

Chapter 180 - Hestia is in love +18

I climbed on top of Hestia and began to touch her breasts and kiss her lips hard. I invaded her mouth with my tongue and put my leg between her legs.

Hestia liked having every part of her body touched at the same time. At the same time, I stole her lips, felt her breasts with my hands, and played with her pussy with my knee.

It wasn't long before she lost control and cum on my knee. I felt her liquid wet her panties, and then our lips parted.

Haaa~~

Haaa~~

"You're doing it too hard..." Hestia said. Her cute tone blew my mind. I grabbed her cleavage and pulled it open, revealing her breasts. After showing them, I swallowed one of them and bit her nipple.

WAAAA~~

Hestia screamed as cute as ever. I played and sucked her nipple so hard that when I let go, it was red and probably sore. But Hestia was enjoying it.

Her pussy was even wetter than before.

"Do you want me inside you?" I licked my lips. Hearing my question, Hestia didn't know how to respond. Her tear-filled eyes stared at me, and she spread her legs without saying a word.

I lifted the corners of my lips and put my head between her legs.

I looked down at her white panties, which were soaked with her rose-scented liquid. I then touched her panties with my tongue. When I did, Hestia's body trembled.

But when I began to move my tongue more vigorously over her panties, her body stopped trembling, and I continued to hear her soft moans. Her moans were so soft and sweet that my cock got harder than it already was.

I moved Hestia's panties to the side and looked at her perfectly sculpted light pink pussy. Her pussy was beautiful, probably the best I've seen since I came into this world.

Probably none will ever surpass it.

Maybe Freya's pussy is just as beautiful? I don't know, but I intend to compare them one day.

I invaded Hestia's pussy with my tongue and, as I always did, touched her most sensitive spot; when I started playing with her pussy, it didn't take long for her to cum again.

I could feel her pussy contracting. Her liquid came into my mouth.

I licked my lips, climbed on top of Hestia again, and stole her lips.

"How do you like that? The taste of your pussy." I gave her a mischievous smile. Hestia was so ecstatic that she couldn't answer. She drooled and tasted her pussy liquid.

I couldn't help myself after seeing that. I grabbed Hestia's body and put her on all fours, even though she didn't have enough strength in her arms. She was still wearing her dress, but I didn't mind.

I love it when women are dressed during sex. I think I've said that before.

I pulled down my pants and stuck out my cock. Afterward, I lifted Hestia's dress a little and watched her liquid run down her soft thighs. Her pussy was begging for my cock.

Of course, I would accept her pussy's request.

I slid my cock inside her while squeezing Hestia's plump ass hard with both my hands. I started going all out right from the start, moving my hips intensely and messing up Hestia's insides.

I fucked her hard while her soft moans reverberated around the room. Lili could probably hear us. Maybe even Bell is listening if he's at home, but I don't care.

I continued to fuck Hestia until my sperm spurted into her womb, and Hestia's body convulsed one last time before she passed out from the pleasure she was feeling.

But I didn't stop there.

I pulled my still-hard cock out of her pussy and let my sperm drip out, and then picked Hestia up off my lap. When I picked her up, she woke startled.

"What? What are you doing?" She hugged me tightly and entwined her legs, holding me tightly as I wanted her to.

With her in my arms, I put my cock at the entrance to her pussy and then moved my hips upwards, entering her pussy again. Hestia's eyes widened, and she looked up at the ceiling.

She stuck out her tongue and couldn't say anything.

I continued to move as Hestia's breasts rubbed against me, making me even more aroused. The texture of her glove on my neck was making me tickle. It was incredible.

"I'm close to cumming again," I said in Hestia's ear while thrusting my cock into her pussy. Hestia hugged me tighter and stole my lips.

Tears streamed down her face as she moved her tongue awkwardly.

Haaa~~

She took a deep breath after our lips parted.

"We're not done," I told her. Hestia could do nothing but nod. She couldn't deny it. She was loving it all, Hestia had already fallen in love with me and my cock.

I think it's impossible for her to live without my cock now.

I fucked her standing up while she was against the wall, on the bedroom floor, in the cowgirl position, on all fours again, and in various places. I made the room stink of cum as well as sweat.

By the time our session was over, even I couldn't stand up, and I fell asleep with her on the bed.

My status increased a lot just this night. Before, I was confident, but now I'm sure I can kill Hedin.
