

The Dragon's Den

Scroll of Revelation #065

Infamous Dens

The dragon dwells in...

1. **{Red Dragon}** The bubbling stomach acid of a slain fire titan whose remains toppled into a volcanic mountain range.
2. **{Blue Dragon}** A series of glass caverns formed from centuries of lightning strikes at the heart of a crystal desert.
3. **{White Dragon}** A small mountain of ice pulled by a herd of enslaved yetis and hollowed out with twisting caverns.
4. **{Black Dragon}** A city flooded with bile, pestilent waters, and bloated zombies brought here by a necrotic tidal wave.
5. **{Green Dragon}** The city's unseeleie-cursed gardens which have overgrown the walls and gates preventing any escape.
6. **{Astral Dragon}** A comet formed from stolen gold that slowly orbits whichever realm the dragon is actively plundering.

Environmental Idarps

The dragon's meer presence causes...

1. **{Red Dragon}** Any metal that enters its lair to slowly increase in temperature until it is scalding to the touch.
2. **{Blue Dragon}** Static electricity to build up on creatures who cast spells, making them prone to lightning strikes.
3. **{White Dragon}** The air to be so cold that your breath freezes into ice mephits.
4. **{Black Dragon}** All liquids and potions to become acidic and harmful to drink.
5. **{Green Dragon}** The air to be so poisonous it can burn up spells before they're cast.
6. **{Astral Dragon}** Gravity to ebb and flow, causes creatures to topple upwards or be crushed under an impossible weight.

Draconic Traps

The dragon defends its lair with...

1. **{Red Dragon}** Pit traps filled with sticky tar that ignites when a creature falls in to quickly burn them alive.
2. **{Blue Dragon}** Metal bridges riddled with glyphs of Lightning Bolt that span bottomless chasms.
3. **{White Dragon}** Ice floors that can instantly melt and then rapidly refreeze to entomb intruders below the ice.
4. **{Black Dragon}** False doors leading to chambers filled to the brim with acid that explodes out from the opened door.
5. **{Green Dragon}** Poisonous gas spouts that can only be turned off by pulling a lever which condemns an innocent soul to death.
6. **{Astral Dragon}** Mind Crater glyphs which send out massive psychic blasts capable of reducing character's INT scores.
