

BROTHER SISTER
- EXTRA : OUTDOOR -

Where are we going?

You will know when we get there.

Why can't we stay here?

A woman with long black hair, wearing a red zip-up jacket with white stripes on the sleeves and a grey skirt, is speaking to a man. The man is seen from the back, wearing a blue tank top. A speech bubble is positioned between them, containing the text:

*It's boring here
We need to go outside*

But people might see us...

Jeez, you talk too much!
You want to do it or not?

Don't worry about the people
I'll find a quiet place for us

Come on, Let's go!

Now, tell me what do you want to do?

I don't know..

How about you fuck my armpit
I want to know what it's like!

Good idea!
I want to try it too...

Come!

Ahhh

Bro, you just came on her bra..
You will have to clean this up
you know that right?

How does it feel by the way?

A little weird but it feels good.

Now, it's your turn to make me cum

Come clean my pussy!

THE END.
