So...

You've been spanking students to fulfill your own fantasies...?

What a little rebel, refusing your spanking ~!

You couldn't solve the problem either, so that's double the spansks♥

Let go of me!

Calm down! She's still our teacher!

When I remember what you did to me...!

トキトキトキトキトキトキトキトキ

はたはたはたはたはたはたはた

I like this place more, so why...

It was useless to have come here in the first place.

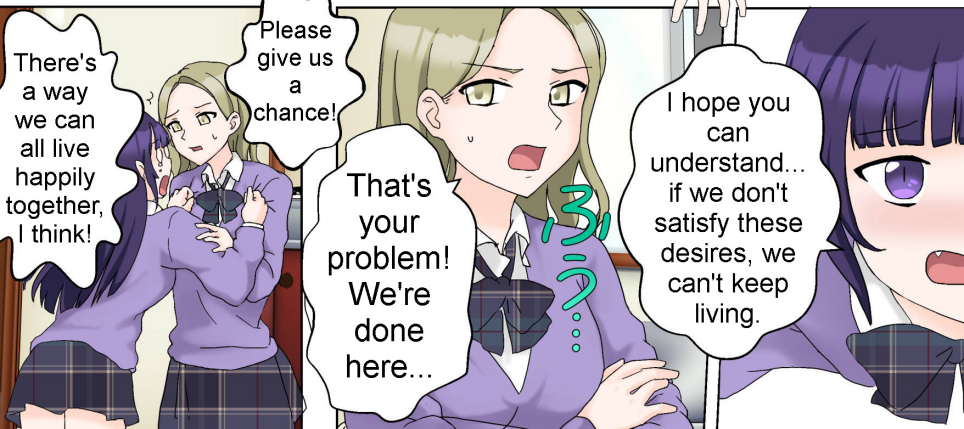

I'm sorry... My sister and I will leave this place.

Big sis...

I'm sorry! It was our fault!

ドッ!!

There's a way we can all live happily together, I think!

Please give us a chance!

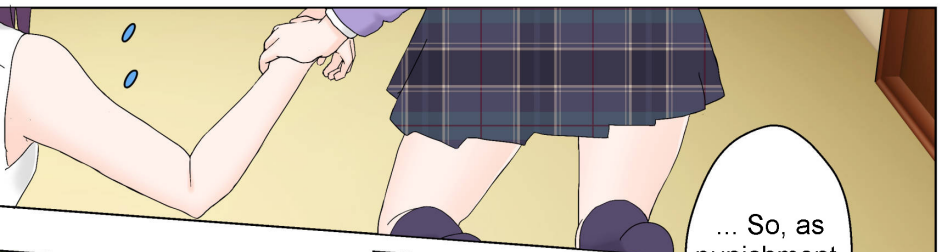

That's your problem! We're done here...

I hope you can understand... if we don't satisfy these desires, we can't keep living.

ヒッ...

And... What might that be...

... So, as punishment,

...?

...?

...?

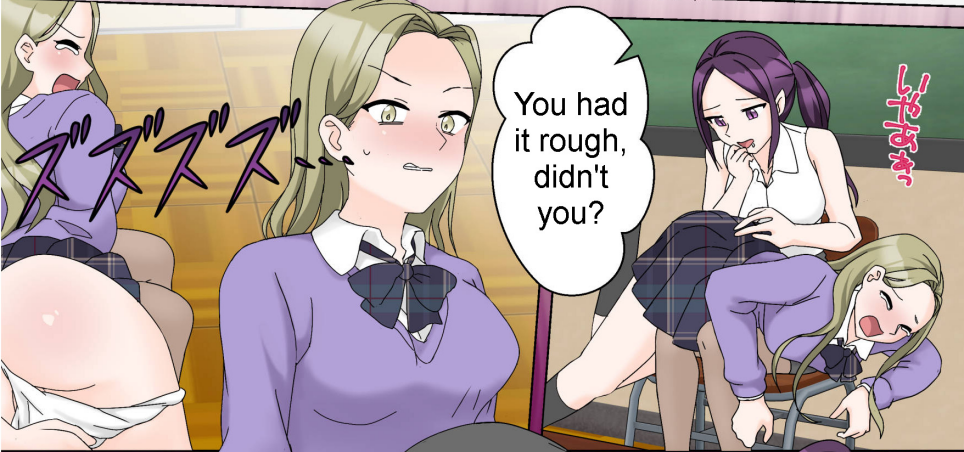

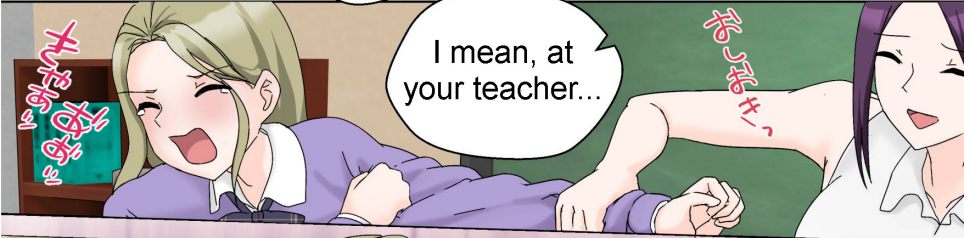

you spank big sis and me.

ずんずん!

Don't mess with me!
There's no way that'll be a punishment for you two!

For revenge!

That's right, if I don't take this chance, I'd feel sorry for myself for always being spanked!

It's finally my turn!

Come on, say it! Say you're sorry and to forgive you!

T-then, me too...

Eh?!

...

To be honest...

I get it already!
What're you doing?!
Wait!

I've also deceived humans because I was sexually frustrated, like my sis...

You're actually my ideal type. Hehe.

Gentle...
With black hair... Like a hero from story books...

お尻

じー

So I won't lie to you anymore.

!!!

I have a request.

Will you spank me?

I want to be spanked by you.

ドッキーン!

What's this...?
This is more fun than I thought.

Is this okay? To spank a girl I just met today...

Your voice is too soft, sensei!

Ah, whatever ...

ぱんぱん

ぱんぱん

ぱんぱん

H-harder...!

I'm sorry~
Forgive me~

Um... So the answer to this question is 45...

ガラガラ

There's still 40 minutes left for this class...

Let's call it a day. Be careful going home, everyone~

Eh? What...

Hasn't math class been weird lately?

She's not even giving strange questions.

I'll spank you lots today, too♡

O-okay...

I'm borrowing your home, sis~

Let's meet in the infirmary later.

So Ken... is interested in this sort of thing after all.

Ken, 19

トキトキ

Marie, 24, remarried

It's got nothing to do with you, auntie! You're not my mom!

But... Mommy's worried about you...

What do you mean, 'mommy'? Who's that?!

I'll punish you. Take off your p-pants.

Y-you shouldn't say that!

Ever since my remarried husband died a year ago, I've been living with his son.

It's okay if mommy sees, isn't it?

A son who's only 5 years younger than me...

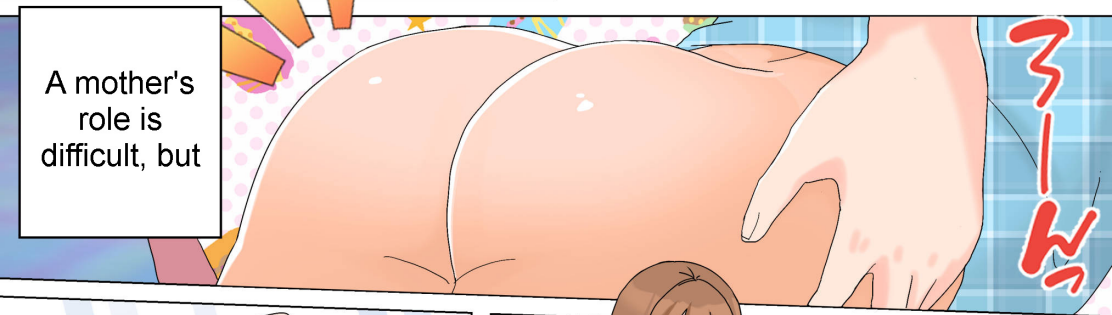

W-what're you talking about?!

From today onwards, mommy will spank Ken if you misbehave.

Underwear down, too!

A mother's role is difficult, but

3-1-W

I'll still do my best.

じー

Ugh!

I'll let you off with 30 today, but next time you'll get 100 slaps!

Urk!

I-I'm sorry...

Now,

we'll end it here today.

Now come to the room in the back and lay down with your butt out.

Mommy will put some ointment on your butt.

How much of this is a mother's role, I wonder...

Punishment
Office 201
Target
Offenders:
Class 1 to 5

Geez~
Didn't you
promise
me you'd
be good?

Waaahh~

This is where
those who were
given light
sentences at
the police
station come to
be spanked.

Haa...

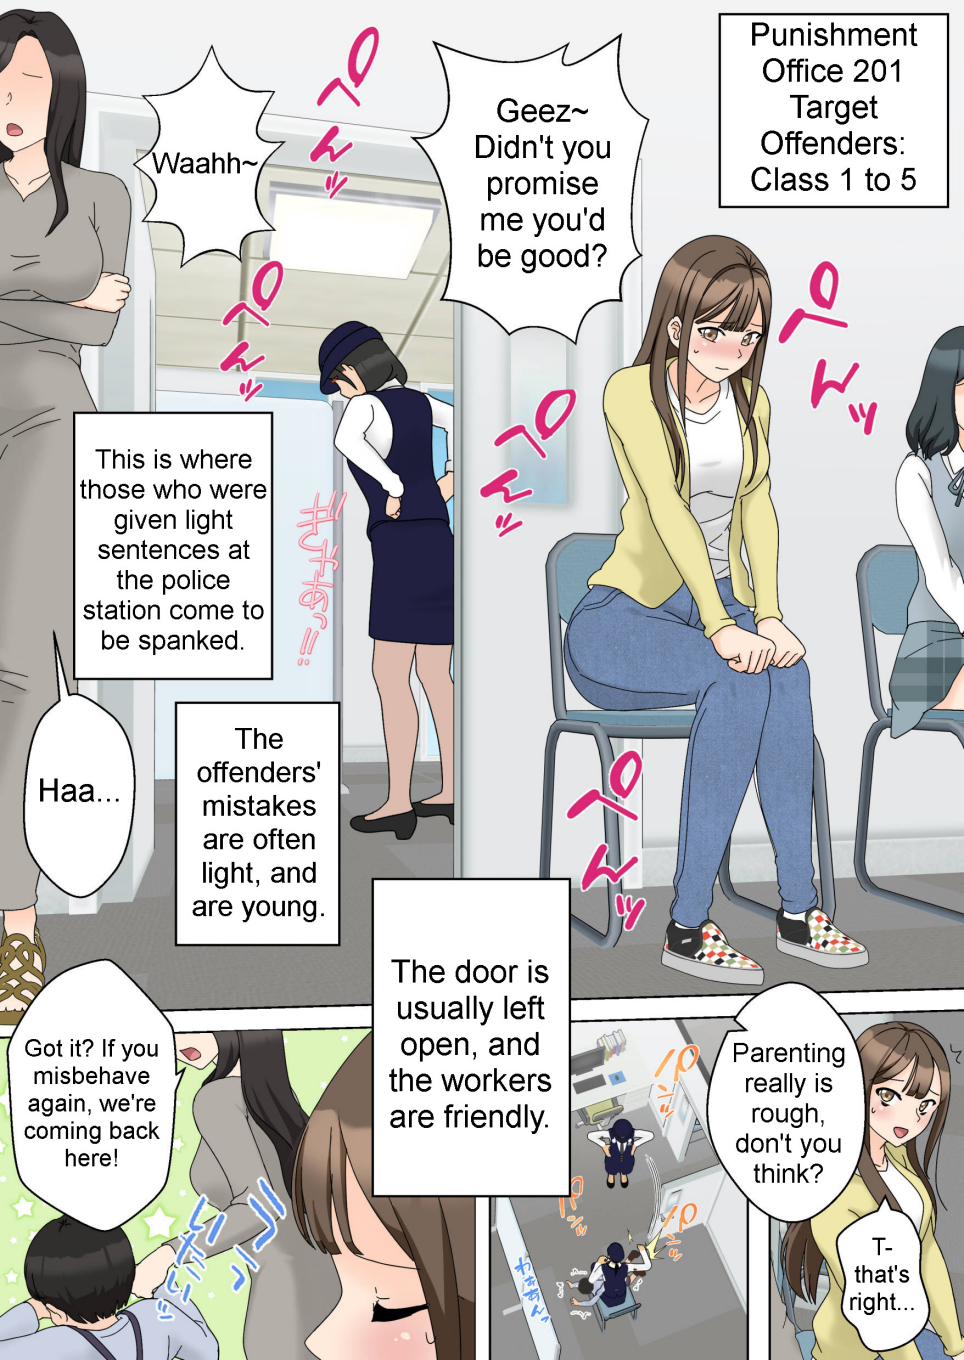

The
offenders'
mistakes
are often
light, and
are young.

The door is
usually left
open, and
the workers
are friendly.

Parenting
really is
rough,
don't you
think?

T-
that's
right...

Got it? If you
misbehave
again, we're
coming back
here!

At her age...
What on Earth...

Ah, this room is only for children!

Guardians should stay outside...

U-Um!

Please give me a Class 1 discipline!

Then, could you bare your bottom and lay over my lap?

A-ah! Right...!

P-please take care of me.

This is embarrassing...

あらッ

か! あん

Alright~ Bad girls
get 10 spansks~

Y-yes
ma'am...
I'll be
good...

Punishment Office
301
Target Offenders:
Class 6 to 10

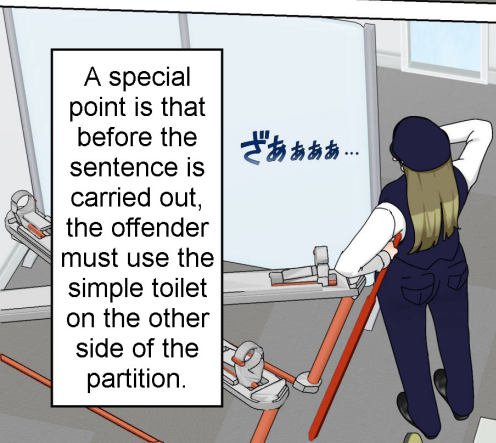

This is where those
with serious
offences are
punished.

Next!
Come
here!

Alright.
Remove
your
clothes.

コソコソ

A special
point is that
before the
sentence is
carried out,
the offender
must use the
simple toilet
on the other
side of the
partition.

As opposed to
201, the
atmosphere is
stern, the
doors are
locked, and
one officer is
armed.

The reason, of course...

It's time! Come out!

is that the spankings here are very painful,

Tch... At least gimme time to wipe...

and it's to prevent "accidents" during punishment.

We'll now begin the Class 10 punishment.

Ugh ...

No more! I can't
take anymore!
Please forgive
me!

Eek!

ギョアアアア

Ugh...
My butt...

ギョアアア

No matter how
proudful the
offender, the
spankings here
will make them
good again. ☆

Okay~
Let's
go!

A message?
"A scary man is
hitting the
keyboard and
making noise"
...?

I work the
counter,
clean and
all that.

I work
at a
net
cafe.

Um...
Sir?

What?
I'm
playing
a match
right
now.

And
sometimes
...

Can you
please play
quietly? Or
do I have to
chase you
out?

I get to scold the
customers with
bad manners♡

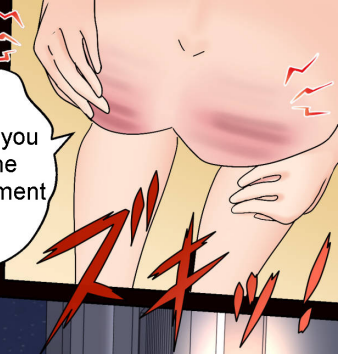

I get it!
Stop! I'm
in the
middle of
a game!

B-but mom, anything but that...

Now go out, Witch Position for 10 minutes before coming back.

Thank you for the punishment ...

The "Witch Position" is... a punishment position where I hold the cane between my legs like how a witch rides her broom.

I have to kneel out in the corridor, on top of a styrofoam box so it doesn't hurt my knees.

If the cane falls, I have to hold it longer, so I'm really nervous.

But most scary of all...

Please, no one come...

Shh! Can't you see she's embarrassed?

Mommy, that big sis...

かあああ...

In the blink of an eye, graduation

Haa... I thought last month's spanking would be the last...

But it's been a month since you last wet your diapers, so you get 30 spansks.

I'm sorry! It hurts too much, Mina! Please forgive me!

Why did you run away when you were on cleaning duty yesterday?!

I'm sorry, forgive me! I'll do it today!

DISCIPLINARY DEP.

Yes, this is the Punishment Room from the Human Resources department. May I speak to Miss Maho from Sales Team B?

The poor performing staff is... Ah, hello, ma'am.

Yes, please come down after reporting to the team lead.

Oh right, the company's new directives mean the punishment is now 50 slaps, not 30, so please bear that in mind.

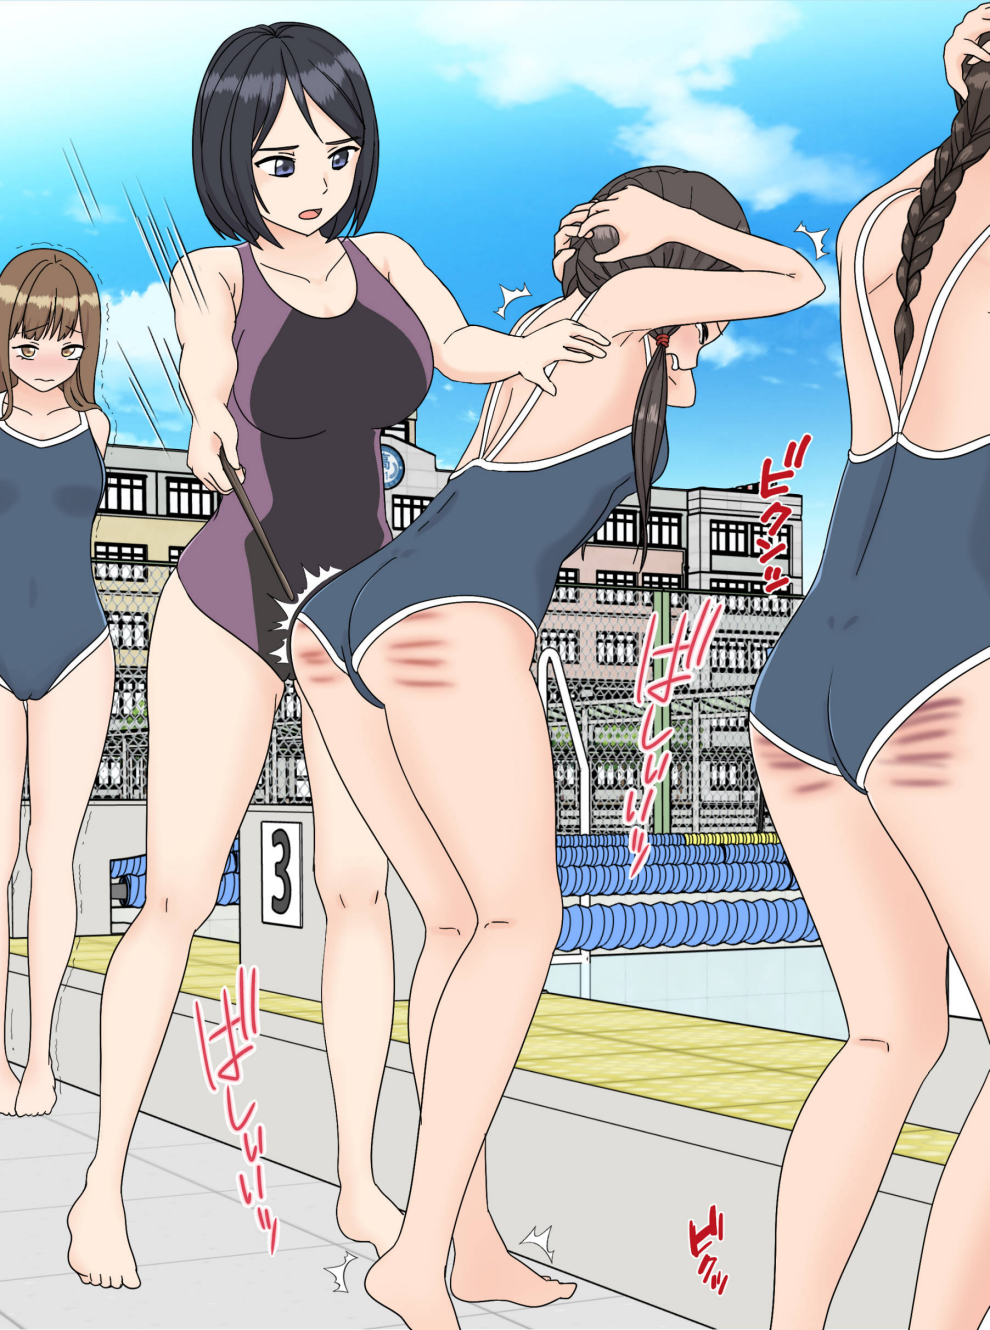

Yes, I'll leave it to you later.

We found this in her house. As ordered, we'll carry out her sentence.

We know that much, at least!

If you're the captain, you should at least know where your clan's head is!

Please!
No more!

Maybe I should quit this job... I have a wife like her at home...

I closed one eye to
your mistakes, and
you go and ruin the
event?

I-I'm
very
sorry...

Seeing how
well you're

you must be

being
smacked.

Manager,
starting
tomorrow,
prepare a
schedule where
this one gets
spanked.

This is the bookshop's prep room. It's where excess books and cleaning tools are kept, and also where thieves are taken to be punished.

Hello, is this the police station? May I ask what class of offence is stealing?

Ugh... To be in this stupid position... This sucks.

Eh~ Class 6, huh. That sounds painful. You see, at my bookshop right now...

Right now, a bad girl who tried to steal magazines is being welcomed here!♪

Sometimes, there're kids who can't accept the reality of their situation and fight back...

W-wait!
You didn't have to report it, did you?!

Ugh, whatever!
Do what you want!

Hmm, maybe you're right.

With just a phone call, the problem is solved☆
