Shikamaru 7 Incher

Chouji 6 Incher Thick

Shino 7 Incher Uncut

Kiba 9 incher

Zaku

## Chap 1 The Fangs That Burn

Naruto's body radiated with the Kyuubi's chakra, his eyes blood red and his canines sharper than normal. He blocked the giant snake from killing Sasuke. He growled and flew at the grass ninja. The nin was shocked but just for a moment he deflected the blonde's ferocious attacks. He prepared to do the Five prong seal but right when it was about to connect the Kyuubi reacted and Naruto let out a chakra filled roar and sent the grass nin flying.

The blonde male raced after him and Sakura ran over to Sasuke to check on his wounds. The fake grass nin was impressed with the level of control for someone so young. 'I could use him against the Akatsuki should they ever become a hindrance to my plans.' The man performed a seal and his neck extended and flew at Naruto like an ancient demon. The nin caught Naruto off guard and sank his teeth into Naruto's neck and placed a curse seal on the boy.

The false grass nin watched as the boy's chakra began to react to his curse mark, he left Naruto to suffer alone and went back to the remaining two members of team 7.

Naruto lay in the grass as his body shook in pain, but the pain to his body was nothing. Deep inside Naruto the boy lay in front of the Kyuubi's cell. Kyuubi stared in shock and disgust as snakes made a circle around his vessel. The dark snakes made a seal around his body once the seal was complete a large white snake appeared in the center of the circle, the sinister beast had the eyes of Orochimaru, it began to coil

around Naruto's body starting with his legs, as it coiled around Naruto it left the spreading curse mark behind. Wind chakra began to leak from Naruto's body to fight off the white snake but his chakra could barely slow the beast down. Wind whipped and thrashed and the snake just continued on. Kyuubi did not like this situation. 'Damn the snake bastard placing such an evil thing on the brat.'

The white snake reached the boy's belly and was met with great resistance his clothing was forced open and the seal appeared on Naruto's belly and the white snake was crushed under the two extra sources of chakra. The dark snakes hissed in pain as a massive push of power erupted from the seal. 'I won't let that snake have his way.' Kyuubi's chakra poured out from the cage the chakra took the form of fox tails and whipped the dark snakes away. 'This is nature chakra!' he could feel it, as he smashed the snakes.

Dark chakra came out in the form of snakes and the curse mark began to spread over Naruto's body. The chakra snakes fought against Kyuubi's chakra the snakes getting stronger as the curse seal spread over the upper part of Naruto's body. More snakes appeared and began to slither into the Kyuubi's cage, they coiled around his furry body only to get smashed or stomped. Kyuubi fought back with all his might but he knew if he did not do something it would be the end of both of them. Kyuubi stared at the seal and closed his eyes. "I'm so sorry..." Kyuubi said and howled his power blasting away the snakes and the curse mark, all his power flooding the seal. The seal glowed and began to draw out Kyuubi's chakra to fight against the curse. The Kyuubi felt his life force being

pulled away. ‘So this is it I save the son of my former vessel, and that’s it it’s all over!’

Chakra exploded sending a shock wave across the forest of death and through Konoha, everyone felt the tremor of the Kyuubi’s power. The jinchuuriki all felt it and stopped, sensing this strange power shift in the world. A pillar of chakra rose up from where Naruto lay a mix of blue and red. ‘I’m...alive?’ Kyuubi thought as he opened his eyes. He was in a barrier of blue chakra. He was much smaller than before. ‘How did I survive?’ He looked around and gasped.

Naruto was holding his small form but he wasn’t the same. His human ears were gone and replaced with fox ears with dark red tips, his whisker scars were thicker and his canines were sharper, his clothing was destroyed and revealed the full changes, blonde fur coated from wrist to his elbow from his ankles to his knees, there were dark pads on the bottom of his feet, his crotch was covered in a golden fur his cock and balls hidden inside a sheath. The golden fur looked like a belt that curved around his hips to where his tails were.

‘I couldn’t let you die not after trying to protect me.’ Naruto sent to him mentally. ‘You saved me, why?!’ Kyuubi asked confused to the blonde’s actions. ‘It may sound silly but I felt you slipping away and I didn’t want to lose you, for so long I thought I was alone but you were always with me, I just couldn’t stand the thought of losing you, Kyuubi.’

“Kurama, my true name is Kurama.” Kurama said staring up at him happily. The blonde smiled. “Naruto Uzumaki great to finally meet you Kurama.” Kurama was accepted back into

Naruto's body but it was different there was no cage there was just the full warmth of Naruto's soul.

The inner world faded and Naruto awoke to the changes and he sighed his 9 golden tails curling around himself like a barrier. "Naruto...I..." Kyuubi began but Naruto silenced him. 'Kurama don't be sorry for saving my life just like I'm not sorry for saving yours.'

Kurama hoped Naruto would be okay, for he was as much of a bijuu now as any of the tailed beasts. Kyuubi had heard of this kind of transformation before, but he'd never seen it. Nature chakra and bijuu chakra mixed with Naruto's. He would need help getting control of his new power. 'I'll be here for you Naruto-kun!'

To be continued

## Chap 2 Curse Marks

Naruto's body was cocooned in his tails, he was resting to restore the chakra he lost during the transformation. His demon senses had him on high alert, he heard the rustling of leaves and he Sakura's and Sasuke's heart beats as they drew closer to him. Sasuke was being dragged by the pink haired girl, the snake man had placed a curse mark on Sasuke as well, and the boy was down for the count as the curse mark slowly changing his body. Sakura hid Sasuke away and used Naruto as a shield to hide Sasuke. "I don't know what happened to Naruto but he makes an excellent meat shield." As soon as she was done touching his tails dragging him over to block Sasuke from view she began to wash her hands in disgust. "Filthy!"

Naruto ignored it, they had bigger problems. he could feel three teams drawing close to their location one being an enemy village the other two were Konoha teams. 'They won't make it in time!' Sadly the enemy team was gonna arrive first. Sakura had put up obvious traps in hopes of protecting Sasuke. She didn't care about Naruto in the slightest. Team Dosu were not so stupid as to lose to such pathetic traps. Kin, Zaku, and Dosu arrived with orders to kill Sasuke and Naruto, however this mission was a lie they were merely pawns in testing the curse marks.

Kin easily subdued Sakura and Dosu and Zaku drew upon Naruto and Sasuke. "Blast them Zaku." Dosu ordered and the sound nin aimed his palms at Naruto in his tail cocoon. Wind and sound were unleashed blasting the cocoon at near point

blank range. Naruto's tails were undamaged, deflecting the attack safely away. "No way!!" Zaku yelled.

Dosu ran forward. "Sound Claw Jutsu." He released an ear shattering sound attack luckily for Naruto his tails just absorbed the sound and chakra from the jutsu. Naruto opened his mouth from inside his cocoon.

"RRRROOOOAAAAARRRRR!!!" Naruto roared releasing his own chakra and not being a sound ninja he could be mistaken as one from the power of the roar; Dosu and Zaku were thrown back from the intense force, Sakura and Kin were knocked out.

"This is a little tougher than I thought Zaku go full blast if you can't destroy him push him so we can kill Sasuke." Dosu said and Zaku readied his attack only to get frozen in place.

"Shit I can't move!!" He looked and saw that there was something connected to his shadow. Shikamaru and his team had arrived just in time, the lazy genius had Zaku trapped by his shadow possession jutsu. 'Damn it!!'

Dosu was not happy with the interruption. "Echo Claw!!" He flicked his metal gauntlet and the sound echoed through the forest. Shikamaru Chouji and Ino gasped as their bodies tingled. The sound echoed around them keeping them frozen in place. "You think you are the only one who can immobilize someone." He drew his claw back ready to strike Shikamaru.

"Now die!!!"

Naruto's tails opened up and the fox boy rushed into action. He caught Dosu's claw silencing the Echo jutsu. The fox demon's eyes flashed red and he crushed the male's claw

drawing a hiss from the sound nin. “Don’t you dare try to hurt my friends!!” he growled.

“Naruto!!” The Ino-Shika-Cho Team shouted in both shock and joy. Shikamaru and Chouji starred at their changed classmate, in all his naked glory, outside of the fur. Naruto whipped his arm out sending Dosu flying with a busted nose. The shadow nin hadn’t realized his shadow possession had run out of time and now Zaku was free to attack.

He had charged, readying an attack aimed right at Naruto’s head. “Take this!” he shouts.

Naruto’s senses and reflexes weren’t so lax. His tails whipped out and caught Zaku mid air. “You think those cannons in your arms make you strong.” Naruto’s eyes glowed, making the red sparkle like rubies, and red chakra traveled through his tails. Zaku cried out in pain as the modifications Orochimaru made to his body were removed. The rods melted away, and the chakra repaired his body.

“You will learn what true power is...” Red chakra turned blue. “Pleasure!!” Zaku arched his back as pleasure assaulted him, his whole body tingled as the chakra pleased every inch of him. His nipples and cock grew hard and he was unable to hide his shame. His pants became tented for all to see, he blushed as his arousal rubbed and pushed at his tight confines. The chakra turned red. “Pain!” Zaku screamed as all the pleasure was changed to pain. His cock deflated and he writhed in agony.

The chakra switched back and forth from blue to red, then red to blue. “Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!”

“Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!”  
“Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!”  
“Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!”  
“Pleasure!” “Pain!” “Pleasure!” “Pain!” “Pleasure!” “Pain!”  
“Pleasure!!”

Zaku was losing his mind the sudden assaults of pain and pleasure was confusing his body. Half way through Zaku wasn't losing his arousal anymore on pain and each pleasure was making the male cum in his shorts. The front of his pants were completely soaked, semen running down his legs. Zaku couldn't handle it anymore and he blacked out.

The sound nin was dropped into some bushes. He pointed a finger at Dosu. “You smell of that snake bastard leave your scroll behind and you can leave with your lives.” Dosu felt a great fear flow through him, Naruto was telling the truth he would spare them if they left the scroll behind.

Dosu abandoned the scroll and dragged Zaku and Kin away. Zaku was drooling, his cock tenting the cum drenched shorts. It almost looked like he peed himself but it was all cum.

The second Konoha team arrived Kiba Shino and Hinata stared at Naruto in shock. They had seen it all, Kiba and Shino eyed the naked and partially furry blonde. Naruto looked himself over. ‘So this is a taste of my new found power.’ he thinks, flexing his muscles and feeling his chakra surge.

**‘Just a small fraction you still have not fully recovered you should rest.’** Kyuubi spoke and Naruto nodded. He walked over to a tree ignoring the shocked, intense, and confused stares. “I need a nap.” He closed his eyes and fell

asleep. The rookies stuck together until one of team seven  
awoke, they were hoping it would be Naruto.

## Chap 3 Fully Rested Demon

Naruto groaned as he felt himself stir awake, furry ears flicked as he heard several heartbeats. In seconds he could sense the others in the camp with him. One group being Shikamaru Chouji and Ino, then there were the new comers Kiba, Hinata, Shino, and Akamaru. ‘Whoa this is really cool.’ **‘It’s just your demon senses you will get used to them.’** Kyuubi said and Naruto opened his eyes.

“Hey guys he’s waking up.” Kiba shouted and the guys came over to Naruto. The blonde’s tails slithered out and brushed against the intruders to make sure they weren’t a threat. Shino and Kiba blushed as the tails caressed them, Kiba’s senses inhaled Naruto’s musk and it aroused him; as for Shino his body tingled from the soft touch his bugs reacted excitedly from the blonde’s chakra.

The girls were looking after Sakura and Sasuke; both had yet to awaken. “Naruto your changes...” Shikamaru began but became a loss for words. His eyes roamed Naruto’s frame, the muscles the fur...Naruto’s nakedness was affecting the boys.

“Yeah you look umm...” Kiba began and his cheeks reddened. Akamaru barked. “Sexy” He spoke in dog language and Kiba’s whole face turned red and thanked Kami he was the only one who spoke dog.

“Do you agree with Akamaru, Kiba?” Naruto asked and Kiba’s whole body tensed.

‘Fuck shit oh fuck no way.’ He watched as Naruto’s fox ear twitched. ‘He understood Akamaru!’ He felt Naruto’s tail slide down towards his more intimate parts. He fought back a

growl as it ran over his bulge. “Yes!” Kiba moaned and Naruto smiled at him.

-I think you're sexy to- Naruto spoke in canine language and Kiba nearly blew his load in his shorts. His dick threatened to rip from his trousers, seeking direct contact.

He wasn't the only one, Shikamaru sighed rocking softly against the tail caressing him. Chouji groaned, his crotch getting cupped and fondled. Shino was silent but his face as red as a tomato.

Kiba thought he could steal a kiss and he leaned over. Just as he was about to kiss Naruto Sasuke's eyes shot open and a terrible chakra swirled around him. He tossed the girls aside and he grabbed Kiba by the hair. Kiba hissed as Sasuke pulled him back. “What do you think you're doing bitch? Naruto is mine!!” Sasuke's Sharingan eyes spun and the curse mark spread across his body. Akamaru barked angrily.

Sasuke applied pressure causing Kiba to gasp in pain, the Uchiha dislocated Kiba's shoulder making the male howl in pain. “Sasuke knock it off man let him go.” Shikamaru said and was about to perform shadow possession when one of Naruto's tails whipped out and smacked Sasuke away from Kiba.

Kiba was cupped gently in Naruto's tails and he clutched his shoulder in pain. The warmth of Naruto's tails gave him comfort. “I don't belong to you Sasuke. Attack our friends like that again and I will be forced to punish you.” Sasuke rubbed the cheek where Naruto had slapped him with his tail. The curse mark began to spread faster in Sasuke's rage.

“NO YOU ARE MINE!!” Sasuke flew at Naruto. Faster than Sasuke could see Naruto was in front of him two fingers pressed to the Uchiha’s forehead.

“Sleep.” The command was simple but Sasuke found he was unable to disobey his eyes closed and the curse mark receded. He dropped and Naruto caught him holding him gently.

Naruto turned to the injured dog nin. Akamaru sniffed him and whined knowing he was in pain. —It’s okay Akamaru he’ll be fine.—Naruto spoke in canine language. Naruto’s hands glowed red and he began to heal Kiba. Kiba moaned as he was healed by an uncommon technique. Kiba humped Naruto’s tail as the warm chakra healed him he didn’t care how it looked Naruto’s chakra felt so damn good.

A normal heal Kiba would have been in a lot of pain, but this, the heal was deeper, and oh so pleasurable.

Shino watched with a pinch of jealousy, his insects told him how good the chakra was and how much pleasure Kiba was currently in. He could certainly see as Kiba writhed in pleasure, a trickle of drool running down his chin. Shino secretly adjusted the hard on in his pants to help it go unnoticed.

“Look guys we may be on separate teams but we are all Konoha ninja let’s team up and get through this exam.”

Naruto suggested finishing up healing Kiba and letting his tail slide against the humping male.

“I’m for it.” Kiba moaned his body tensed as he came into his fundoshi. He grinned from ear to ear, his semen flooding his fundoshi. Naruto looked from Kiba to Shino who nodded his

head. His manhood throbbing, pre wetting his own underwear.

“Yeah I’m good, how about you Chouji?” Shikamaru asked his friend. Both were rock hard, this was so weird and they had so many questions.

“Sure thing!” Chouji said between munching on chips. His dick pushing at the fabric of his own confines.

“Alright.” Naruto says and looked to see the knocked out male and 3 females. Ino and Hinata had been knocked out by Sasuke’s terrible chakra “Lugging these guys around will be too much of a hassle.” Naruto says, Shikamaru nodded his head in approval.

Kyuubi shared some knowledge with the blonde, the blonde repeated the hand seals. “Fox Treasure Seal.” Four stone fox statues appeared with stone pedestals. The pedestals opened up and bandages came out and pulled each person into their own specific treasure box. The fox statues slid back into the ground. ‘Sasuke needs to stay in a slumbering state, once we find Kakashi he can seal that mark up a bit.’ There was nothing that could be done to fix him though, the fusion of chakra was permanent.

“We can work on gathering all out scrolls at once.” Naruto said and the guys nodded. **‘Kit traveling in this large group will make you a bigger target.’** Kyuubi said.

‘I think I have an idea.’ Naruto thought back.

“Umm Naruto do you think you’d be able to put on some clothes, you’re very naked.” Chouji said a light blush on his cheeks. It was distracting to say the least, though no one was really complaining.

“Well I don’t have anything, you guys aren’t shy are you? Why don’t you just strip down not like any girls around.” He says smiling, he was enjoying his new found freedom, the breeze between his knees, it felt so nice. Chouji and Shino blushed, sharing a look, but Kiba was already peeling off his clothes. Kiba’s jacket and fishnet shirt were removed his pants and cum soaked fundoshi were dropped and his semi hard dick bounced in the air. He grins and stretches, even giving a scratch to his nest of manly hair.

‘So troublesome,’ Shikamaru joined him in nudity, his own semi hard cock flopping free. His crotch was drenched in his pre. Kiba and Shikamaru stood proud, free, aroused, and naked.

Chouji gulped and began to strip out of his clothes as did Shino. Shino and Chouji were a bit nervous as their fully aroused cocks stood proud and dripping pre cum. “You guys are sexy no need to be shy.” Naruto says sending a shiver through the naked males. The praise made their hearts flutter. He ruffled Akamaru’s head, the dog yipped in agreement. He didn’t see why humans wore clothes outside of battle or for weather conditions. “Why don’t you and I switch places I’ll carry everyone at once.” Akamaru understood and transformed into Kiba equally naked and horny.

Naruto performed a seal and began to shift into a massive animal form. He was nearly 3 times as big as Akamaru. The boys stared, finding Naruto’s beauty unchanged even as he became a giant fox. “In this form we can travel faster hop on guys.” Kiba and Akamaru took shot gun they moaned as Naruto’s warm fur brushed against their sensitive naked flesh.

The dog nin couldn't stop themselves from rocking, the fur tickling their asses, balls, cocks, and thighs.

"It doesn't sound troublesome," Shikamaru got picked up and held by Naruto's tails, he was cradled like a hammock and he liked it. He stretched out laying back in the hammock of fur. Chouji and Shino got up on Naruto's back they moaned as Naruto's fur brushed their cock and balls. The warmth radiating from Naruto's body felt so good, and Naruto was sure to wrap a tail around each of them nothing like a fox tail seat belt to keep your friends safe. He sealed their stuff in a scroll and they were off.

"Whoa!" Naruto was quick, the wind brushing past and caressing their naked bodies. "Naruto is this really okay?" Kiba asked and Naruto nodded.

"Yeah I need to get use to my new abilities. Just relax and leave things to me." Naruto said and he traveled across the forest of death searching out possible targets. He sniffed the air, and began tracking down the other teams.

Team 7 needed an Earth Scroll as did Team 8 Team 9 needed a Heaven Scroll.

To be continued

## Chap 4 Gathering Scrolls and the Talk

Shikamaru was loving the freedom and the ride it was like being naked in a hammock it just felt awesome. The sun that peeked out caressed his naked form, the breeze was heavenly. He wanted to stay like this forever. He was a smart kid he had a feeling what went down and who Naruto was. The tails and fur wouldn't change that. "So Naruto you got a plan for getting the rest of the scrolls?" he asks.

"I don't really know, I only have a few tricks up my sleeve right now." Naruto says, Kyuubi had a lot to teach him and they didn't have a lot of time. "I have powerful sensor abilities I can sense other teams from far away but no idea what scrolls they carry." he bounded through the forest.

"Hmm okay I got some strategies that could work."

Shikamaru said and snuggled deeper into Naruto's tails.

Naruto chuckled, he had a tip of his tail tickle Shikamaru's under arm. Shika gasped, his body trembling in excitement.

"Ohh!" he shivered as his tail brushed over his naked form.

His cheeks heated up in a blush. The tip tickled his cock. "Ah ah ahh!" he was ready to blow, he came his semen splashing over his form.

"That's our lazy genius for ya." Naruto said and the boys made their way to the nearest team. The guys laughed as Shikamaru was touched and cleaned up by Naruto's tails. The lazy nin didn't care, it felt so good to be caressed after orgasm.

Shikamaru's Strategy 1 Scare

The boys remained naked and hidden as Naruto launched into a camp of nin, blue chakra swirling around his fox body. “I am the guardian of the forest for trespassing on my lands your souls will be mine!” He roars in a rough and dark voice scaring the nin to unconsciousness. Naruto stole their Heaven Scroll and gave it to Kiba and Shino.

The naked boys climbed onto Naruto’s back again. The next team required a bit more force Naruto used his chakra to put them to sleep and stole their earth scroll. He gave the scroll to Shikamaru and Chouji. They needed to get one more but night was falling.

The other teams were farther away so Naruto set up a camp for the night. A nice warm fire made from fox chakra, and Naruto reverted to human form. Naruto’s tails slithered out and the boy’s rested their naked bodies on the soft fur.

“Naruto your new form we didn’t speak about it before but...” Shikamaru said sitting on the fluffy tail.

“That snake bastard did this; he disguised himself as a grass ninja, but he was able to summon snakes and he did this to me.” Naruto looked at his claws. “And judging by Sasuke’s power boost he bit Sasuke to.” There was more to the story but this was enough.

Chouji sat on Naruto’s tail. “I like it.” Chouji said and he munched on some apples. Kiba and Akamaru sat on either side of Naruto, Akamaru glomped Naruto’s tail and nuzzled it. Naruto’s tail coiled around Kiba’s body.

“I like it to.” Kiba growled out and felt himself get hard again.

Shino sat on Naruto's tail. "This chakra is similar to that of the Kyuubi's Naruto which means you were the vessel of the nine tailed fox." Shino said shocking the others.

"Yes I was the vessel." Naruto said and there was a long silence, the blonde was worried, fearing rejection. 'Have some faith kid, trust them.' Kyuubi spoke to his mind.

Naruto could feel their emotions not one of them, fear disgust or hatred.

"So that's why the adults were always like that." Shikamaru said, he already had a feeling this was the case. "Naruto, know that we don't think of you as a monster. You are you, some extra tails not gonna change that."

"I know." Naruto said with a smile. Kiba had felt bad he always gave Naruto a hard time in school he had no idea, Akamaru whined and nudged Naruto's hand. "It's okay guys the past is behind us. Let's enjoy the now." Naruto said and hid a frown. 'The future may not be so good after we get out of the forest of death.'

"Get some rest guys, I'll keep watch, this new body of mine doesn't need to sleep as much." Naruto said and Shikamaru was already snoozing in his tail. Chouji curled up and fell asleep as well.

"Naruto if you want a nap just wake me up I'll keep watch since you've done so much for us." Shino says and snuggled down into one of Naruto's tails. Akamaru was snoring hugging one of Naruto's tails. Naruto added another tail as a blanket for the boys.

"Hey Naru if it's all the same I wanna stay a bit more with ya." Kiba said scotching a little closer to Naruto giving

Naruto's tail the chance to wrap him up easier keeping him extra warm.

Kiba took in Naruto's scent and he was finding it hard to ignore. 'Shit I'm so hard.' Kiba was aching and he wanted so bad to touch himself, he gulped as Naruto's tail brushed his arousal. 'Fuck I wanna cum!!'

To be continued

## Chap 5 Camped Out In The Forest of Death

Naruto could both feel and smell Kiba's arousal. "You can take care of it, your secret will be safe with me." Naruto said and Kiba shivered.

"Okay...ahh..." Kiba panted out and he reached down and grasped his arousal, he growled as he began touching himself, pumping his cock quickly. 'This is so hot!' he had touched himself plenty of times, but never with an audience. He closed his eyes and channeled chakra to his nose, he took in Naruto's scent and began to drool. 'Fuck, he smells so good.' Scent for an Inuzuka was a big deal. Not the clothing, the soap, shampoo, or cologne. The natural scent everyone was born with, and Naruto's was heavenly. 'Naruto!!!' Kiba thought and began fondling his balls.

Pre spilled over his cock, allowing him to pump faster and faster. "Would you like a hand?" Naruto asked, and before Kiba could stop himself he let out a loud. "Yes!!" Naruto looked at him in surprise, and Kiba blushed. "Sorry," Naruto scooped him up with his tail and moved him to rest before him. The soft tail cupped Kiba's back, and Kiba took a sharp intake of breath. Naruto grabbed Kiba's cock and began stroking it slowly. "Ohhhh." Kiba moaned and bucked his hips, Naruto smiled at him and continued to pump his cock, stroking from the base to the tip and he rubbed the head with his thumb.

'He's good at this!! It feels so much better than doing it myself!' Kiba thought and bucked his hips the tail quickly rising to keep him steady. Naruto leaned forward and began

licking Kiba's perky nipples. "Ohh fuck!" he moaned, Naruto's lips moved down Kiba's body, kissing along the dog nin's muscles. The brunette moans, and soon the kitsune was face to face with his crotch.

He wrapped his lips around the head of Kiba's cock, he swirled his tongue around the head and he moaned in pleasure. "Naru-ahh!!" his pre poured into the blonde's mouth. Naruto swirled his tongue around the sensitive head making Kiba pant like he was in heat.

Naruto removed his hand from Kiba's cock, and began sucking his dick into his mouth and he was able to deep-throat him easily. "Ohhhhhh yes!!" Kiba moaned, and panted in pleasure. Naruto cupped Kiba's balls with his right hand, while his left hand came up to tease Kiba's puckered entrance.

"Wait Naru I don't think I'm ready for that!!" Kiba gasped out.

"Do you trust me?" Naruto asked pulling off the dog boy's cock. "I won't go past a finger, I only want you to feel good." he fondled Kiba's rear, so plump yet firm.

Kiba thought about it for a second and nodded his head. "I trust you." he blushes from ear to ear. Naruto coats his finger in chakra and pushed his it into Kiba as he took Kiba's cock down to the root.

"Ohh wow!!" Kiba moaned, Naruto bobbed his head as he thrust his finger into Kiba's willing body. The digit wiggled and curled stroking the dog nin's insides and making his mouth water. "Naaahhh...toooooohhh!" he tried to moan his name but it was cut out. He hadn't played with his ass before,

but this was heaven, the mouth and finger worked perfectly together.

It didn't take long to find the dog boy's sweet spot, and he began to rub it. The chakra coating intensifying his pleasure tenfold. Kiba let out a howl as he came blowing his load, his cock swelled and his inner walls tightened around the digit. His back arched and his balls tightened, his toes curling in delight.

Naruto pulled back and began drinking down Kiba's cum. Not a drop was wasted, and the blonde played with his sweet spot, all through his orgasm. The brunette was riding high on pleasure, tongue hanging out of his mouth, panting as he rode his orgasm. He brought Kiba down and once he was close enough Kiba latched onto Naruto's body.

Kiba clung to Naruto and nuzzled his neck. "Can you hold me please, I won't ask for anything else tonight please?" Kiba asked clinging to Naruto as his lust fuzzy mind began to clear. "You don't have to ask." Naruto wrapped an arm around Kiba and held him close, he rubbed the boy's back easing him down from his sex high. This simple action meant more for Kiba than Naruto realized. Kiba hummed happily and he was slowly losing the ability to stay awake. "I don't wanna sleep yet."

"It's okay I'll be here when you wake up." the male nuzzled his neck.

"Promise?" Kiba asked and Naruto kissed his cheek.

"Promise." he smiled at him.

“Hey Naru, after the Chunin exam, would you go out with... Zzz...” Kiba fell asleep before he could ask Naruto, and he didn't see the blonde frown.

“I don't know what will happen after the exam Kiba, but no matter what happens I want you to live a happy life.” Naruto whispered into Kiba's ear.

Naruto didn't leave his other boys out, the same chakra he coated his finger with, he channeled through his tails. Chouji moaned in his sleep, cumming all over the furry appendage. Shino had cum twice, he was having a very nice dream.

Shikamaru whimpered, his climax hitting him hard.

Naruto was so distracted by the scent of musk and cum he didn't notice someone watching them, someone watching with burning jealous eyes.
