Back in the present...

You and Nawtae really are the best. I loved the feeling of being completely at your mercy as you moulded me into a perfect plastic fuckdoll.

Sounds like, thanks to the chair, you and Celine were getting along better.

I might have been a little harsh earlier. I feel like Nawtae and my chair sessions have made us better bimbos as well.

I bet Missy only demands the best from her loyal and obedient sluts.

Mindy's story has now covered some of the wonderful uses of the chair, and parts of the stages of Celine's transformation into Missy. It seems that the two of them didn't get along so well at the start, but it was nothing that a session in the chair couldn't fix.

But our story isn't done yet. We have more to tell, or I guess I should say that Mindy does. Plus, the other ladies certainly aren't done listening. They love hearing details of the two nurses' lives, no matter how trivial.

I'm so grateful to Nawtae and the Doc. It's thanks to them that I have my fantastic body, and Nawtae has taught me so much. During our time working for the Doc, the two of us grew very close. I wanted to be just like her. She became my idol, mentor, and best friend.

I didn't see much of you yesterday.

That's too bad, Beatrice.

The Doc and I spent most of the day trying to fix that darn field thing. It just will not work!

Don't ever call me that. I hate that name! It's so unsexy. Don't make me regret telling you that story.

ANYWAY, IT MUST HAVE BEEN ABOUT THREE WEEKS AFTER CELINE AND I STARTED TO REALLY GET ALONG THAT I WAS COMING INTO WORK WITH NAWTAE ONE DAY.

No, not this time, but I still got a ton of looks. I took home a group of guys, fucked my brains out, and ended up totally tuckered out and covered in cum.

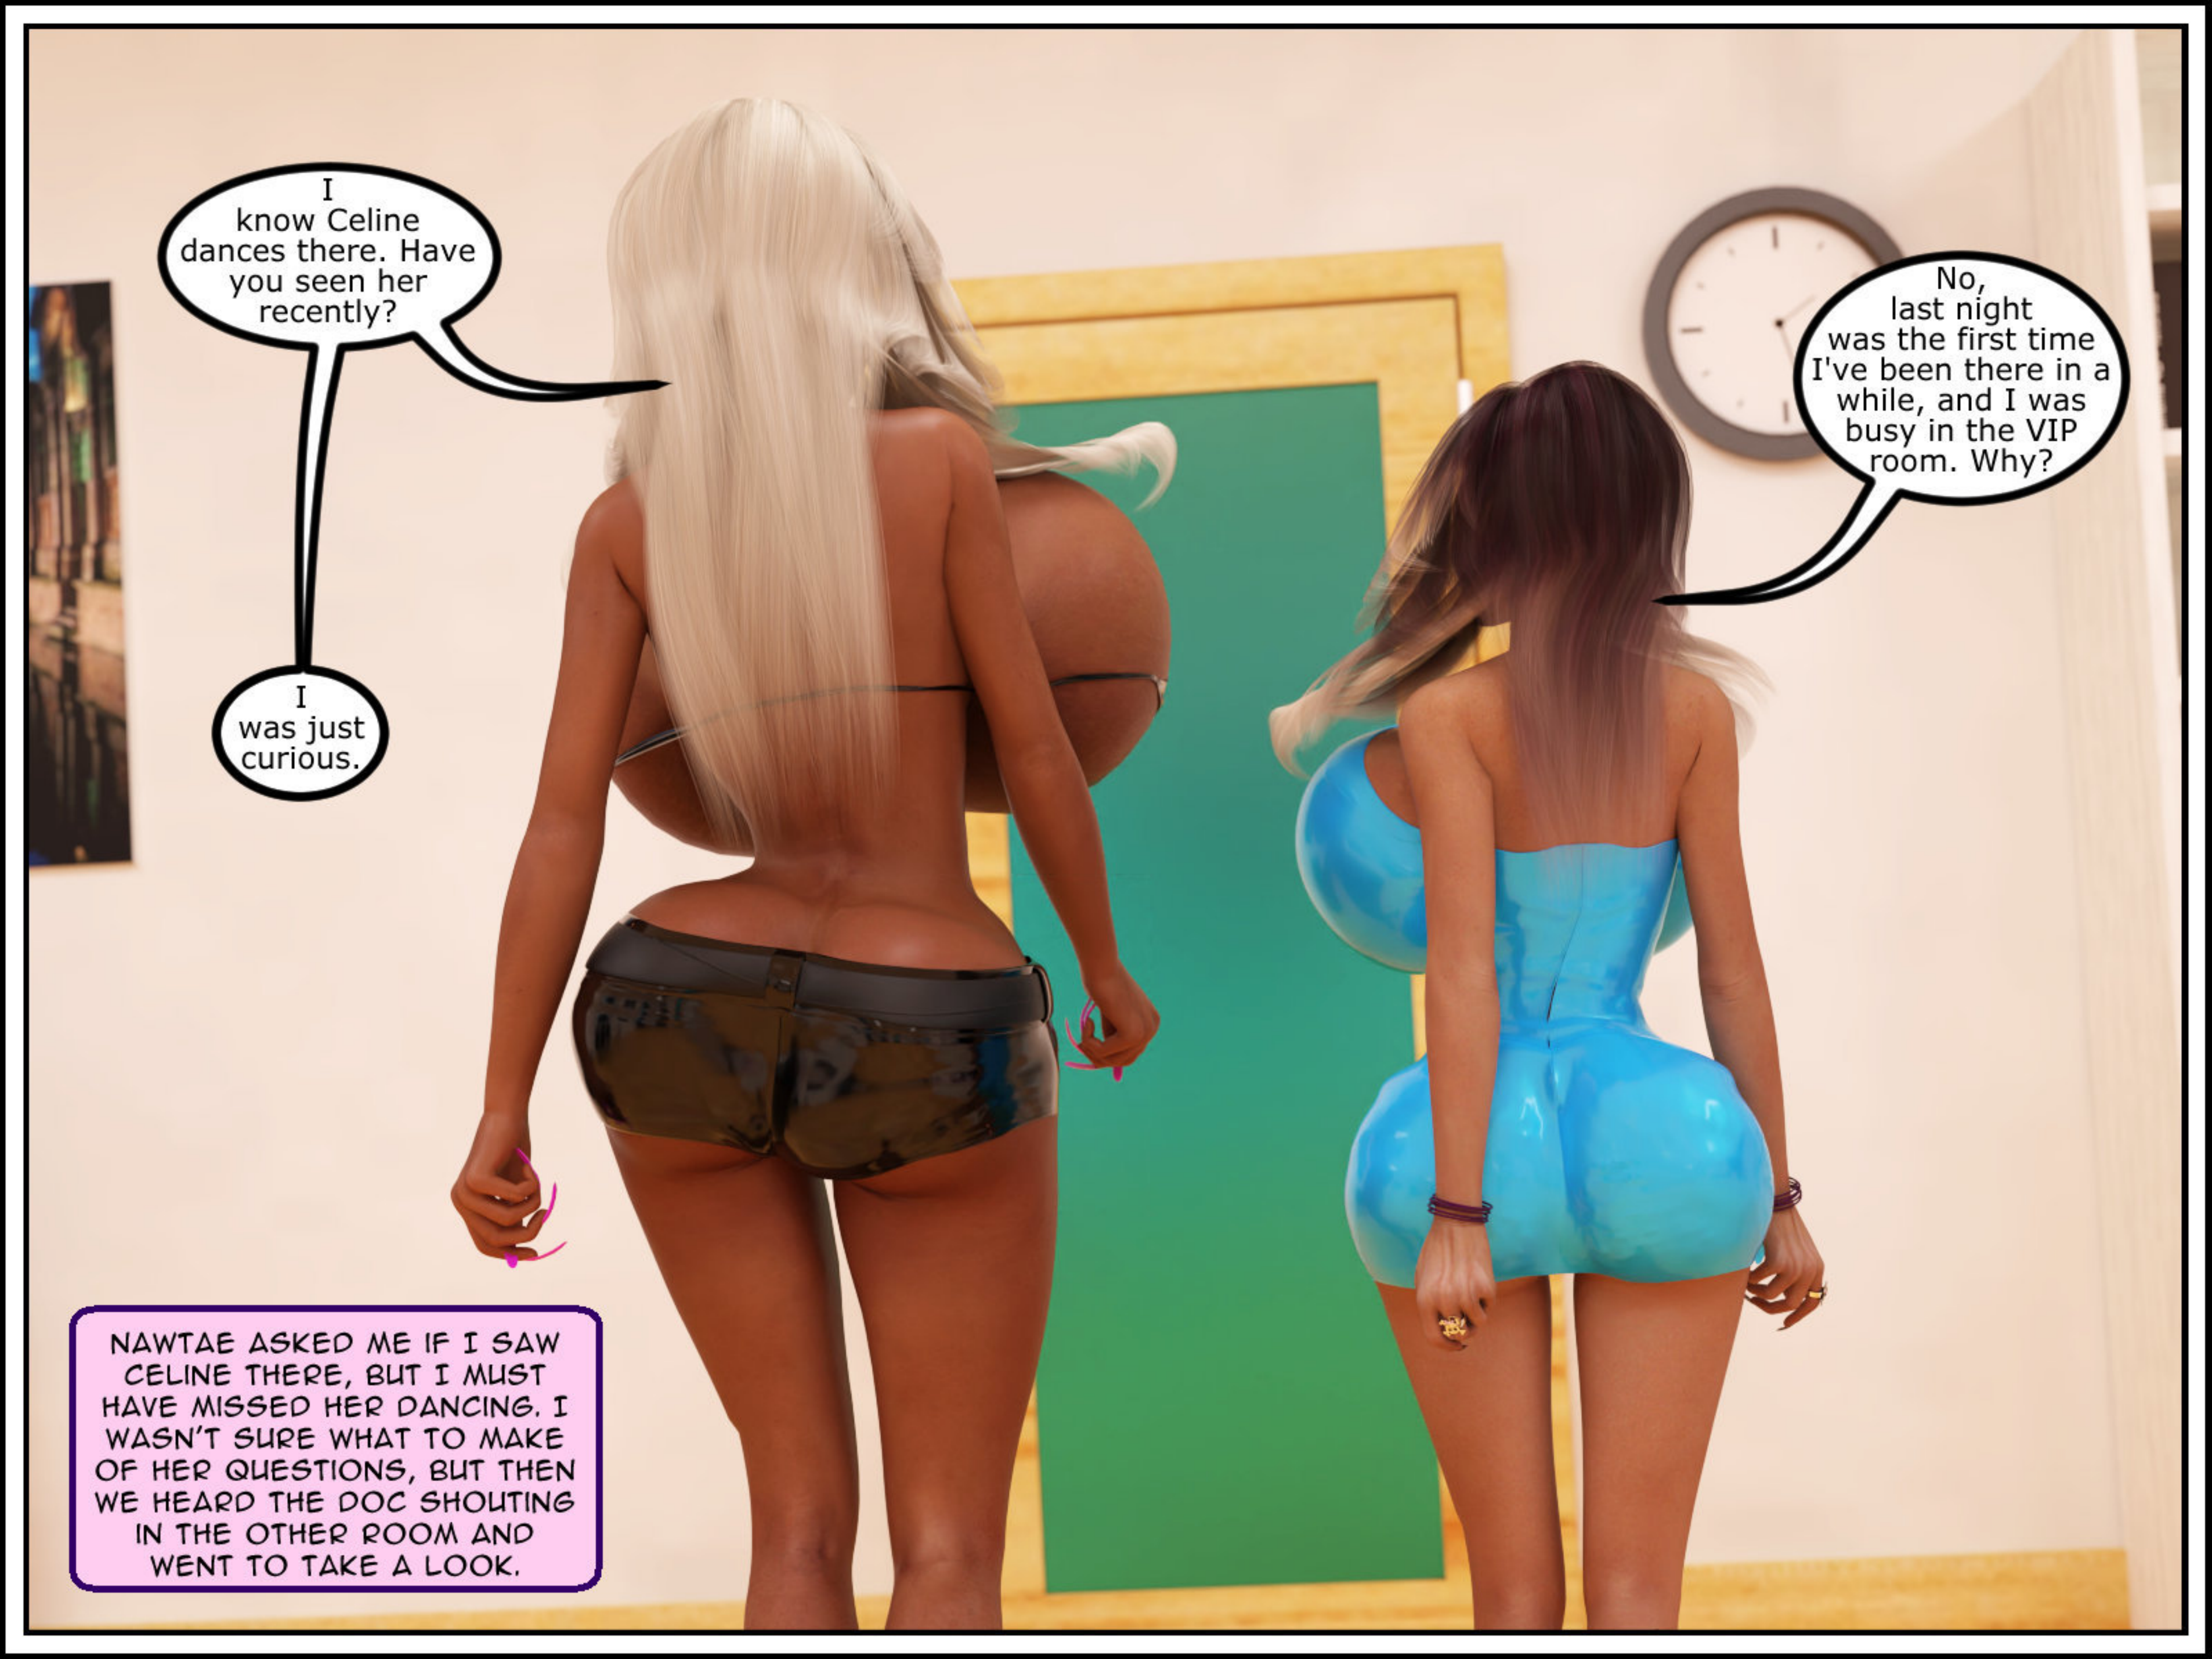

Sorry, ***giggle***, I was only teasing. Wanna hear what I was doing last night?

Well, of course I do, sugar. I know you went to the XXXL club. Did you dance?

That is awesome! I am so proud of you, sugar. You've come so far since I met you.

I WAS TELLING NAWTAE ABOUT MY EVENING AT THE CLUB THE PREVIOUS NIGHT, WHERE I ENDED UP SANDWICHED BETWEEN TWO GUYS AS THEY POUNDED ME IN MY PUSSY AND ASS.

A comic panel showing two women from behind. The woman on the left has long blonde hair and is wearing a black bikini top and black shorts. The woman on the right has long dark hair and is wearing a blue, shiny, strapless dress. They are standing in a room with a green board and a clock on the wall. A speech bubble from the blonde woman asks if the other has seen Celine recently, and the dark-haired woman replies that she hasn't seen her in a while because she was in the VIP room last night.

I know Celine dances there. Have you seen her recently?

I was just curious.

No, last night was the first time I've been there in a while, and I was busy in the VIP room. Why?

NAWTAE ASKED ME IF I SAW CELINE THERE, BUT I MUST HAVE MISSED HER DANCING. I WASN'T SURE WHAT TO MAKE OF HER QUESTIONS, BUT THEN WE HEARD THE DOC SHOUTING IN THE OTHER ROOM AND WENT TO TAKE A LOOK.

Argh!

There was a break-in last night. Something I was working on is missing. Now I'm trying to see what else they took.

What's wrong?

IT TURNS OUT THAT SOMETHING WAS STOLEN, BUT I DON'T KNOW WHAT. THE DOC SURE WAS UPSET ABOUT IT, SO NAWTAE AND I OFFERED TO HELP ANY WAY WE COULD.

Ewww!
I don't feel
very good.

Where
does it
hurt?

I...
I'm fine.
I think last
night just took
more out of
me than I
thought.

Are you
OK?

WE WERE JUST ABOUT TO
START LOOKING THROUGH ALL
THE DRAWERS AND BOXES
WHEN I DIDN'T FEEL SO GOOD.
I SHOULD HAVE KNOWN IT WAS
A SIGN, A WARNING.

There are just too many things here that I can't afford to lose if there is another break-in, Nawtae.

You might be right. Nawtae, you and Mindy have been such a great help. I don't know what I would do without you.

You gotta stop obsessing, sugar. We're about to close. You should go clear your head, so you can figure out what to do.

THE DOC WAS MORE CALM THE NEXT DAY, FROM WHAT NAWTAE TOLD ME, BUT HE WAS STILL A LITTLE CONCERNED. NAWTAE HAD TO HELP HIM CHILL OUT AND NOT WORRY SO MUCH.

Mindy,
cancel the
rest of my appointments
this afternoon. I
think I'm going
to go--

Hmmm.
Mmmmm!

I WAS OUT IN THE RECEPTION
AREA, BROWSING BIMSTIGRAM
AND MAYBE A LITTLE PORN.
I DIDN'T HEAR THE DOC AT ALL,
WHEN HE CAME OUT AND TRIED
TALKING TO ME.

Mindy?
Mindy! Cancel
my appointments,
please. I'll be in a special
session for the
remainder of the
day.

Huh?
Oh, sure, Doc!
But we were just
about to-- Holy
boobs!

I WAS TOTALLY LOST IN
THOUGHT, WORRYING ABOUT
THE DOC AND FIGURING OUT
WHAT WAS WRONG WITH ME.
THAT WASN'T THE FIRST TIME I
HAD FELT WEIRD. HE FINALLY
GOT MY ATTENTION, THOUGH.
I LOOKED UP TO SEE HIM WITH
SOME WOMAN I DIDN'T KNOW,
BUT HER BOOBS WERE LIKE
THE SIZE OF NAWTAE'S.

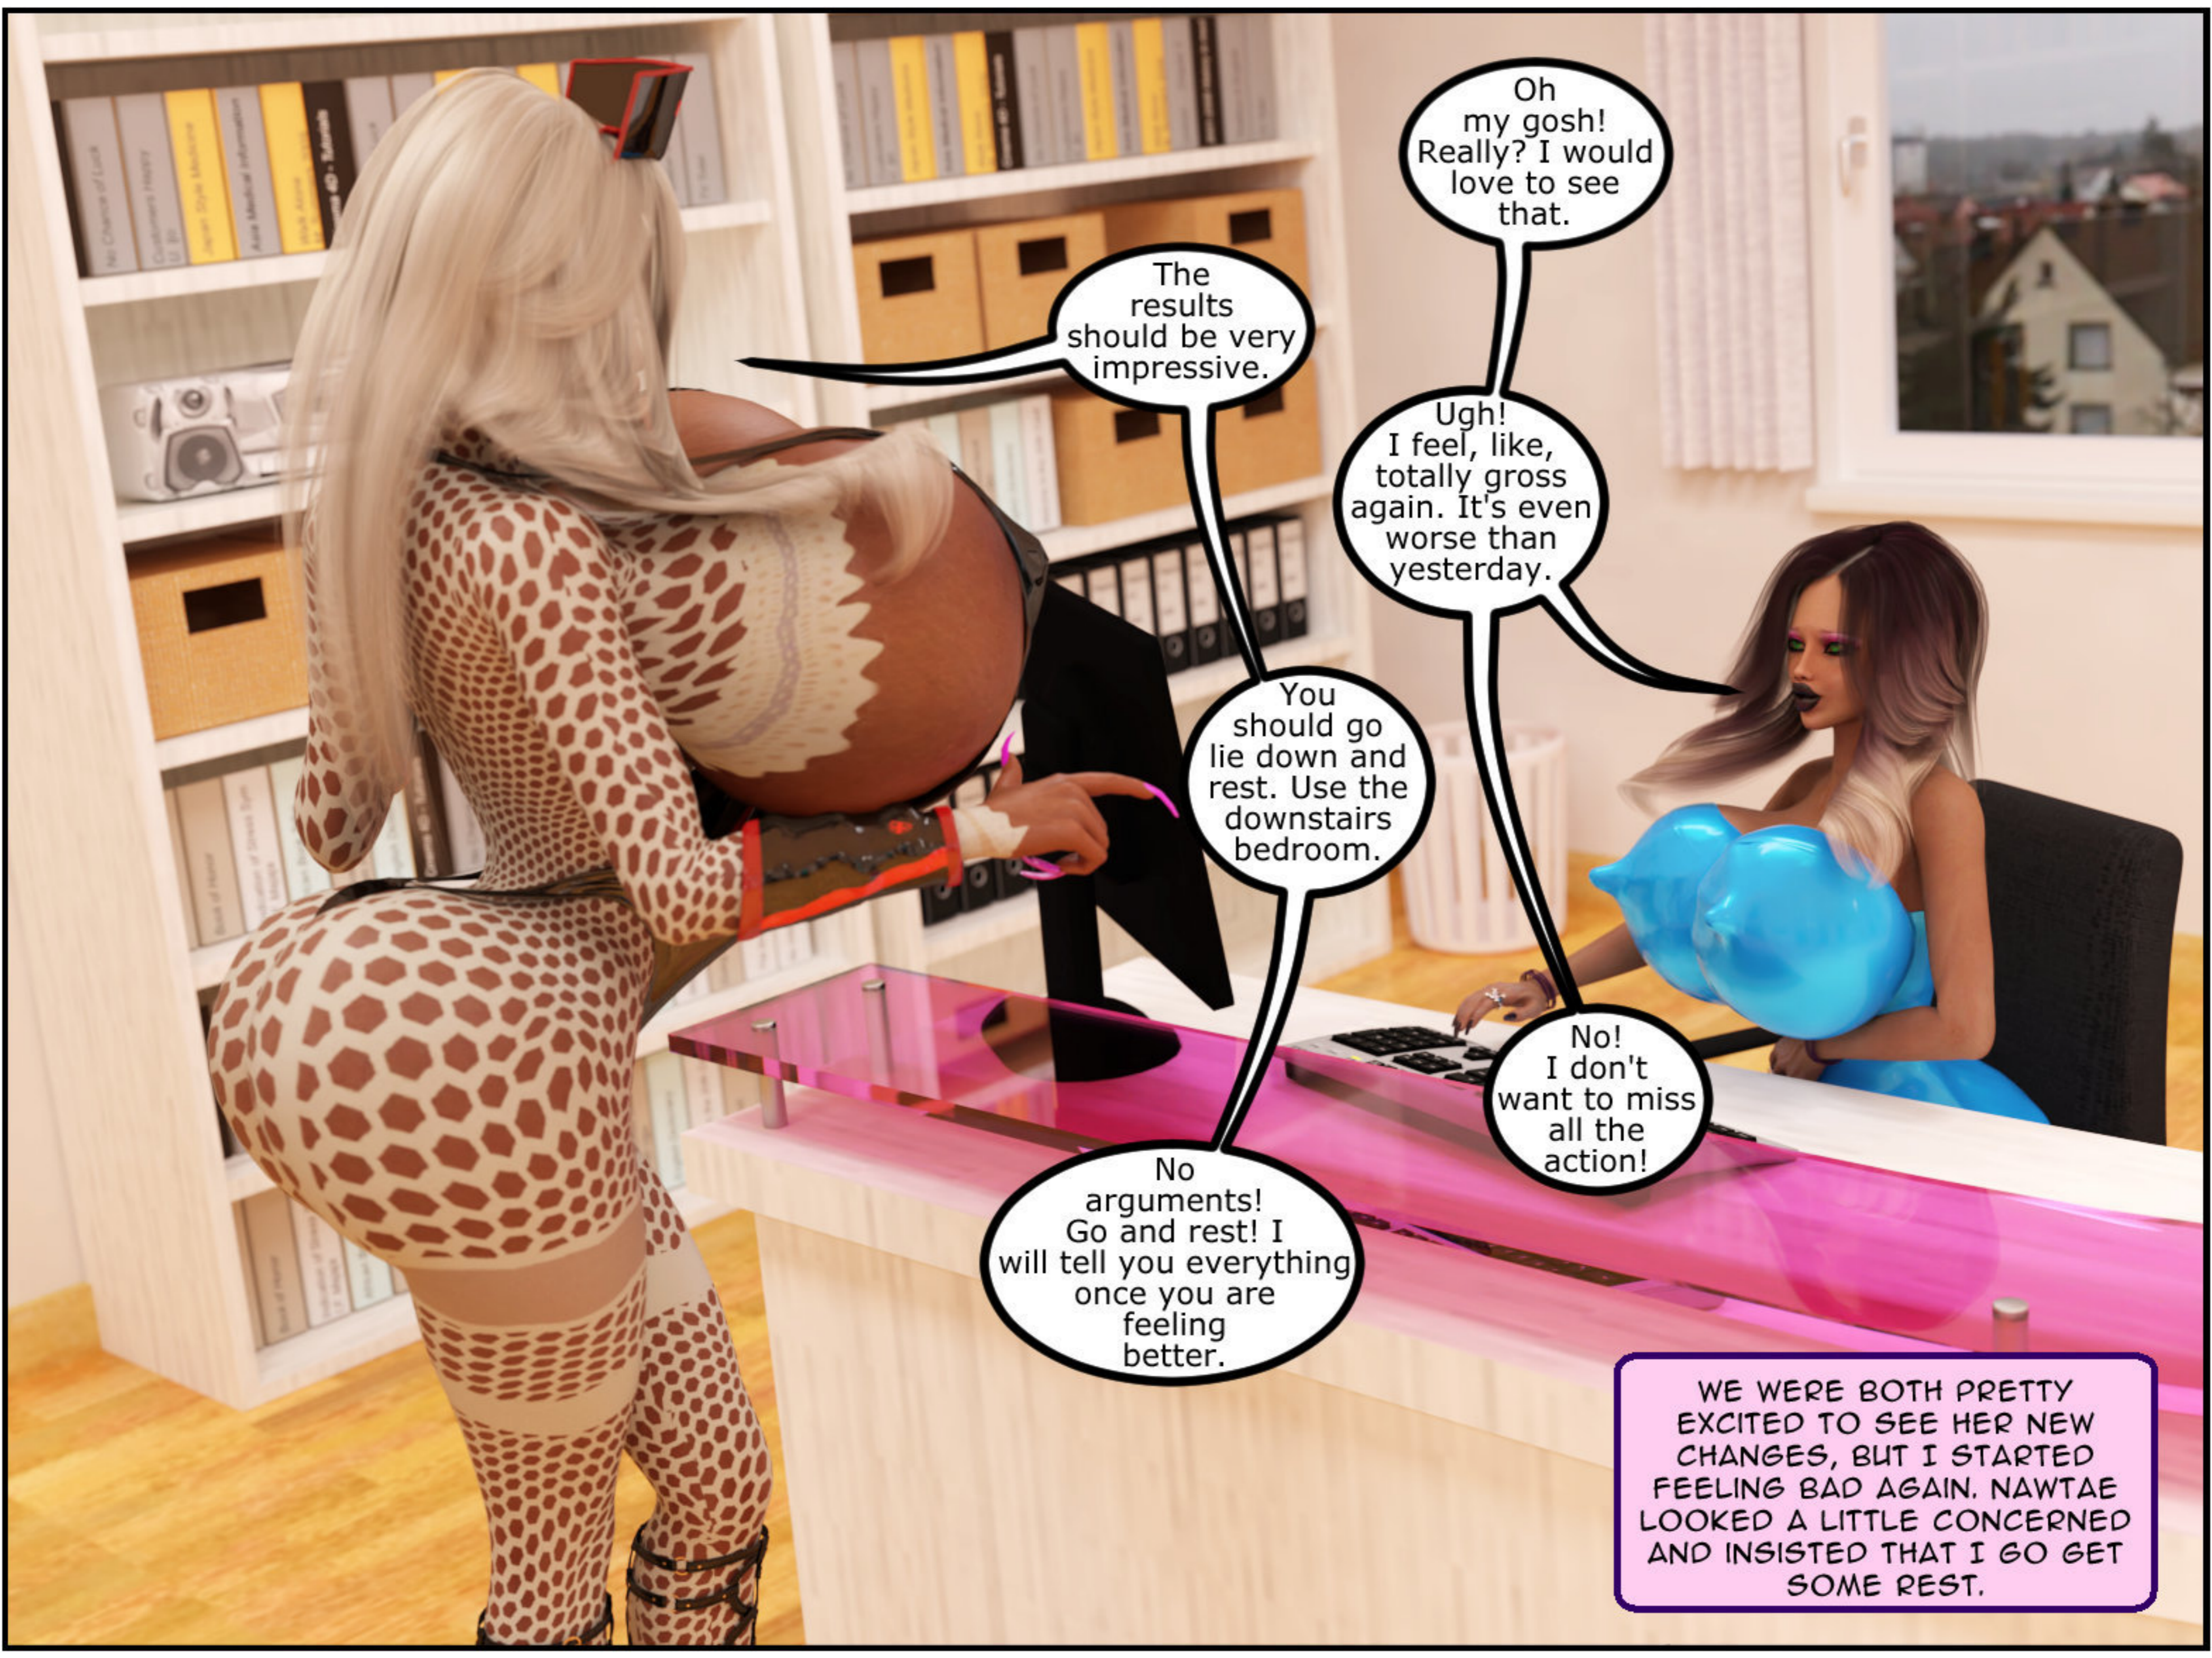

So, what do you think of Celine's new look?

I BARELY STAMMERED OUT A REPLY BEFORE THEY DISAPPEARED INTO THE DOC'S OFFICE AND NAWTAE CAME OUT. I DIDN'T EVEN REALIZE IT WAS CELINE UNTIL NAWTAE SAID SOMETHING TO ME.

Oh! Well, I feel silly. I didn't even notice that it was Celine. I was too busy staring at her boobs.

giggle
She is calling herself Missy now, and she should have an ass and lips to match soon, if all goes well.

The results should be very impressive.

Oh my gosh! Really? I would love to see that.

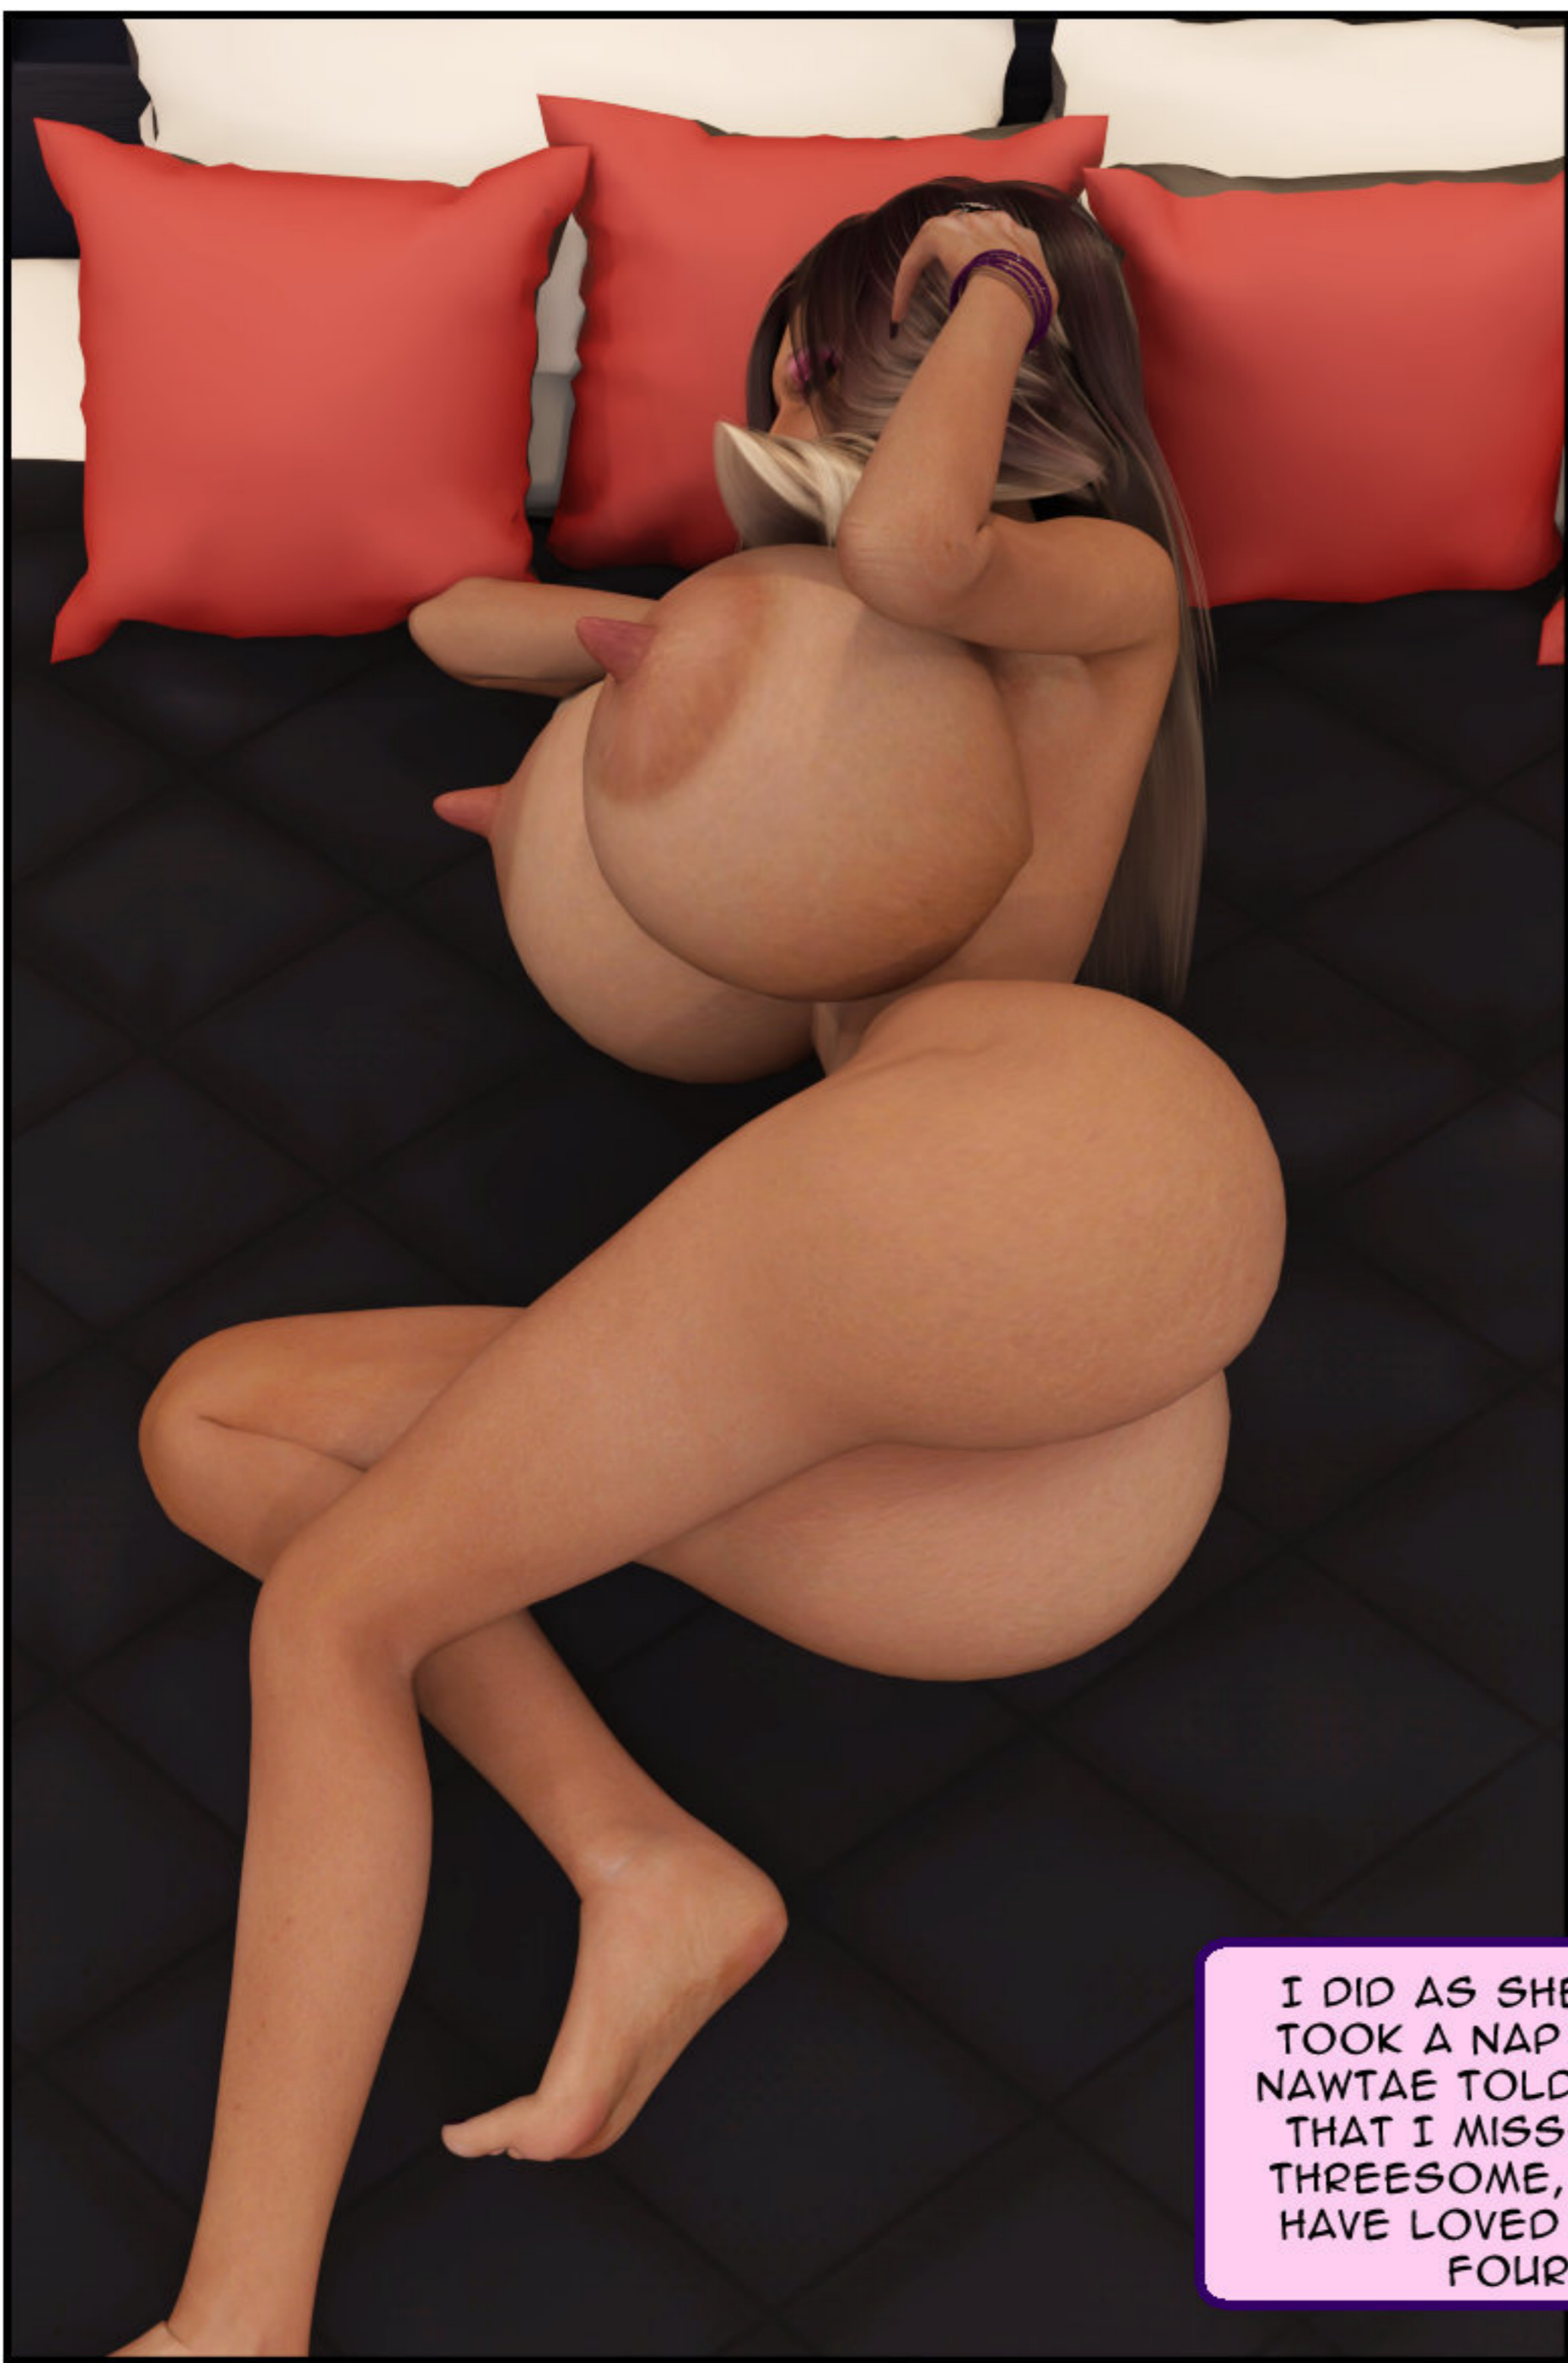

Ugh! I feel, like, totally gross again. It's even worse than yesterday.

You should go lie down and rest. Use the downstairs bedroom.

No! I don't want to miss all the action!

No arguments! Go and rest! I will tell you everything once you are feeling better.

WE WERE BOTH PRETTY EXCITED TO SEE HER NEW CHANGES, BUT I STARTED FEELING BAD AGAIN. NAWTAE LOOKED A LITTLE CONCERNED AND INSISTED THAT I GO GET SOME REST.

I DID AS SHE ASKED, AND TOOK A NAP DOWNSTAIRS. NAWTAE TOLD ME LATER ON THAT I MISSED QUITE THE THREESOME, AND I WOULD HAVE LOVED TO MAKE IT A FOURSOME.

WELL, I CALL IT A NAP, BUT I ACTUALLY ENDED UP SLEEPING UNTIL THE NEXT MORNING. I WASN'T READY FOR WHAT I FOUND WHEN I WOKE UP EITHER. MY BOOBS, BUTT, AND EVEN MY LIPS HAD SHRUNK!

Oh my gawd!
What is, like,
happening
to me!?

Thank gawd, Doc! You gotta help me! My boobs are, like, shrinking!

Good, you're here. I can't take any chances. I can't risk anything else being stolen. While this may be a bit drastic, I am going to have to move the office.

I GOTTA BE HONEST. I KINDA FREAKED OUT A LITTLE. I RAN UPSTAIRS NAKED. I TOTALLY FORGOT TO EVEN PUT ON CLOTHES. I WAS DESPERATE AND LOOKING FOR HELP. IT DIDN'T TAKE ME LONG TO FIND THE DOC, BUT HE SEEMED SORTA PREOCCUPIED.

So
I'm sorry,
but I can't really
do anything about your
boobs at the moment.
Don't you worry, though,
I'll get you all fixed
up as soon as I
can.

Awww!
OK, if that
is the best you
can do. I trust
you and
Nawtae.

SADLY, HE WAS TOO BUSY
MOVING THE OFFICE TO HELP
ME FIGURE OUT WHAT WAS
GOING ON WITH MY BODY, BUT
HE DID HIS BEST TO REASSURE
ME HE WOULD DO SOMETHING
ABOUT IT ONCE HE COULD.

Present day.

What happened next? They must have got around to fixing you at some point.

I wanna know why your curves were, like, going away. How does that happen?

giggle
Calm down, you two, and let Mindy finish her story.

The Doc told me later that the pills I'd been using had a few kinks in them, so you really needed to follow the instructions, which I didn't.

Emma and Lola are so distracted by Mindy's description of losing her curves that they actually stop masturbating for a minute to press her about the details of the problem. They never want to experience anything so horrifying.

In my defence, bimbos aren't all that good at following what's on the label. And I was pretty new to it at the time too.

The Doc thought about it some, and ended up making a better version of the same pill. Once the office was all moved, I asked Nawtae for help and she gave me one. Just one, that's all it took.

Mindy does her best to reassure the bimbos at the table, just like Doctor Putishka tried to put her fears to rest. She then goes on to describe what happened at the new office after the move, which was almost identical to the old one.

The past, just after Mindy took the new and improved pill.

Oh gawd! That was... I can't even describe it. And look, Nawtae, look what it's done to me!

Mmmm, it worked even better than I thought it would, sugar, but why look when I can touch?

Now... I have a little surprise for you to try on.

IT DIDN'T JUST FIX ME. IT MADE ME EVEN BETTER, IN ALL SORTS OF WAYS. NAWTAE WAS SO NICE TO GIVE ME ONE, BUT THEN SHE SURPRISED ME EVEN MORE WITH ANOTHER VERY SPECIAL PRESENT.

Oh!
You have
a new outfit
for me?

Oh
my gawd!
I can't believe
it! This is so amazing!
Thank you, thank
you, thank
you!

I
do, but
not just any
outfit. I am making
you into a Bimbo
Nurse, just like
me.

You're
welcome!
giggle

I WAS BEING PROMOTED TO NURSE, WHICH INCLUDED MY VERY OWN SEXY OUTFIT. NAWTAE WAS JUST TOO KIND. FIRST SHE GAVE ME SUCH A HOT BODY, AND NOW SHE WAS GIVING ME SOMETHING EVEN MORE SPECIAL.

I absolutely love it! It feels **so** good, even if it was pretty tough to stuff my **huge** tits into this tiny thing.

It gets easier the more you do it.

I IMMEDIATELY WENT TO TRY IT ON AND MODELLED IT FOR NAWTAE. I LIKED LATEX BEFORE, BUT I FELL TOTALLY IN LOVE WITH IT AFTER I PUT ON MY NURSE OUTFIT FOR THE FIRST TIME.

Just look at us, Nawtae. We're Bimbo Nurse boobsie twins.

You look so fucking hawt in latex, Mindy!

MY MUCH BIGGER BOOBIES LOOKED LIKE THEY WERE GONNA BURST RIGHT OUT OF IT ANY MINUTE, JUST LIKE NAWTAE'S! FRANKLY, THE TWO OF US MADE THE LATEX LOOK GOOD, NOT THE OTHER WAY AROUND. *GIGGLE*

The story will
continue in the
next part.
