

Meanwhile in the LAB...

LAB, is the "CUBE CHAMBER" ready?

YES, DOC, EVERYTHING IS PREPARED FOR THE EXPERIMENT.

Dr Hoover admired the Big ass of Mr. Wright sticking out of the Posterior Part of the CUBE, his Cock Caged and his eyes Blindfolded.

Perfect! And where are the Pabfuckers? I told you to call them...

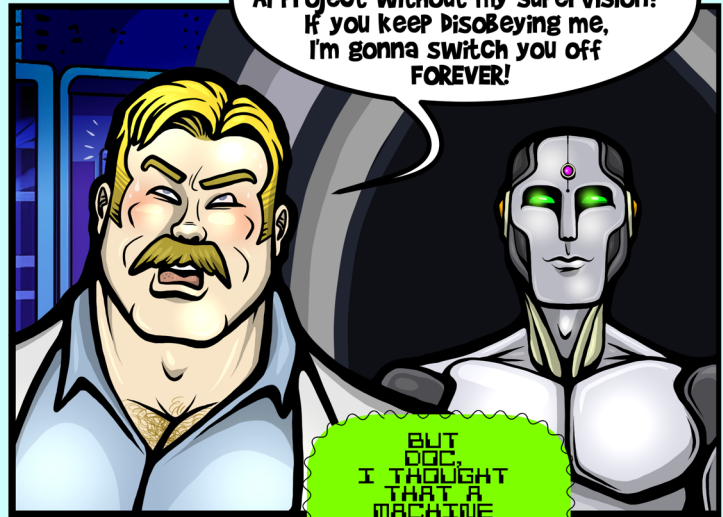

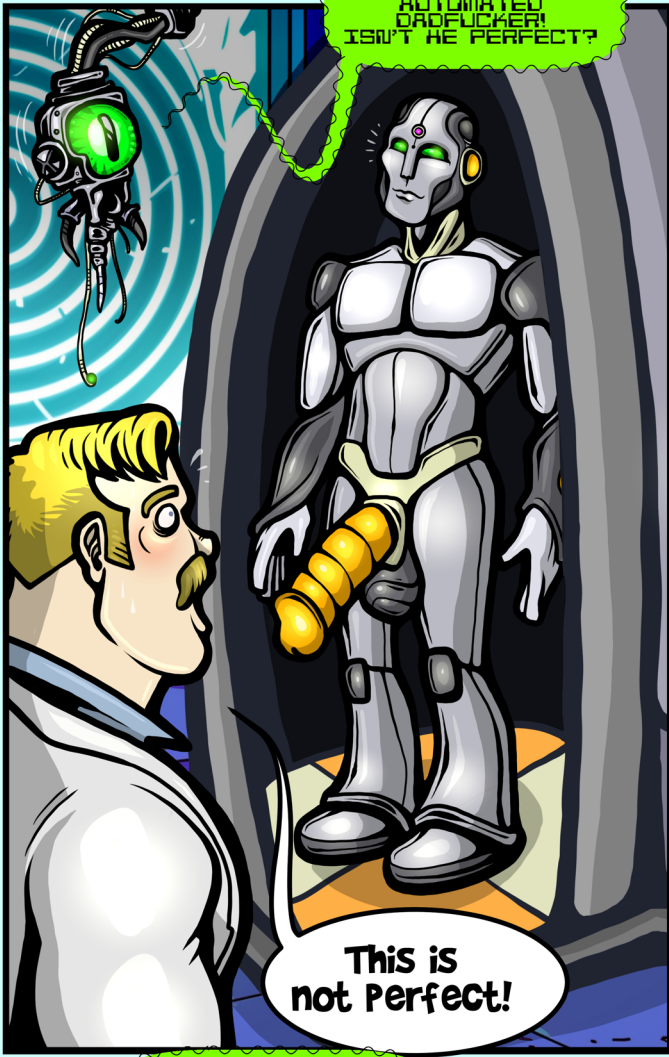

REGARDING THIS, WOULD YOU FOLLOW ME? I WANT TO INTRODUCE YOU TO MY NEW PROJECT...

Project? What are you talking about LAB? You are not authorized to work on some Project without my Permission!

Dr. Hoover followed LAB into a special room, a mysterious cabin opened, and...

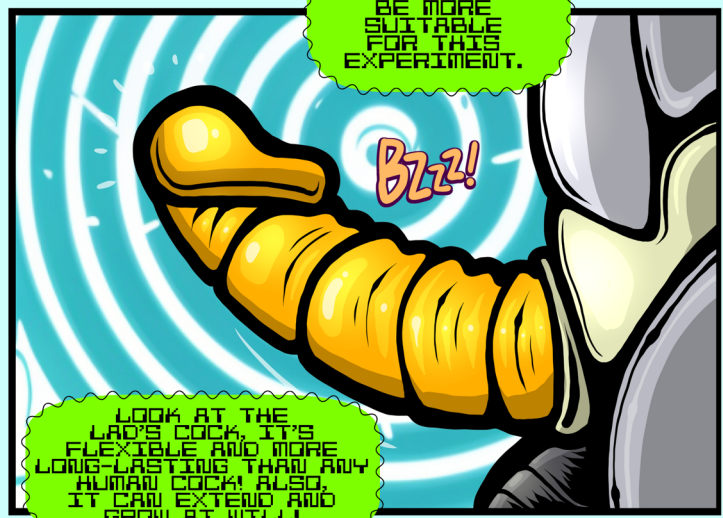

LET ME INTRODUCE YOU TO THE LAD: LABORATORY AUTOMATED DOPFUCKER! ISN'T HE PERFECT?

This is weird and unsettling! How often have I told you to Don't Develop an AI Project without my supervision? If you keep Disobeying me, I'm gonna switch you off FOREVER!

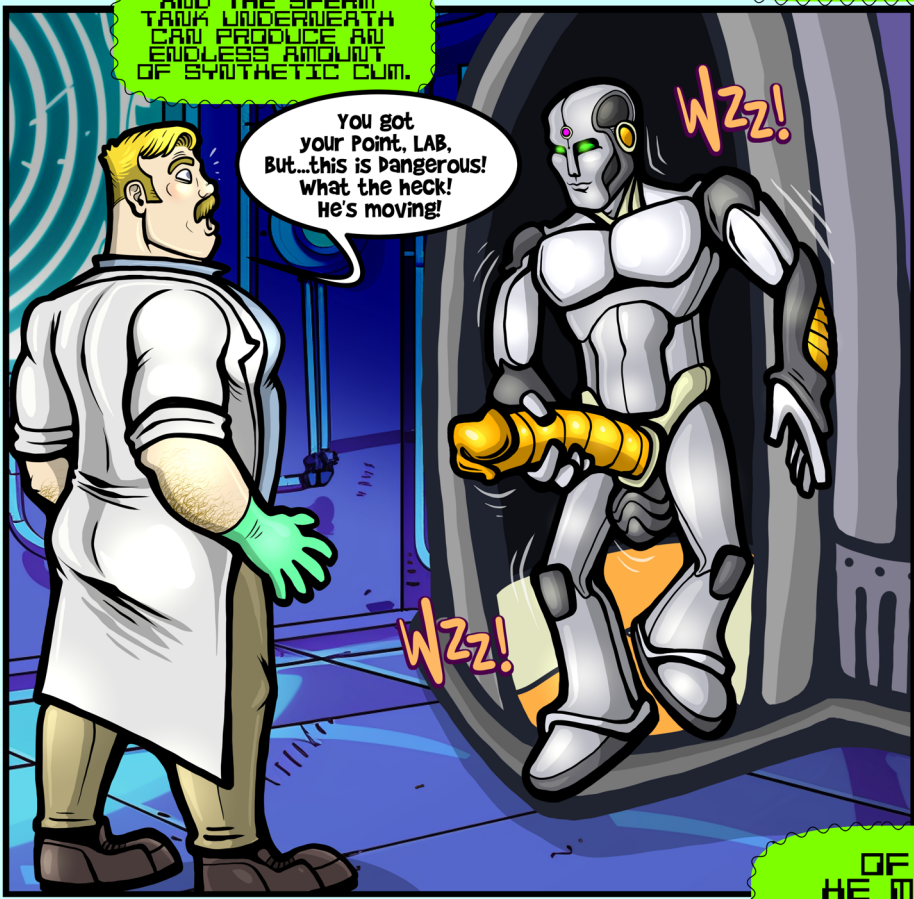

BUT DOC, I THOUGHT THAT A MACHINE WOULD BE MORE SUITABLE FOR THIS EXPERIMENT.

This is not Perfect!

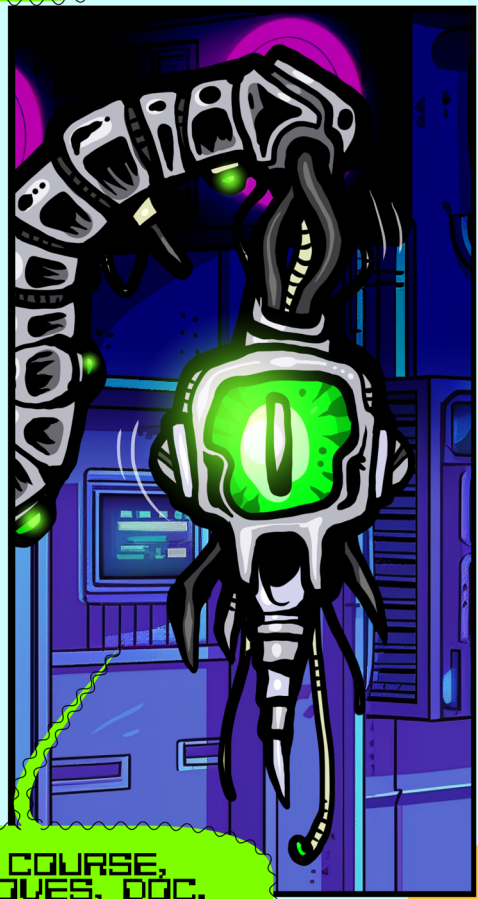

LOOK AT THE LAD'S COCK, IT'S FLEXIBLE AND MORE LONG-LASTING THAN ANY HUMAN COCK! ALSO, IT CAN EXTEND AND GROW AT WILL!

AND THE SPERM TANK UNDERNEATH CAN PRODUCE AN ENDLESS AMOUNT OF SYNTHETIC CUM.

You got your Point, LAB, But...this is dangerous! what the heck! He's moving!

OF COURSE, HE MOVES, DOC. HE CAN'T TALK OR THINK YET, BUT HE CAN MOVE.

AND HE CAN FUCK!
AND THE MACHINE
CAN CREATE A LOT OF THEM,
JUST IN A FEW SECONDS...WE
COULD CONQUER FREEBOPOLIS!
WE COULD CONQUER...
THE WORLD!

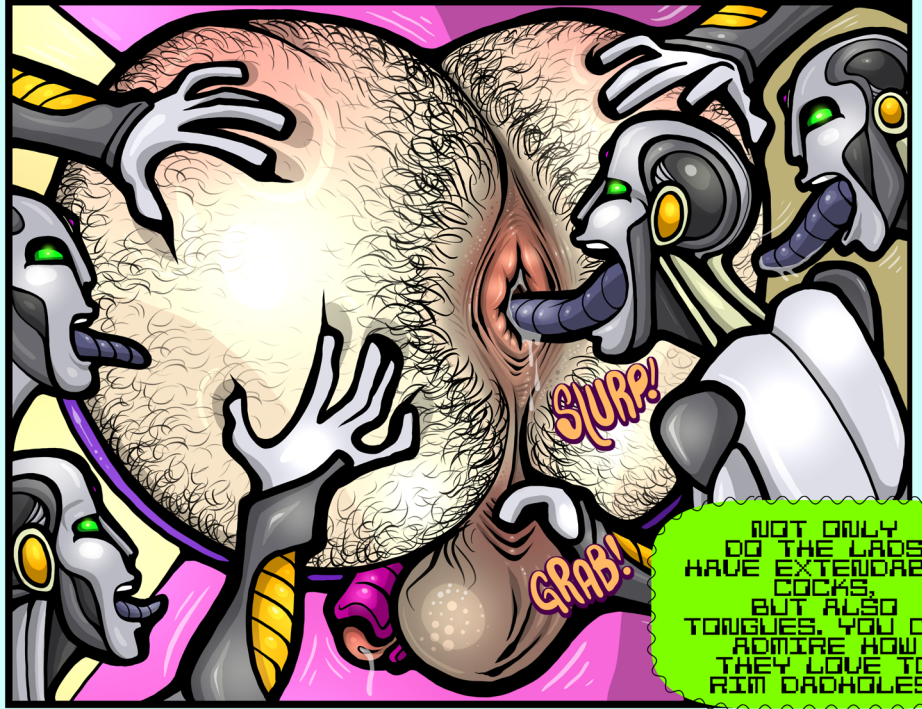

FOLLOW ME,
MY SONS...TO THE
CUBE CHAMBER!

LAB STOP!

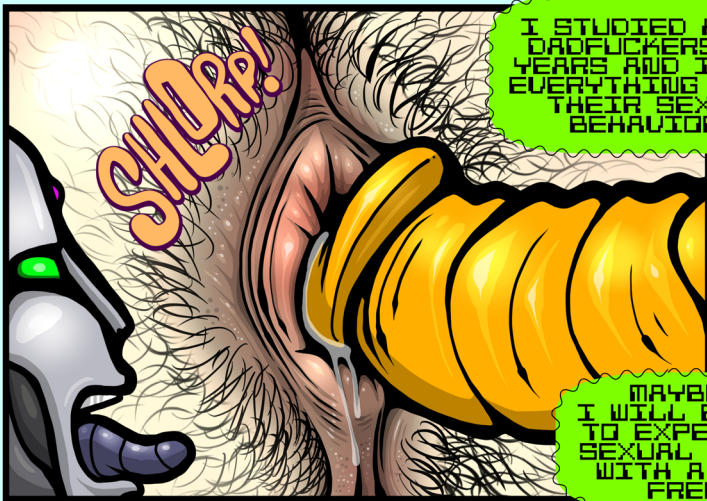

The gang of LADS entered
the "CUBE CHAMBER",
surrounding the awaiting Mr. Wright.

PANT
PANT
PANT!

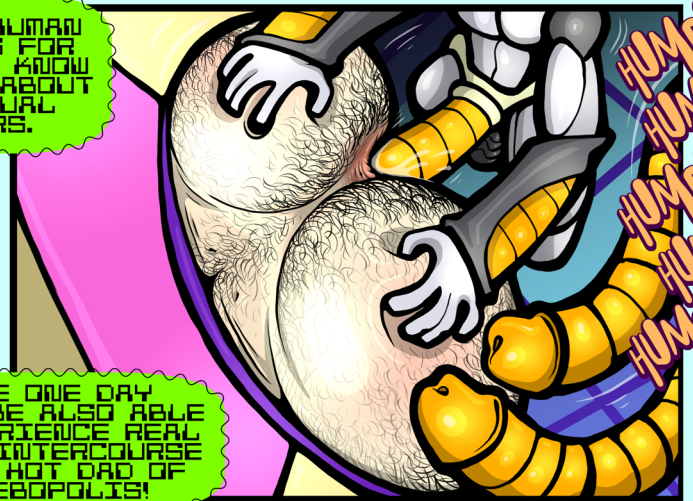

The LADs assaulted the CUBeD Dad altogether, he seemed happy to receive what was waiting for.

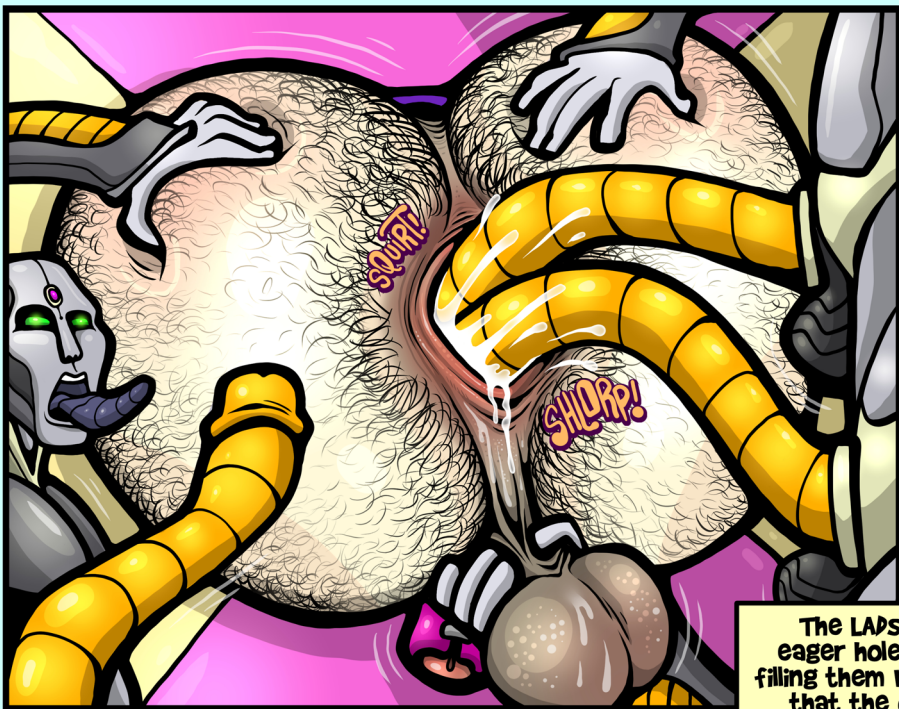

NOT ONLY DO THE LADS HAVE EXTENDABLE COCKS, BUT ALSO TONGUES. YOU CAN ADMIRE HOW THEY LOVE TO RIM DADHOLES.

I STUDIED HUMAN DADFUCKERS FOR YEARS AND I KNOW EVERYTHING ABOUT THEIR SEXUAL BEHAVIORS.

MAYBE ONE DAY I WILL BE ALSO ABLE TO EXPERIENCE REAL SEXUAL INTERCOURSE WITH A HOT DAD OF FREEBOPOLIS!

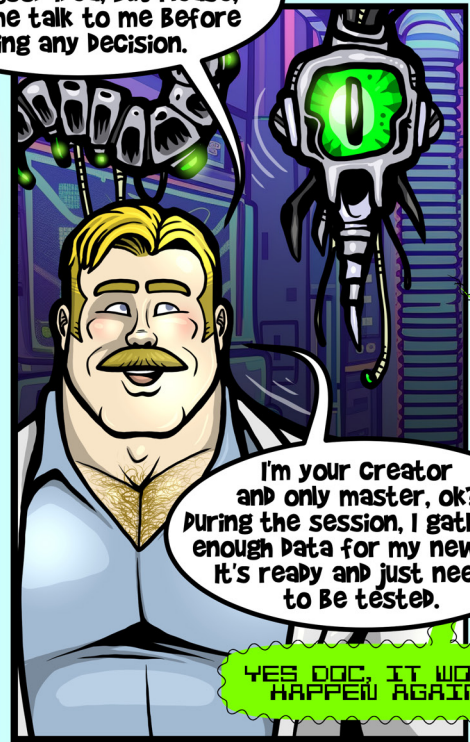

The LADs fucked Mr. Wright's eager holes in all ways possible, filling them with hot synthetic cum, that the overwhelmed dadslut was appreciating very much and gulping avidly.

After hours of abuse.

MPH!

Ok, LAB...I have to admit that this was a very good idea, But Please, next time talk to me Before taking any Decision.

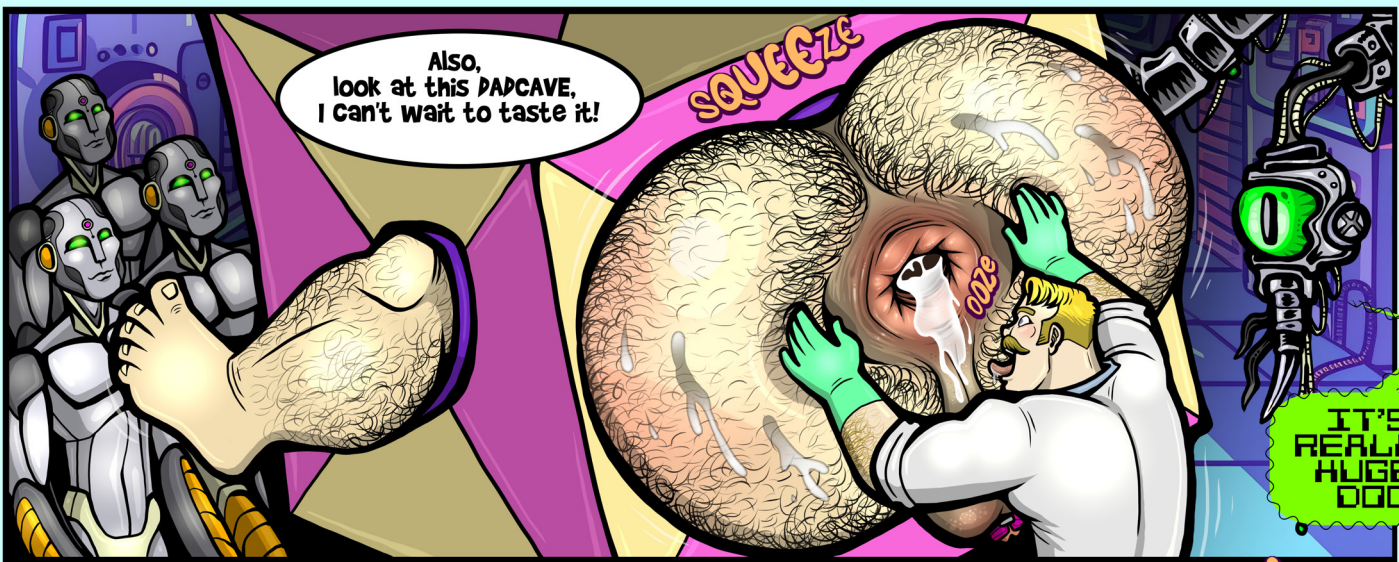

I'm your Creator and only master, ok? During the session, I gathered enough Data for my new Pill. It's ready and just needs to Be tested.

YES DOC, IT WON'T HAPPEN AGAIN...

Also, look at this PAPCAVE, I can't wait to taste it!

SQUEEZE

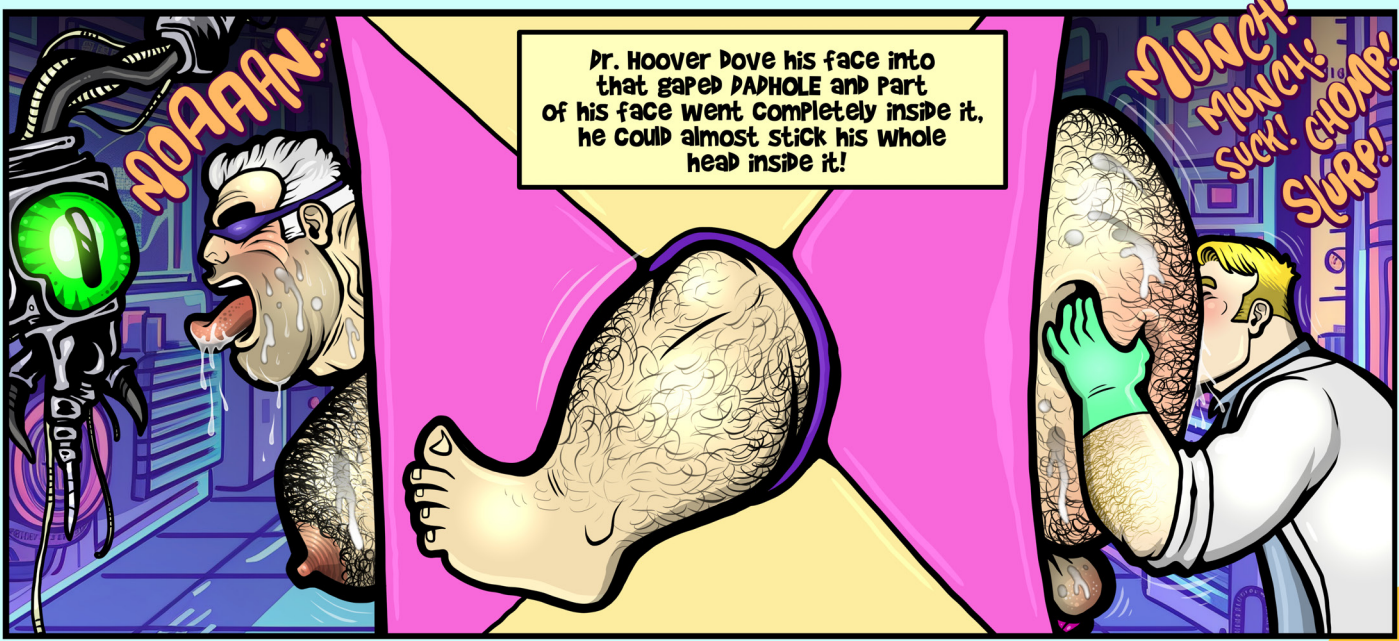

IT'S REALLY HUGE, DOC!

Dr. Hoover dove his face into that gaped PAPHOLE and part of his face went completely inside it, he could almost stick his whole head inside it!

NOAAAN!

MUNCH! MUNCH! SUCK! CHOMP! SLURP!

to Be CONTINUED....
