

I told you
not to visit
me at the
camp...

Today's
attack was
completely
sudden and
you were
not supposed
to be here....

I know
we haven't seen
each other for
a long time but
I would have
come home as soon
as I-

Hey, Hey!
I've got it-

It's just
a scratch!
And I'm old
enough to make
decisions
on my own

I could never forgive myself if something serious happened to you....

Hey, don't say that! We are a team aren't we?
