

Well well

Look what  
we have here

Lum!!

What's going on?  
You've got to help me!

I've got no idea what happened  
But why would I help...

When this is the perfect  
opportunity to get you out  
of Darling's eyes forever!

Lum?!?!

**Bleh**  
**You taste horrible**

*Then don't eat me!*

**Still...**  
**I need to keep you away**  
**from Darling somehow...**

**Oh!**  
**I know!**

I can keep you  
in here instead!

That's even worse!!

I'm sorry okay  
I'll stay away from your "Darling"  
Just let me go!

LUM!!!

SNAP

Ahhh

Perfect!

Nice and snug

Safely away from diverting  
my Darling's eyes!

Mmm  
She's wriggling about in there

That feels really...

**NOPE!**  
**Not in public**

**For now I need  
to find Darling!**

**I can have fun  
with you later**

**I wonder where  
he could be?**

I saw him nearby not long ago so he can't have gone far
