

# ALL MY FRIENDS' DADS: MR. SMITH

Panny was excited for that night. Finally, he could sleep at his Boyfriend's house. Steve!

Steve was the most handsome man Panny ever saw. He never knew his real Dad But when he imagined him, he was like Steve. The only Problem was that Steve Smith was married to a woman, he had 3 sons and one of them was Panny's Best friend Billy.

So it wasn't easy for them to hook up. Usually, Panny was fucking him at Steve's workplace. But today they had a real date. Steve's wife was out of town assisting her old mother, and Jason, the younger son that was still living with the Parents, was sleeping at his girlfriend's.

I can't wait to see my Boyfriend!

Steve was waiting for him: was the sexiest Dad ever...and he was in his work clothes! Panny loved it.

Hey, tiger... looking great! Get up on the jeep, let's go home!

PUFF!

They kissed and started making out in the car.

I'm gonna make a great dinner for you!

The only thing I wanna eat tonight is your Butt! And I'm starving!

Damn traffic!  
I Can't wait to go home and Chill.  
it was a long Day. And now that I  
saw you, my Dick is  
getting hard!

Oh, I can help  
you with that!

Panny was a real Dadfucker,  
But he liked to suck Dadcocks!  
Especially Steve's cock.

Are  
you sure?  
Everybody  
can see us...

Who cares?  
I Can't resist!  
SLURP!

OH  
YEAH...I'M  
SO HARD  
BABY.

GUP!

When they arrived at Steve's home,  
Panny let him Cook But just at one  
Condition: they must Be naked!

Don't  
exaggerate though!  
You are gonna  
spoil your  
appetite!

So I can  
have my  
Desired  
appetizer!

Oh, this is the  
only Dinner I Care!

Go for it,  
little rascal!

Mr. Smith didn't have time even for a shower,  
so his ass was really tasty. Panny loved it even  
more after a long working Day at the  
Construction site.

SUCK!  
MUNCH!  
CHOMP!  
SLURP!  
LICK!

YEAH!

Panny Barely touch his Dinner, they started fucking right there on the table.

Steve was enjoying his Deserved Dinner and that Big Cock UP his hairy ass!

Hot sour Cream was Panny's contribution to that tasty Beef-Based Dinner

Then they watched a movie, But Steve's Body was too Distracting for Panny...

Yes, Boy...suck Dad's tit!

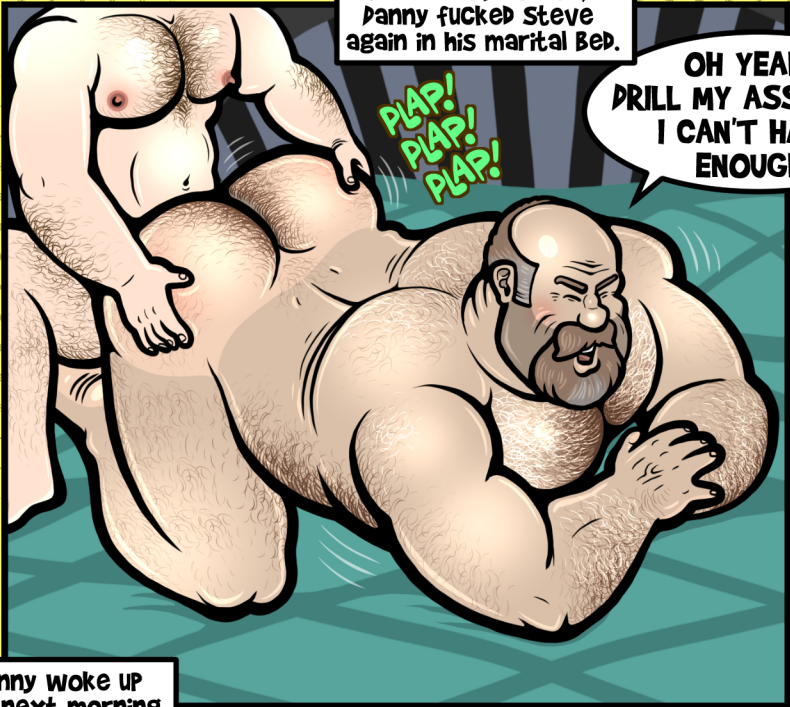

...Before the ending of the movie Steve's Big ass was getting brilled again By the young stud.

Then they had a hot shower together.

They went to Bed and of course, Danny fucked Steve again in his marital Bed.

PLAP!  
PLAP!  
PLAP!

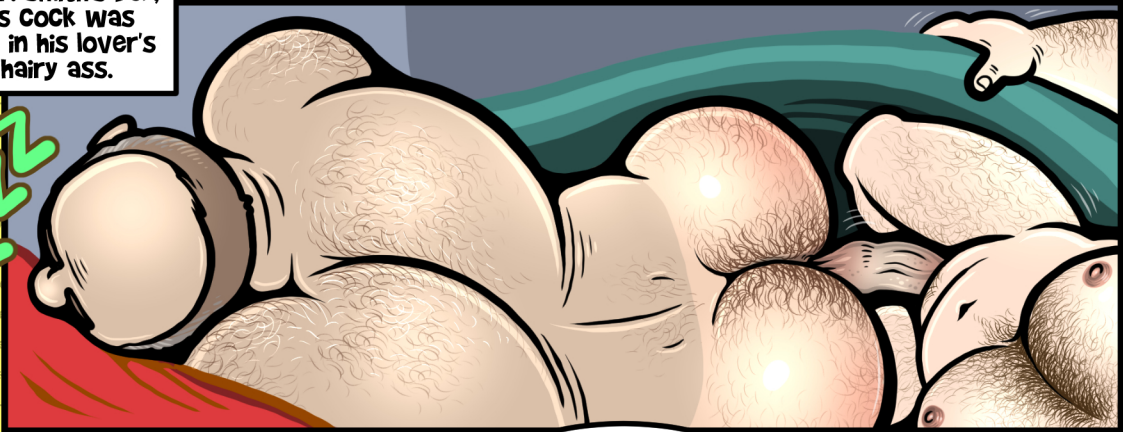

OH YEAH!  
PRILL MY ASS, STUD!  
I CAN'T HAVE  
ENOUGH!

WOAH!  
YOUR HOLE IT'S  
WIDE OPEN!

POP!

Danny woke up  
the next morning  
in Mr. Smith's Bed,  
his COCK was  
still in his lover's  
hairy ass.

Danny's got a text...

It was his friend  
Billy, Steve's son.

I'm just  
gonna Brill your  
Dad's ass another time  
and I go.

Good morning,  
sunshine!

Morning stud!  
Wow...you wrecked me  
last night. My hole is  
so sore.

your Big Butt. Let me Check it...I have  
a SPECIAL remedy for soreness.

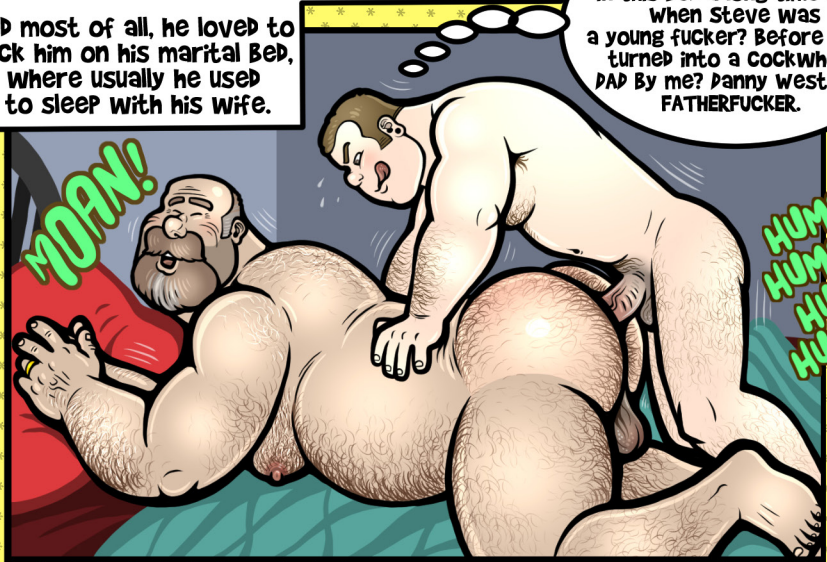

Danny, my son Jason is coming soon...you should goooooOw!!

I love Cream Pies for Breakfast!

He drilled that hole for a while. That wasn't just sex, But lovemaking. Danny loved his Bestfriend's Dad.

And most of all, he loved to fuck him on his marital Bed, Where usually he used to sleep with his wife.

Probably Billy and his Brothers were made in this Bed a long time ago? when Steve was a young fucker? Before Being turned into a Cockwhore DAD By me? Panny west...the FATHERFUCKER.

OH YES DANNY, BREED MY ASS!

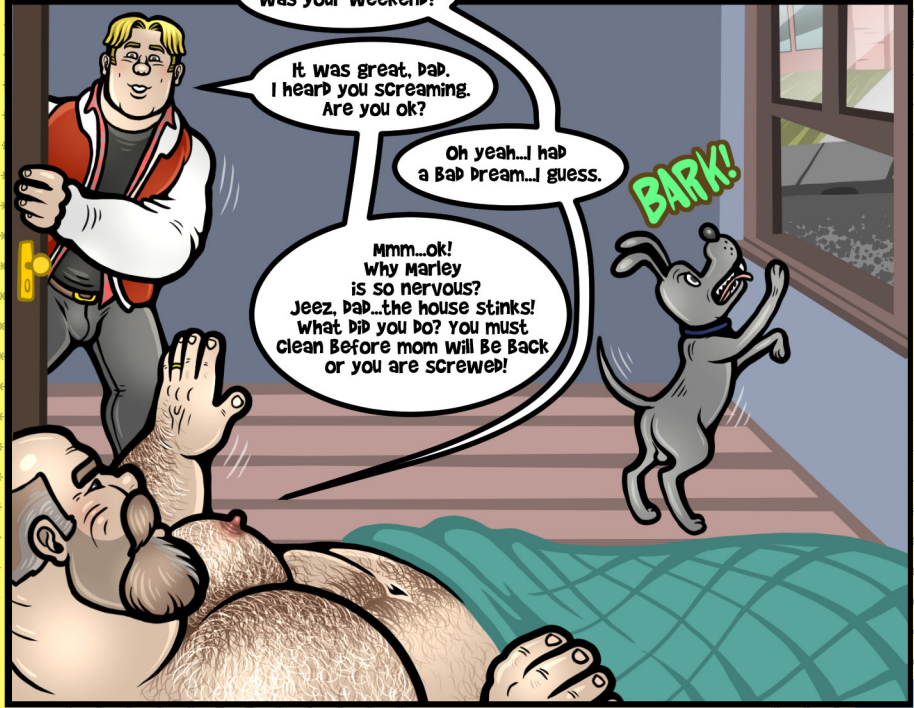

Danny floobed Steve's ass again. it was amazing.

They were making out passionately when someone in the house screamed...

DAD? I'M HOME...ARE YOU OK?

Jason, Steve's younger son, was home! So Panny took his stuff and jumped out of the window, just in time.

Hey, Jason...how was your weekend?

It was great, dad. I heard you screaming. Are you ok?

Oh yeah...I had a Bad dream...I guess.
