

## EPIISODES:

### PILOT EPISODE/Episode 1: The Gifted and Tainted

Deep inside the Gated Community, Vanessa prepares to sneak out while her parents prepare for a very special dinner guest. Meanwhile were introduced to Bat Boy as he prepares for a guest of his own, his babysitter and older (and super nerdy) cousin, Robby. When the two boys stumble upon this strange girl with fire powers, what will they do?

### Episode 2: Bat Boy in the Belfry

Curious about Vanessa's family, Bat Boy secretly follows her back into the Gated Community. He nearly exposes his presence and Vanessa has to help hide him until she can sneak him back out... Before they get caught.

### Episode 3: Bus To Nowhere

An unnumbered school bus has been showing up at Bat Boy and Robby's bus stop. When Bat Boy goes in by accident, Robby and Vanessa have to find out how to get him back and confront Robby's fear of her.

\*\* The Bus is actually a Cult thing.

### Episode 4: Fireball

When Bat Boy is struggling with baseball, Vanessa tries to lend a helping hand from the sidelines as Robby attempts to help her understand more about the outside world.

### Episode 5: Yagpie

One day, Robby finds a strange-looking bird-house in nearby construction. It happens to be very similar to a creature in the trailer park where Bat Boy lives. Every month the people who live there have to sacrifice something; food, children's toys, clothing, and more... To the house and the end of the road. Sometimes, when people don't have anything to give up, they go missing.

### Episode 6: The Girl From Schrodinger's Street

In the neighborhood, there's a street that is in a sense both there and not there, the mysterious Schrodinger's Street. It's a joke to tell someone that you live there when you don't want to tell them where you live. The gang meets a strange new girl who claims to live on Schrodinger's Street for real.

### Episode 7: The Neighbors

When Bat Boy and Robby get into a loud spat one day, Bat Boy's aunt warns them "Not to disturb The Neighbors", but ever since then, strange things begin happening at Robby's house. Aggressive notes start showing up everywhere he looks, vague threats left at his doorstep... All signed, "The Neighbors". They call Vanessa for backup and find out The Neighbors are connected to her family... Somehow.

### Episode 8: Constant Pain

Vanessa has a cousin and she knows that Vanessa's been sneaking out. Not only does she have it out for her, but she's got powers too. Constance uses her electricity powers to torment Bat Boy and Robby.

### Episode 9: My Name's Trevor

A mysterious teen has started dating Bat Boy's older sister, he's very suspicious of him and because of some misunderstandings believes him to be part of the cult.

### Episode 10: The Principal of the Thing

Bat Boy gets switched out of his regular P.E. time to Art where The Weird Girl, Maggie, takes a strange interest with him. Meanwhile, Robby takes Vanessa to school to hide her from her family only for them to both find out that Aunt Becky is the principal of the school.
