*"Gohan-kun... it's time
to study..."*

How is your studying going today, Gohan-kun?

Oh! I'm doing great, mum!

KLAK

So... you've finished your math and moved on to your science?

BYE!

This section is currently going over reproduction in animals.

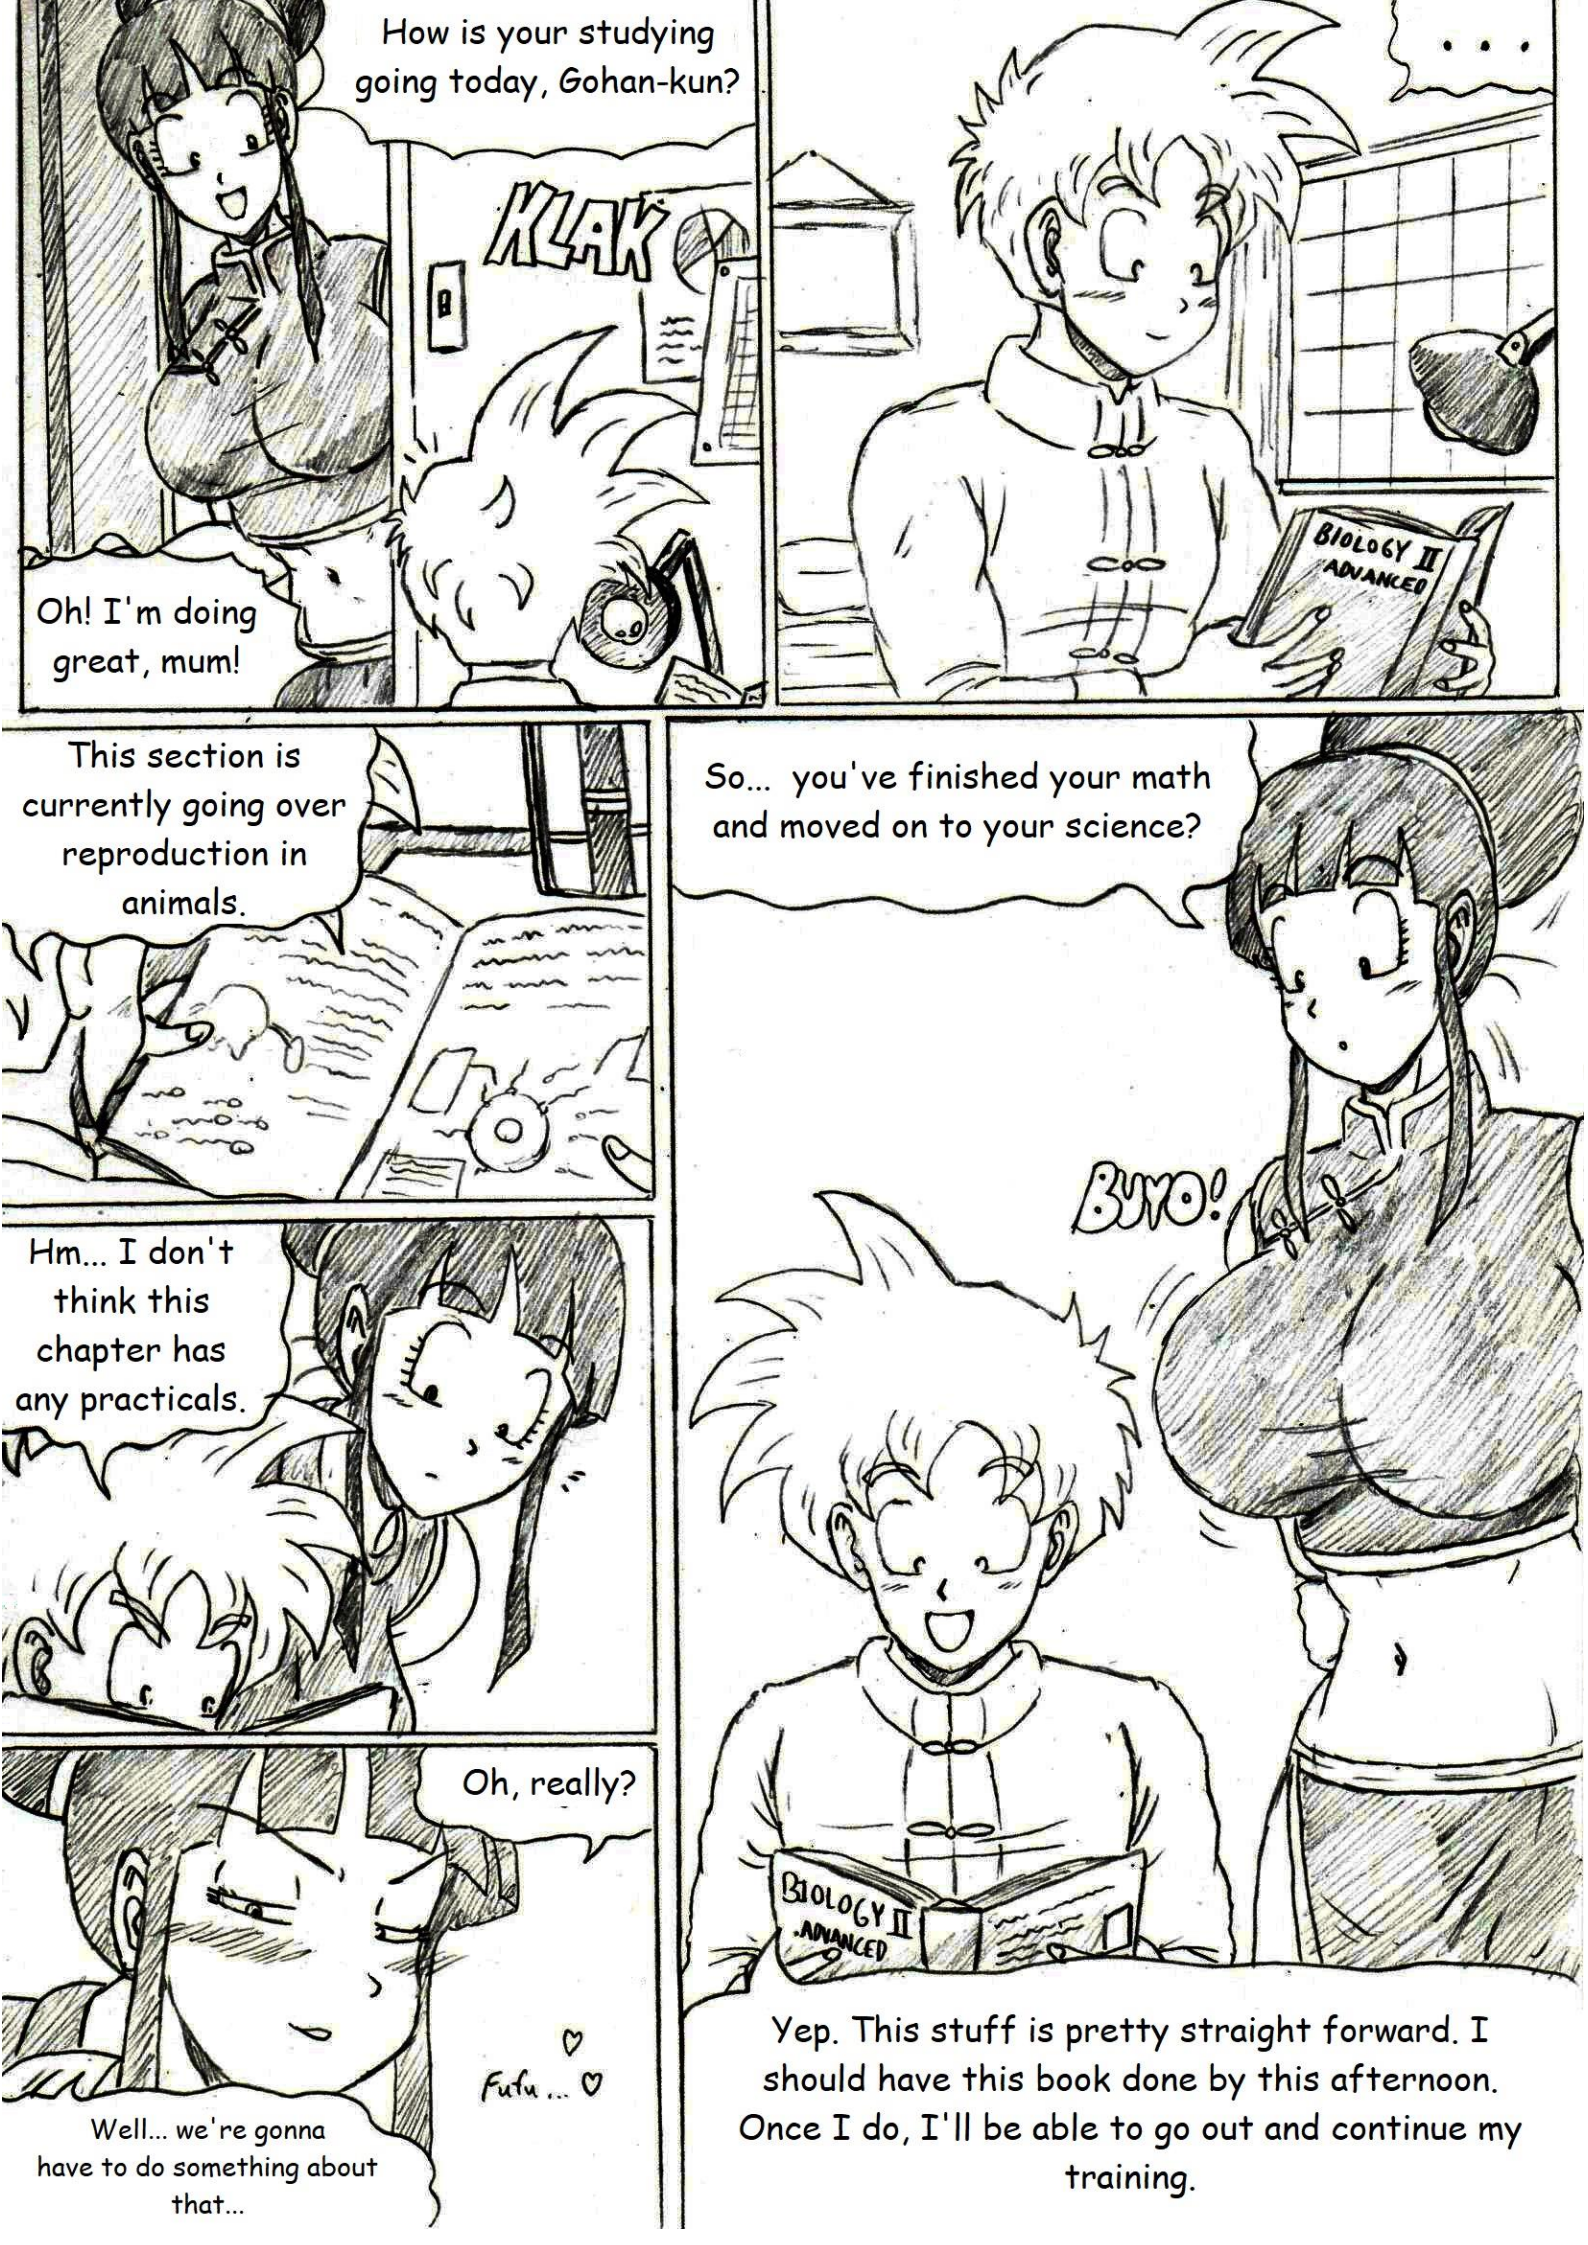

Hm... I don't think this chapter has any practicals.

Oh, really?

Yep. This stuff is pretty straight forward. I should have this book done by this afternoon. Once I do, I'll be able to go out and continue my training.

Well... we're gonna have to do something about that...

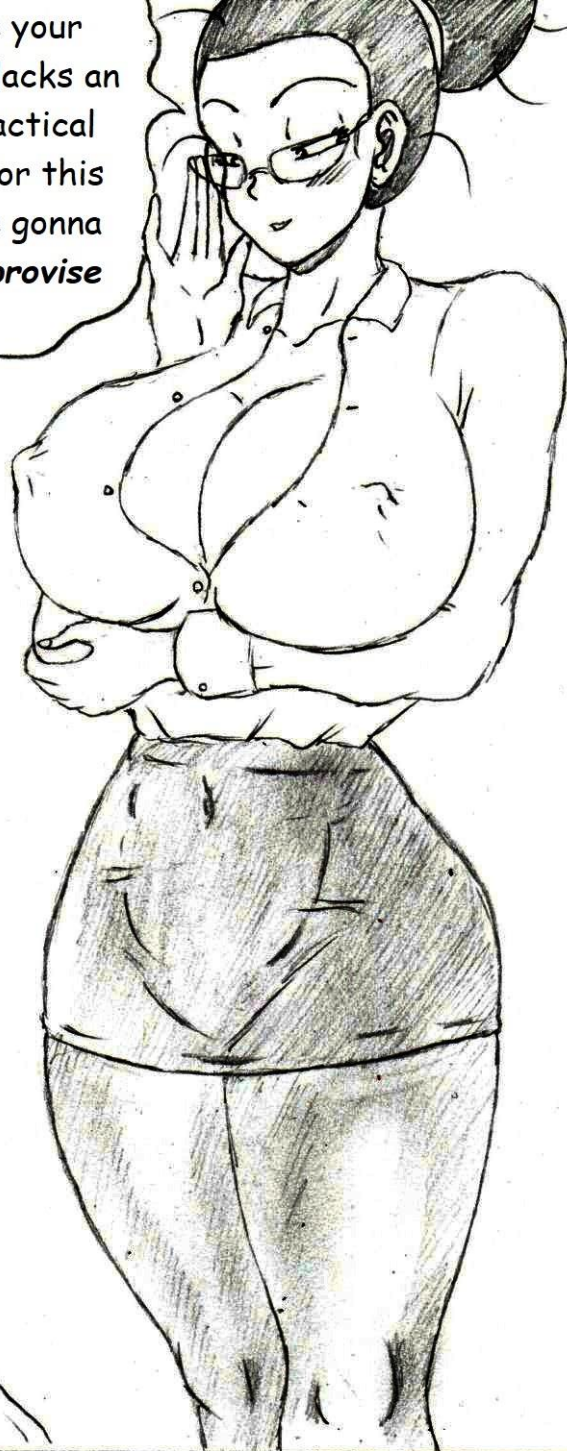

Fufu... ♡

Uhm... okay.

Now... since your science book lacks an adequate practical assignment for this topic... we're gonna have to... *improvise* one.

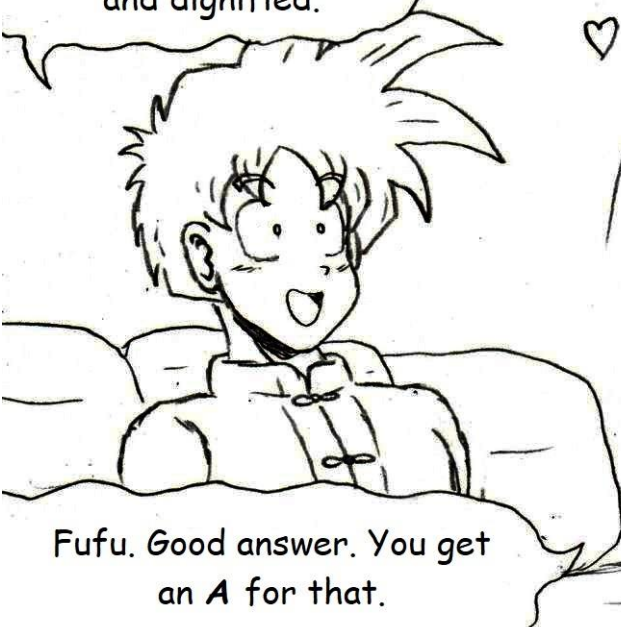

But... since we're covering the reproduction of mammals... what can we do for an exercise?

Giggle Oh... I have a few ideas. ♡

Y-Yeah. You look amazing, mum. So cool and dignified. ♡

First... an entry question. Do I look good in this outfit, baby? Be honest.

♡
SWAY!
♡

Fufu. Good answer. You get an A for that.

Huh! W-Wait, mum! Why are you pulling my pants down?!

I'm going to give you a *very* good reward.

Just for that...

SHF!

Fufu... hold still, silly.

Ah... this is Gohan-kun's penis...?

It's gotten so much bigger since I last saw it.

SHF!

M-Mum?!

You came so much down my throat.

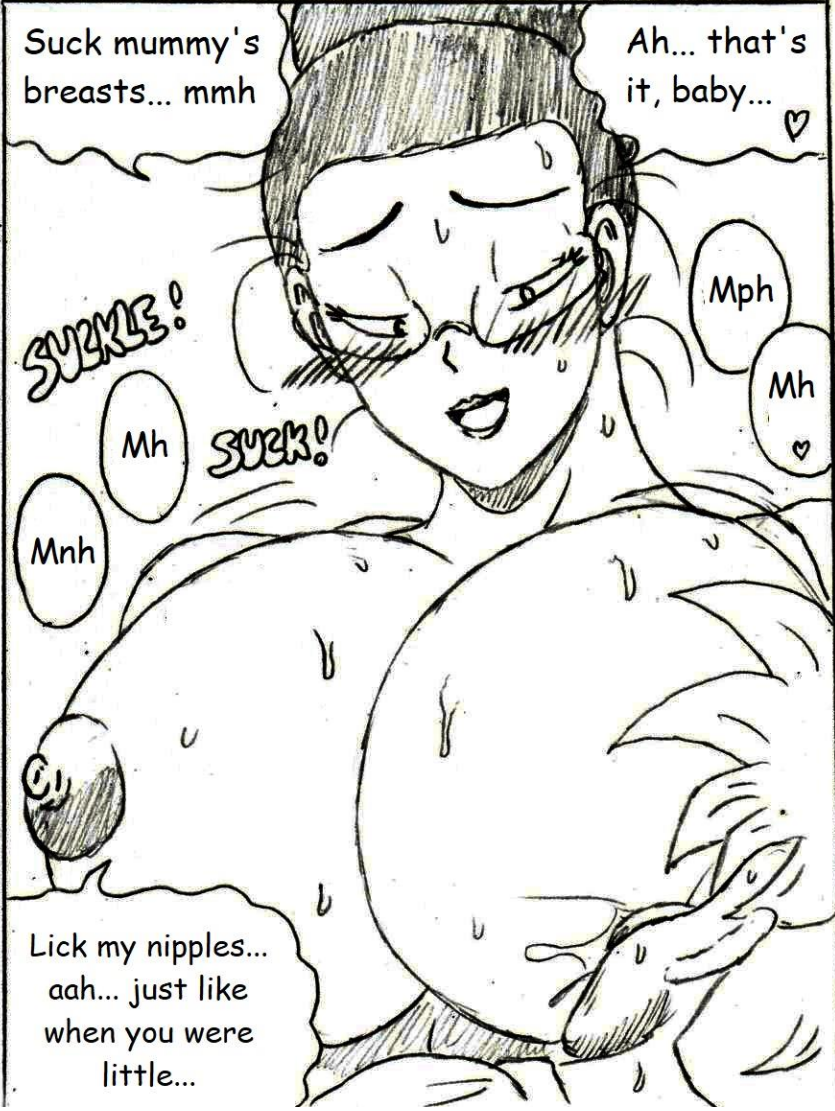

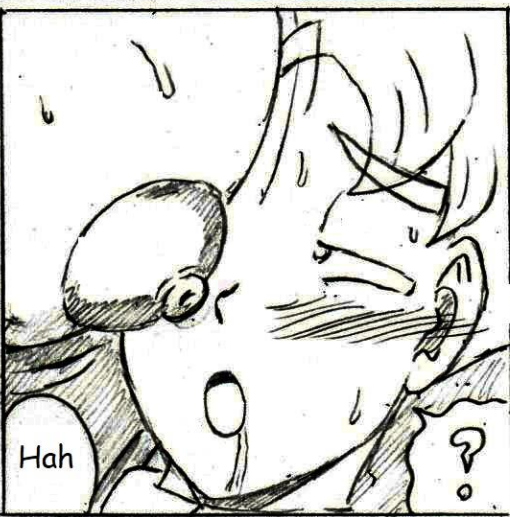

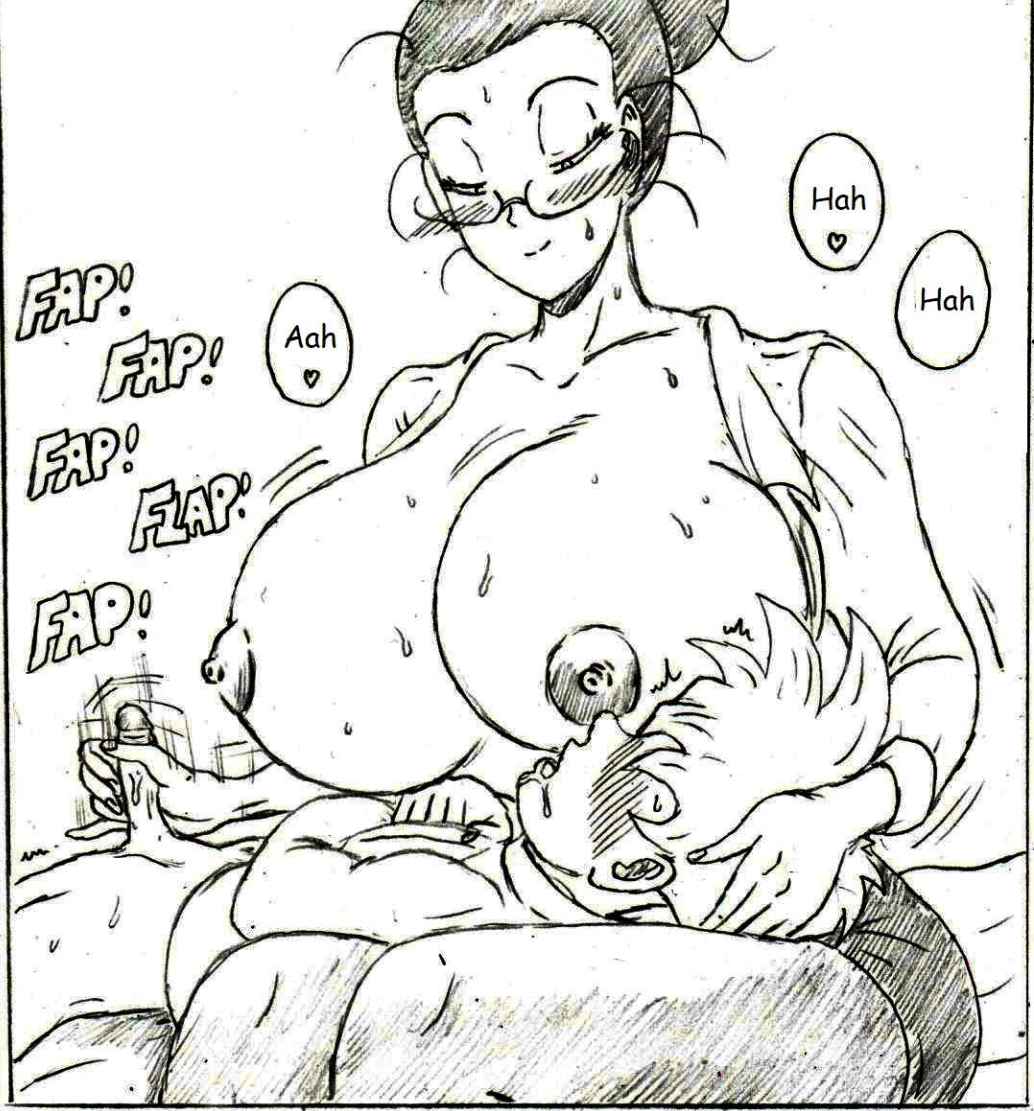

Let's see you do it again... ♡

You're so hard, Gohan-kun.

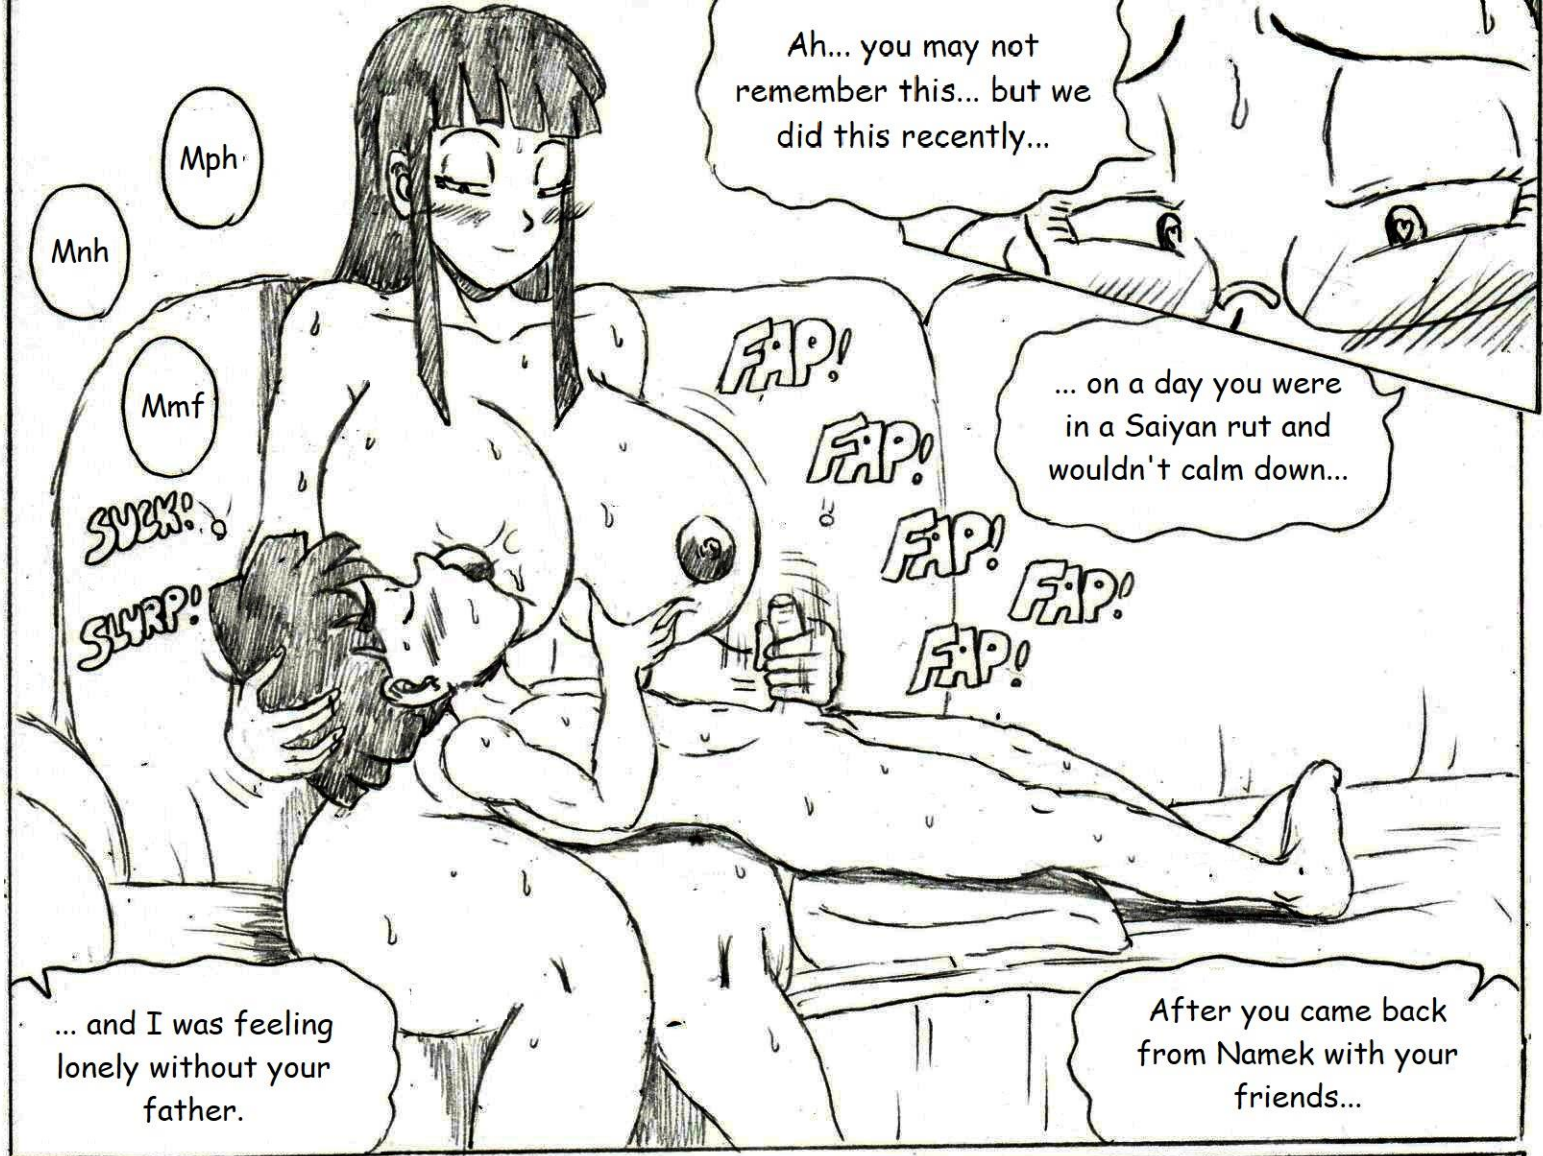

Suck mummy's breasts... mmh

Ah... that's it, baby... ♡

Lick my nipples... aah... just like when you were little...

Ah... you may not remember this... but we did this recently...

... on a day you were in a Saiyan rut and wouldn't calm down...

... and I was feeling lonely without your father.

After you came back from Namek with your friends...

We need to check how much you can release.

Ah... okay then... let it all out, baby...

Aahh... remember... it's all for your education...

Your cock... gave me the love I needed.

Ah... m-mum... I'm gonna cum again... aaahh!

Come on, Gohan.

You're fine, darling. A
man and woman can't
mate properly unless
fully nude.

O-Okay.

Is this alright,
mum?

Gohan-kun... I want you to be mine.

Jiggle!

Bye!

Mnh... so cute...

Wah... m-mum?

...let's mate... and make a baby together.

I... will also give myself entirely to you... so... let's do it.

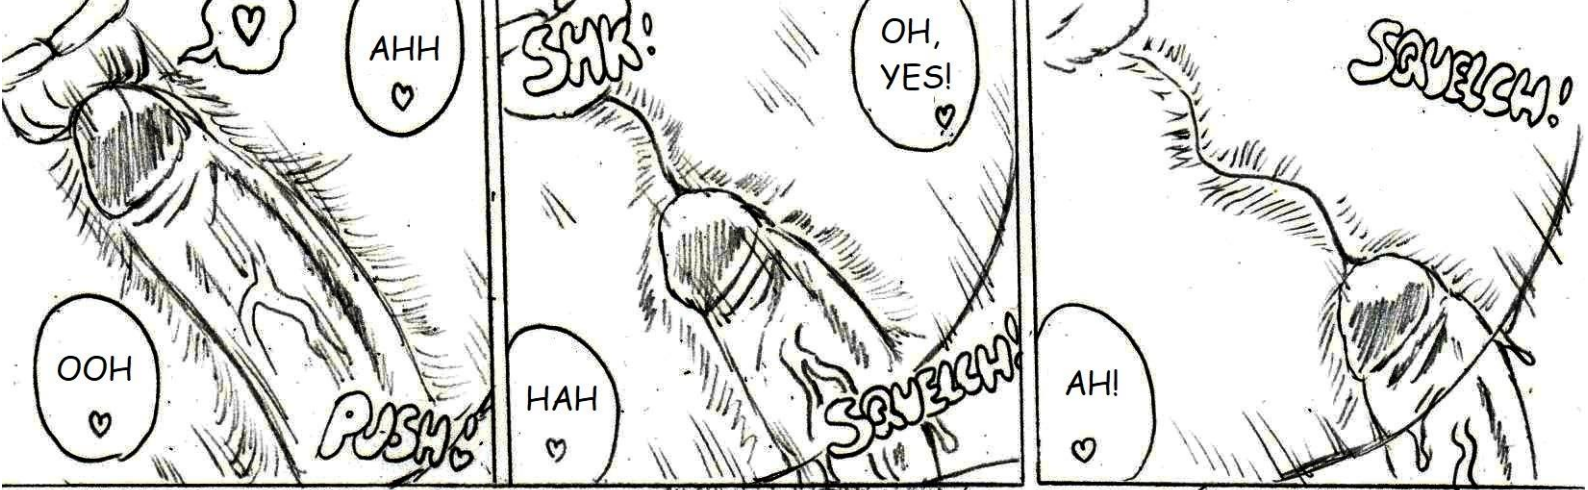

Just like animals in heat.

Ahh... wow, mum.

My womanly voice is coming out... aahh... how shameless of me!

Oooohh... yees... just like when I took my son's virginity. Aahh... his cock is a perfect fit!
