Greedy as  
ever, Sister  
Modest.

We haven't  
even finished  
sorting...

You'd be  
famished too,  
if you had to  
clean all the sheets  
and underthings.

Nasty  
women,  
you are.

What a  
mood!

Here, if  
our *stentch*  
hasn't spoiled  
your appetite.

It's the last  
I've got before  
the grocer comes  
'round.

So take  
small si--  
hey!

wah-!

Oh, it's just Plenty.

Come, I've saved the last for you!

No, Clement, that's...

I need to put Mother Tenacious to bed.

You've done the inventory, yes? It's getting done?

What, can't you see?

The grocer comes at sunrise.

You'll be the one dealing with him this time, remember.

Oh, bed down the hag, Plenty.

Hahaha!  
haha
