

Property manager  
my ass...I didn't know  
this job was for a fucking  
maid! And to add insult  
to injury the uniform is  
literally an ancient french  
maid dress!

Hey, you must  
be the new girl Suzy!  
Good to see you fit into  
the proper attire...I am  
the caretaker of this  
old place!

Oh, its nice to finally meet you. Thank you for hiring me on...but I though the role was more... Formal...professional? But still thank you for the opportunity!

Ah, we have to keep up appearances at this old place...the last maid wore that old thing for 40 years...Its tradition!

She did this job for 40 years! And she did it in this slutty...oh, sorry, this old maids costume the whole time....Like, this exact one?

Yep, thats the dress... poor woman died in that thing! Best looking lady I've ever laid...eyes on! Said she was made for this job!

A woman with blonde hair, wearing a black and white maid outfit with a lace-trimmed apron and a tiara, stands on the left. She is looking towards a man on the right. The man is wearing a dark suit, a white shirt, a blue and white striped tie, and glasses. He has his right hand on his head and his left hand on his hip. They are in a large, ornate room with high ceilings, chandeliers, and large windows. The room contains a wooden table, a sofa, and a chair.

Oh, kinda weird but ok. I will try to live up to her standard. I mean its only my first day...I've just been dusting a little!

Thats great Suzy!  
Finish up the dusting and call it a day...with 80 rooms even a little dusting is a big job...you can stay in the maids room too!

A man in a dark suit is walking away from the viewer towards the left side of a grand, ornate room. The room features high ceilings with intricate patterns, several large, multi-tiered chandeliers, and arched windows with decorative glass. A woman in a dark blue maid outfit with a white apron and a white bow at the back is standing with her back to the viewer, looking towards the man. The room is dimly lit, with light coming from the windows and the chandeliers.

And feel free to use anything in the Maids quarters...its your room now. So anything in there can be yours...I am sure Gretchen would want you to have it!

\*Mumbling\*  
This is totally not worth it. First pay check and I am out of here. You can get someone else to play maid...jerk!

A woman with short, wavy blonde hair is seen from behind, wearing a dark blue, off-the-shoulder maid outfit with white lace trim and a large white bow at the back. She is holding a white feathered broom. She stands in a dimly lit, Victorian-style bedroom. To her left is a bed with a patterned blanket. In the background, there is a window with lace curtains, a vanity table with a mirror, and a dining table. The room appears old and somewhat neglected.

This is too creepy.  
This place looks untouched  
since the 1800's...no chance  
that it gets WIFI! How could  
someone live like this and  
WORK her for 40 years!

What's that over there...it looks...expensive... very expensive! The caretaker did say that anything in here would be mine...Maybe I do need to stay on a while!

That kinky old  
whore...look at you! A  
bejeweled butt plug...my  
favorite! Polished, clean,  
ready for use...she didn't  
skimp on anything. Gawd,  
its big and heavy too!

A woman with short, wavy, light-colored hair is smiling and looking back over her shoulder. She is wearing a dark blue, off-the-shoulder maid-style top with white lace trim at the cuffs and a matching skirt with a white lace hem. She is holding a large, light-colored feather duster in her right hand and a small, ornate perfume bottle with a blue gemstone stopper in her left hand. The setting is a dimly lit, classic-style room with a bed, a desk, and a window with sheer curtains. A speech bubble is positioned to her left, containing text.

At least something good is coming out of this...and I bet dusting all day with this behemoth in will make it a dang good experience...no wonder Gretchen was happy!

FUCK ME! Its way  
bigger than mine at home!  
And the ridges! Ungh, so sexy.  
Push, push, push...Oh, I  
should have HAWK TUAH'd  
and spit on this thang!  
Its totally dry!

A close-up shot of a woman's legs from the knees down. She is wearing black stockings with a white lace top band. A large, faceted blue ring is on her right hand, which is resting on her right thigh. The background shows a wooden desk with a chair, a vase with flowers, and a wooden chest of drawers. A speech bubble is positioned to the left of her legs.

And I thought that  
I trained my butthole pretty  
good...this woman was an  
anal pro...must have been  
a really promiscuous lady.  
Hey is that another one!

A sounding rod! This woman was a kink goddess. No way...I couldn't...I've never!

....

I'm gonna! The thing is solid gold...its worth it!

Like oh my! It feels weird...but good. Its just a little too big...thats alright... just power through it! Than butt plug feels gigantic in my ass too...I feel so sexy!

Perfect...its in! I feel like  
I am going to explode...  
Still have to finish dusting  
this place, gonna be a lot  
better with these edging  
me on...there has got to  
be a dildo too!

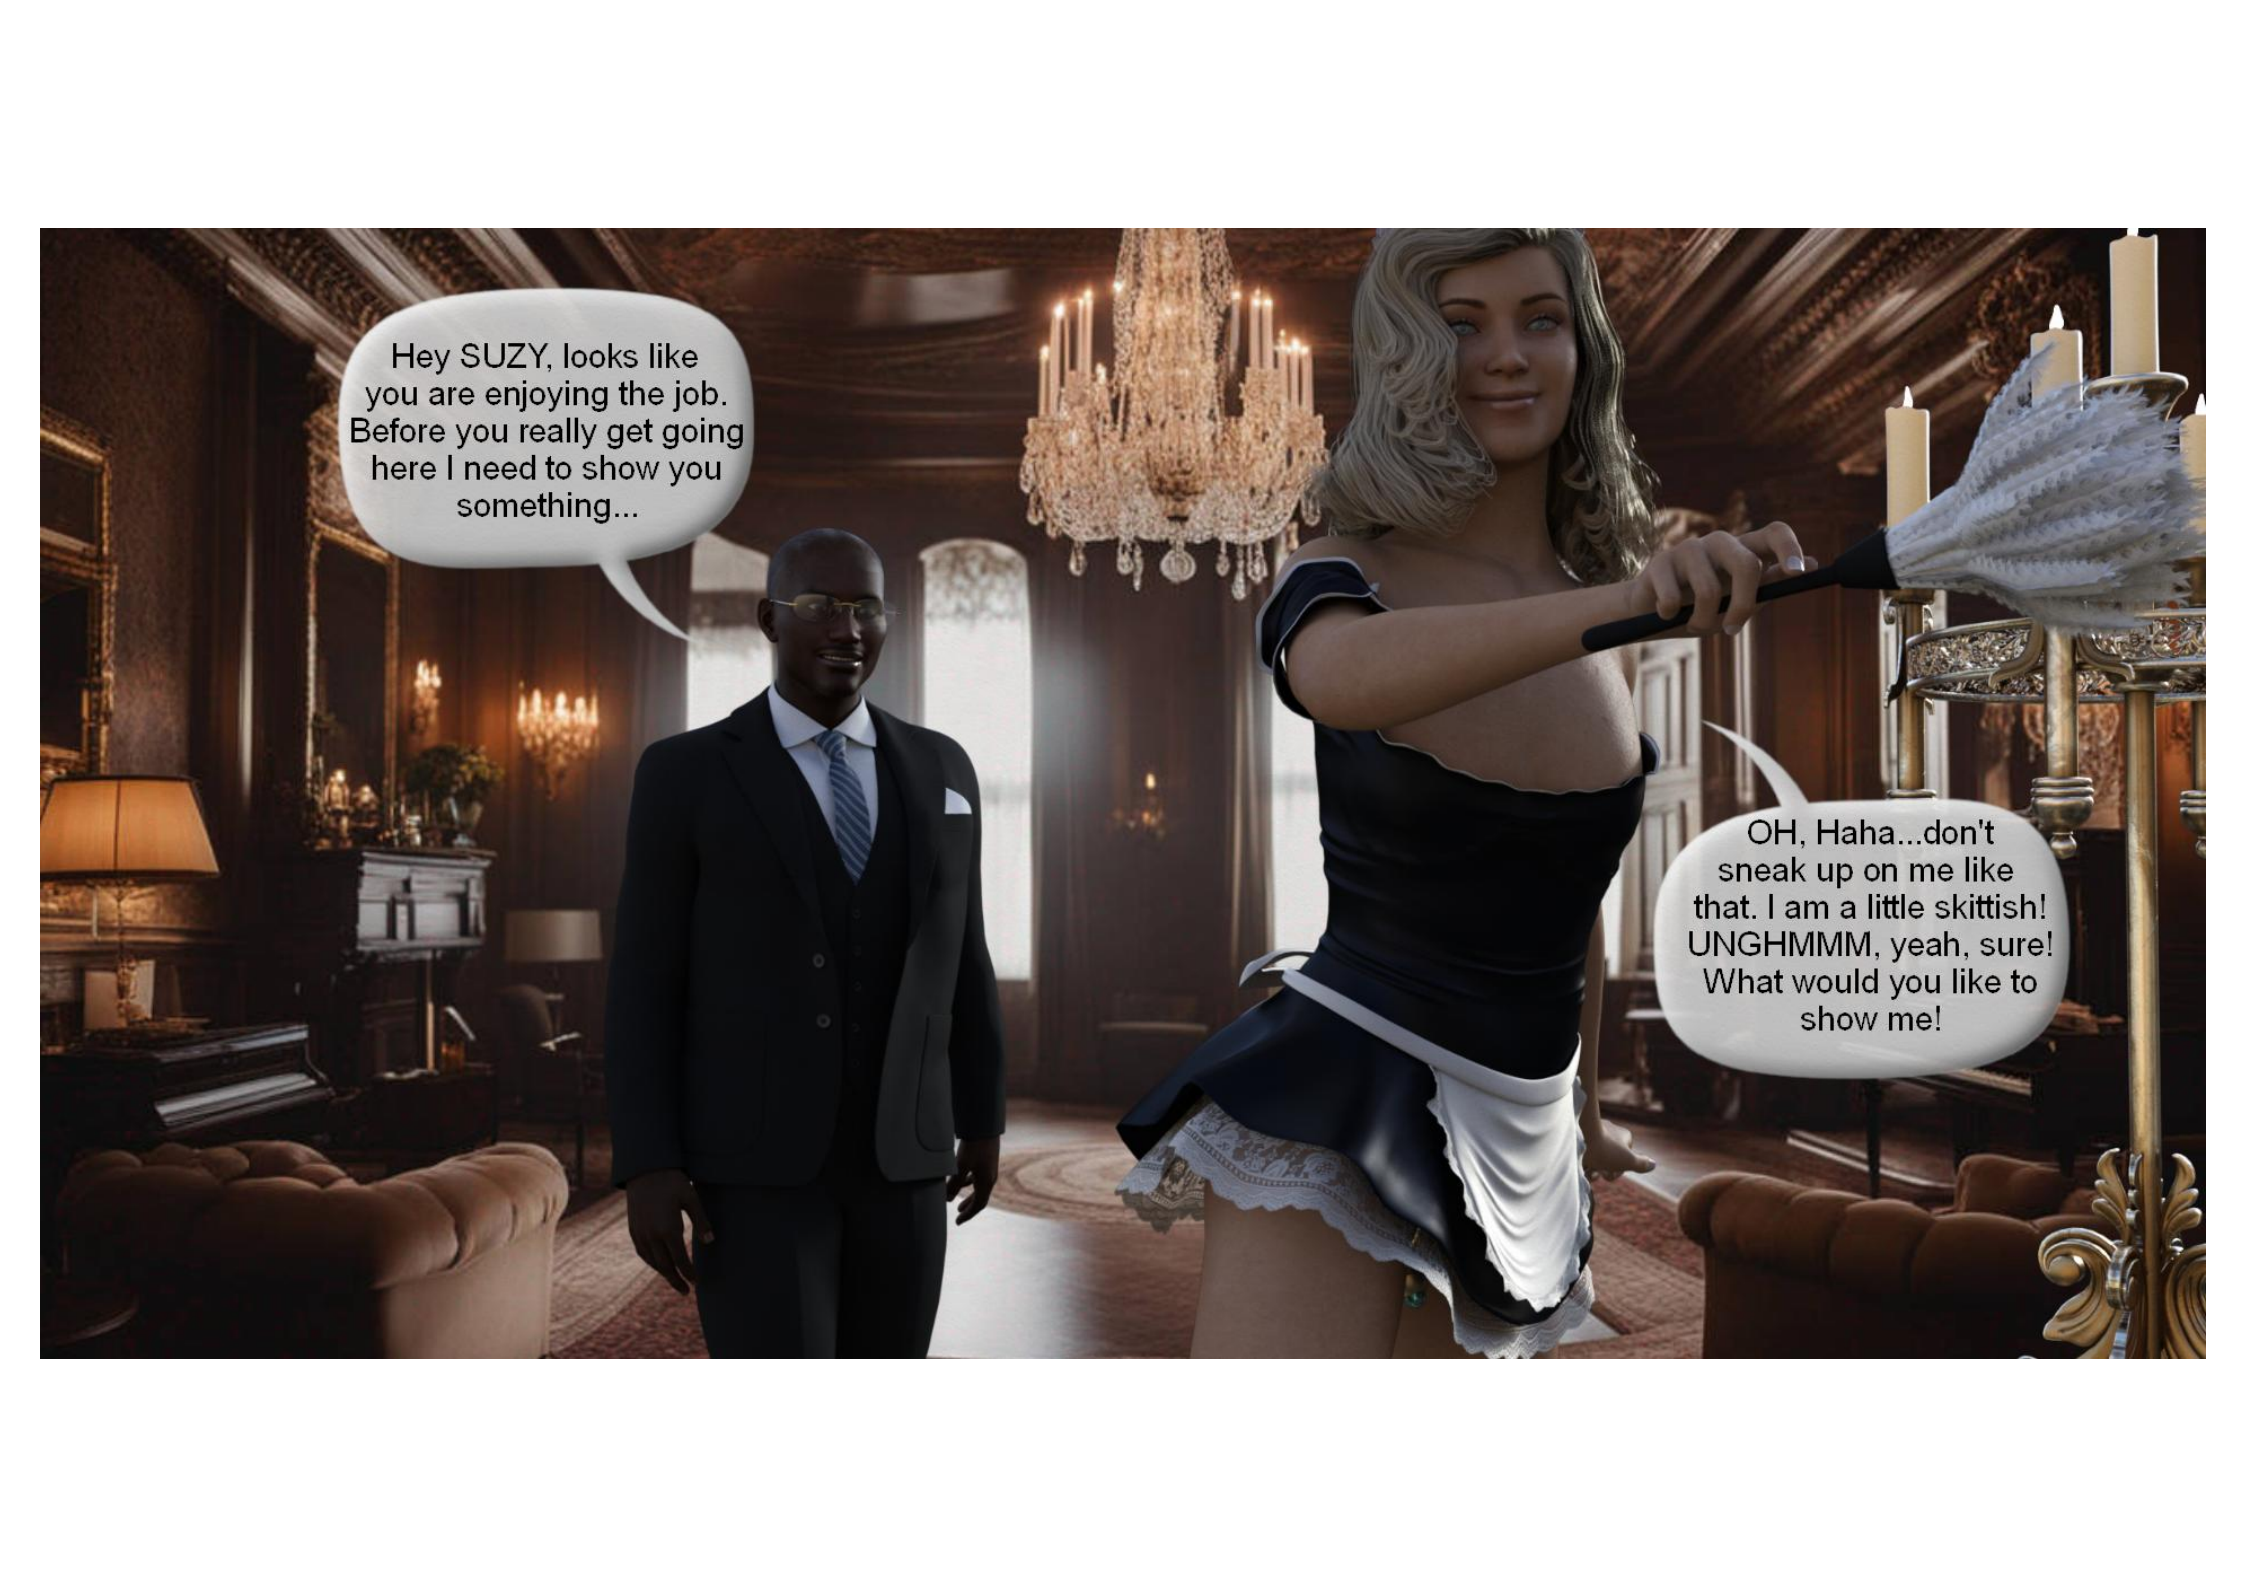

It's not a dildo...Its  
frickin chastity cage...I  
can wear all this stuff around  
all day and nobody will ever  
know that I am being a horny  
little french tart. Its going  
be so naughty!

A woman with blonde hair, wearing a dark blue off-the-shoulder top and a white apron with a lace hem, is holding a black-handled feather duster. She is standing in a bedroom with purple walls, a wooden dresser, and a window with white curtains. A speech bubble is positioned to her left.

UNNGH, these old school maids knew how to work it...I am gonna have to clean up my own mess if I am not careful...Hmm, a little extra tingle there...that was a little weird!

Hey SUZY, looks like you are enjoying the job. Before you really get going here I need to show you something...

OH, Haha...don't sneak up on me like that. I am a little skittish! UNGHMMM, yeah, sure! What would you like to show me!

A man in a dark suit is pointing towards a table. On the table are several items: a blue diamond ring, a small blue gemstone, a gold ring, and a golden, ornate object. A woman in a dark blue maid outfit with a white bow and lace trim is standing next to the table, looking at the items. She is holding a white feathered fan. The background is dark with warm, glowing bokeh lights.

Here it is! This is one of our OCCULT items...The maiden bondage device...There may be a few scattered around...so be careful!

Um, Oh wow! Yep that's pretty amazing! Occult you say...like magic? And uh, GULP, why should I be careful with this thing?

BLACK MAGIC!  
What...what about a  
key to get out of it? What  
does it do to the wearer...  
Is not bad...is it?

They stopped using  
them back in 1908! But  
house staff would be locked  
into them for life...bound to  
serve the house through  
black magic!

Don't worry...I can't do anything unless you put it on! I always thought Gretchen might have put on one...Explains how sexy she got...and how long she stayed!

Well, thanks for showing in to me...gotta get back to work....place isn't gonna dust itself...I'll see myself out! Thanks, Bye. see ya!

Fuck! I can't get it off! I can't see what I am doing with my...tits...in... my face! When did I ever have this problem...What, the big ass titties!

They are fucking giant!  
The caretaker said the  
dark magic made the staff  
sexier...I gotta get this  
figured out FAST  
before...

NO, NO, NO!  
I can get this thing off  
after I get all my chores  
done. I have a lot to clean  
before my shift is up!

SUZIE! I will see you tomorrow...stay as late as you would like...use the maids quarters as you need...and don't get in trouble!

Like I have never been so productive in my life...cleaning is...orgasmic. Its like a have a giant orgasm waiting between my legs...ready to burst!

Its so late...All this work wore me out...I think, I can finally stop...yeah, I need to go to my room. I was going to do something... I had a problem to solve!

Its so late...All this work wore me out...I think, I can finally stop...yeah, I need to go to my room. I was going to do something... I had a problem to solve!

OK, I can survive  
one night like a horny slut.  
Todays problem is for  
tomorrows me...!ll figure  
this out in the morning!  
I am gonna have some  
WET DREAMS!

Holy crap, the sun is up...I feel like I left my vibrator in all night. How can I be so tired, when I am so well rested...where, Oh fuck...Look at me!

I am late for work!  
Shit, where is my maids  
uniform, this is a disaster!  
Its almost 7 o'clock and I  
am not even started with  
the chores!

Suzy, Uh, you sure are looking...great this morning...did you sleep well because you are glowing this morning. Haha!

Lay off the bullshit Chad! Suzy is long gone! Gretchen is back yet again. She didn't last the night...Hell, she had it on before you showed her!

You think I would mistake  
that mortal for you...you

And... a little bit bigger  
this time around!

This poor  
Suzy is in for a wild ride...  
her body is making me  
feral! Now drop those pants  
before you piss me off! I  
need to finalize this curse  
with your cock!

Choose to give yourself  
over to the house...to

pleasure of the chastity  
belt. !ake your choice!
