

ROLE PLAYING GAMES

A BODYSUIT STORY

CREATED BY
TGAMELIA

Hey, what are you drinking?

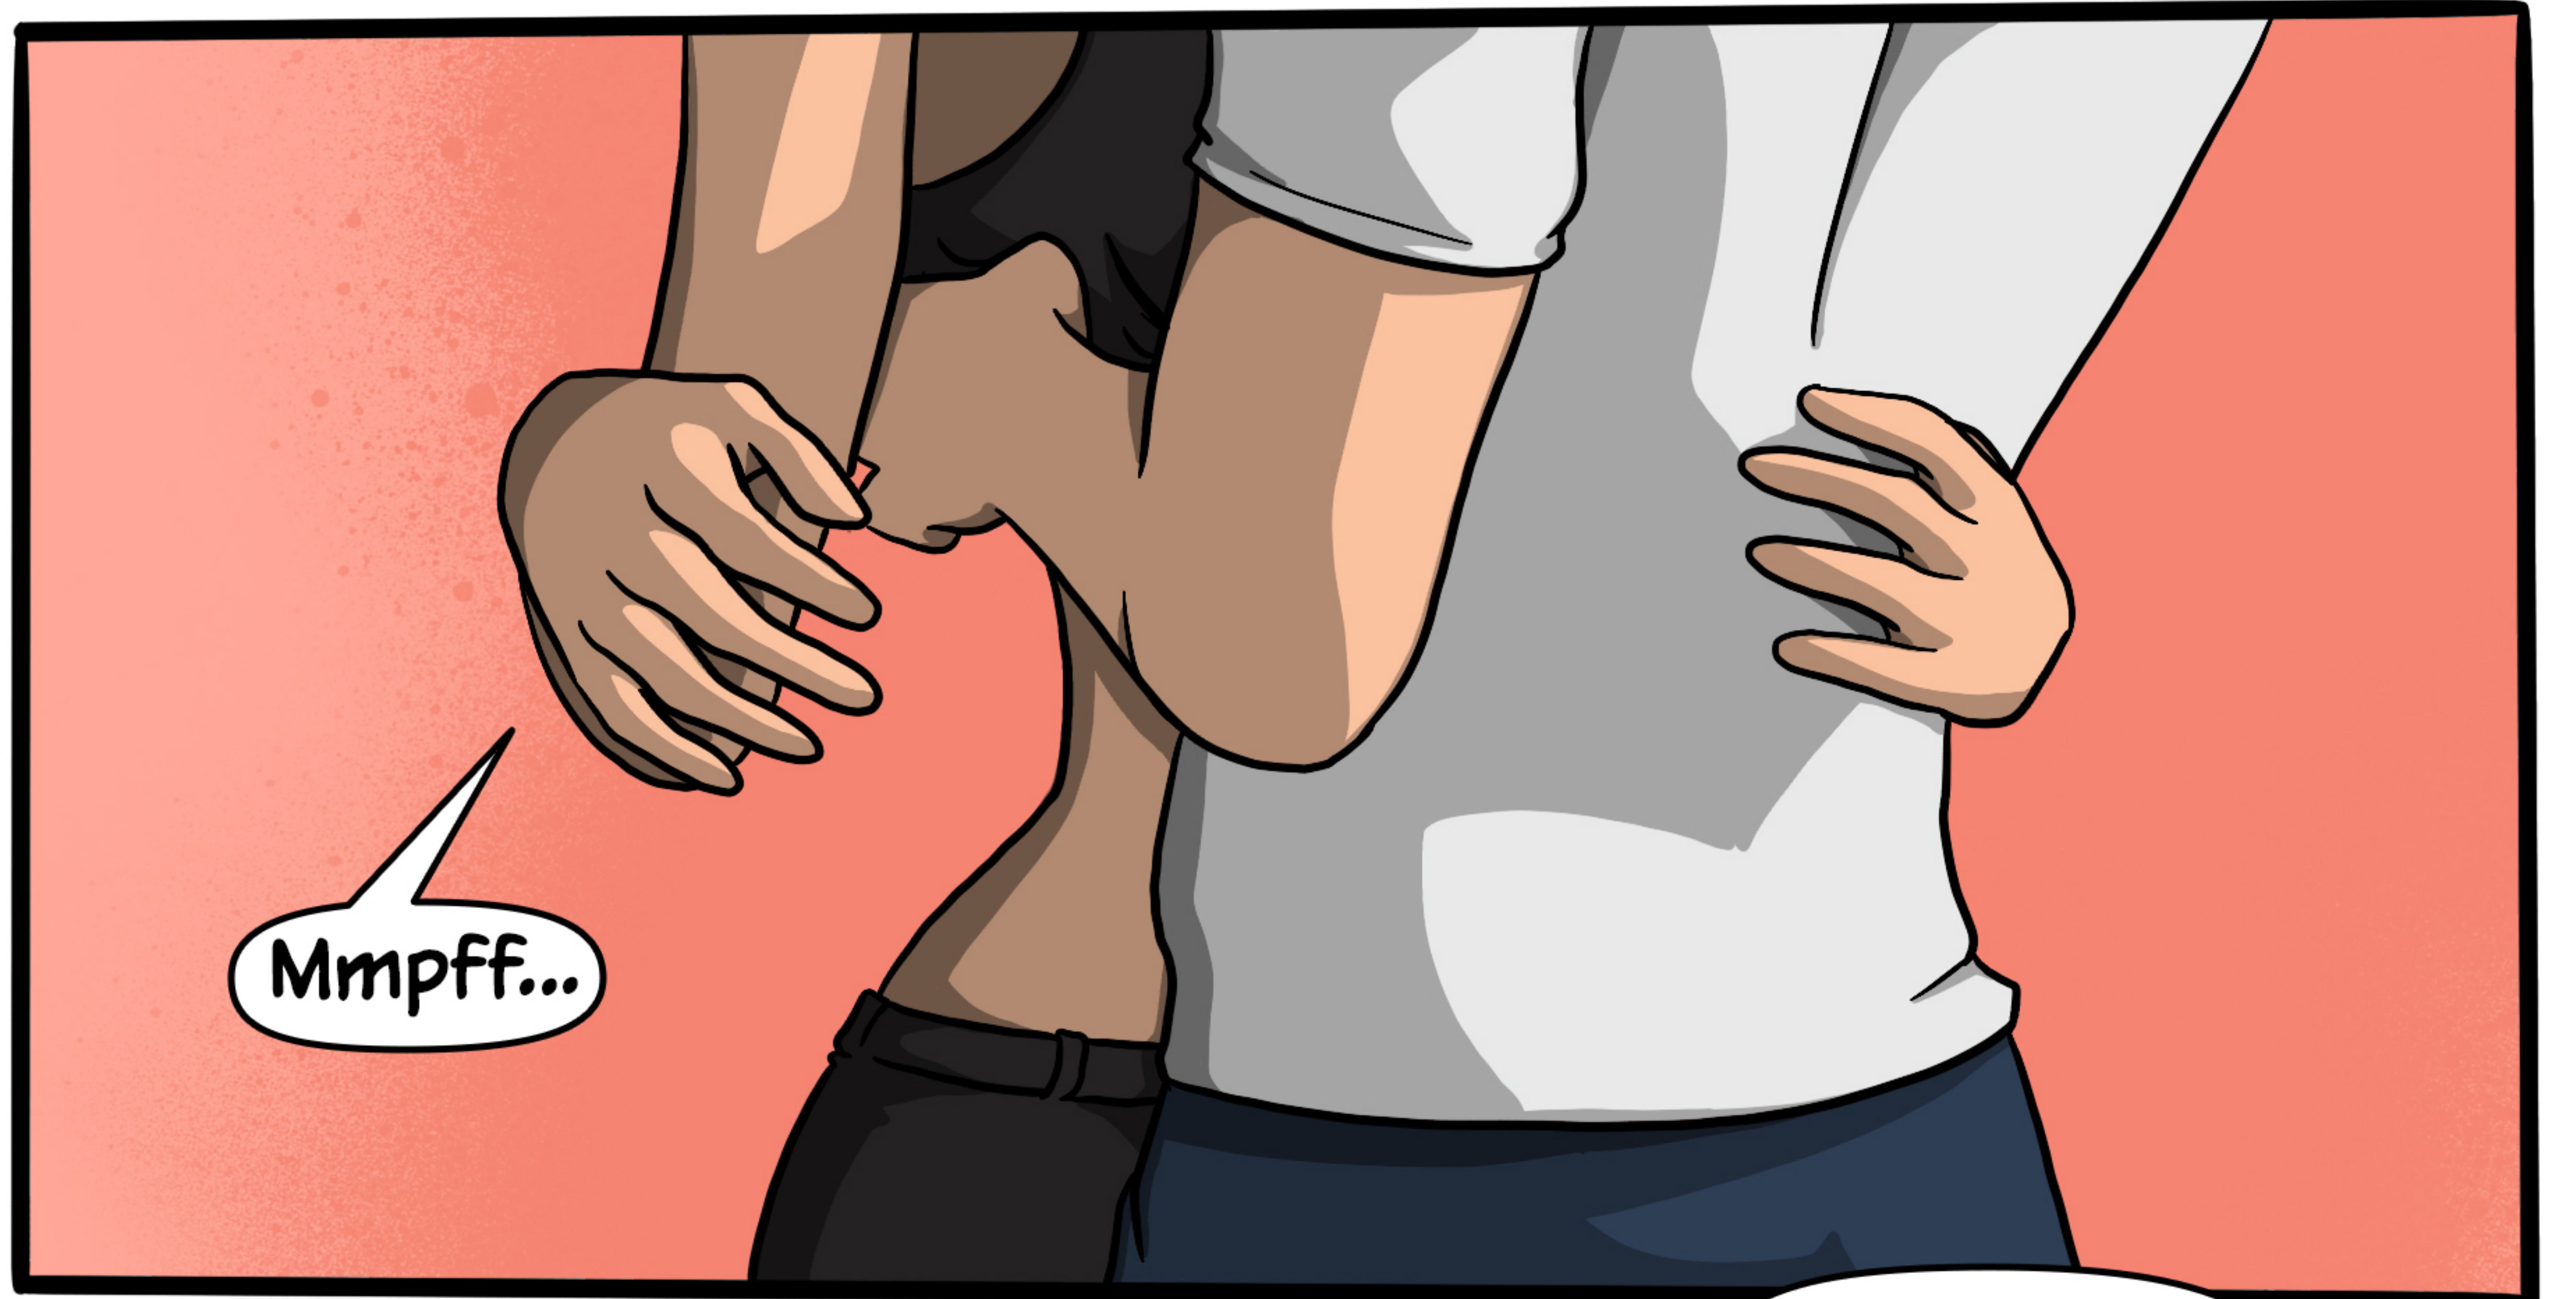

A pretty blonde like me?
Whatever is the most girly, I guess...

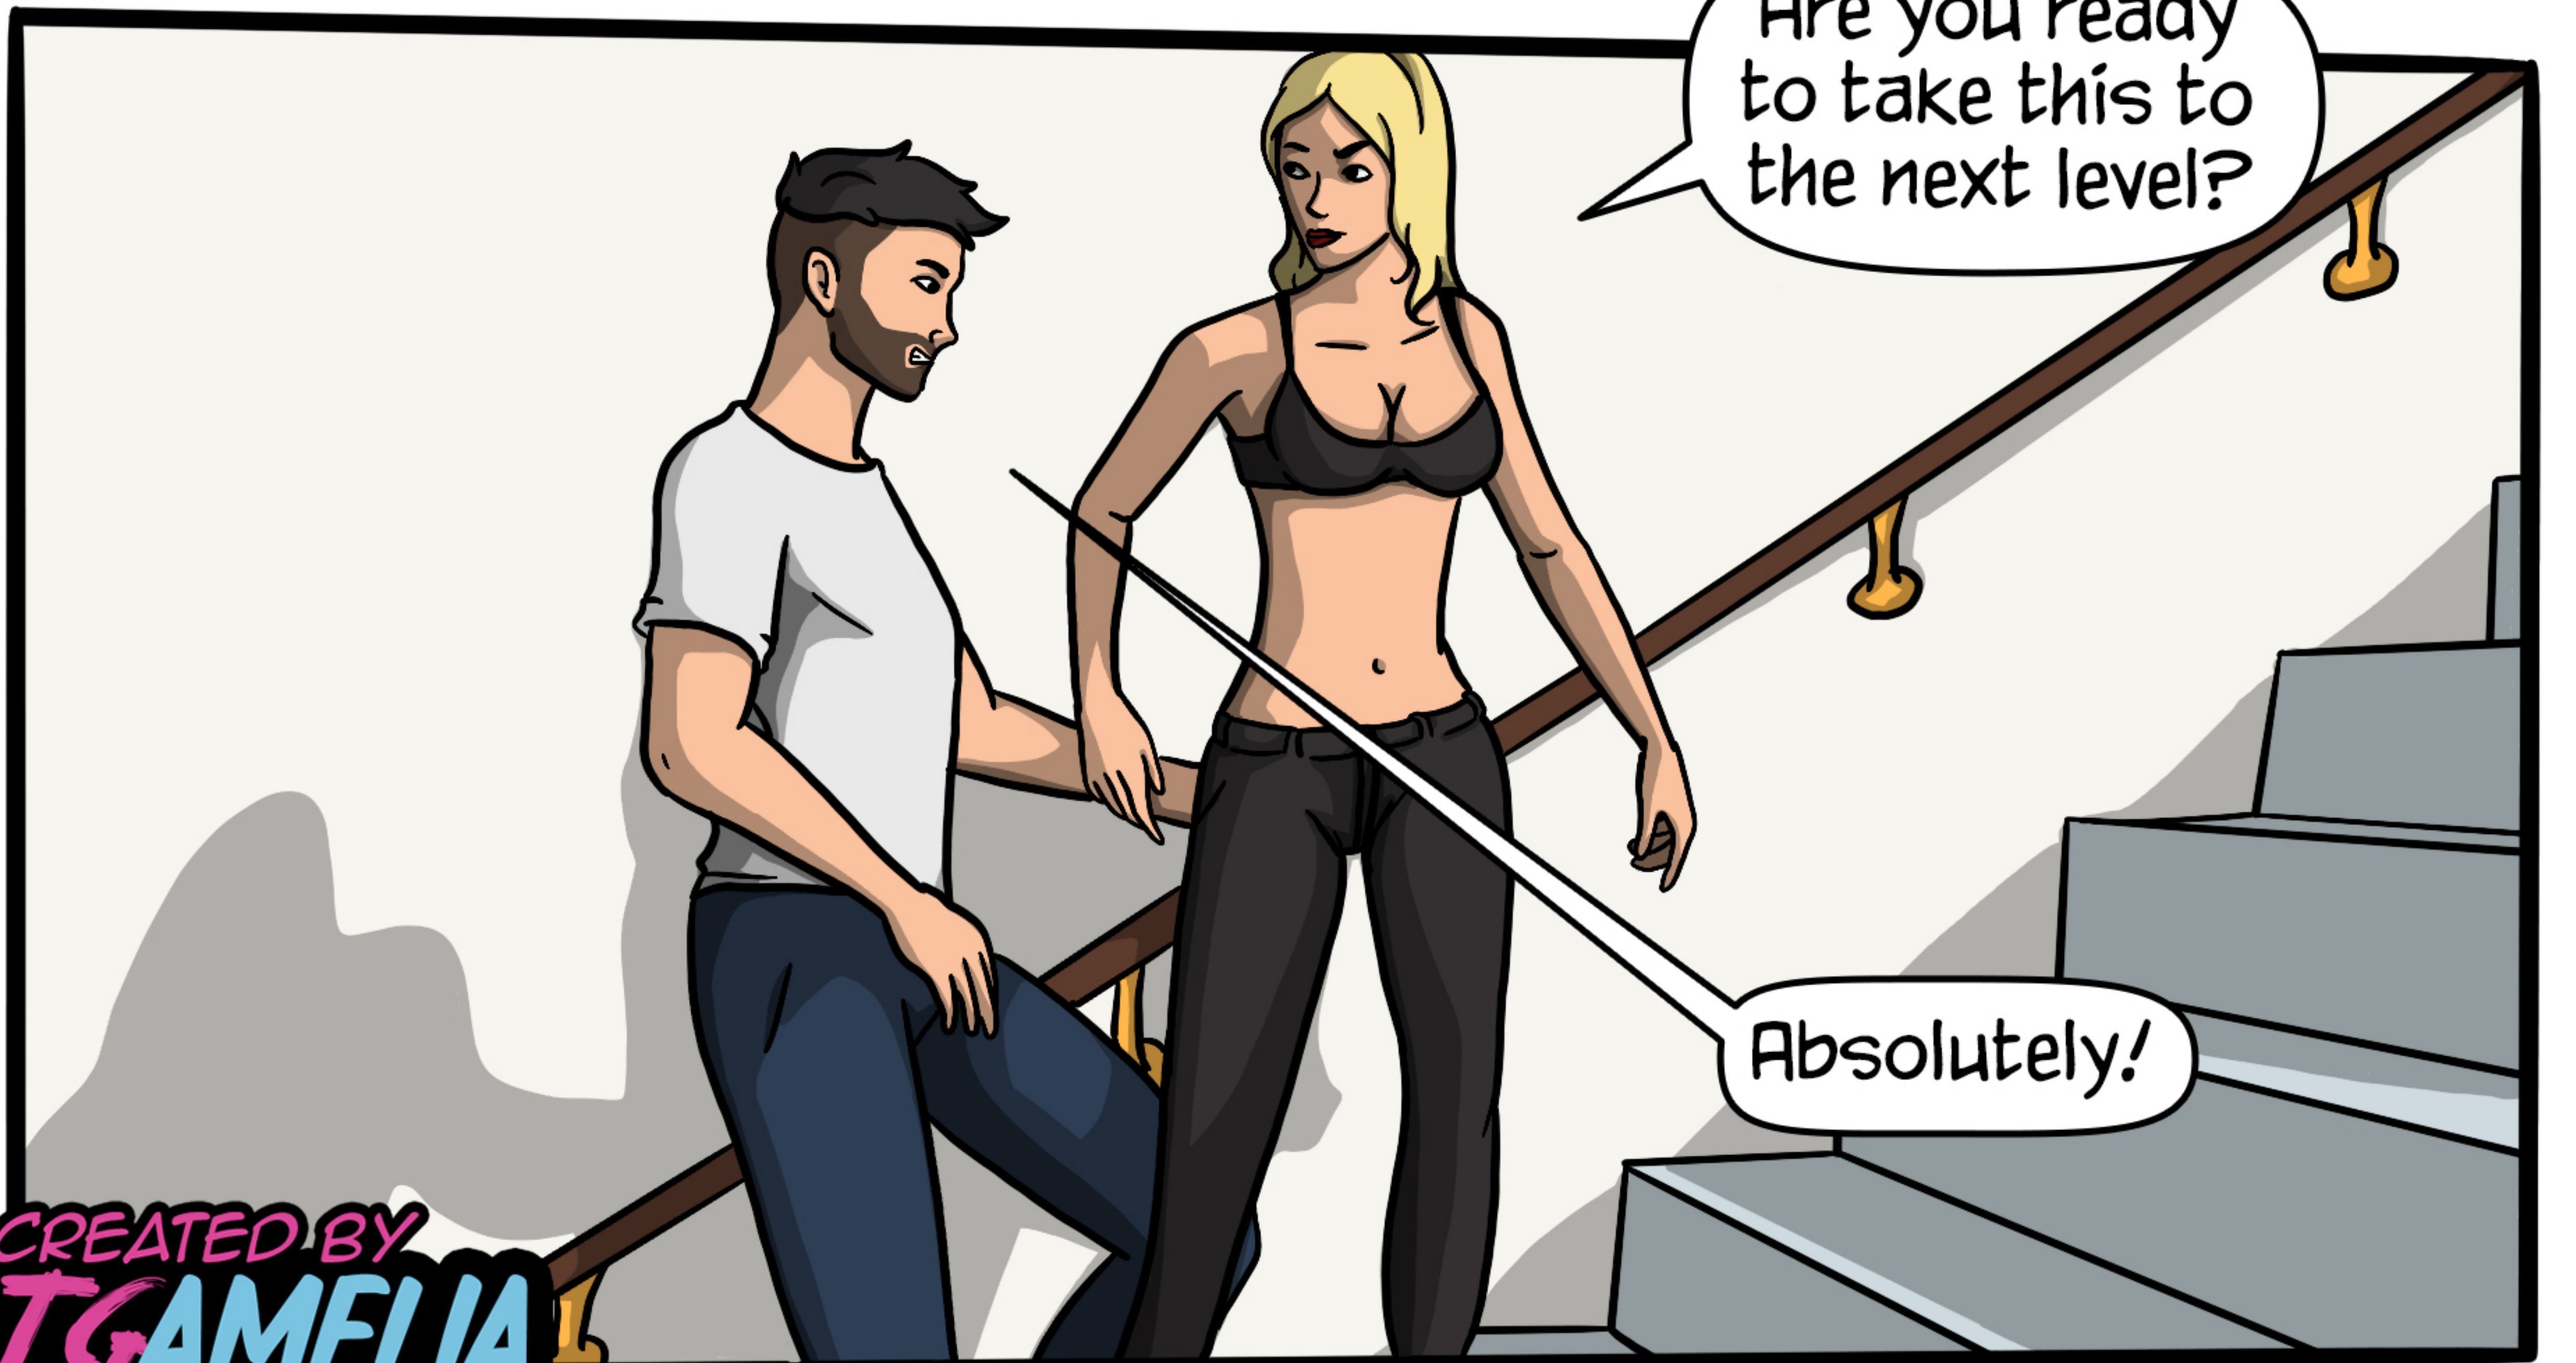

I'll take a whiskey and whatever's the most girly.

Mmmm....

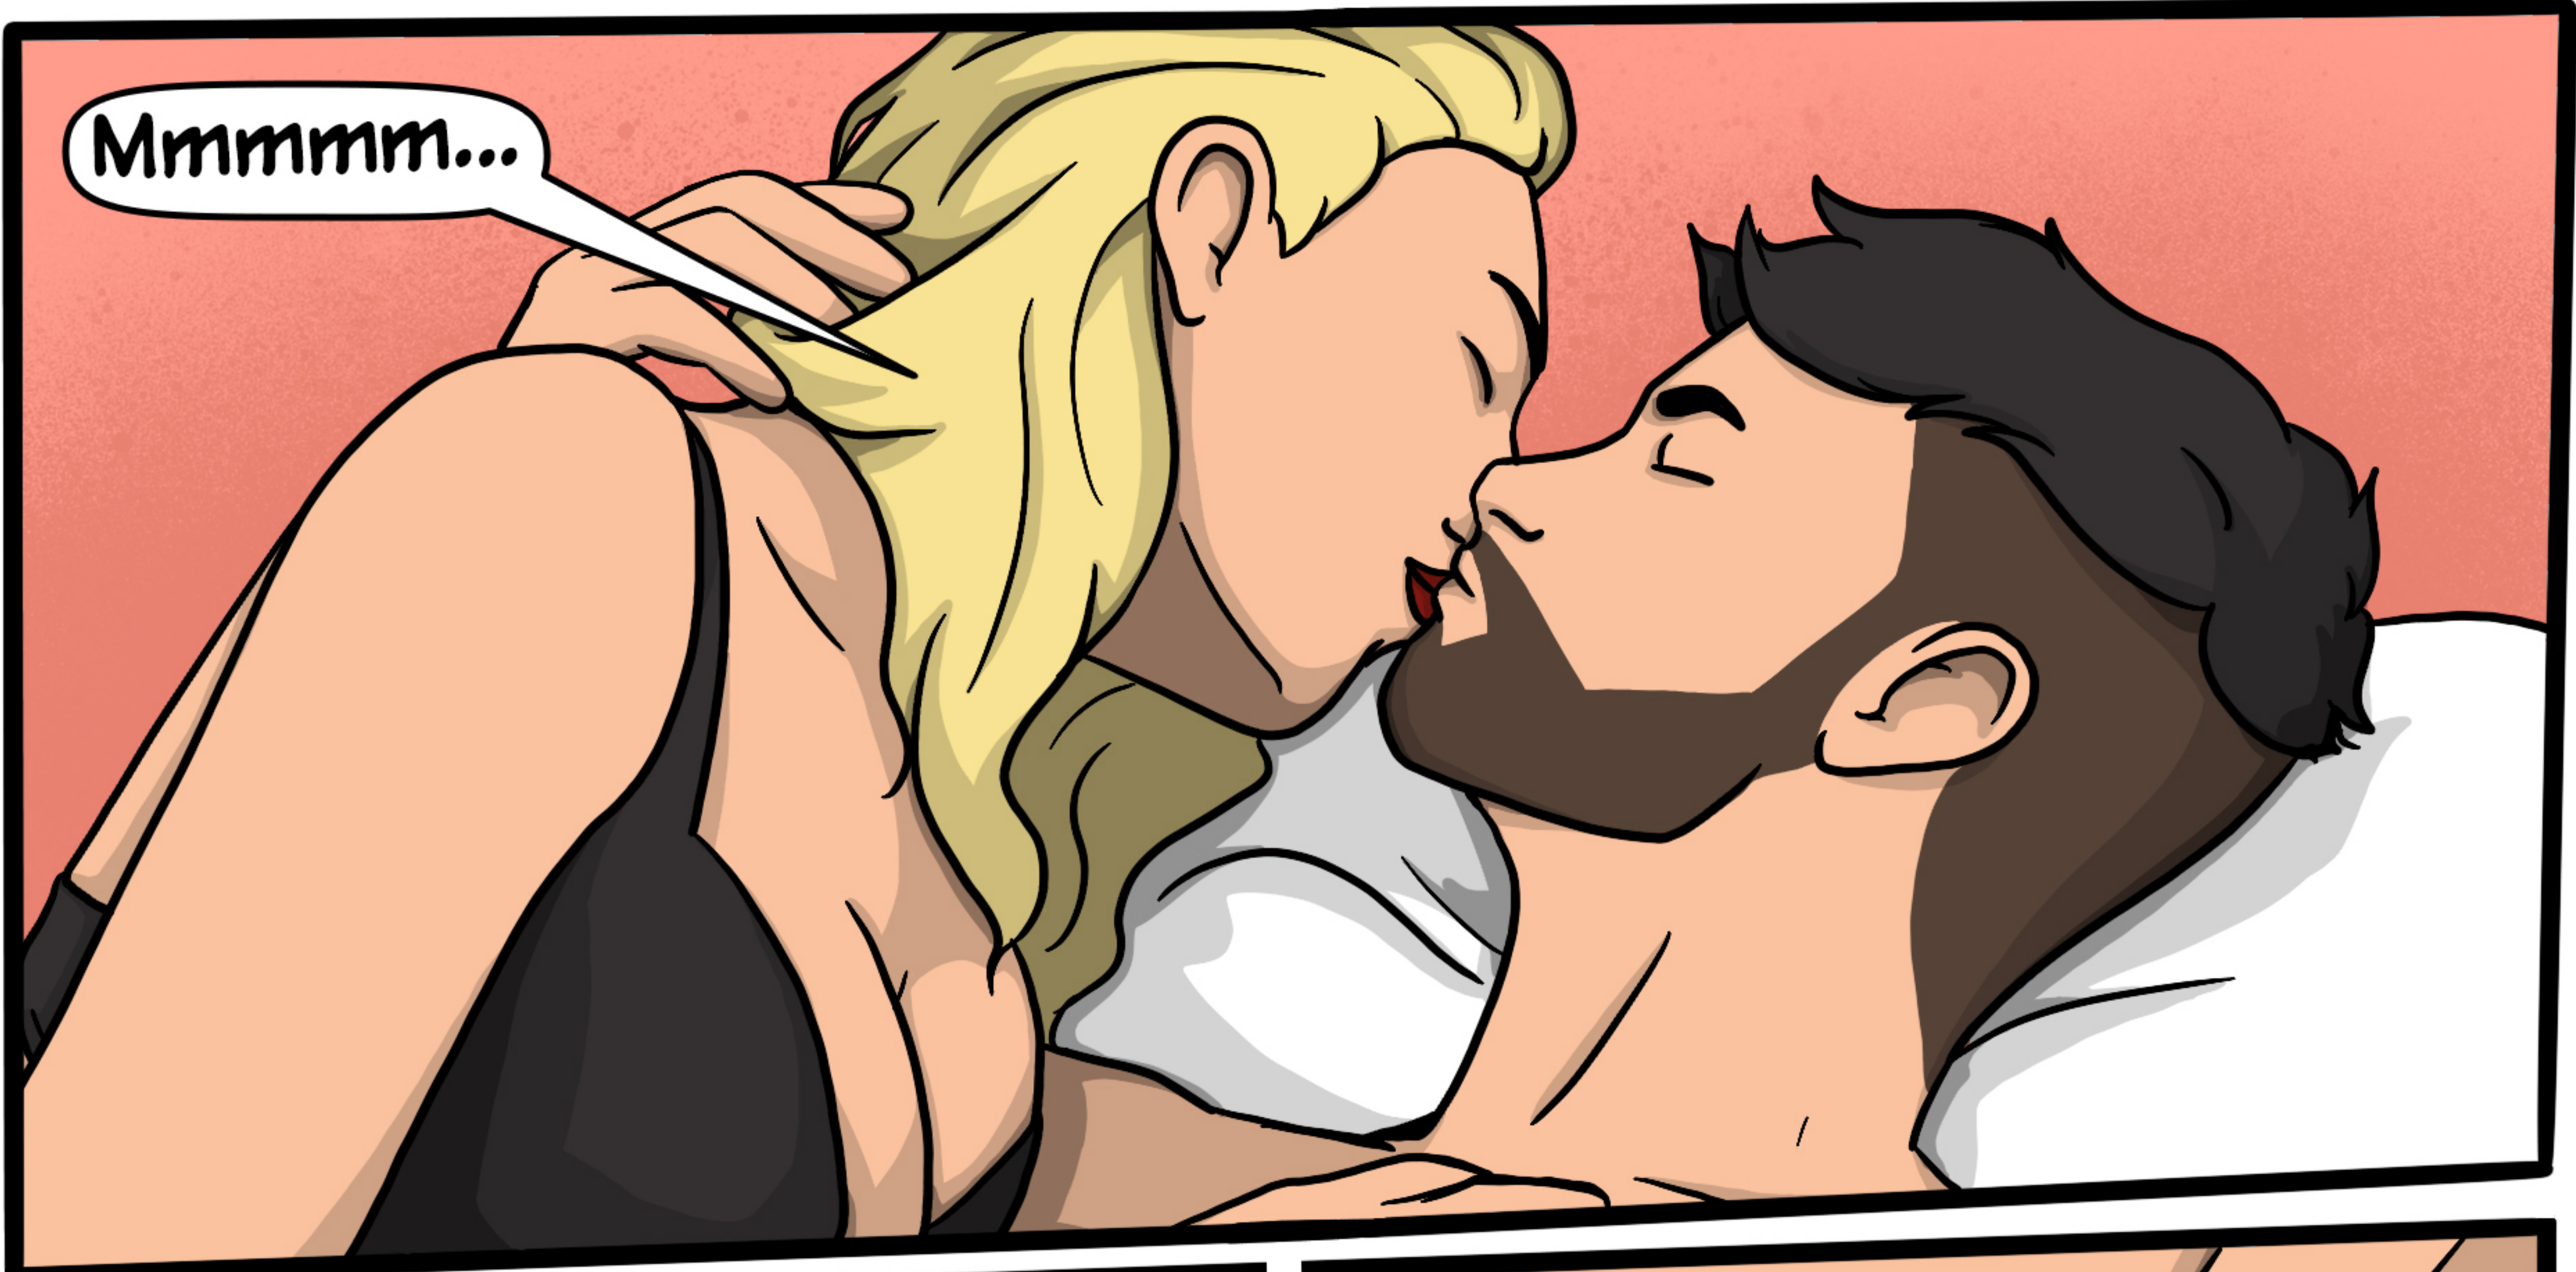

Mmpff...

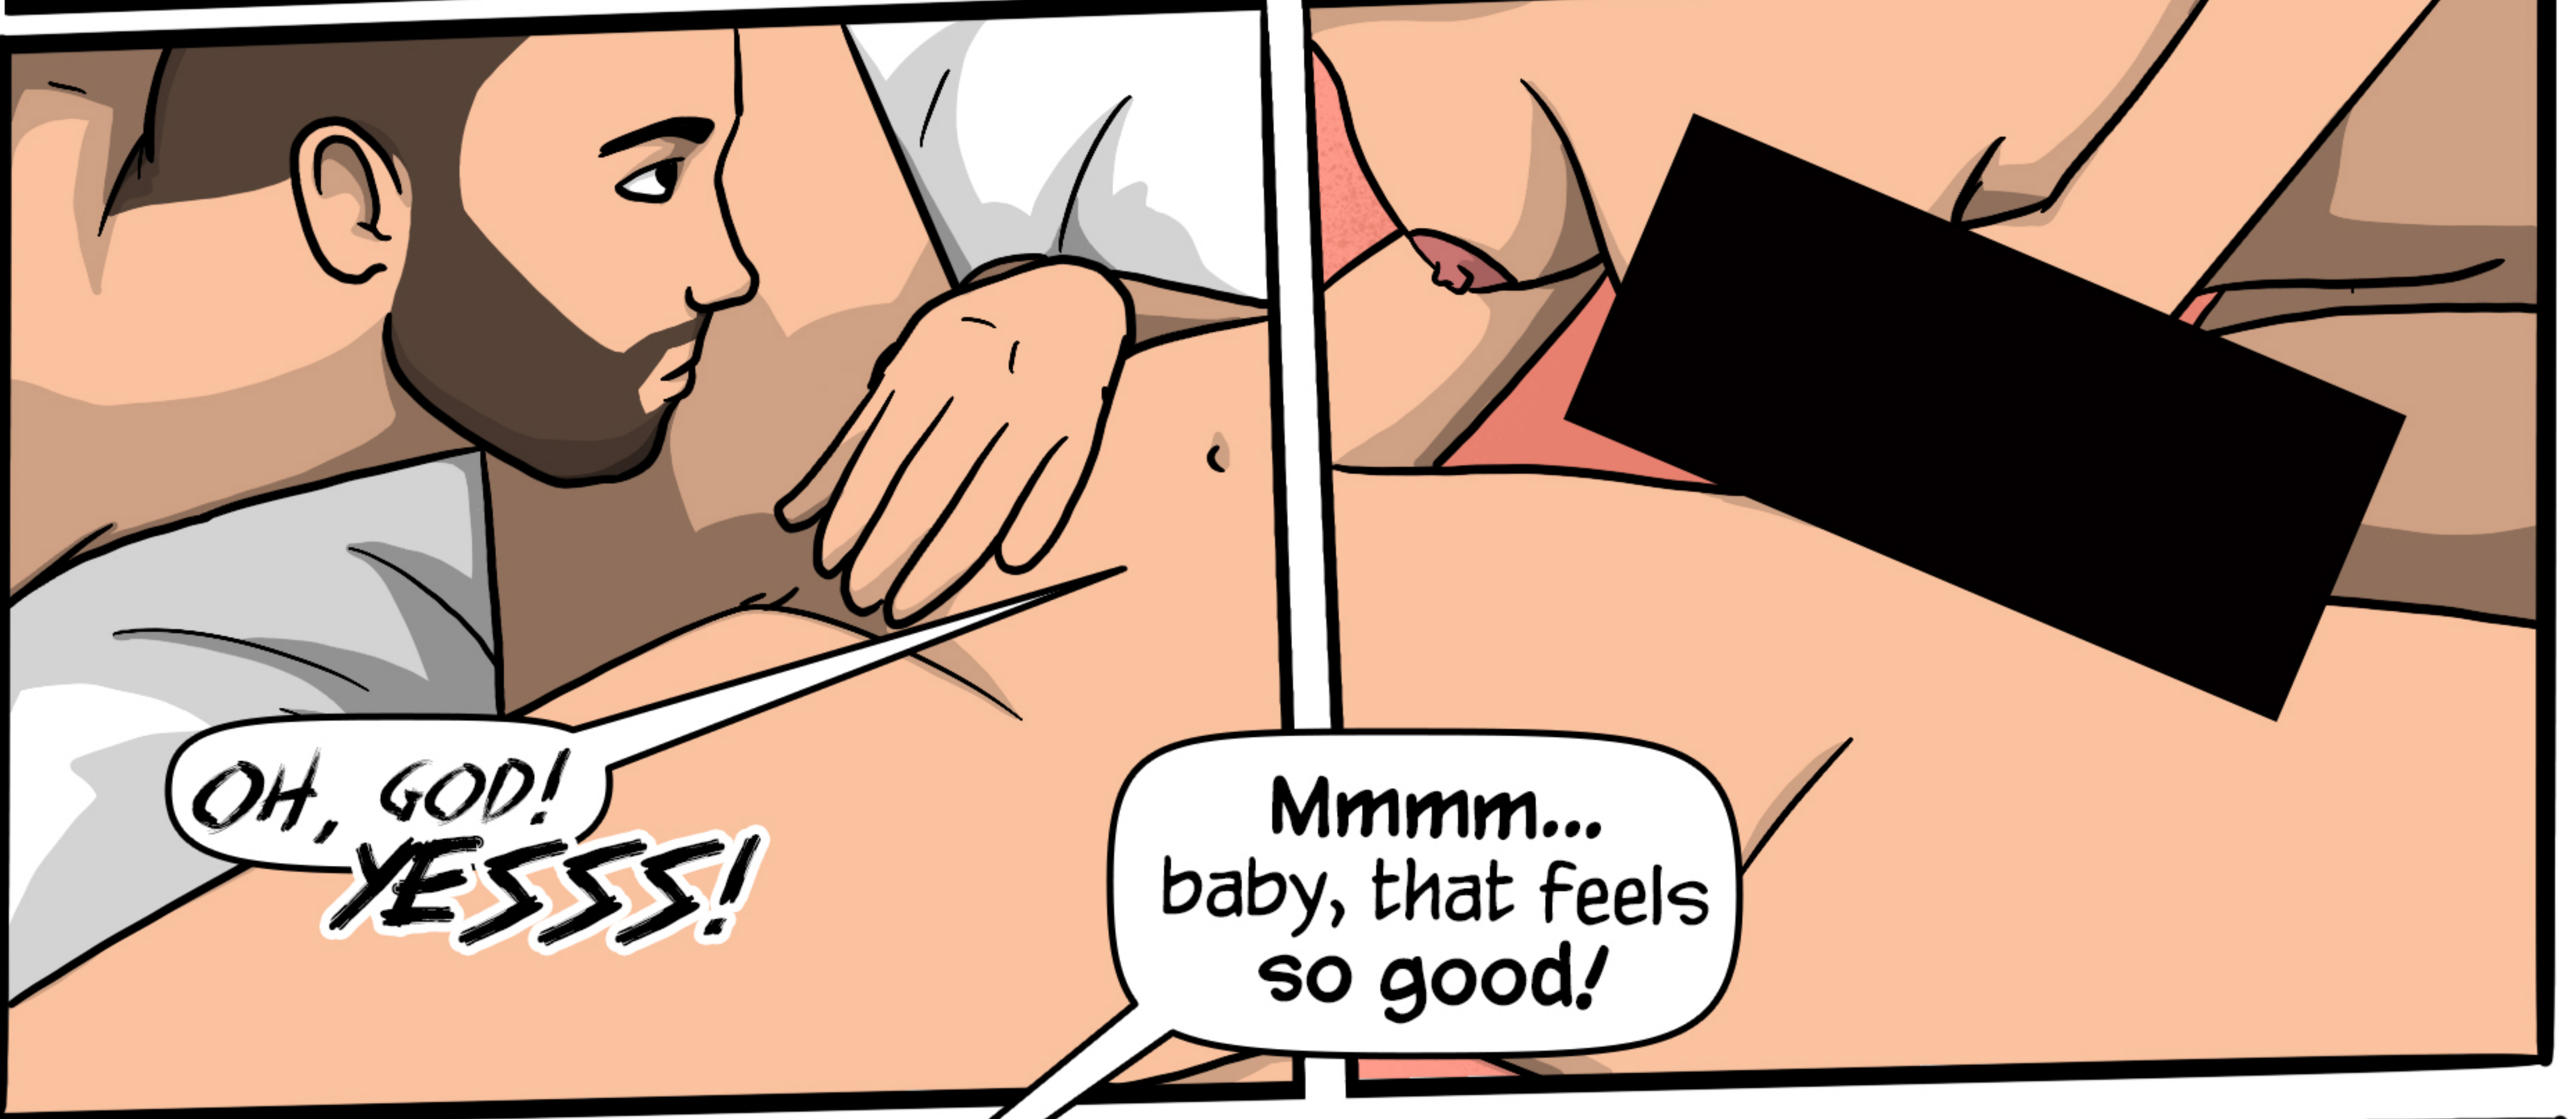

Are you ready to take this to the next level?

Absolutely!

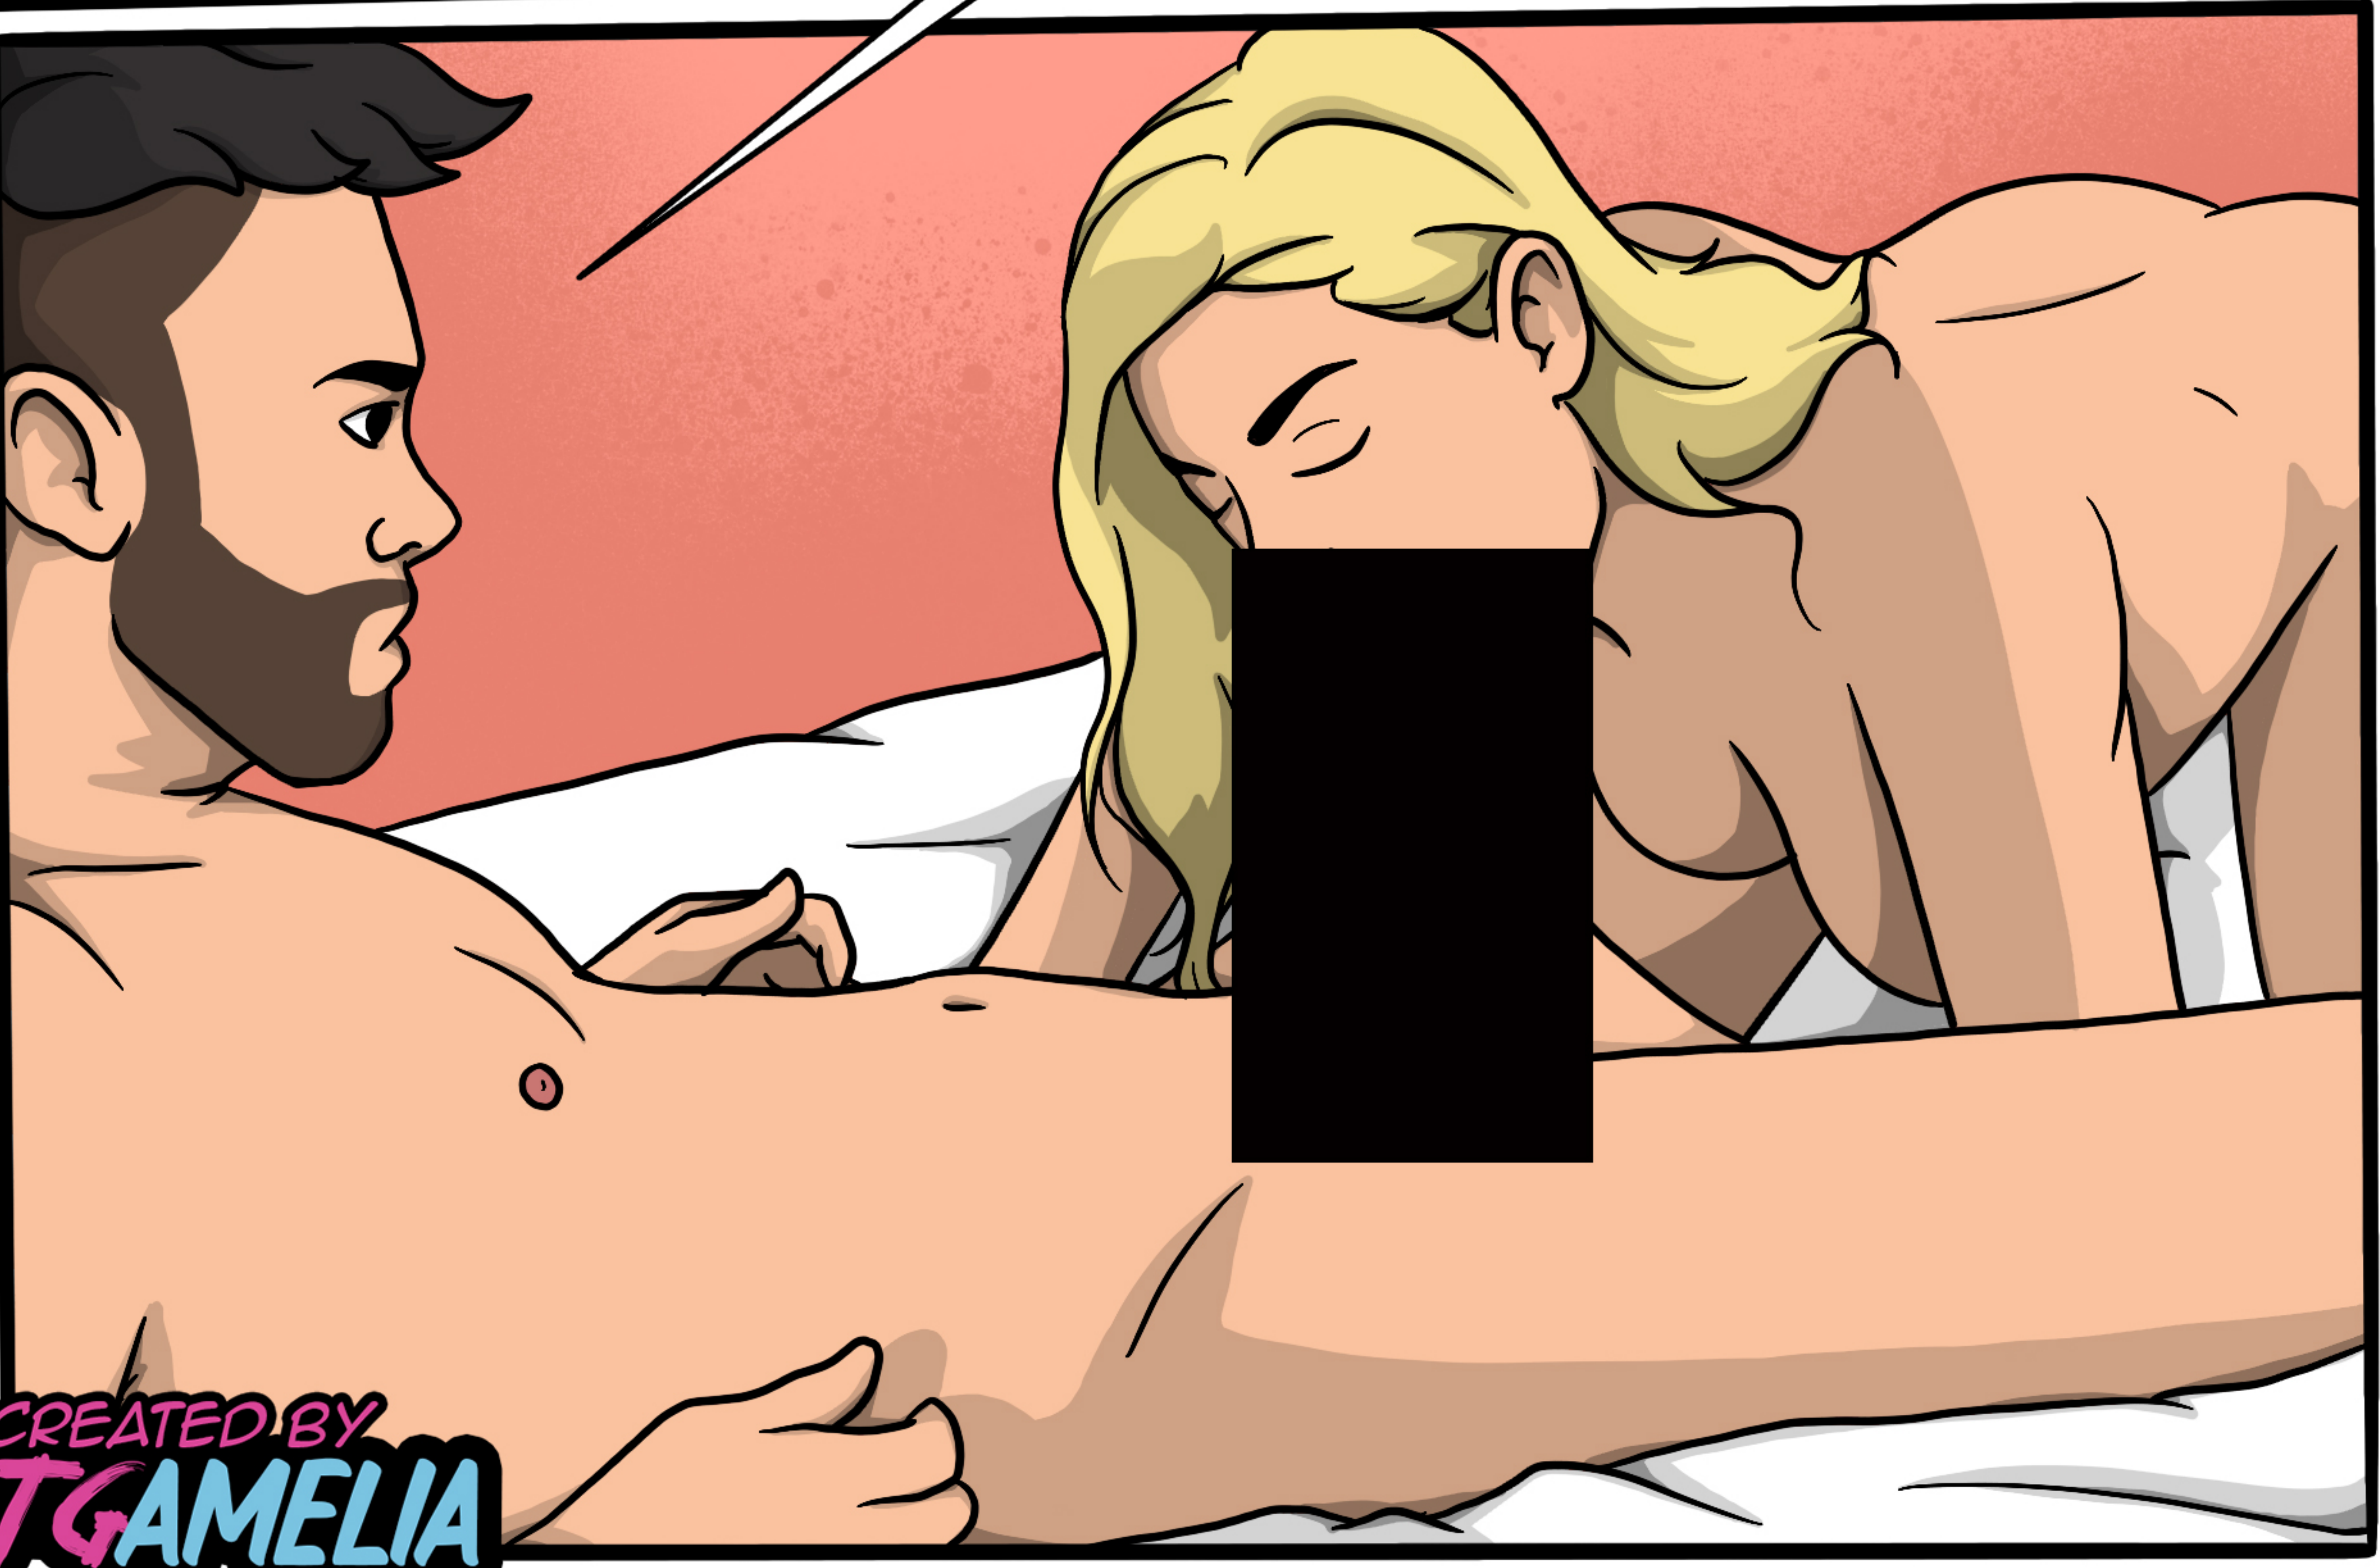

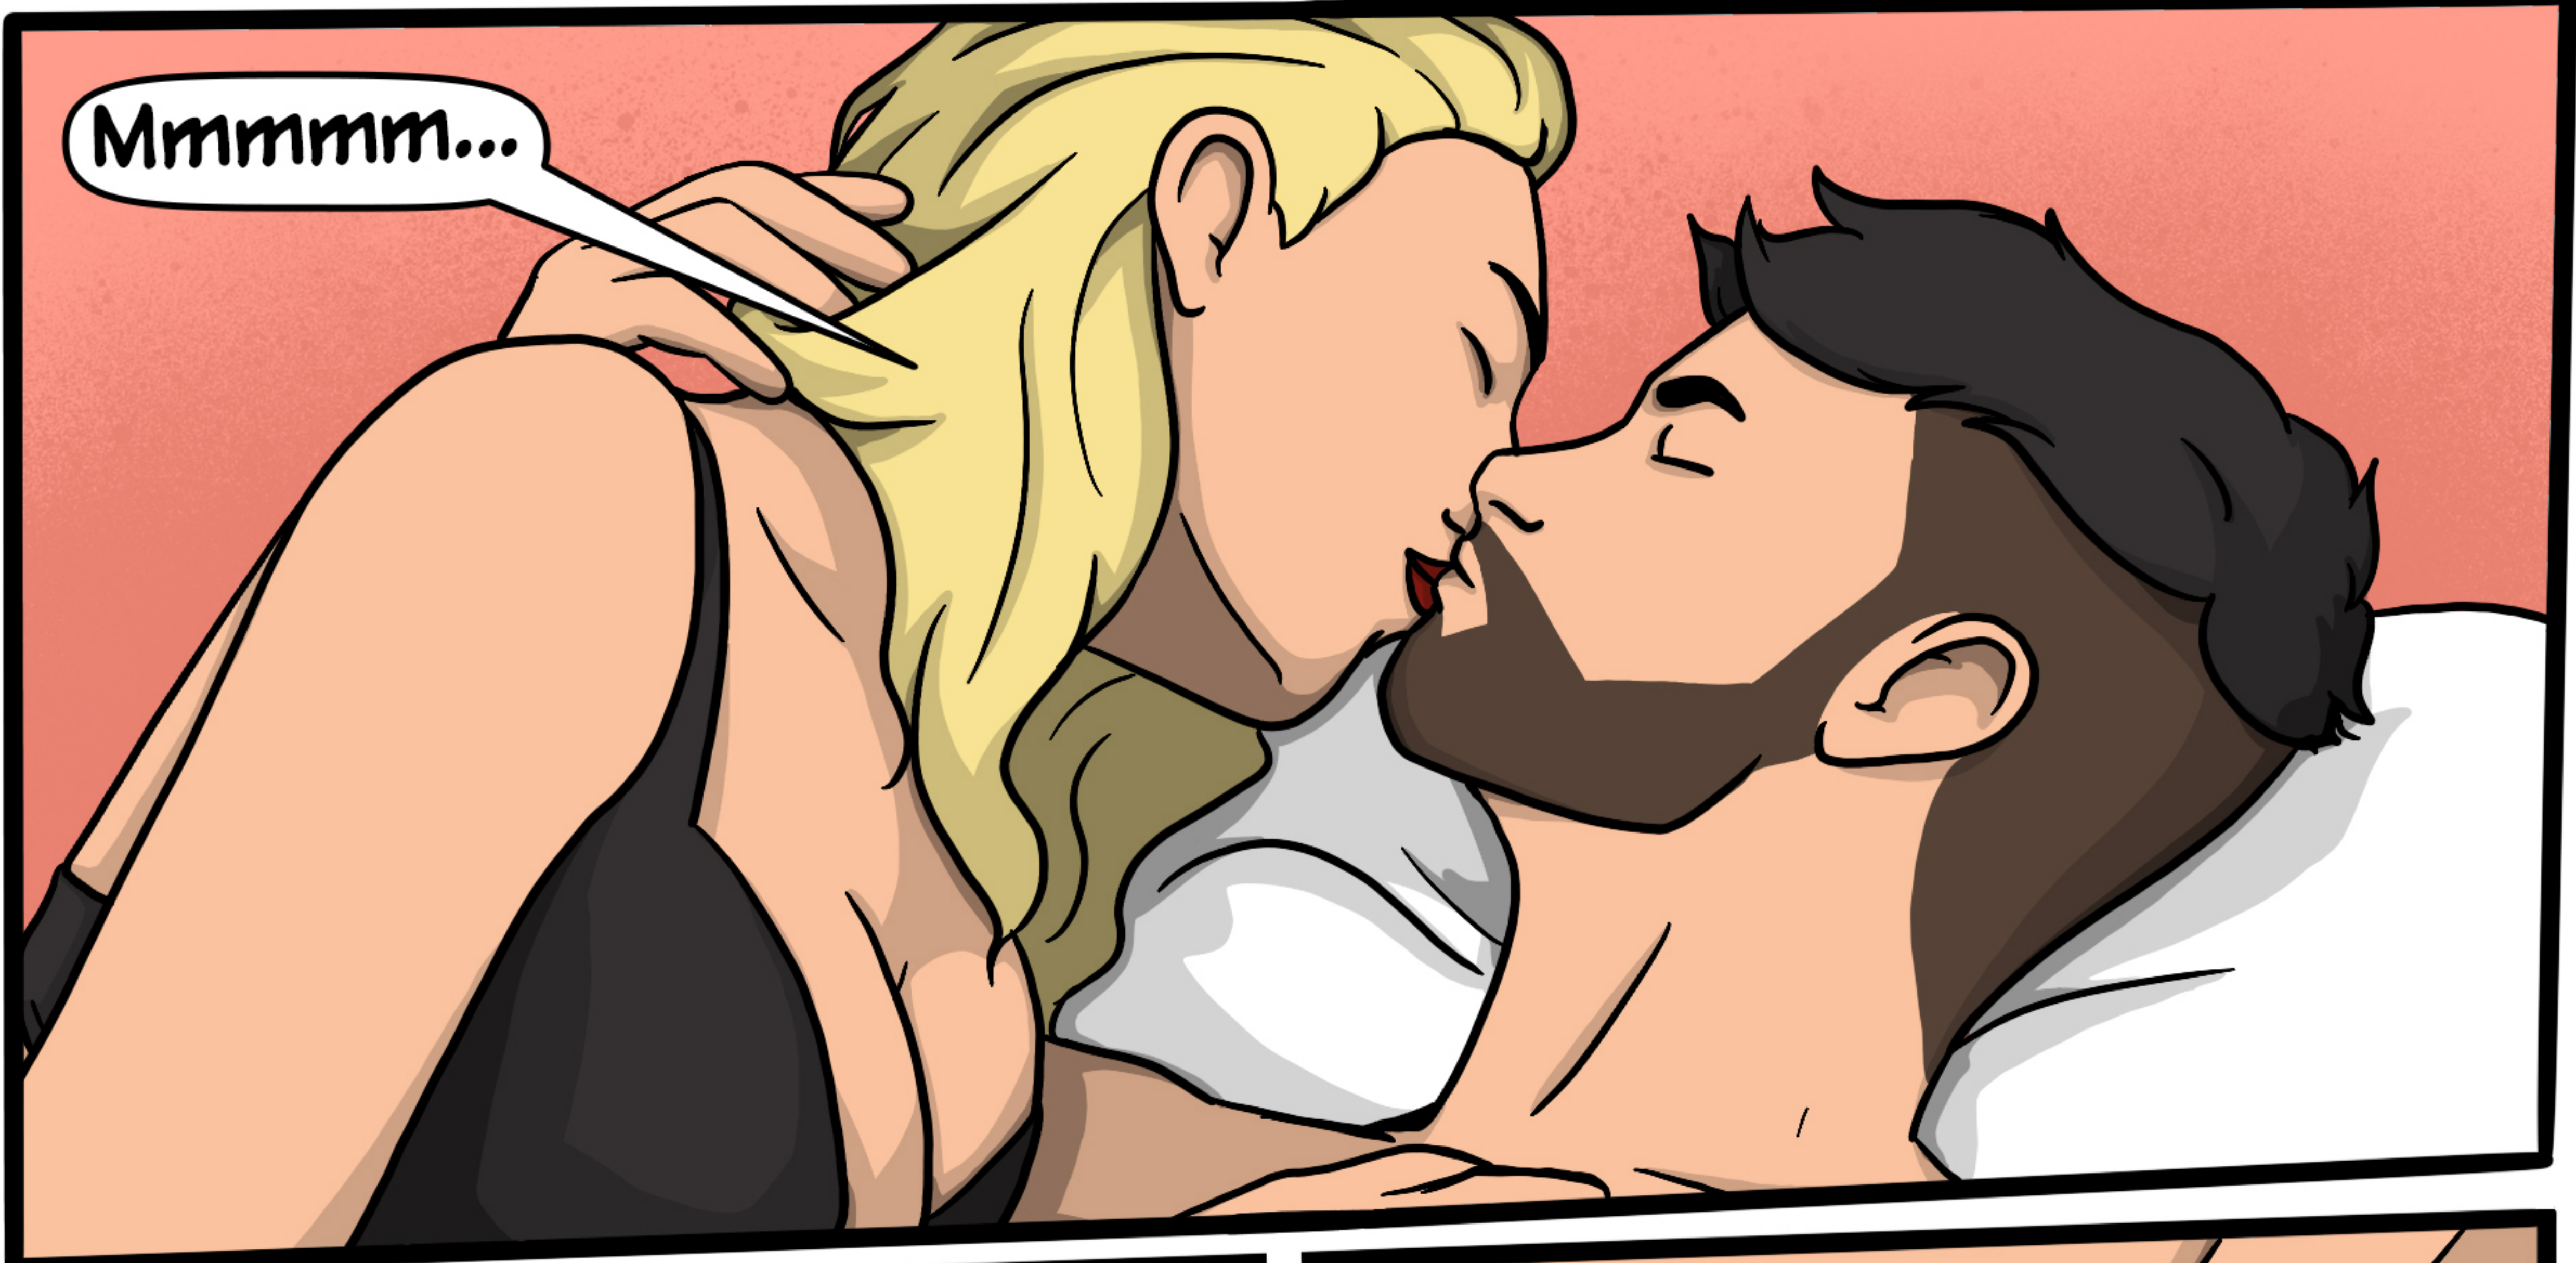

Mmmmm...

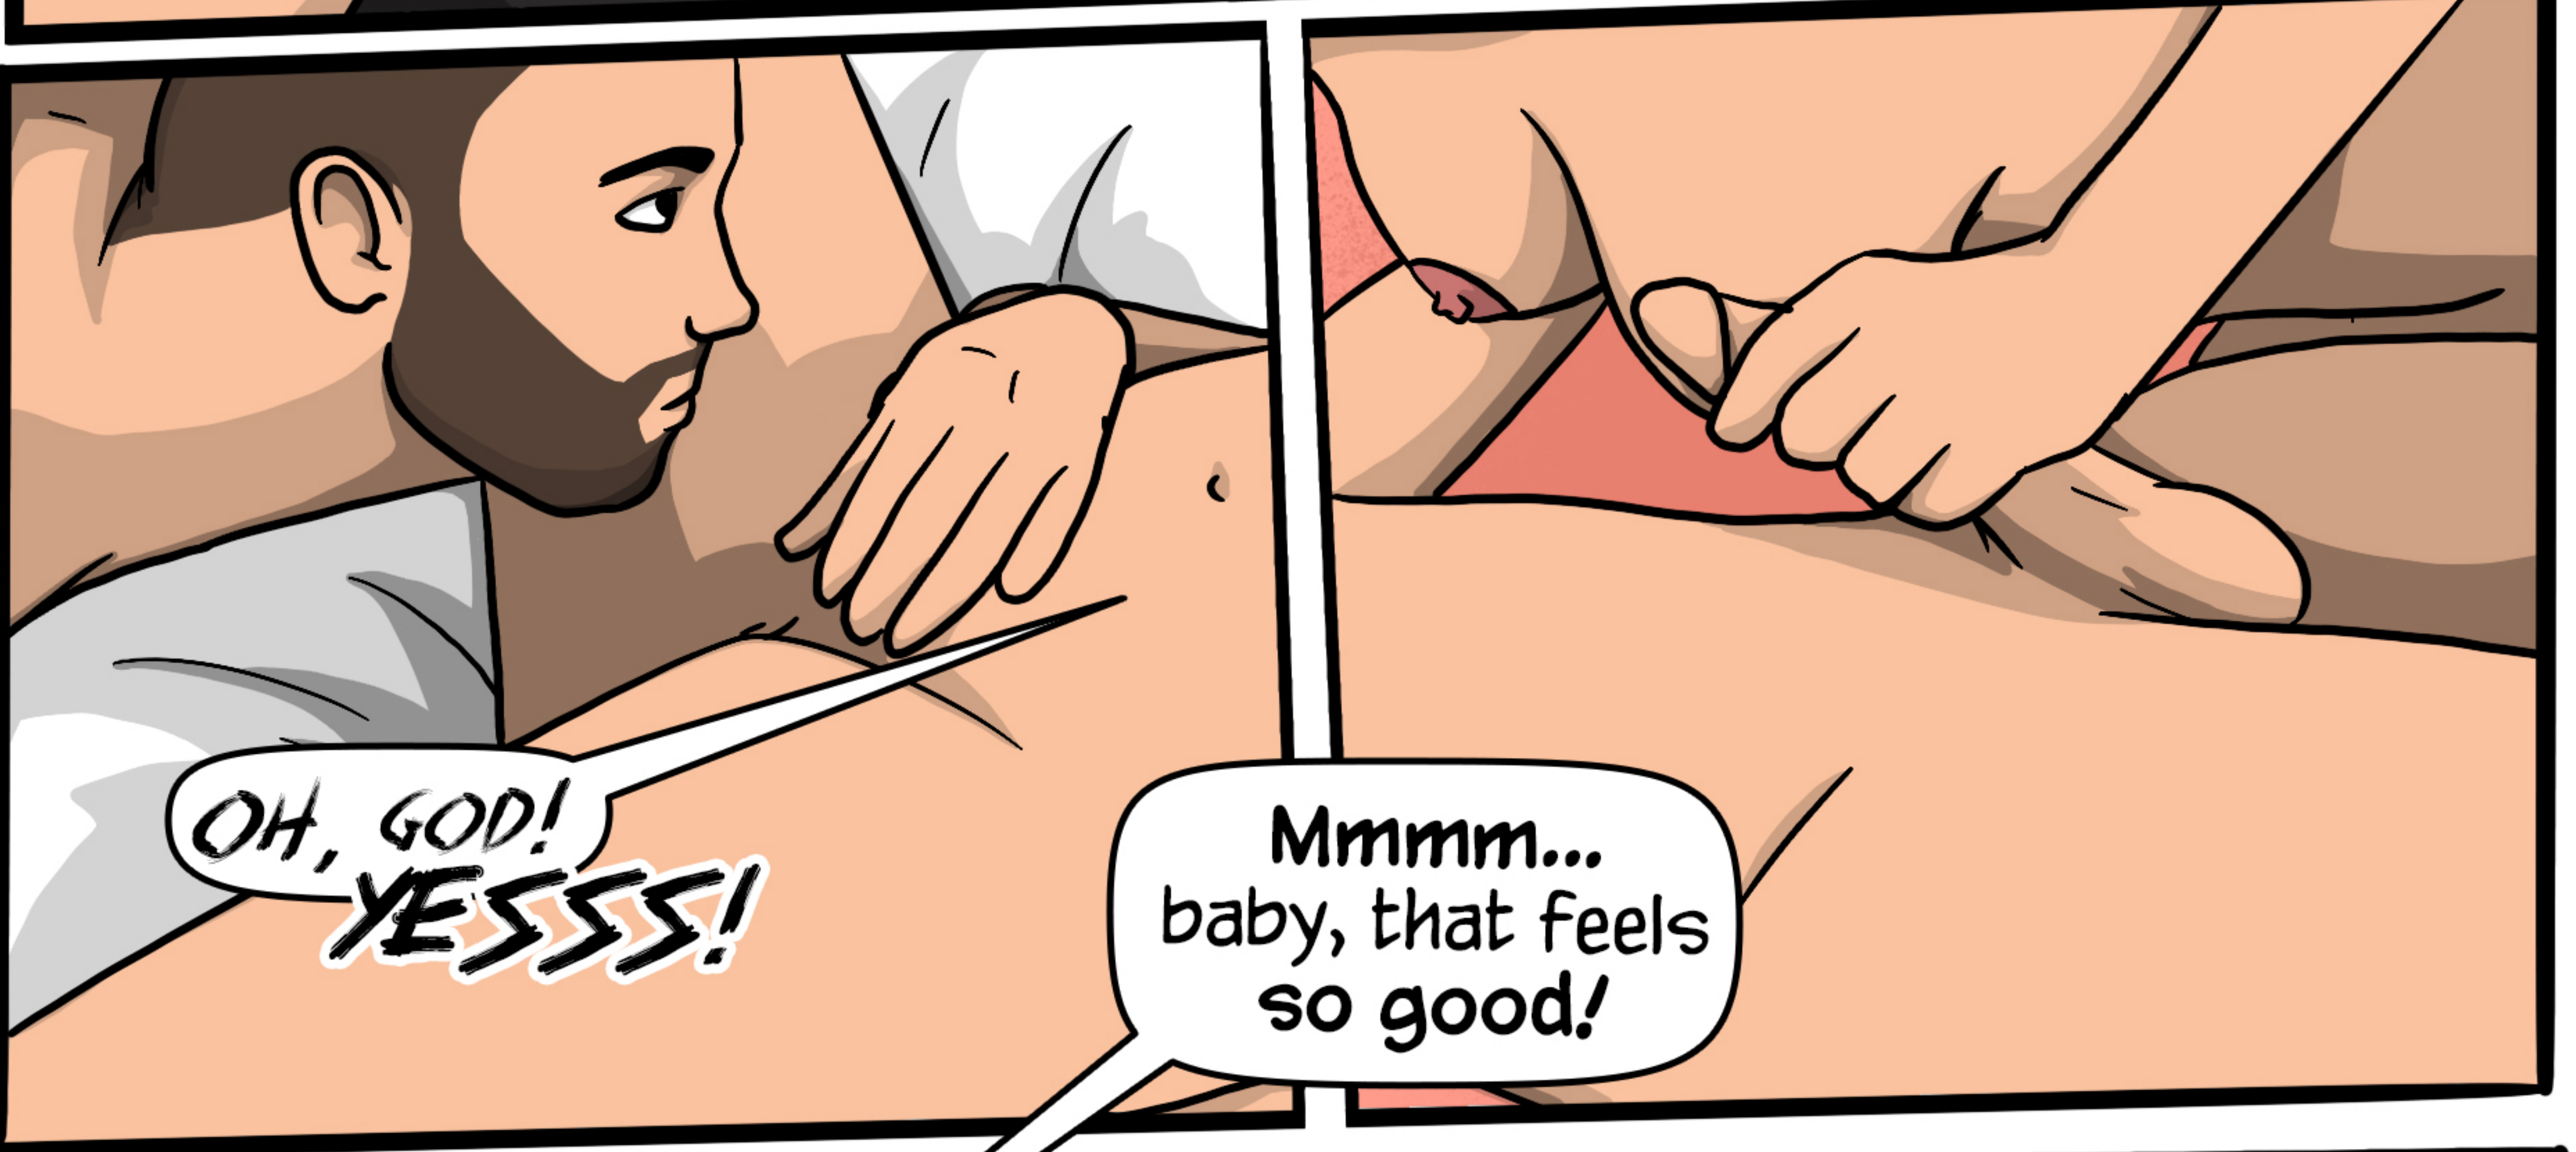

OH, GOD!
YESSS!

Mmmmm...
baby, that feels
so good!

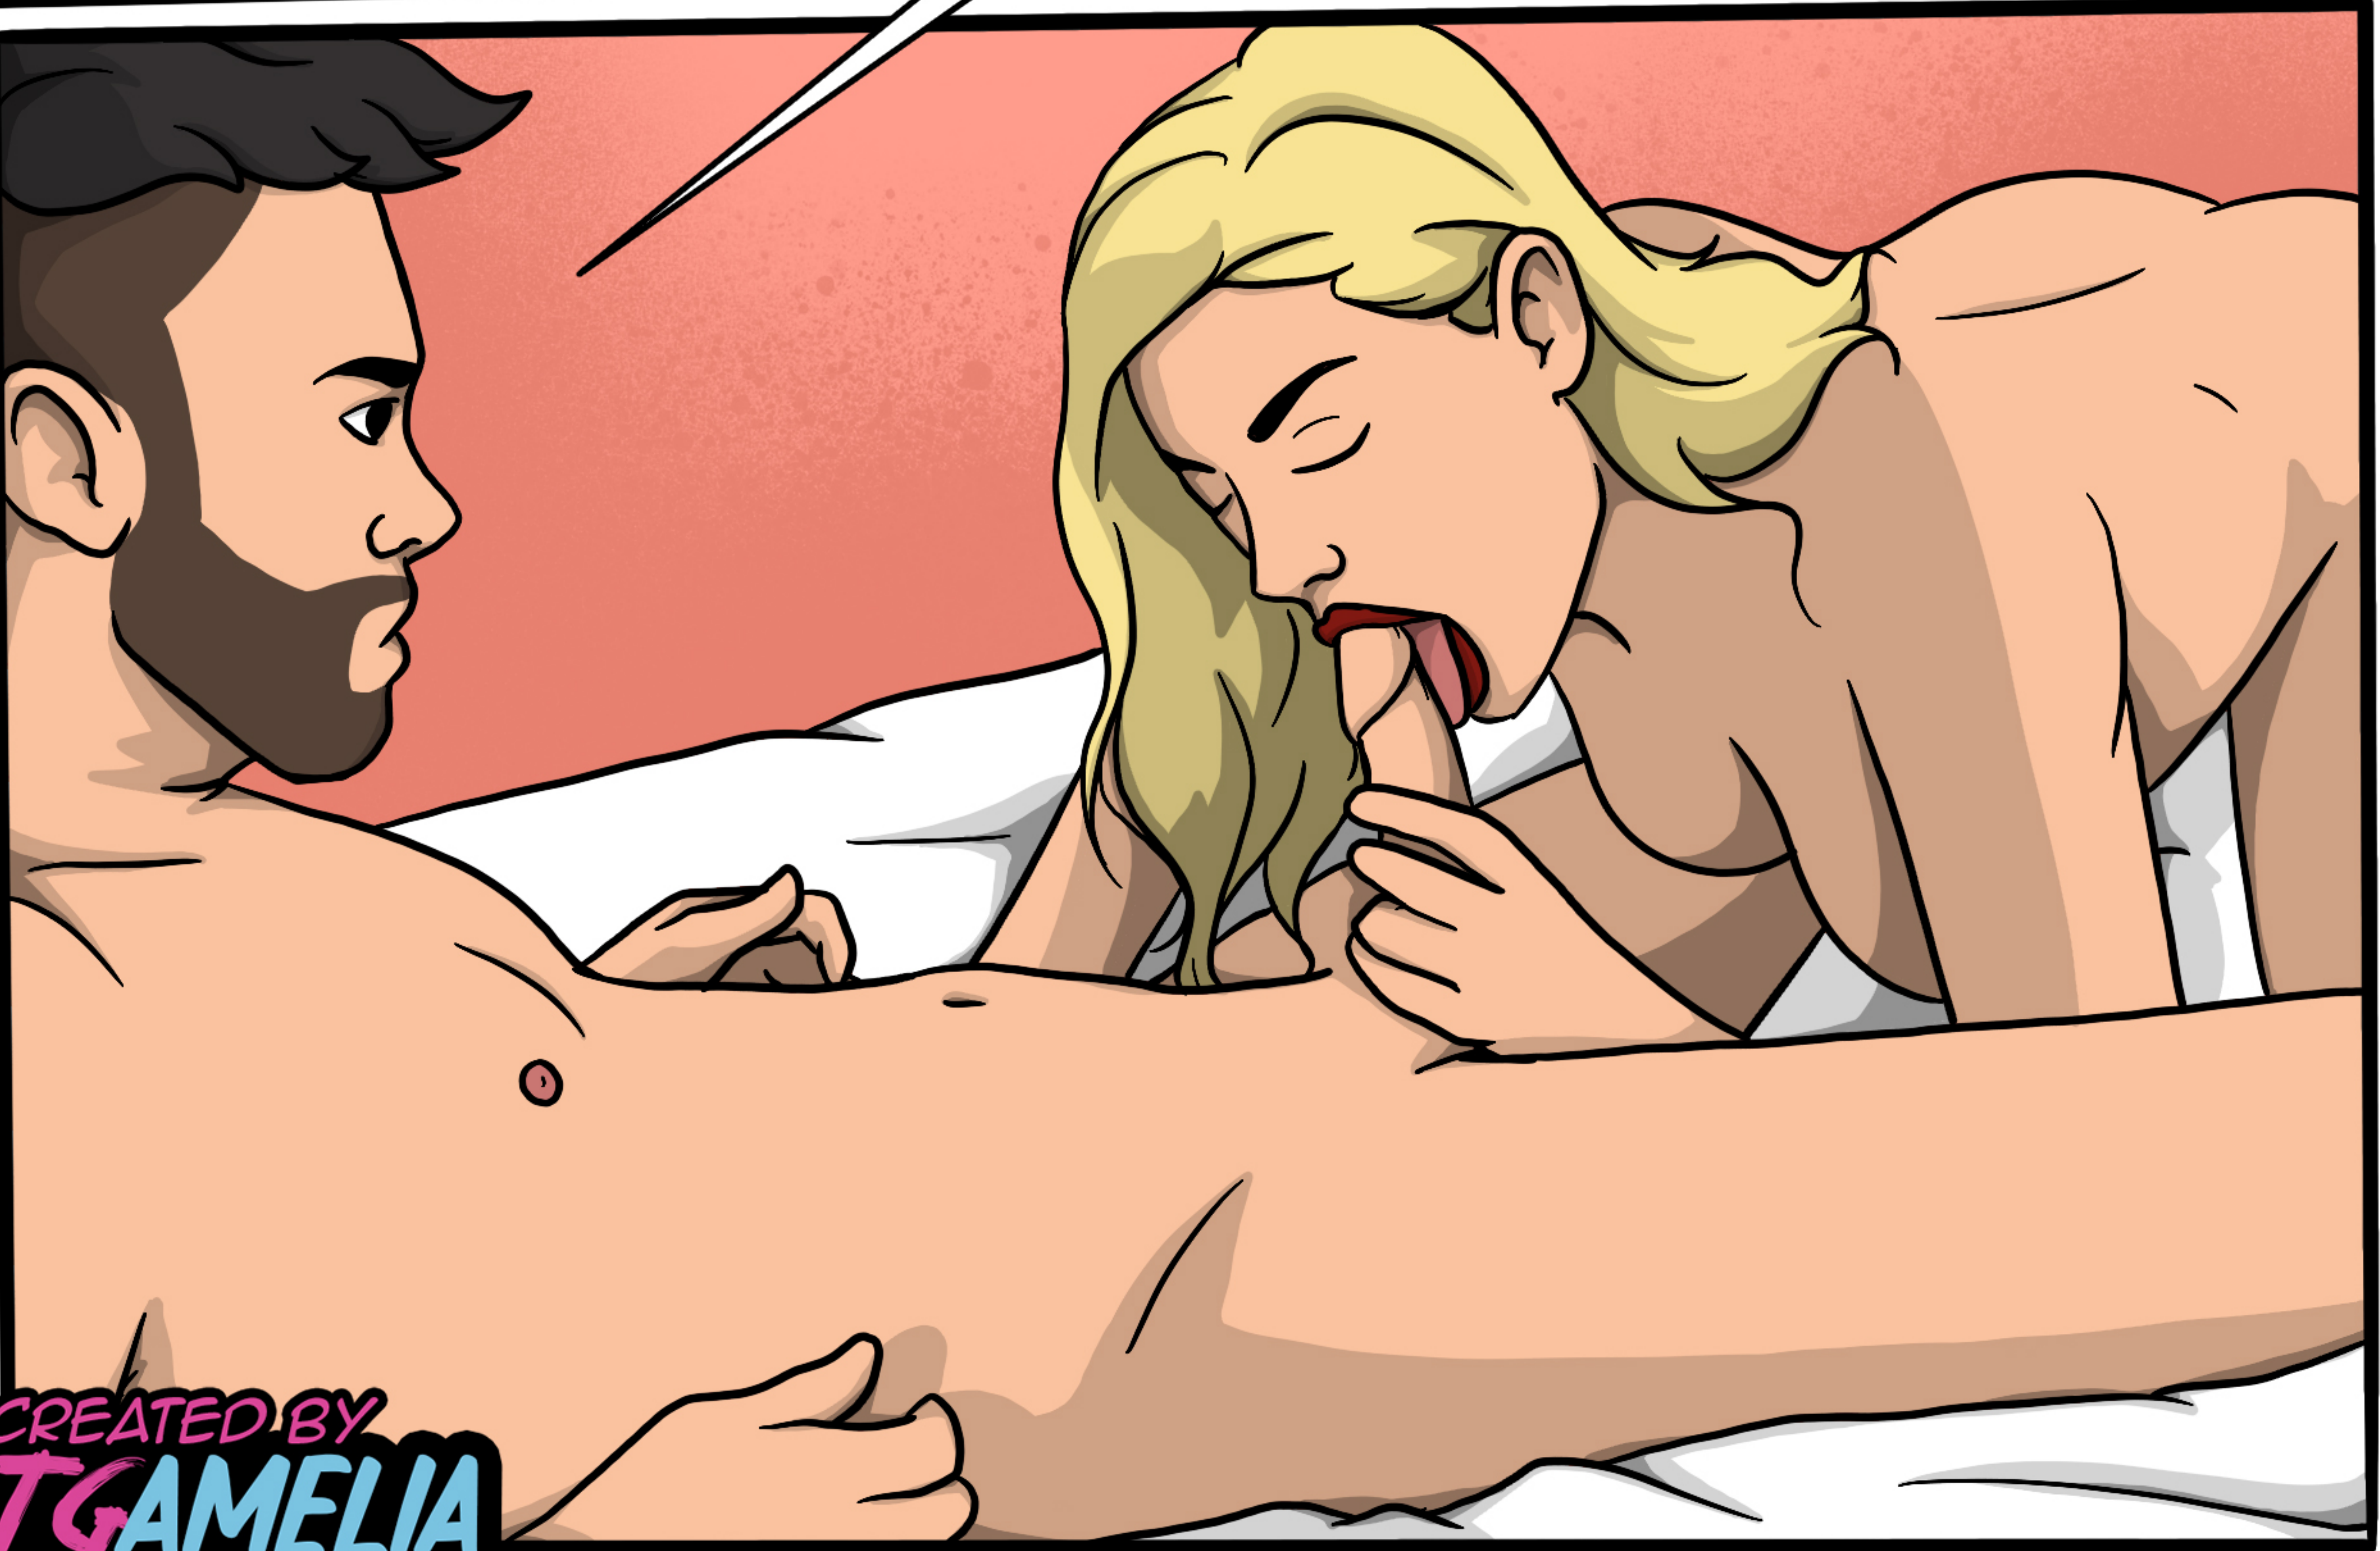

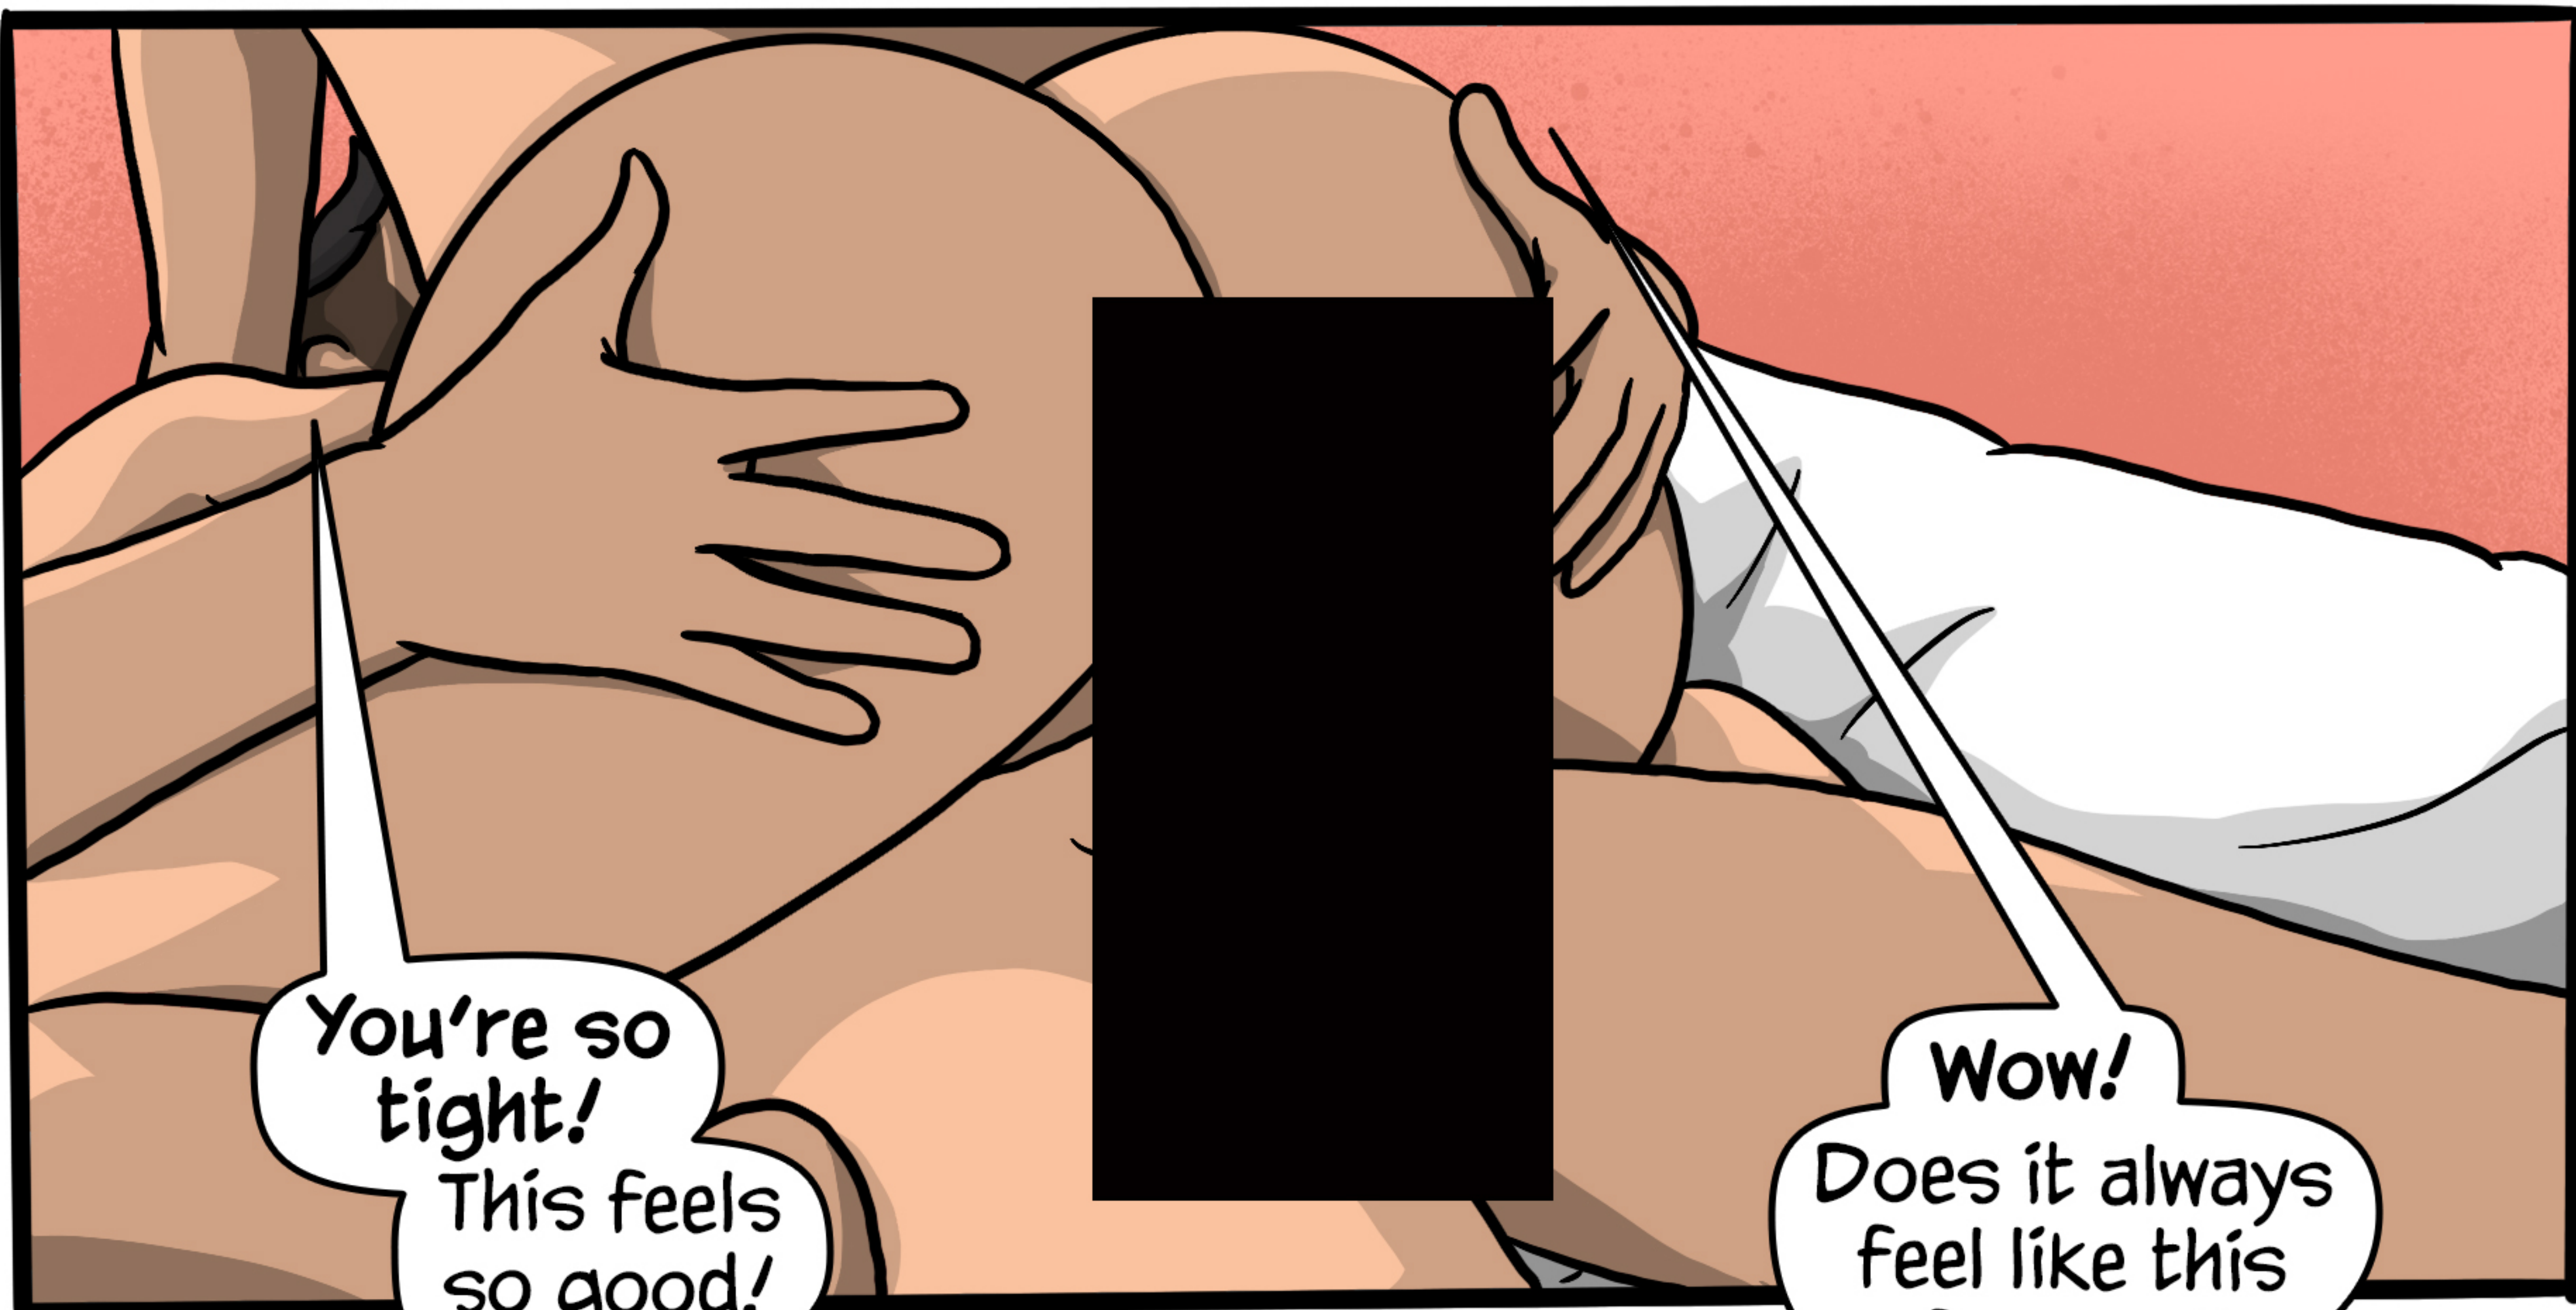

Mmmmm...

OH, GOD!
YESSS!

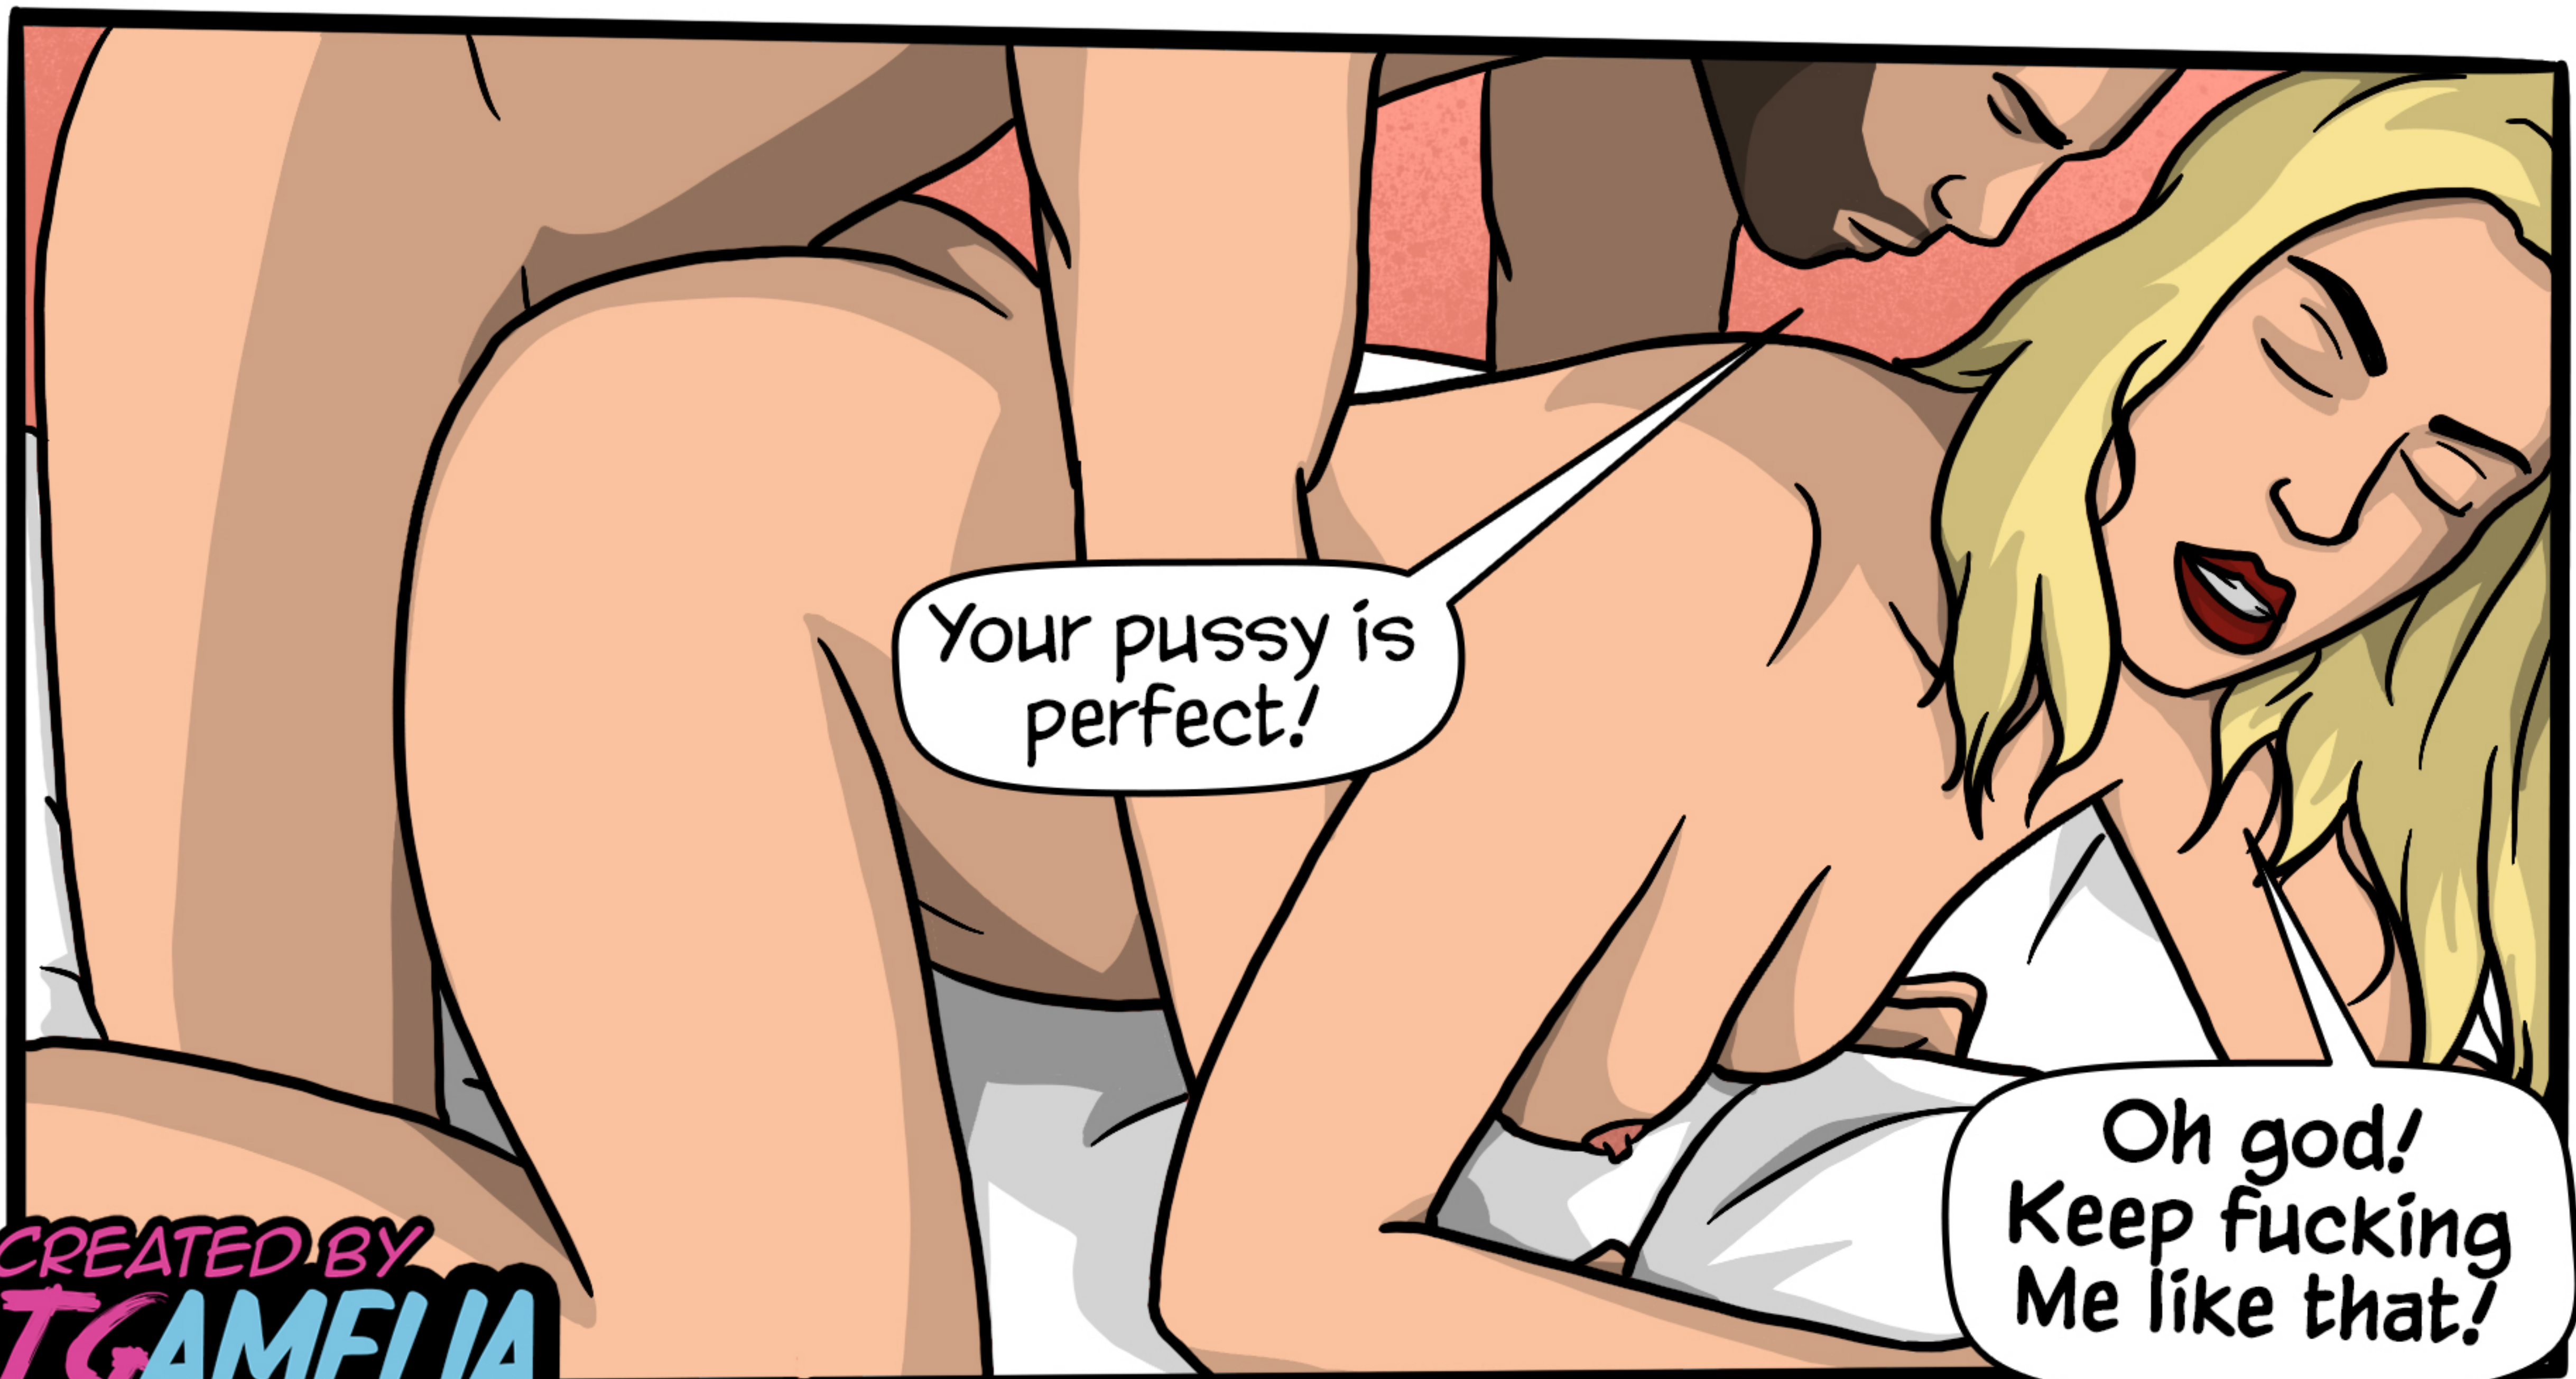

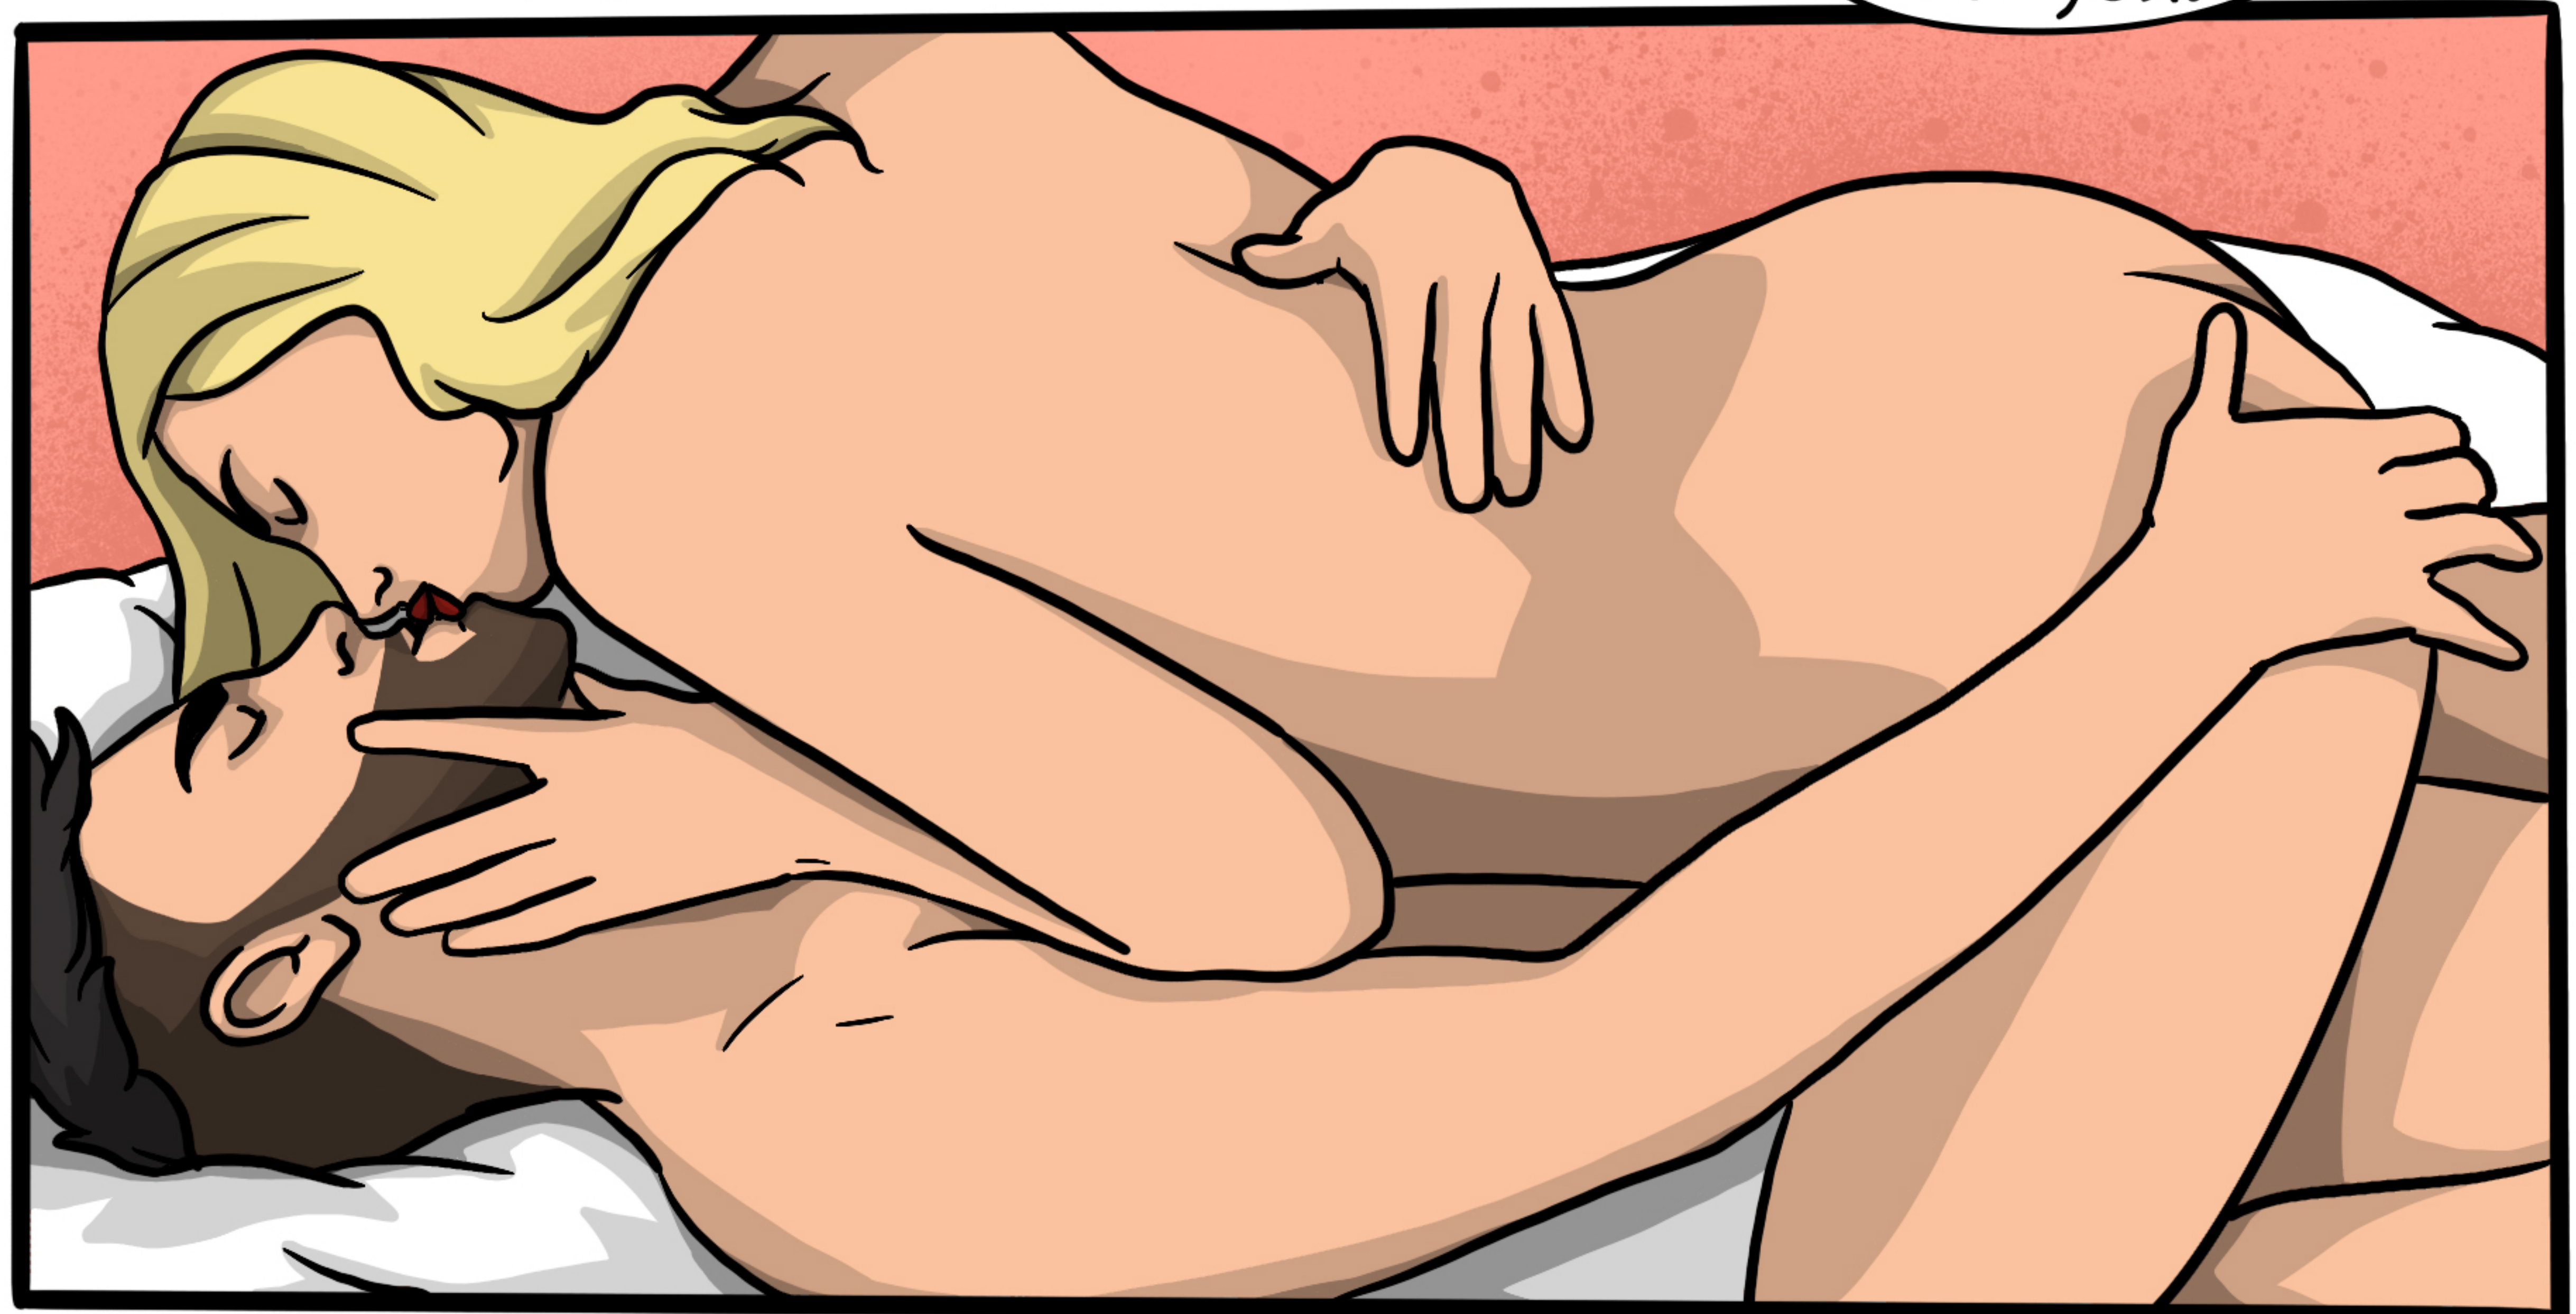

Mmmmm...
baby, that feels
so good!

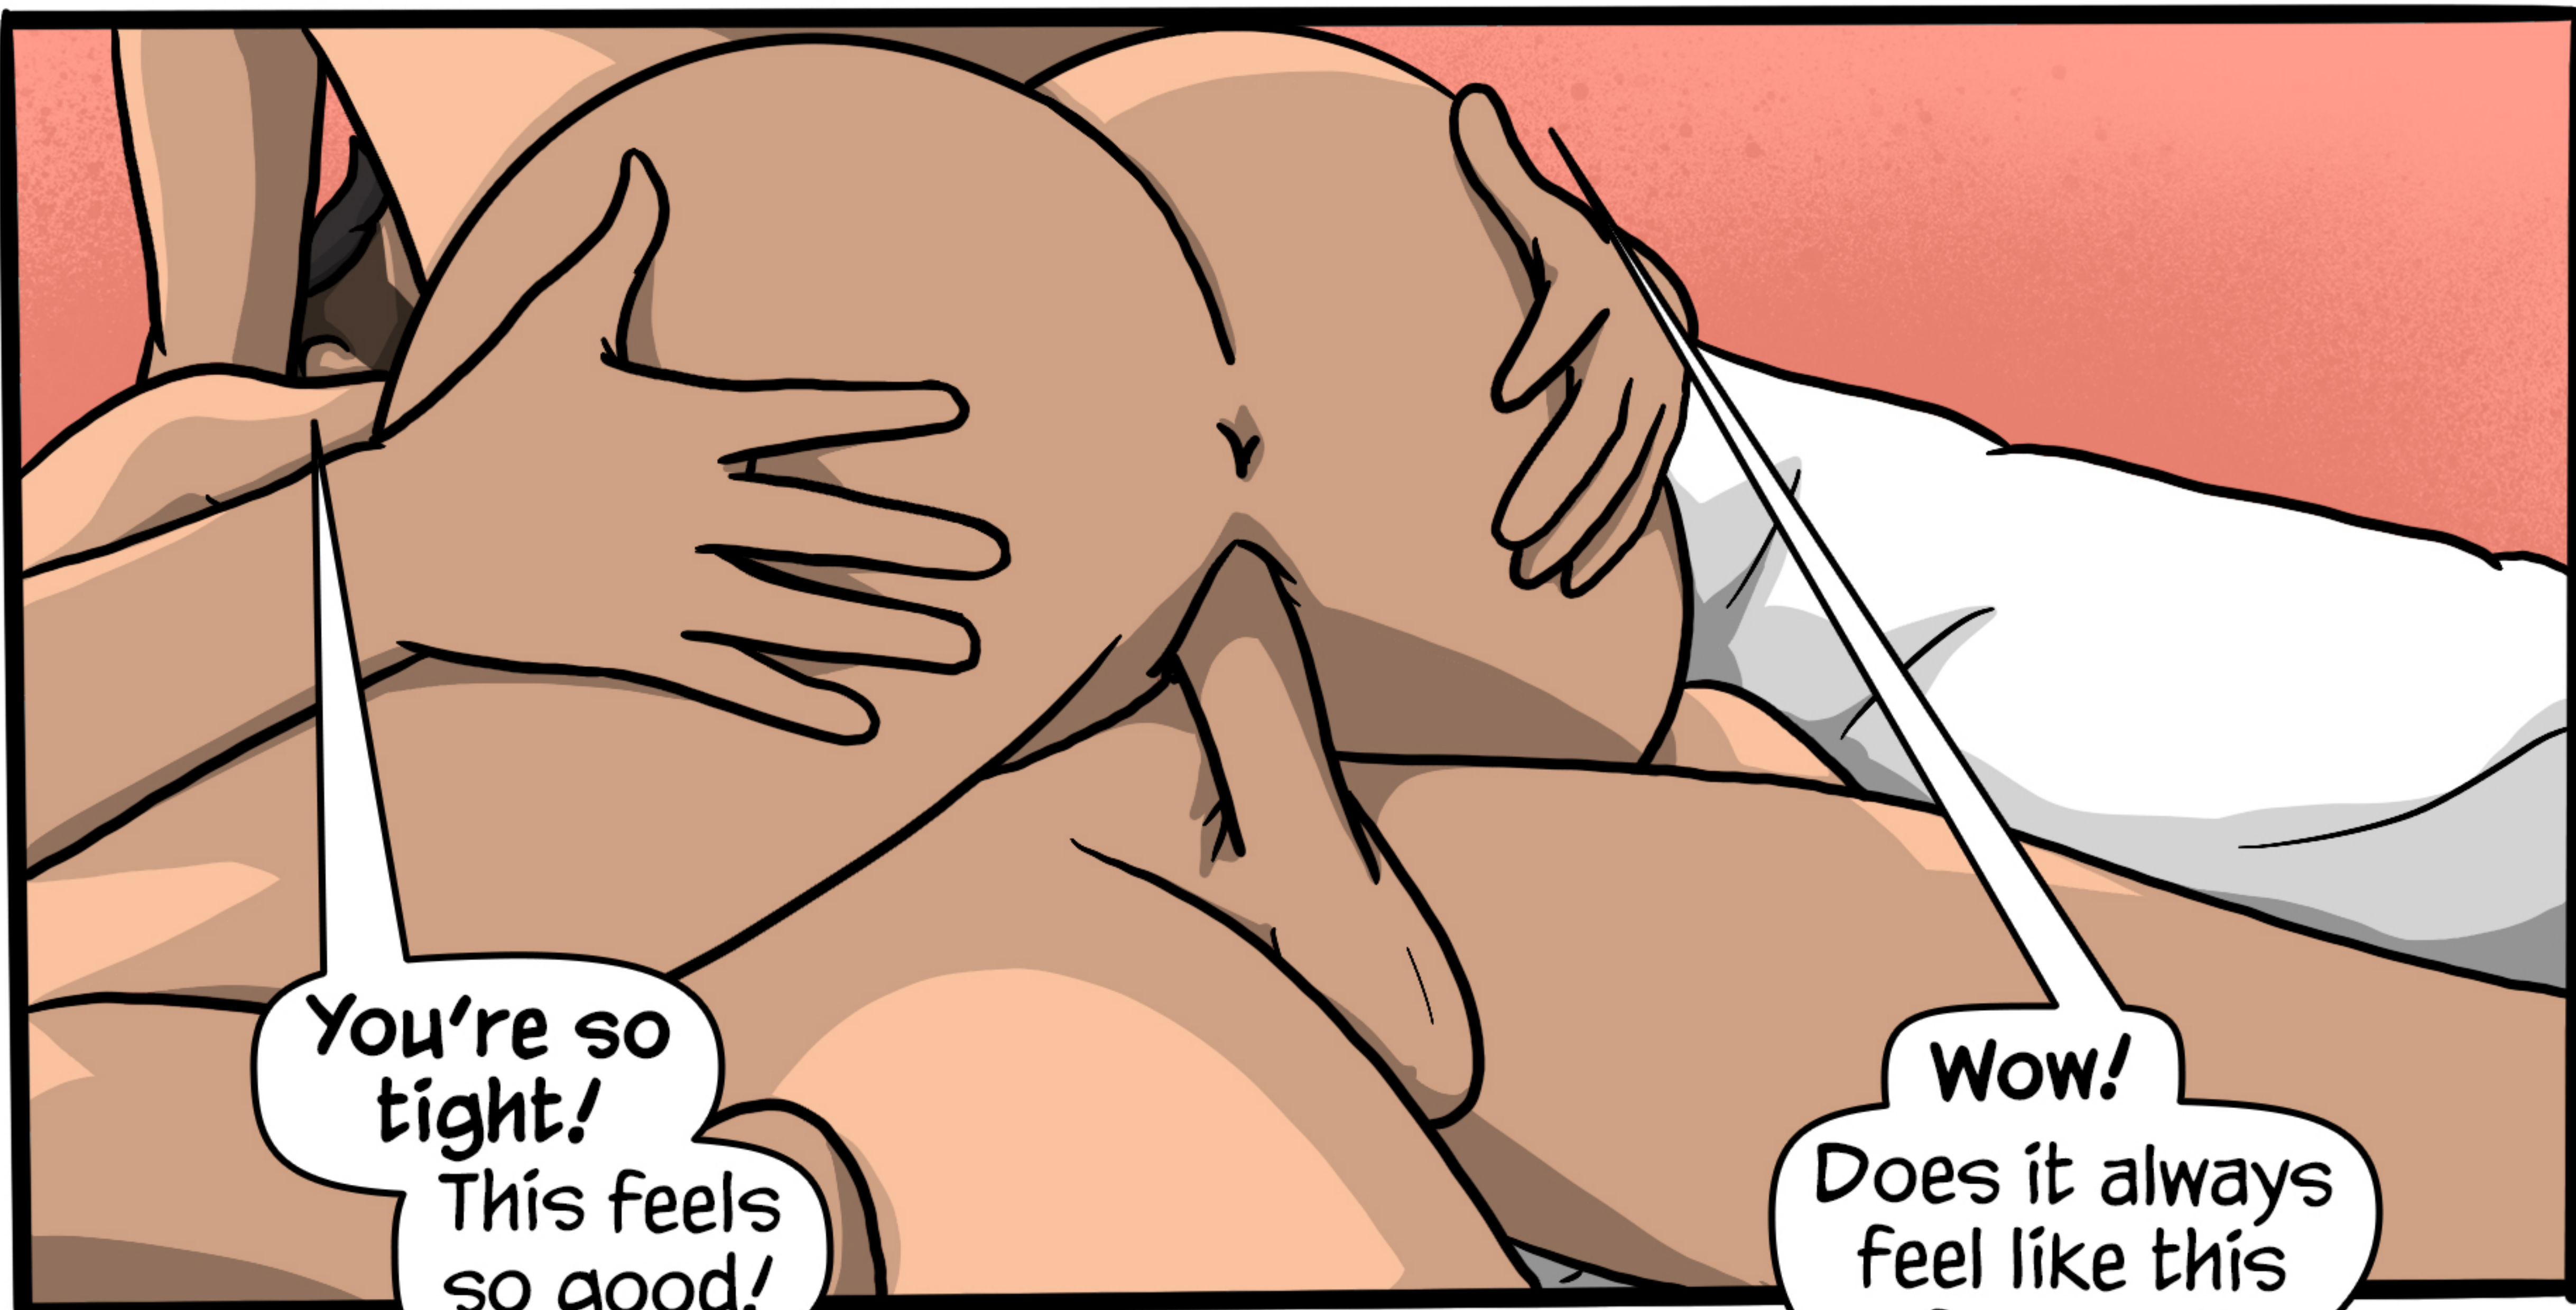

You're so tight!
This feels so good!

Wow!
Does it always feel like this for you?

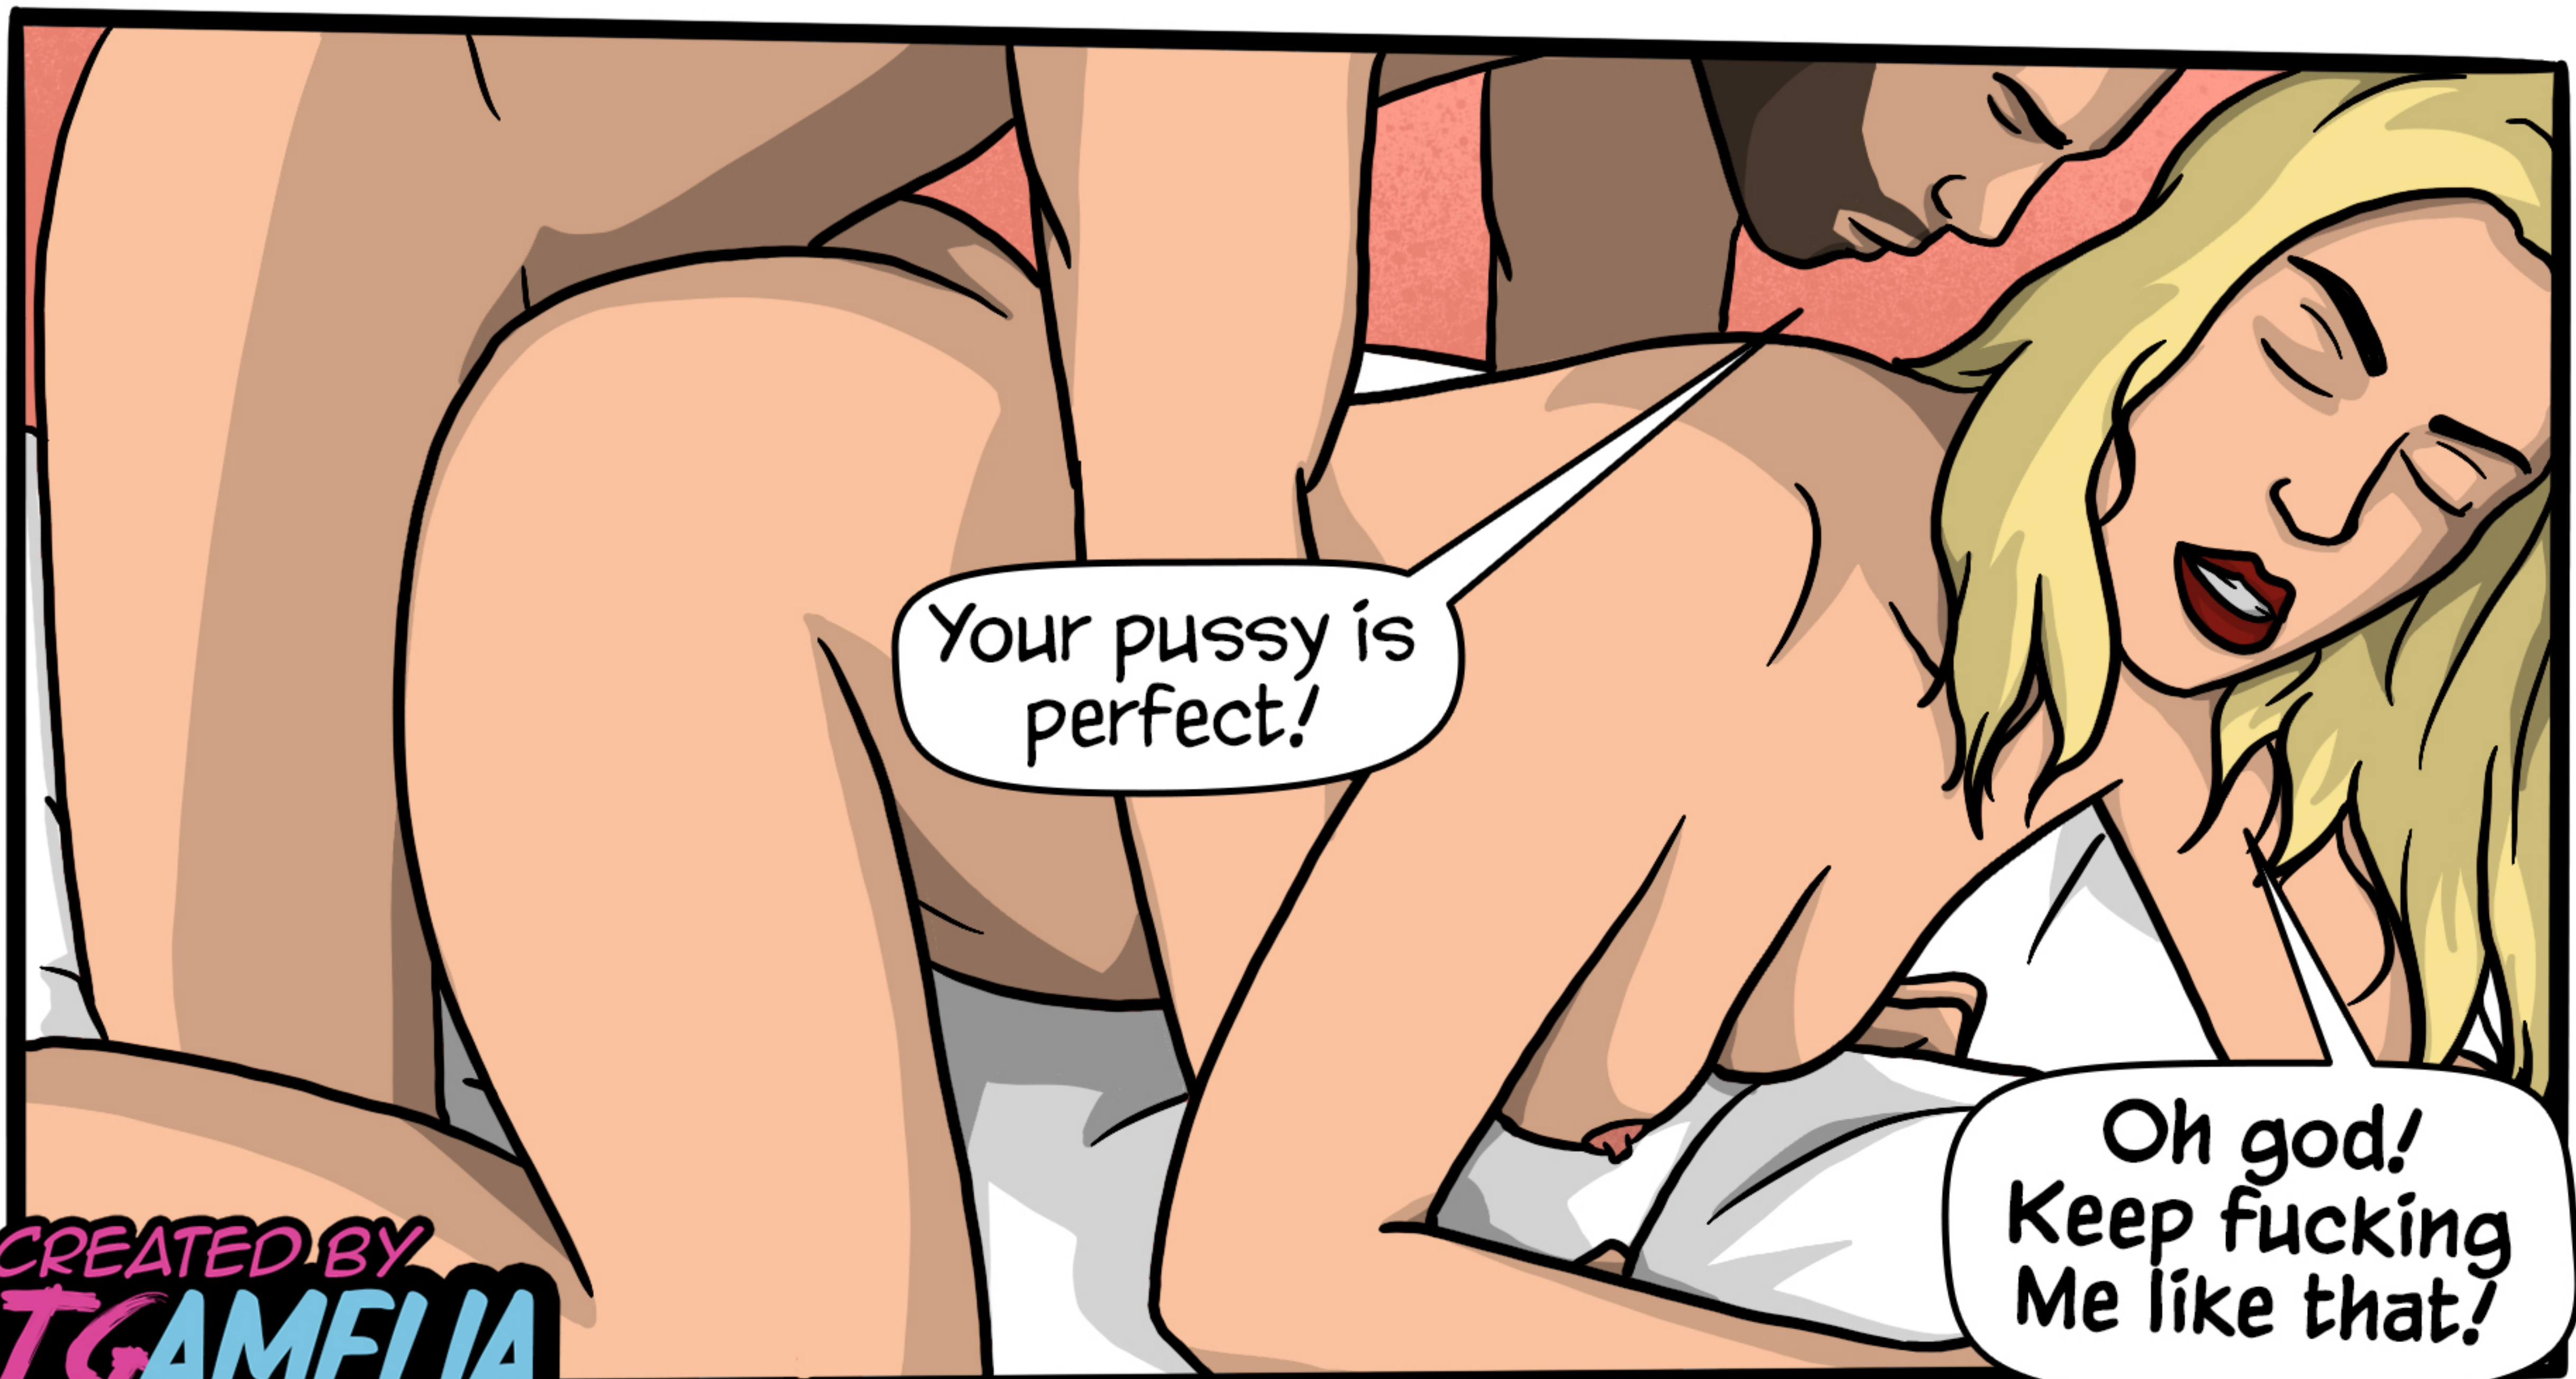

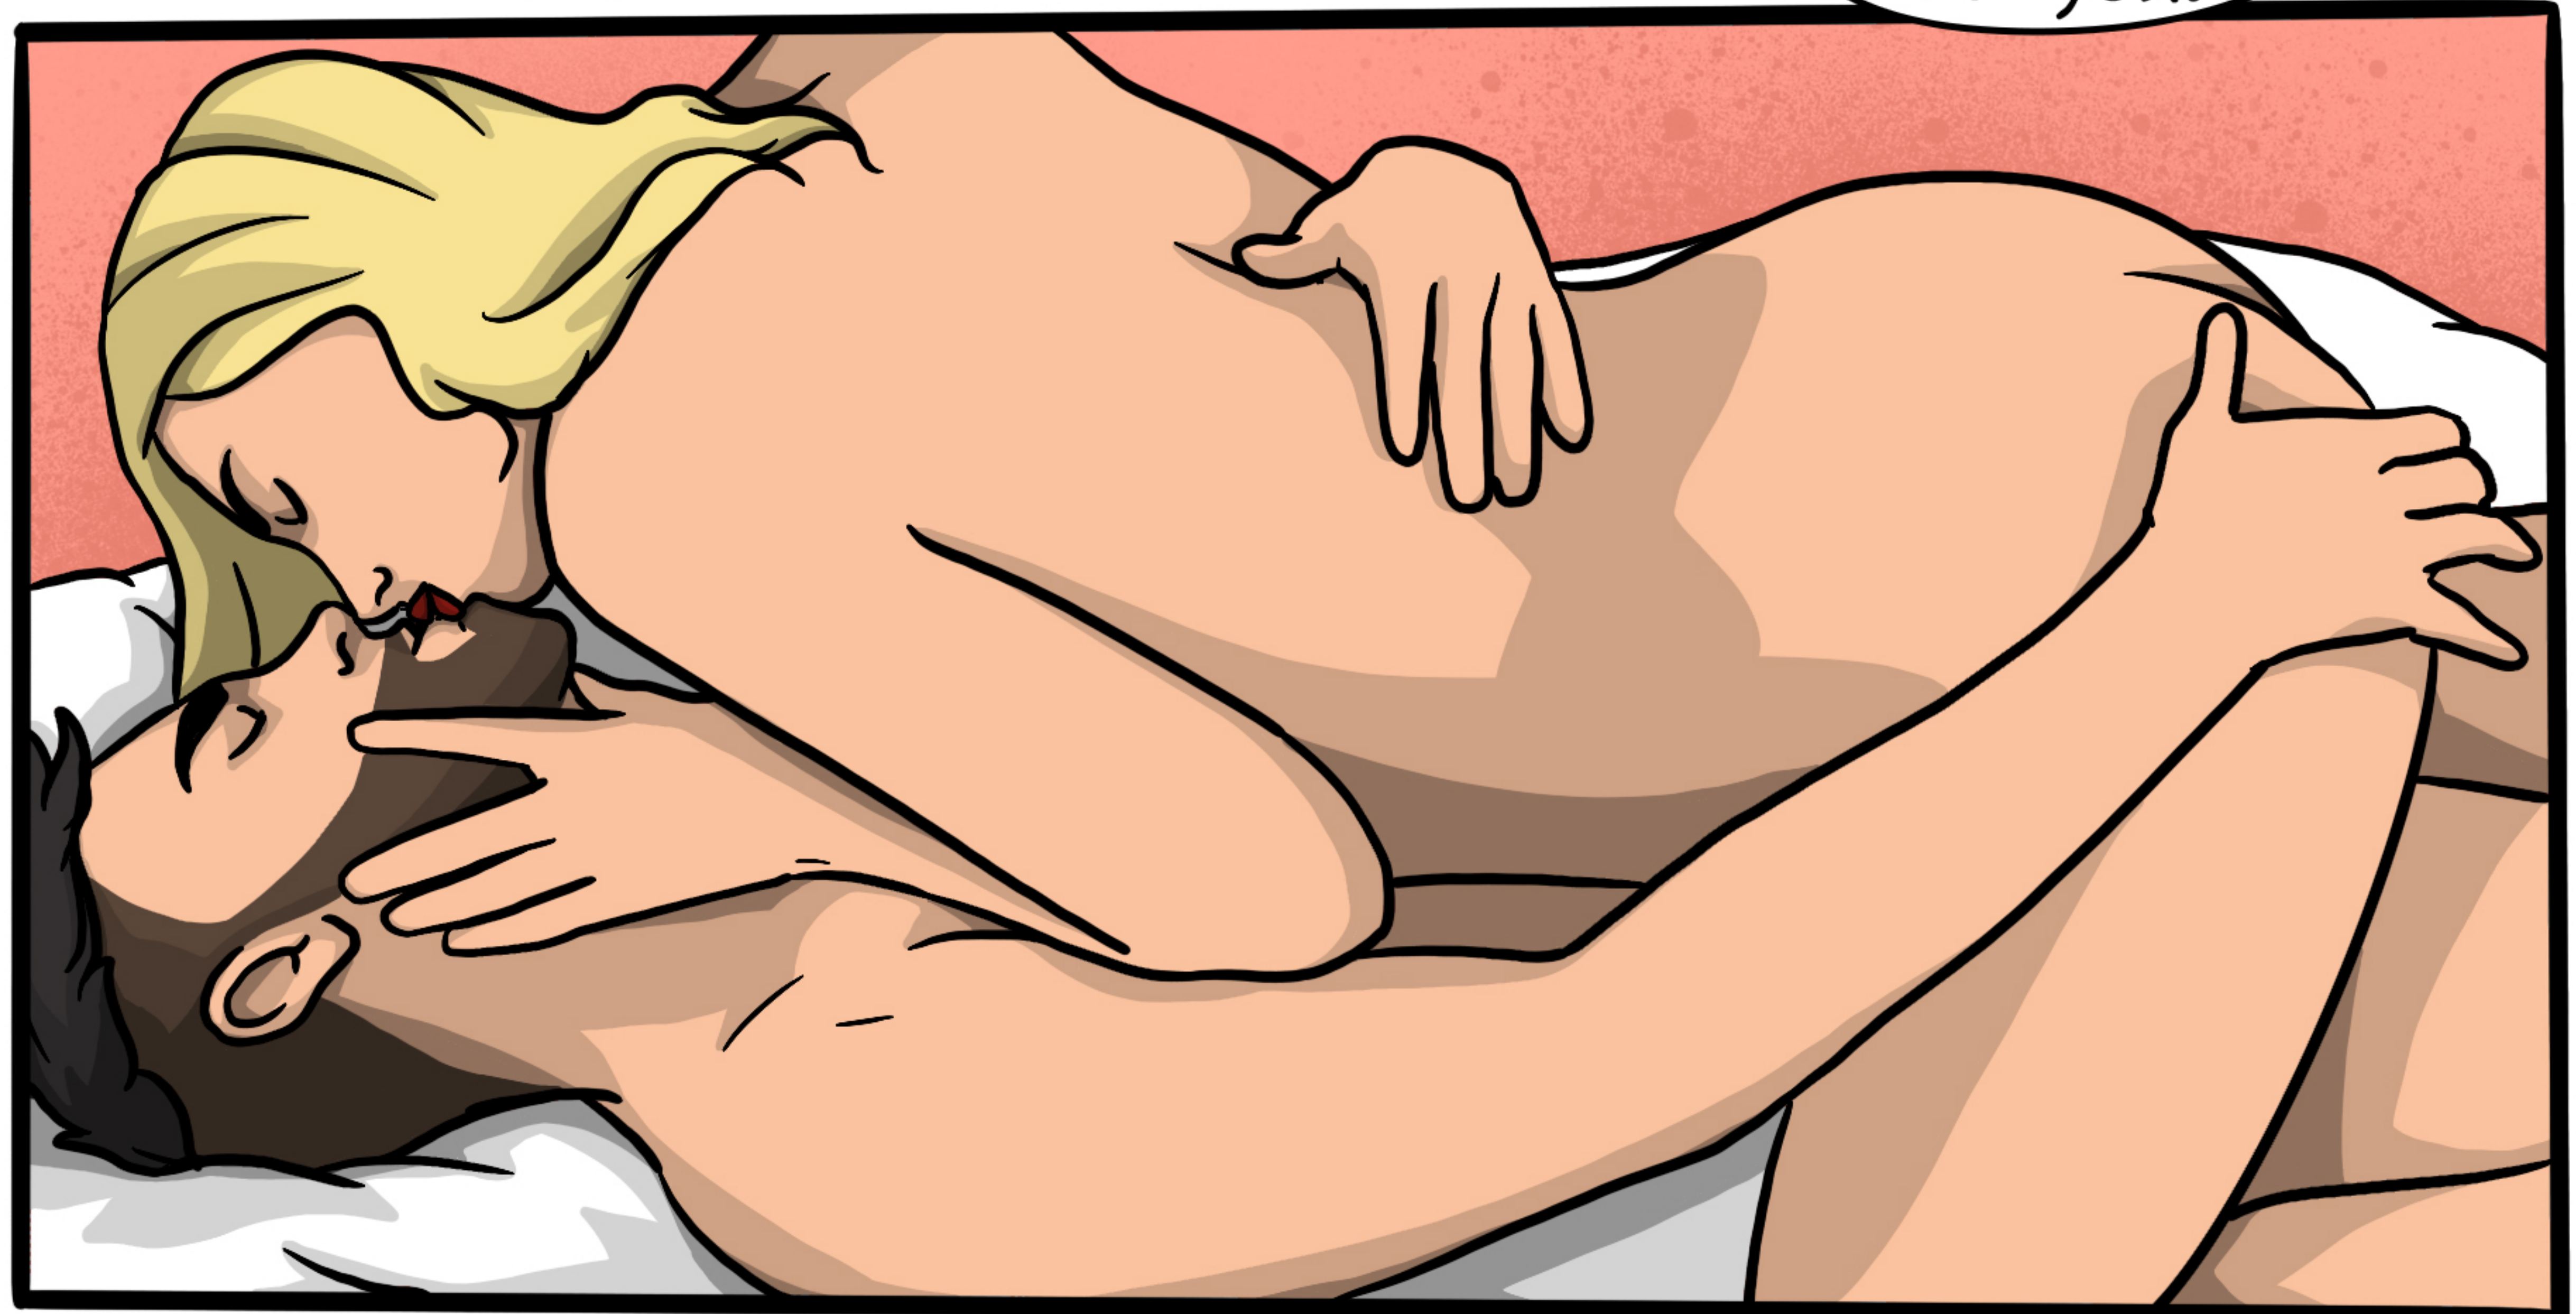

Your pussy is perfect!

Oh god!
Keep fucking Me like that!

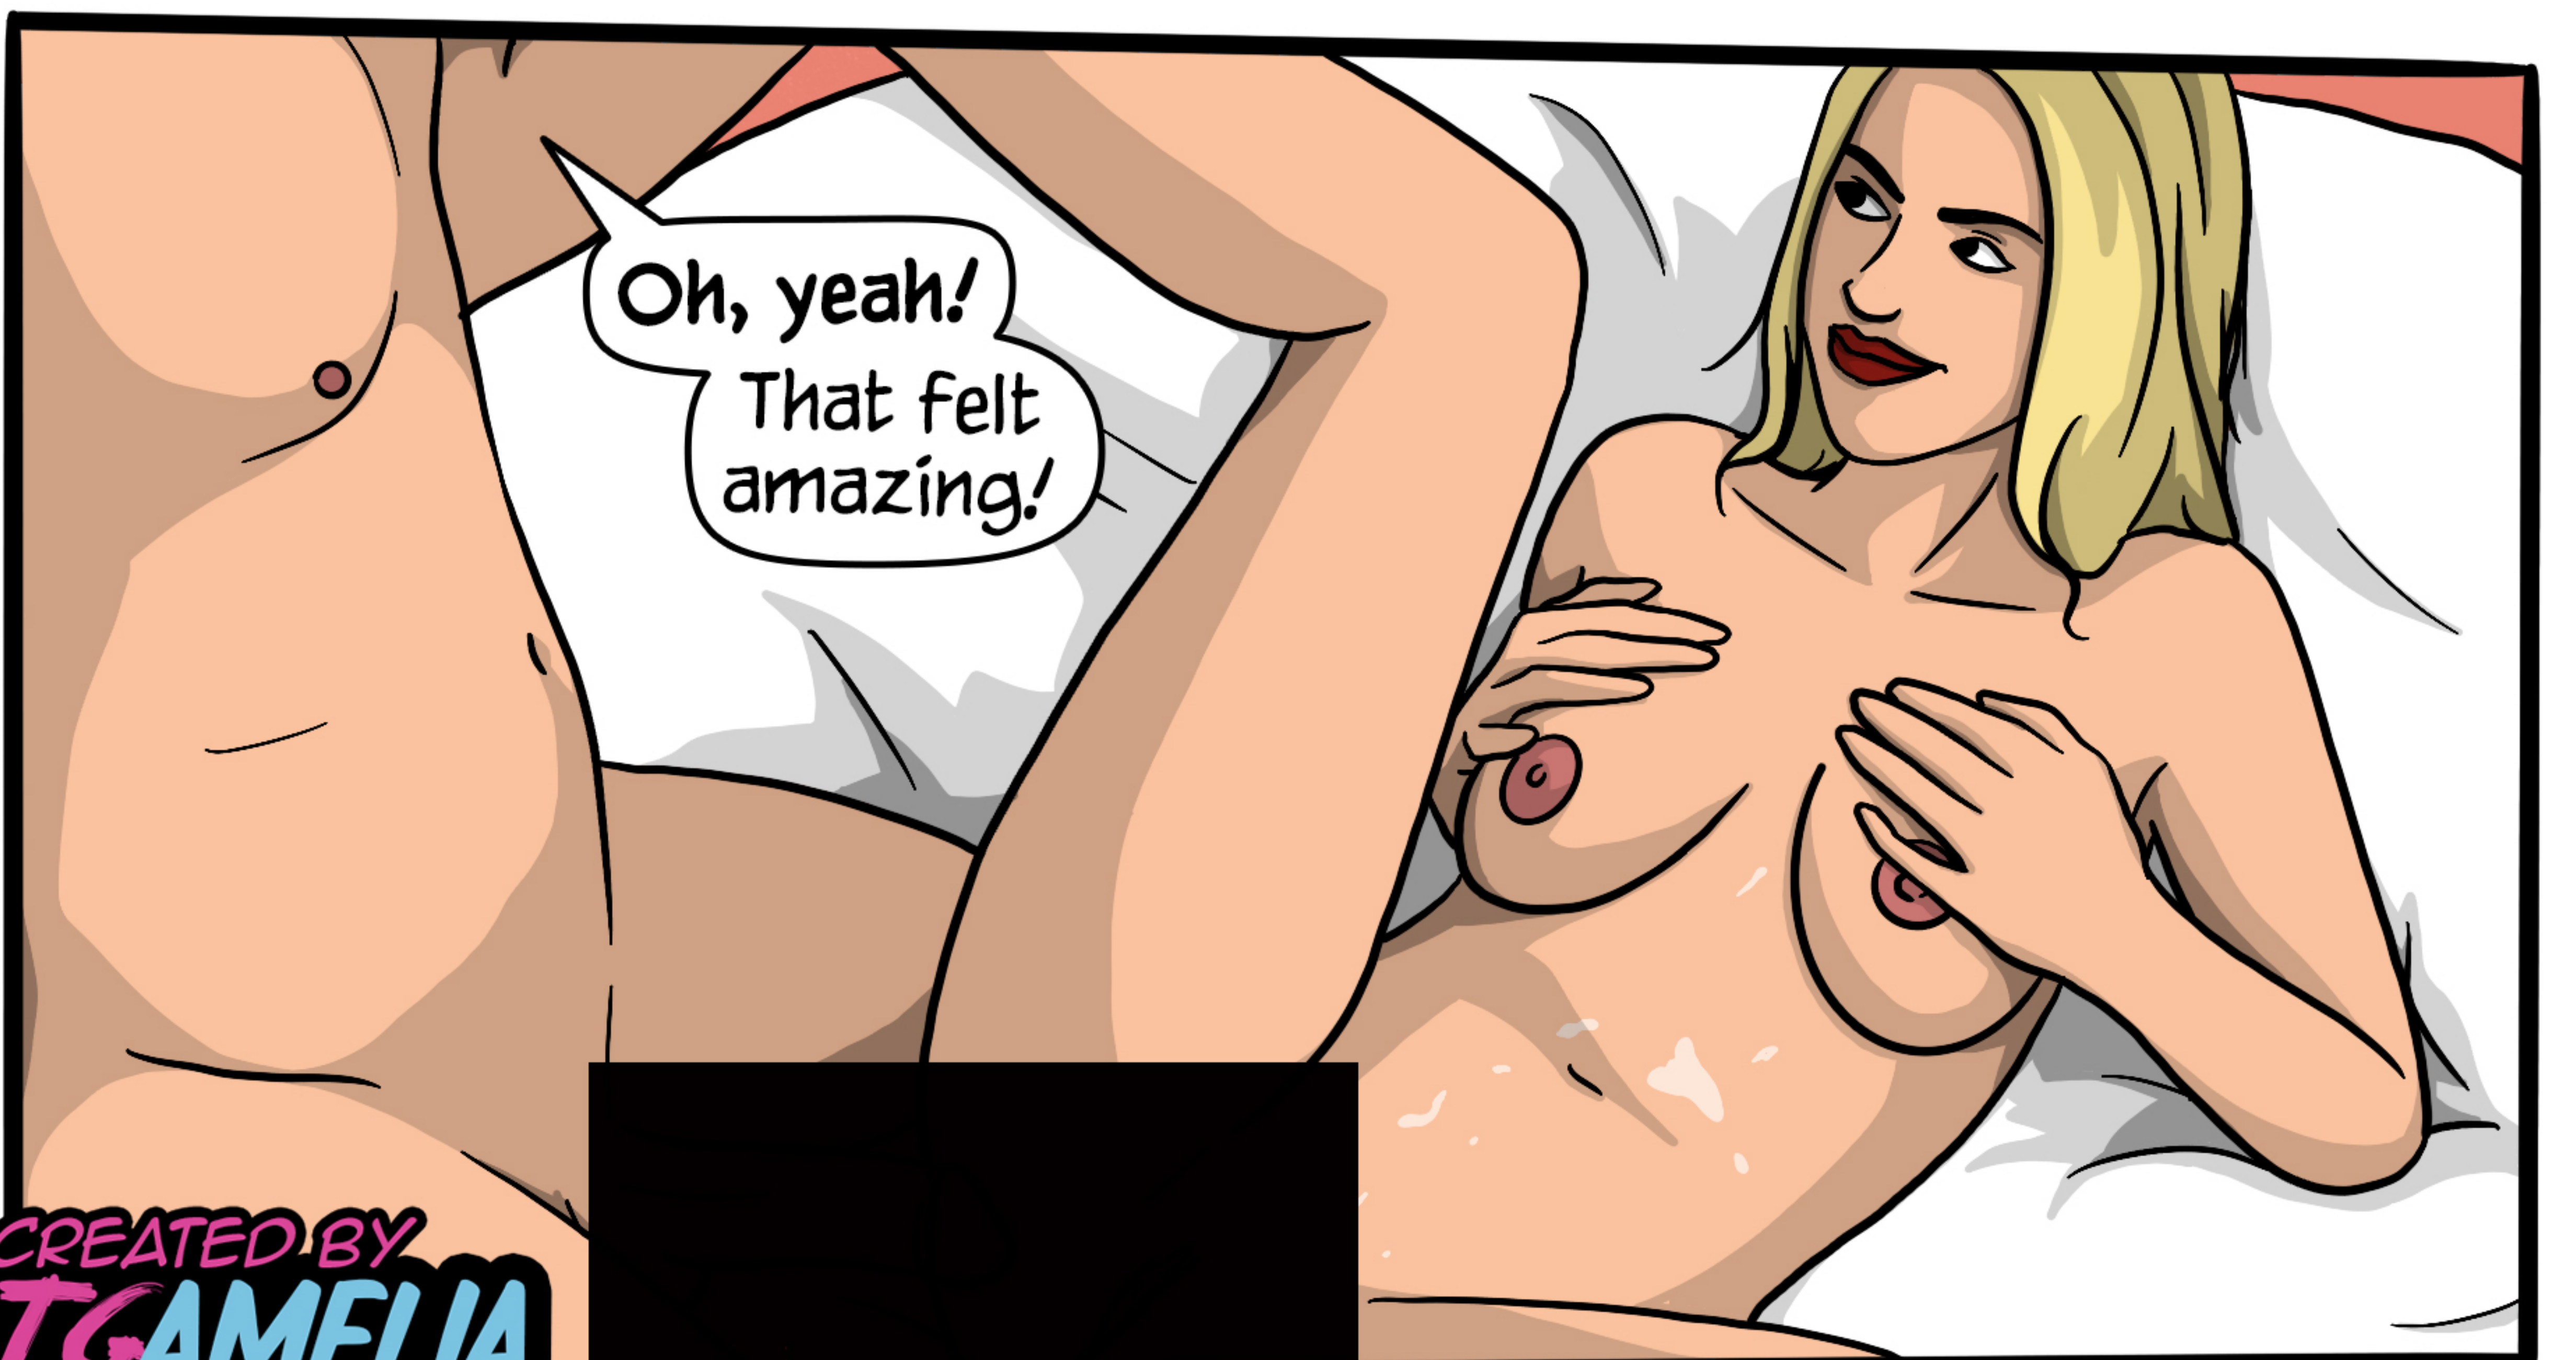

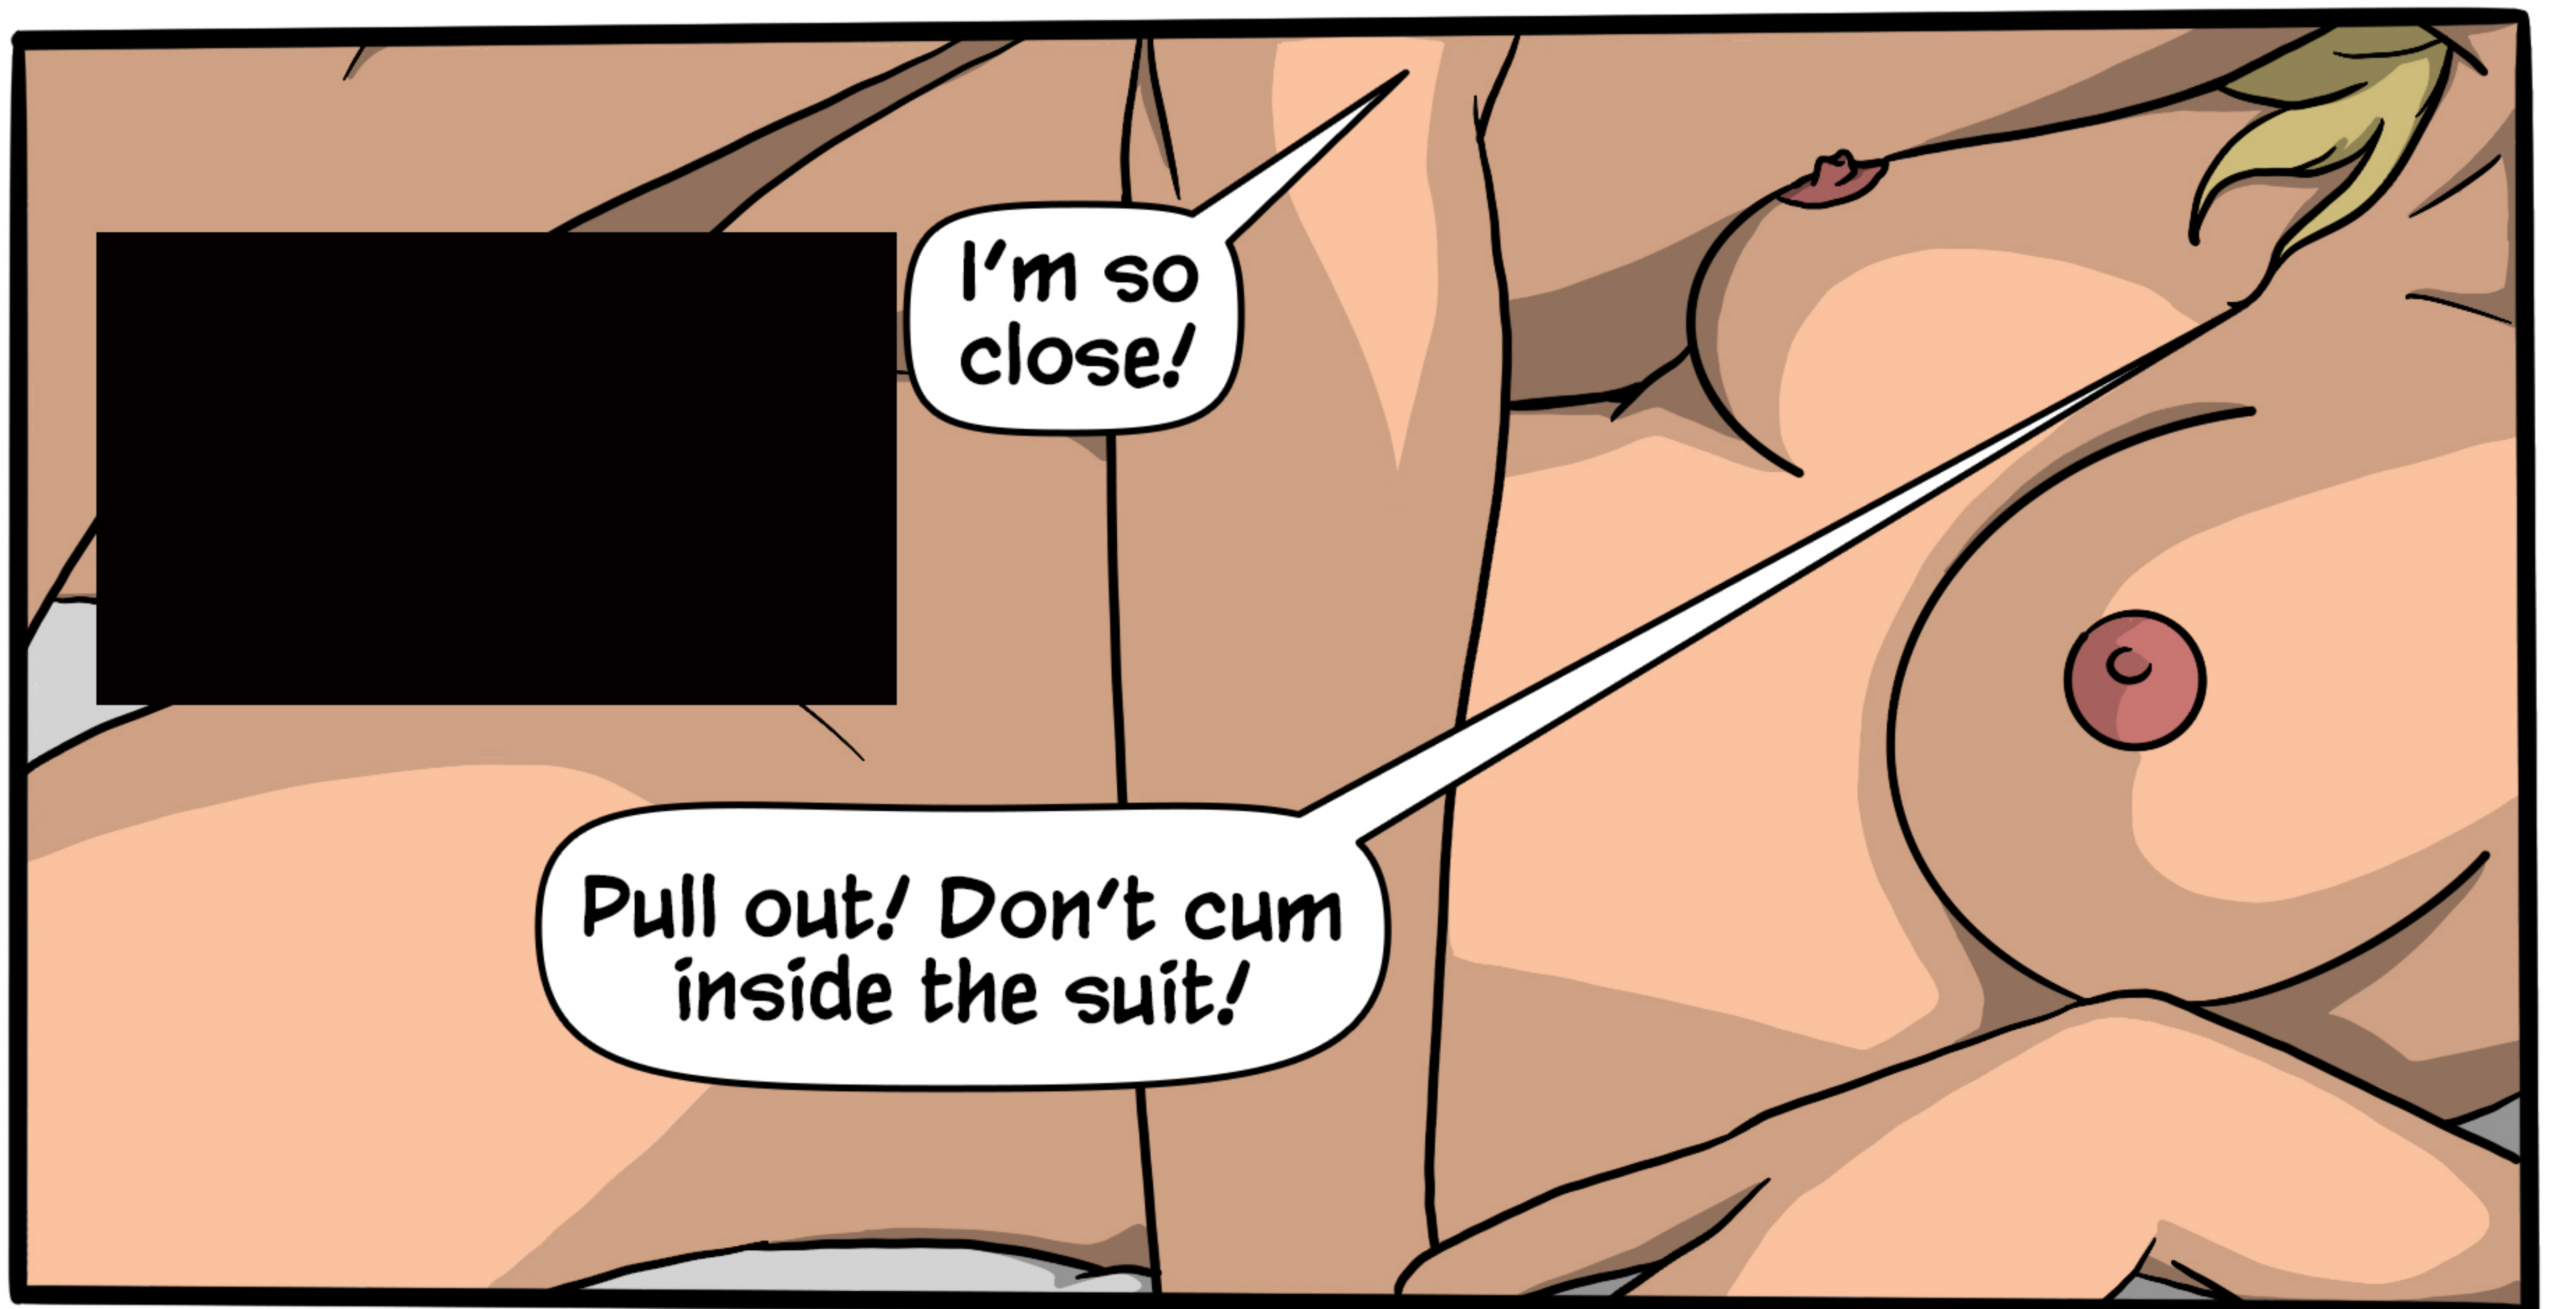

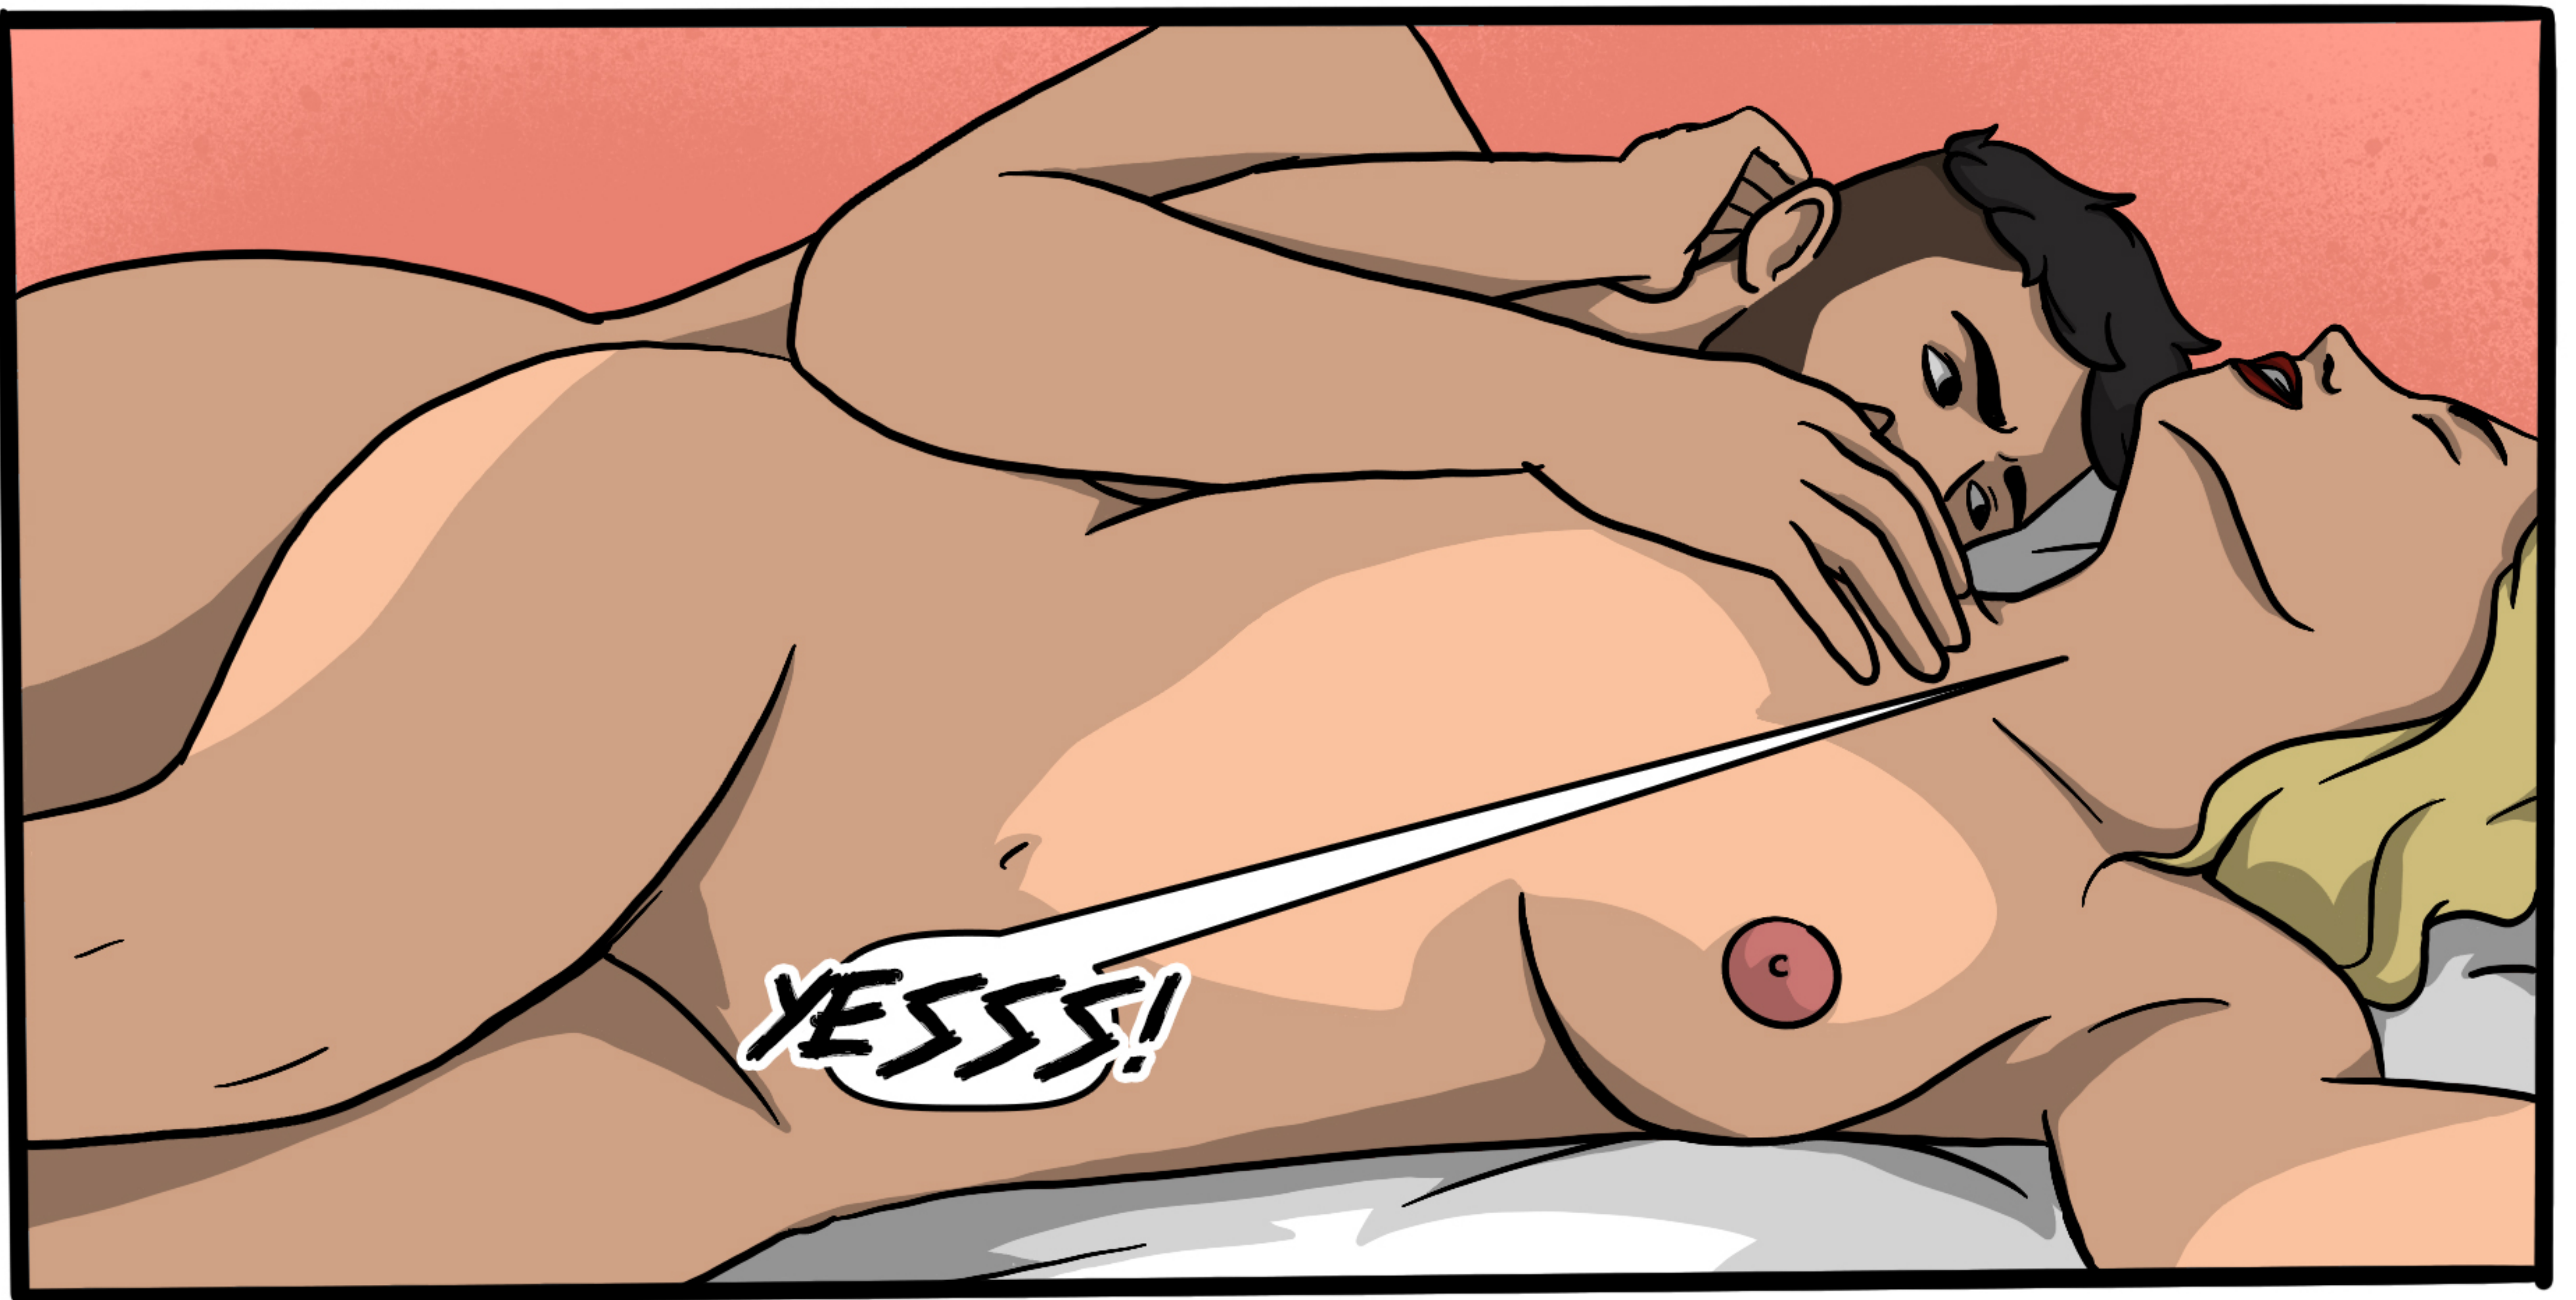

You're so tight!
This feels so good!

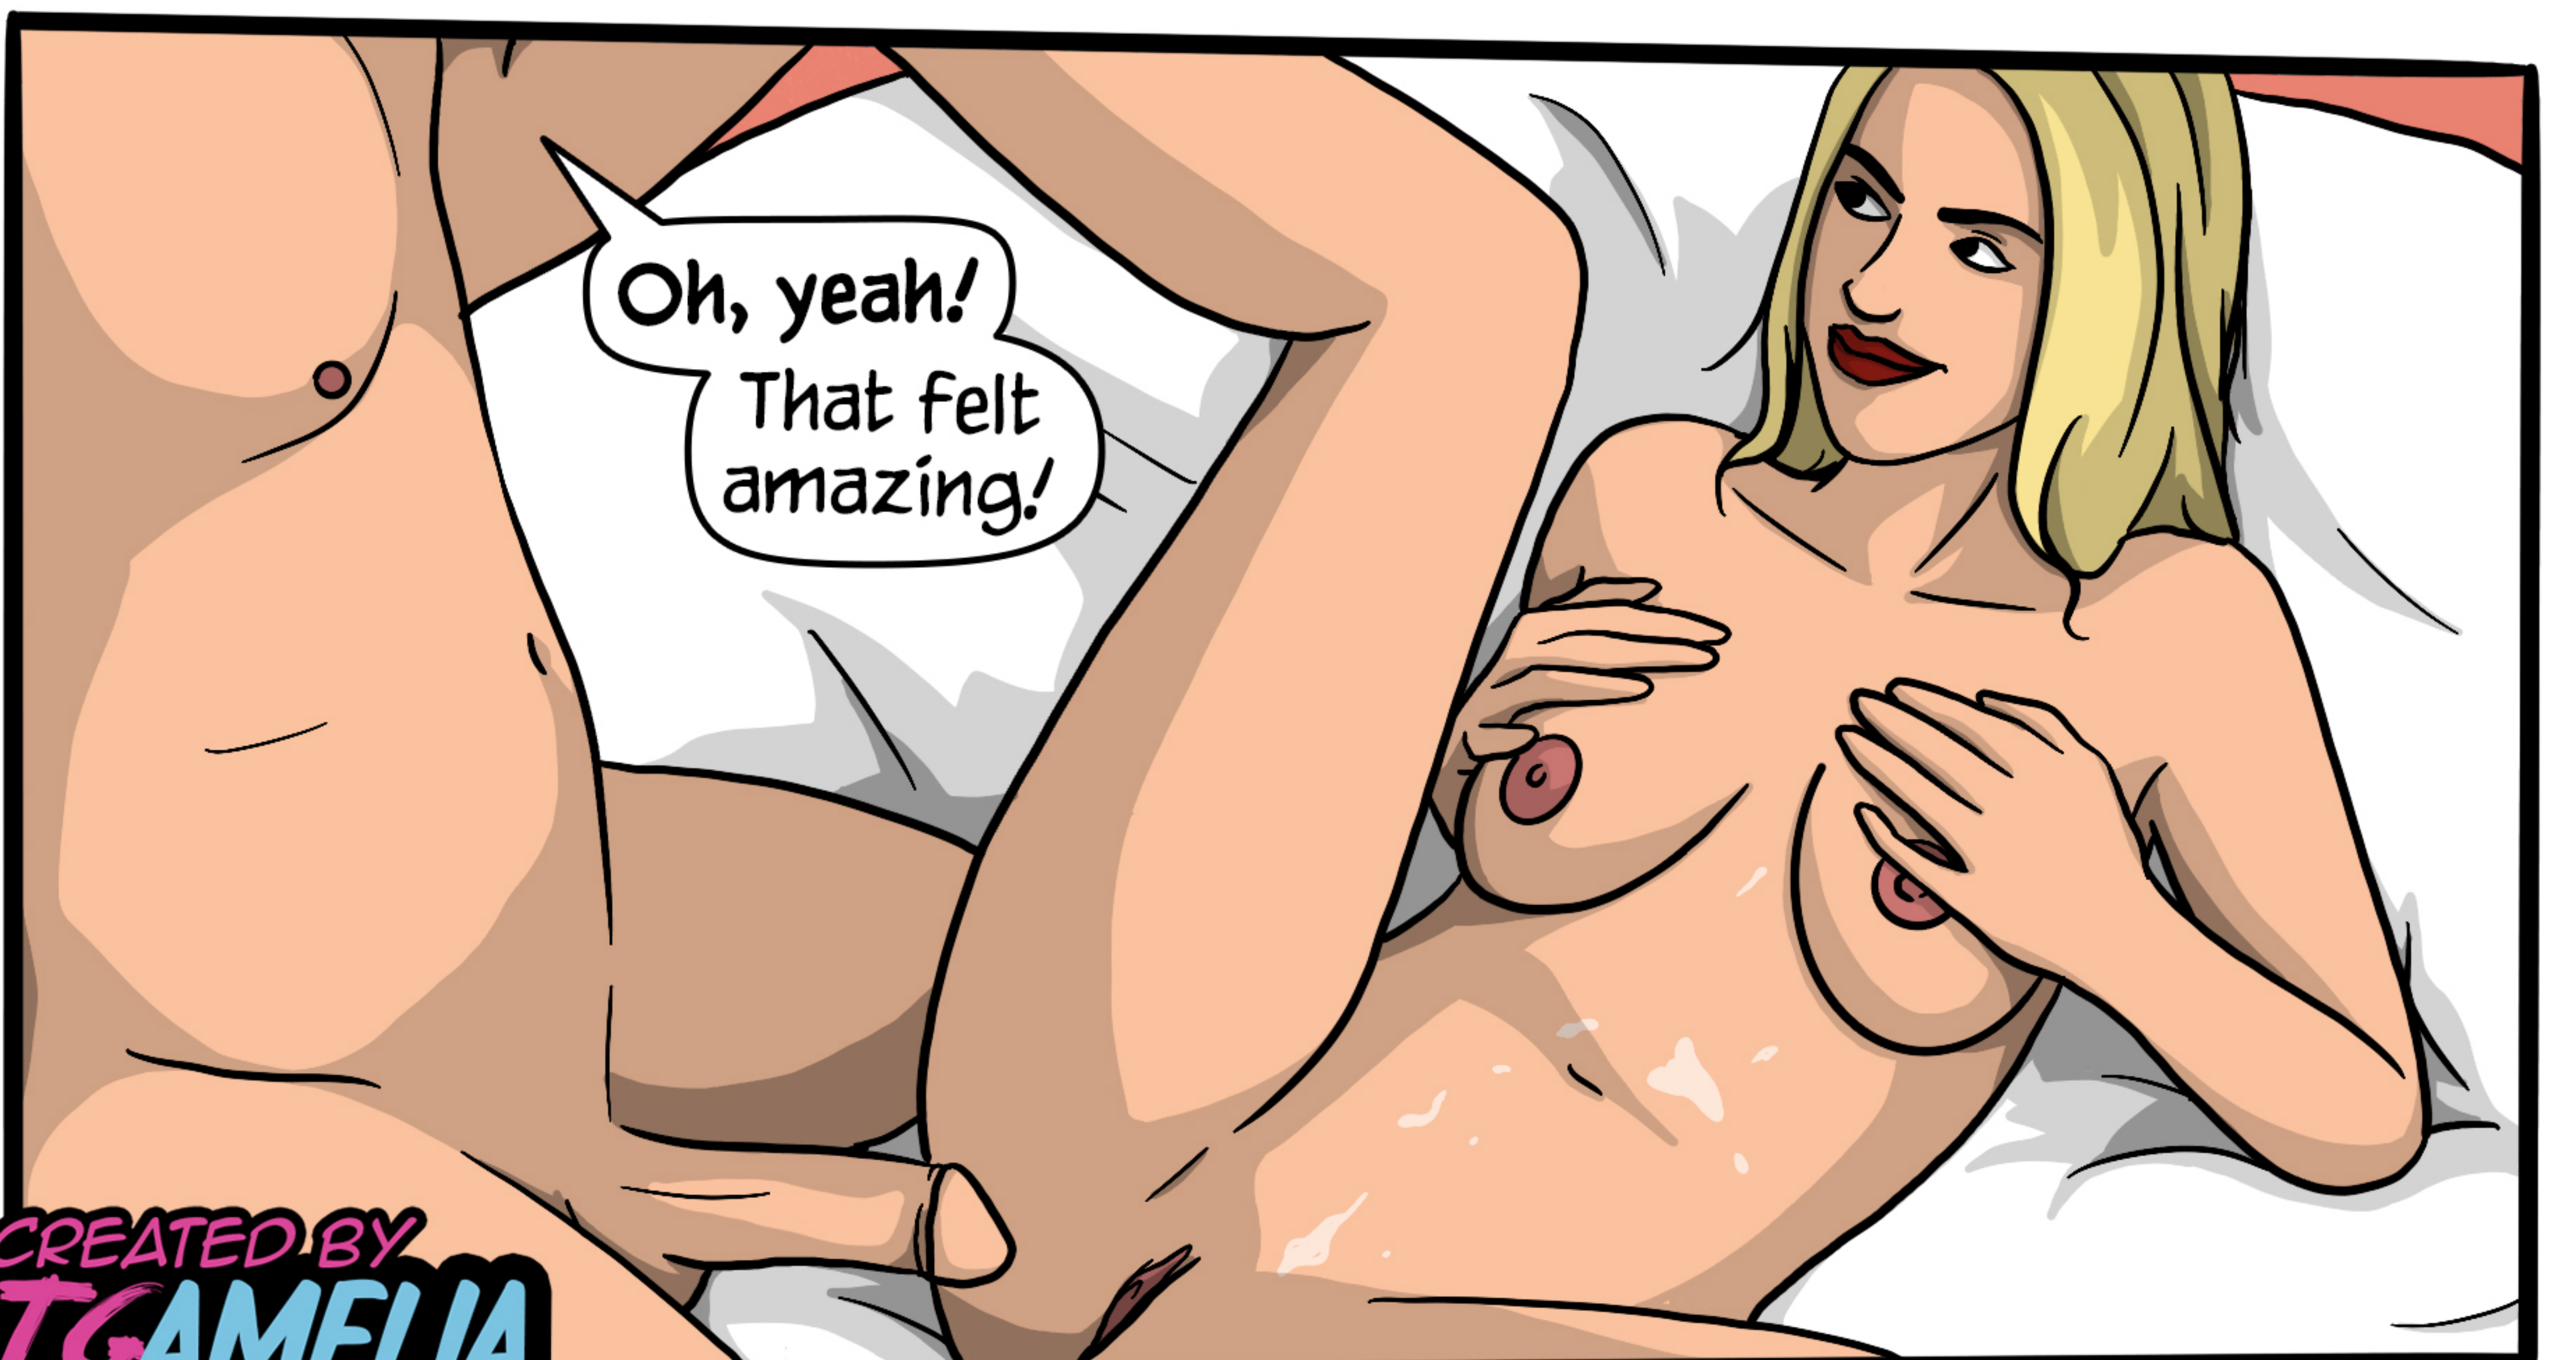

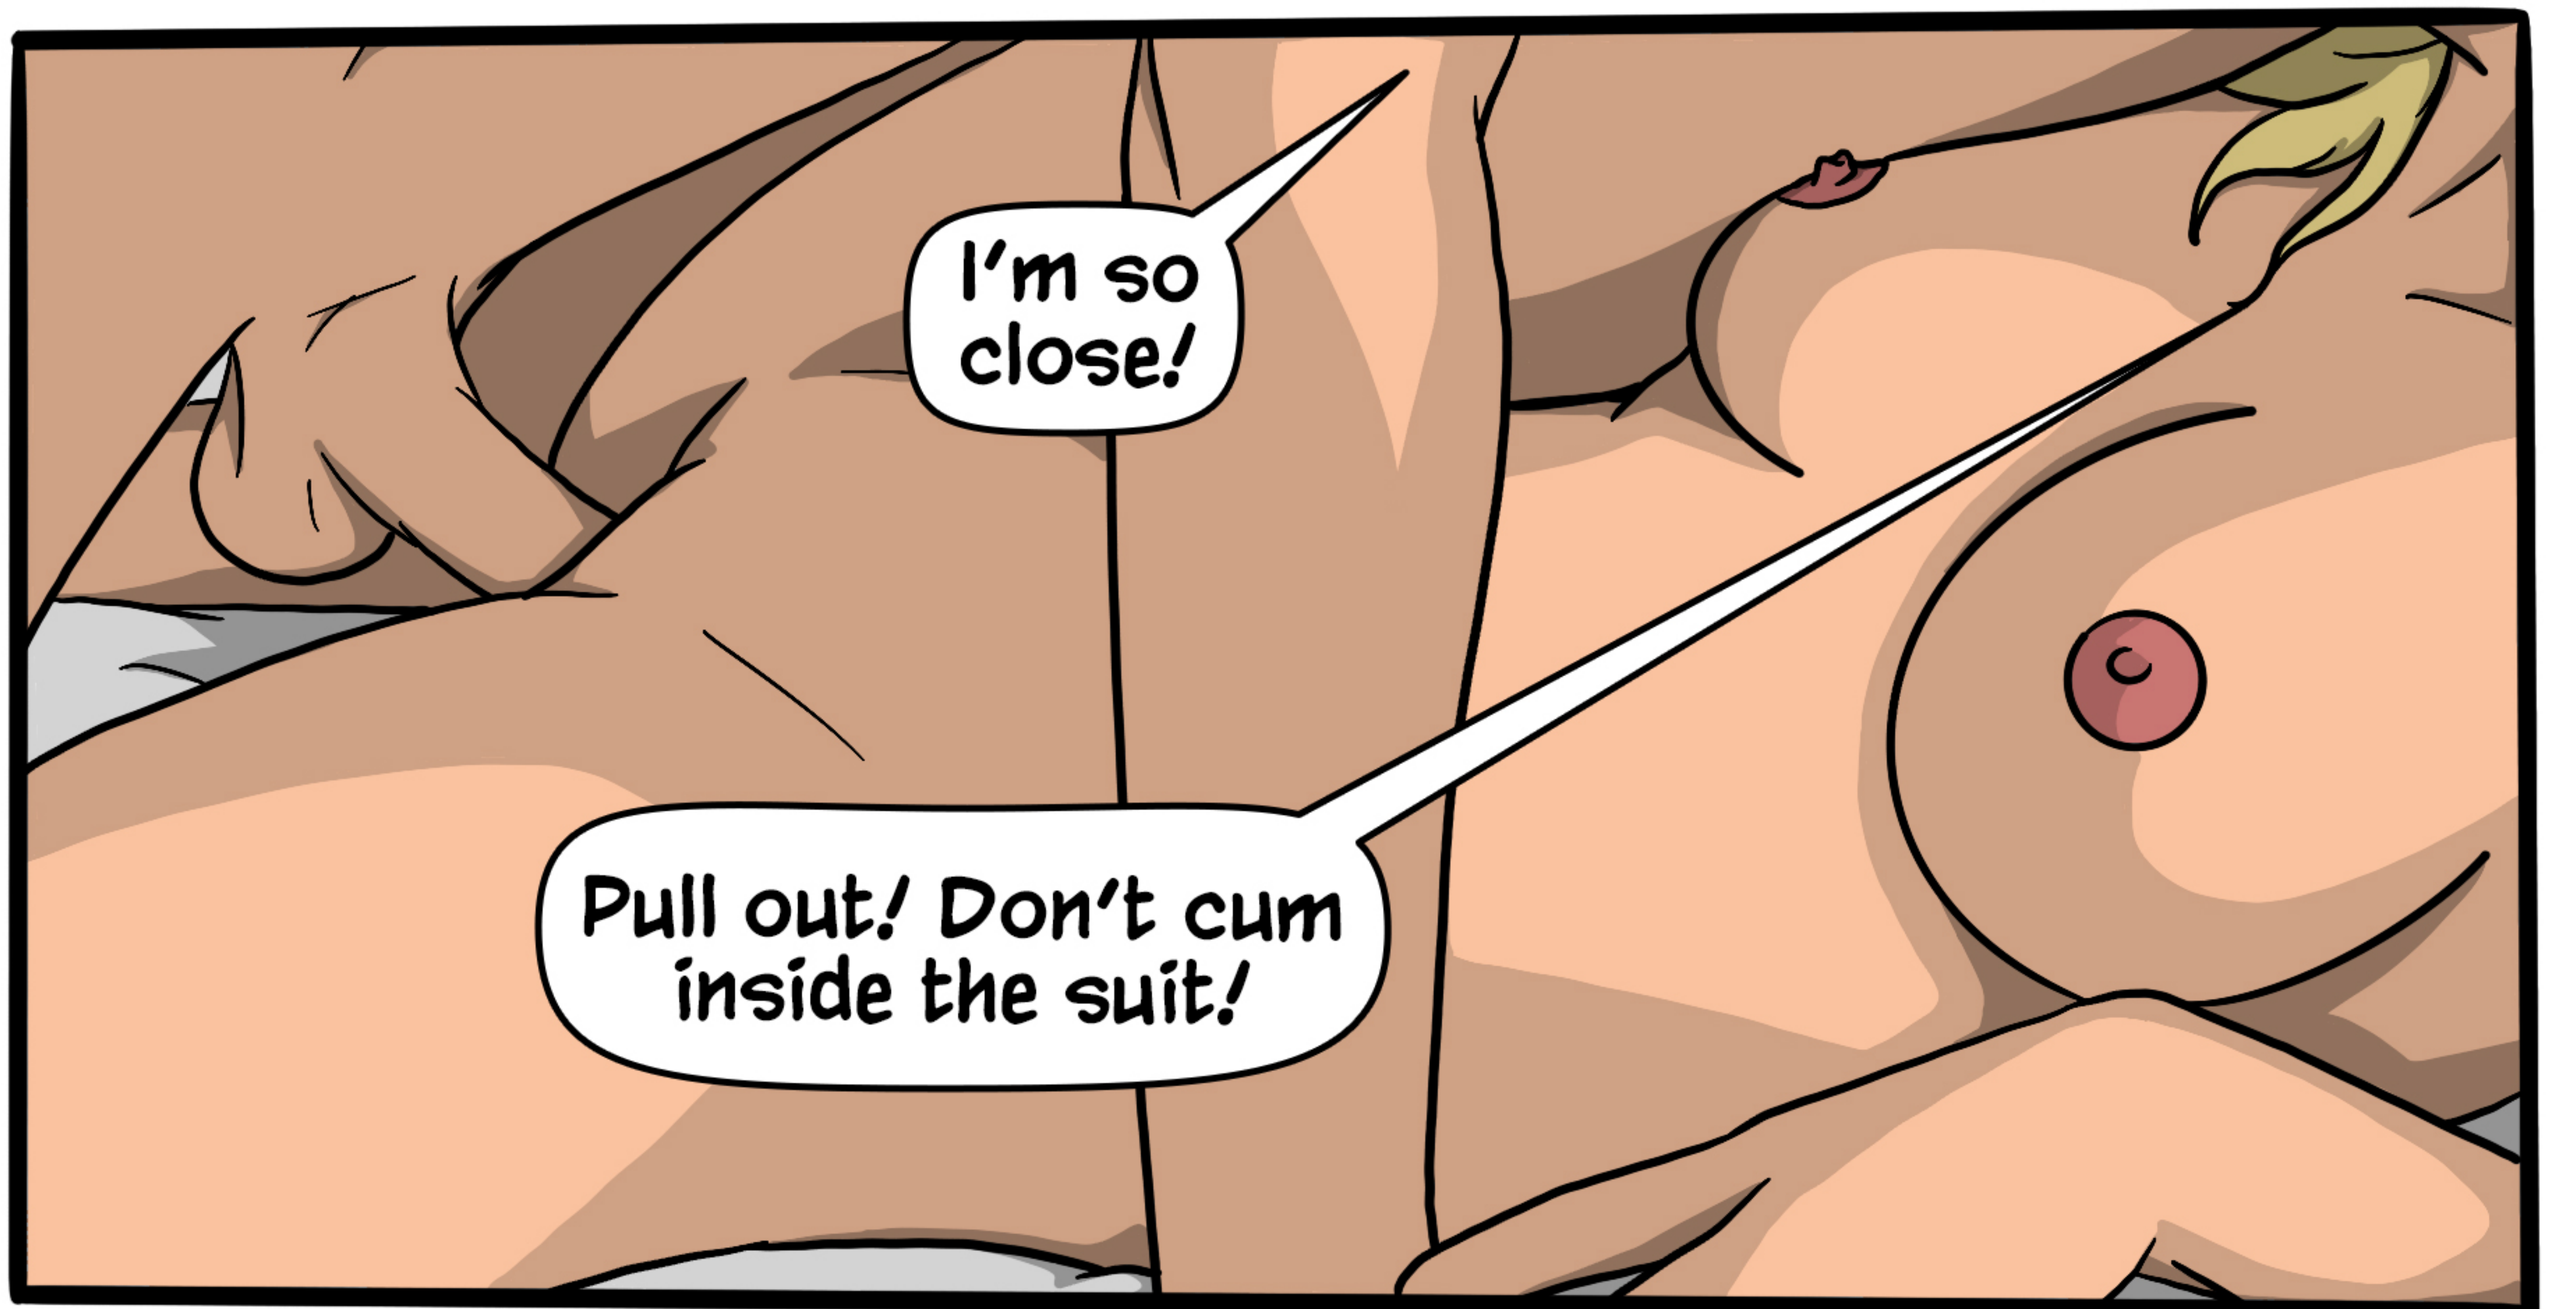

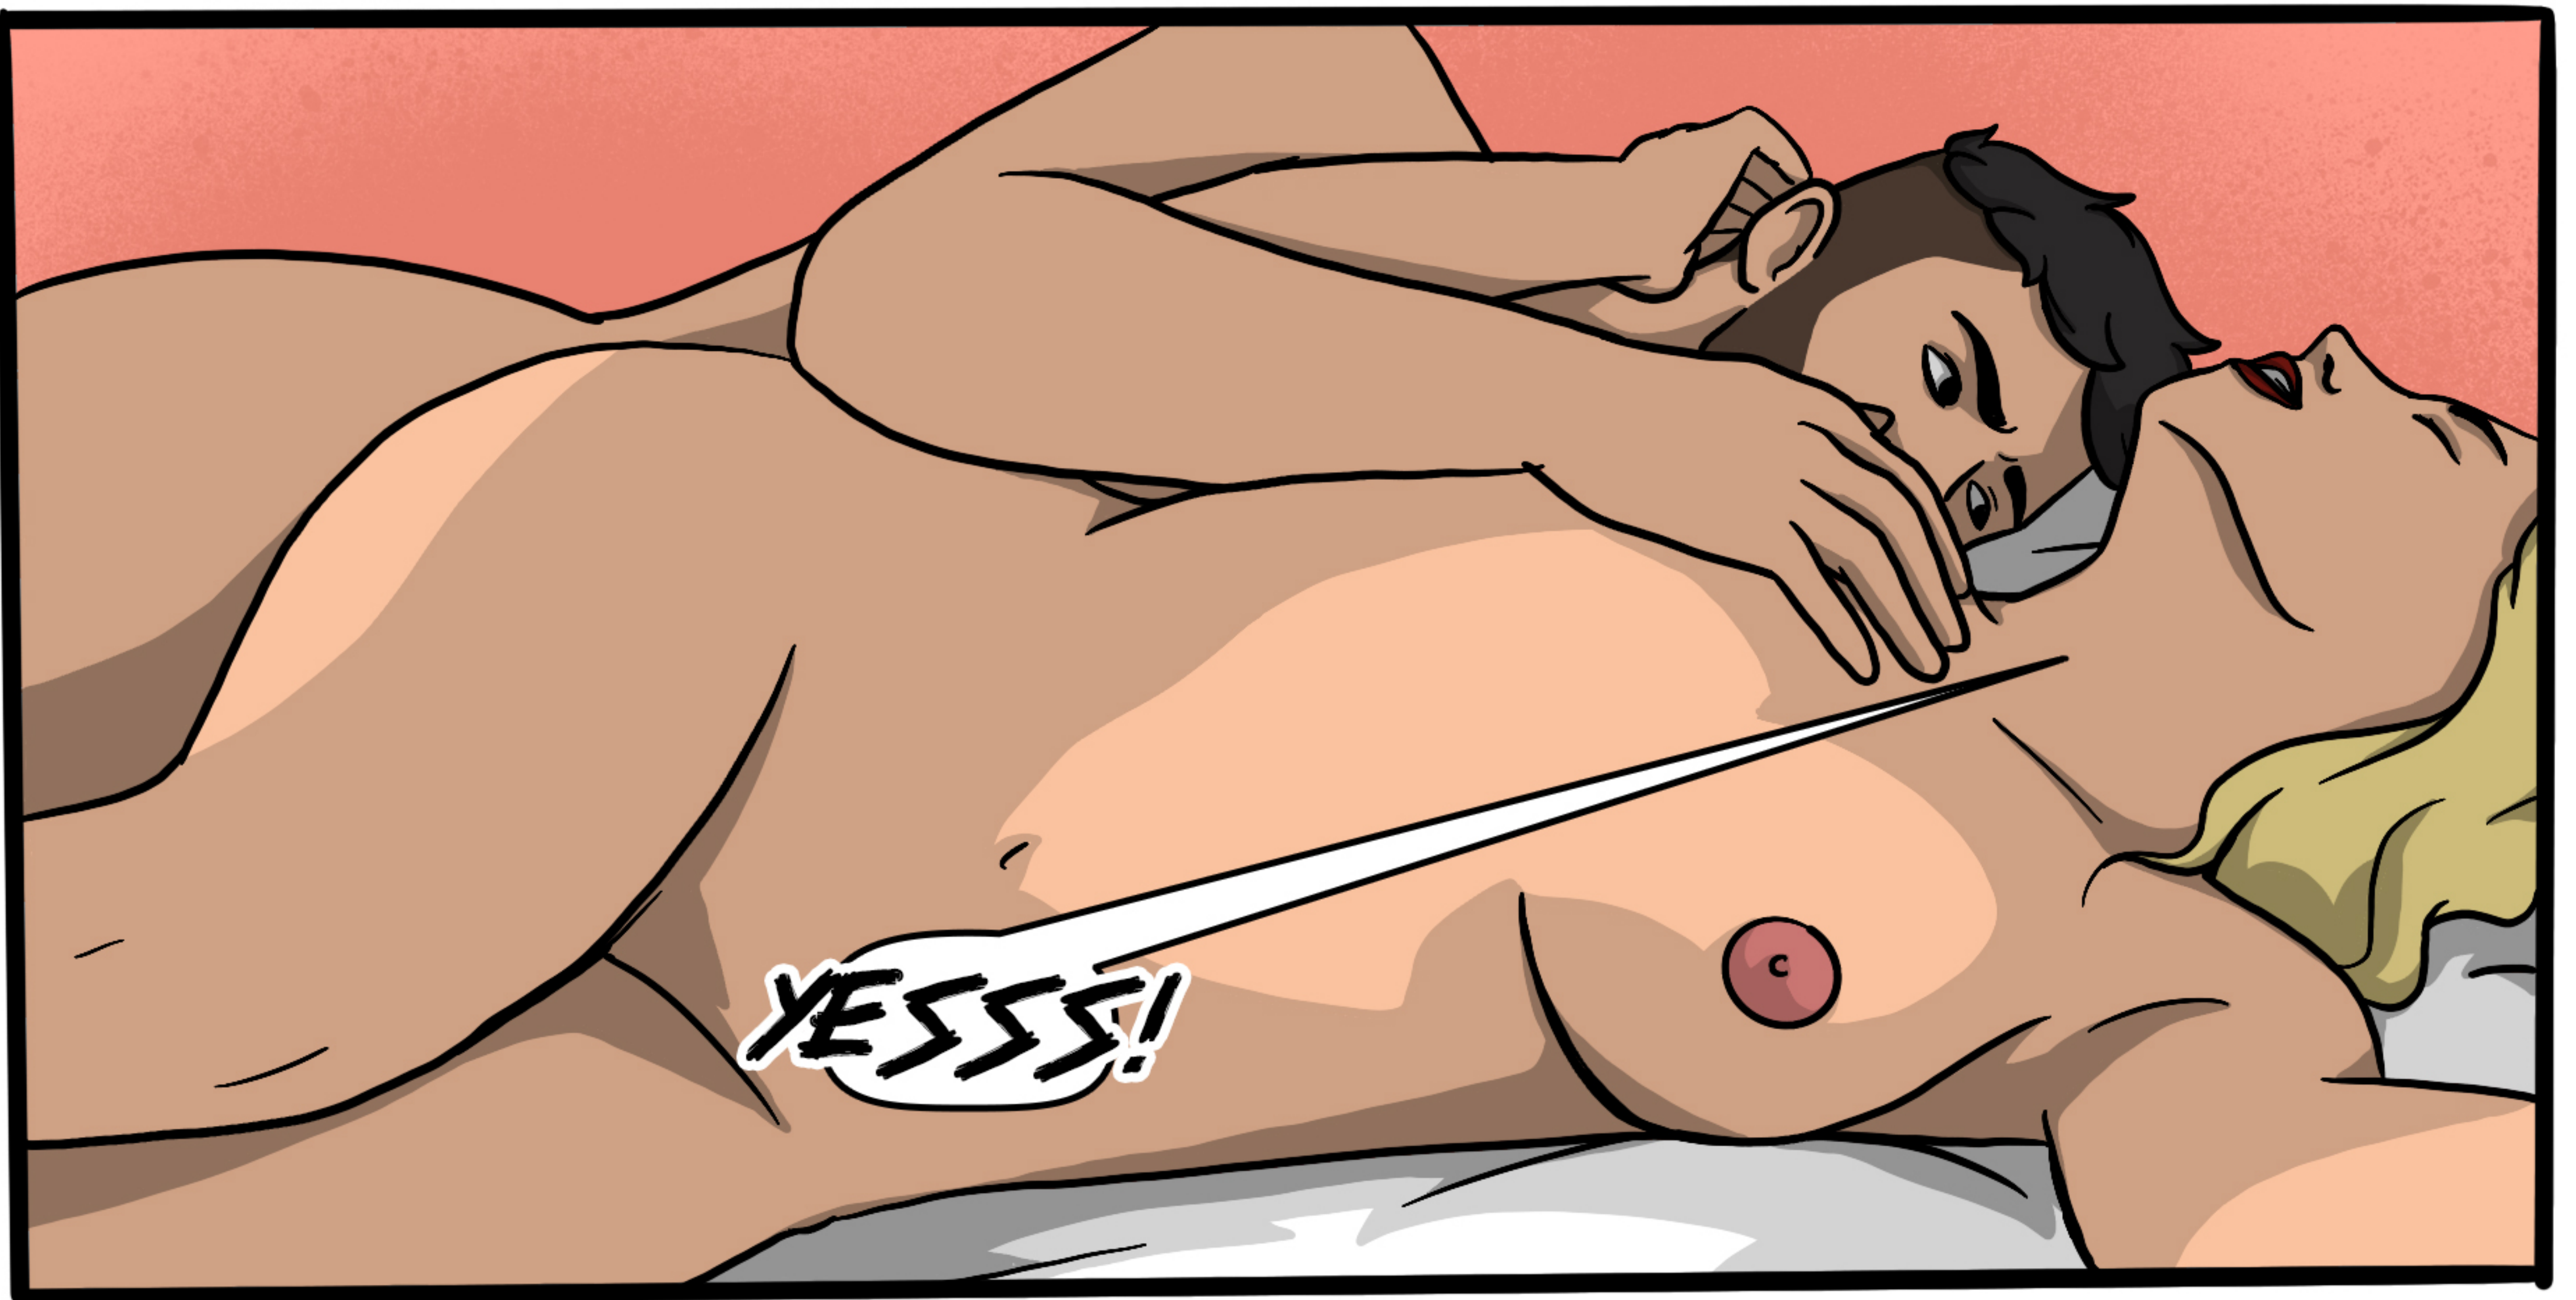

Wow!
Does it always feel like this for you?

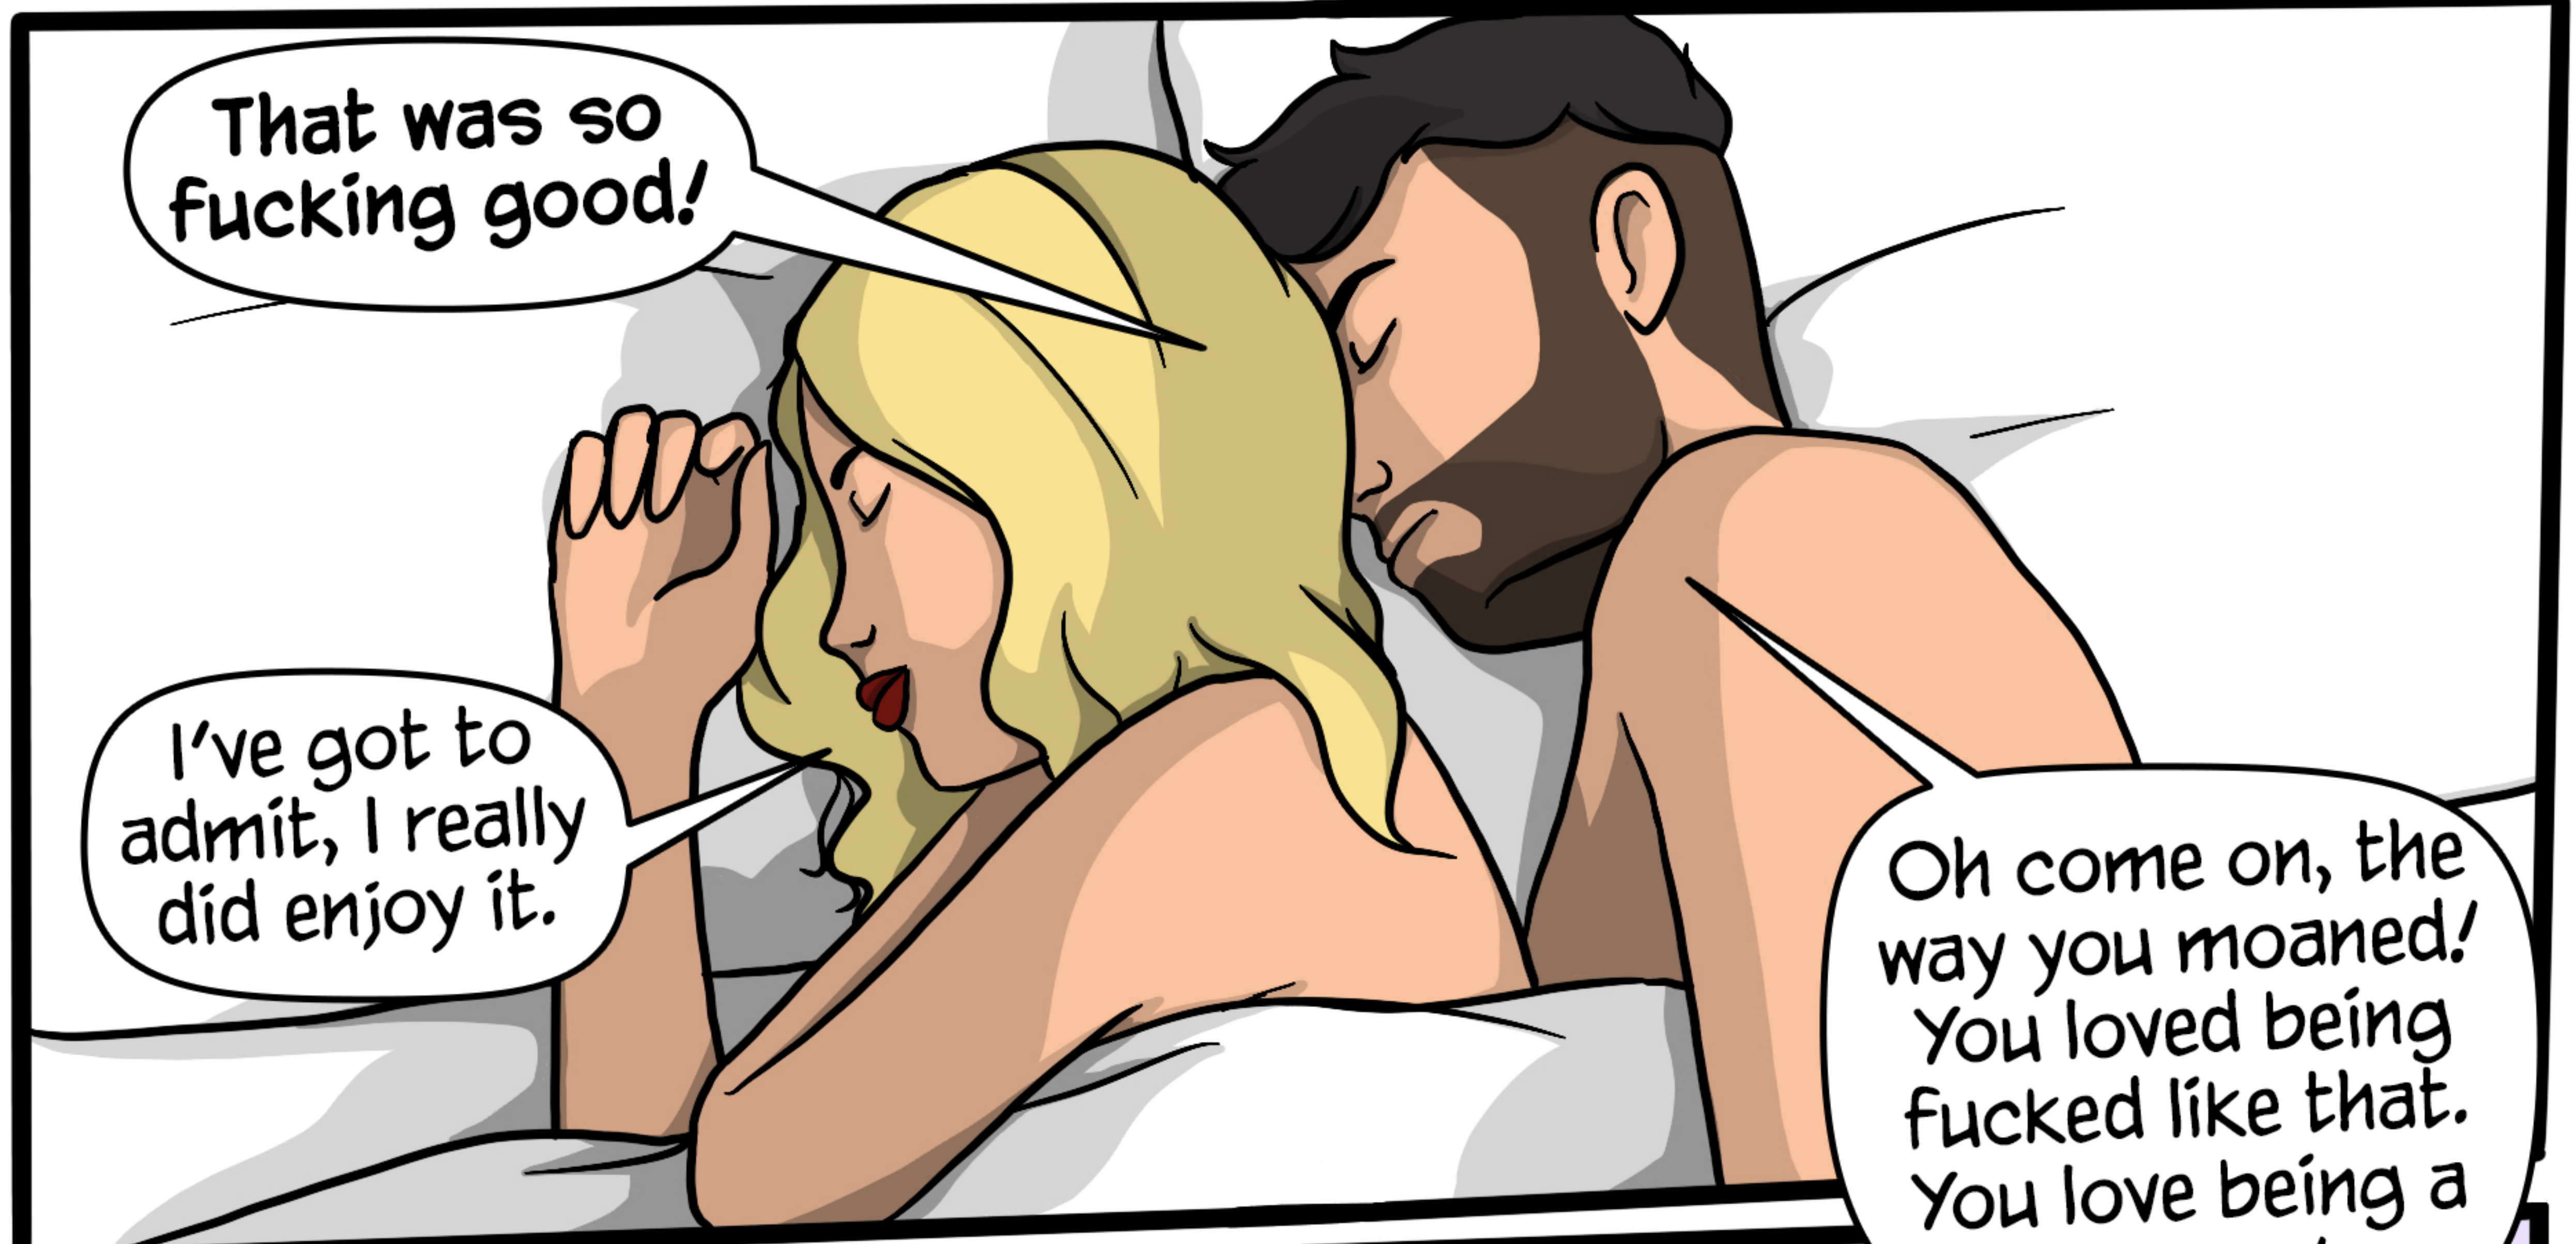

Your pussy is perfect!

Oh god!
Keep fucking Me like that!

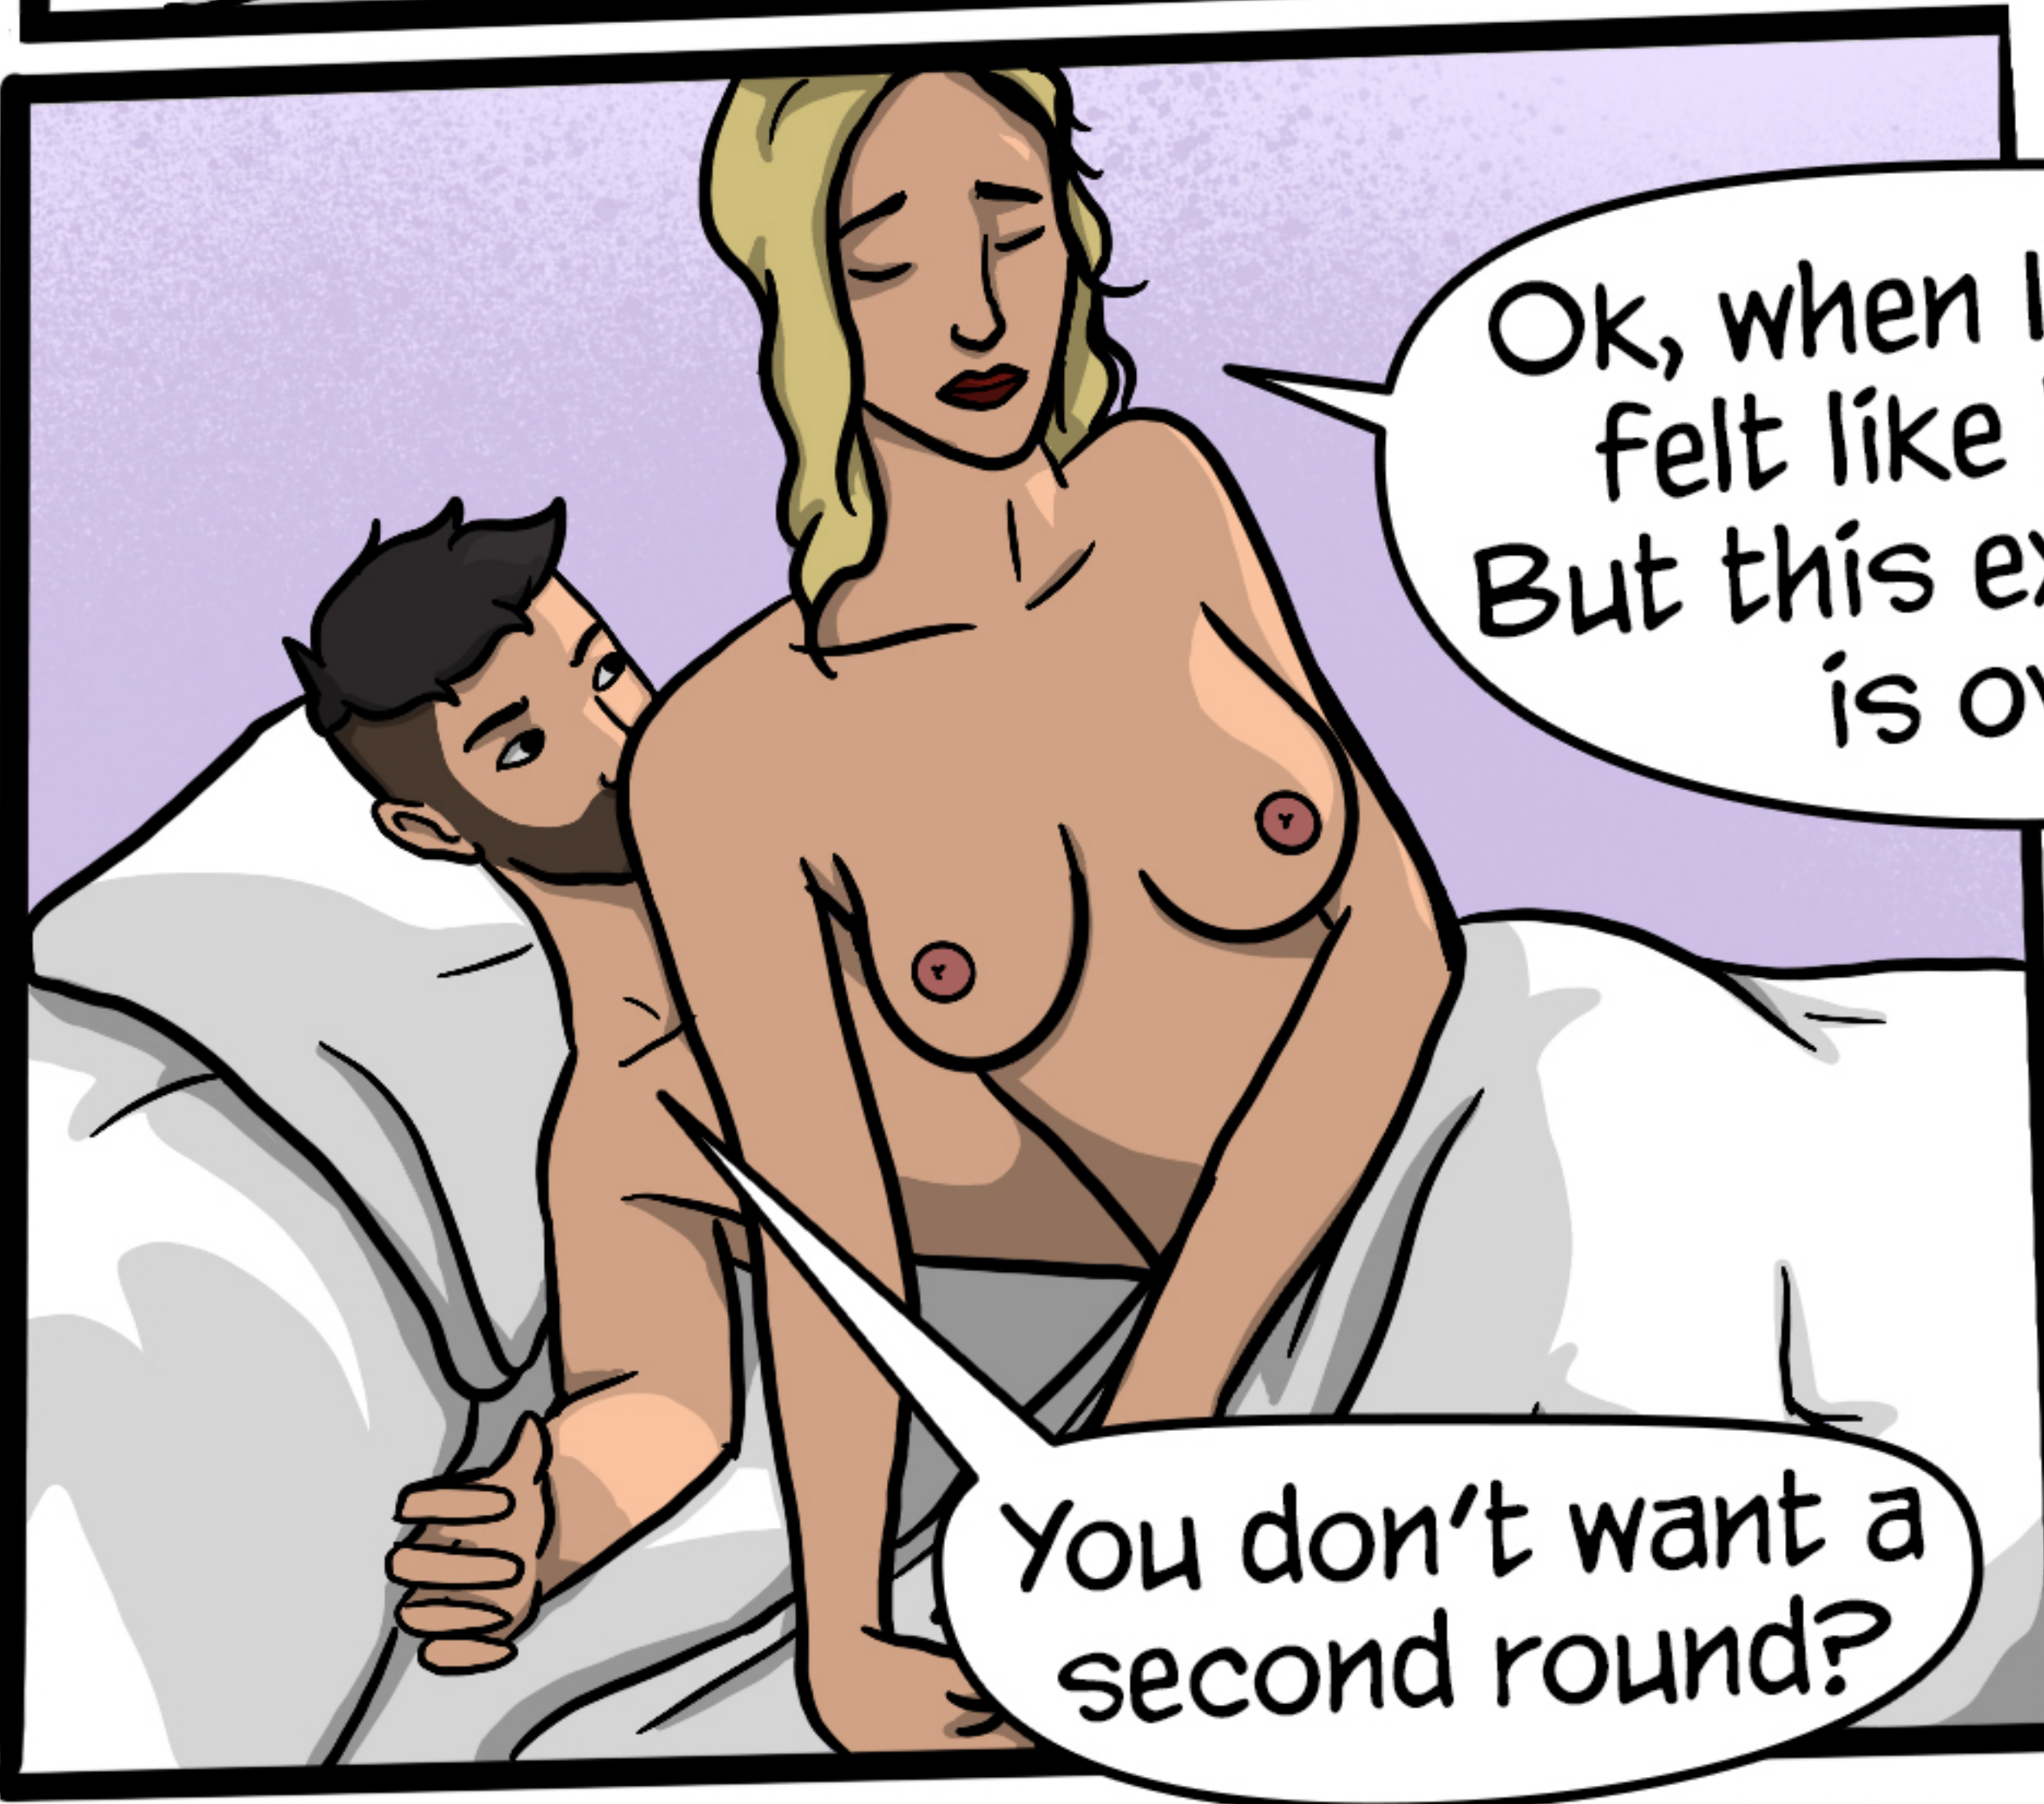

That was so fucking good!

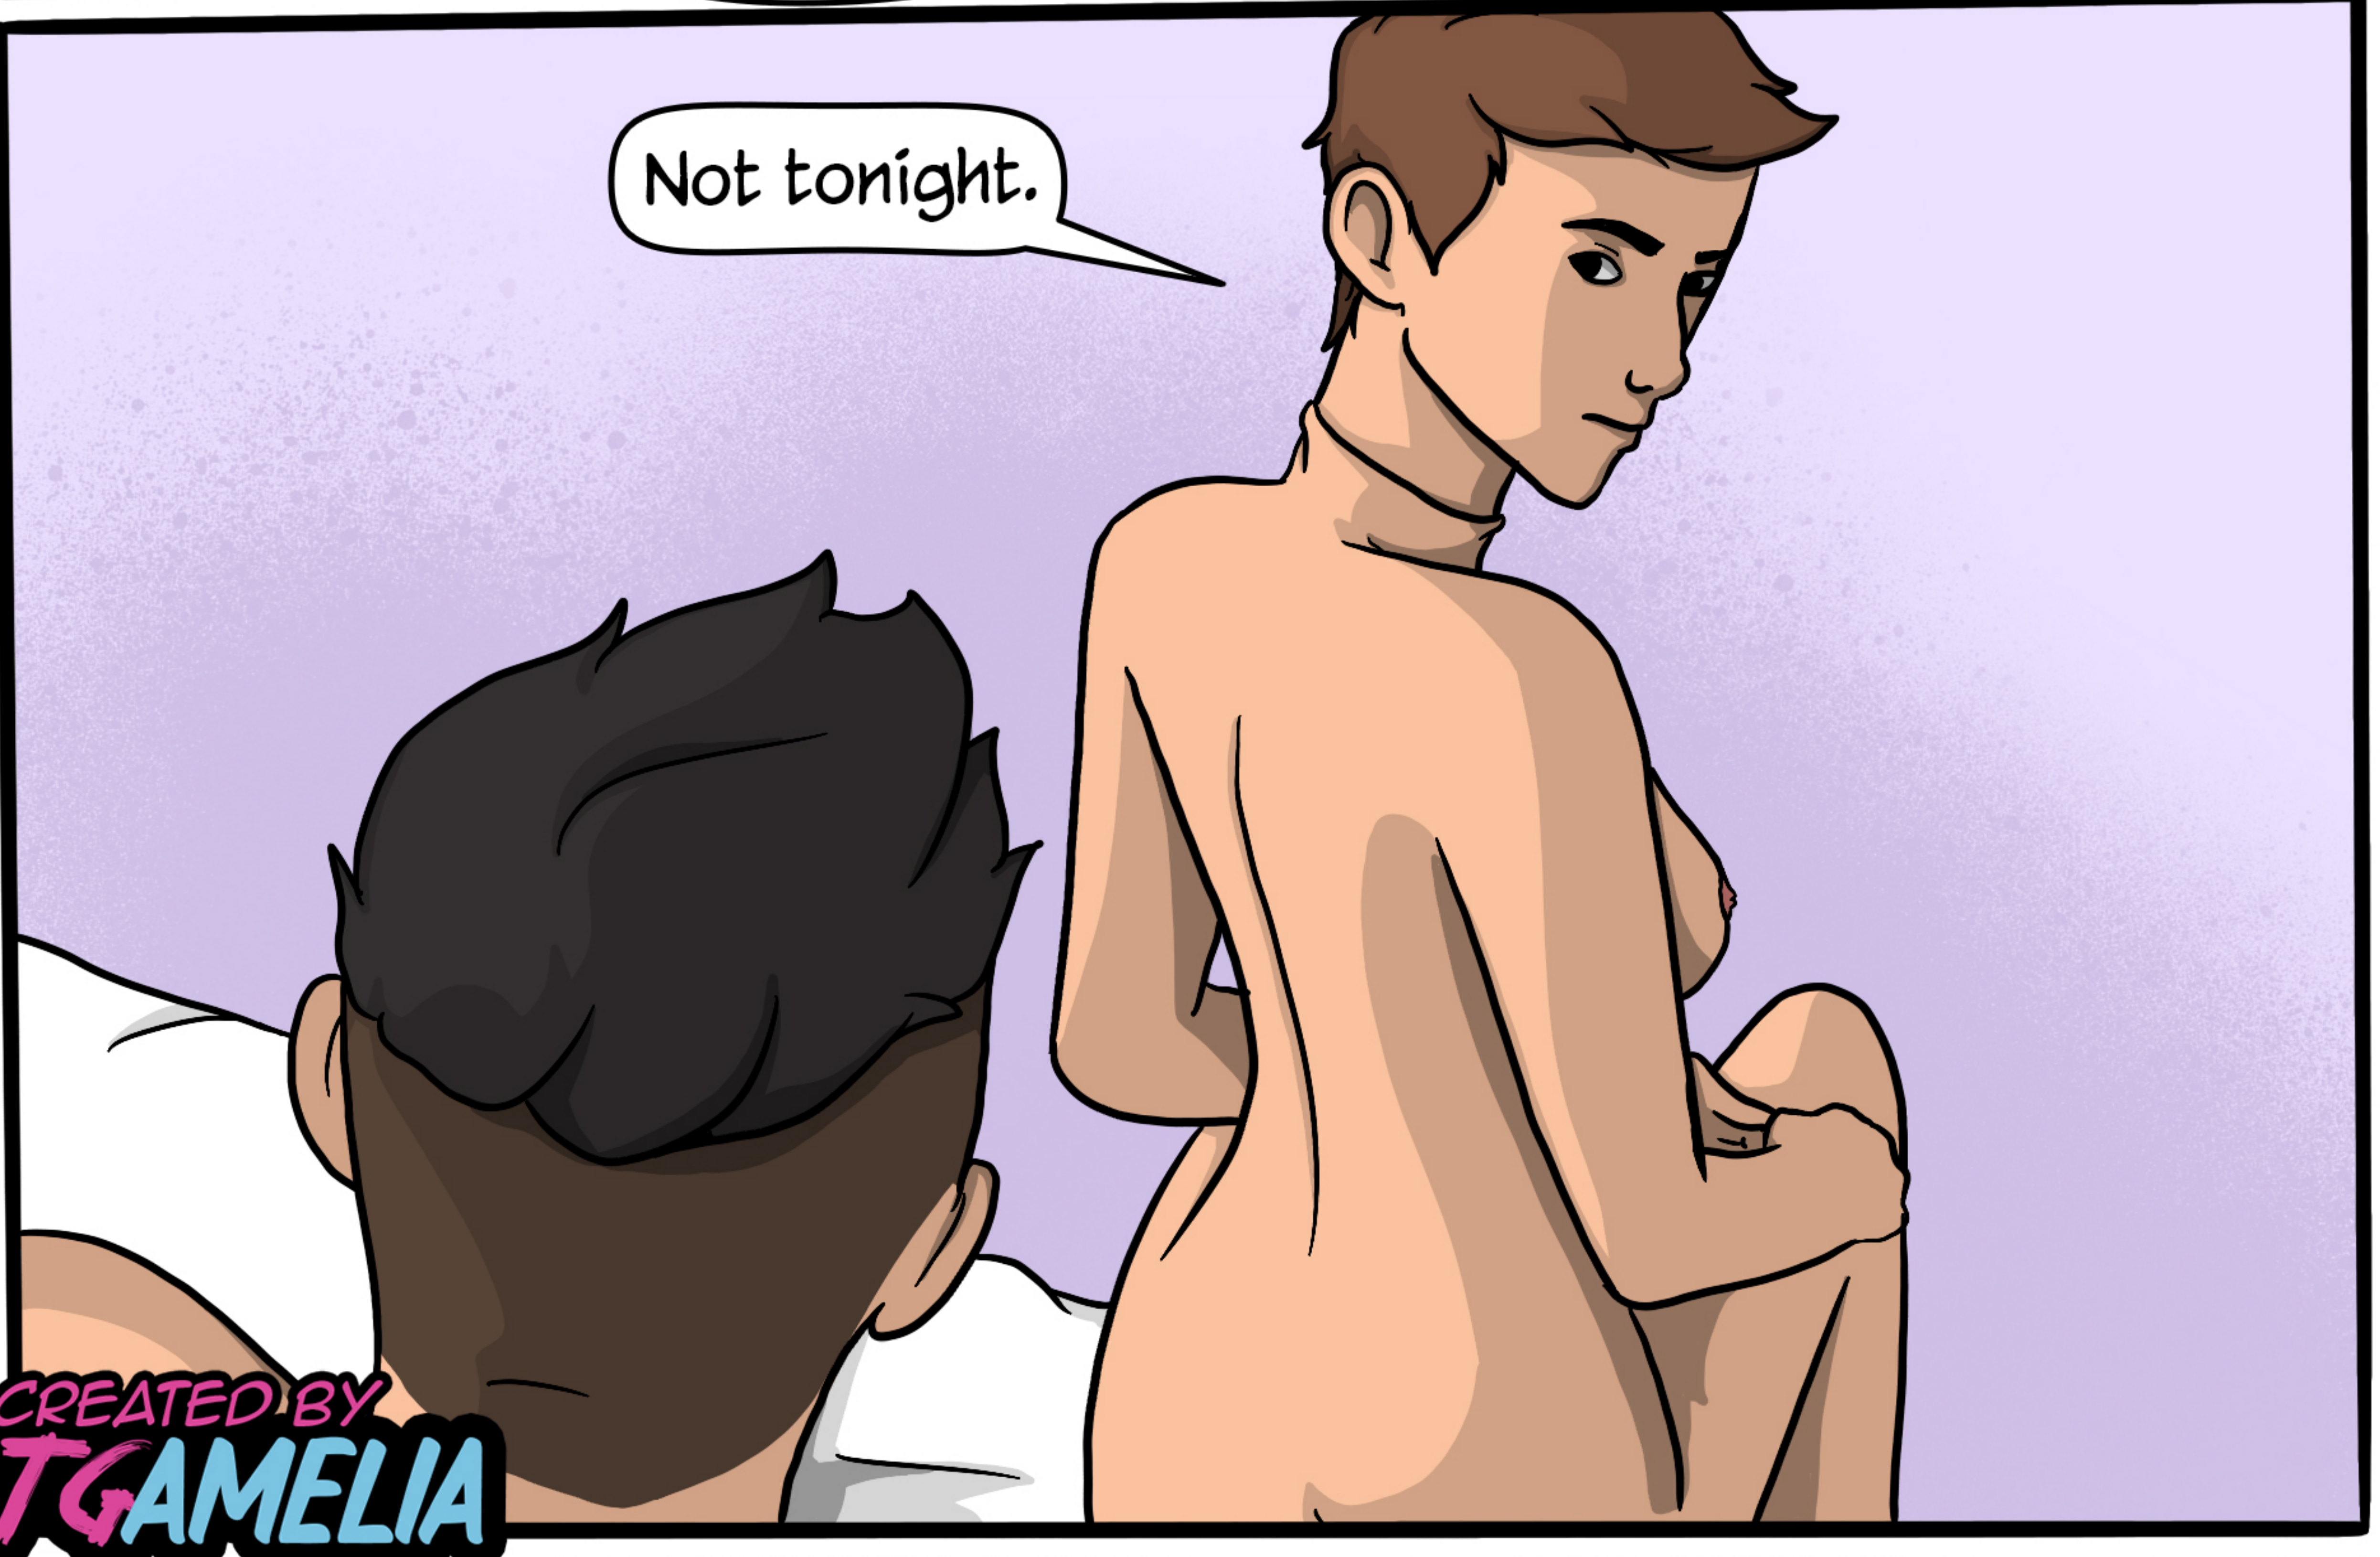

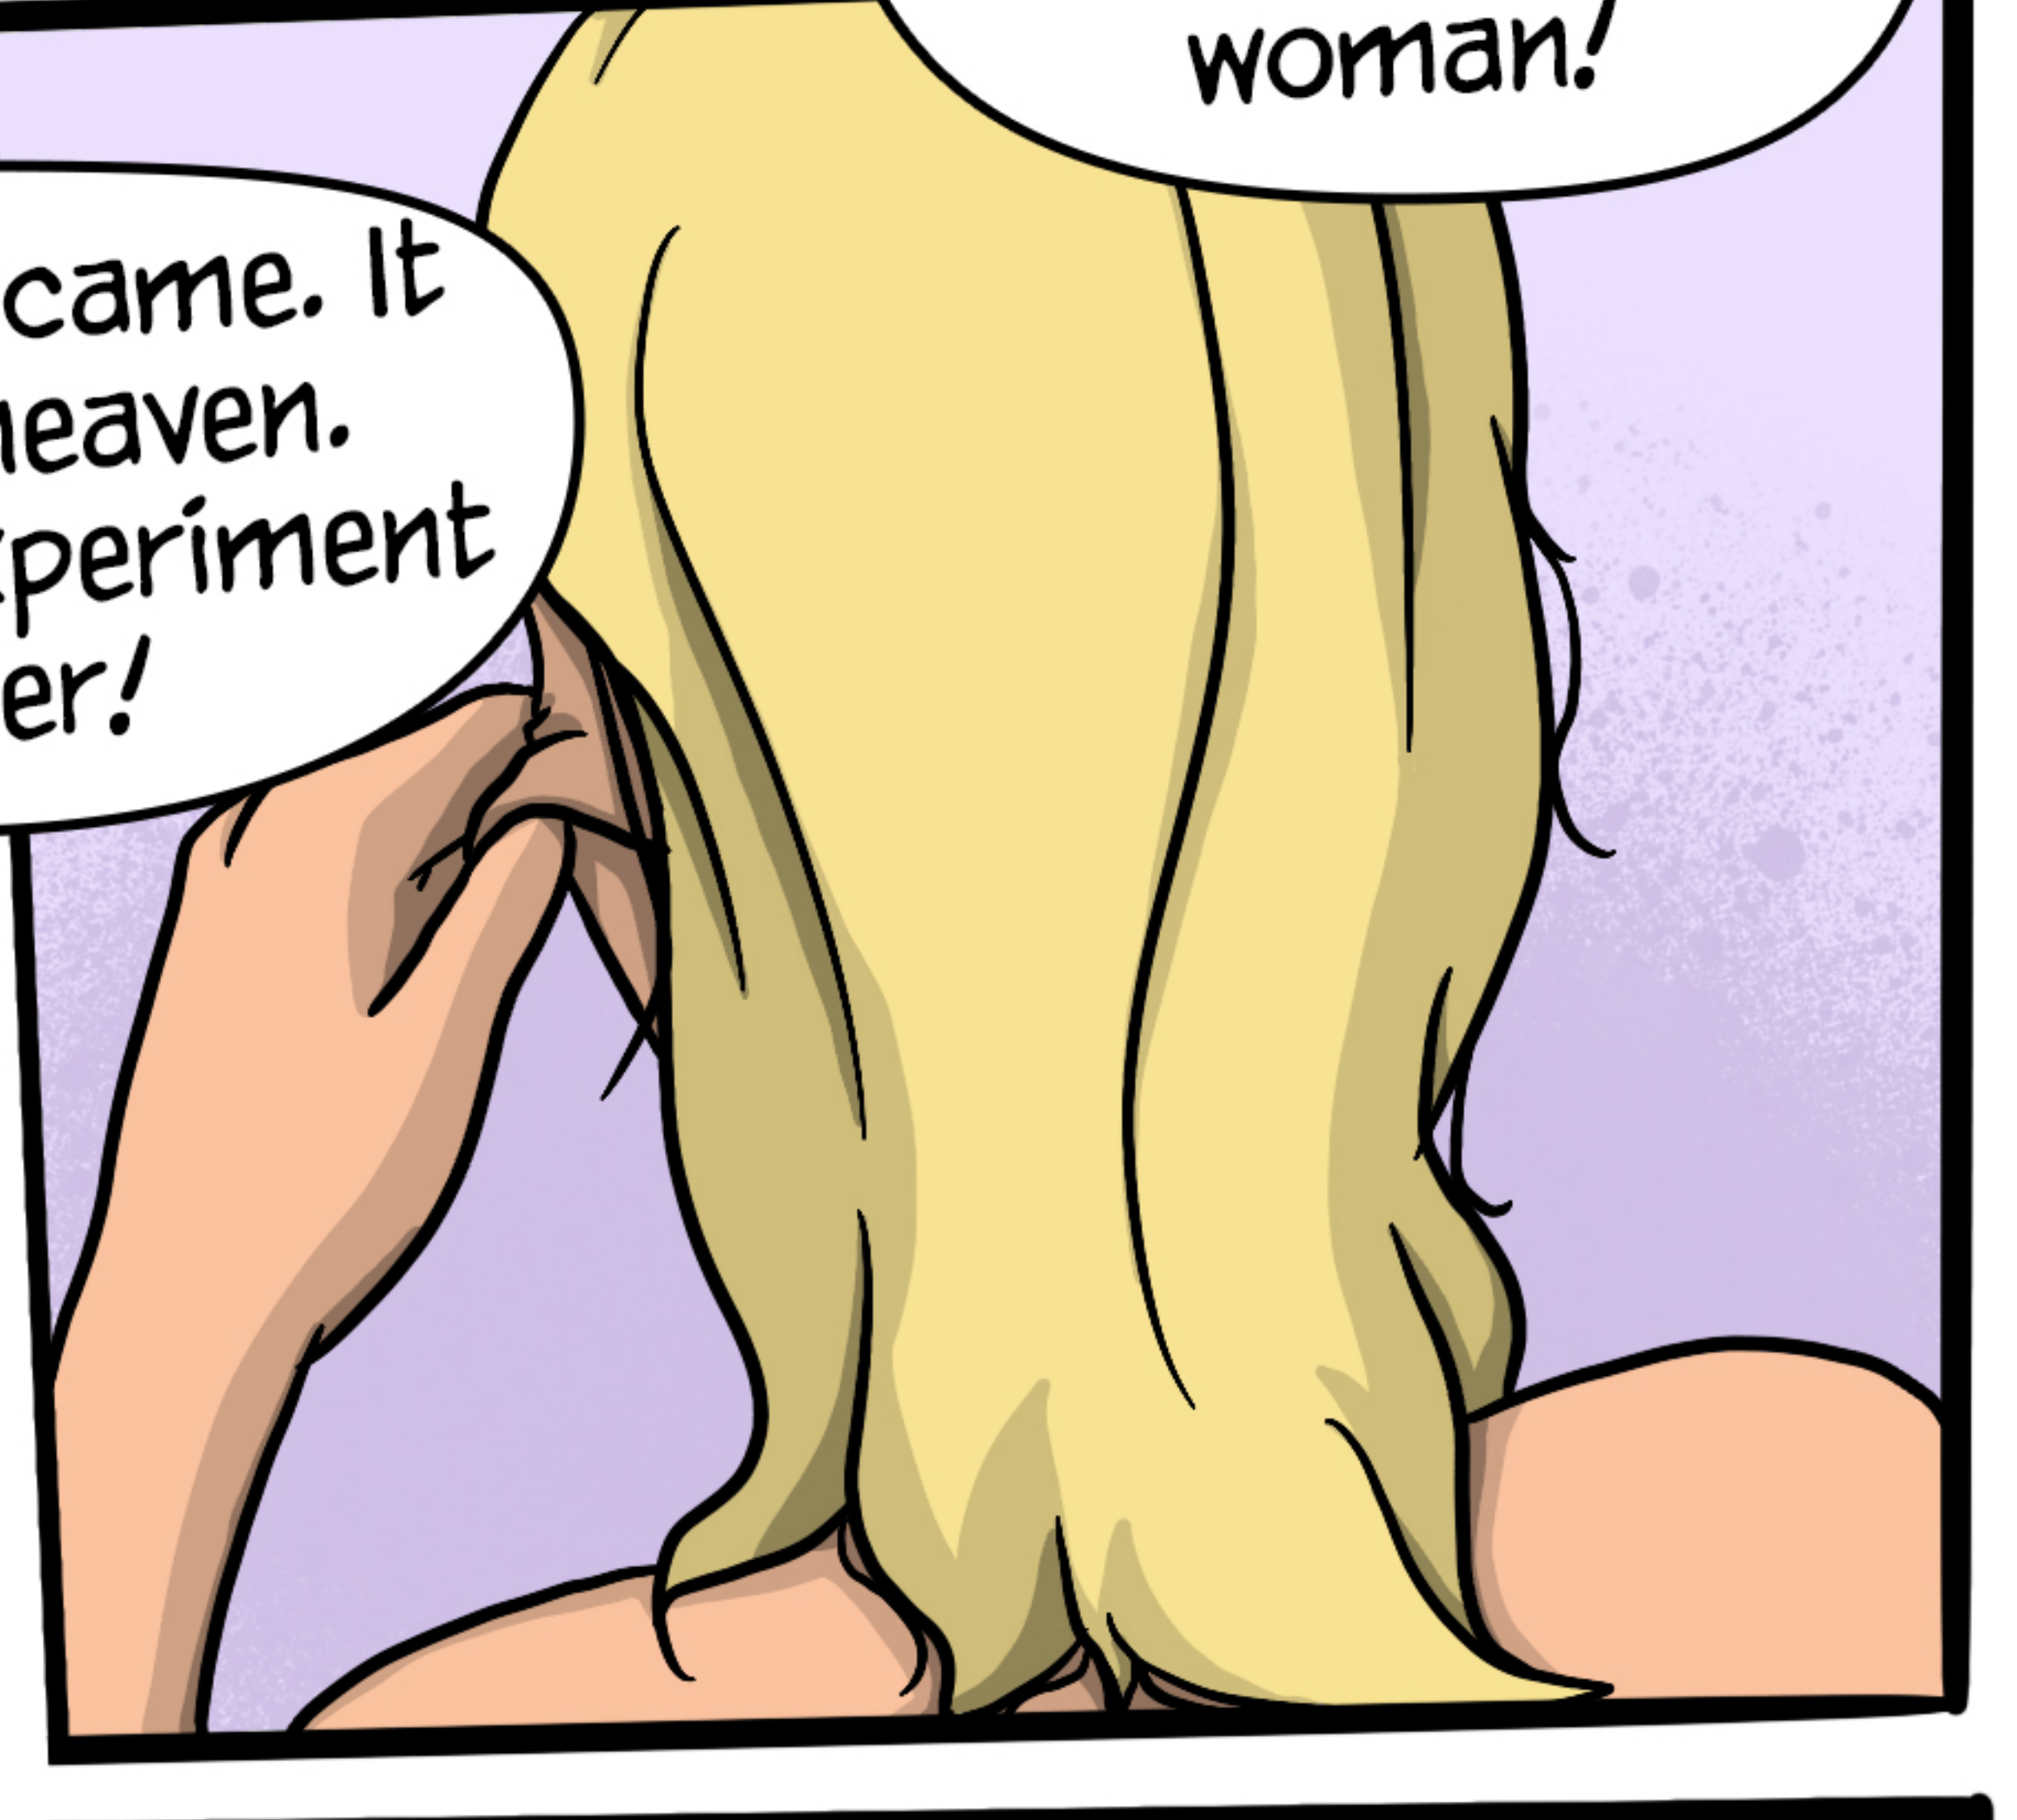

I've got to admit, I really did enjoy it.

Oh come on, the way you moaned! You loved being fucked like that. You love being a woman!

OK, when I came. It felt like heaven. But this experiment is over!

You don't want a second round?

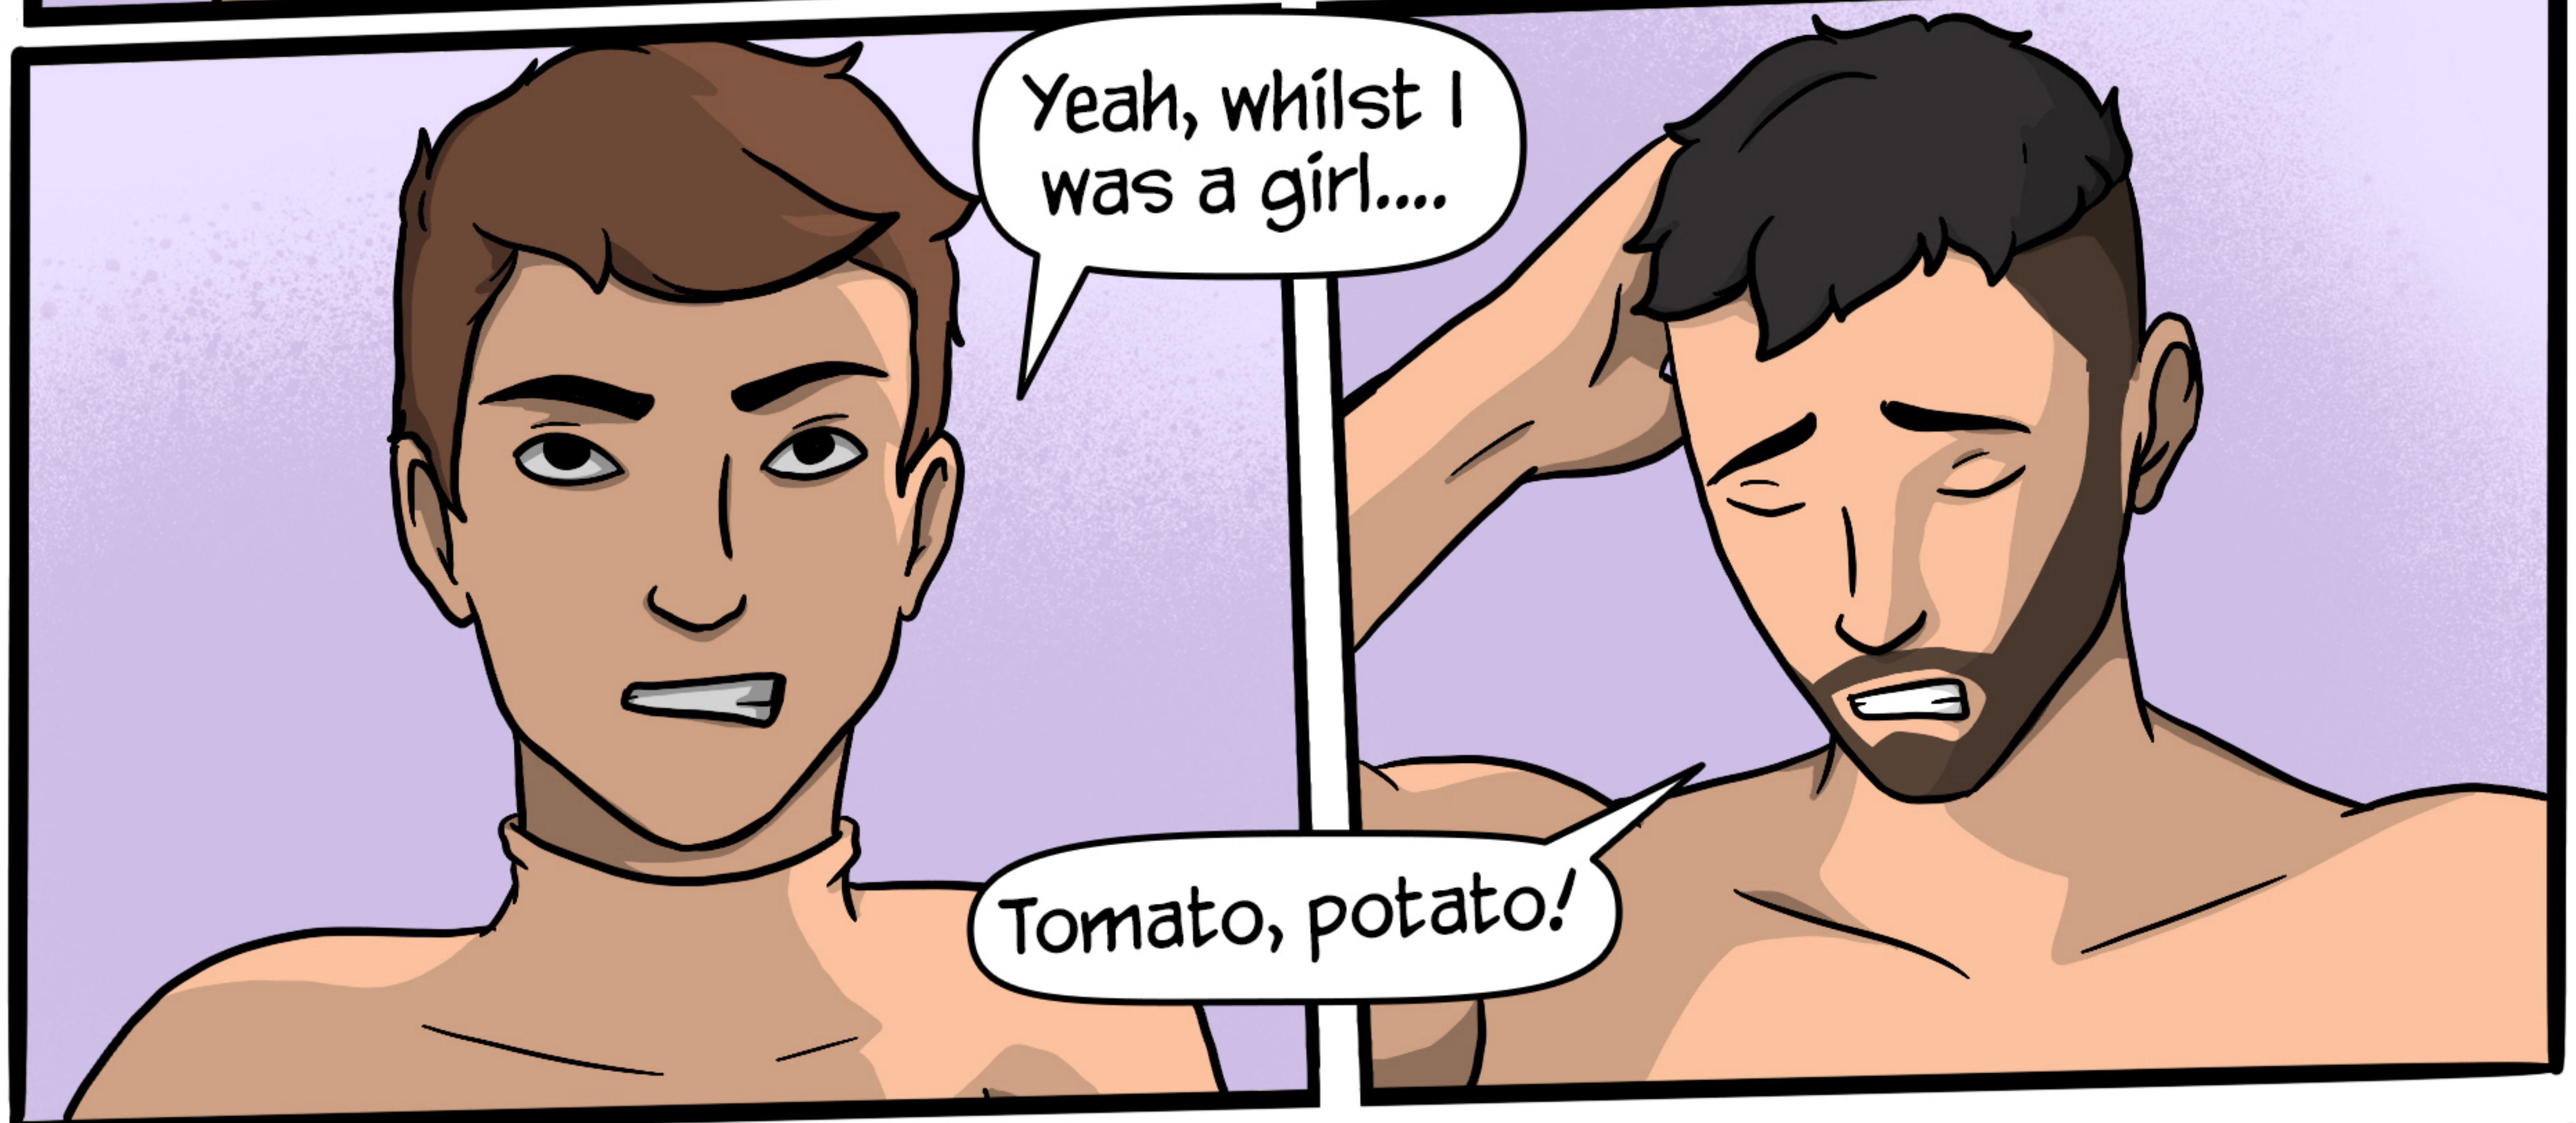

Not tonight.

Well, how about a little guy on guy?

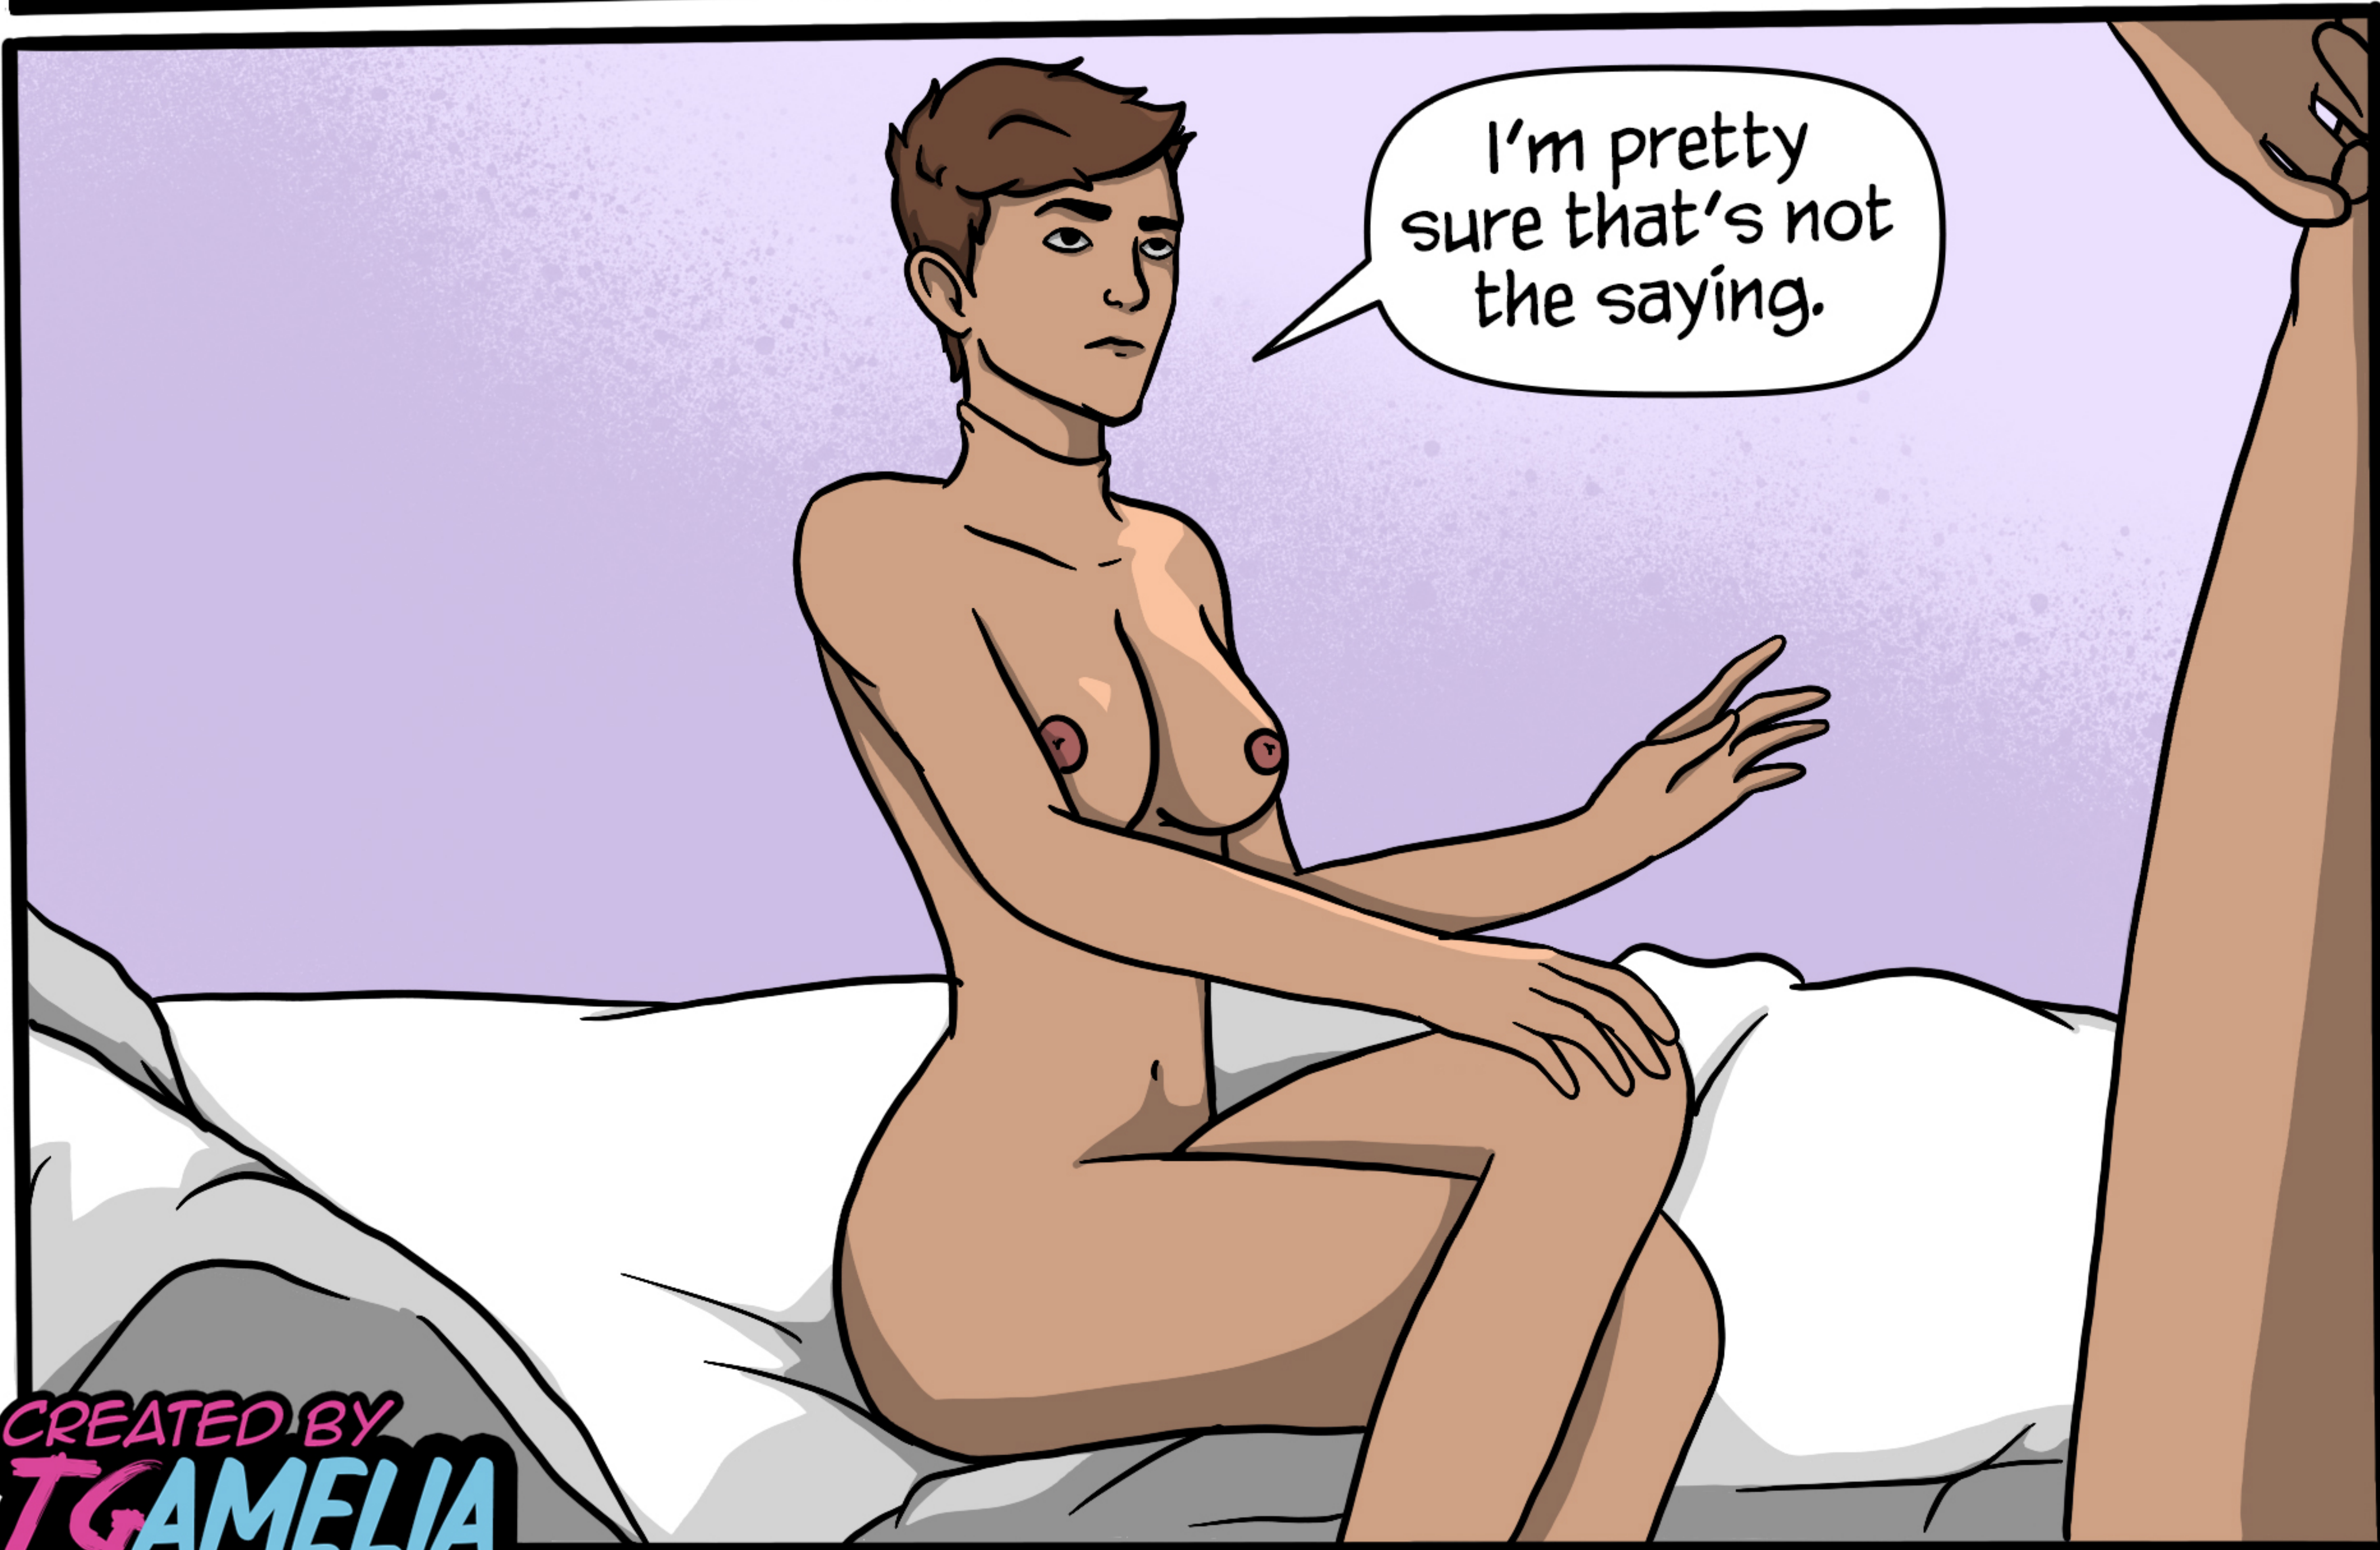

Absolutely not!

Afraid of it being gay? You just sucked my cock and let me fuck you and you loved it!

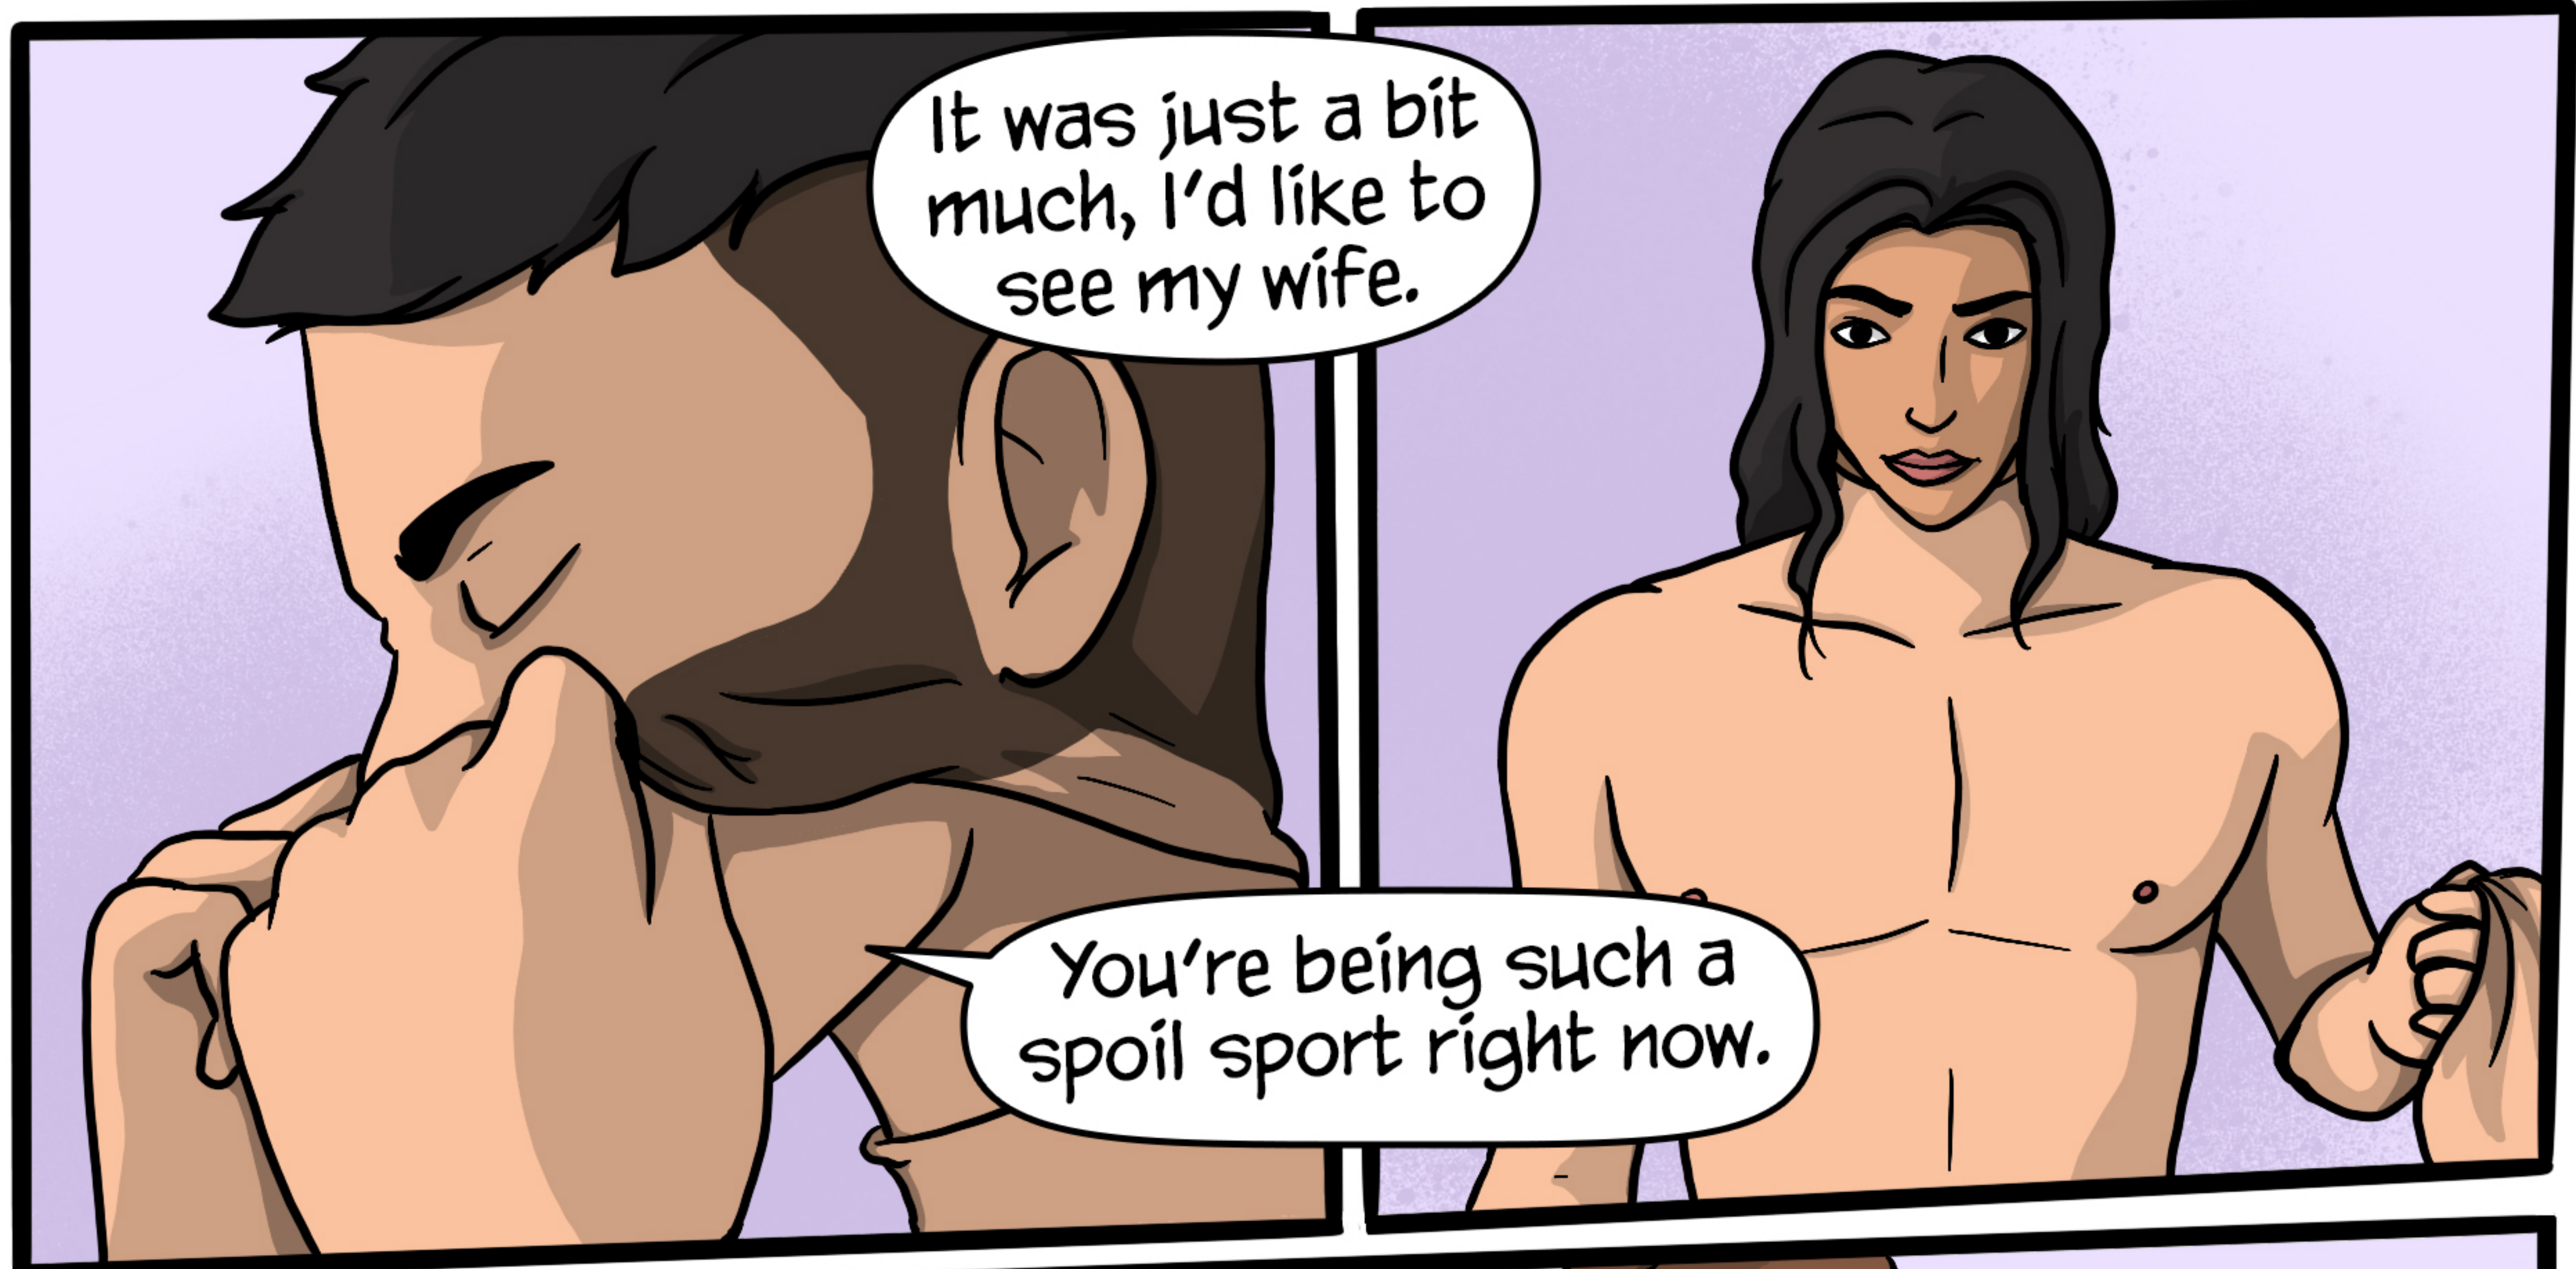

Yeah, whilst I was a girl...

Tomato, potato!

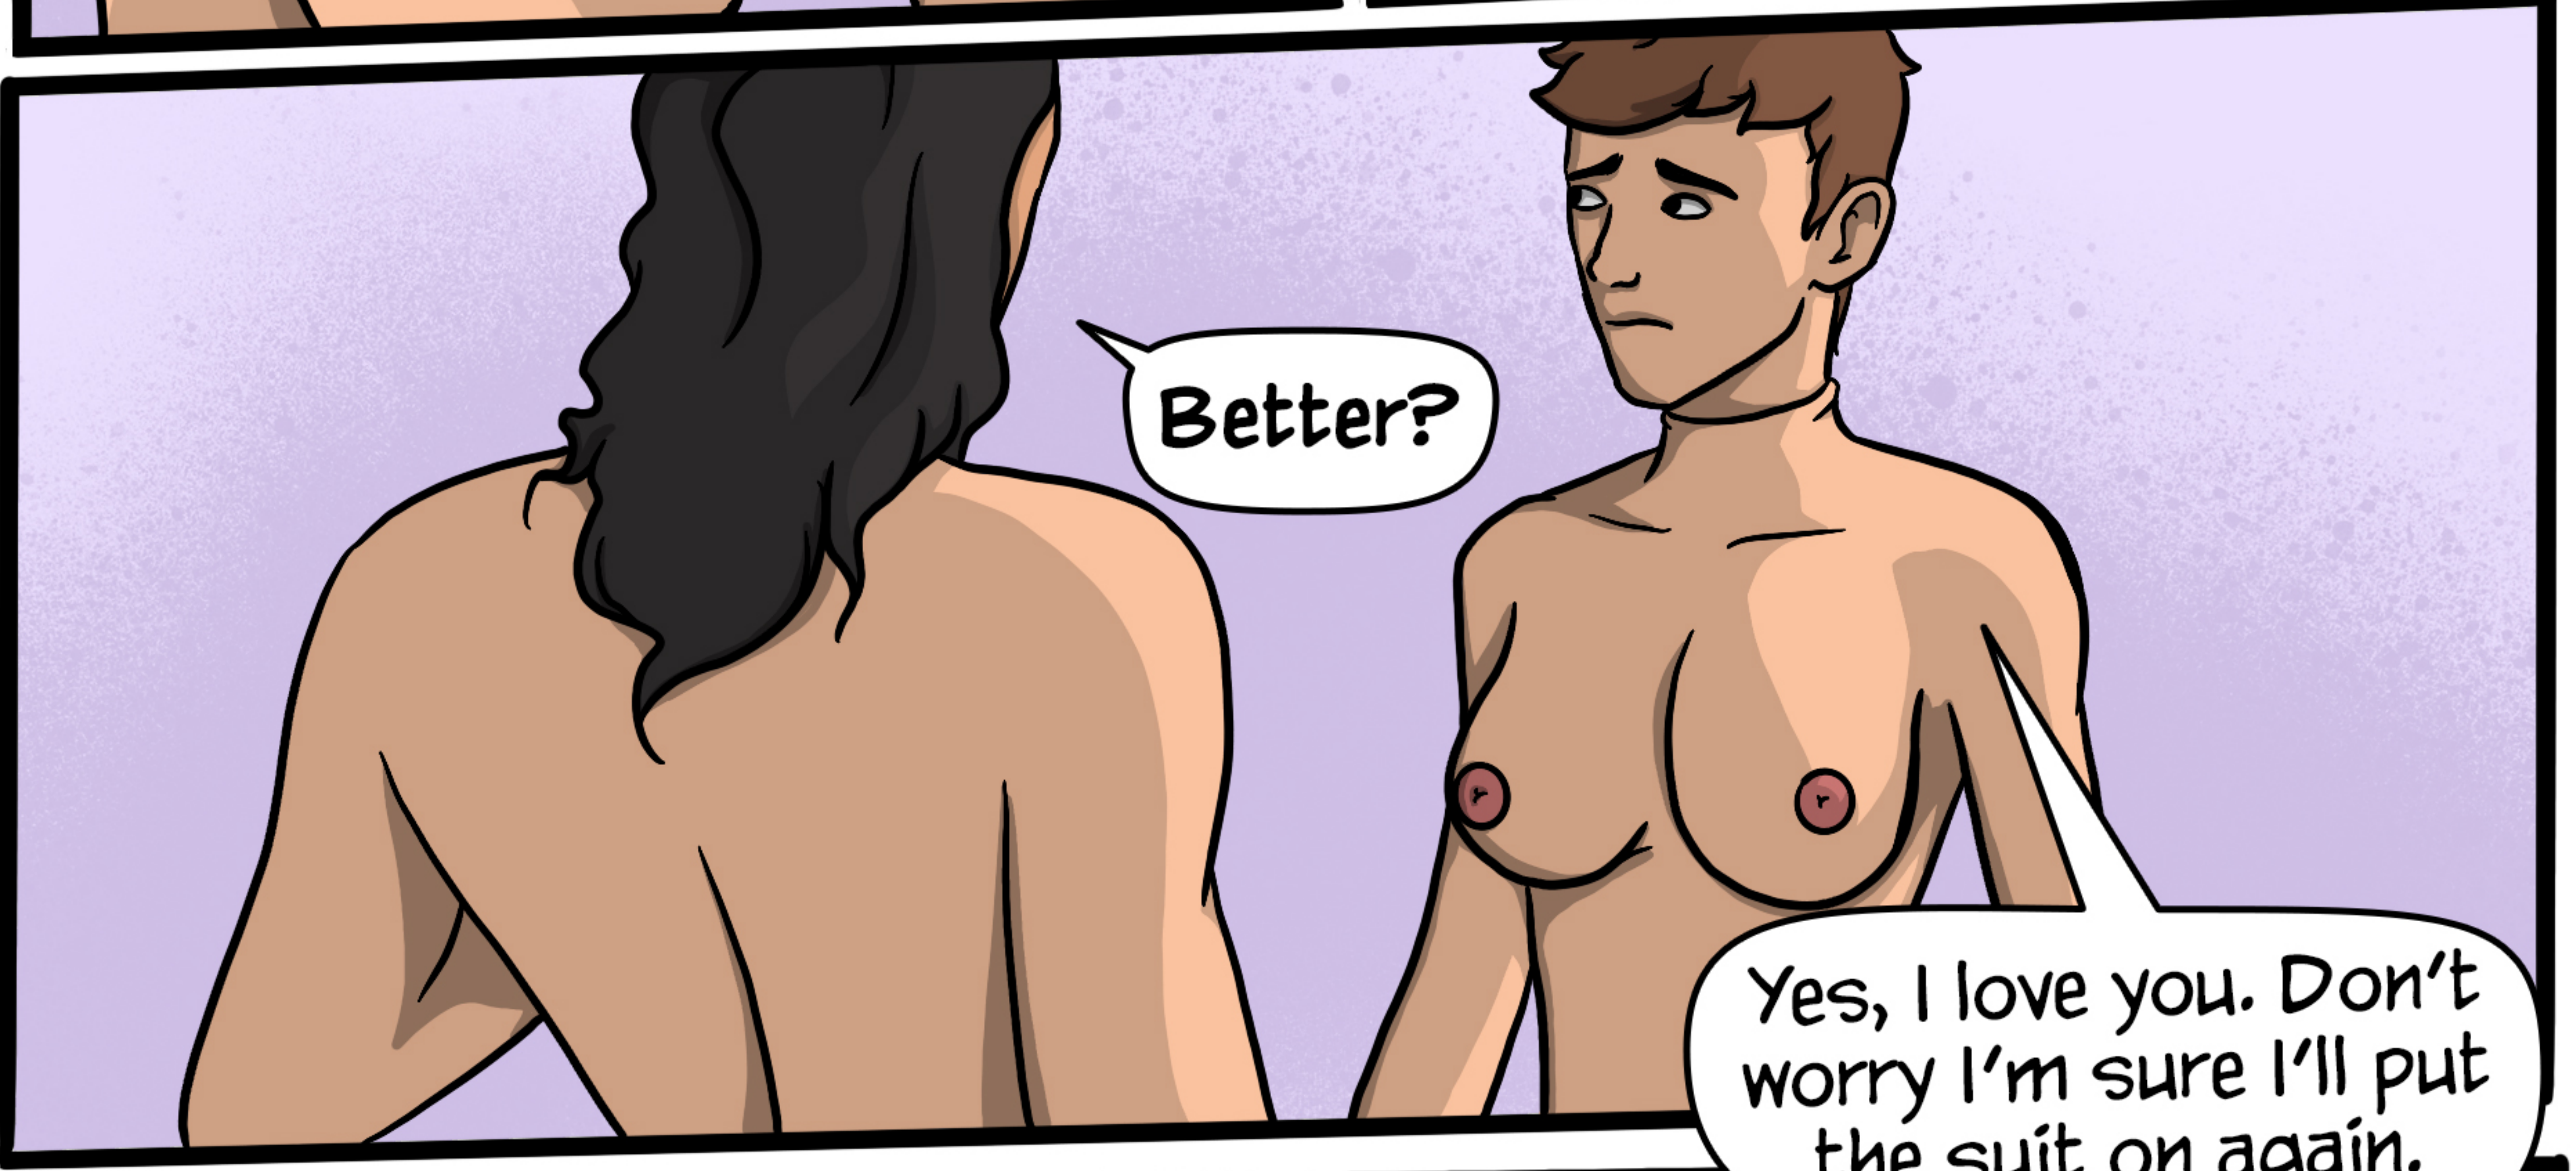

I'm pretty sure that's not the saying.

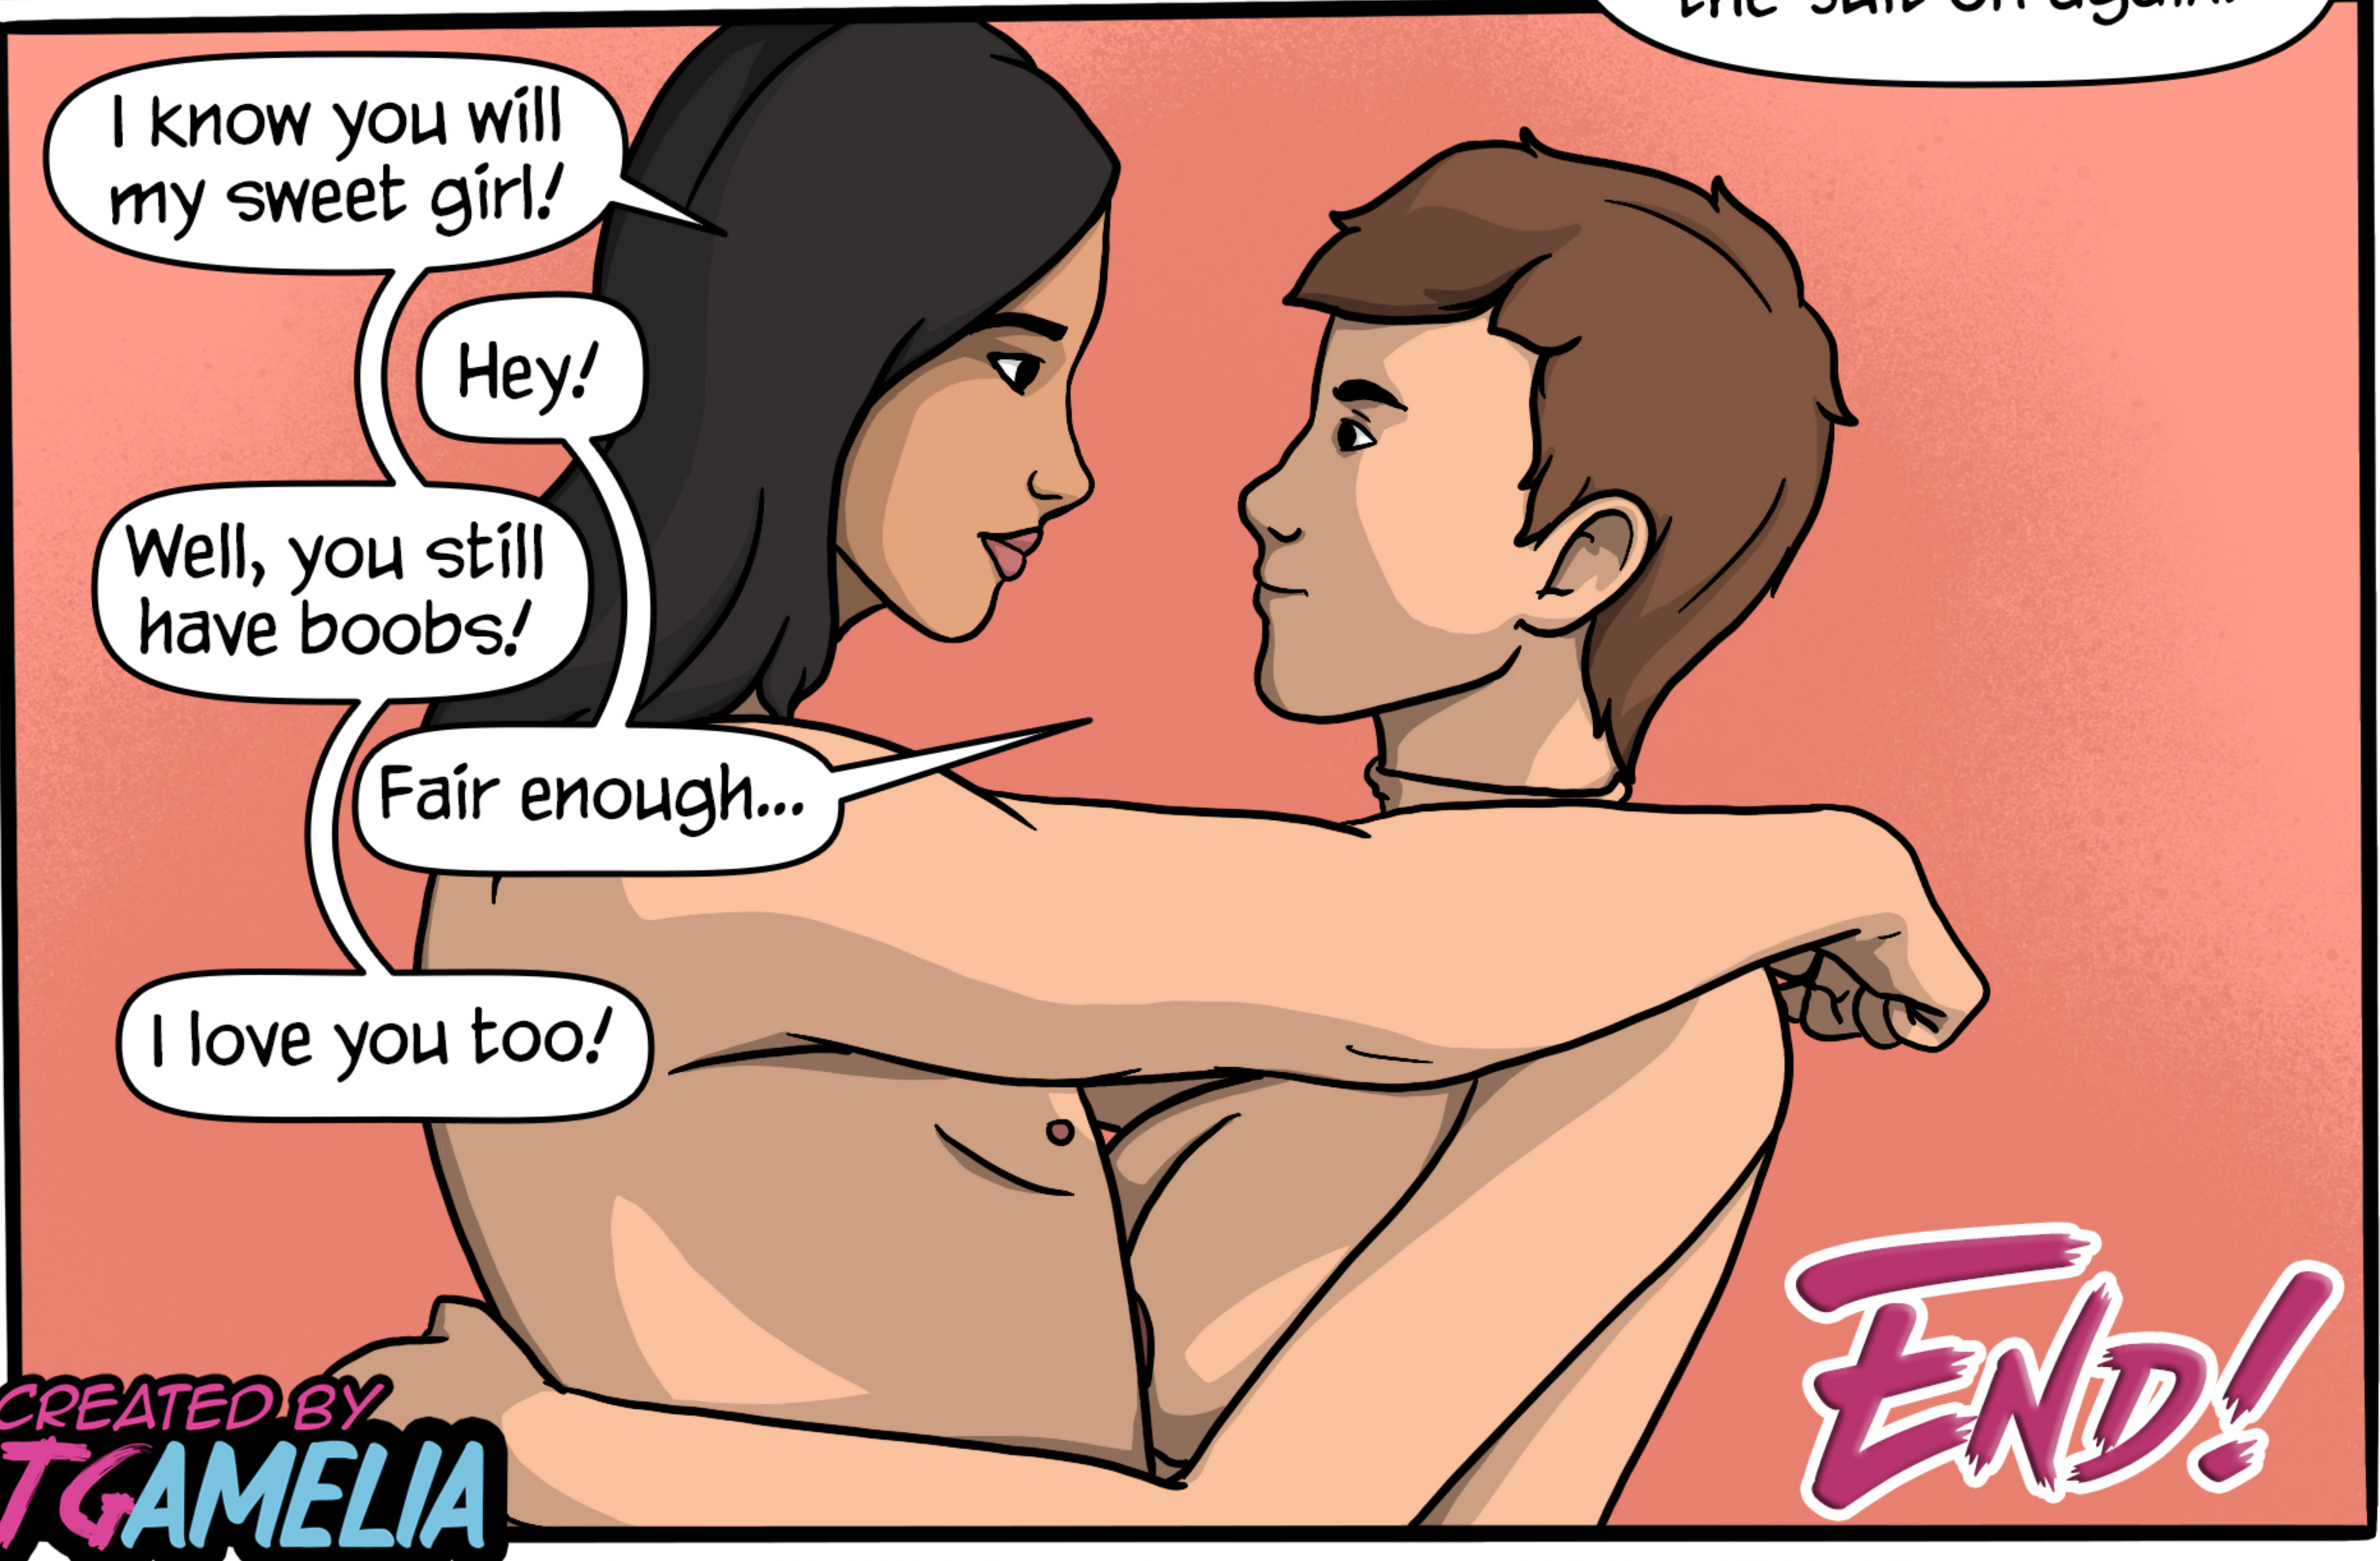

It was just a bit much, I'd like to see my wife.

You're being such a spoil sport right now.

Better?

Yes, I love you. Don't worry I'm sure I'll put the suit on again.

I know you will my sweet girl!

Hey!

Well, you still have boobs!

Fair enough...

I love you too!

END!
