

No more darkness,
it seem.. Everything
has went in peace..

I love to see that
virtual idol group,
K/DA, I suppose?

But your presence
over there scare
people away, Viego.

K/DA, right? You want to meet them?

I hate you! Just why they put me beside you?

A 3D rendered character with short, wavy white hair and bright green eyes. The character is wearing a dark, textured cape or armor piece over their right shoulder. They have a serious expression. The background is a soft, hazy blue and white. There are some glowing green and cyan lines around the character's head and chest.

You are.. my wife's
creation, I can do
anything for you, Gwen.

You stay away
from me, Viego.

Not only you wanted
to see that K/DA
group, but also me.

..My presence will scare everyone away.

"M-My body.. can't move.."

But with you, I
can easily blend in.

I think.. I know
how to make this
more interesting.

K/DA's locker room..

Tomorrow will be the show, are you ready to practice?

I'm ready than ever.
It's our final show anyway.

Well, people nowadays
don't much toward
to us like before.

I say, we will make
this show become
history, right girls?

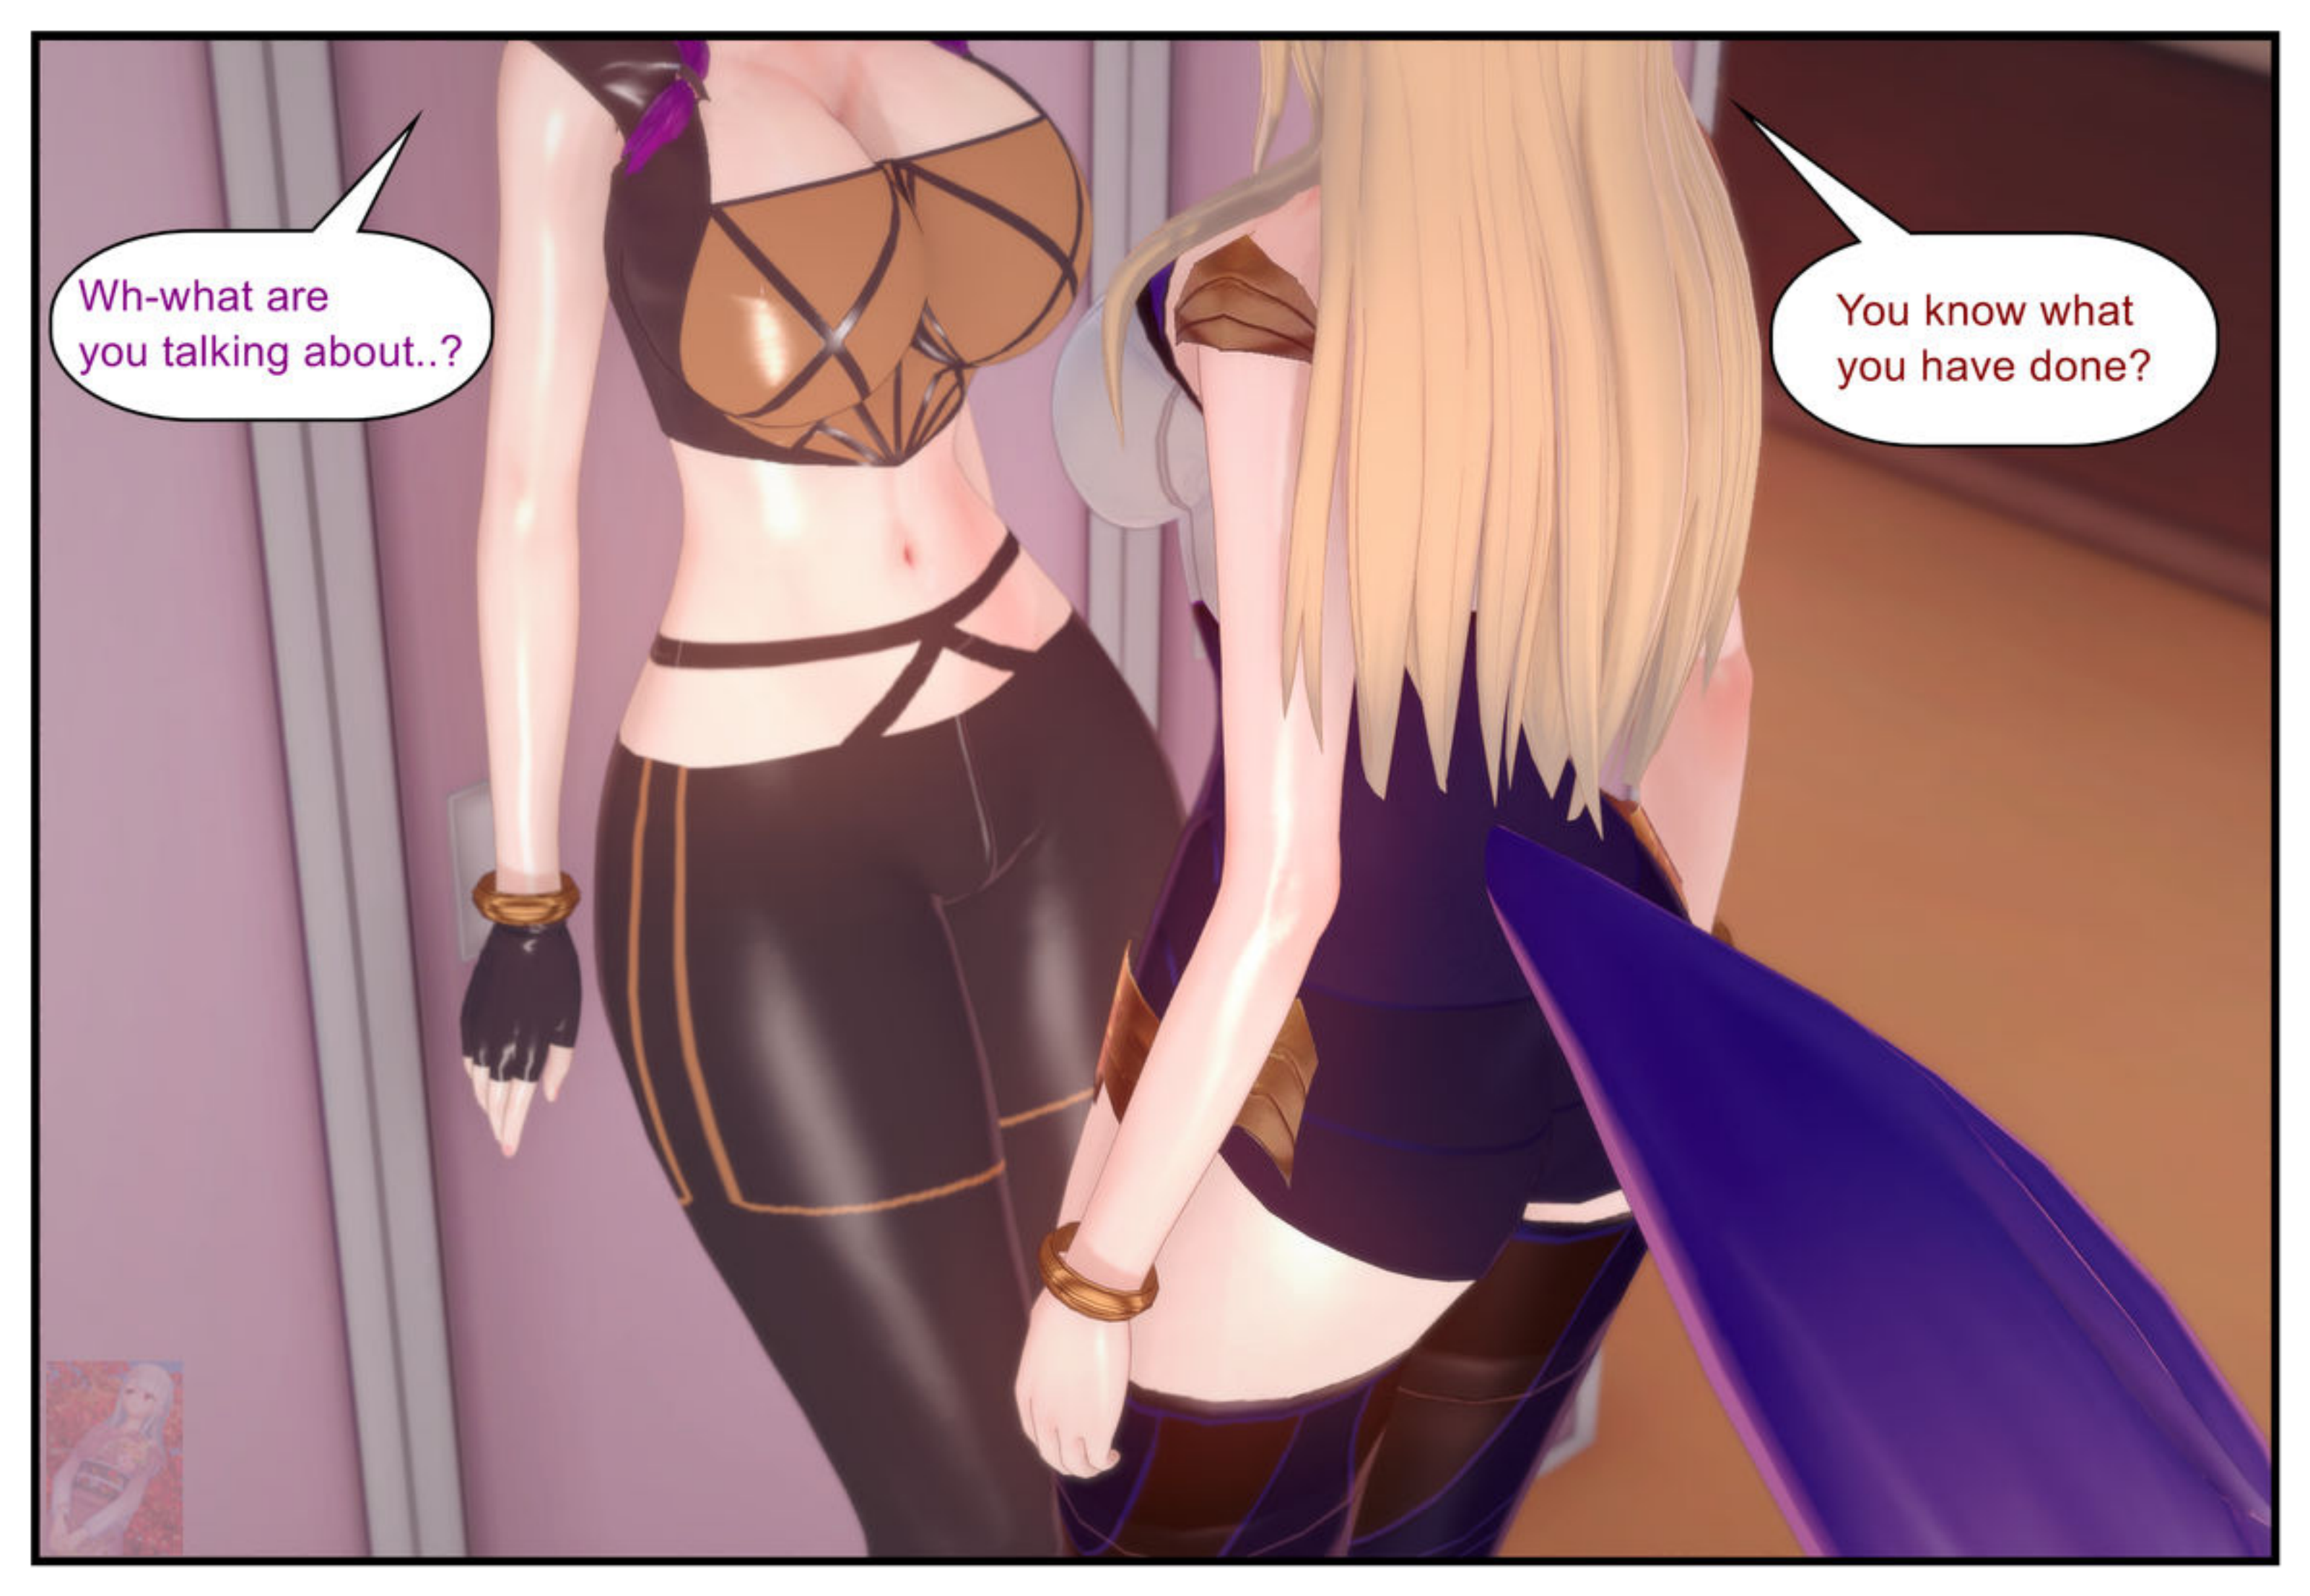

Before that, I have business with someone.

Kai'sa will stay here with me a bit. You two go on practicing.

Wh-what are you talking about..?

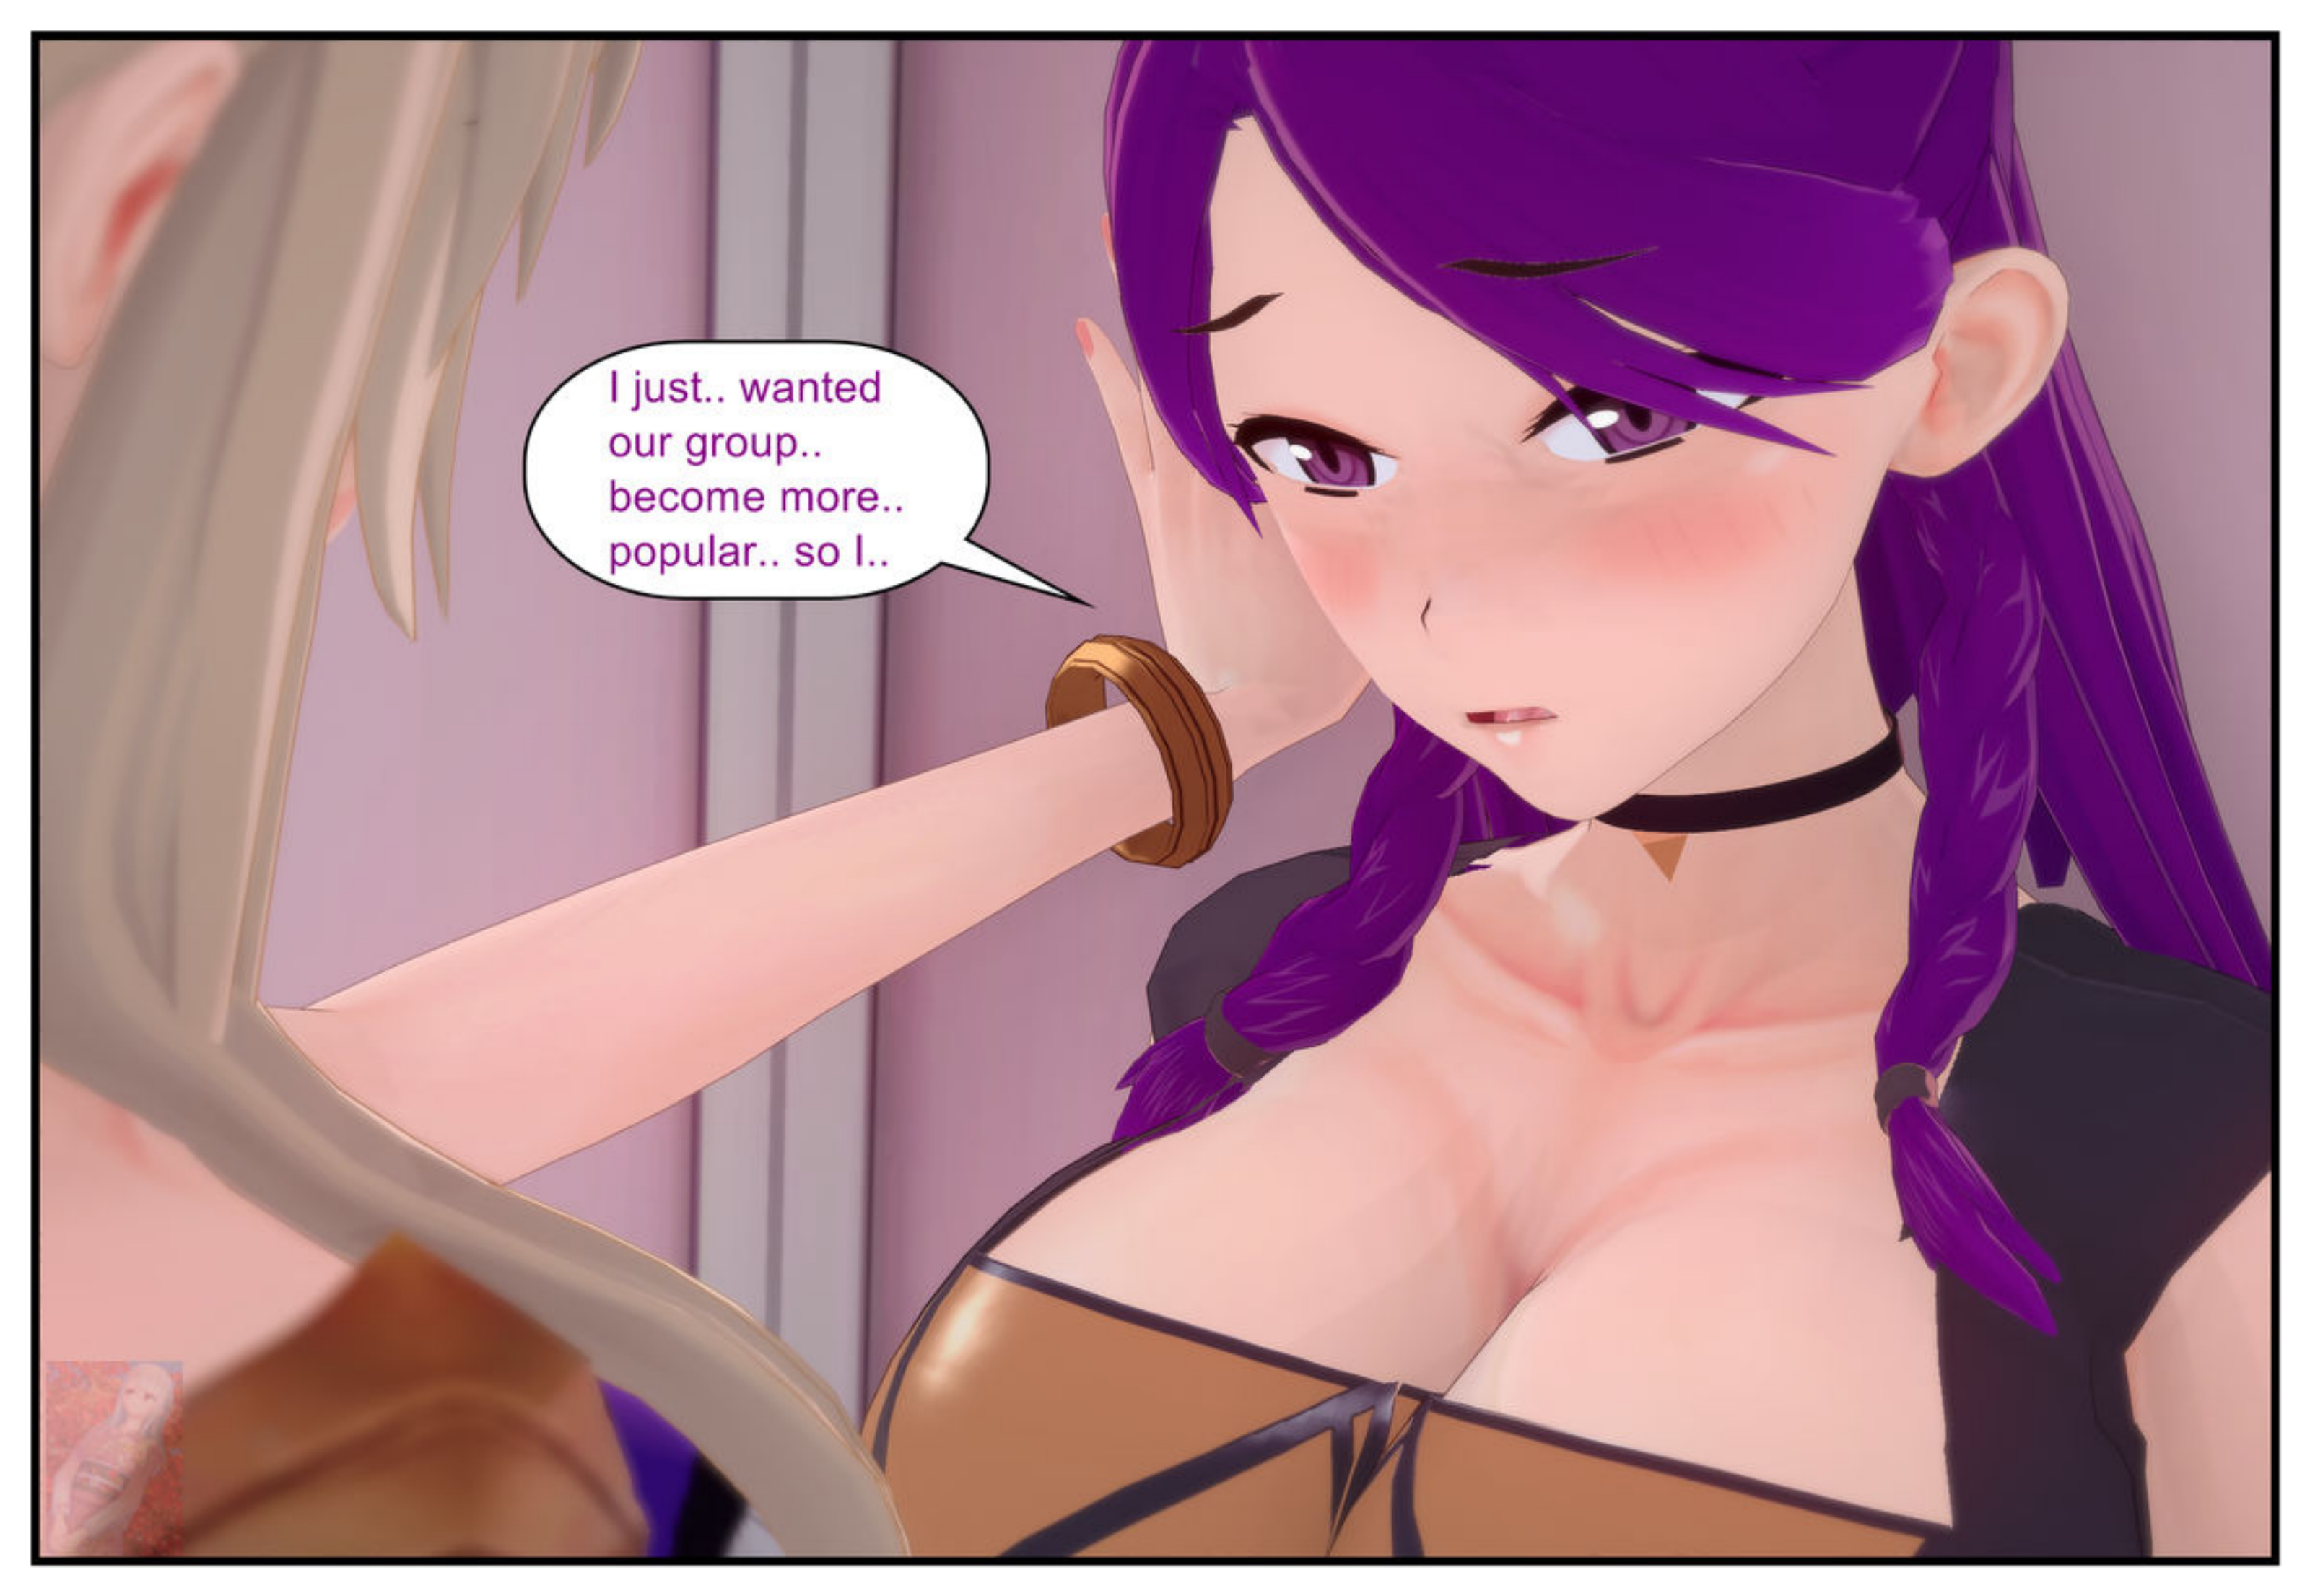

You know what you have done?

What did he..
offer you? Answer
me.. now!!

I just.. wanted
our group..
become more..
popular.. so I..

And yes, I offered her that deal. Your final performance will be very succeed!

Vi..ego!!!!

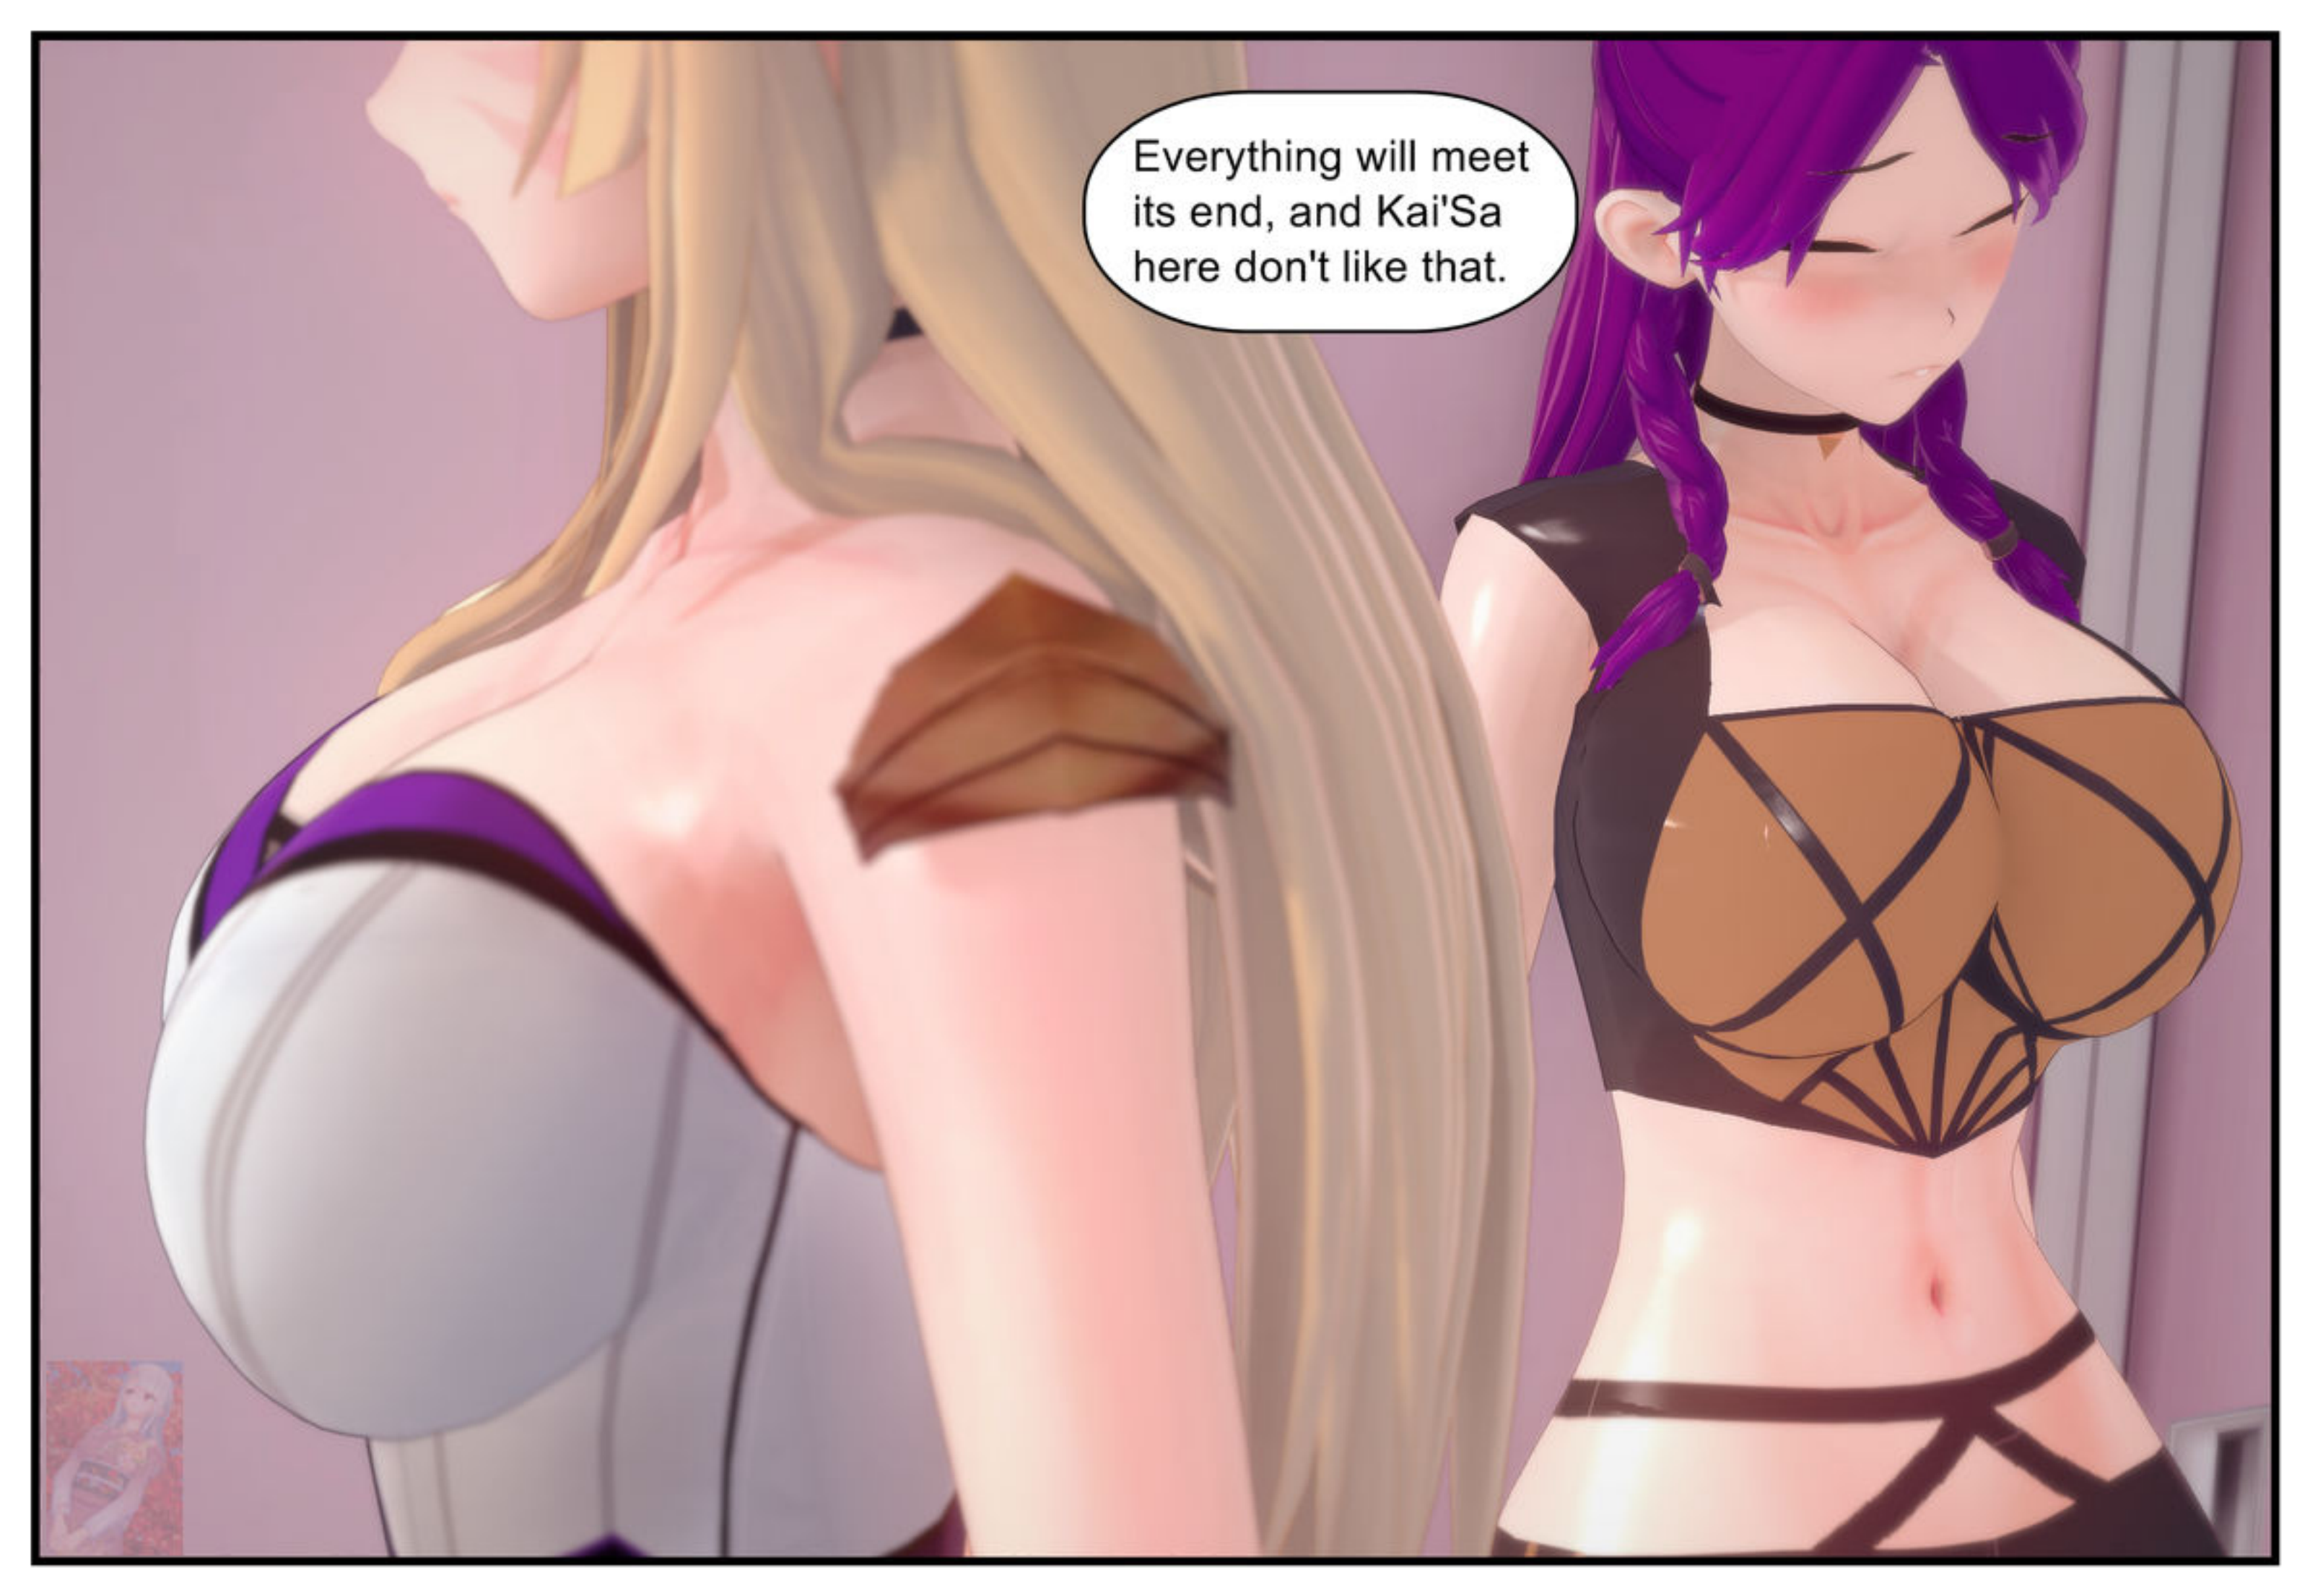

My Ahri. Long time no see. You become an idol?

K/DA is very popular, but that just all in the past.

Everything will meet its end, and Kai'Sa here don't like that.

Anyway, she so
fool when accepted
my offer.

Ack..!?

You are too
slow, Ahri.

Let's see how
long you can hold!

Release her
or I will..

Ahahaha!! Do you think I come all the way here to do what you said!?

I bet.. you don't want to hurt Kai'Sa, do you?

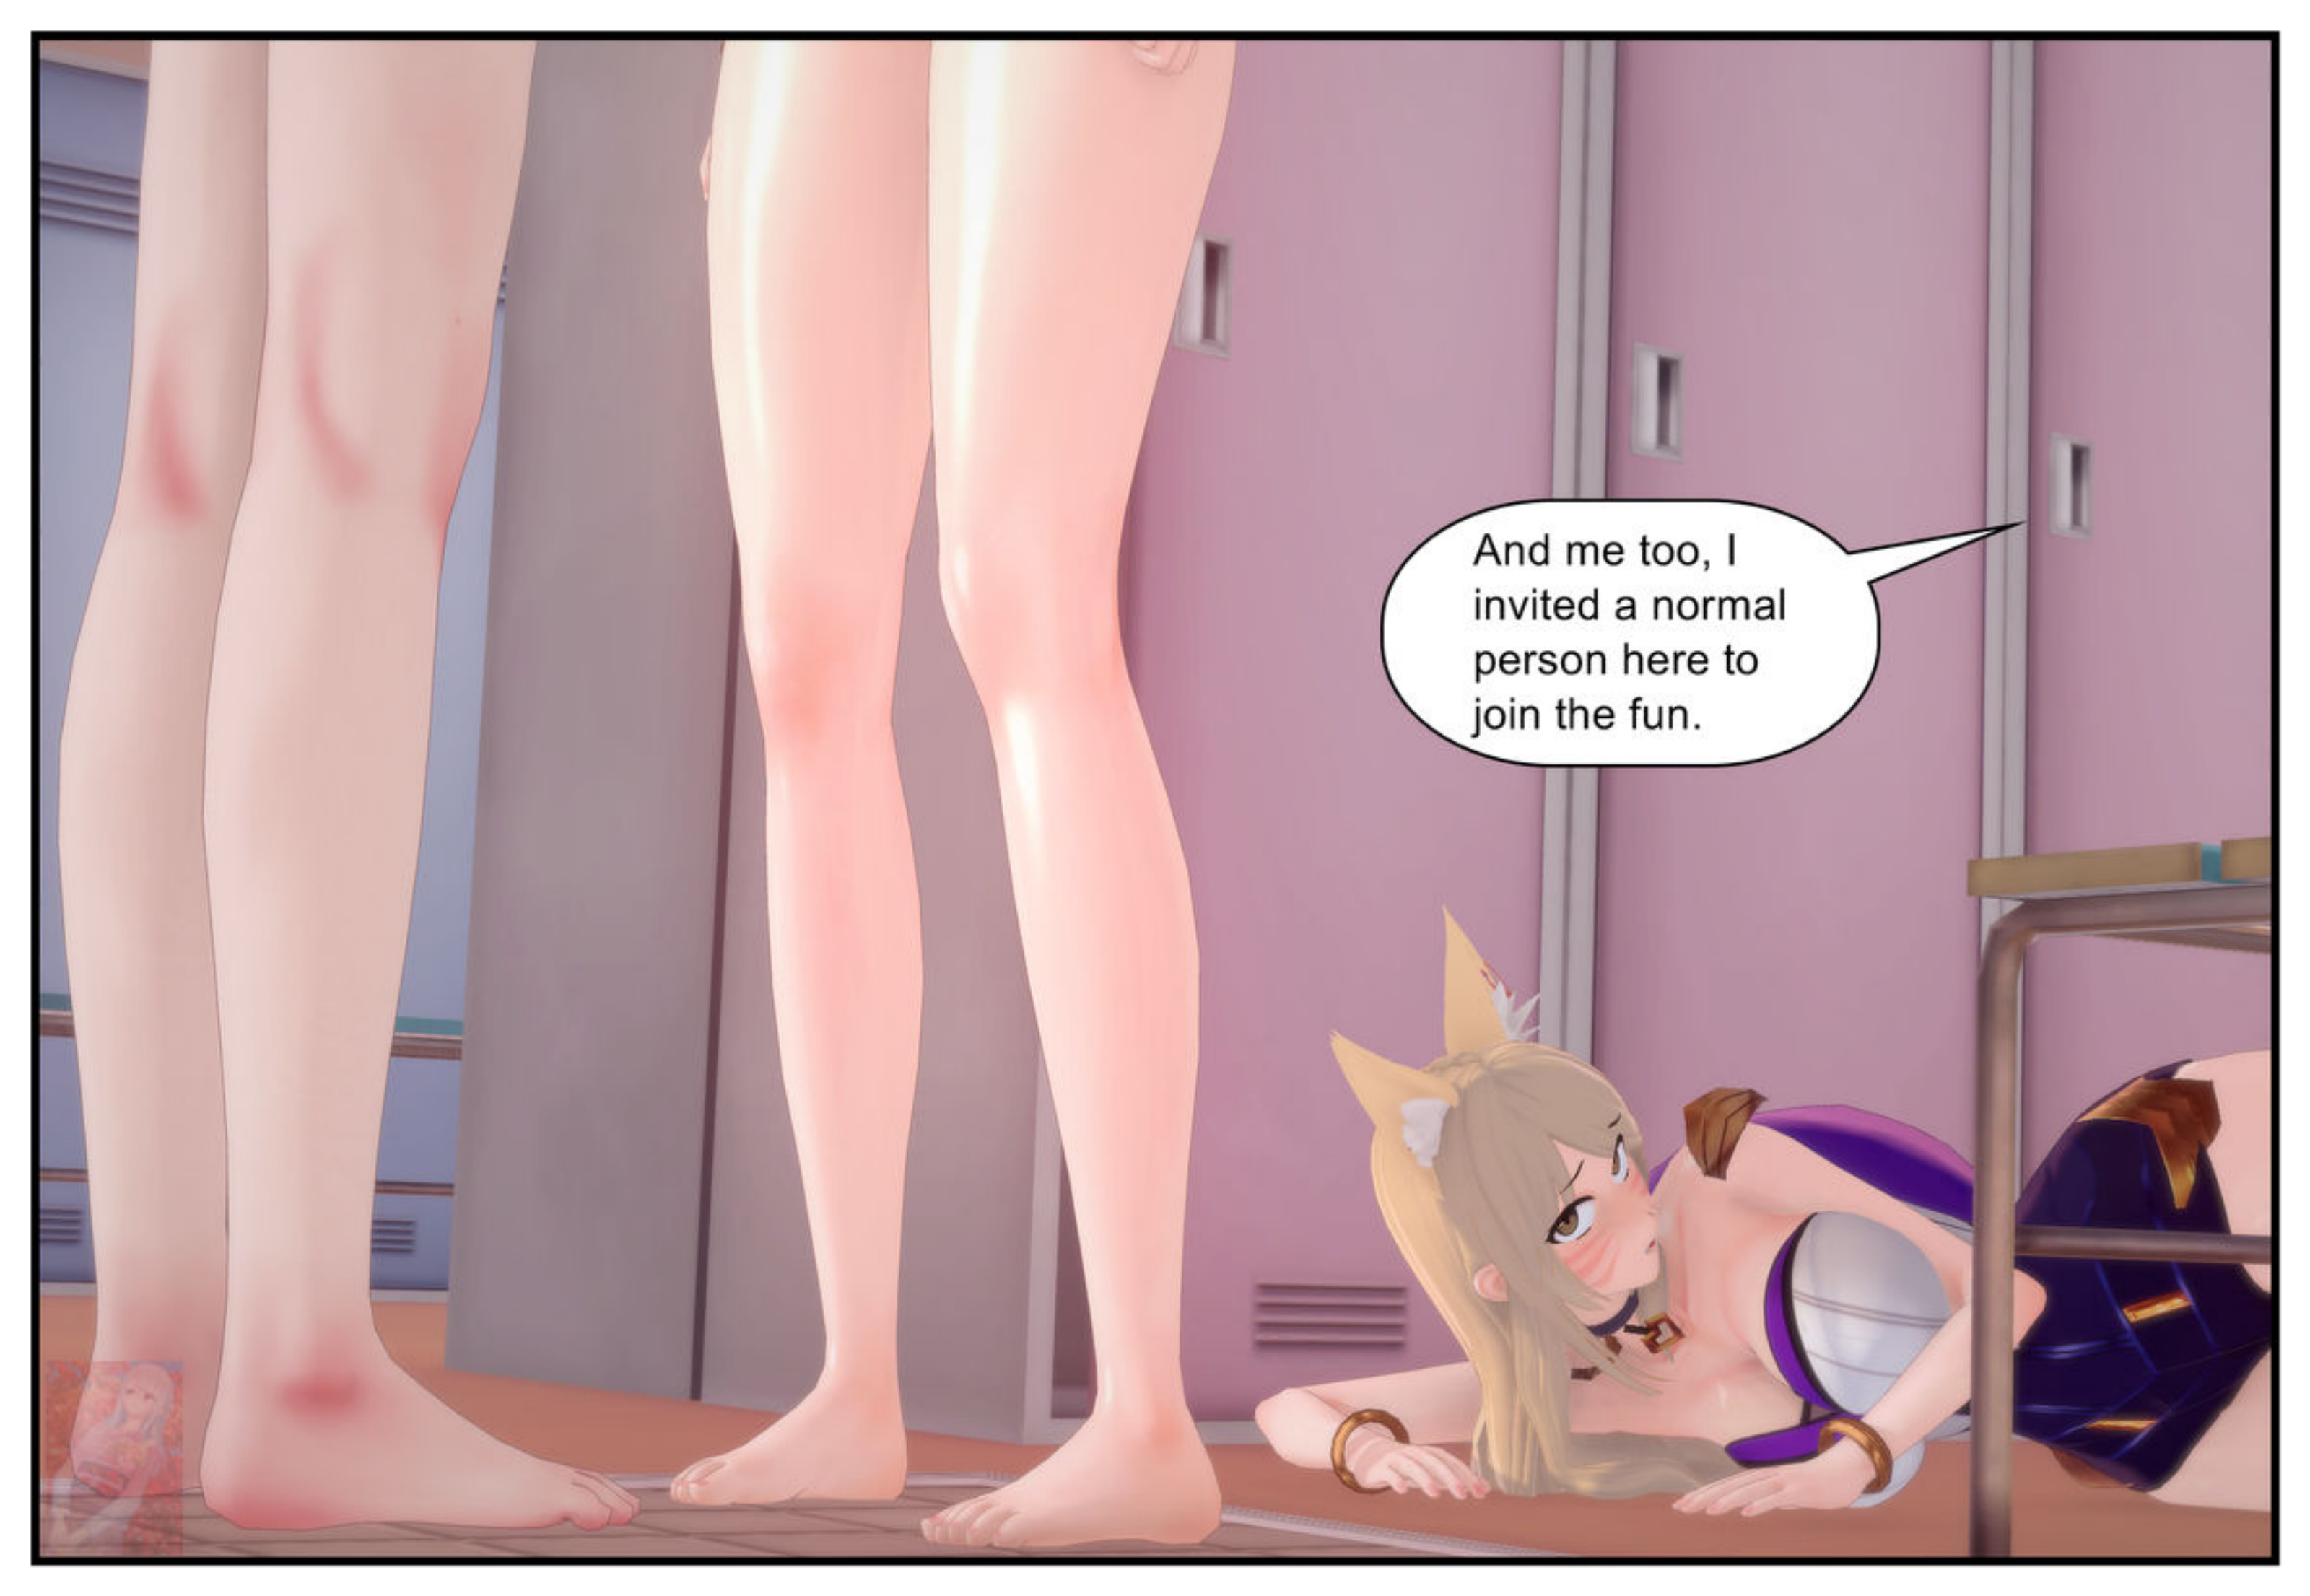

Don't worry, I'm
here not to star
a war.

It's because
Gwen want to
meet your group.

And me too, I invited a normal person here to join the fun.

And Kai'Sa will demonstrate
it for you, Ahri. Watch and learn.

Stop it.. Viego..

Open your eyes
and look, Ahri.

Viegooo!!! I will kill you!!!

Hyyyyyaaaaaaaa!!!

What's the matter?
Can't hit me with
that spirit orb?

Are you.. really going to kill me and Gwen?

Y-You..

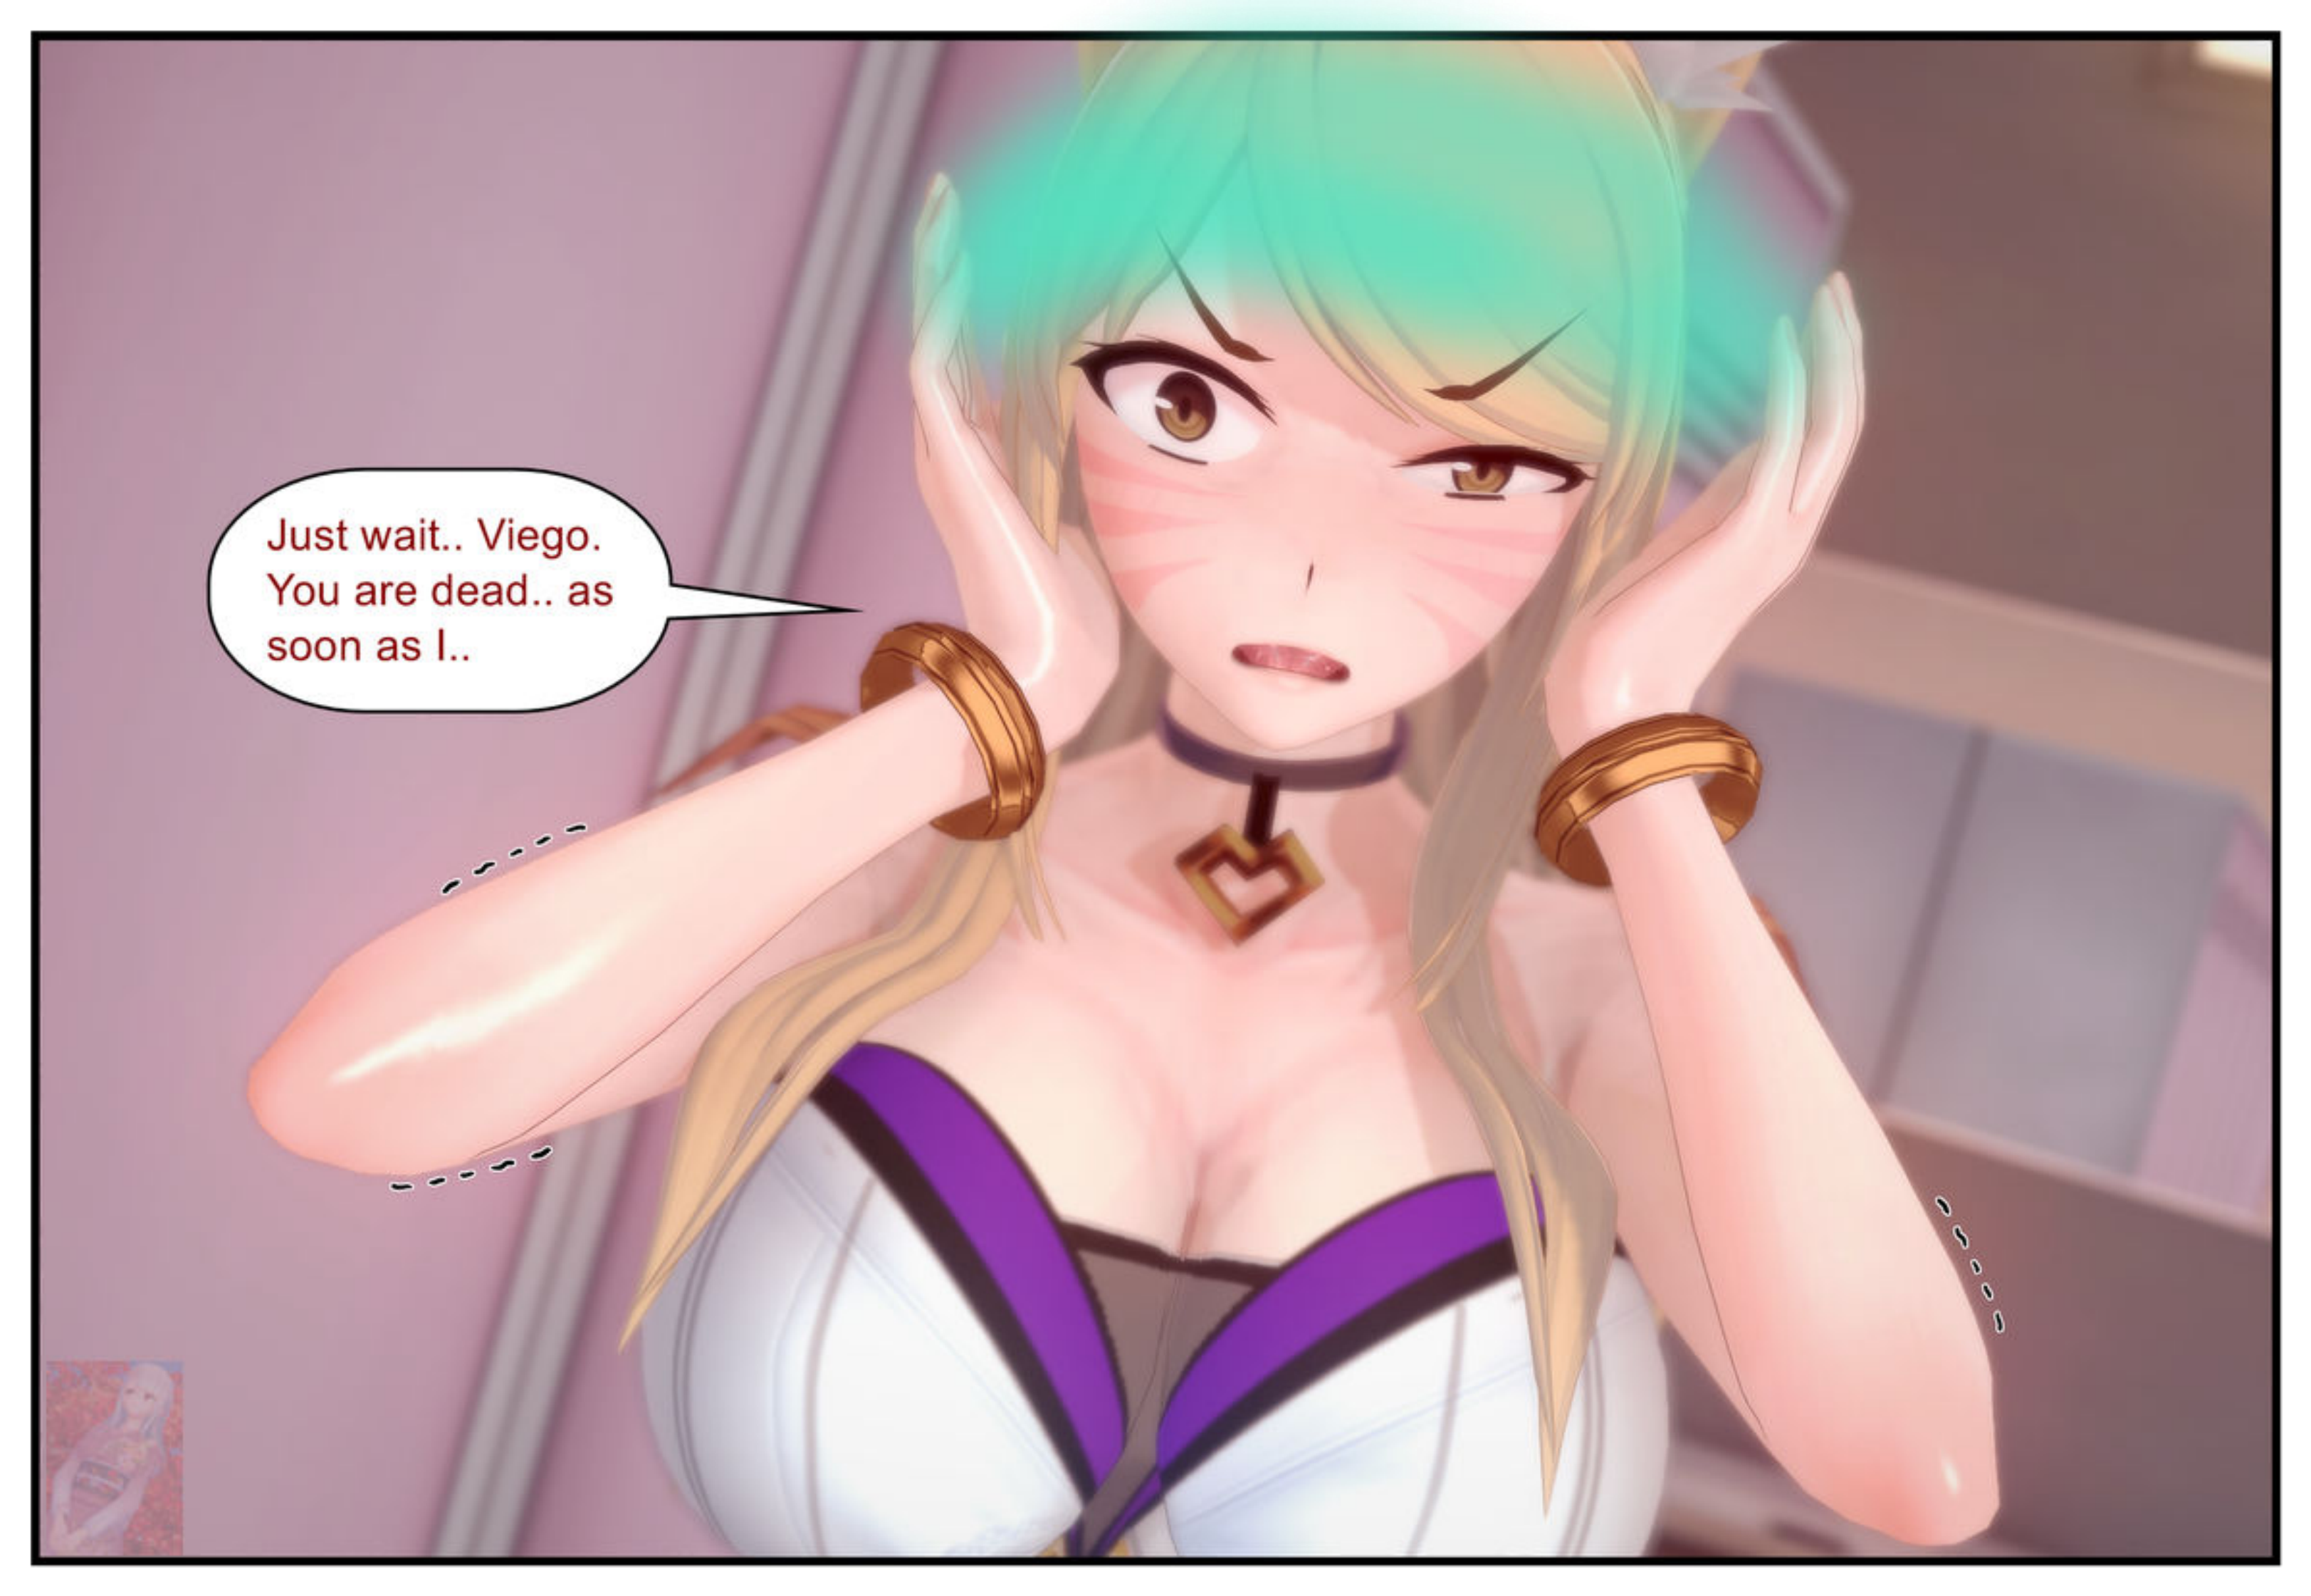

Hm.. Enough playing. Now, bend before me.

I won't.. let you.. take control of.. my mind!

Just wait.. Viego.
You are dead.. as
soon as I..

Now then, let's
change to a new body.

I'm really enjoy this thank to you Gwen.

We should wait for Akali and Evelynn to come back.

And gather enough of K/DA members.

You awake, Gwen?
Is this what you
wanted?

You.. ruined everything..
This is not.. how I
wanted to meet them.

This.. is just
the beginning.

As I will take
over the K/Da
group from now on!

You will help me
with that, Gwen.

A new era
of K/DA!

END?
