

Commander,
good morning.
It's already morning.

Commander...
please wake up.

chirp

Get me
today's orders
as soon as possible.

You were
still drinking
after last night's
welcome party...

Hmm...
are these
kids...?

"By any means necessary."
The government
had nothing to do with this.
I did everything on my own.
That's why I was sent.

Let me show you
my methods.
All for the sake of protecting
the seas of the
Empire of Japan...

I remember,
I was sent to help
rebuild this financially
strapped Naval District.

The financially strapped
Naval District lacks defense
equipment and personnel.
Sooner or later,
the enemy will find
out about us and attack us...
We need to raise
money and strengthen
our defenses
by any means necessary.

No need to dock.

...What?

Twitch...

Take off your clothes.

Is there any alcohol left?
I'll get you some water...

Any fleet girls who disobeys a superior officer's order is subject to dismantling by military regulations. I say again, take off your clothes.

Rustle..

Twitch

I'm very sorry!!

Yes...

I said, "Take off your clothes."

Rustle..

But...

There won't be a next time. Show me your vagina.

Sir, Yes, sir!

Her body has no neckline at all. Even though she is a fleet girl, her muscles are underdeveloped and cannot support her abdomen, which emphasizes the roundness of her belly;

If you take off your gear and go back to being a normal girl, she is a pre-schooler. Very poor, just like the Naval District.

It would take some time to teach her the sexual act, but she would have no trouble finding customers. She is good looking and has no scars. Investors will invest in her.

Brrr...

The Commander saw my vagina...

Rickety...

Matsuwa! Don't cry!

Fuu

Commander... Give me your next order...

Hmm... Pretty genitals.

uu

ffyy

Open your pussy.

What is a pussy...?

It's a man's favorite. I'm going to check everything out, so make sure you open your vagina.

As expected of a fleet girl, I'm sure she's embarrassed, but she's got great spirit. If she's this honest, I'm sure I'll enjoy myself to the fullest.

I've never been on a mission like this before...

The previous commander... He was very... gentle...

You're both virgins. Didn't you have sex with your last commander?

Sir, yes, sir!

Kindness alone is not enough to survive in these waters.

Sir, yes, sir! Next order, please.

True kindness comes from knowing how to be tough. Can you keep up with my mission?

Bm...

Rickety..

Noooo!

Glance

What?
Why...?

Matsuwa!
That's an
order...

Take a piss.

But...

Come on!
Just take a piss!

The first is crucial.
Destroy their sense of shame
and self-esteem.
Then I slip in that you can't
disobey your superiors.

Then you'll have an obedient sex slave
who will follow any orders you give her.

The commander's uniform is stained with our pee...

I'm sorry... commander...

I have no choice... I'll take off my clothes too.

I've visited various Naval District, but I've never dealt with such a small child before. I'm on a mission, but I can't stop my erection...
