## **KINK: ISSUE #1**

Welcome to an experimental odyssey into the realms of desire.  
Welcome to the world of KINK.

This first issue was created as an alternative to MEN rewards for Imperator Tier pledgers. Though MEN series are awaiting remaster, I wanted to craft something I have not done before. That is a magazine type image set, where a certain KINK dominates the theme.

Every two months, Imperators can vote on the next KINK they want to see, with various familiar faces beloved in the community.

The winner of the poll and the starter of this journey is Interracial KINK.

I hope you enjoy this publication as I enjoyed making it.
