

Chapter 3

I'm not going to act like a girl.

Moments later in the corridor ...

I understand well?

I'm just gonna get this job, nothing else?

Okay, but don't tell anyone about it.

Exactly, then I will delete the film immediately.

Sure, this will be our little secret. hehe.

I don't want to learn to act like a girl

But I don't think I have a choice.

Especially since I still have to pay off this debt.

Everything's going well so far.

Now I have to think about my next step.

After a while, in the control room

So you decided to accept my offer after all, great.

I knew you would change your mind.

Yes ~

So when could I start?

Hehe. No rush, all in good time.

Haruna-chan, please give Mutsumi-chan the script.

I understand that I have to read it.

No problem.

This is the script of the character you are going to play.

You have to remember all of this.

You have a week for that. Then we will start teaching you.

What? There is no way I can remember it all in a week.

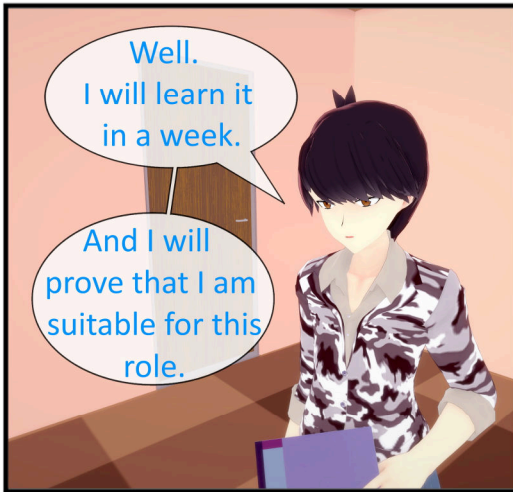

Don't worry, your character is a typical teenage girl just like you.

You will remember it quickly.

In the meantime, we will teach you how to be a girl so that you can play your character better.

Three days later ...

Has something happened, Miku?

Because you ate almost nothing.

Somehow I have no appetite.

No, why are you asking?

You too.

Me too.

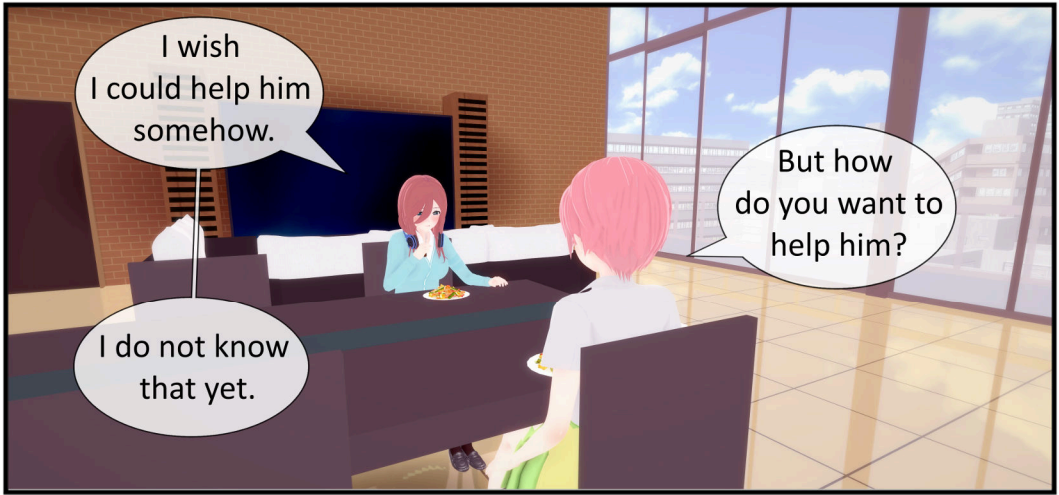

Say, Miku.

You are not a little worried about Mutsumi-chan

Is Ichika also worried about Mutsumi-chan?

But what do you mean?

I wish I could help him somehow.

But how do you want to help him?

I do not know that yet.

I already know how I can help him.

Do you have this girl's number?

It worked. Hehe

A moment later...

Okay, Miku, make your wish.

Are you sure? It doesn't look like she's able to fulfill them now.

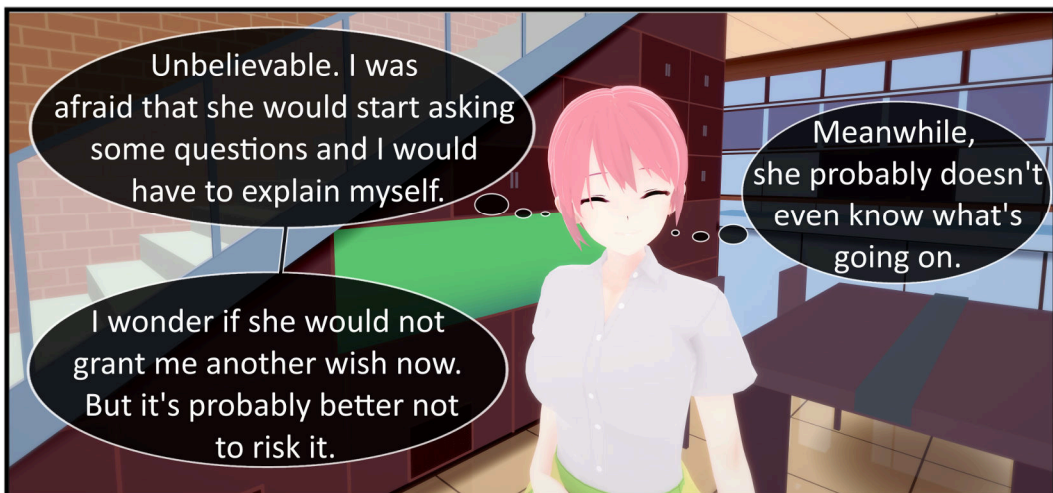

She can barely stand.

I think we caught her napping.

Maybe we'll wait until she wakes up?

There is no time for that, Mutsumi-chan only has two days to learn everything.

You're right. We do not have time.

Unbelievable. I was afraid that she would start asking some questions and I would have to explain myself.

Meanwhile, she probably doesn't even know what's going on.

I wonder if she would not grant me another wish now. But it's probably better not to risk it.

What, how?

Where am I?!

Now I remember.

At our home, did you forget?

You probably want me to grant your wish, okay.

yawning

Just please quickly.

Of course.

I wish for something that would help Mutsumi-chan learn.

What is that supposed to be?

Or at least how is it supposed to work?

I don't know, I just want to help Mutsumi-chan.

I have an idea.

What's that idea?

Let Mutsumi-chan know perfectly well what he is learning now as if it was a reflex for him.

That would be exactly what I want.

But what is he actually learning?

Whatever, that wish shouldn't hurt him.

I'm too tired to think about it.

Okay, I'll grant you your wish, Miku.

For the next three days, Mutsumi-chan will have exceptional learning skills.

How will it work?

Great, that's what I wanted, thank you.

No matter what Mutsumi-chan starts learning, it will quickly become easy for him.

You're welcome. If that's all, then I'm going home.

In the evening in Fuutaro's room ...

What, are you gonna help me study?

Ymm ... Thanks, but that's not necessary.

I've already learned this text, it was actually not that difficult.

Some time later..

End.

Impressive,
you really
learned it in just
three days.

Still, it was
terrible.

When Risa
hears it, she will
definitely not
hire you.

What?

I don't
understand,
after all I said
everything
exactly as it is
written
there.

This is where
the problem lies.

Not like
a robot.

You were
supposed to say it
like you were a
teenage girl.

Try to put
yourself in the
role.

How am I supposed to do this?

I don't think I have any other choice, okay.

Teach me to act like a girl.

If you want, I can teach you to act like a girl.

Are you serious? I thought you didn't want to learn how to be a girl?

Because I do not want. But I have no choice.

I have to learn this if I want this job.

Sure ... But you'll do whatever I tell you, otherwise I can't teach you.

* sigh *
Agreed.

After another moment ...

I can't believe I'm really doing this.

Are you sure the door is closed?

This is the fifth time you have asked about it.

Yes, the door is locked. You don't have to keep asking about it.

I'd rather be sure.

You don't need help with anything?

For example, with the bra.

No, I already put it on.

You really know how to put on a bra.

Fu Fu. First pink panties and now it turns out that you know how to put on a bra.

Are you secretly interested in women's clothes, Mutsumi-chan?

Not I...

Ummm....

Let's not talk about it now, okay?

She won't believe me when I tell her it was Yotsuba who explained to me how to put on a bra. It will probably be the same with the panties.

But wait, something is still missing here.

Where are the wig and makeup?

Of course it's not enough.

Do i really have to? Clothes not enough?

But I don't even know how to put on makeup.

Don't worry, I'll teach you that too.

Now stand still, it won't take long.

Now I'm sure it was a bad idea after all.

After Ichika helped Fuutaro with the wig and makeup.

And how do you like it?

How did you do that?

I can see but how is it supposed to help me?

Yes. But why do I look like Miku?

A little makeup can work wonders.

It is very easy. You're supposed to play the role of a teenage girl, right?

Tell me, are you still having trouble telling us apart?

Outside...

Mutsumi-chan,
hurry up a little, we
don't have all night.

No, there's no
way I'm going out in
that outfit.

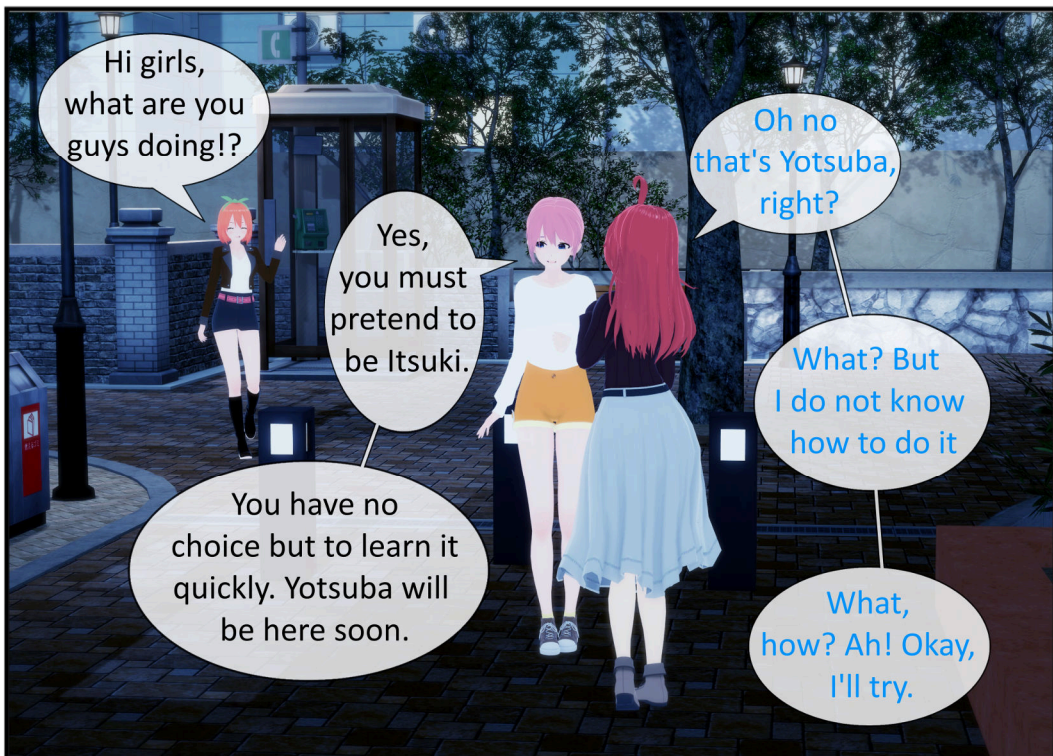

What,
but you wanted
to practice your
role.

I changed
my mind. It's too
humiliating to go out
dressed like that.

You even
walked outside in
that outfit already.
What happened?

That's
different.

But
you were doing so
well already. Besides,
you've been wearing a
female school uniform
for three days.

We,
nothing. We
just go to the
store to buy a
few things.

At this
time?

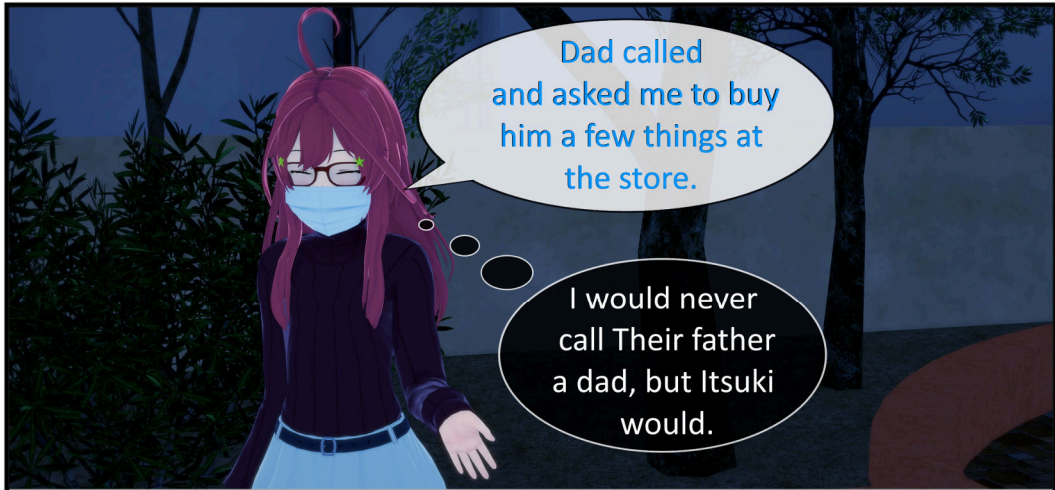

Yes...

Not good. She
will soon figure
out that I am
not Itsuki.

I have to
say something
Itsuki
would say and I
would never say.

But what?
Wait, I know!

In this ...
bag?

Oh no,
I had to
forget it at
the store.

Incredibly,
someday she
will forget her
own head.

By the way,
since
when have you
been talking to
our father,
Dad?

Sure.

embarrassed

I ... well ...
I had to say
something to
sound like
Itsuki.

Can we go
back now?
I have enough
exercise for
today.

After a while...

I told you
your disguise
is perfect.

Whew ... It
was close.

I almost died
of a heart attack,
I was sure she
would recognize
me soon.

I'm sure
even Itsuki would
say that.

You talk
before she kills me
for touching her
clothes.

Itsuki?

Oh, Ichika
you haven't
seen my ...

After Fuutaro told Itsuki everything.

I understand well?

You pretended to be me to learn to talk like a girl?

Yes ~

And you studied it to get a job in dubbing.

Exactly.

Hmm ...
So Mutsumi-chan wanted to pretend he is me for a while.

Maybe that's not such a bad idea after all.

Hey!

What are you doing?

What?

You're kidding, I'm not gonna take any tests for you.

You know, actually I could use a replacement for a while.

As an apology, you will correct one test for me.

You will correct this test for me.

And if I get a high grade from it, I'll forgive you.

Otherwise...

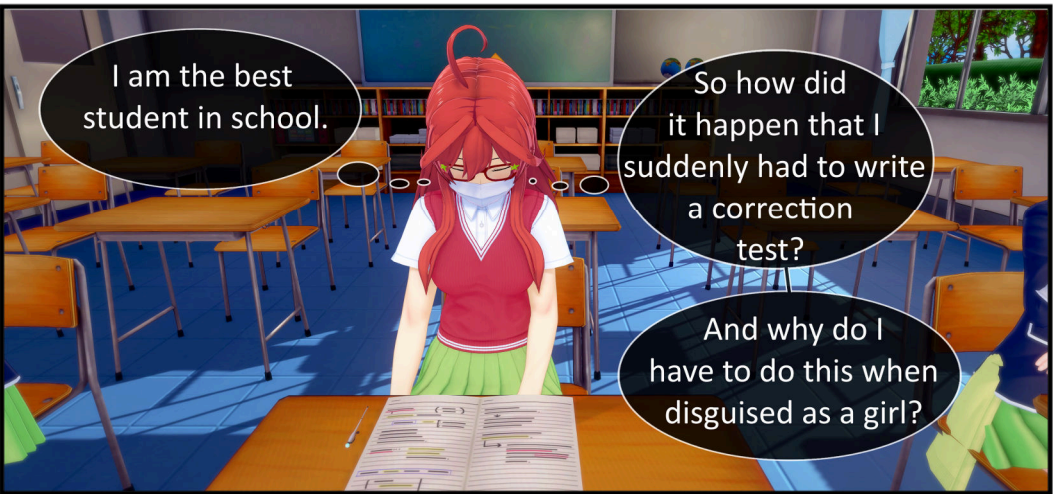

Next day...

Good morning kids, welcome to the improvement of the math test.

You have 45 minutes for the test.

Good luck.

I am the best student in school.

So how did it happen that I suddenly had to write a correction test?

And why do I have to do this when disguised as a girl?

15 minutes earlier ...

What is it all going towards?

Girls it's pointless, no one will believe I'm Itsuki.

After all, I don't even look like her.

Unbelievable, it turned out perfect.

Right. Just the wig yet.

But before that ...

Almost.

Did you listen to me at all?

?

Hm?

Ichika?

What's she up to?

NGH!

Ichika, what are you doing?

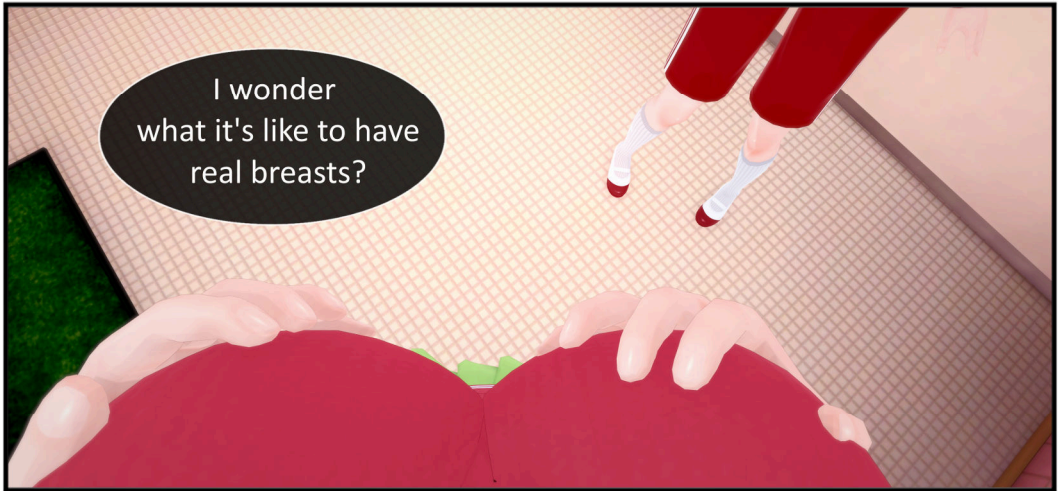

I? Nothing, I'm just adjusting the Mutsumi-chan's bra.

I don't know why she reacted like that, these are just socks, not real breasts. hehe

I wish I had recorded it. hehe

Right, they're just socks.

I wonder what it's like to have real breasts?

Say...

Have you just wondered how real breasts feel?

What, how do you know?

I mean no ... I just.

Just...

I think the lesson is about to start.

What was I even thinking about.

We need to hurry up.

I still can't believe I'm really doing this.

It doesn't matter that dad pays me a lot.

When this is over, I don't want to have anything else to do with these girls.

Only this will end and I quit this job.

What?!

When did I learn to call their father dad?

I must begin to be more careful.

Something happened?

Because you look like you've seen a ghost.

No, nothing.

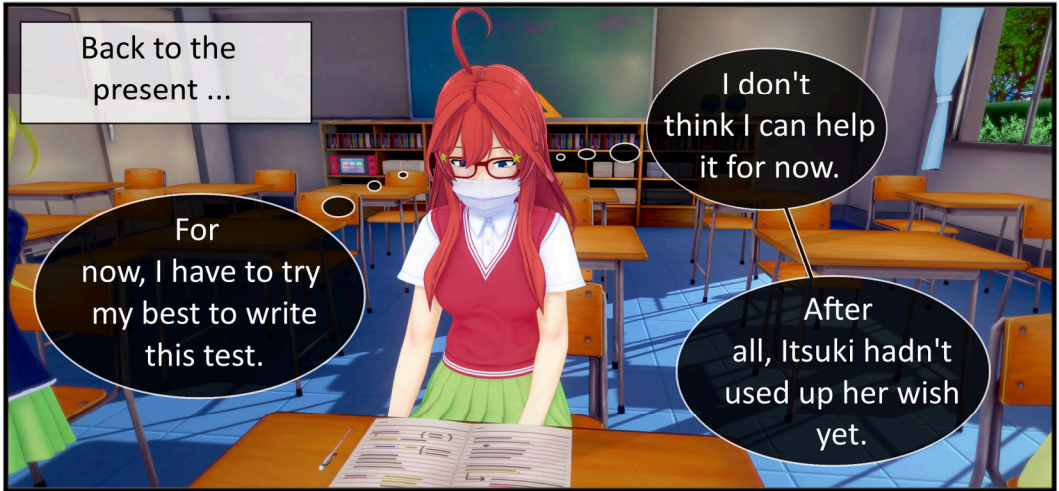

I just got scared of my reflection in the mirror. hehe

But most of all, I have to make sure that the girls don't notice anything.

Weird?
Did Mutsumi-chan
always have blue
eyes?

Probably yes ~

Back to the
present ...

For
now, I have to try
my best to write
this test.

I don't
think I can help
it for now.

After
all, Itsuki hadn't
used up her wish
yet.

And she
was the only one
who wanted to
fix it all so far.

Itsuki

Itsuki

Whew ... It was close.

I completely forgot that now I wear a skirt instead of pants.

embarrassed

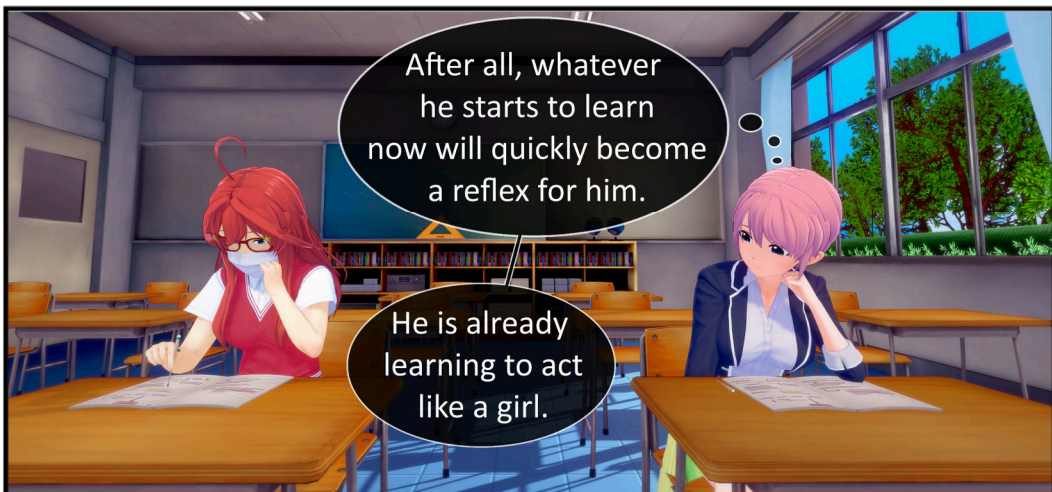

Until all of this is over, I have to learn to live with it.

Miku's wish will last two more days.

What else can I teach Mutsumi-chan for this time?

After all, whatever he starts to learn now will quickly become a reflex for him.

He is already learning to act like a girl.

Only the things related to his work remained.

I don't understand any of this.

And what I'm planning for him.

After the test ...

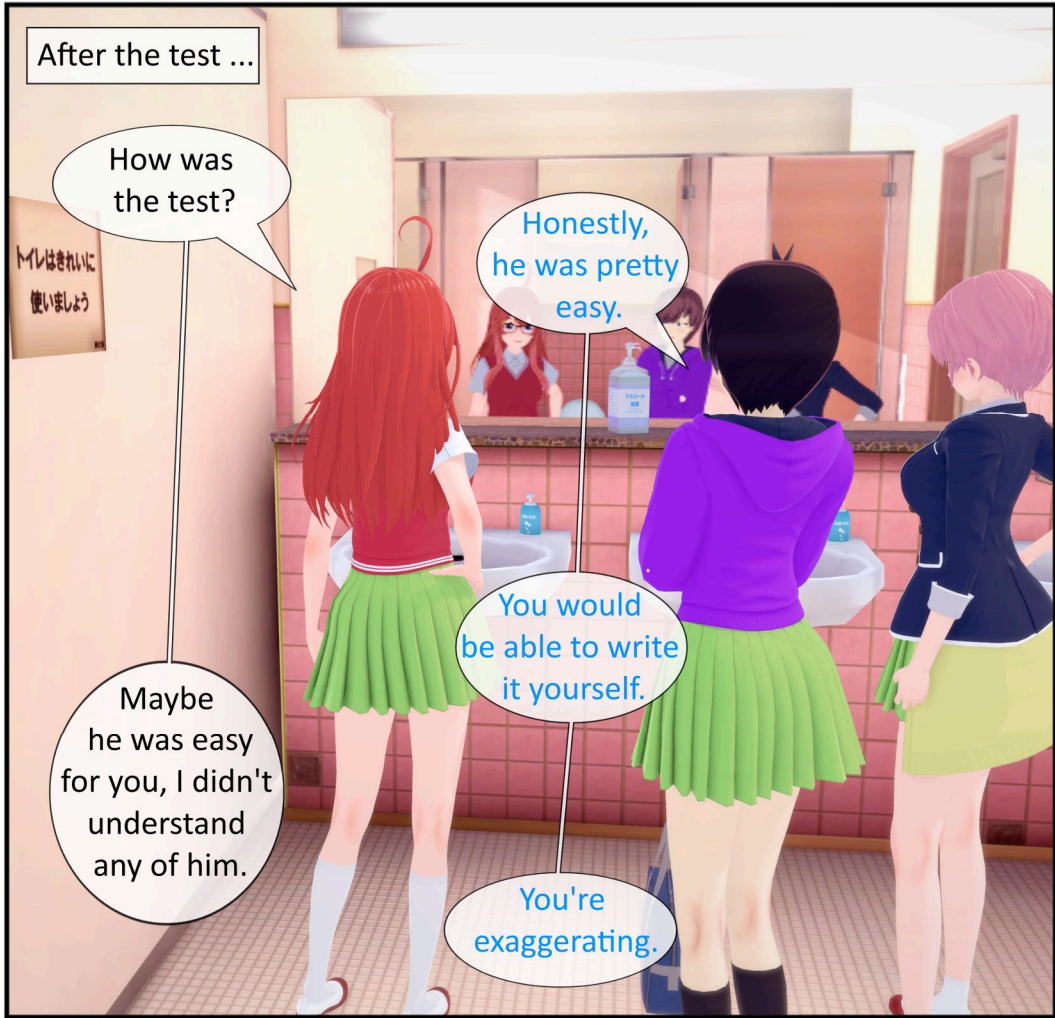

How was the test?

Honestly, he was pretty easy.

Maybe he was easy for you, I didn't understand any of him.

You would be able to write it yourself.

You're exaggerating.

Phew ...
I was already
afraid that you
changed your
mind.

Hehe. Don't worry
if you deserve it, I'll use
my wish to fix it.

No, I didn't change
my mind, but I support
the fact that you have to
learn a few things.

Not good.

Itsuki still
wants to
fix it all.

I have
to make her
change her
mind.

I just
remembered.

Me and
Mutsumi-chan
are going
to karaoke tonight,
maybe you want
to come with us,
Itsuki?

What?

Well,
why not.

I was gonna teach you to act like a girl, right?

So that's what I'm doing.

Unless you'd rather go shopping?

Yes.

I prefer karaoke, however.

All in all, karaoke doesn't sound too bad.

It's definitely better than walking around town dressed as a girl.

Besides, guys also go to karaoke.

At 6pm, because you probably want to study after school.

What time are we going?

Of course.
Thanks.

I had plans
to fix it all as soon
as possible.

No problem,
I know how important
your grades are to
you.

But there
is probably no
need to rush.

I'll give
him a little
more time.

Besides, there
is something that
puzzles me ~

In the evening...

Whom?

And here we are.

On the occasion. I also invited my friend.

Erika, my colleague from work.

She really likes to sing and is really good at it.

Wow. Unfortunately, I can't sing.

There is no way I can learn to sing.

I didn't have to, I just know it. .

She can teach you if you ask her.

How can you be sure, have you ever tried to sing?

In the karaoke room ...

Hi Erika.

Here we are. I'm sorry you had to wait for us.

*A na ta ni aitakute
aitakute
A na ta ni aitakute
aitakute*

*Nagare
yuku hibi
kisetsu wa kawaru
hana sakichireba
moto ni modoru no
Konna yo no naka
dare wo shinjite
aruite yukou*

*Je wo totte
kuremasu ka?*

Sing?

Compared to her, I don't even know how to speak.

To be continued...
