

Thank you VERY much for your purchase!

This collection of Rhythm Work Sets was made with Kotobee Author, and works best with their FREE Kotobee reader.

To ensure this collection is viewed properly, please

[CLICK HERE to get the reader for Windows and/or Mac.](#)

Also included in the .zip folder for this collection is the eBook "Mile High Shred Metronome Method". I HIGHLY recommend reading that and following the steps on how to use the metronome to get the most out of this material.
