Name:	Spoon of Kintsugi	
Rare (one of a kind)	Worth: 2,500	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon looks as if made of porcelain which has been cracked several times. Each crack is filled with a smooth gold finish that seems to flow freely inside the spoon.</p> <p>By tapping this spoon onto any cracked surface that is no bigger than 1 square foot and no deeper than 2 inches, liquid gold will pour from the spoon and begin sealing the cracked surface. The gold instantly cools and seals the crack with a beautiful gold finish. Upon finishing 10 repairs, the spoon's golden cracks will start to dim and will not work till the next morning.</p>
