

To be honest, the workload isn't even half as bad as my old job.

I got used to it relatively quickly!

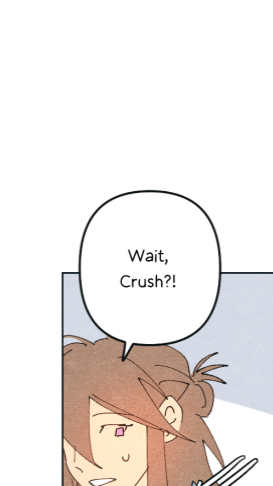

Crush, on the other hand, was scheduled back to back for overseas job.

So we really haven't seen each other all that much either.

I'll forward the locations to you right now, thanks.

Right, I understand.

Omigosh..

Is that-

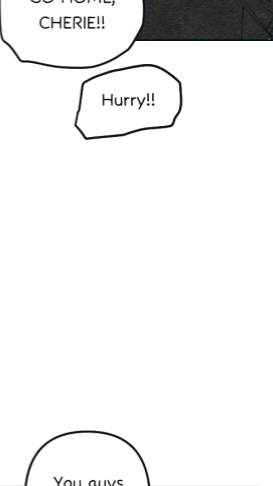

Please get the CCTV recordings as soon as possible.

Right, okay.

Thank you for your help.

Have a good day.

Ugh..

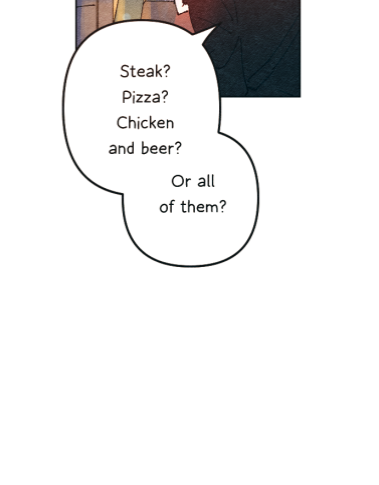

Let's see who's next..

Hi, Crush

Wait, Crush?!

Wow! You didn't even need to turn around!!

Crush!!

What are you doing here?

I thought you wouldn't be back for another 2 days..!

I finished early and took the first flight back!

I thought I'd surprise you and take you out to dinner..!

If you want, of course.

I do

But I'm not getting off for another 15 minutes..

Well, I'm sure they wouldn't mind if I steal you away 15 minutes early, right?

O-OF COURSE NOT!!

YOU CAN GO HOME, CHERIE!!

Hurry!!

You guys are the best!

Only this time, alright?

Aye, Aye~

Don't smile at them like that..!

Pout

Wait, Am I.. jealous?

So what are you thinking?

Steak? Pizza? Chicken and beer? Or all of them?

What about an All you can eat?? We can close them down just like old times!!

What do you think?

Cherie..?

Huh?

Oh, fuck. I was moping so hard that I didn't hear him at all.

Ugh

How childish of me..

..?

Cherie, if I make you uncomfortable-

What?! no, that's not it..!!
