

Real name: Safira

The founder of Pink Horizons. Company in which the purpose is to assist its customers with their feminization process.

Owner of extreme creativity, she is not very good with logistics, leaving this area for Emilia to take care of.

No one knows for sure if her hair is indeed pink or if it's just a wig.

"Women should not seek empowerment by rejecting femininity and emulating men's worst behavior. Femininity has its own strength, and I want people to learn that."

"You can call me just Pink if you like"

Age: 27 Years old  
7 years of HRT  
height: 183 cm

Sissy name: Baby Doll

Her personality is quite the opposite of the idea her image sends. Being quite shy and reclusive, she sees the idea of hyper-femininity as more of a self-expression thing than anything sexual.

She has loved both men and women throughout her life and is very secretive about her relationships.
