-----Gameplay-----

Gameplay

When you're on the Pine Island, the respawn point is automatically set there!

New Iron Ore, Iron Ingot, Steel Ingot and Coal items for crafting.

You can craft new iron armor at Pine Island near Horgath (the new armor smith). He can be recruited for market hall in February's build.

Battle changes

Pirates in the Beach Cave now drop “Seashells” that are loot you can sell.

Fucko has joined the party. His gamestyle is critical hit based! When he levels up he can use 2 points to level up his critical hit chance!

New enemy on the Pine Island, “Agitated Guy”. He's in the Southern part of the Easter area of the island.
