"To a ruin then straight  
to the dungeon..."

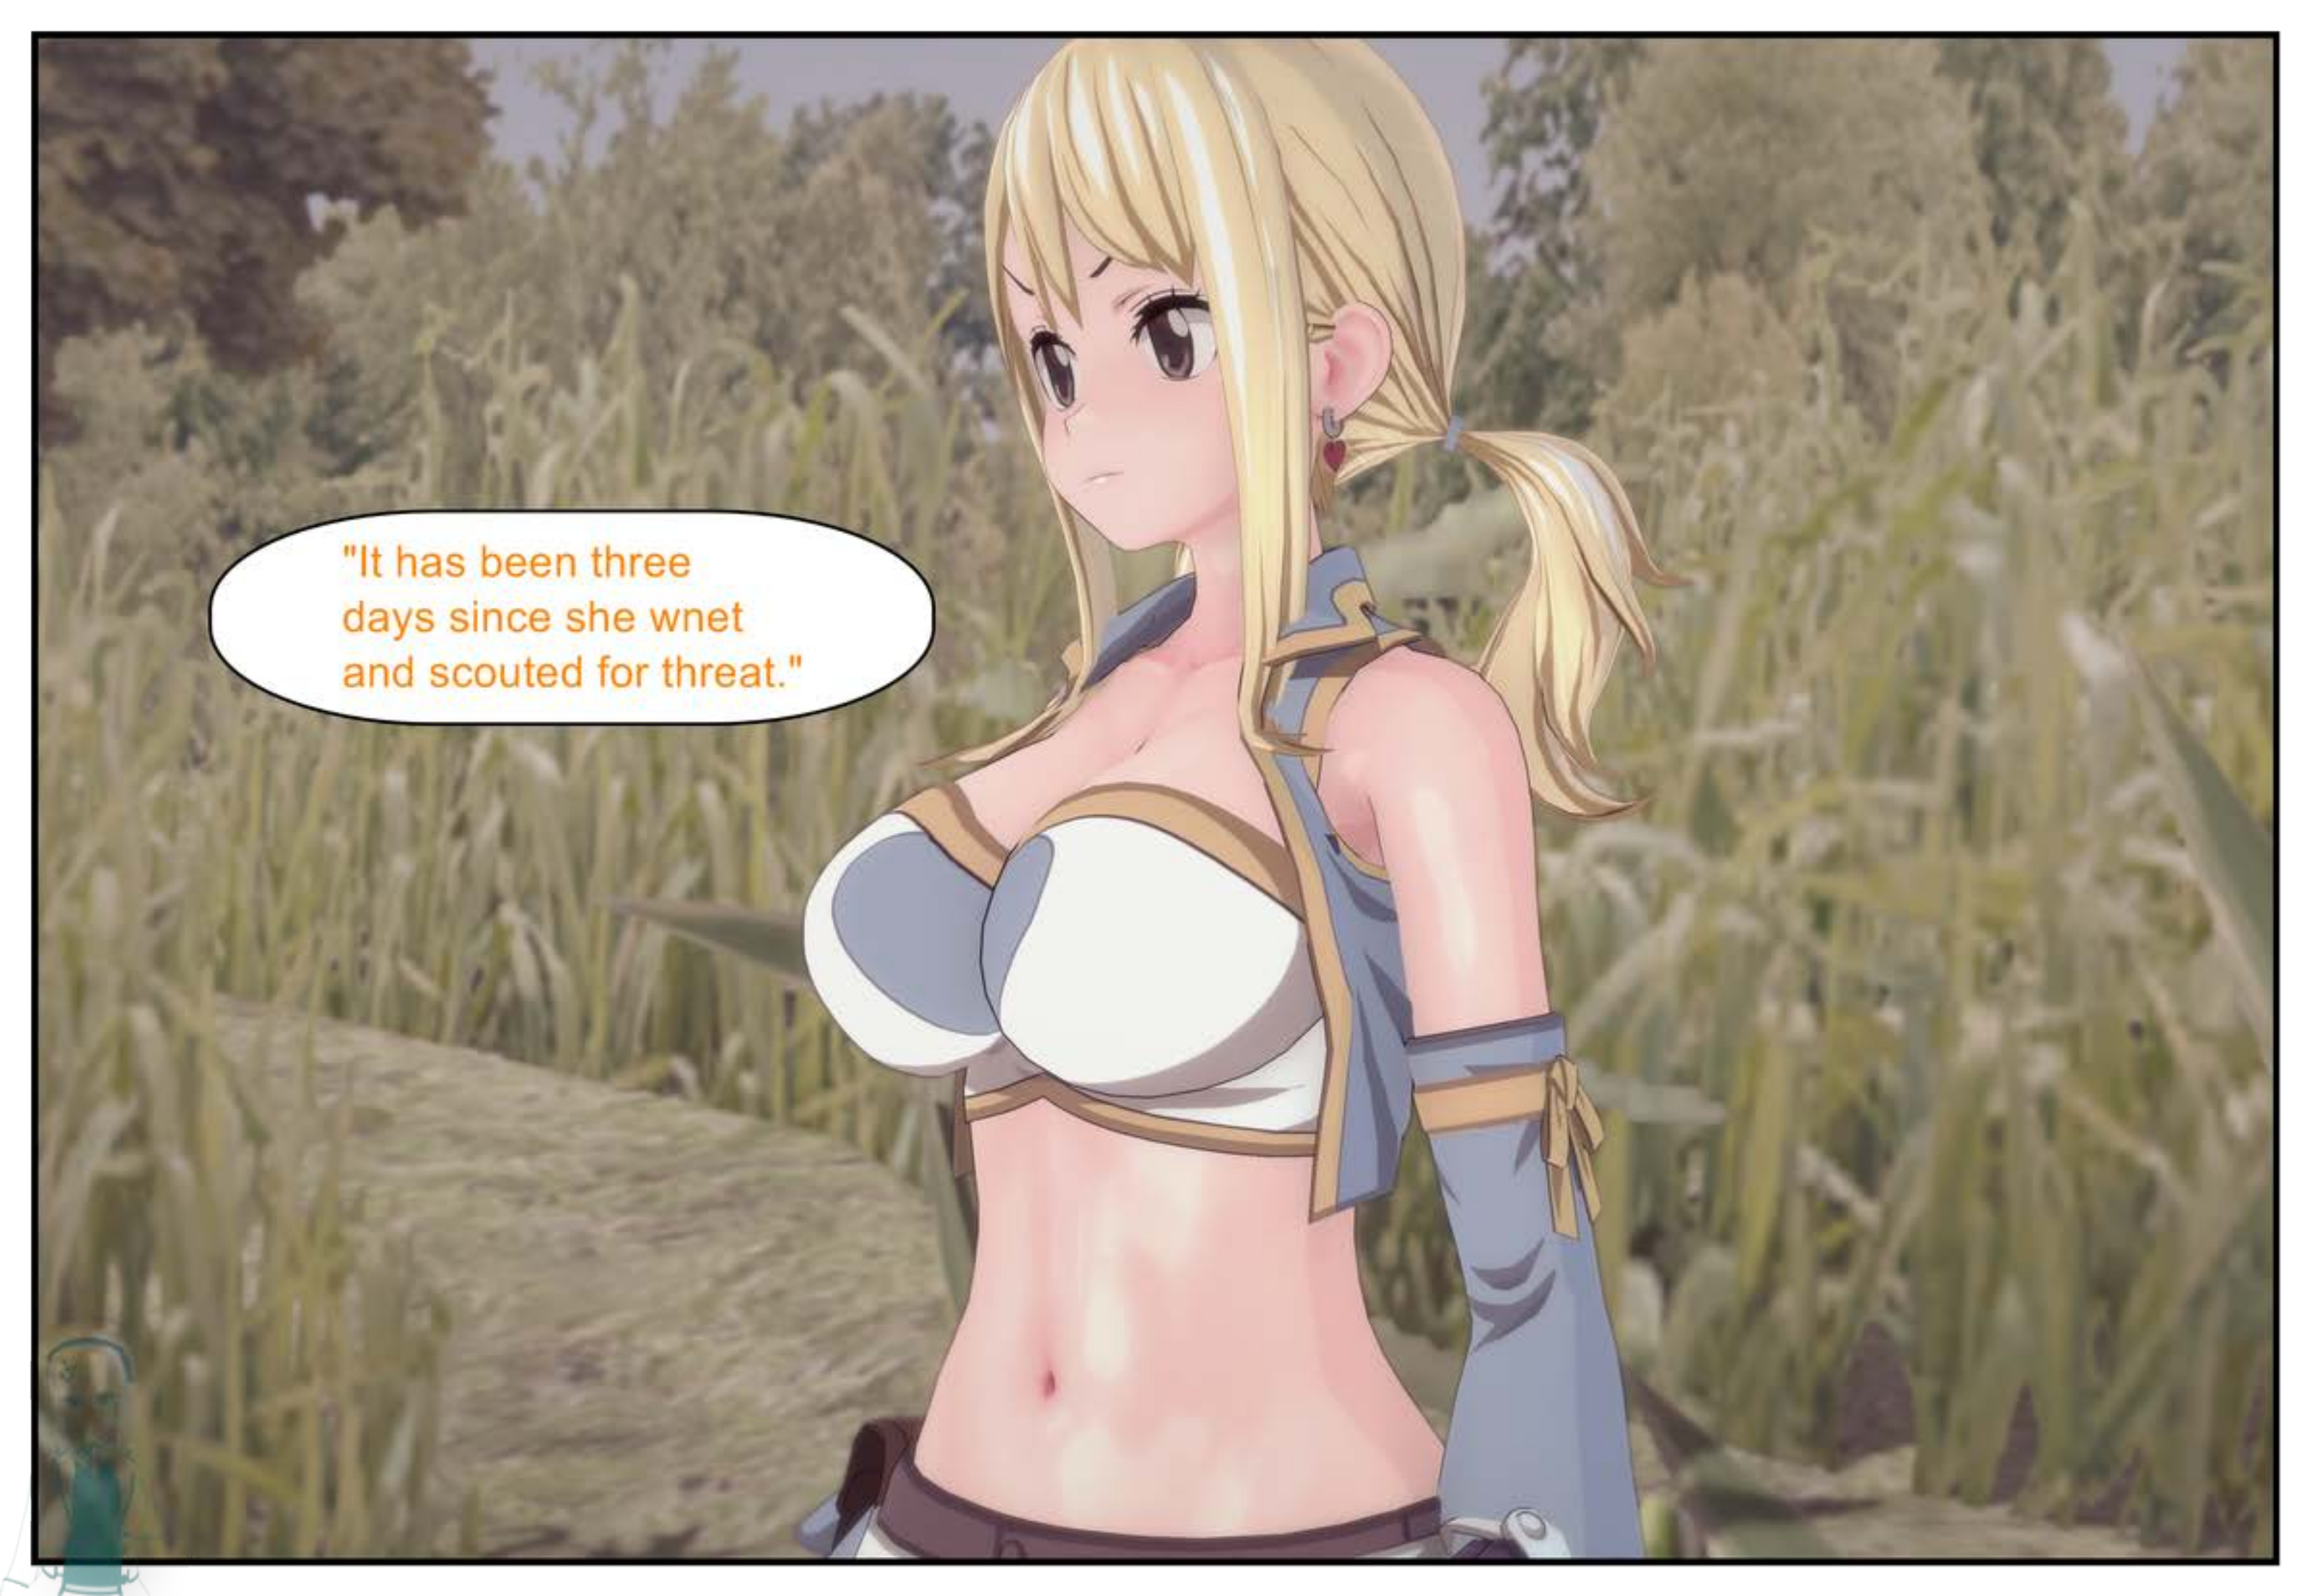

"Must be the place...  
But I don't see Wendy  
anywhere."

A blonde anime-style girl with a ponytail, wearing a white and blue outfit, stands in a field of tall grass. A speech bubble is positioned to her left, containing text. The background is a soft-focus field of tall grass under a pale sky.

"It has been three days since she went and scouted for threat."

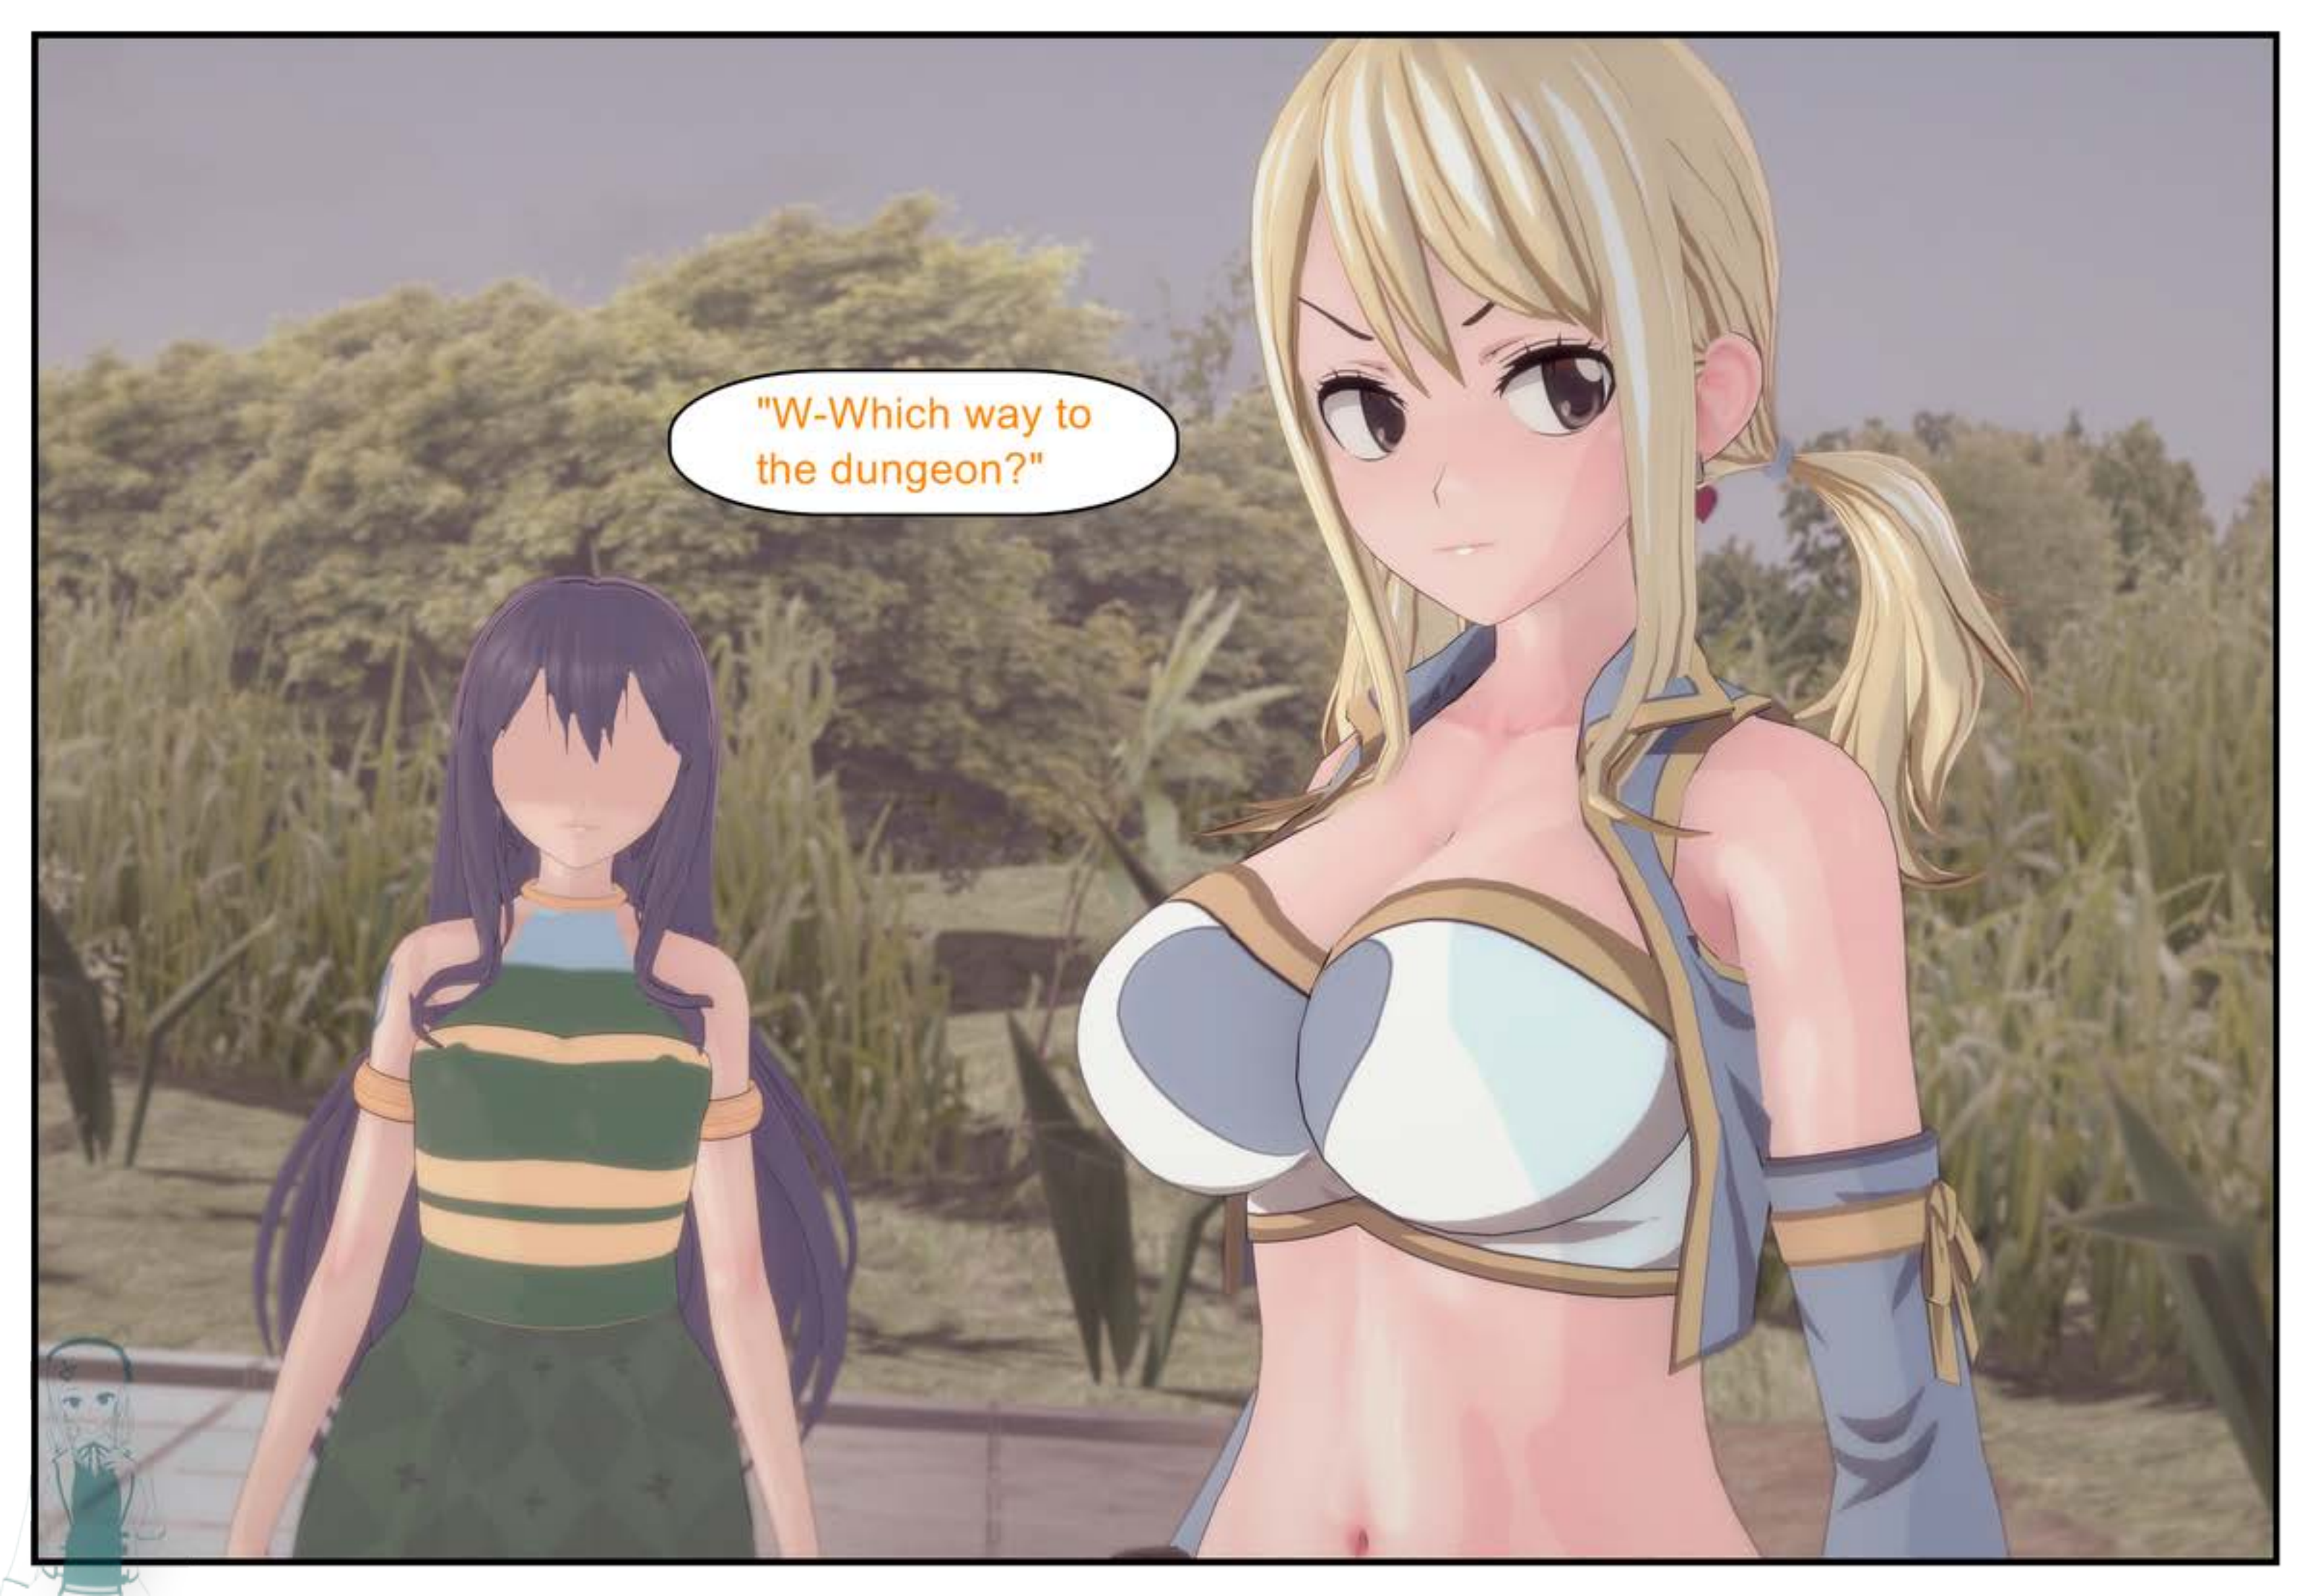

"Something wrong...  
Maybe she was trapped!"

"W-Which way to the dungeon?"

Who's there!?

I-It's me, Lucy! I camped nearby and heard noise so...

S-Sorry... I forgot.

At least, you have to  
sent message or  
something...

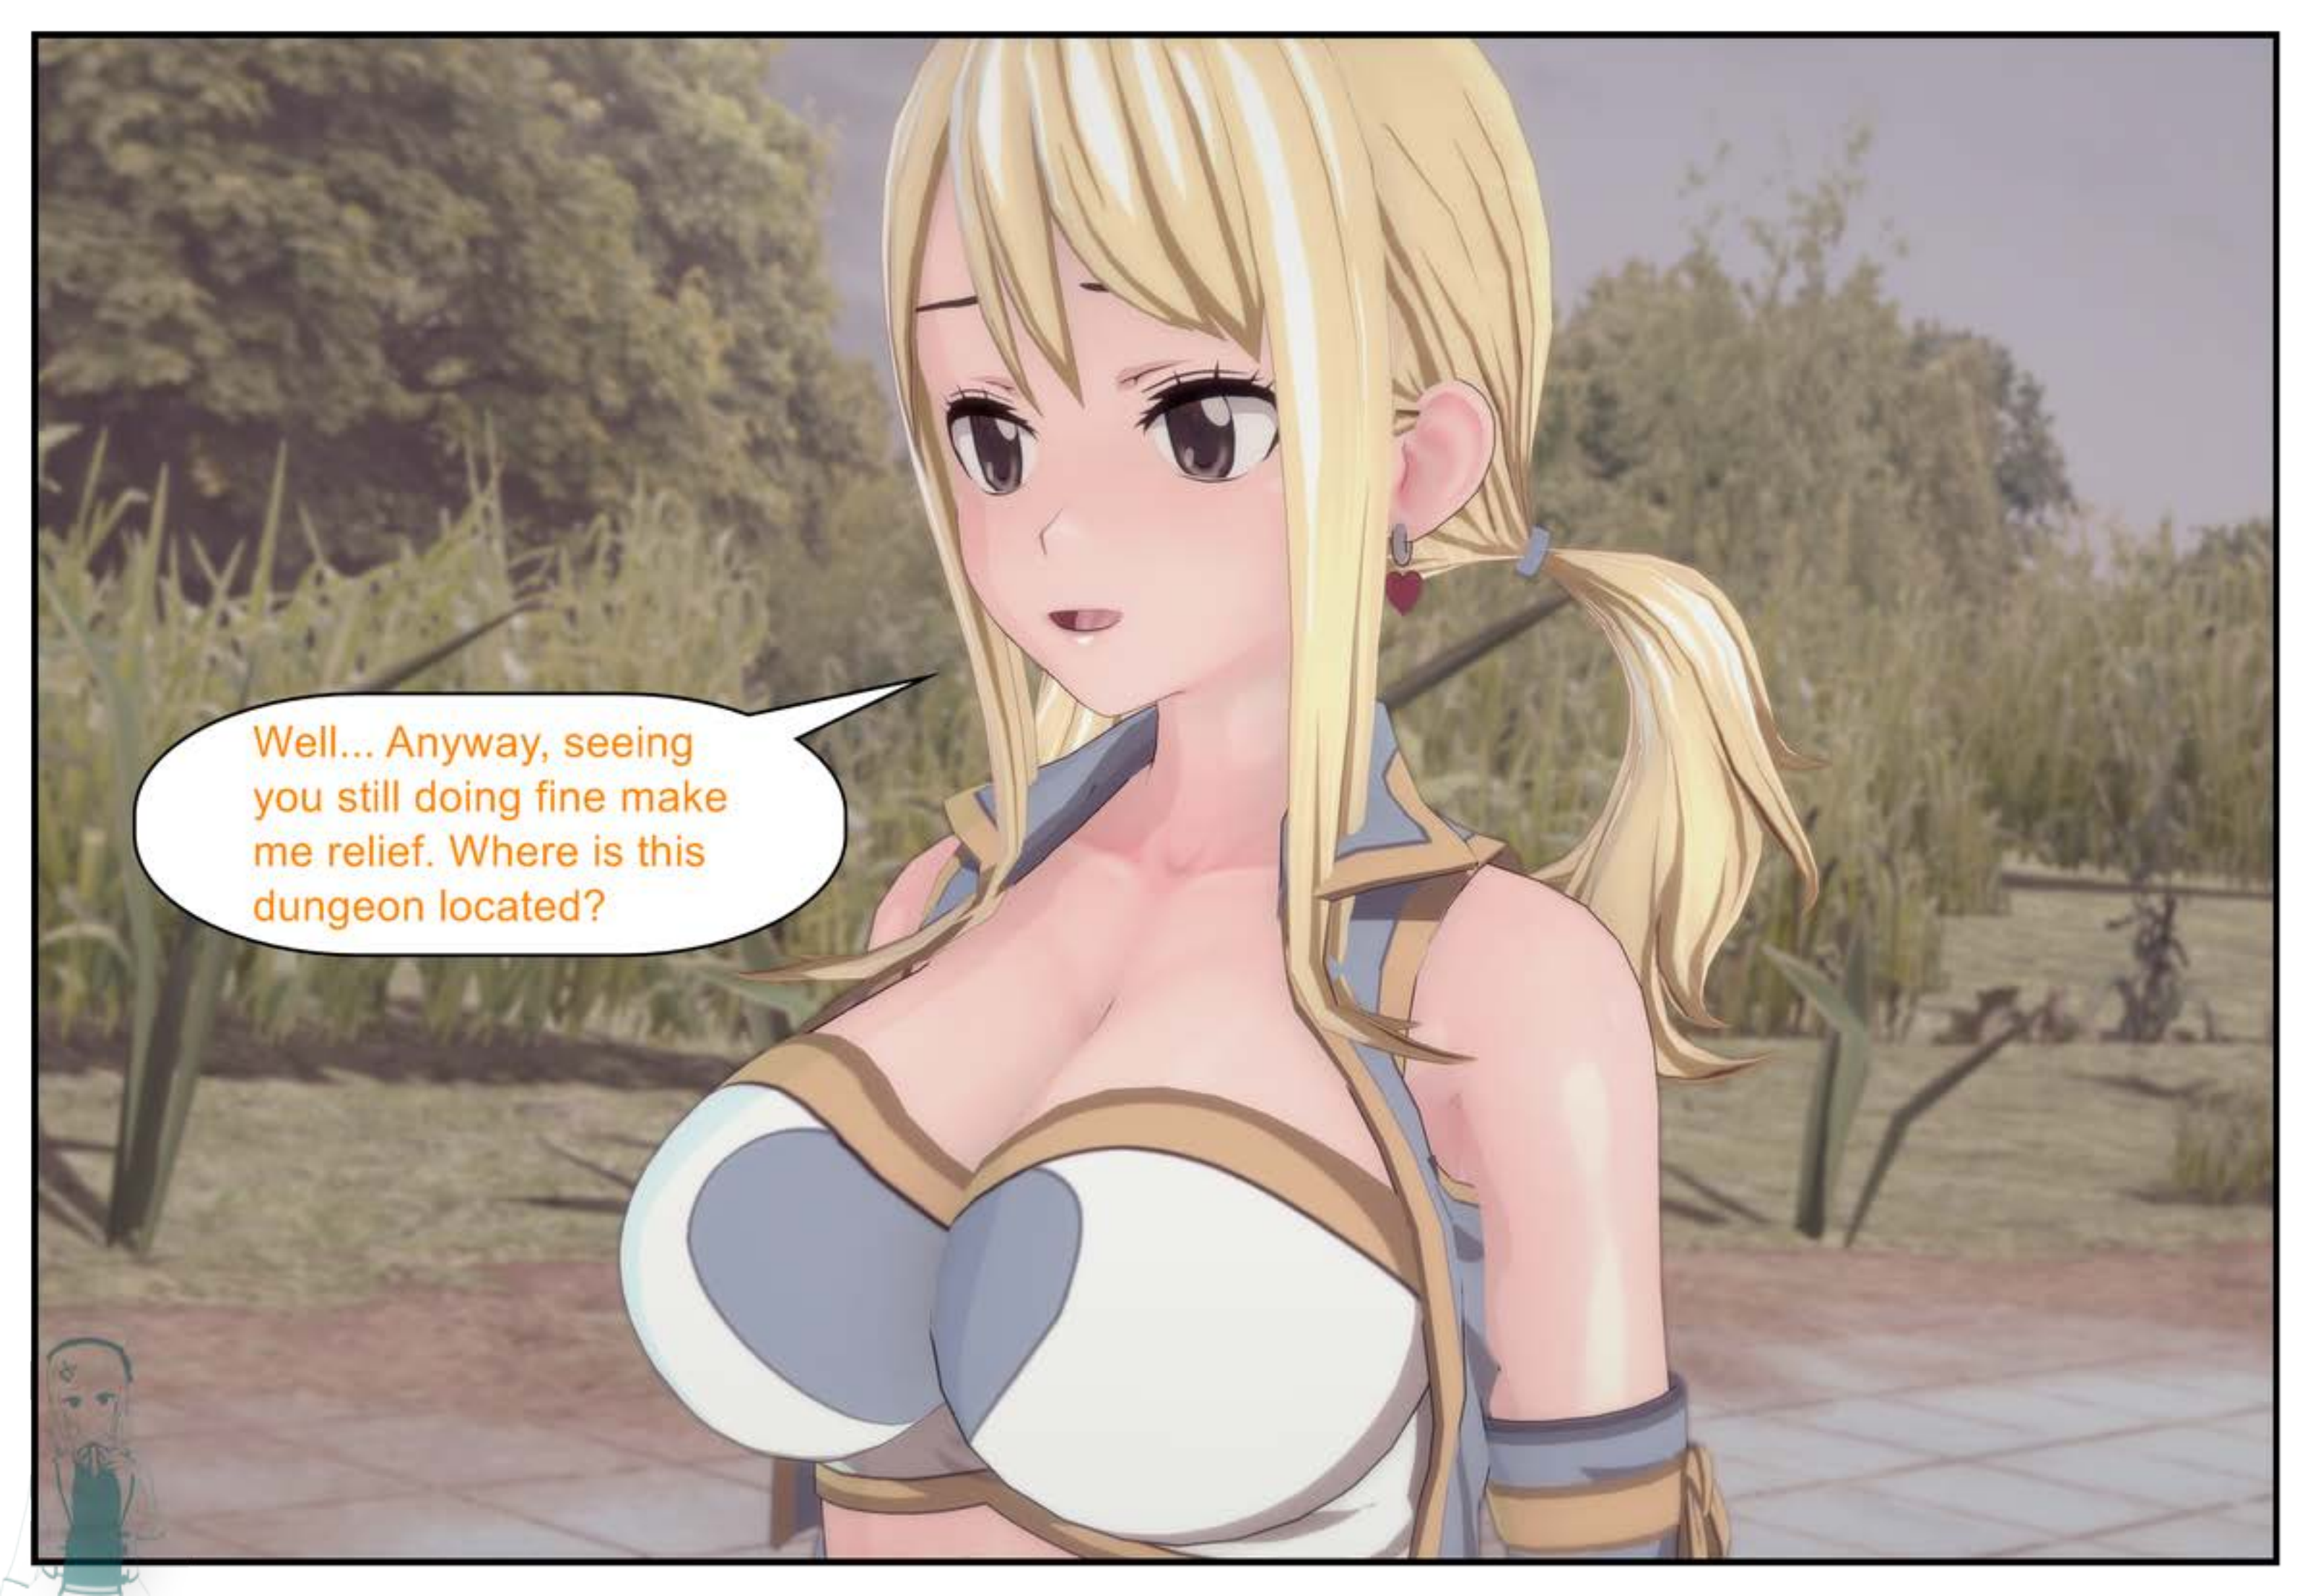

Don't tell me you were too focus on finding treasure in the dungeon?

Y-Yes... Ahaha...

Well... Anyway, seeing you still doing fine make me relief. Where is this dungeon located?

That path will lead you  
deep into the wood,  
the entrance is hidden.

What are we waiting for!? Come on, Wendy!

Yeah!!!

Any monsters stand in  
our way will not have a  
chance to blink!

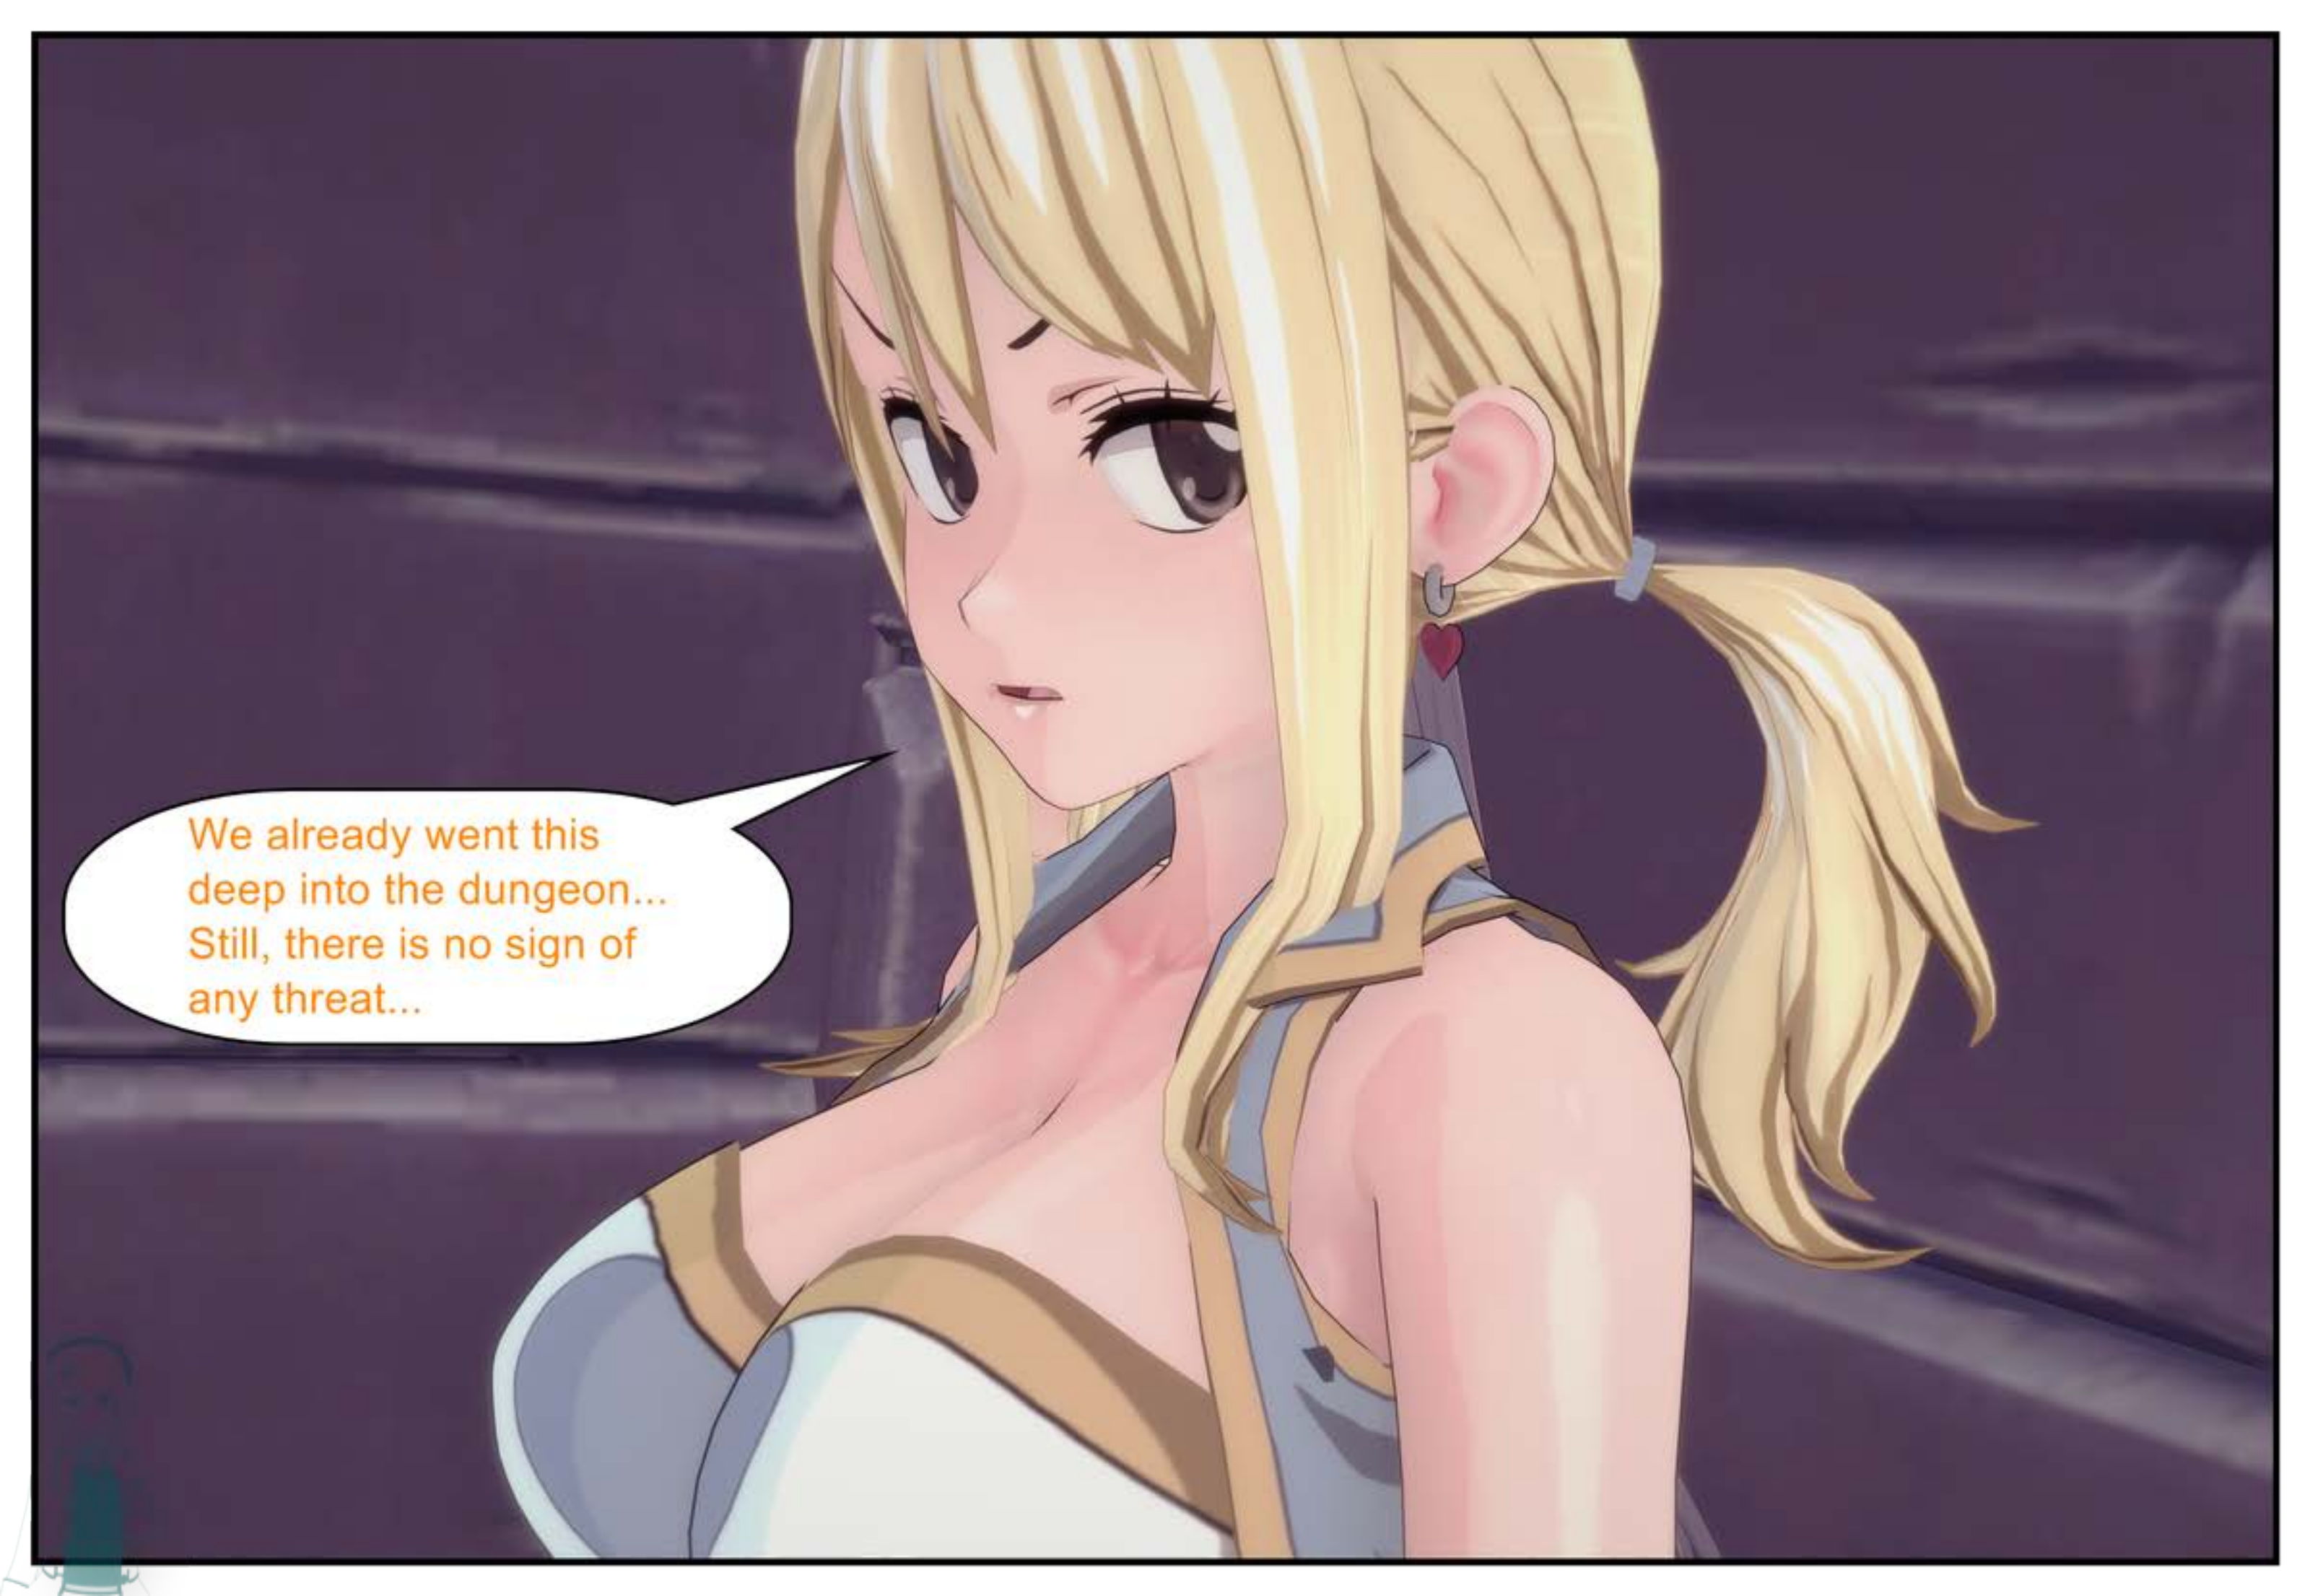

This is strange...

What is it, Lucy?

We already went this deep into the dungeon... Still, there is no sign of any threat...

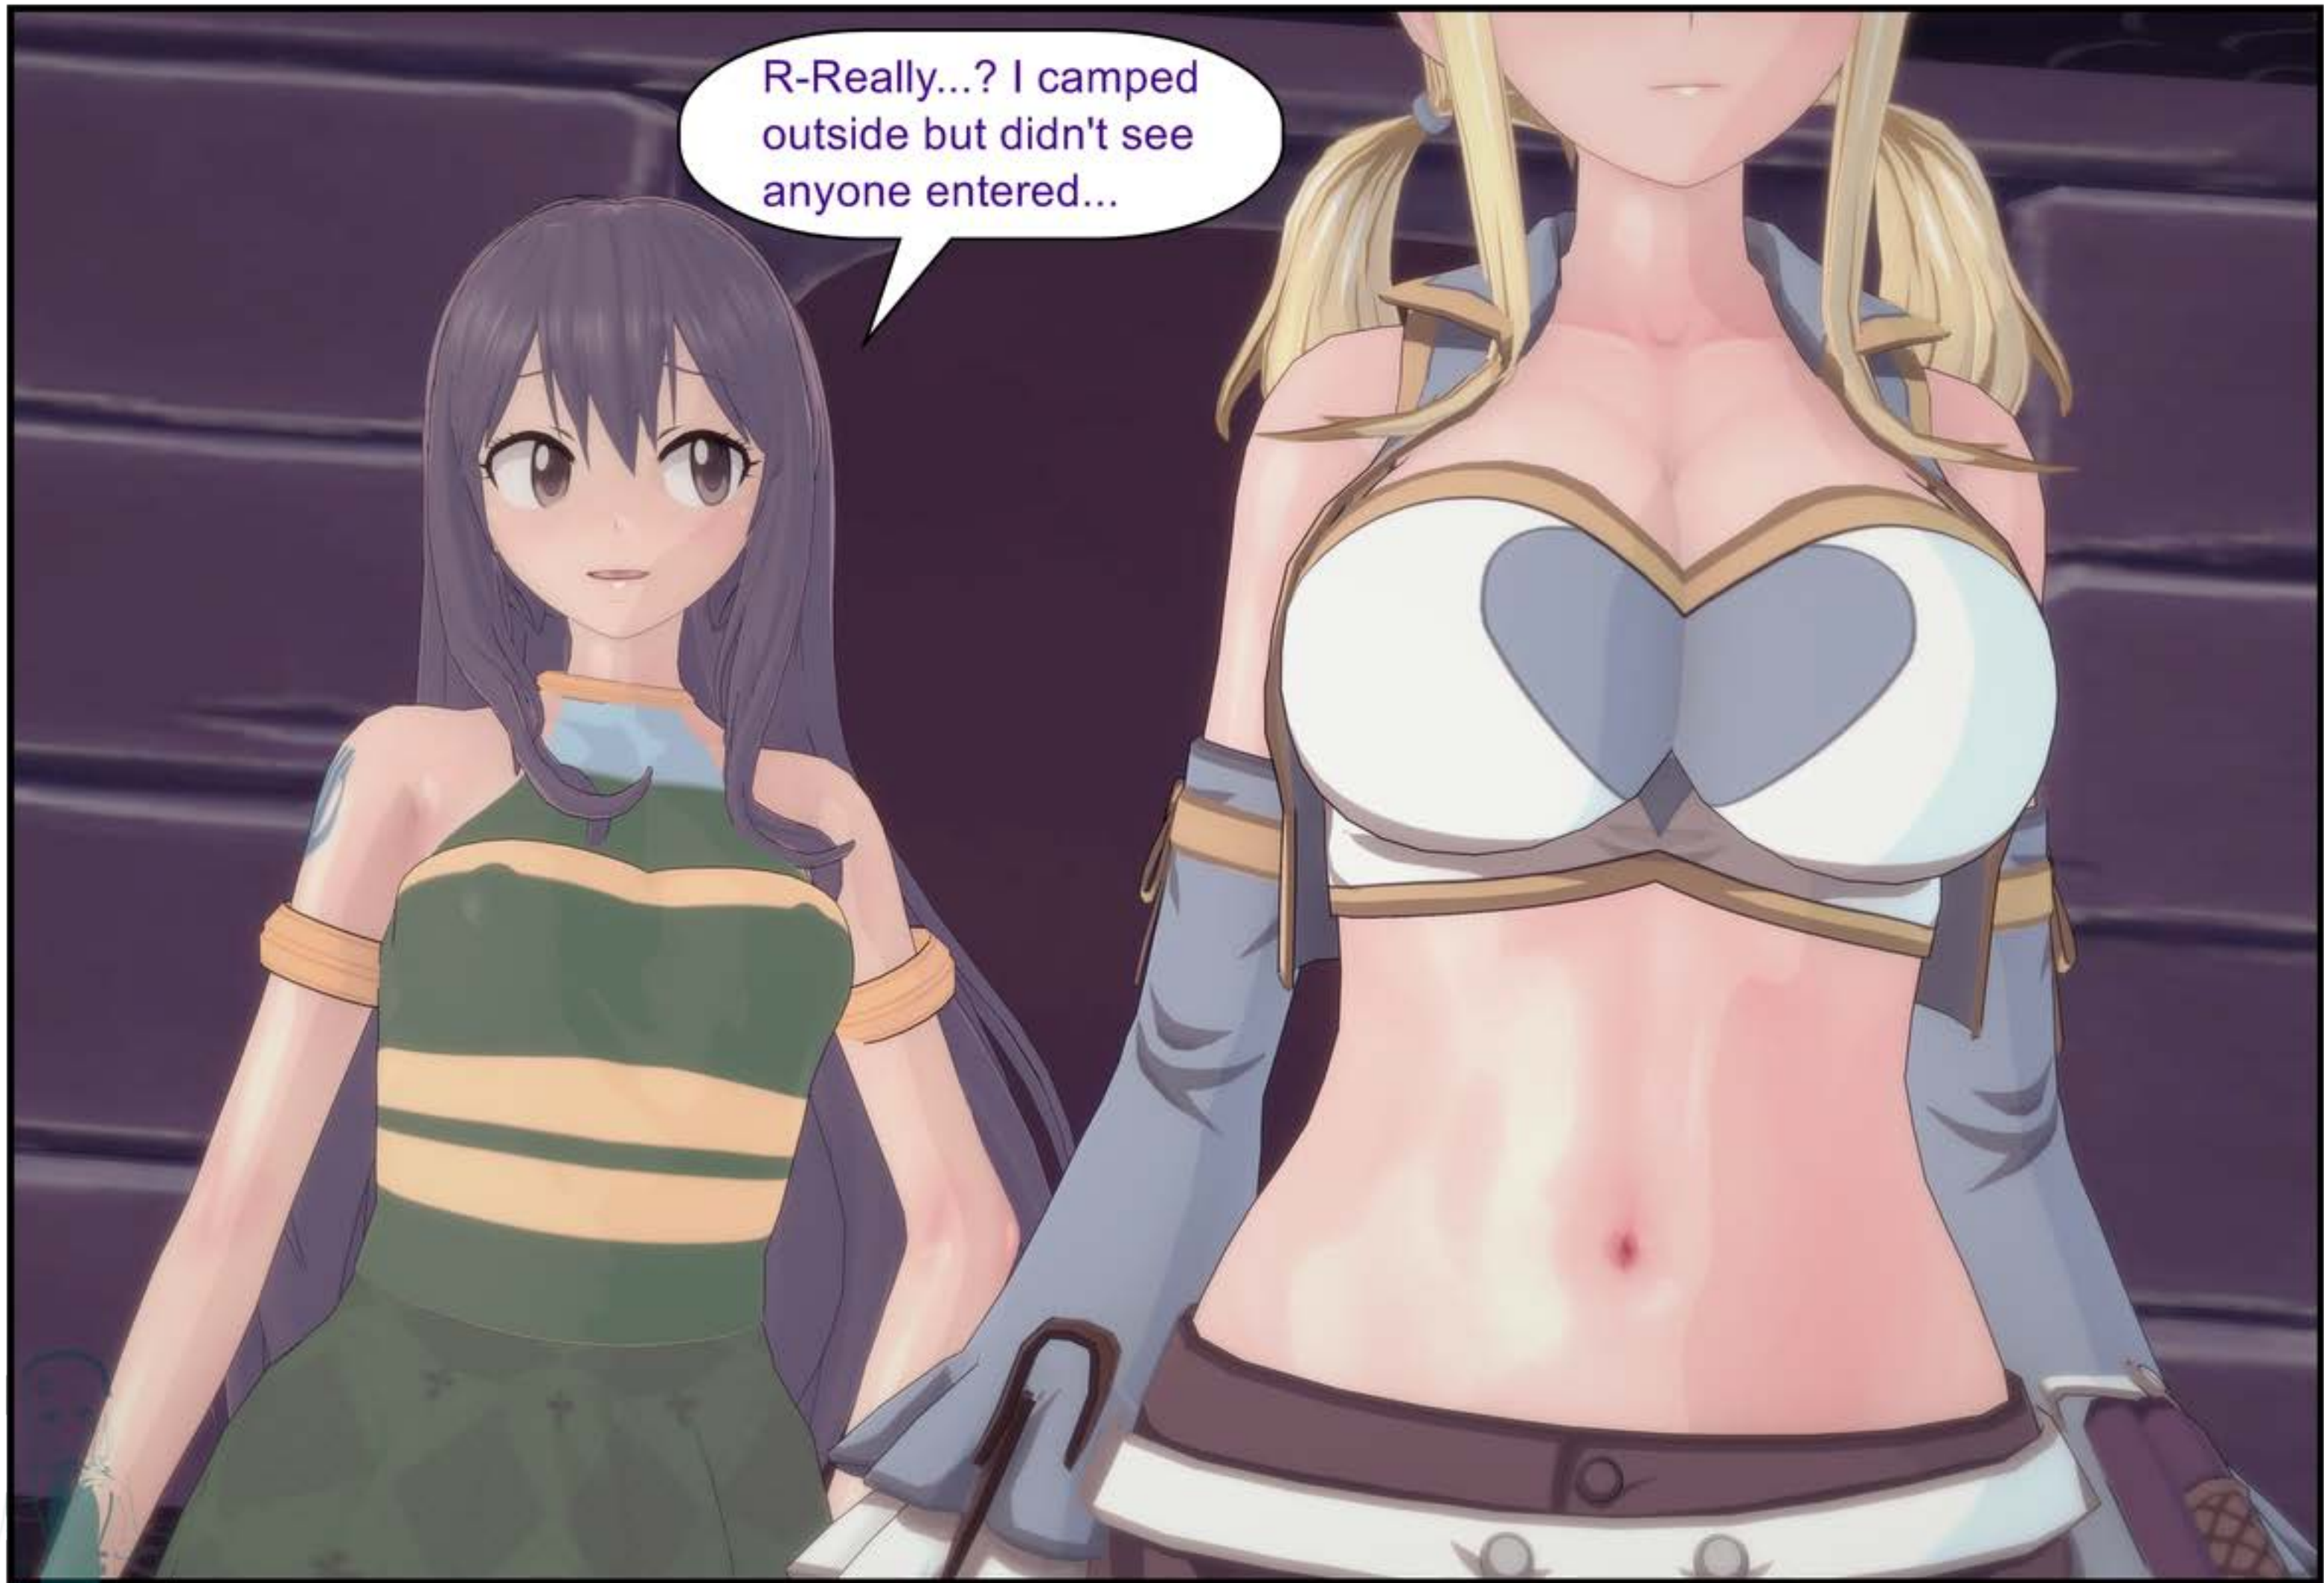

It's like... someone  
been here before us.

R-Really...? I camped  
outside but didn't see  
anyone entered...

It's a sign...

E-Eh...?

A clear and straight path to the treasure for us, Wendy!

Ah... Is that so...

Ahaha, our guild will have a huge treat tonight!

Hmph...

Wendy? Is there's something wrong?

No, I'm coming!

This is... the end  
of dungeon.

A blonde anime-style girl with a ponytail is shown from the chest up. She has large, expressive eyes and a slightly open mouth, suggesting surprise or confusion. Her hair is bright yellow and styled in a high ponytail with a blue hair tie. She is wearing a blue and white outfit with gold-colored straps. The background is a dark, textured wall. A speech bubble is positioned to her left, and several black lines radiate from the top left of her head, emphasizing her reaction.

I don't see any...

It's a treasure chest!!!

Let's see what is  
in here... Gold? Crystal?

H-Hold on... This signature...

"No, this is not a chest... It's..."

A manga-style illustration of a character in a dark room. On the left, a blonde character with a starburst above her head looks towards the right. She wears a white and blue bikini top, a dark skirt with a white belt, black thigh-highs, and brown boots. In the center, a large, ornate wooden coffin is visible. On the right, the lower half of another character is shown, wearing a green skirt and tan high-heeled shoes. In the background, a skeleton is visible on the right, and a scroll with Japanese characters hangs on the wall. A speech bubble above the blonde character contains the text "A coffin...".

A coffin...

Really, you human easy to believe there is a treasure in this dungeon?

A monster impersonated  
Wendy!? Where is she?

You either tell me  
now or I will make  
you talk!

A dark, blurry illustration of a room. In the background, there is a window with a grid pattern and a door. The overall scene is dimly lit and out of focus.

"W-Where am I...?"

W-What...!? My clothes...

"Ugh... My wrist...  
I can't move!"

That chain has a curse...  
Prevent the victim to move  
or use magic.

I didn't think you would easily fall for my trick.

Where did you keep Wendy!?

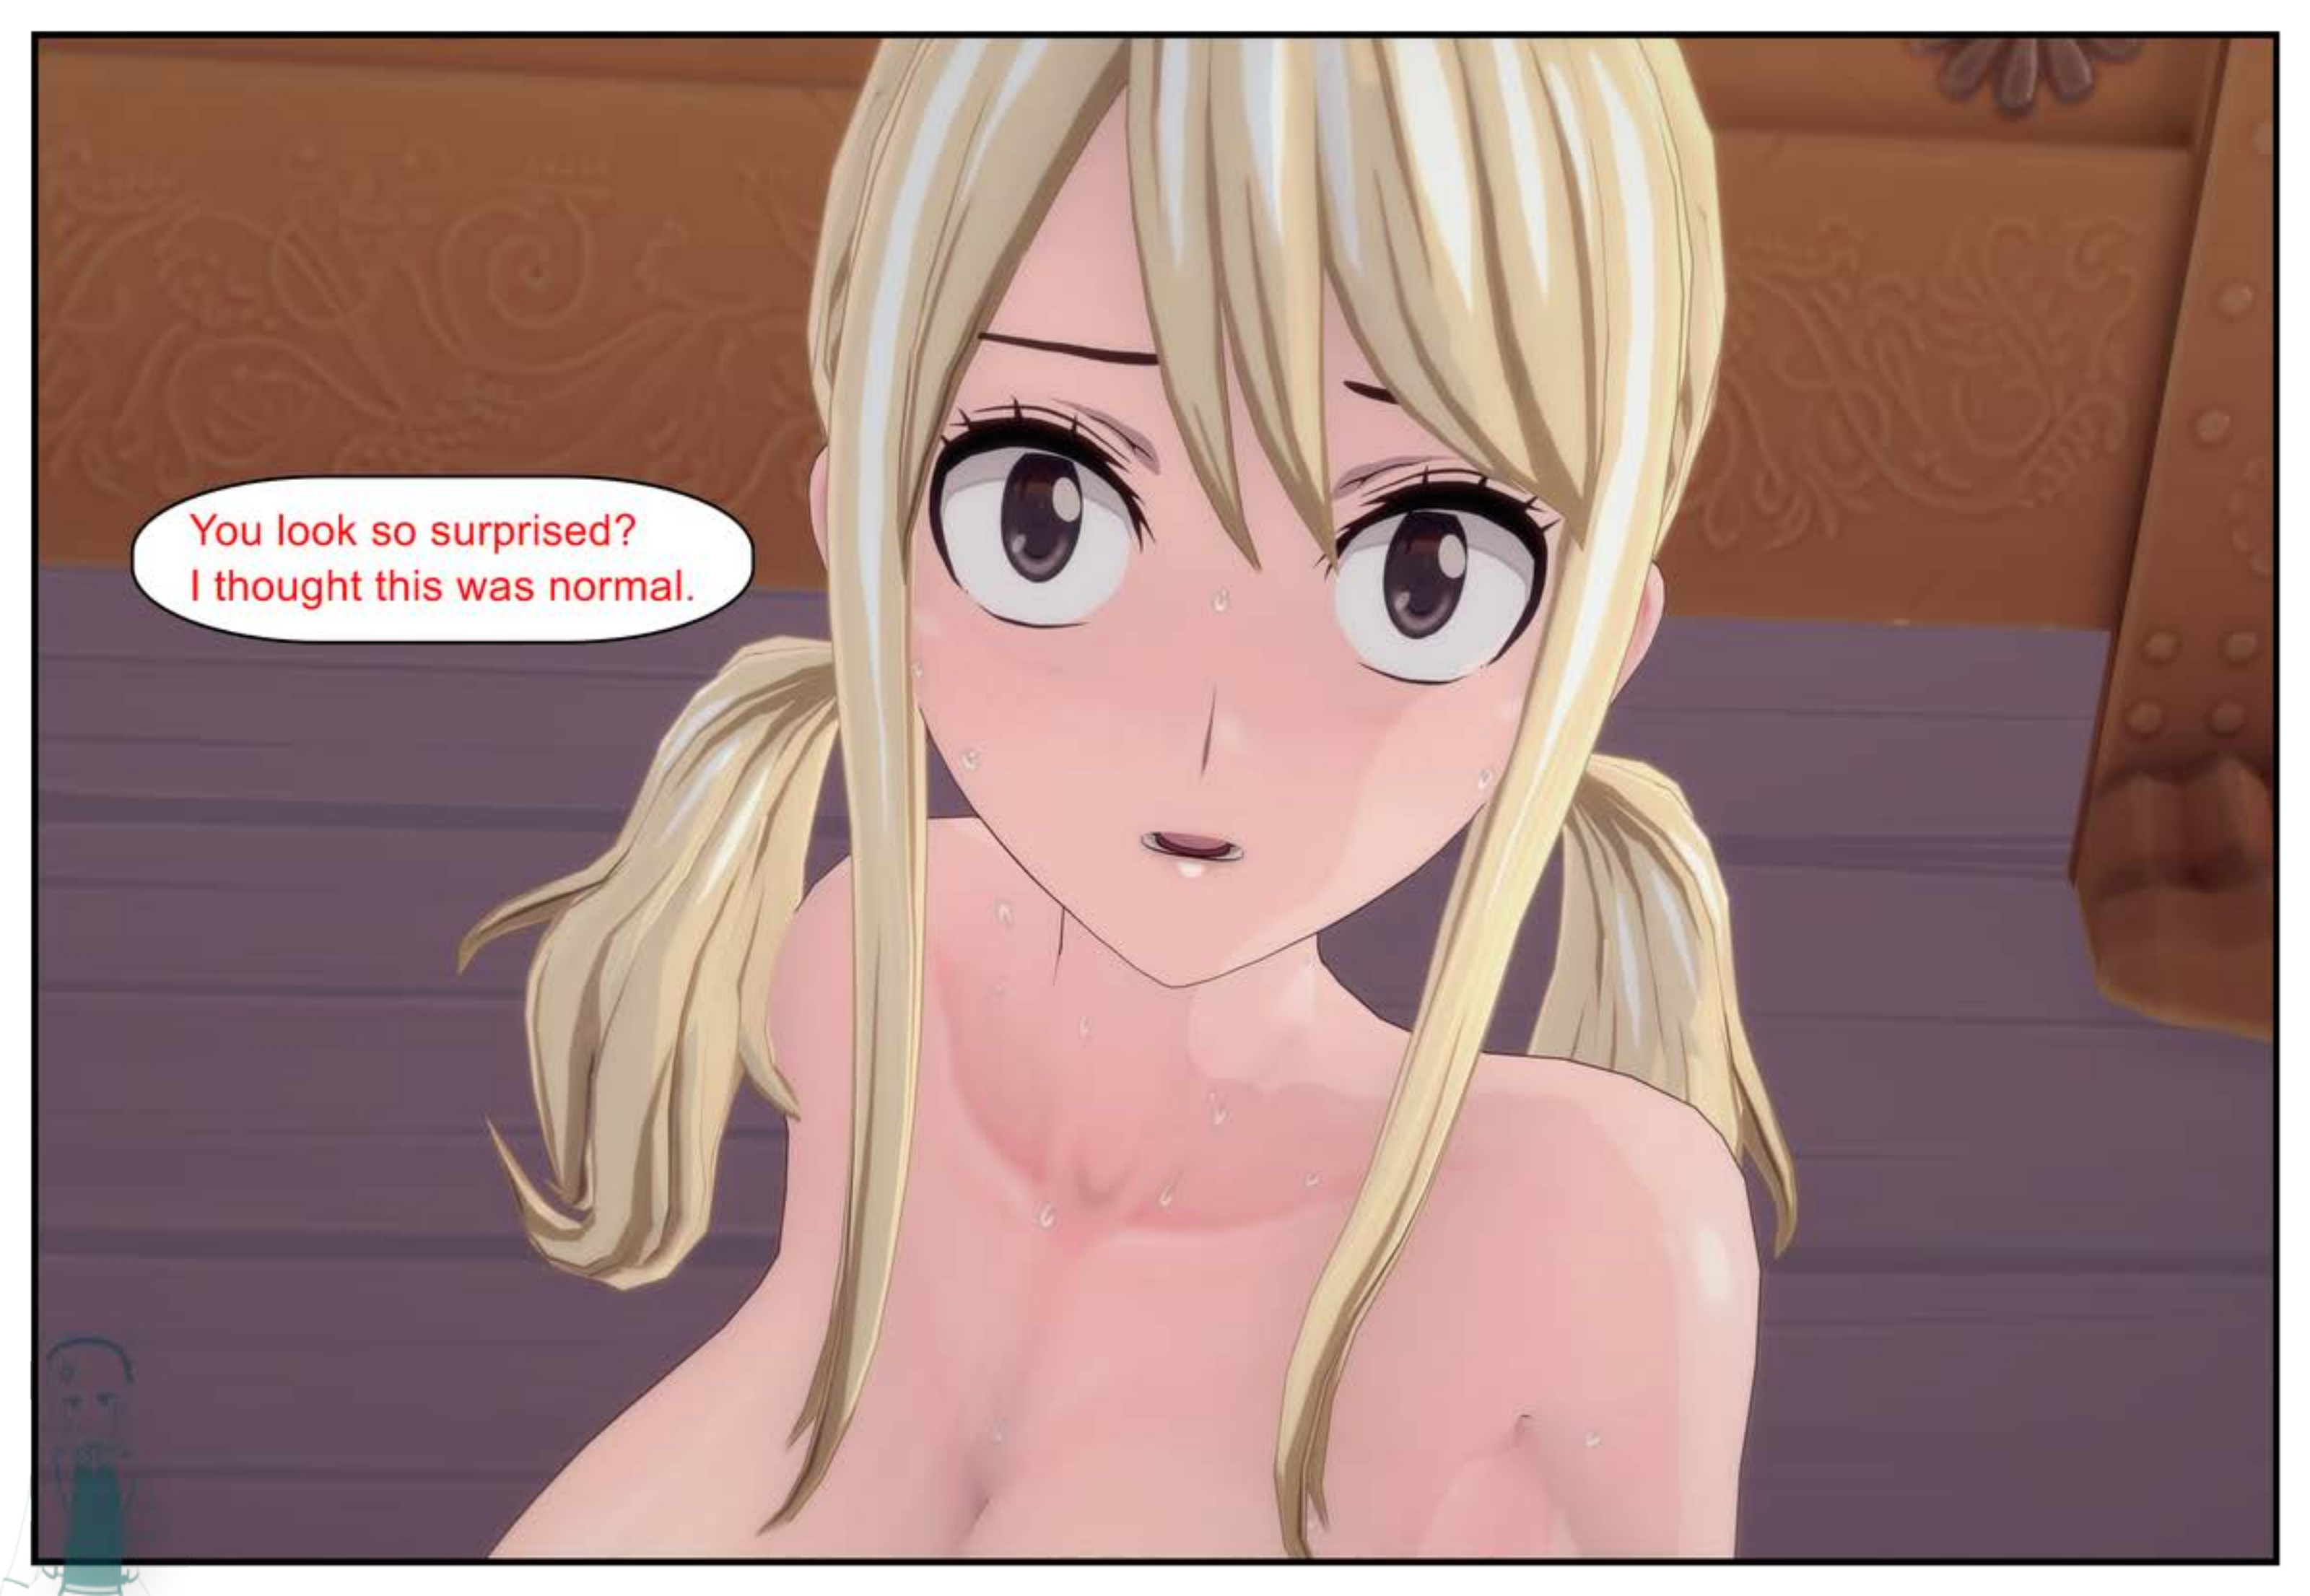

You seem to not understand the situation...

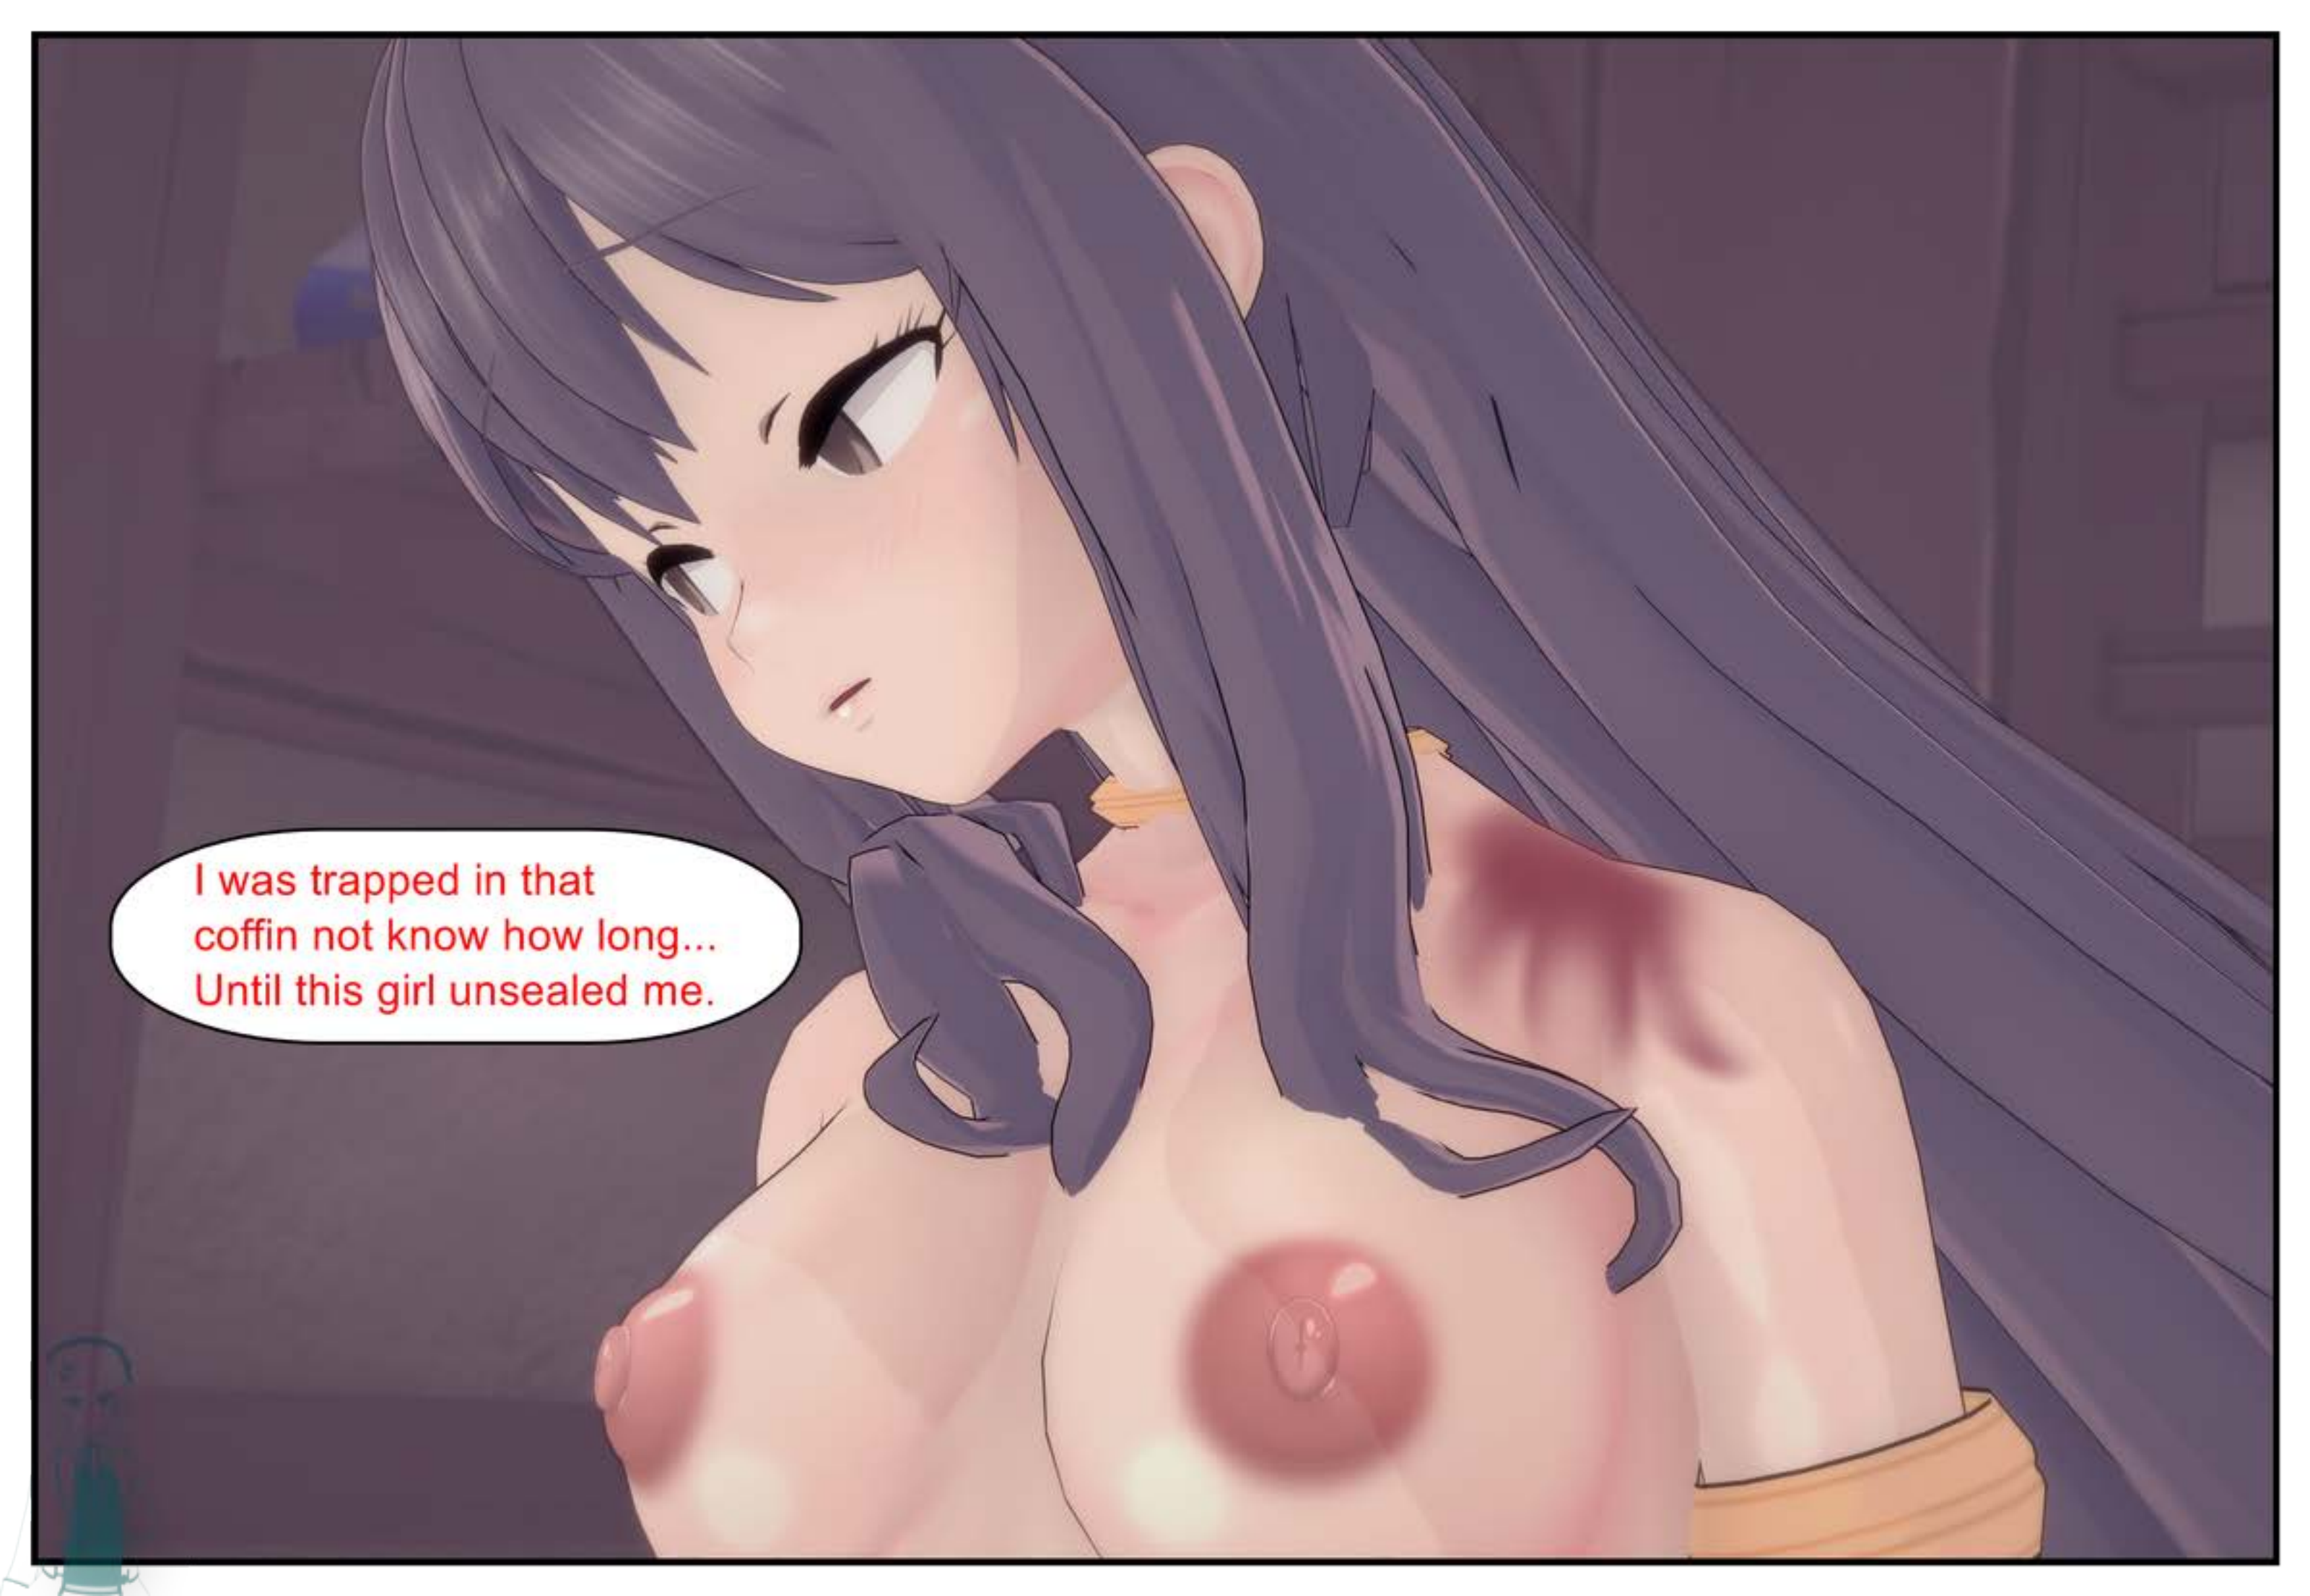

I am your Wendy.

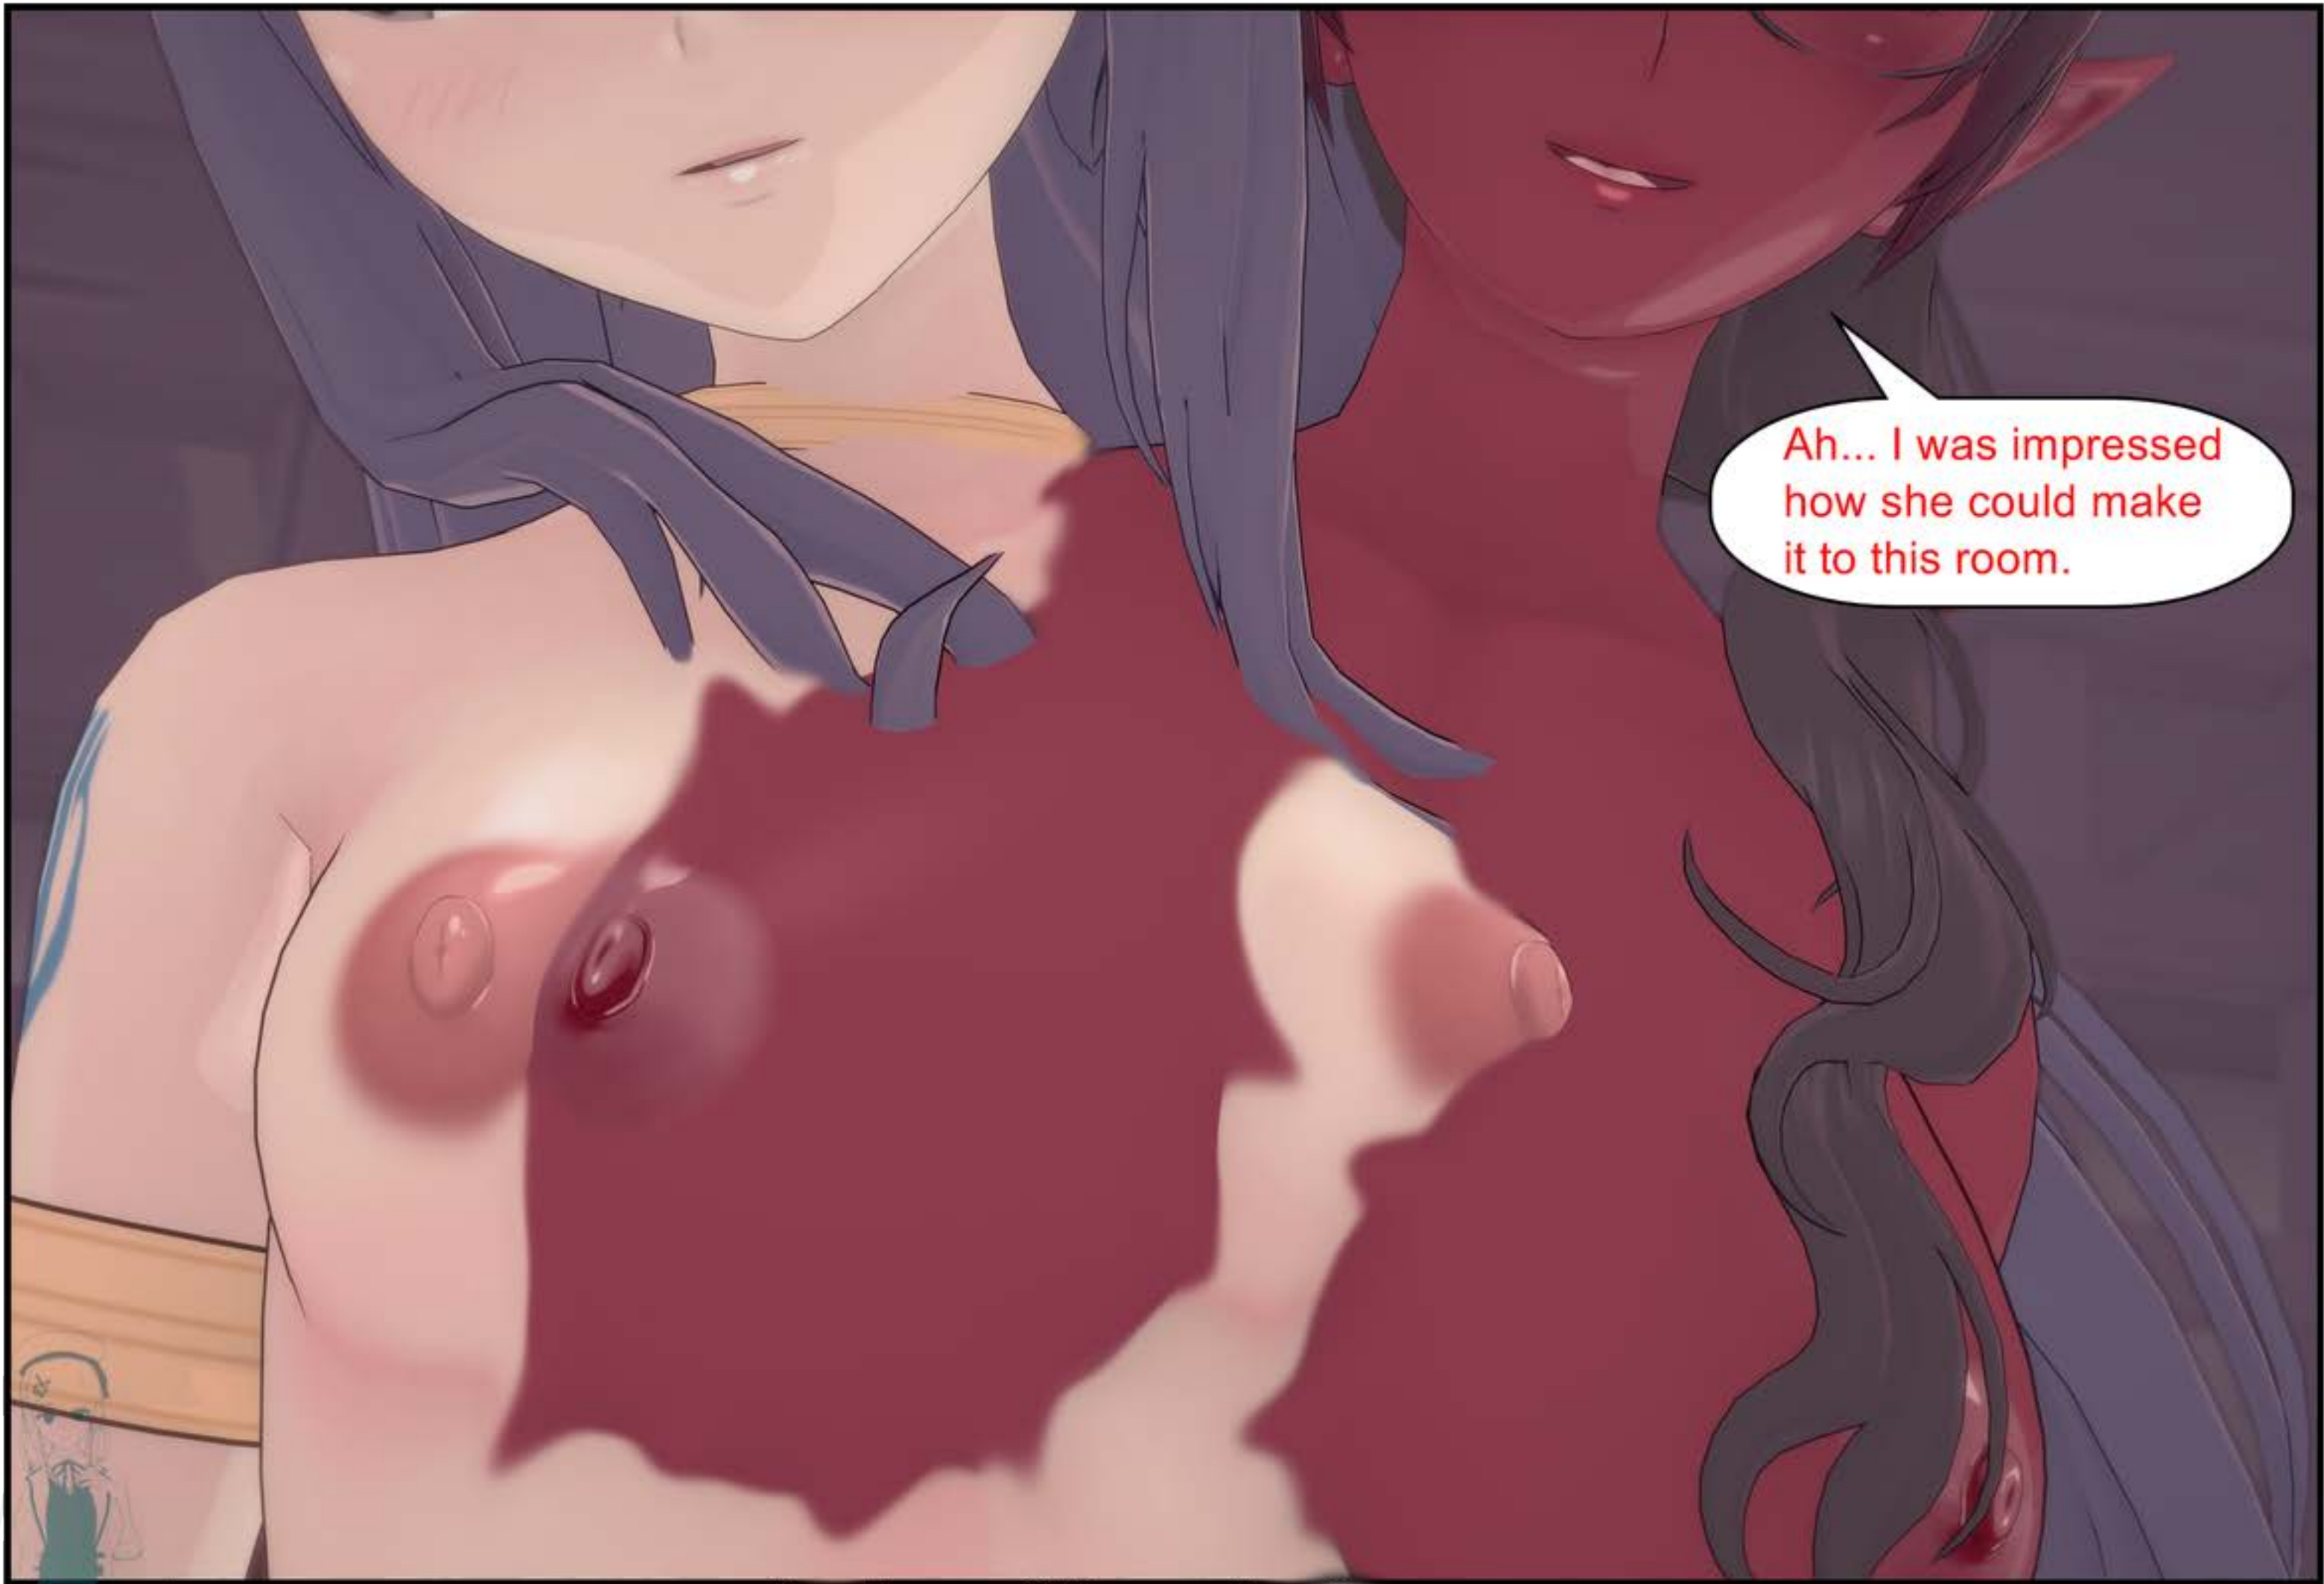

You look so surprised?  
I thought this was normal.

I was trapped in that coffin not know how long...  
Until this girl unsealed me.

Ah... I was impressed  
how she could make  
it to this room.

So... no moment to think...

A woman with long, dark, wavy hair is shown in profile, facing left. She is wearing a green and yellow horizontally striped, sleeveless dress. She has a thin gold choker and a wide, textured gold armband on her left upper arm. Her hands are resting on the edge of a large, light-brown wooden coffin. The coffin is open, and inside, two long, thin, light-colored objects, possibly incense burners or brushes, are visible. The background is a dimly lit room with a stone wall and a tall, dark, ornate lamp post on the left. The overall atmosphere is somber and mysterious.

As soon as your  
friend open the coffin...

W-What is this...?

A corpse...?

I was waiting for you.

It still alive...!?

I rewarded the girl by taking over her beautiful and powerful body.

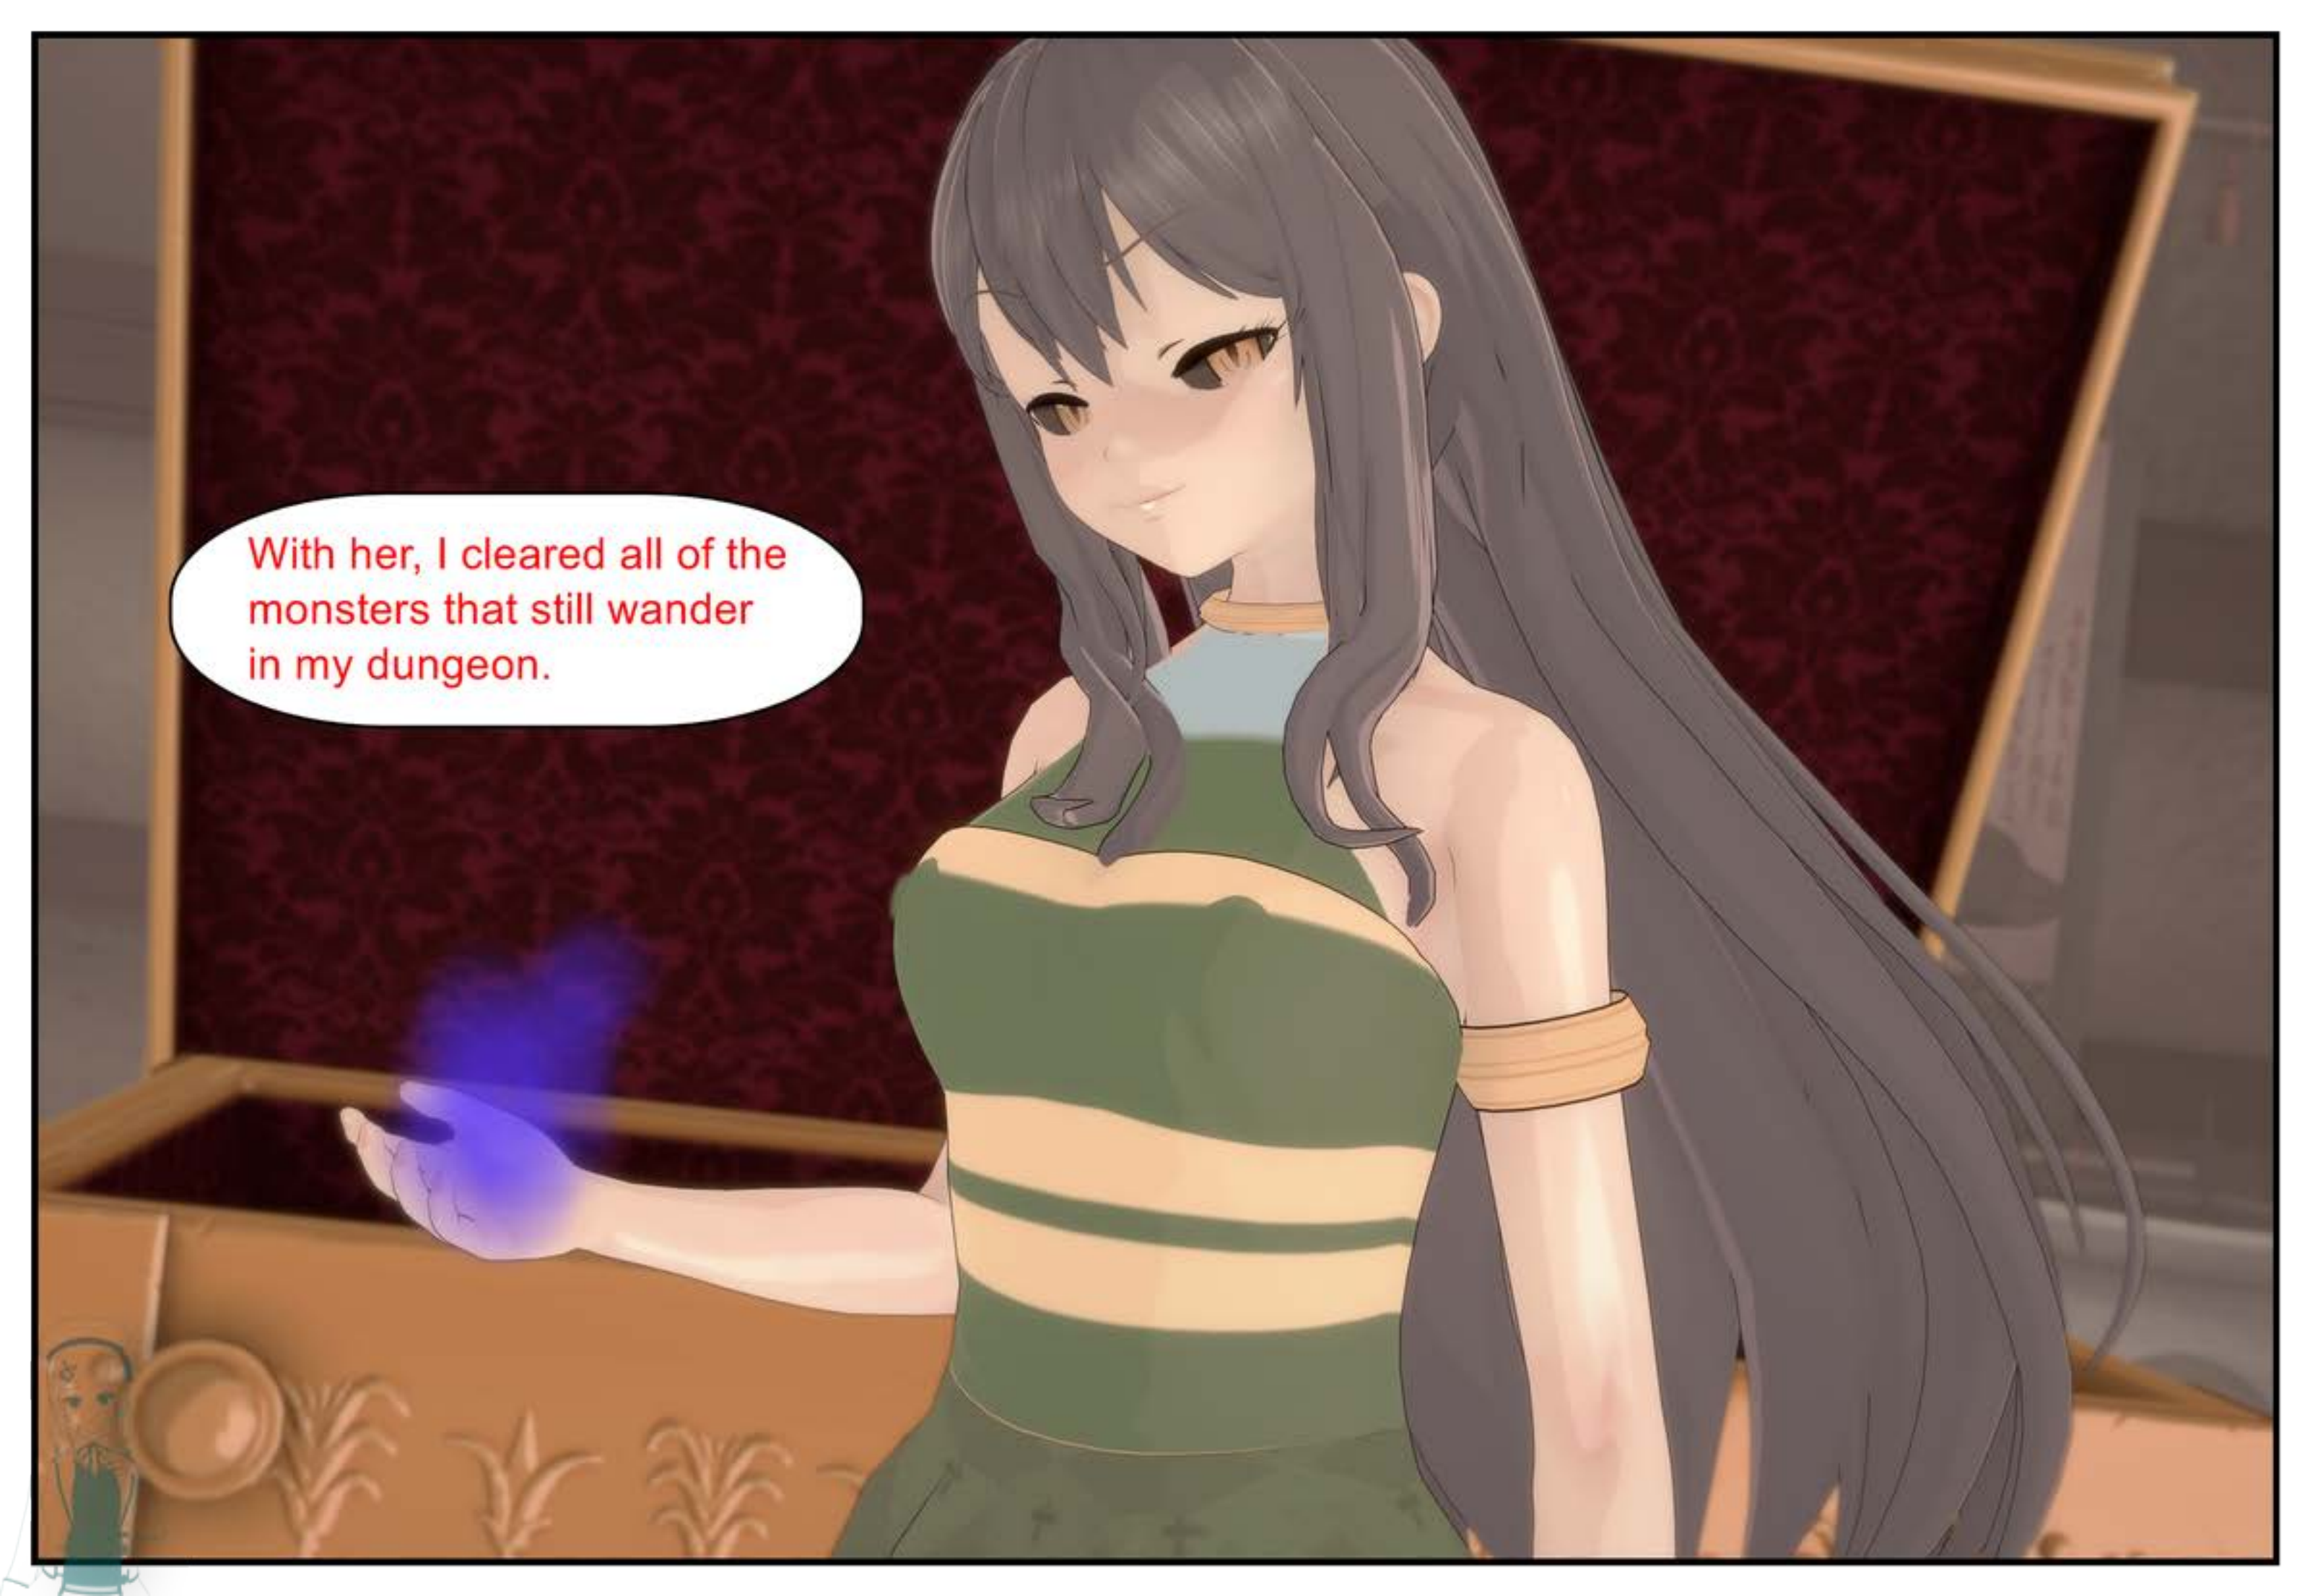

A character with long, straight grey hair is shown from the back, wearing a green dress. The character is standing in a room with a dark red patterned wall on the left and a grey wall on the right. A small, stylized character is visible in the bottom left corner.

This is why I was sealed... Because of my possession ability...

With her, I cleared all of the monsters that still wander in my dungeon.

That was why... people  
afraid of demon like me.

So they put me trapped  
inside that coffin for a  
thousand of years...

Was it because your  
ability has limit? And  
they took the chance?

A red-skinned devil character with horns and glasses, pointing upwards with a speech bubble. The character has long black hair with a red bow, and is wearing black gloves. The background is a dark, stylized cityscape.

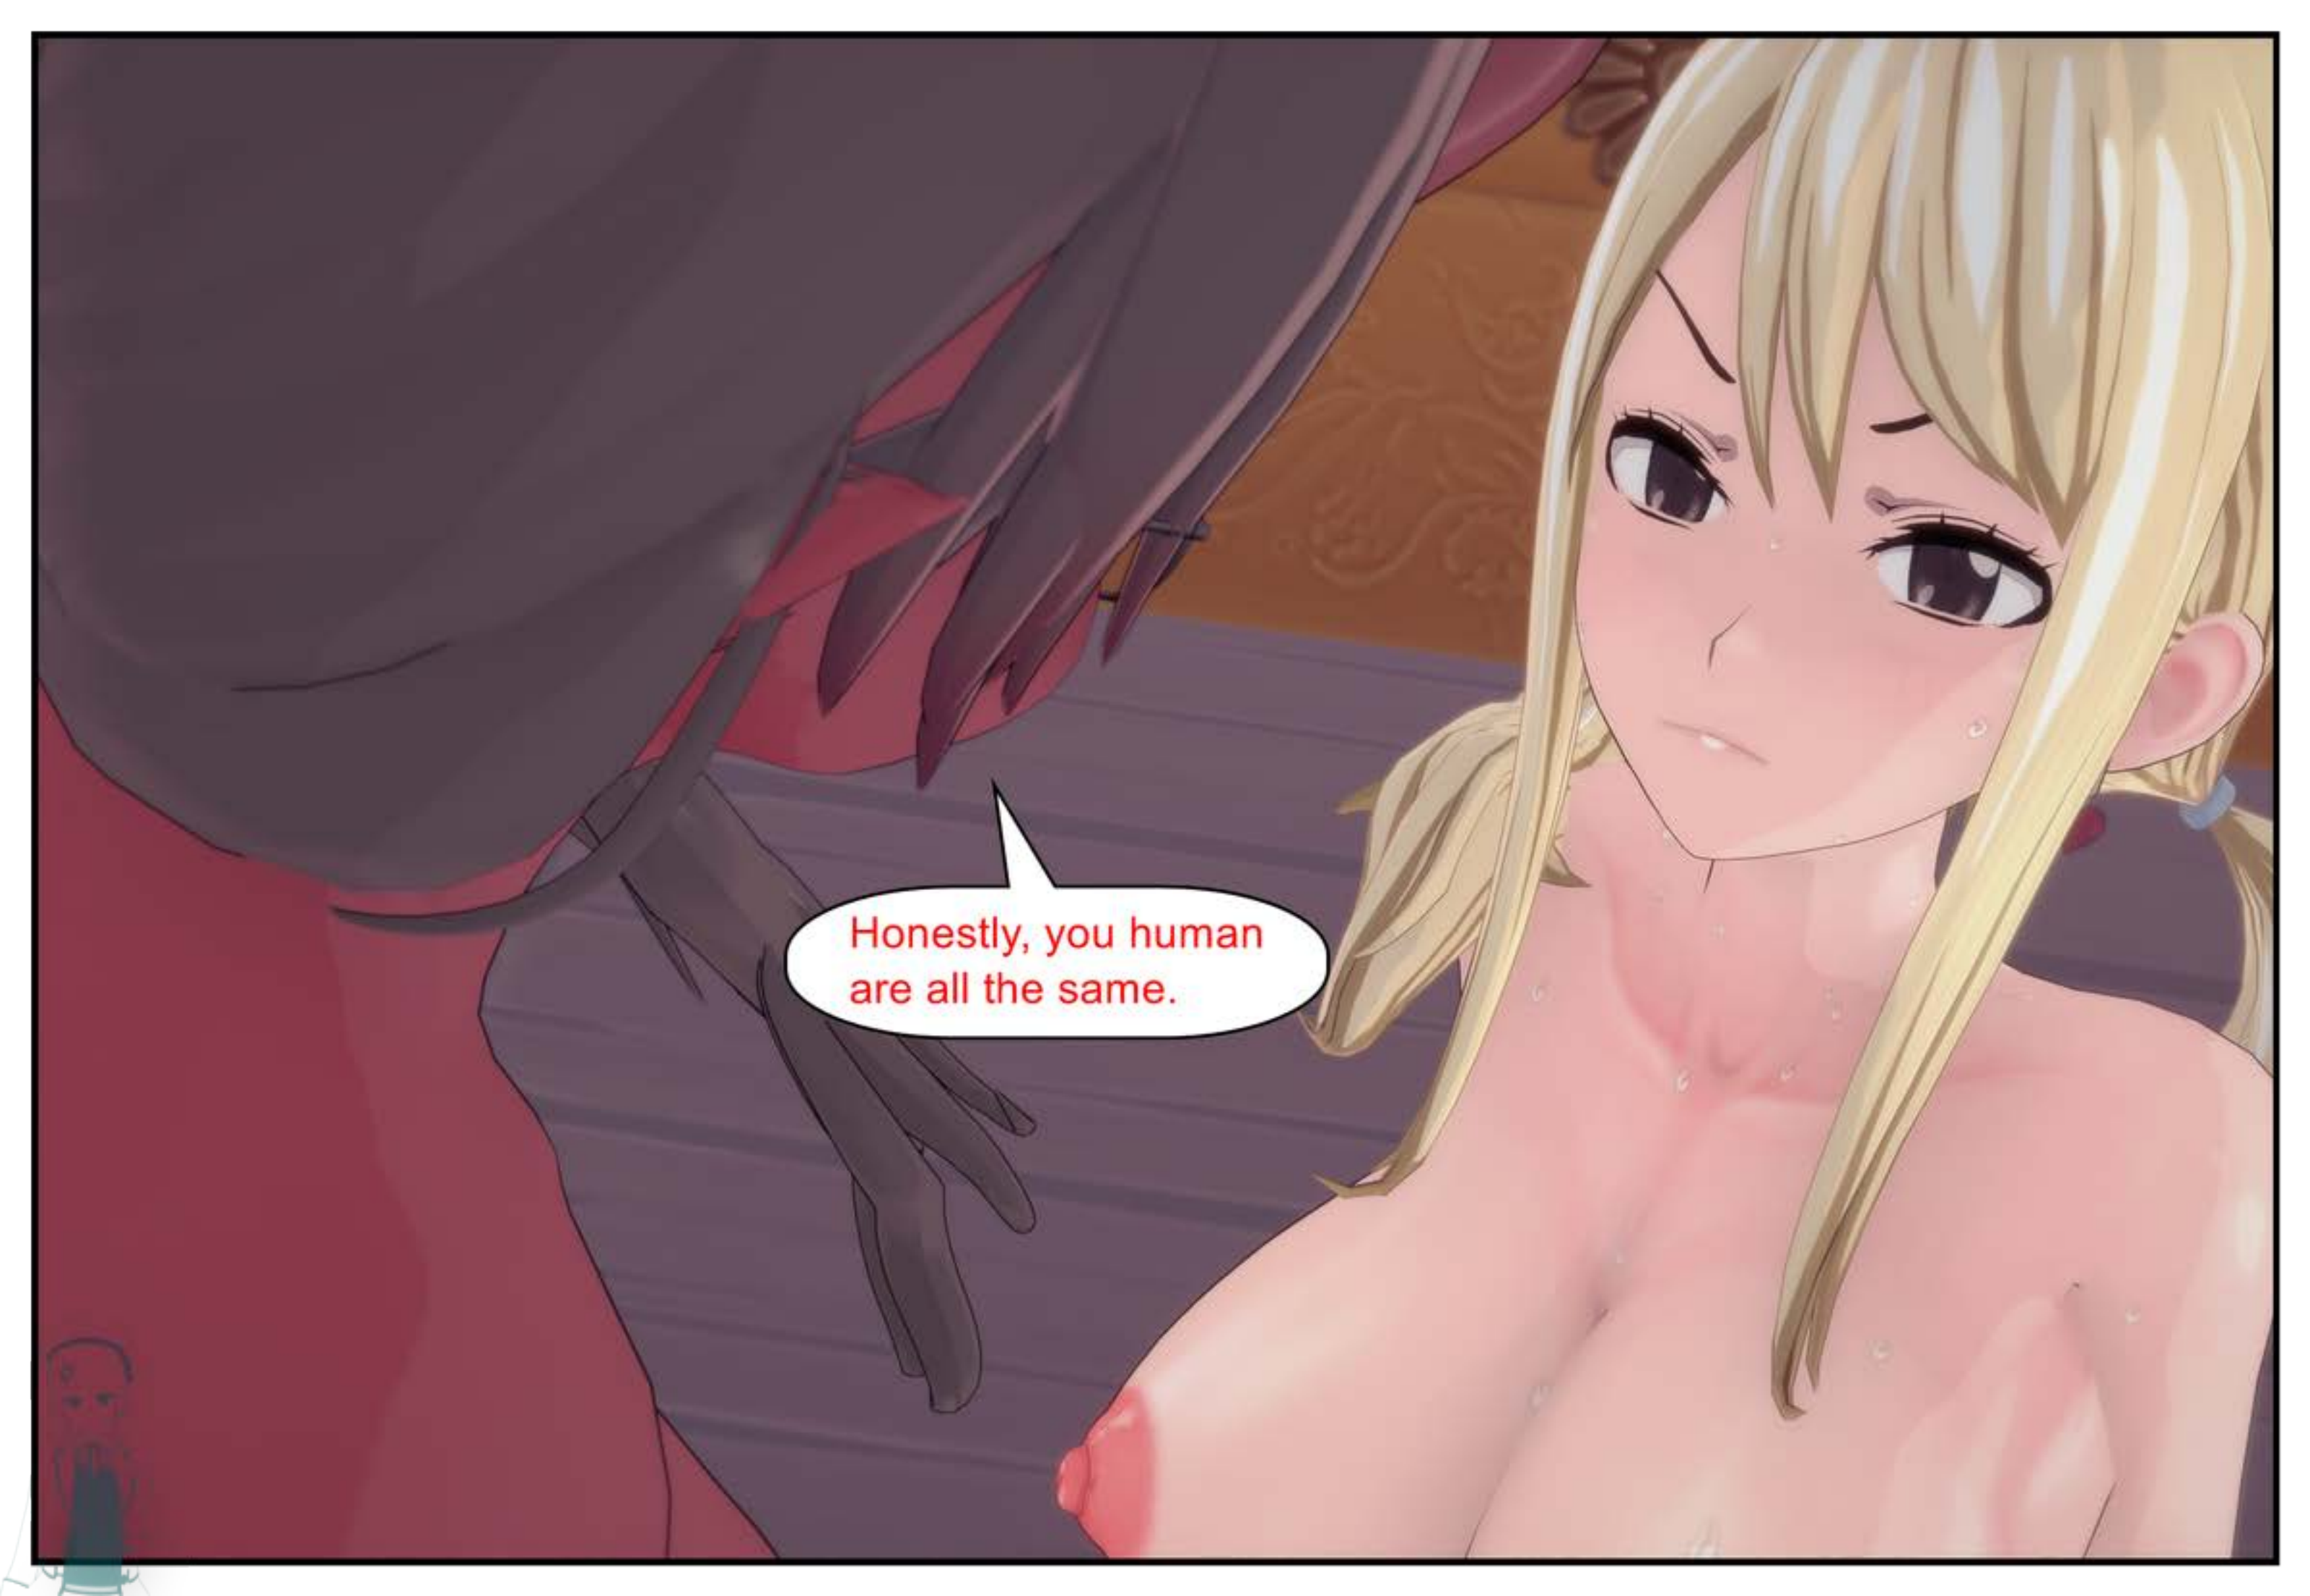

No, I was fooled by a mage and she able to lock me up.

Now, you all want  
the treasure so bad?

A manga-style illustration featuring a blonde woman with long hair and bangs, looking slightly to the left with a neutral expression. She has a small mole on her left cheek and is wearing a dark blue top. To her left, a dark-skinned character with long, dark hair and a red garment is partially visible, with a hand reaching towards her. A speech bubble from this character contains the text. The background is a simple brown wall with a patterned curtain.

Honestly, you human  
are all the same.

Enough talk then.  
Keep your eyes open, Lucy.

H-Hey...!!! What  
are you going to do!?

*\*Whooooosshhh\**

Don't ever believe  
what a Demon say...

\*Fwoooooosshhhh\*

Resist is useless, Lucy.  
Your body is going to be mine.

A blonde woman is shown from the waist up, looking distressed. She has a large, bright red circular mark on her chest, resembling a nipple or a wound. Her expression is one of pain, with her mouth open in a gasp. The background is dark and indistinct. There are two speech bubbles: one on the left with red text and one on the right with orange text. The overall style is that of a manga or anime illustration.

The more you do,  
the more pain you get.

Ah... Arrrgghhh...  
Aaaaahhhhhhhh!!!!

Hehe... A body for a body...

Oh... I'm going to enjoy her so much.

"Let's see... if I could turn her into my form."

Yes... This is good...

Turn her into a demon form like me... perfect.

Hm... What should I do with her?

"Oh? Do you have any suggestion?"

To be continued?

Care to tell me  
your thought?
