

**Just wait until Tucker finds out that the school bully sleeps holding a pink teddy bear.**

**You've been trying to find out my secret all this time, Dash. So this is a way to defend myself. If one day you find out, I can convince you not to reveal it.**

**We'll be even.**

Although...

A teddy bear's secret might not be convincing enough... maybe... yeah!!

Of course, Mr. Lancer. I'm your little whore... You can fuck me as much as you want.

This is a good idea!!

I should have imagined!! I'm bigger than you!! I think deep down you knew right Dash?!

Oh, shit, Dash!! You make things too easy.

Maybe that's why he didn't like me. I should win a prize for unmasking you in such a short time.

Wow!!  
I was thinking about  
taking it slow so I don't  
hurt you... but honestly,  
I don't think I can do it...

Things here are  
really soft and open...

I'm definitely  
not the first.

Yeahh!! Mr Lancer!!  
You are crazy and  
you are driving me  
crazy too!!

You've been so  
mean, Dash Baxter!!  
Your fat ass deserves  
to go to detention!!

OK!! So let's do it my  
favorite way!!  
Fatal and violent!!

It's all Danny fault, Mr. Lancer!!  
He has such a big dick that it  
has been driving me crazy  
in the hallways.

Take it all, motherfucker!!

SNAP!  
SNAP!

Oh my goddamn ass, Mr. Lancer... wait a minute...

I'm not in school!! Dad, is that you?

This is the hottest fuck I've felt in my entire life!! I can feel every vein pushing against the walls of my asshole.

This matters?! Your fat ass keeps swallowing everything like a bitch!! I'm feeling your ass vibrate and chew the bad cock like a machine.

Who the fuck are you? I need to know!!

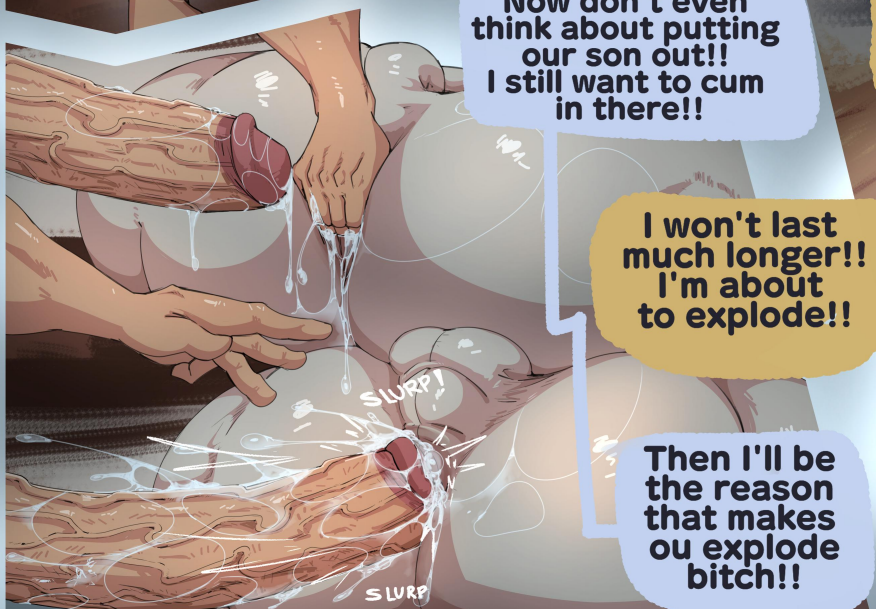

THUMP!  
WHOOOSH!  
WHOOOSH!

What will you call our son? I've already cum so much in that ass... There must be enough cum to form an adult!!

Look at that, your passy is letting my milk out!! Do you think this is correct, soldier?!

I decide when you will find out who I am!! I'm the boss and you're my incubator, understand?!

Yes sir!!

Now don't even think about putting our son out!! I still want to cum in there!!

I won't last much longer!! I'm about to explode!!

Then I'll be the reason that makes ou explode bitch!!

Shit!!

Oh, fuck!!

Wait a minute, Danny Phantom?! Now, you....

What a delicious feeling!!

This jet is coming out with so much force that it's tearing me up more than your dick.

You still haven't answered what our son's name will be!!
