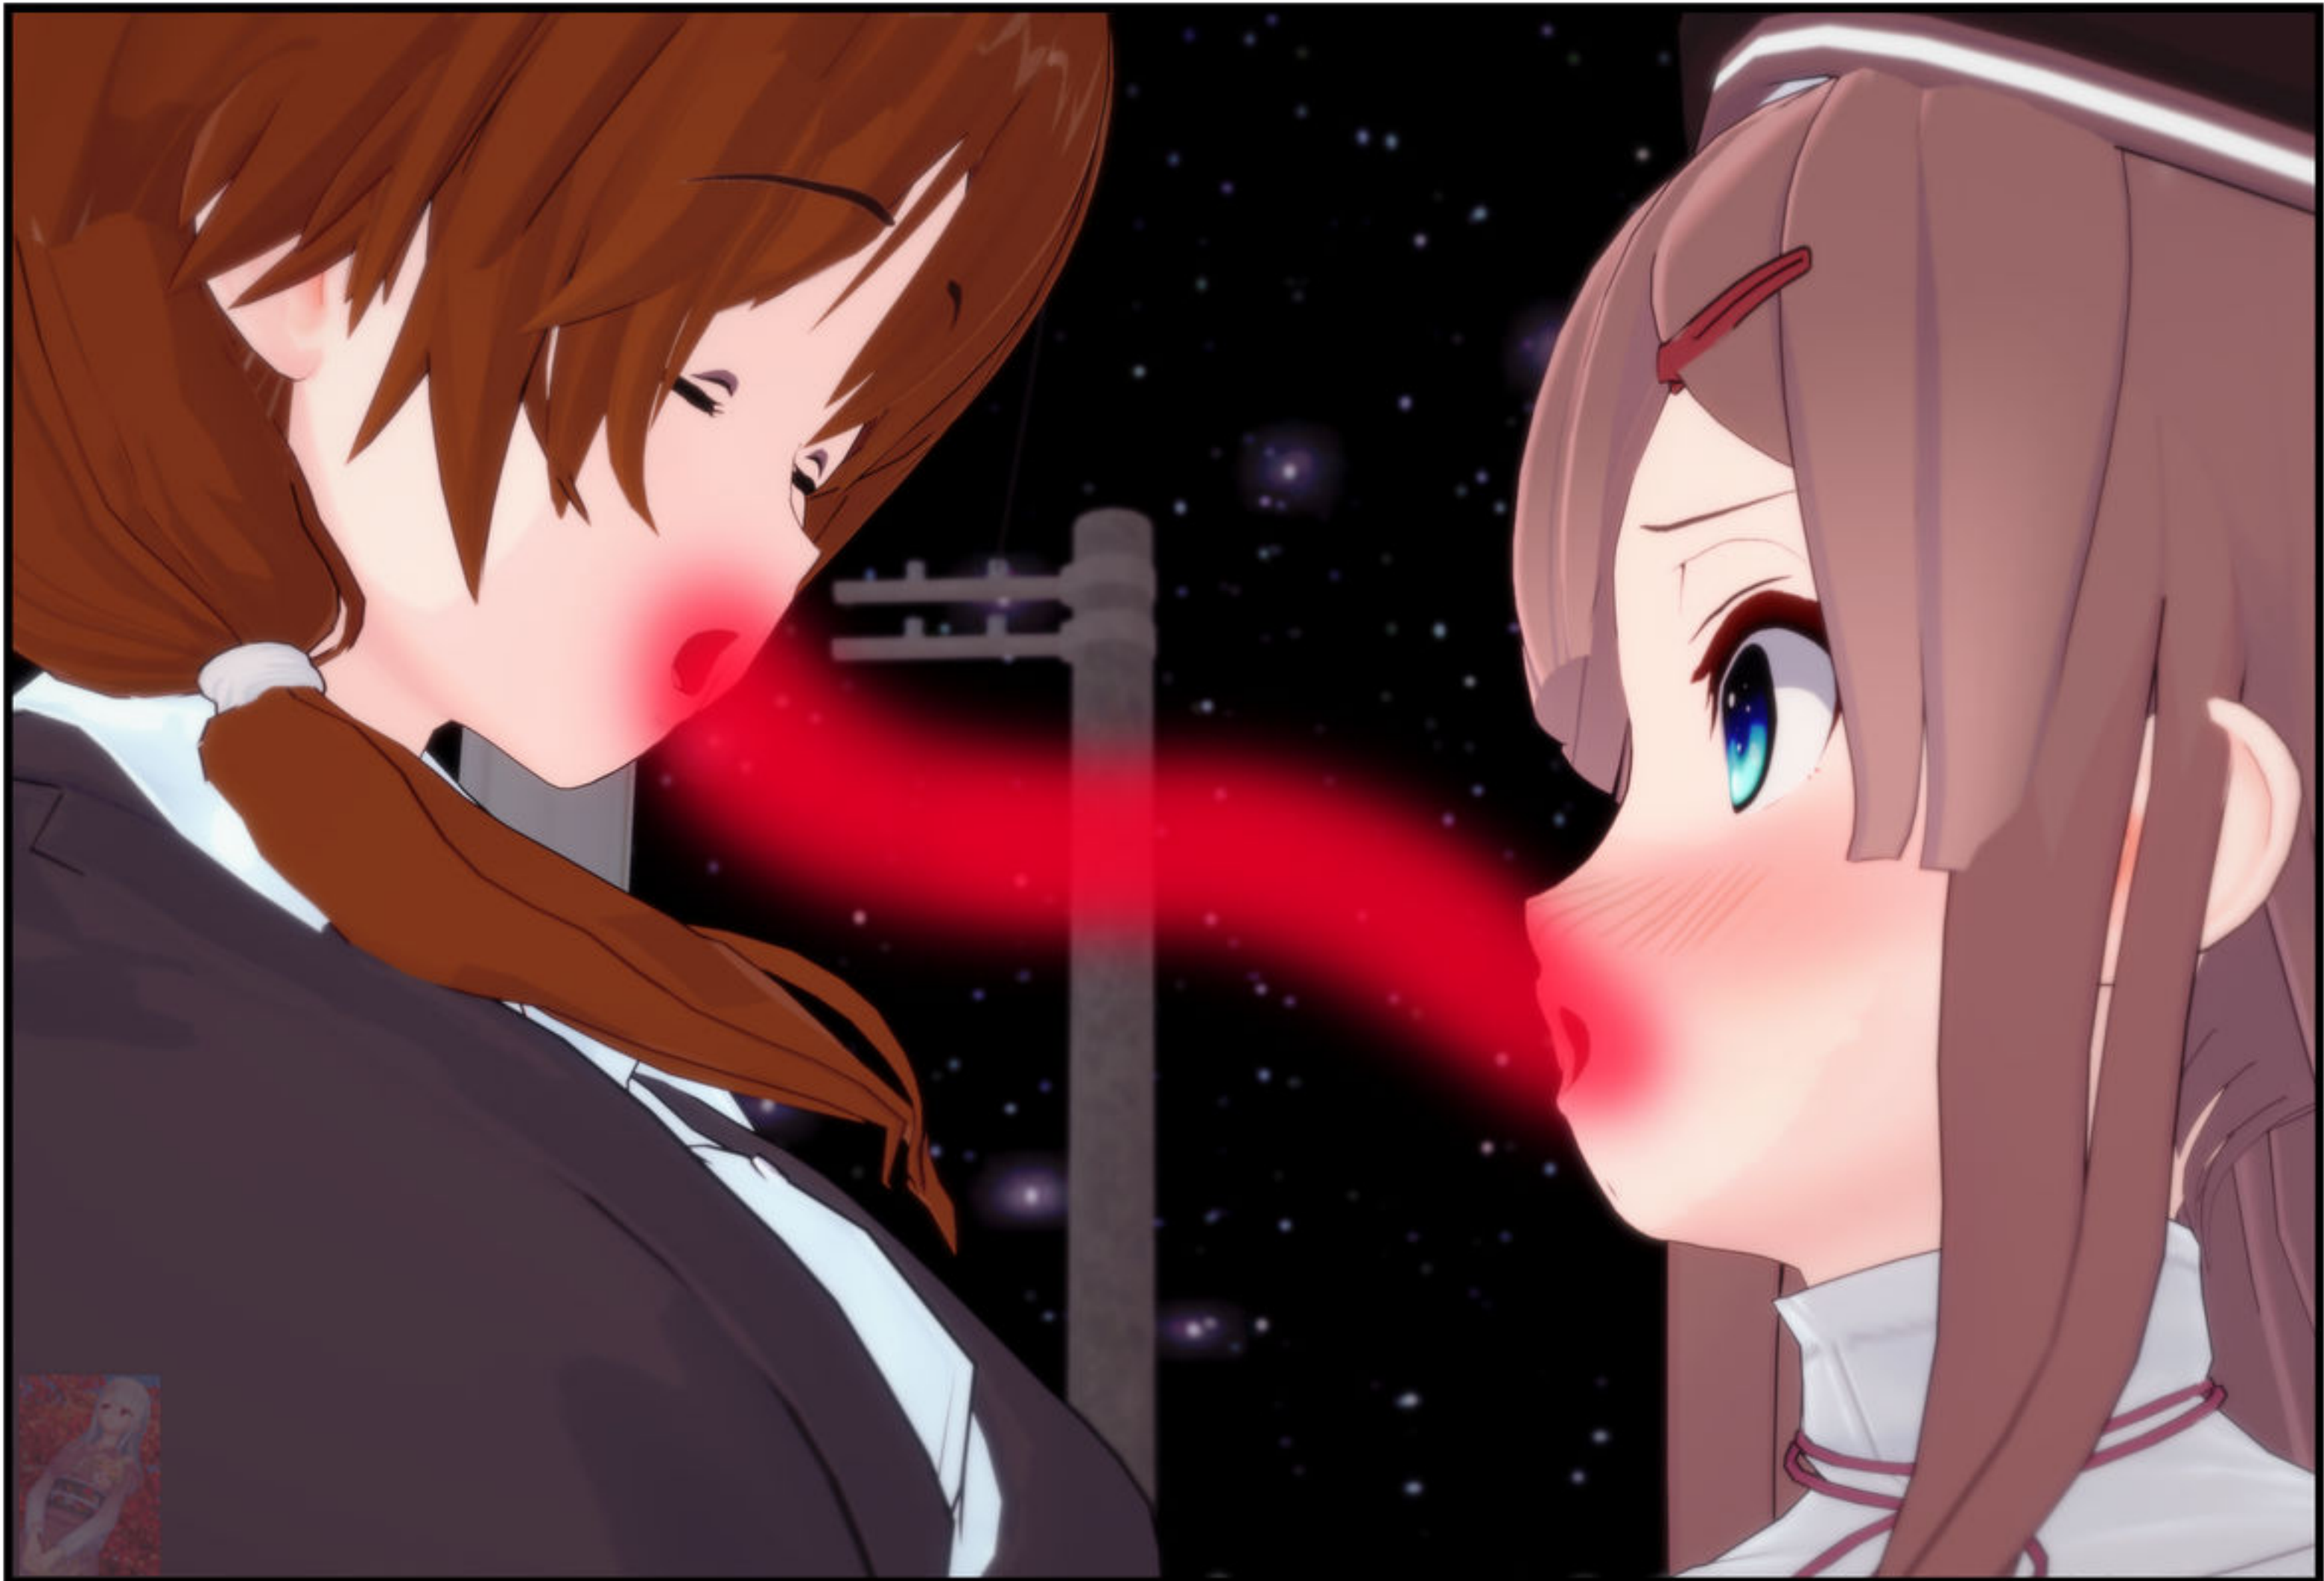

Don't ever hang
around with that
type of human.

U-uhm..?

You ass***!!!
That's my ATM!!!

The.. hell..?

"I can't.. move..
Something.. is
covering my mind.."

Ugh.. What with that woman? Did she do something to you, Mia?

Mi..a..?

Hey.. Mia?
What's wrong?

Who's she?
Oh? You mean
this body?

She's pretty easy
to be enticed by
a guy like you.

Woaaahhh!!
Who are you!!??

Look at you, still
have enough
body parts..

Leave me alone
or should I rip it
away from you?

I'm sorryyyyy!!!!
I will never repeat
this again!!

"Right.. I will
cover myself in
this body."

"As I wait for
a perfect chance
to steal that book."

It's called selfie.
And then post it
on the Internet.

What are you
doing..?

I don't care what this is! Just hurry and split up!

And you! You don't have any spell to reverse it!?

Just stop threatening me.. will you?

"Can we.. stay like this a bit more..?"

Just hurry the hell up!!

But I felt it really
annoyed!

Ugh.. I don't feel..

Phew, it was quite an adventure!

Well, we almost get killed.

No worries,
think positive.

And we can't
back to your
room for tonight.

We still have the magic book. And fuse together anytime.

You too, Naoko.
If it hadn't been
for you created
an opening..

Well.. Not
like I will let
you die or have
the book taken..

Alright then.
I'm tired. Let's
get some sleep.
School tomorrow.

"Hm.. This person..
Seem like.. he wasn't
surprised with
this much.."

"This.. is not
what we are doing
from the start.."

"Am I.. dong
the right thing?"

The next afternoon..

We finished lunch, let's get back to class.

Hey.. May I ask..
why when we fused..

..we always end up in a girl form?

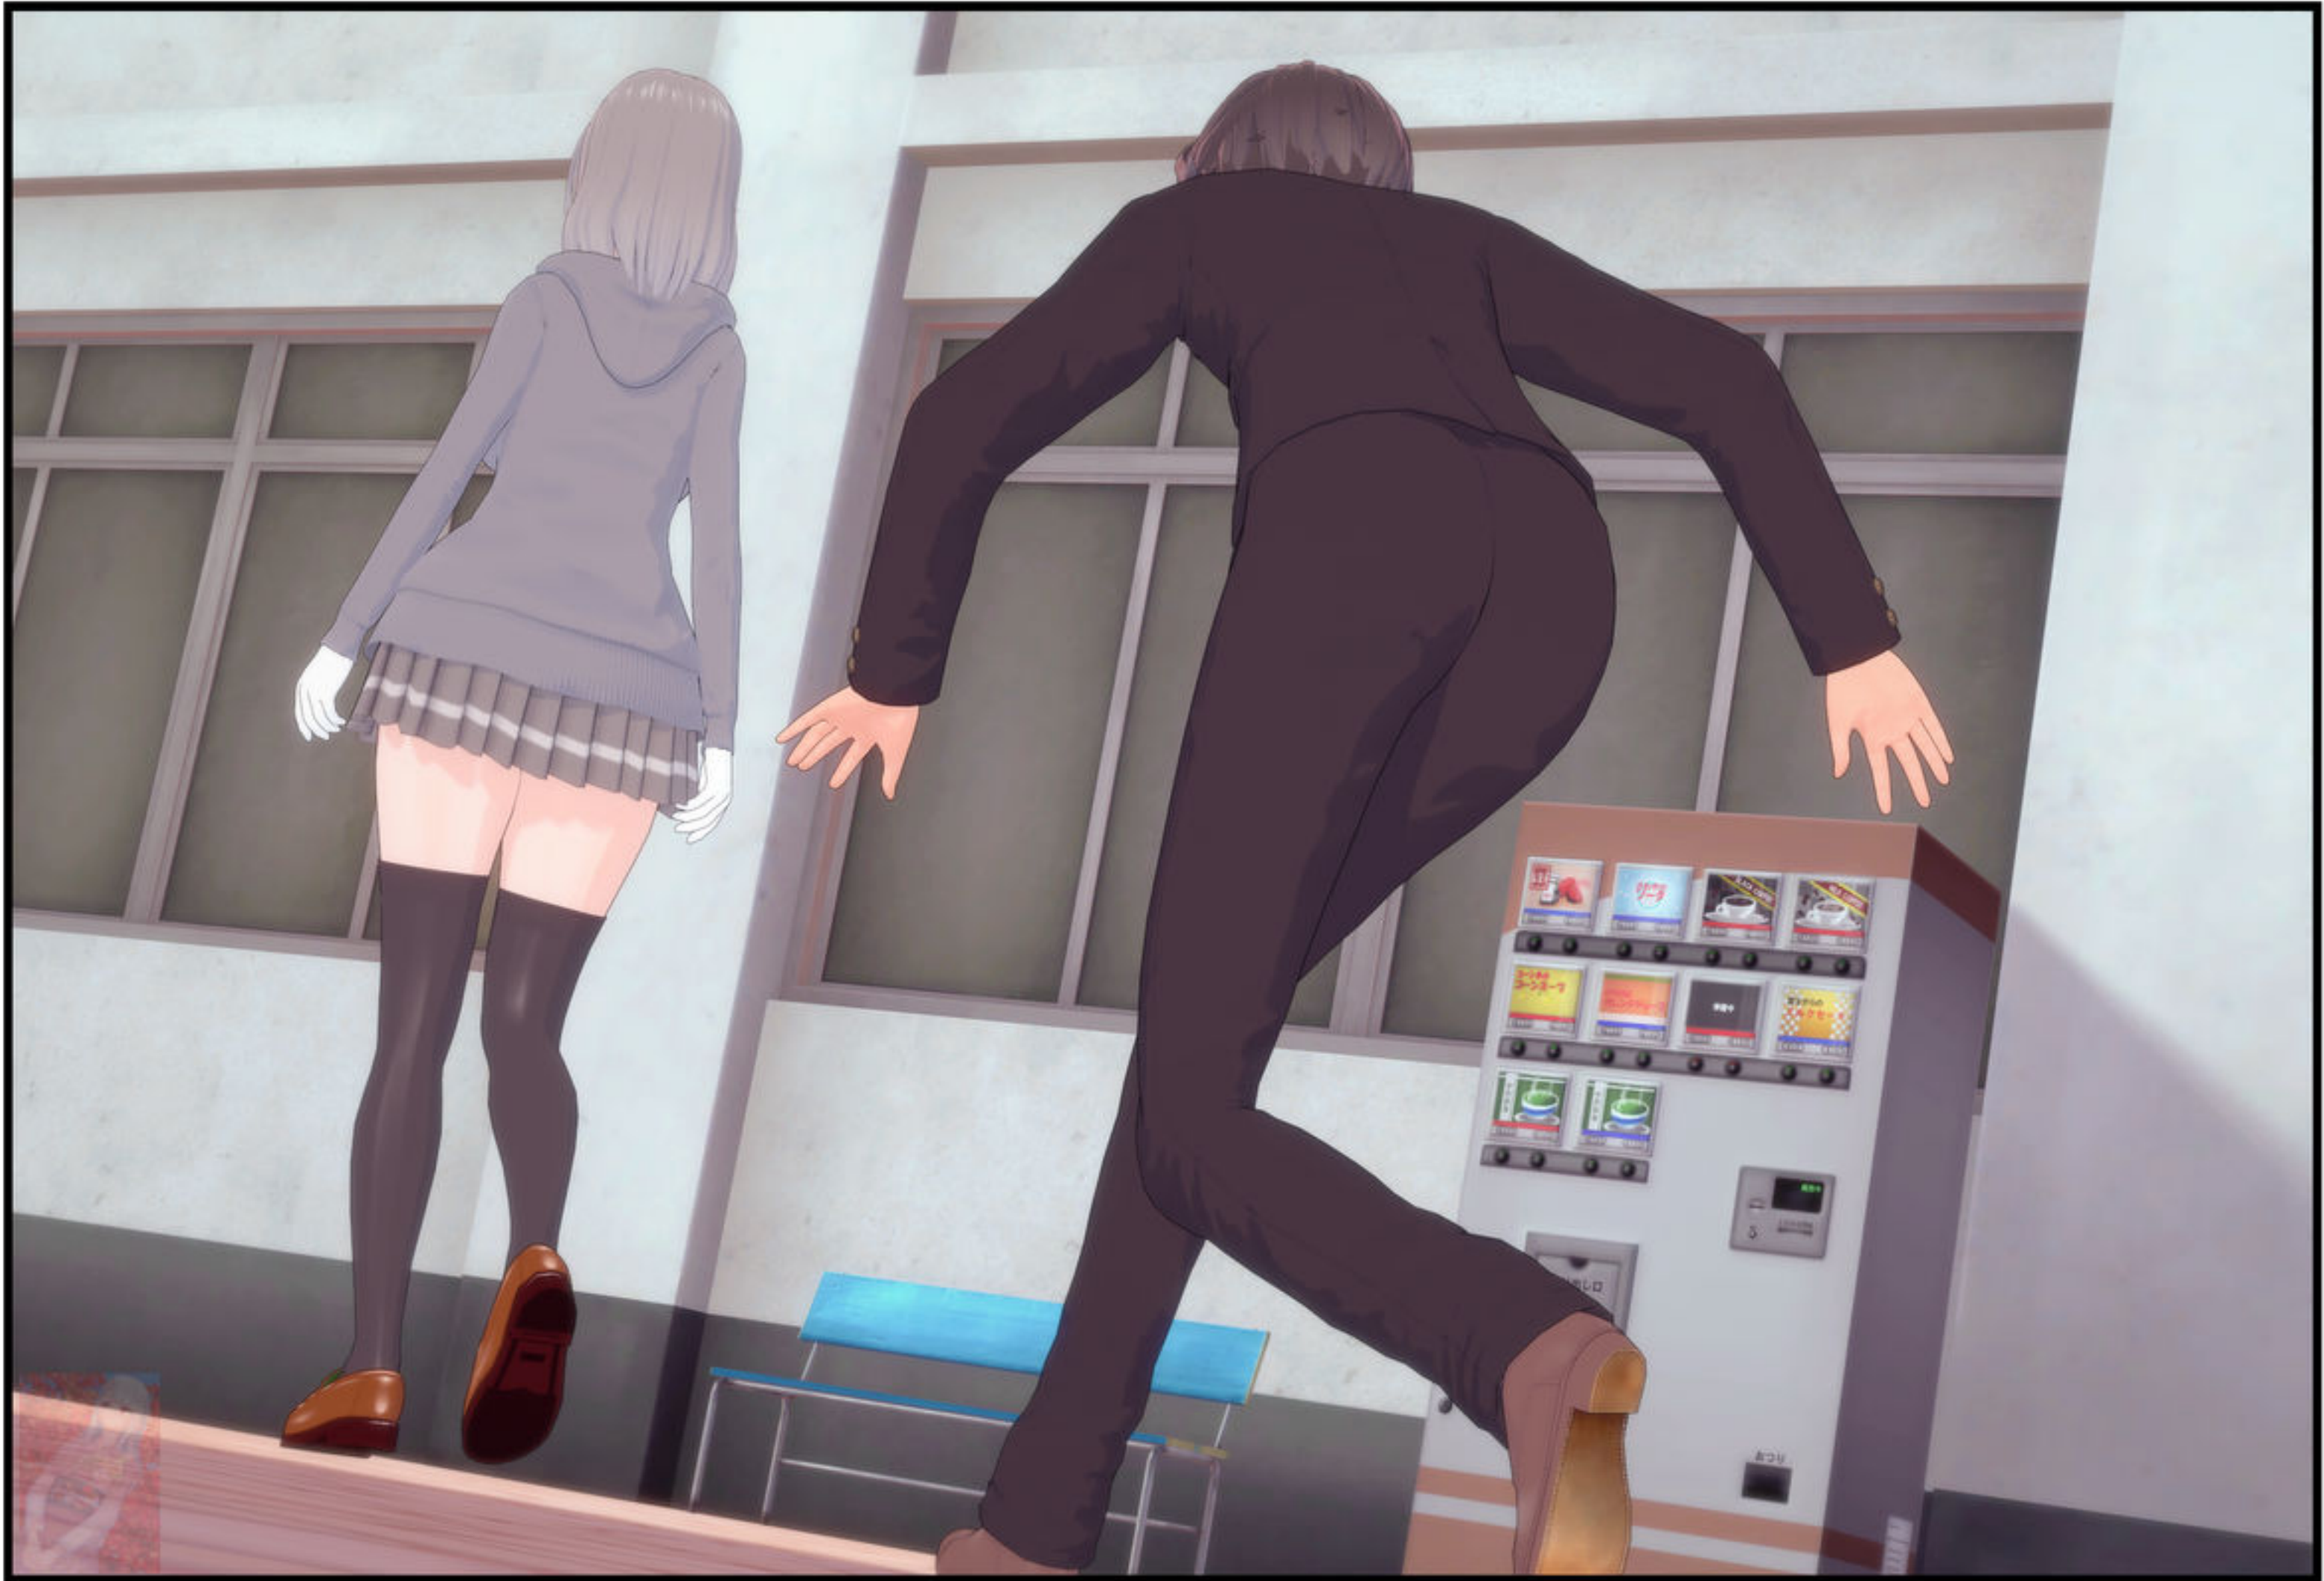

Hm.. Because you 2 fused at the same time?

Maybe.. you should try to fuse with her from behind?

Oh? I know.. Ehehe..

Hey.. I don't recommend it.

W-What the..!?

Got you~

I'm not responsible for this..

Let go..
of me!!!!

Eheh..
it's just a test~

I want to see
our male form..

Hey!? What's
the noisy out here!?

S-Sorry.. Am I causing too much noise?

Uhm.. Was there something you wanted to say?

N-NO!!! I didn't
say anything!!

Uwaohhh!!! A handsome in our school!!

Hm.. It has an effect..

Heh.. I wanted
to be like this
forever..

Look at him!!
A handsome!!

No.. way..

H-He.. looking
at me..!?

My heart!!

"Hehe.. Girls are all fall for me."

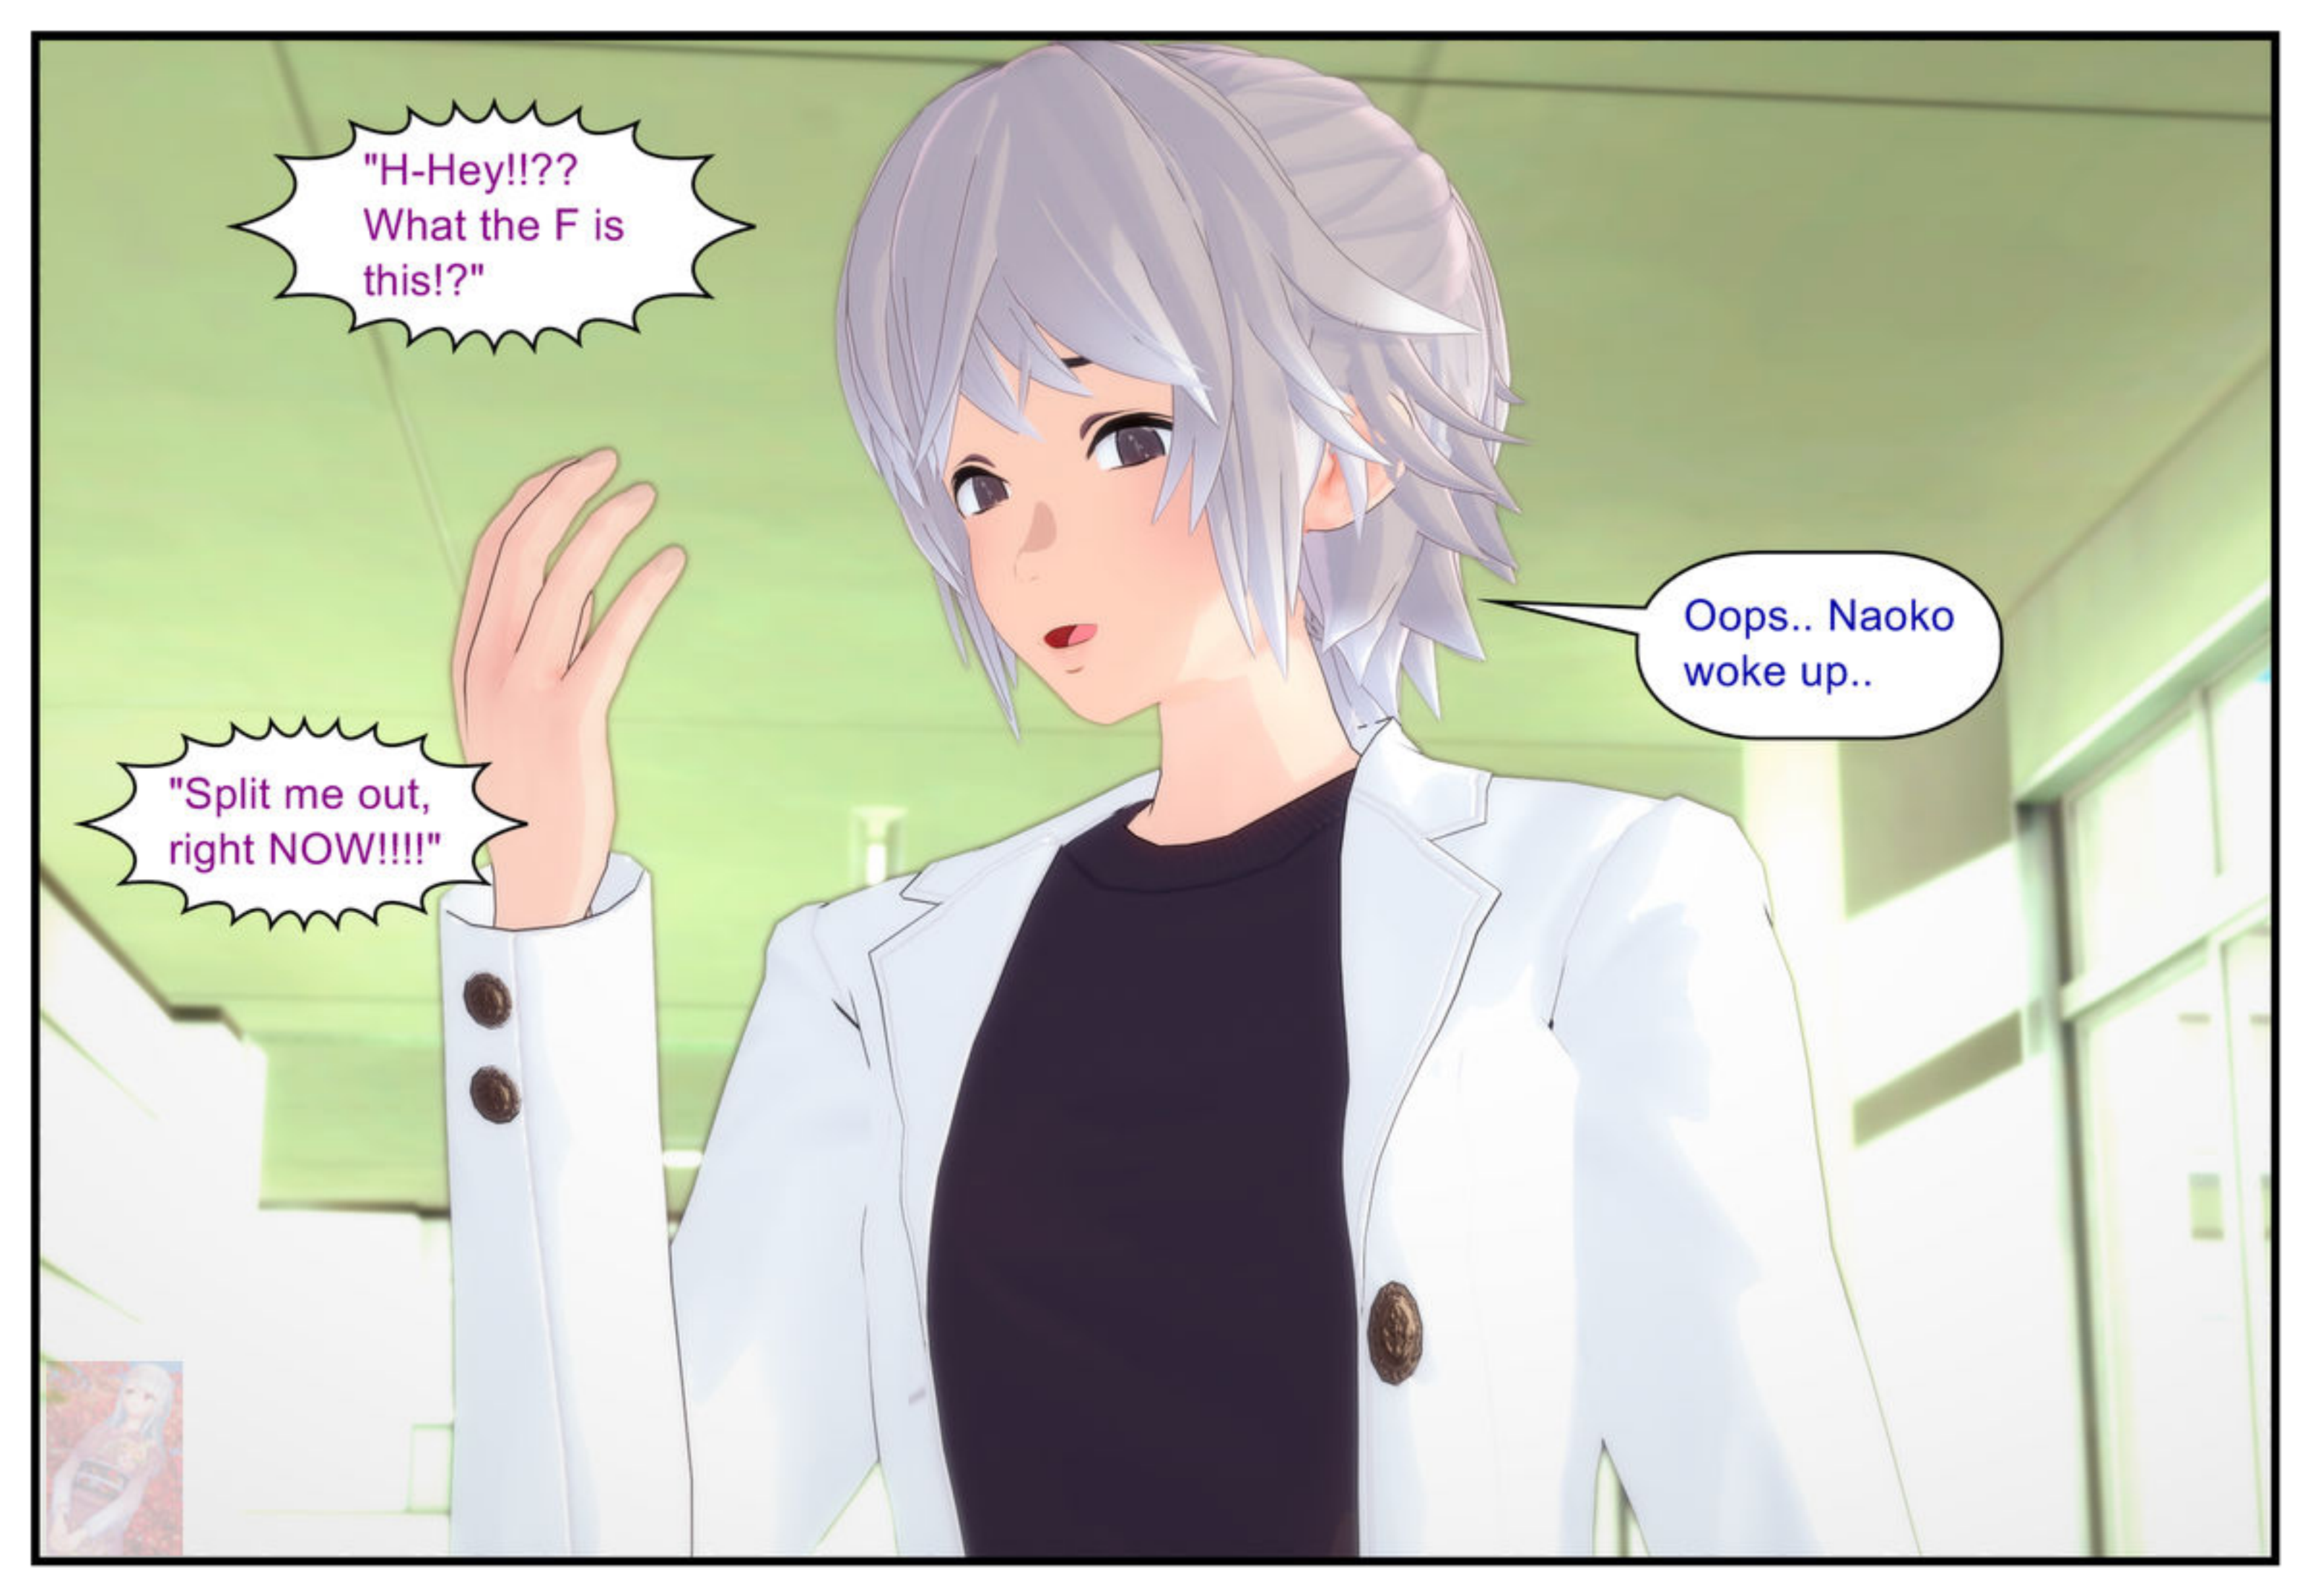

There's still time.
Think about what
you are doing.

Hm..? Is she..?

"H-Hey!!??
What the F is

"Split me out,
right NOW!!!!!"

Oops.. Naoko
woke up..

Come on.. Let me like this a bit more..

Hey. Are you new student here? I didn't hear anything.

T-Teacher!?

Hm..? Why
so surprised?

Ah no.. I..
wonder if you
are doing okay..

"Wait.. Why is
she here? Is she..?"

"Don't let your
guard down. She
might be still
possessed."

Hm.. I don't
remember being
drunk last night..
and taken home
by someone.

Anyway, don't walk around in the school like that, okay?

Okay, I got it.

"Come on.. It's time to split."

Alright. Let's back to normal.

I set up the barrier, only who step in will see you.

"That guy sure is not here for school.. Suspicious."

"I saw he ran into here, it's impossible to disappeared."

She can't hear us, right? But she just keep looking in this stall..
