

**The time is Heisei era 40 in Japan.
The IMP virus pandemic that had occurred a few years earlier
had changed the face of the world.**

**Due to the virus, almost all men have become Impotent, Masochistic,
and Passive.**

**On the other hand, many women have become Improper,
Impertinent, and like a little Imp.**

And Japan has experienced a resurgence of the Tanned Gyarū boom.

**Shibuya, in particular, became a heaven for Gyarus, and the
streets were overflowing with Gyarus who looked down on men.**

Paid dates are all the rage in Shibuya, but now there are no Tanned Gyarū having sex with males. The males want just a date to have dinner, masochistic play where they get stomped and spit on, and jerking off with their impotent dicks while watching the gyarus--

So, today, the Cocky Teen Virgin Tanned Gyarus, who have never even been touched by a man, are still taking money from men in a brazen manner.

In such a Shibuya, "YOU" have landed. Having been born with antibodies against the IMP virus, you have not become impotent and masochistic like the other guys. On the contrary, the side effect of the IMP virus has made you a more vigorous man than any other human being could ever be. Then the Tanned Gyarus approach you. They think you are a "SCUM" just like other guys...

Yuyuka (a.k.a. Yuyu-Cham)

Very cheerful and lovely tanned gyaru. She thinks masochistic and impotent guys are poor and cute... But her real dream is to be fucked by a Real Man with a big manly cock. Like some Gyaru JAV in the past, She wishes she could cum with her eyes rolling. But she thinks that's impossible in this day and age...and is giving up on that dream.

Yuyu-Cham:

Eh~? Old man, you want to have sex with us? Shit★

I mean, who can get their little dick erect nowadays?

If you really can get an erection, I'll have sex with you for money♥

Leona

She is a cold-blooded Tanned Gyaruw with a sadistic side. She is very unfriendly to guys who ask her for a date, and it seems that her coldness makes her very popular...

If she meets a strong man's huge erect cock, she will awaken as a masochistic slut and become a dripping mess of love juice... but she doesn't seem to be aware of it.

Leona:

All you do anyway is talk and jerk off on my body with your soft cock, right?

Gross... ♡ Well, if you insist, I'll go out with you tonight. I'll make you pay me every penny in your wallet. You better brace yourself ♡

Riku

She is badass, muscular and violent Tanned Gyarū. Her violent play is well received by masochistic men. She specializes in hard play such as kicking and stomping.

Her dream is to marry a manly man and have many, many children, but since almost 100% of modern men are impotent, she has given up on that...

Riku:

**Huh? He's an old man who can get his dick hard?
There's no way that guy exists!**

**Well, if Yuyu-Cham and Leona are going to play with him,
then I should be in the mix too.**

If it's not true, I'll crush his useless balls♥

DRIP...♡

Riku:

(What's this? Shit...♥

Just looking at this guy's face, my cunt is getting super wet...

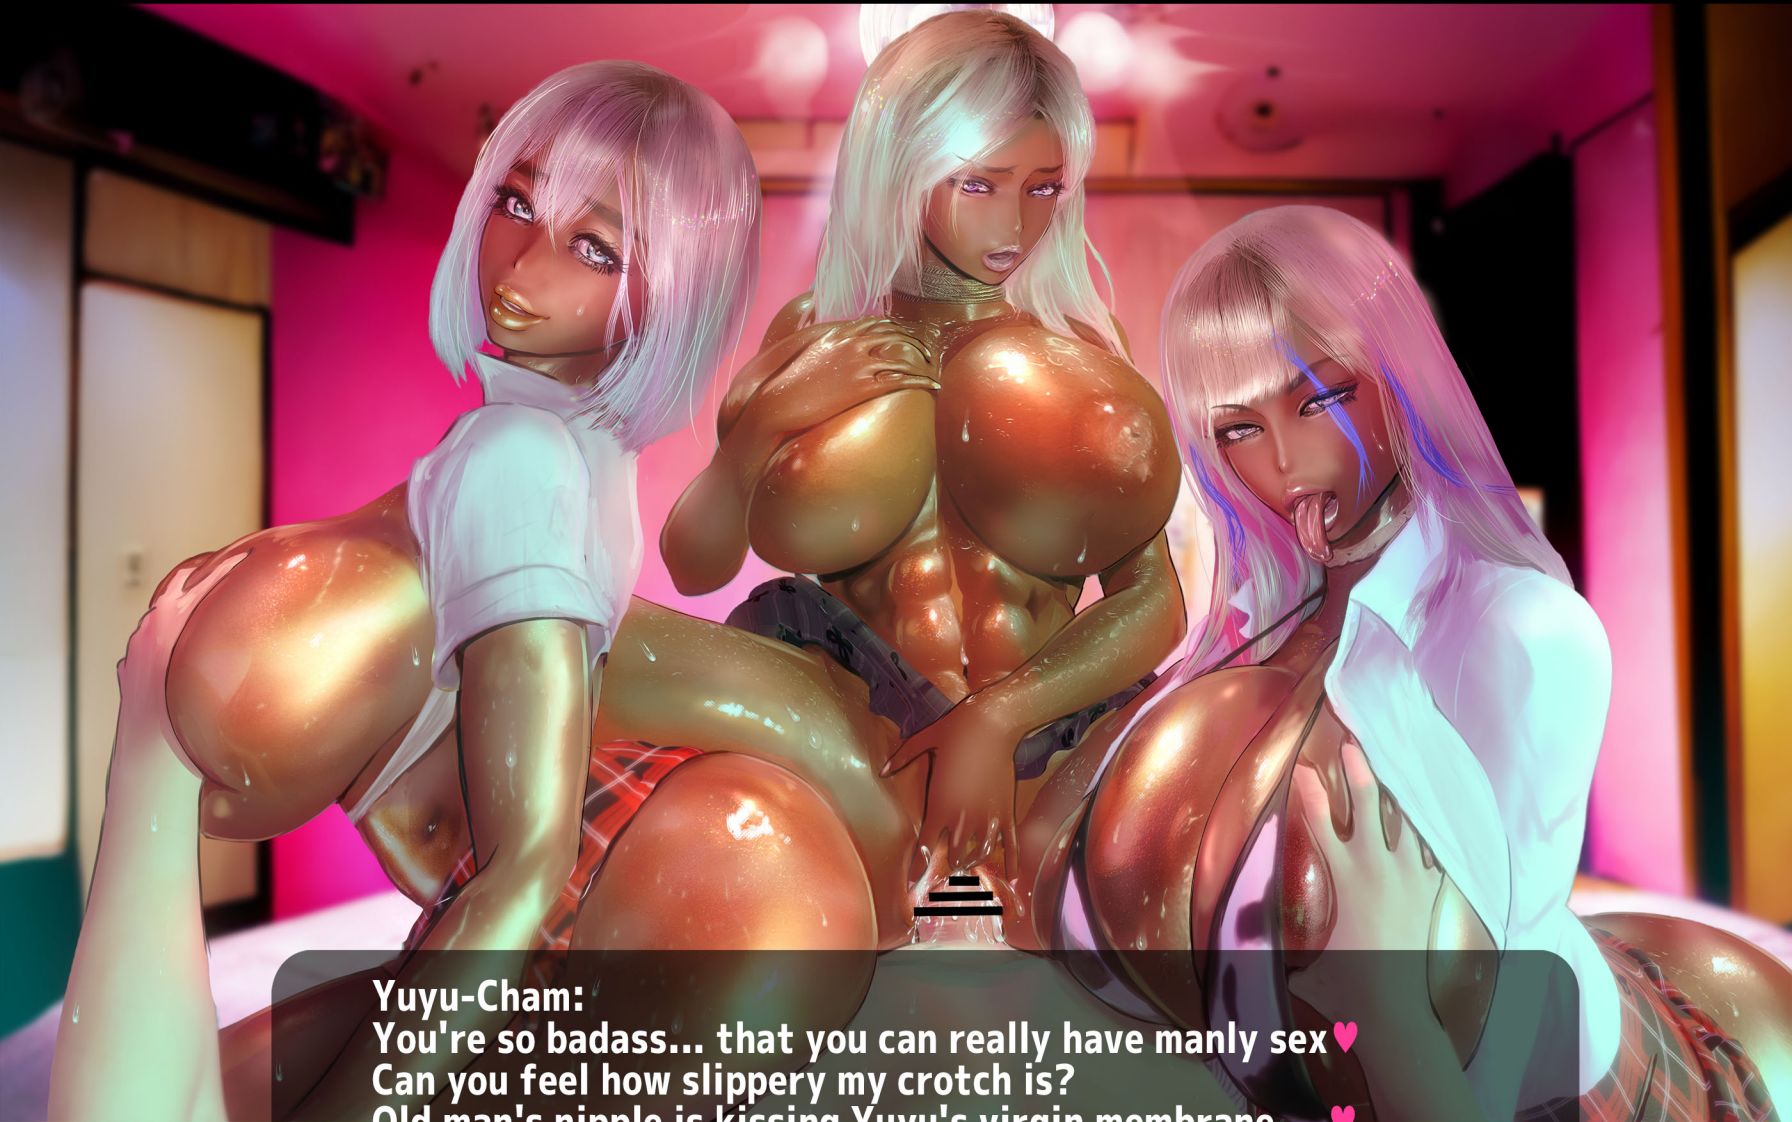

Is he really a man who can get a boner?

No way... but I have to check...♥)

Riku:
Oh, this is so shit...♥ Your dick is so bad♥
I can't believe there is a man who can actually make a baby
using his big hard dong♥ NGGH♥
AH♥ Fuck♥ One fuck with him and I knew...♥
I was born to make a baby with this dick♥

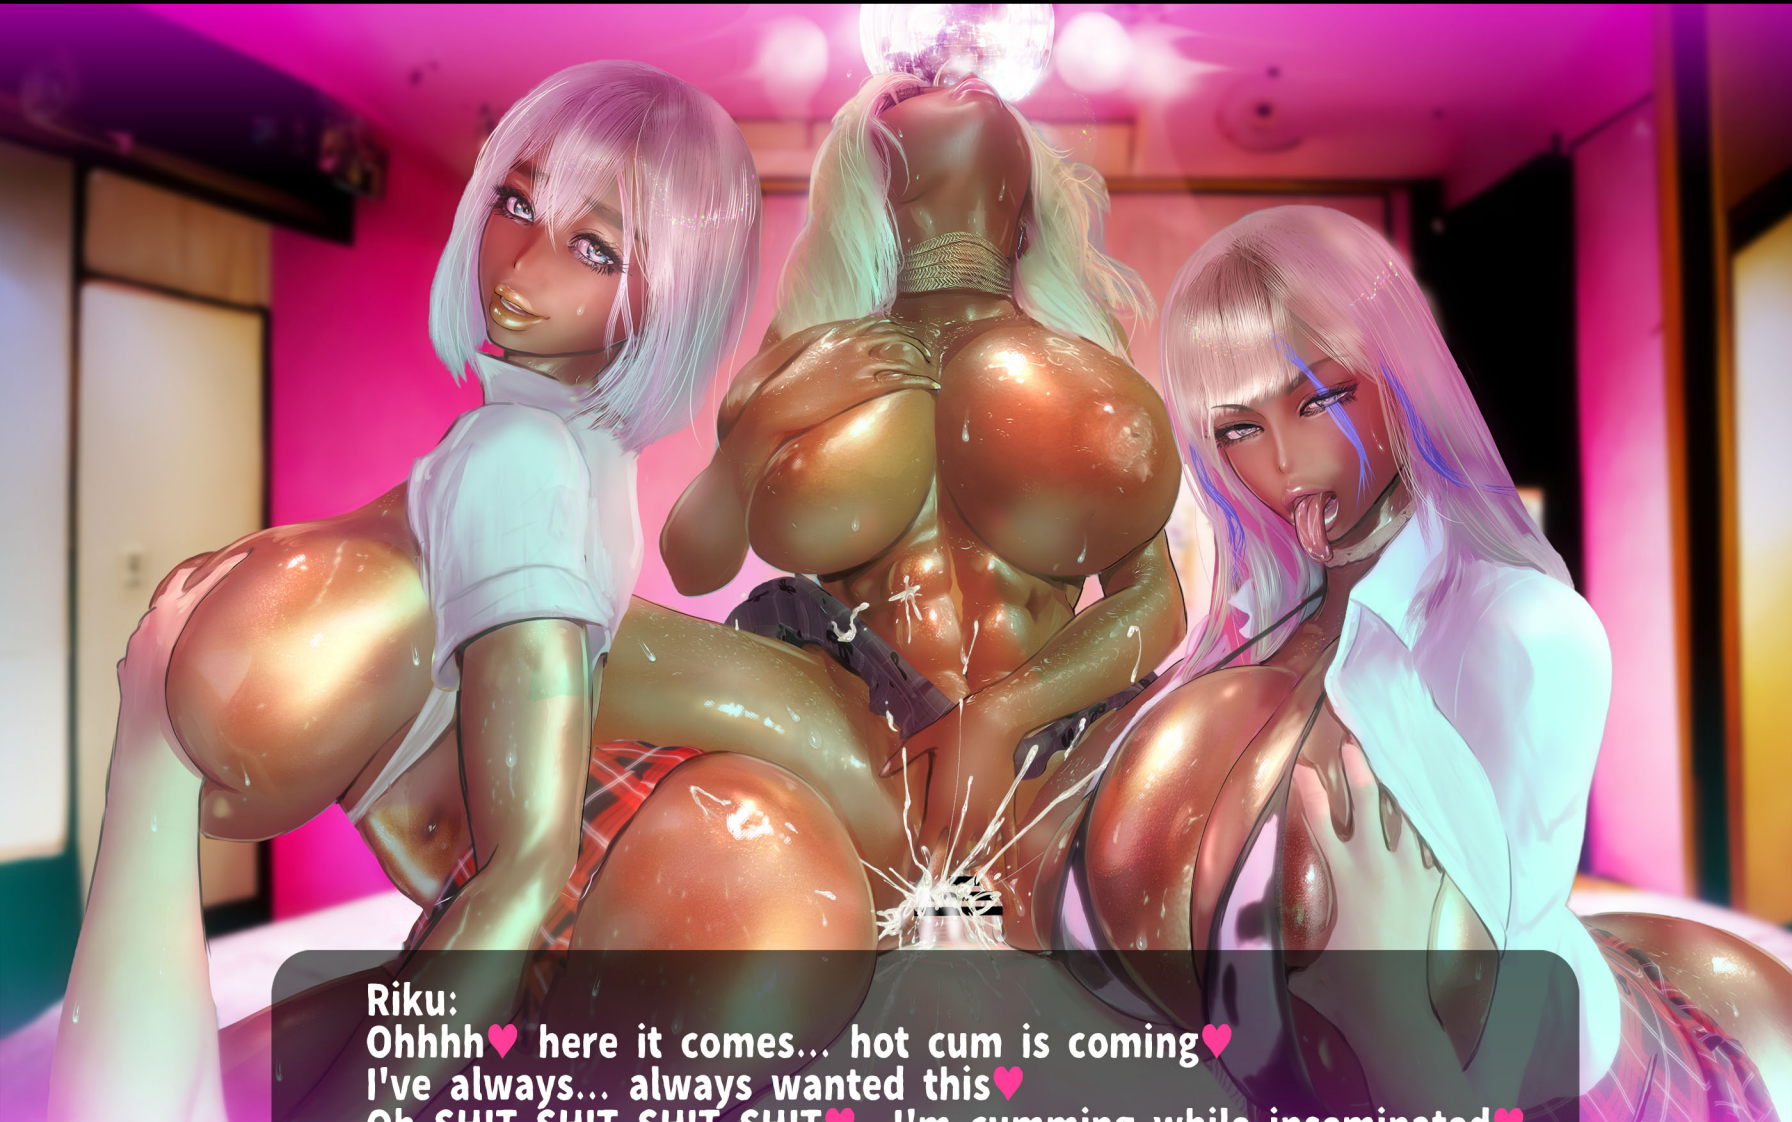

Yuyu-Cham:
You're so badass... that you can really have manly sex ♡
Can you feel how slippery my crotch is?
Old man's nipple is kissing Yuyu's virgin membrane.... ♡
Next, let's have a pussy hookup with my virgin hole ♡ Okay?

Leona:
This...this is real sex...? It's super gross and ...
(Oh my gosh... ♡ Looking at this cock... makes my head fluff up... ♡
I want to submit to this guy, get down on my knees and
get messed up...! But...how do I say it?
I don't know how to talk to him except in a sadistic way!)

SPLURRY!!!

Riku:
Ohhhh♥ here it comes... hot cum is coming♥
I've always... always wanted this♥
Oh SHIT SHIT SHIT SHIT♥ I'm cumming while inseminated♥
I'm going to keep fucking this manly cock and keep having
lots of babies♥

To be continued to a larger project...maybe?
