

I just wanna touch them.

They look so ~~bothersome to have~~ much fun to play with.

ZAAAA PPPPP

Yeow!
What was that?
Static?

Um, Terry?
Your boobs.

Looks like you're
getting what I got.

And then some.

gryah

Not as much fun if it happens to you, is it?

Well, girl,
looks like you got what
you wanted.

Zip it,
wise ass.

Now you
can first hand see
how they feel to
play with.

Waddle over there and see if there is an undo function.

I'm afraid to move too much with these honkers.

I hope there is one.

To be continued
