
A woman with brown hair, wearing a black jacket and a white shirt, is sleeping at a wooden desk in a library. She has her head resting on her hand. The room features wooden bookshelves and a window with a blue curtain. A speech bubble is positioned above her.

Then get a student to solve the problem.

Dozing off
in class again

Come on, Wu Qian, please
answer this question.

Why

sorry sir,
i can't...

Of course you don't.
You were sleeping there
while I was speaking.
How can you do it.

No, I did not sleep..
I was just...

Enough, your saliva have dripped on the table just now, and how about your book? Didn't even take out the books for any class! Okay, don't waste everyone's time, You come to the office after class.

this fat ass has been scolded
by the teacher until now.

Yes, I really don' t know
why he comes to school
every day like this.

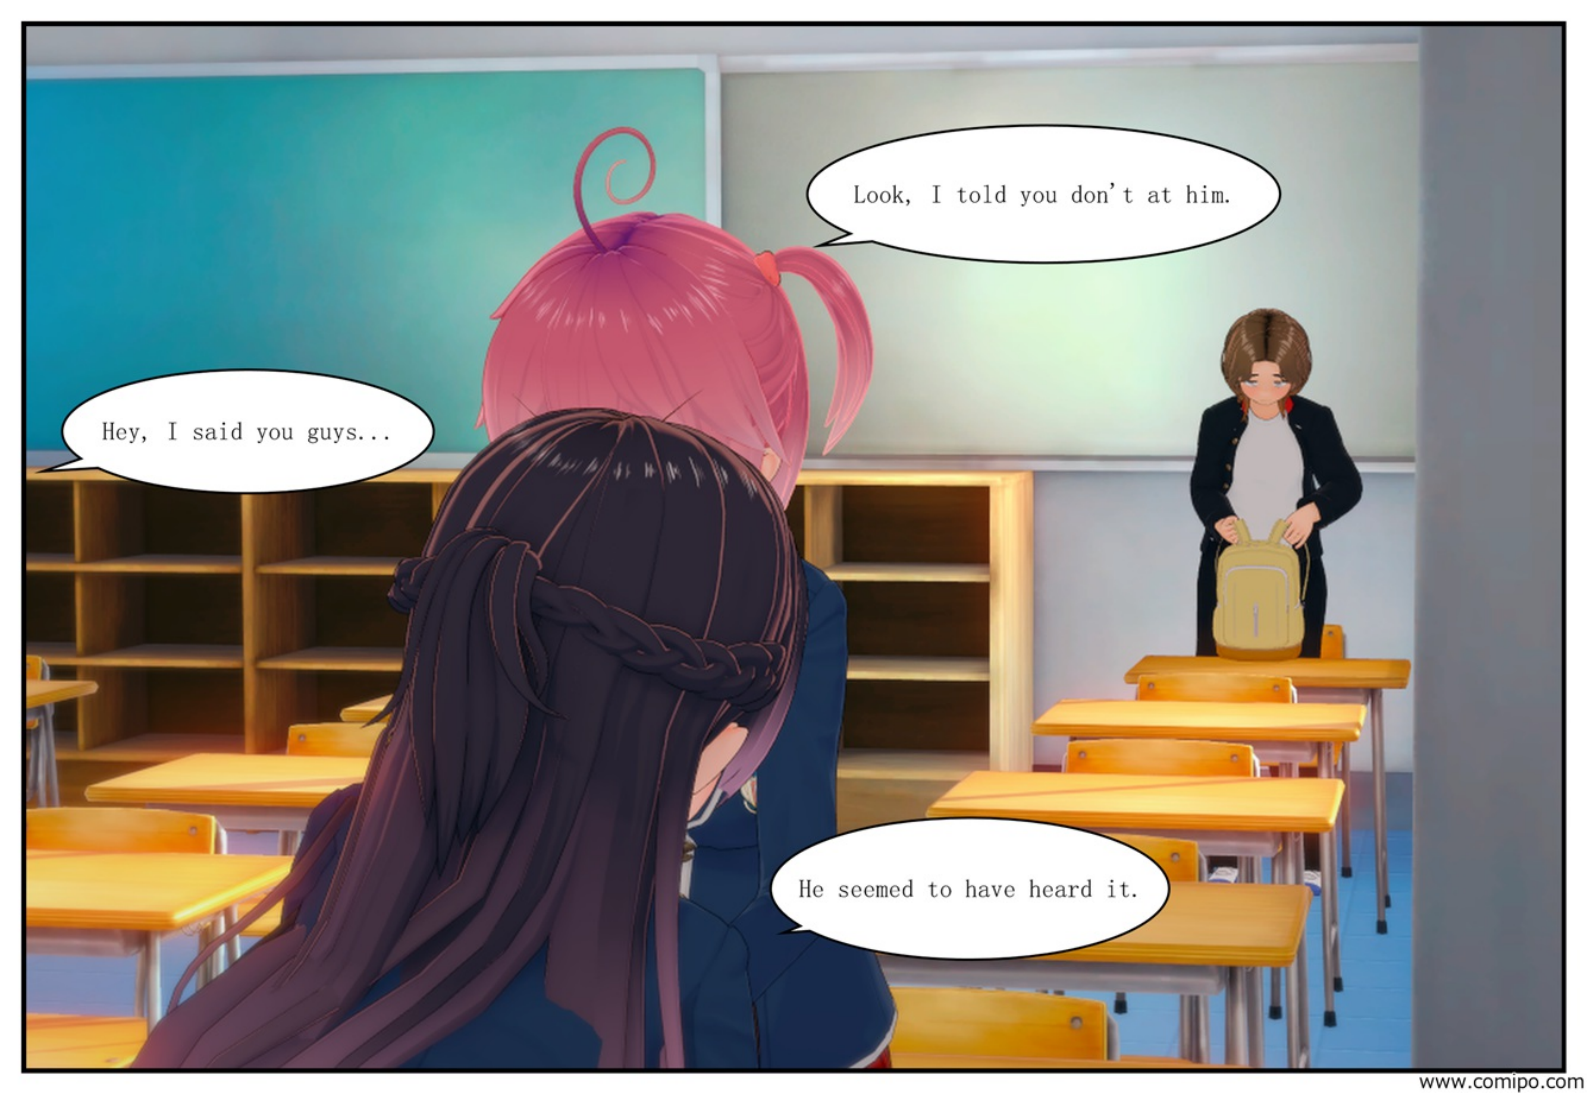

Wu Qian was originally just a very ordinary high school student in XX High School. In the class, the grades have been unsatisfactory, and it is a very humble existence. Until one day, some classmates dig out a few porn books from his bag. From then on, his public opinion plummeted in the whole class and even the whole school, and became the object of everyone's ridicule. Needless to say, his grades can be seen from his attitude to class every day.

Fat ass is taking his bag,
do you think his bag is full of
disgusting things?
It's disgusting just thinking about it.

Don't look at him.

A classroom scene. In the foreground, two girls are seen from behind. The girl on the left has long, dark purple hair in a braid. The girl on the right has short, bright pink hair in pigtails with a small red flower and a curly ponytail. In the background, a boy with brown hair, wearing a black jacket over a grey shirt, stands at a desk with a yellow backpack. The room contains rows of yellow desks and a blue chalkboard.

Hey, I said you guys...

Look, I told you don't at him.

He seemed to have heard it.

Even if you ridicule others,
just keep voice down.
Isn't it Awkward, if he heard it himself?

Ah, Xin Ran.

Li Xinran is the most popular girl in the school. since she looks pure and lovely like a lolita and has good family condition, But what makes Wu Qian didn't expect was that she , who was usually cold and vicious, would actually speak for herself.

It's okay, Xin Ran,
Anyway, that guy's presence is basically zero.
Just ignore him.

Well, having said that...

Bye, Xin Ran

Don't overdo it.
I'm home now, bye

She actually helped me speak.
Is she interesting to me...
Hey-hey...

She is alone, Good opportunity,
I need to express her feelings.

After class the next day

Xinran, that...

HI~
What happened?

Um... it's you.
what...?

that...
Thank you yesterday,
please accept this.

ha? this...

Oh, no, right?
This shouldn't be
a so-called love letter.
What age is this?

I said, it's not because of those words yesterday that you have the illusion that I have a good impression of you, right? Sorry, I talked to them yesterday to promote my own image of caring classmates, not for you. In other words, even if the subject was a cat or a dog, I would say those things. In this way, it might be better to be a dog. At least dogs will not have such funny misunderstandings.

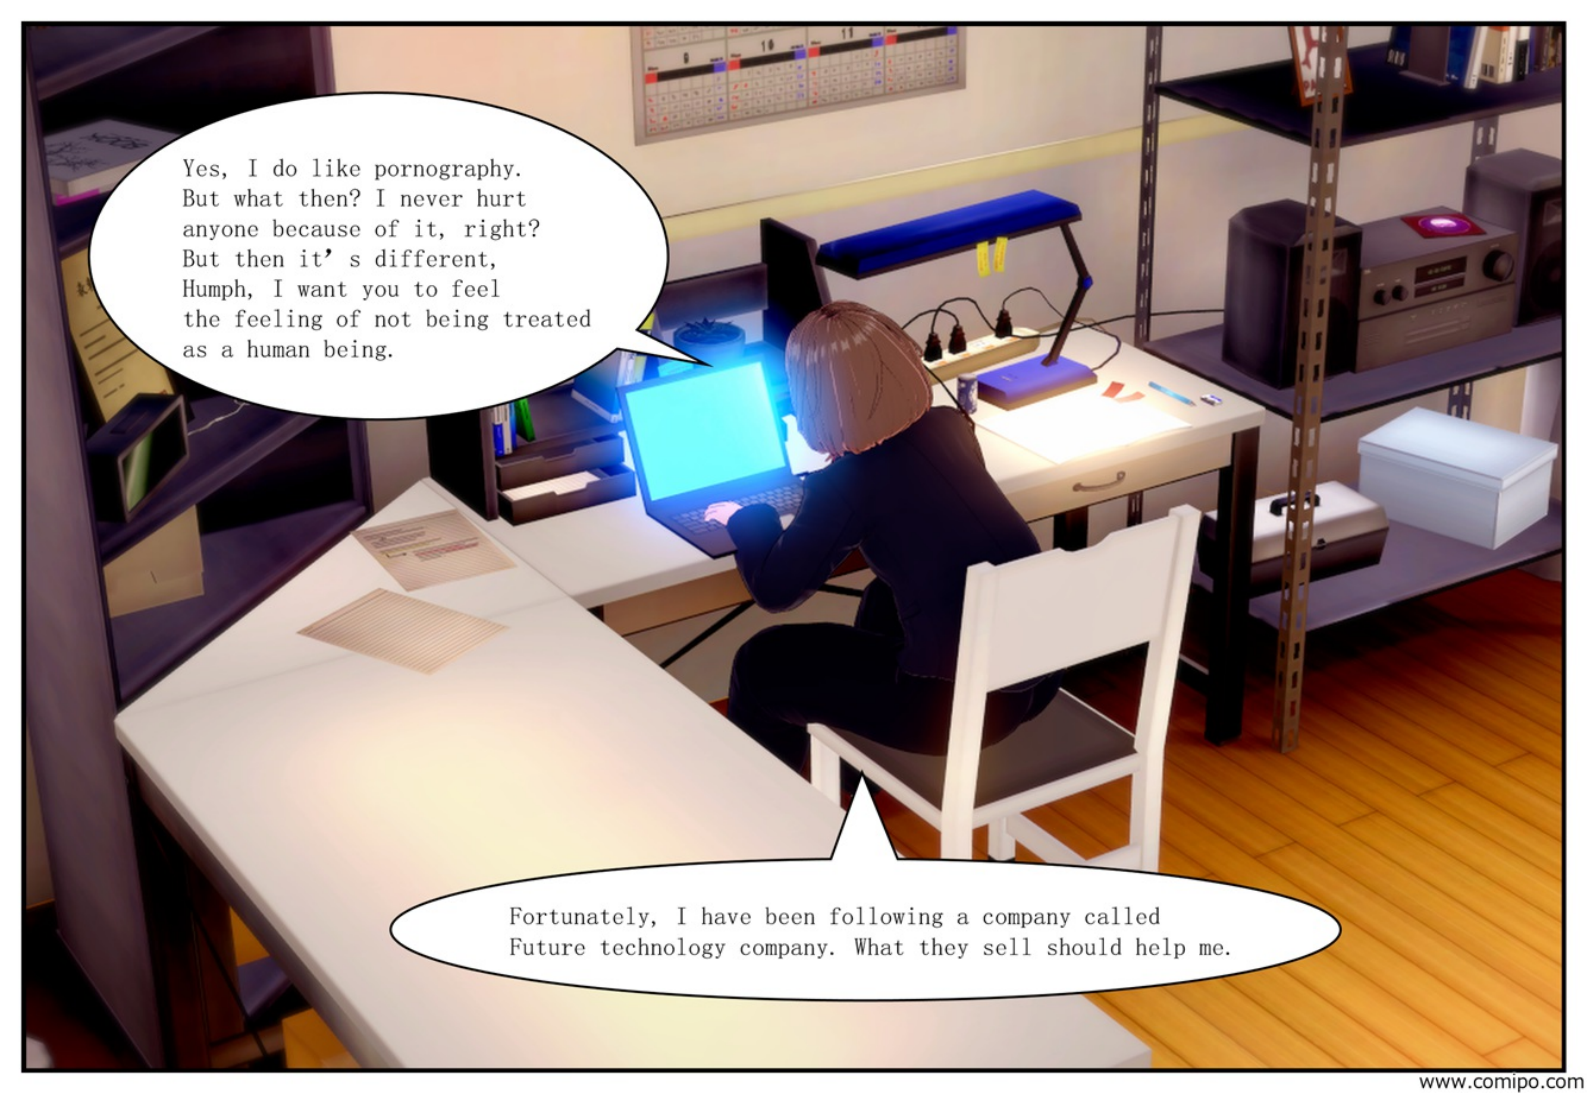

BTW, I already have a boyfriend who loves me very much.
If not, it will not be your turn.
so, don't talk to me anymore, okay?

Woo...

fuck, fuck!
I will let you experience
the feeling of being insulted.

Yes, I do like pornography.
But what then? I never hurt
anyone because of it, right?
But then it's different,
Humph, I want you to feel
the feeling of not being treated
as a human being.

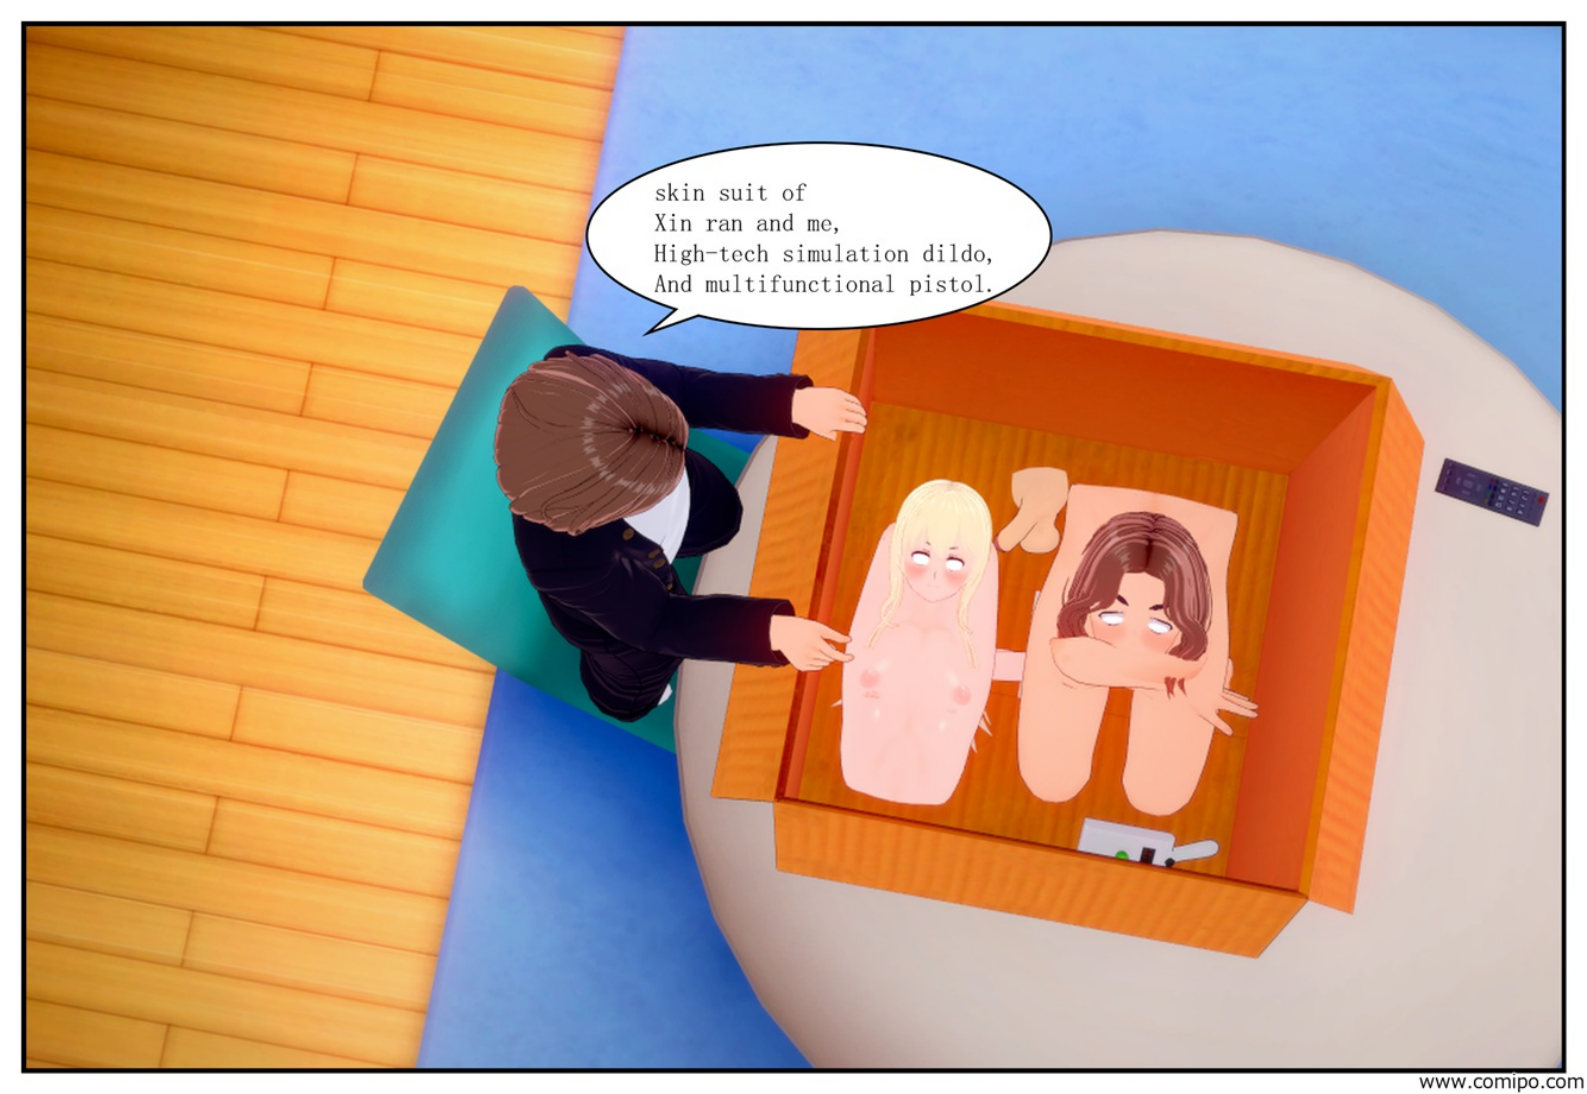

Fortunately, I have been following a company called
Future technology company. What they sell should help me.

it will arrive tomorrow

It came faster than I thought.

A character with long brown hair, wearing a black jacket, is looking into an open orange box. Inside the box are two dolls: one with blonde hair and one with dark hair. The scene is set on a blue floor next to a wooden plank floor.

And multifunctional pistol.

Humph, the show begins

A person with brown hair, wearing a dark suit jacket over a white shirt, is crouching in a hallway. They are holding a white rectangular object with a green light emanating from it. The background is a green wall with a doorway visible on the left.

She should come down
from here after the lunch break.

When the time comes,
make her faint first.
Then drag it to the
utility room.

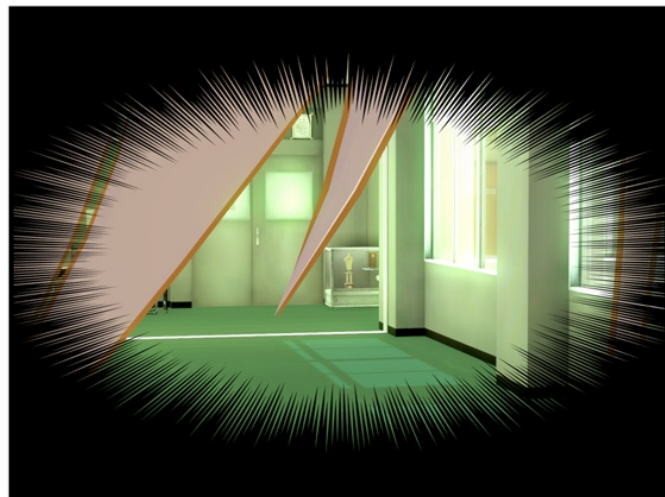

Haha, so excited.
i have began to tremble.

Luckily she is alone

Ah, what...

You guys, don' t you always like to say that
I am a hentai?
I deserve this title now, hahaha

Next, I will be the first man
in the school to see the goddess naked.

This is how many boys dream.
However, it will be mine soon.

But the first step
is to put on Xinran's suit.

Although Xin ran is so much smaller than me,
I can still wear ,
And after putting it on,
it can perfectly become the original size.

wow, so cute little feet.

A 3D-rendered scene set in a warehouse. In the foreground, a character with long, flowing blonde hair is sitting in a blue office chair, viewed from behind. In the background, a character with brown hair and white wings is sitting on a wooden bench, looking towards the blonde character. A large white speech bubble is positioned above the blonde character, containing the text "How is it, Xinran, am I like a hentai?". The warehouse floor is green, and there are several cardboard boxes stacked in the background, some labeled "NO.D1.SB56". A red traffic cone is visible near the winged character. To the left, there are blue folding chairs and a white object on a table.

How is it, Xinran, am I like a hentai?

But immediately I am not a pervert,
Because I will become you soon.

I have felt the weight of the right breast

next is the mask.

A 3D-rendered anime-style character with short brown hair and large blue eyes. She is wearing a pink bikini and is holding a glowing yellow sphere with both hands. The sphere has a textured, almost crystalline appearance. She is standing in a dimly lit room with a desk, a chair, and a filing cabinet in the background. The lighting is warm and focused on the character and the sphere.

Now we are going to be one.

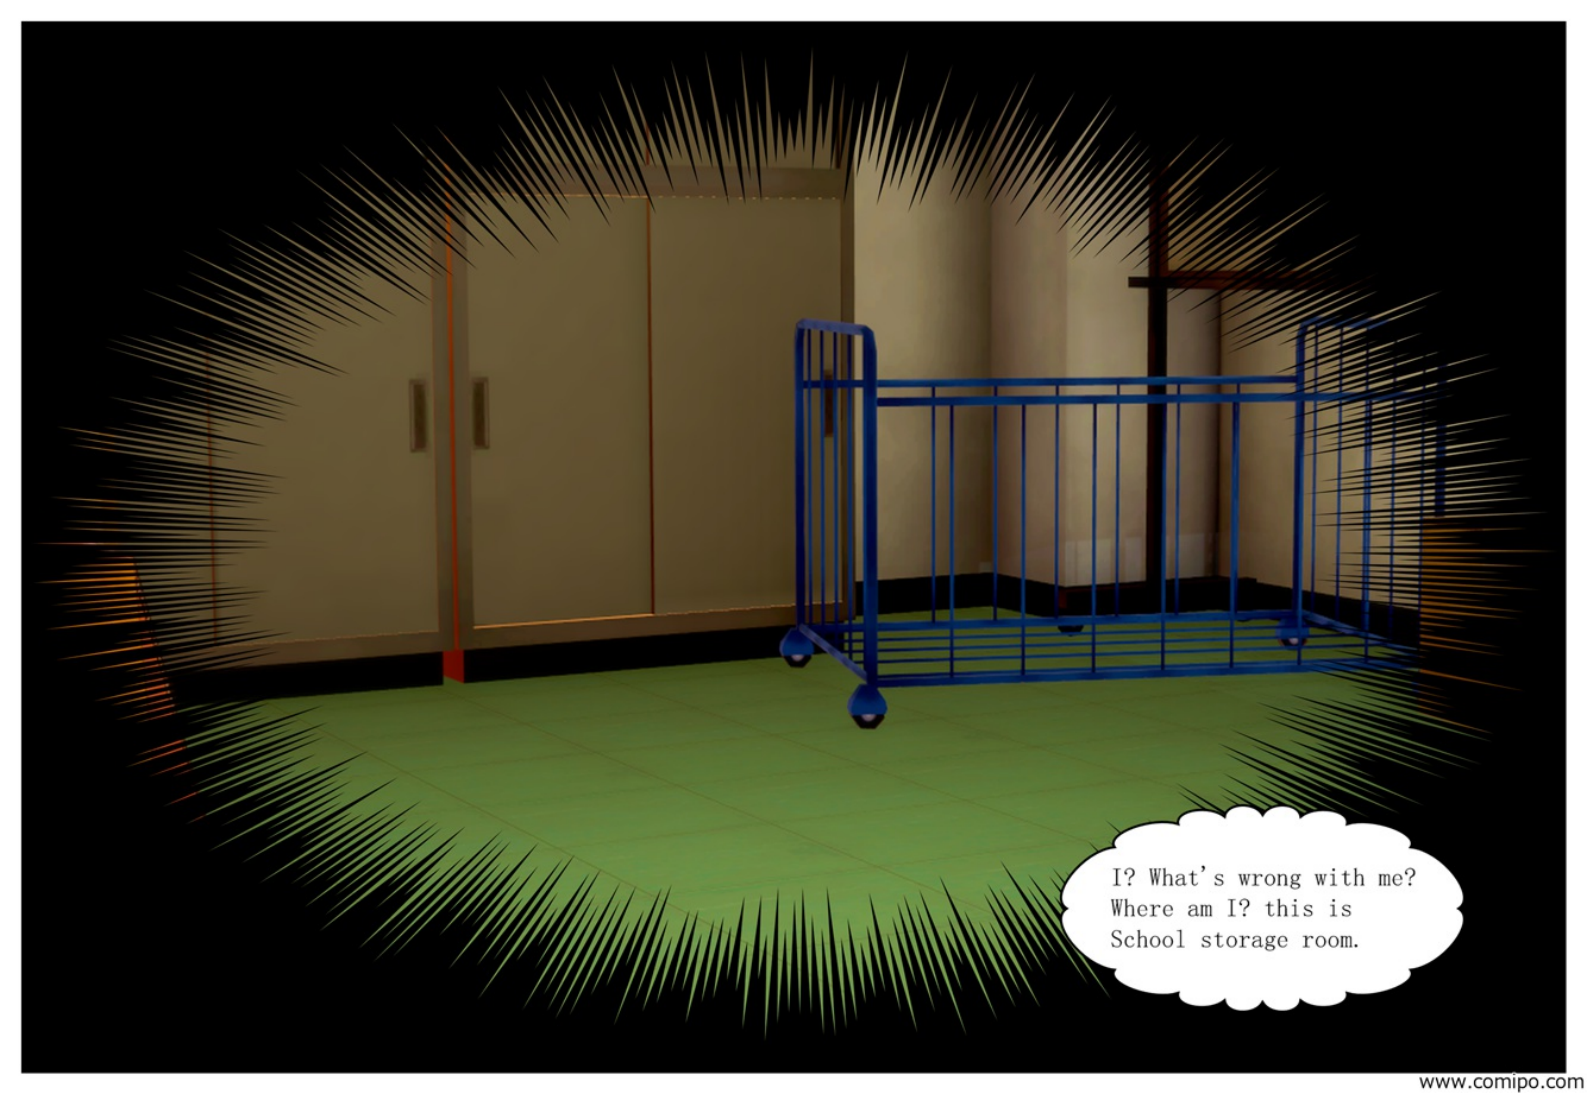

Ah, ah, hello, this is Li Xinran.
Haha, the voice changed automatically.

So, Xin ran, there can never be two smae people in the one school. maybe you should be the hentai in school.

this body is really fat.

I? What's wrong with me?
Where am I? this is

Are you awake? fat ass?

What nonsense are you talking about, Wu Qian.
Who would want to pretend to be you?

you! ! Who are you! Why pretend to be me!

Me!! How could I become like this? !

Okay, I won't tease you anymore.
You became like this because
I made it by special means.
Of course, I used the same
method to become to you.

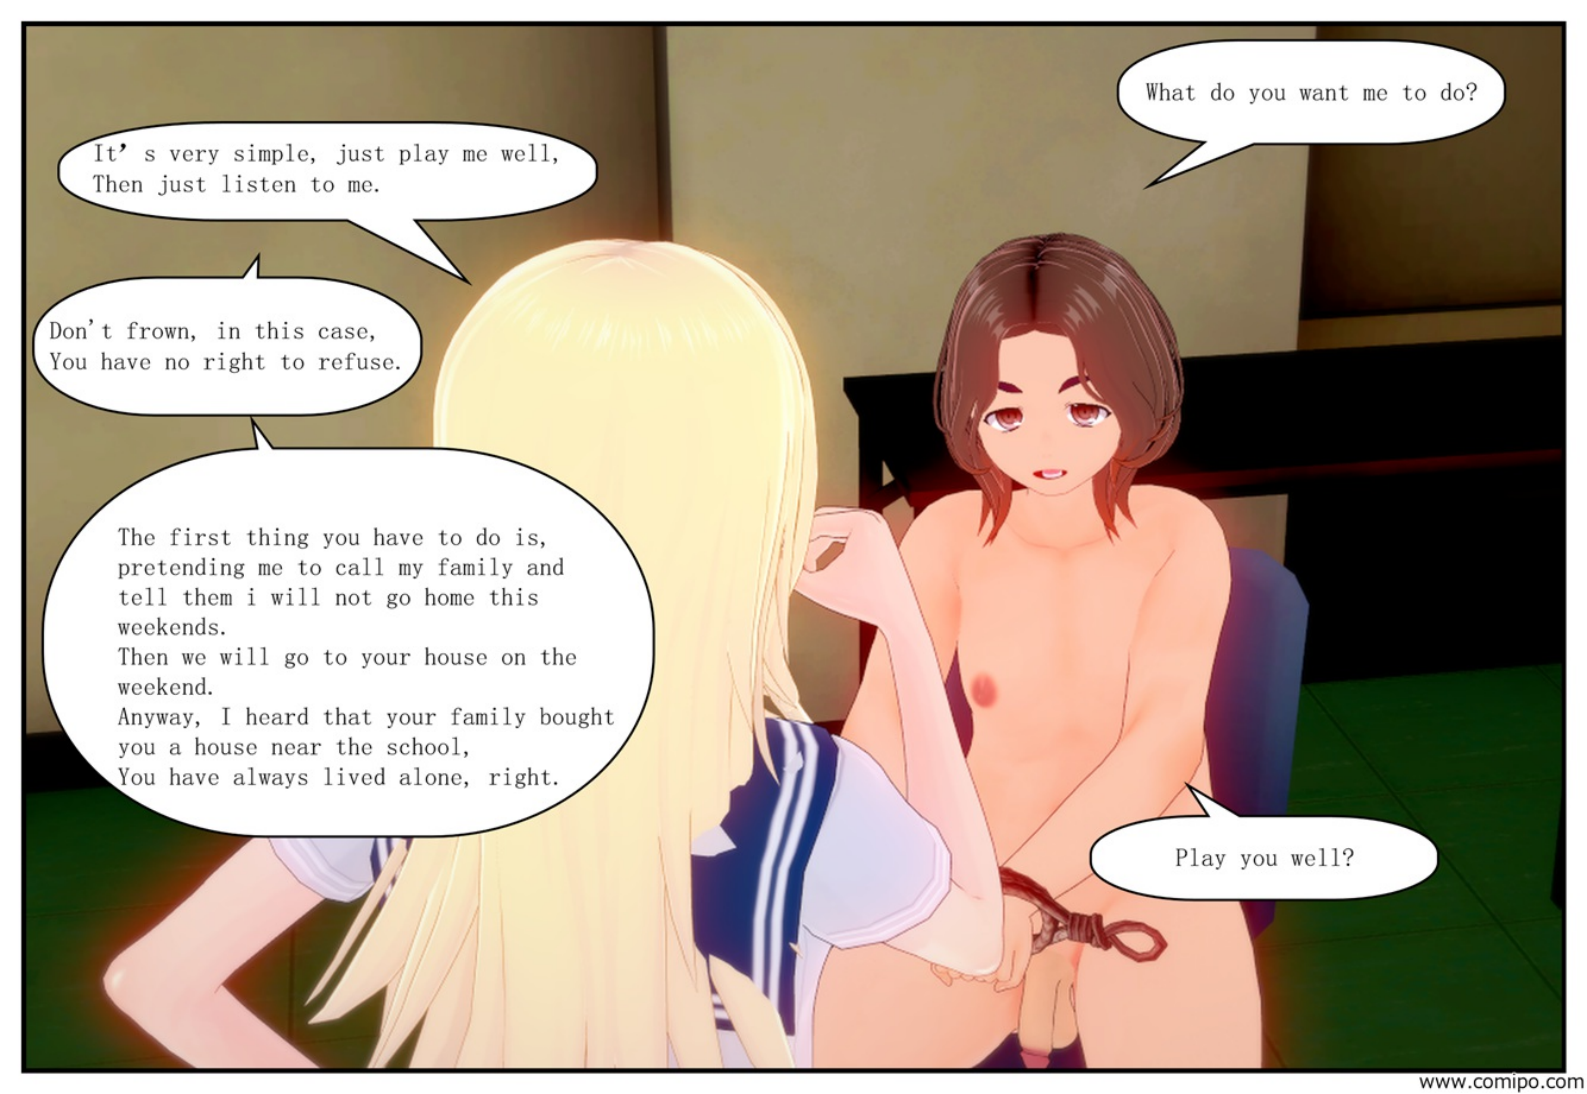

What do you want to do.
Do this kind of thing.
I'm yelling now
to attract classmates to come in.

What a great idea. try it, and see
if classmates come in, they will
believe me or believe you.
And if you make me unhappy,
You will be like this forever.
But if you cooperate with me well,
after a while I'll change it back.

I sometimes want to be treated as an honor student.

I have never looked down upon you.

Then why didn't you stand up
in time to stop other students
