

PAGE SIXTY-SIX(five panels)

Panel 1: We cut to Griswold, showing him yank the panties down.

SFX: Yank!

Panel 2: Lucia, in the air above him, is yanked downward by her panties.

Panel 3: Rearing back, Griswold punches her hard in the stomach, causing her to lurch forward, blood flying out her mouth.

Panel 4: He then repeats this action over and over, bouncing her back and forth like a paddleball as he wildly laughs.

SFX: Punch! Punch! Punch!

Panel 5: Then, he rears back, punching the beat-to-hell Lucia into a building, creating a huge billow of smoke and sending bits of rubble everywhere.

SFX: Smash!

GRISWOLD: Just die already.

PAGE SIXTY-SEVEN(five panels)

Panel 1: Shot of Lucia sitting in the rubble of the building, blood pouring down her face, transformed back into her normal clothes and looking barely conscious. Kern and Max are next to her. Kern's smacking her face while Max is angrily glaring at Griswold.

SFX: Smack!

KERN: Lucia? Lucia, wake up!

MAX: You are First Enemy.

Panel 2: Lucia reaches up, grabbing Kern's hand, stopping him from slapping her. She looks at the sky, blood leaking out her mouth. Kern's making a blank-face.

LUCIA: I...can't...win.

KERN: Yeah, I only told you that *ten* times!

GRISWOLD(not shown): Move.

Panel 3: Badass shot of Griswold standing there, smoke billowing all around him, looking badass.

Panel 4: Back on Hen-Tie, who's yanking her phone out the butt of her panties. In the background, the screen says "*I WANNA SLEEP. TURN ME OFF, ASSHOLE.*"

HEN-TIE: This is bad.

Panel 5: She puts the phone against her ear, bouncing up and down.

HEN-TIE: Pick up...Pick up!
