

# スラッシュ 鬼滅の刃

LIGHT FROM THE  
OTHERWORLD - part 2

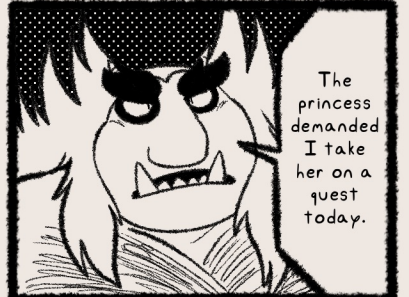

Aye,  
someone's  
up early  
heh heh  
!

What's  
the  
occasion,  
captain?

The  
princess  
demanded  
I take  
her on a  
quest  
today.

Oooh,  
so she's  
still mad  
at  
youuuu~  
♥

Ha!  
Maybe.  
But as her  
appointed  
guard, it's  
my job to  
teach her.

I'm  
taking her  
to the  
otherworld.

A few fights  
with some  
of the  
warriors  
over there'll  
change her  
perspective.

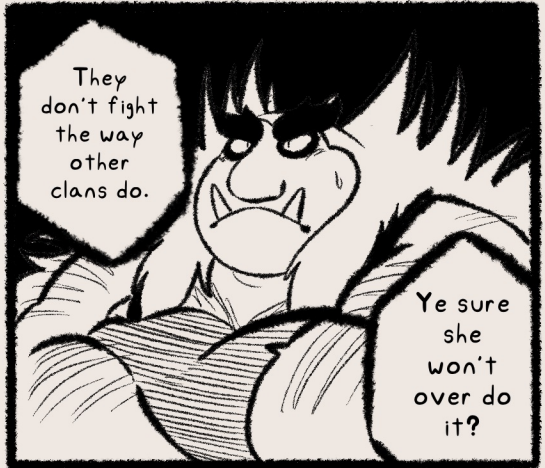

Uh, are  
ye sure  
that's a  
good  
idea?

Hm?

It's just,  
the  
warriors in  
the  
Otherworld  
are so...  
Weak.

They  
don't fight  
the way  
other  
clans do.

Ye sure  
she  
won't  
over do  
it?

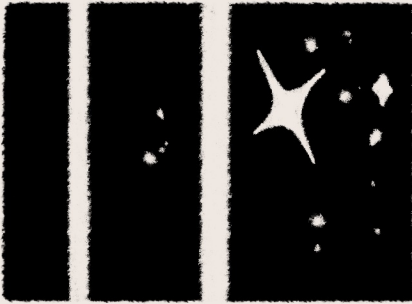

That may be true...

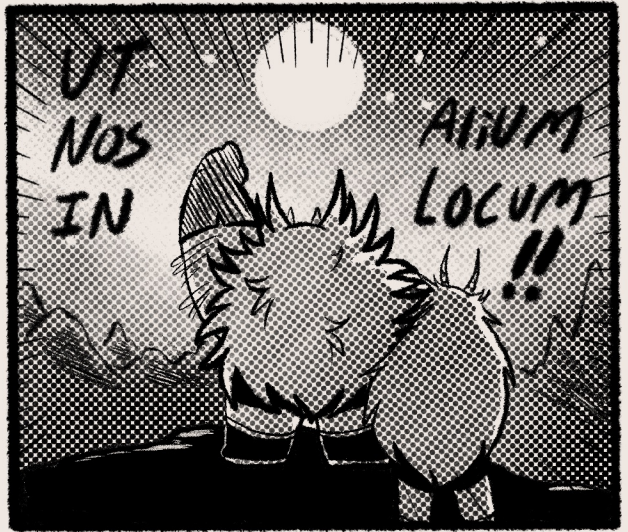

But there's  
still some  
value to  
be learned  
from them  
...

Now we  
just  
need to  
find  
some  
warriors  
...

Surely you  
don't expect us  
to test our  
strengths in a  
place like this  
...

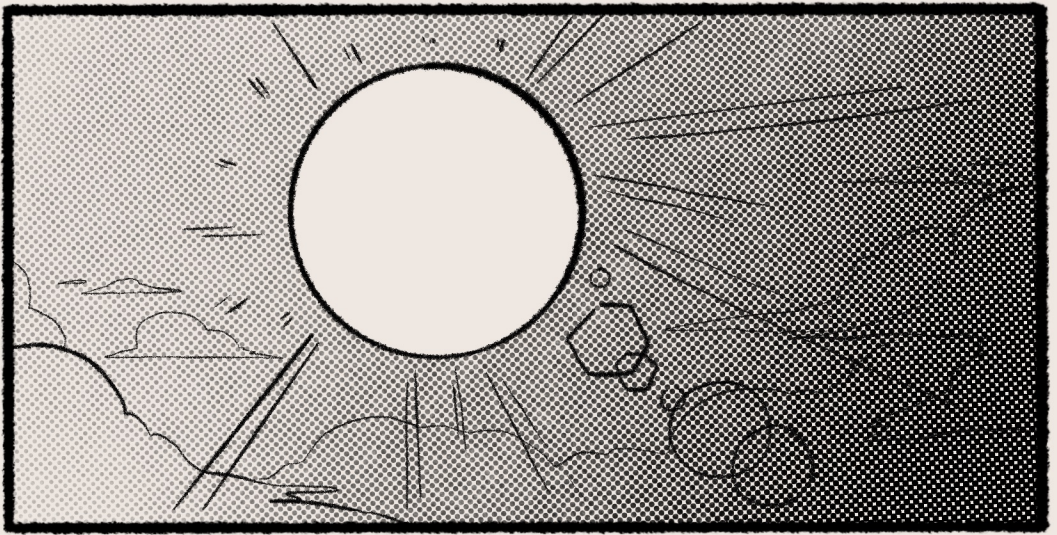

There's  
more to  
battle than  
just  
strength.  
Princess.

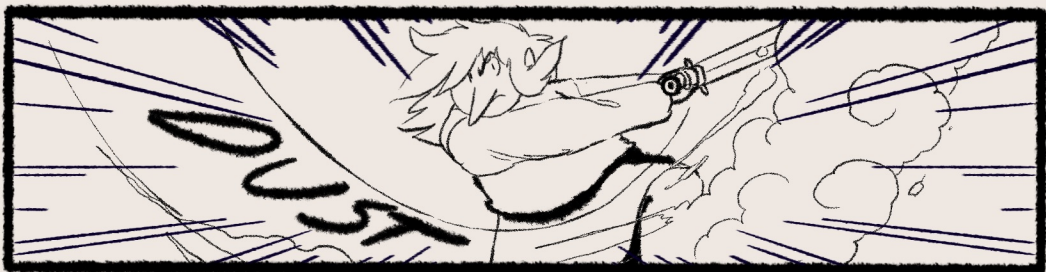

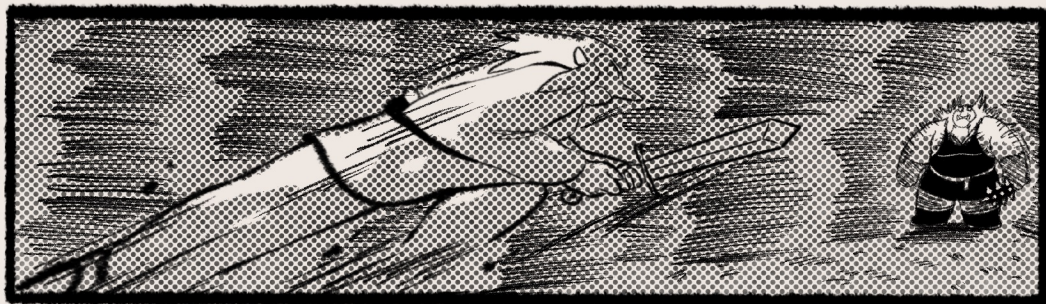

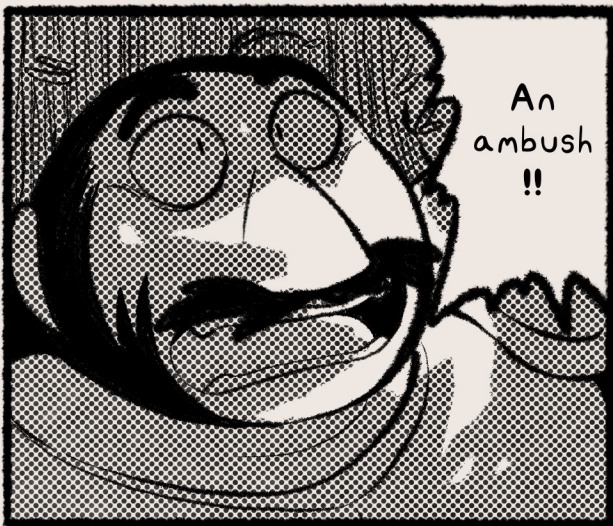

I think  
you've  
just  
gotten  
soft.

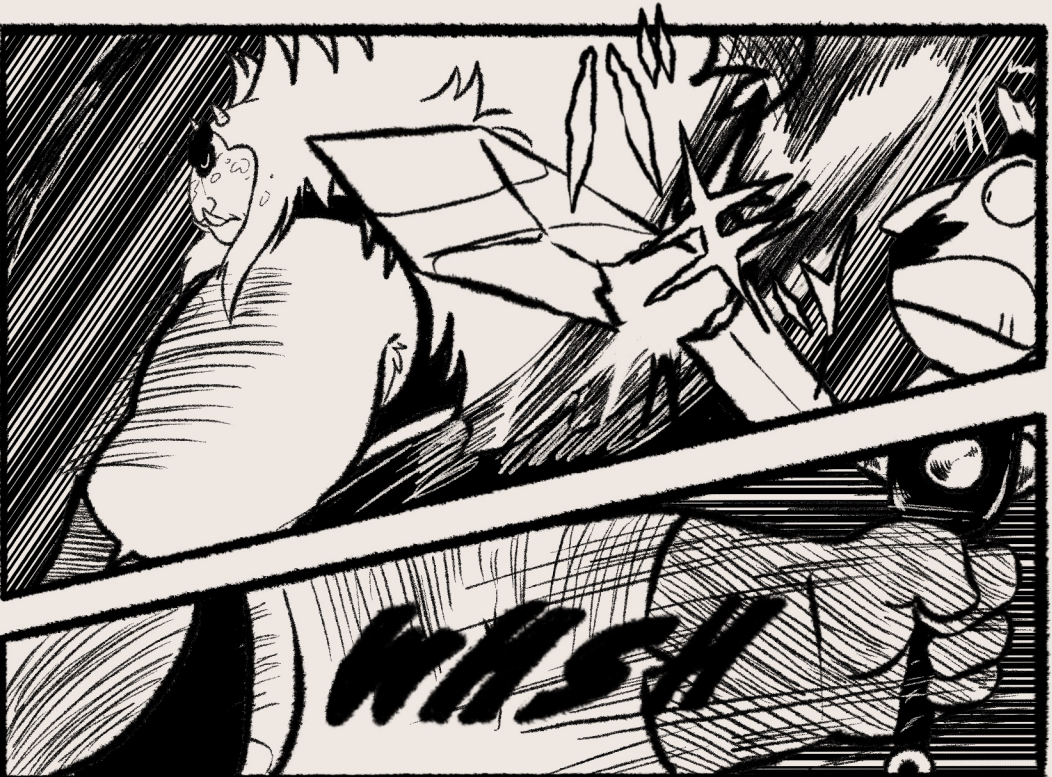

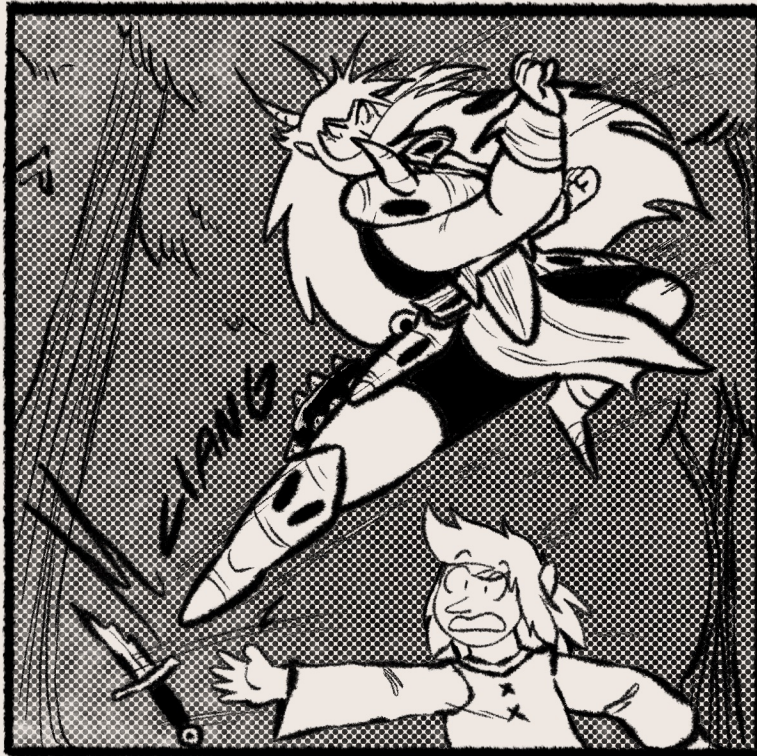

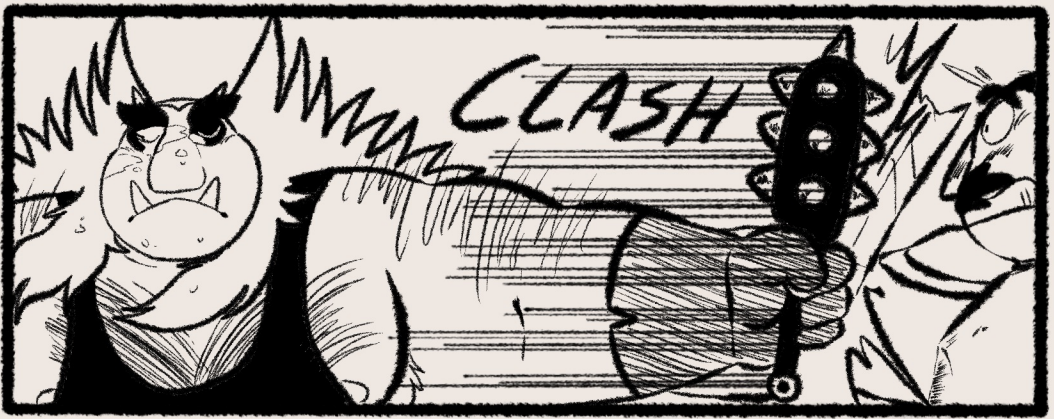

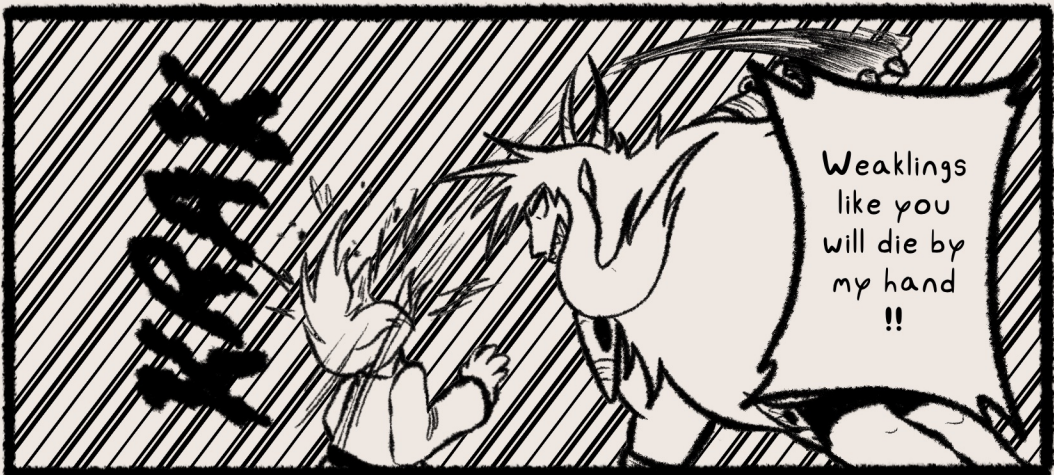

Foolish.

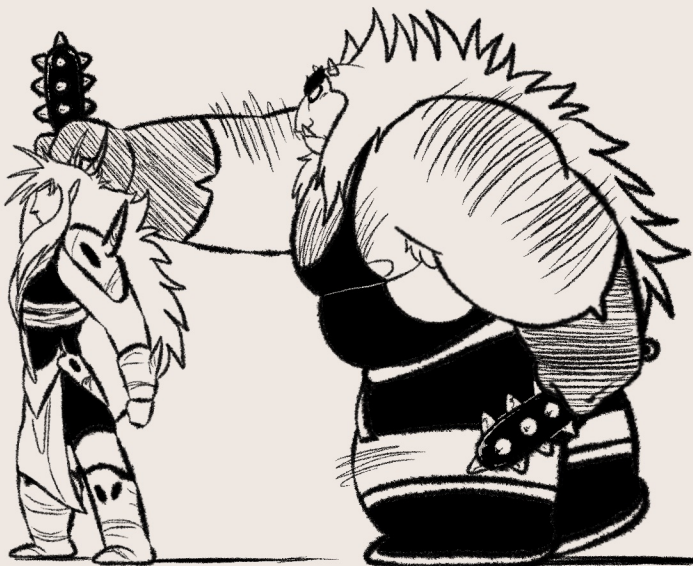

Weaklings  
like you  
will die by  
my hand  
!!

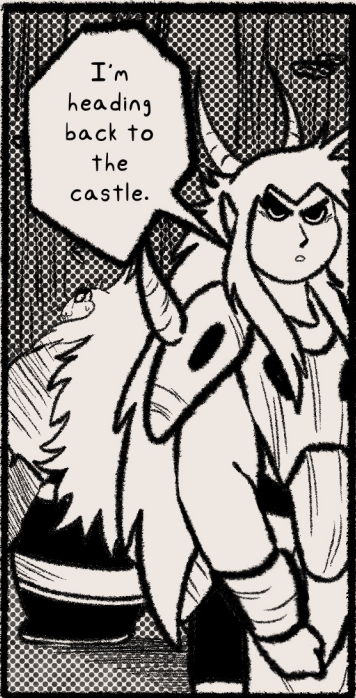

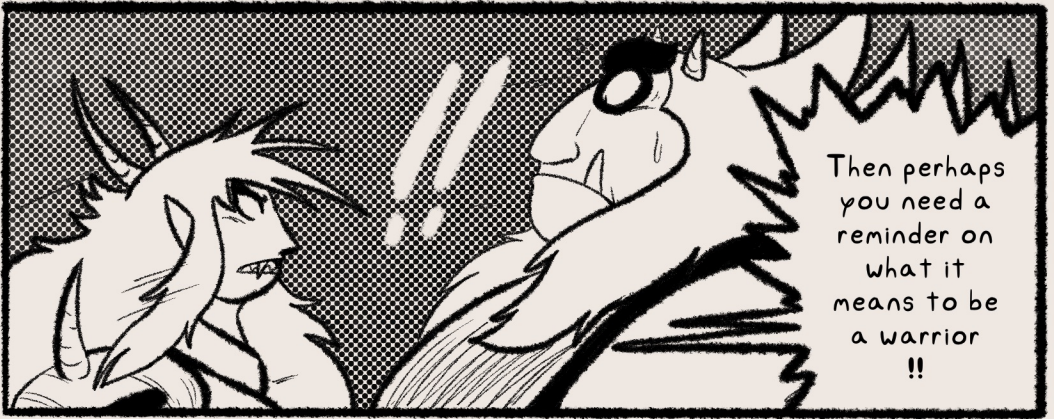

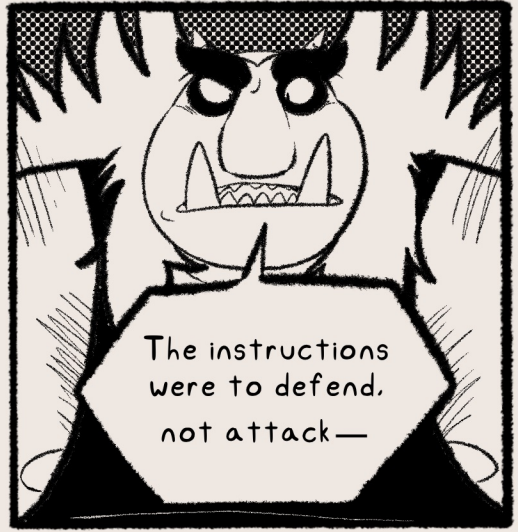

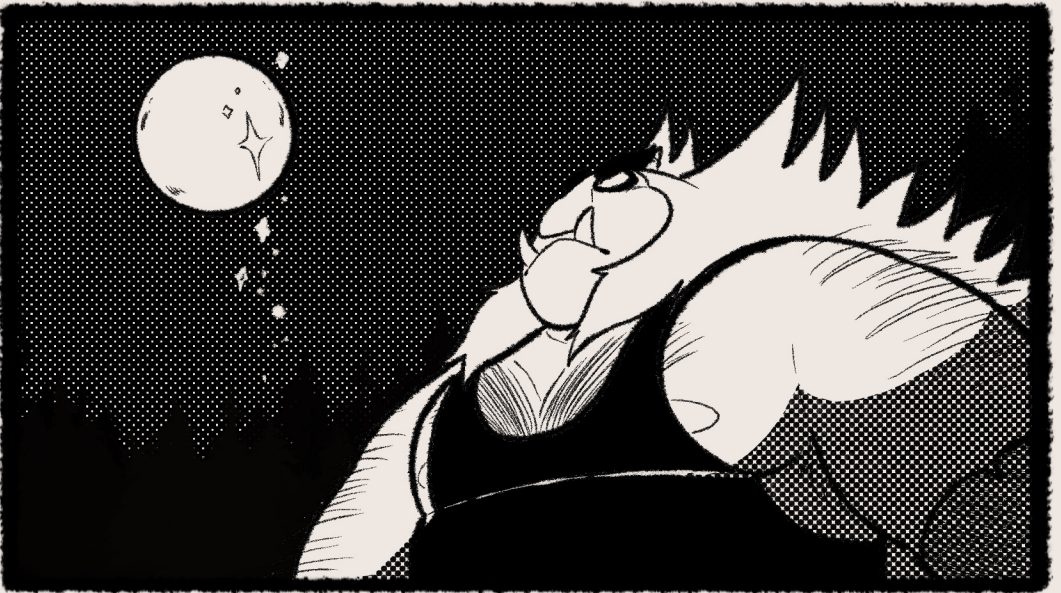

End of part 2
