
A woman with long brown hair, wearing a white lab coat and a white cap, stands in a large industrial facility. She is looking towards the right. In front of her are several large, grey, cylindrical containers with red horizontal bands. Each container has a control panel with a green light and a red button. The background shows a high ceiling with a grid of beams and large windows.

I will never understand why our company would produce this goop! If this stuff ever got out in the world... Well, it looks like all the containers are Secure!

What was that....I  
thought I heard a noise!  
Oh crap...is that biohazard  
container...Open! Oh no,  
this is so bad!

!CREAK!

A woman with long brown hair, wearing a white short-sleeved uniform with a white cap, stands in a dark industrial setting. She is looking at a large, grey, cylindrical machine with a red stripe. The machine's lid is open, and she has her hand on it. A speech bubble above her head contains text. To the right of the machine, the word '!GURGLE!' is written in a white, stylized font. The machine has two control panels with red and green buttons and lights.

The dang button is broken...come on...give me a break! The lid is slowly opening...is it hydraulic? I can't stop it!

!GURGLE!

I am not going to lose my job because the warehouse can't close the containers... I will close Pandoras box myself!

A woman with long dark hair, wearing a white lab coat, is looking into a large, blue, cylindrical container with a red stripe. She is holding the lid of the container, which is open. The background is a blurred industrial or laboratory setting.

Huh, a giant tub of pink goop...it smells good to...maybe the corporation isn't so evil after all. Hmm, that's a big bubble.....

AHHH, what the fuck!  
EWW, it s all over me!  
Someone please help, over  
in the warehouse. Its getting  
in my Mou.....

!SPLASH!

Hello! Did I hear

Hello...Anybody?

MMMMMMMMMMMMMM

Hey Bob, is anyone  
working back in ware-  
house 69?

A nurse went back to  
check on a few things.  
To secure some tubs  
of goop!

Like the Goop that they warned us about or goop like our ordinary warehouse goop...grease and shit!

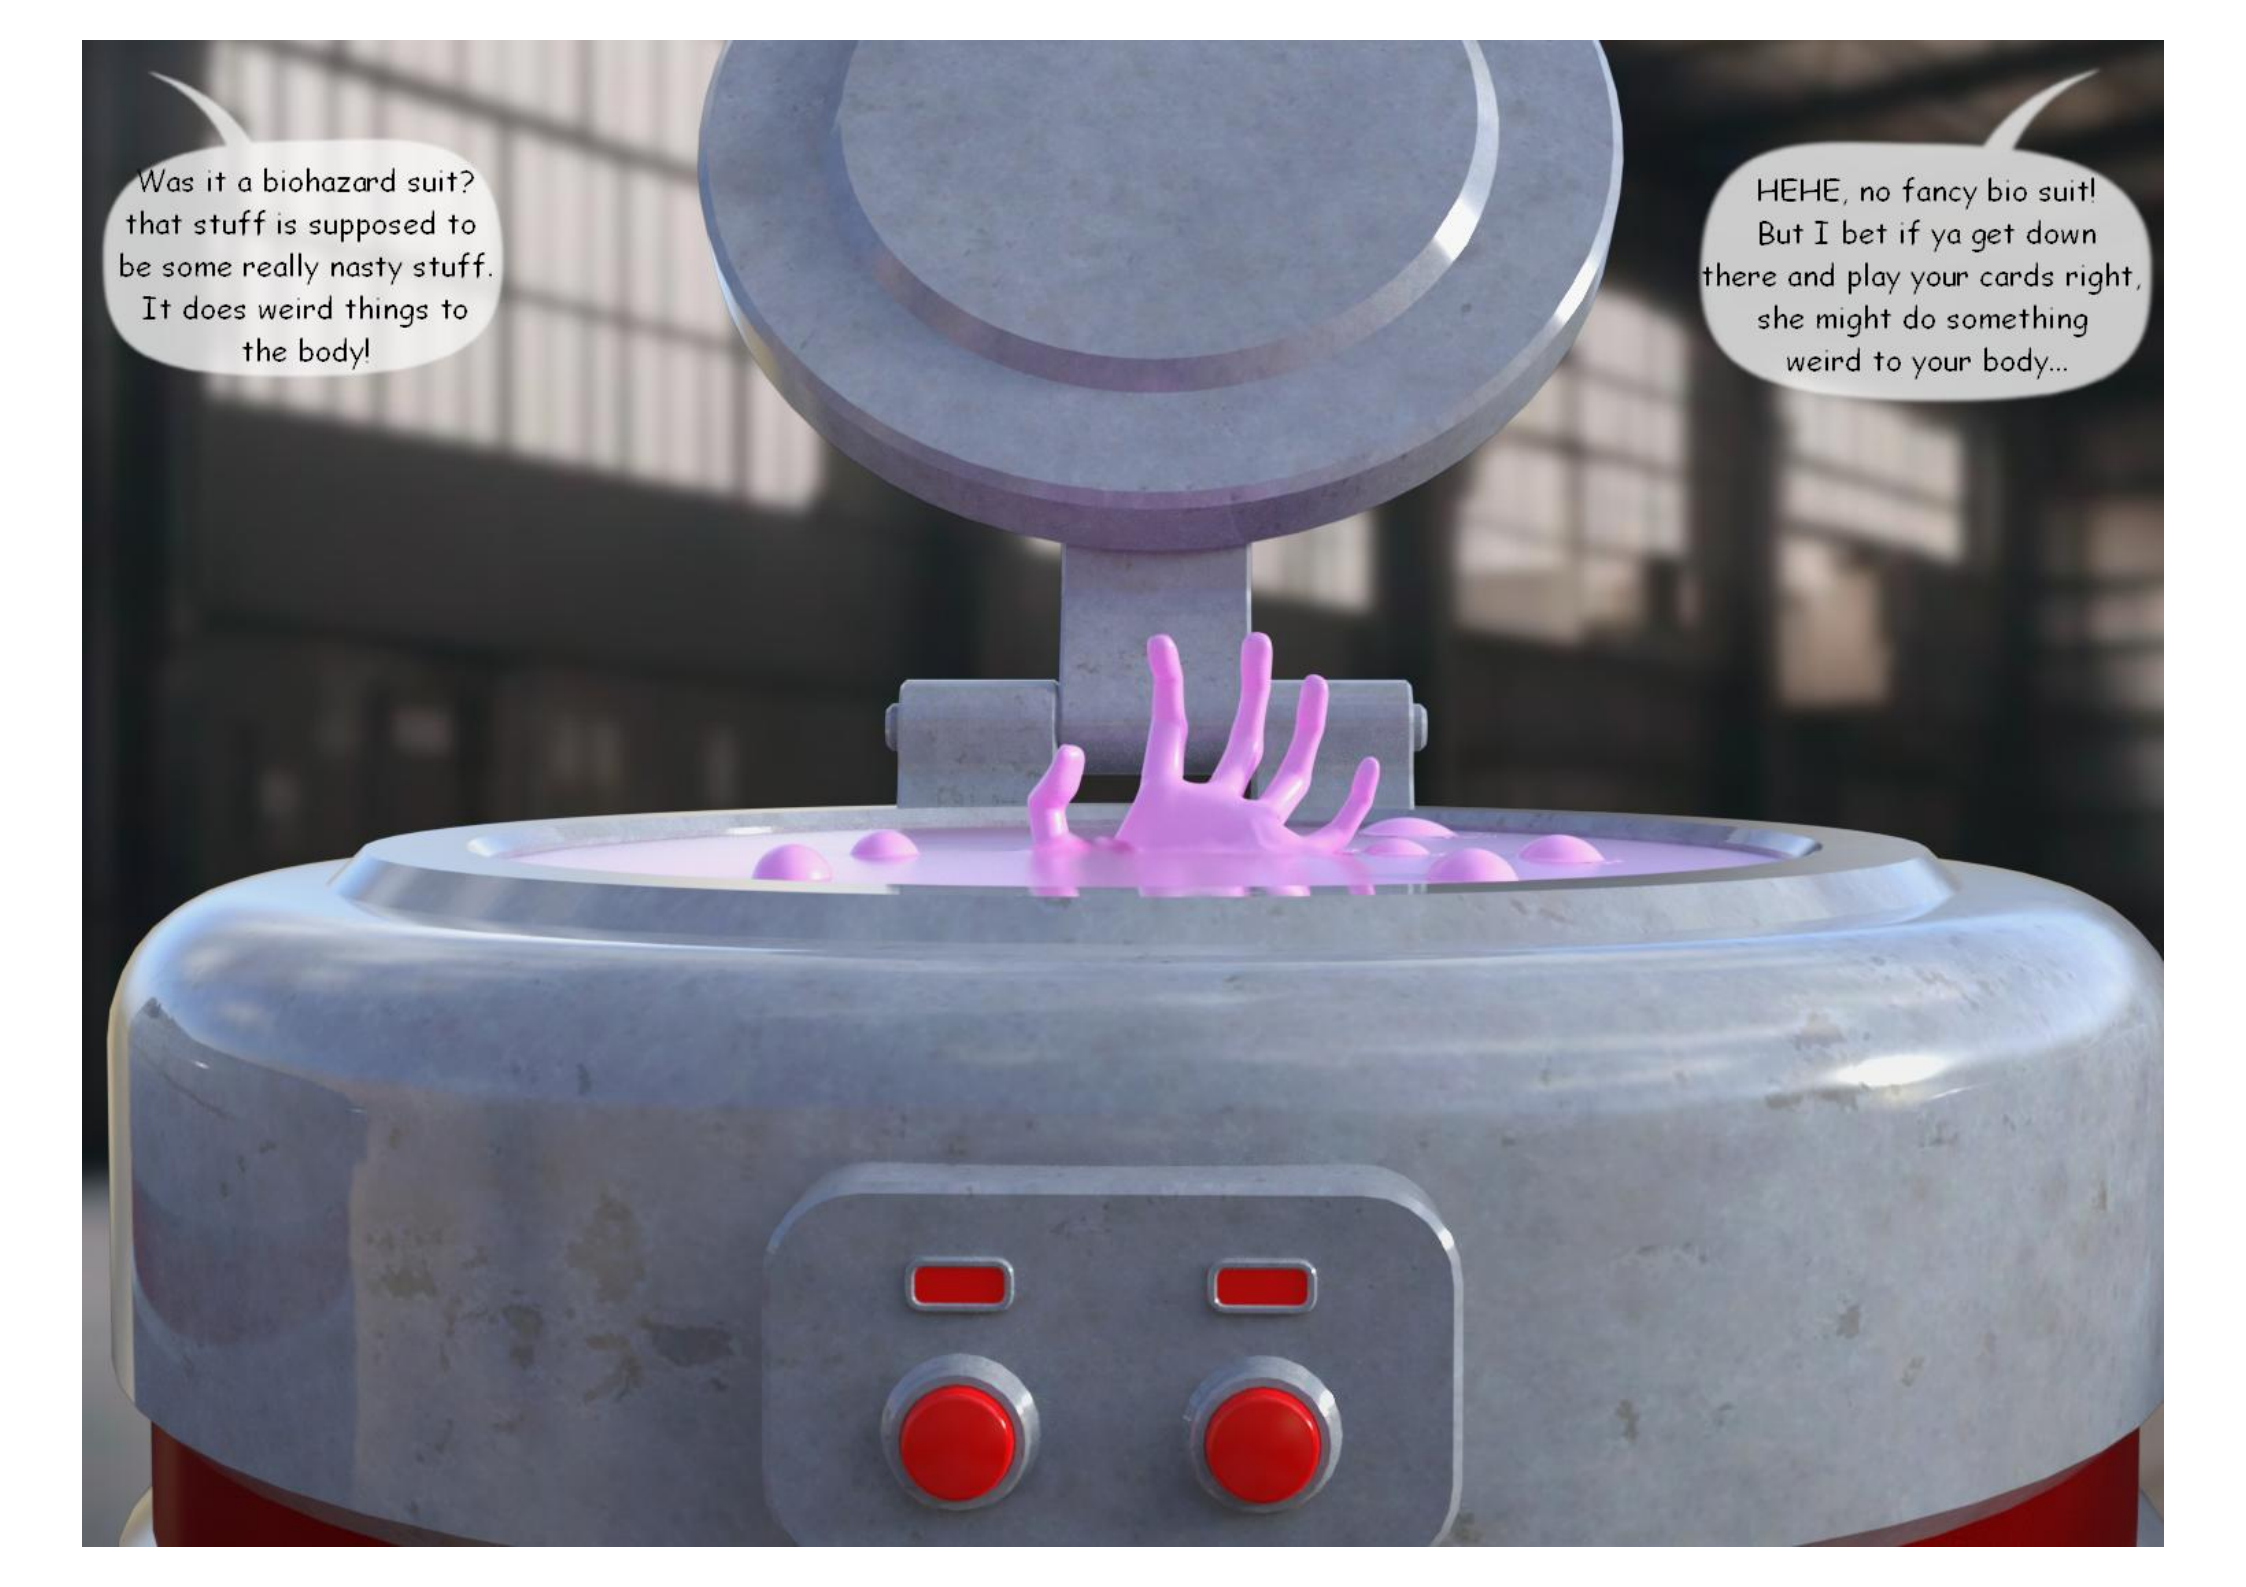

Like the stuff the boss told us to be careful with...I dunno, the stuff the smart guys make in the lab.

GLUG  
GLUG  
GLUG

That crap gives me  
the Heebie Jeebies.  
I don't know what it is  
but I can tell you that  
it is no good!

Well, the pretty little  
nurse went back there  
about five minutes ago...Ya  
shoulda seen her little  
outfit!

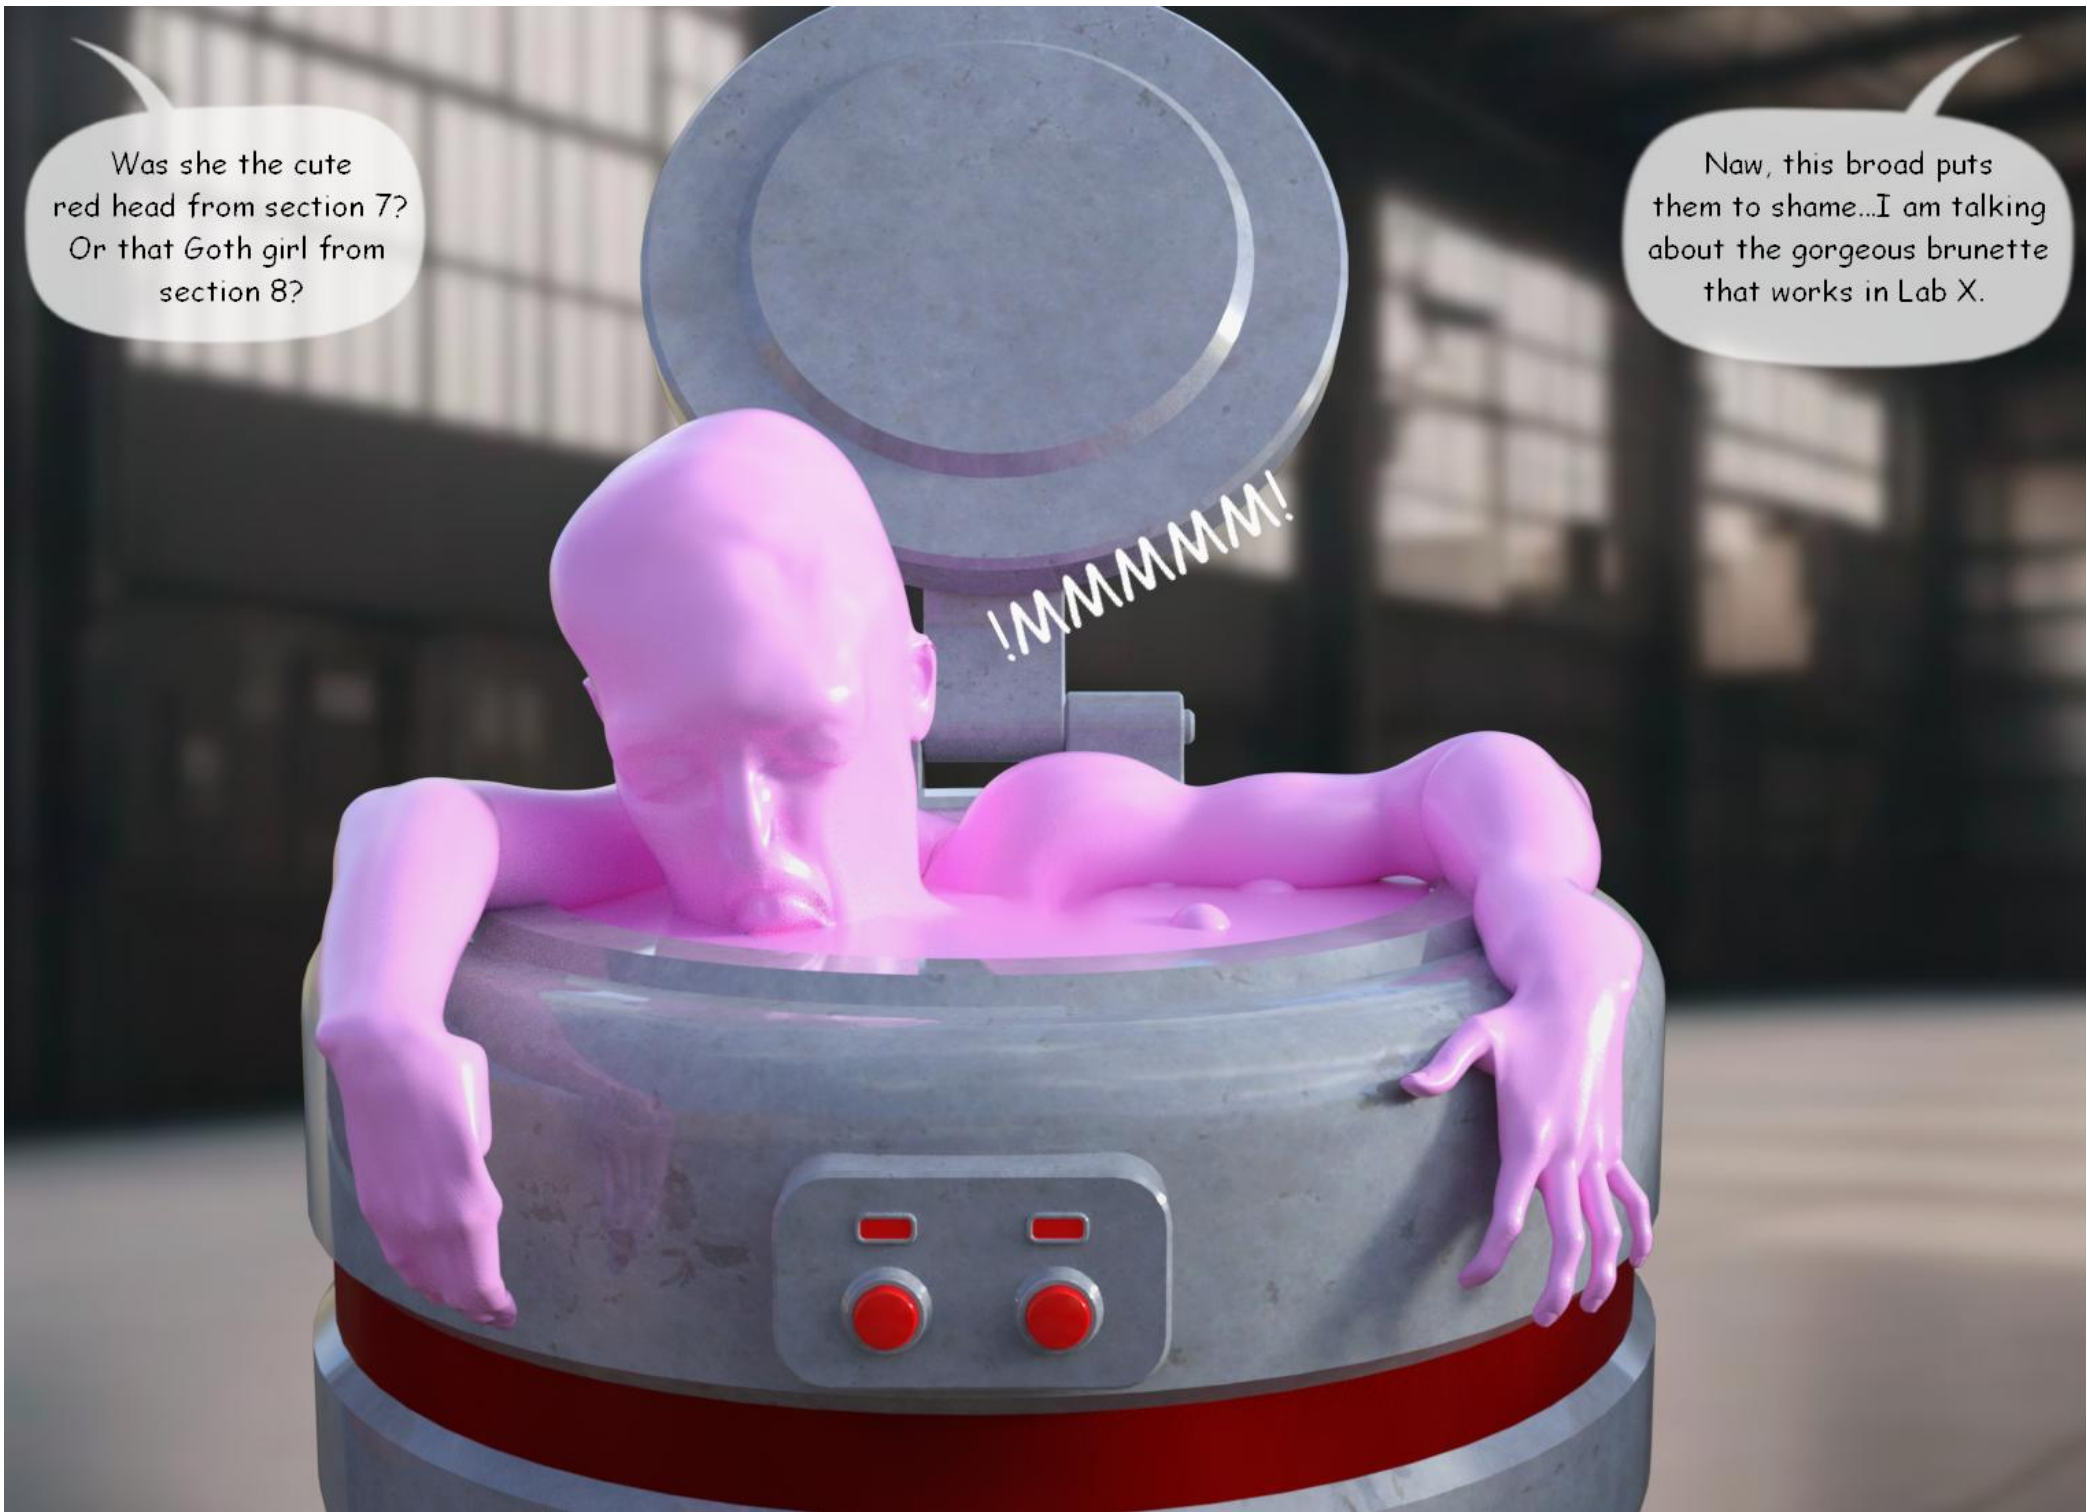

Was it a biohazard suit?  
that stuff is supposed to  
be some really nasty stuff.  
It does weird things to  
the body!

HEHE, no fancy bio suit!  
But I bet if ya get down  
there and play your cards right,  
she might do something  
weird to your body...

Was she the cute  
red head from section 7?  
Or that Goth girl from  
section 8?

Naw, this broad puts  
them to shame...I am talking  
about the gorgeous brunette  
that works in Lab X.

!MMMMMM!

SHHH, did you hear that.  
It sounds like she is down  
there...You think I have a  
shot with her?

UNNNGHI!  
Mmm, oh my god! It's  
liquid ecstasy...my body  
is quivering with pleasure!  
Oh god yes!

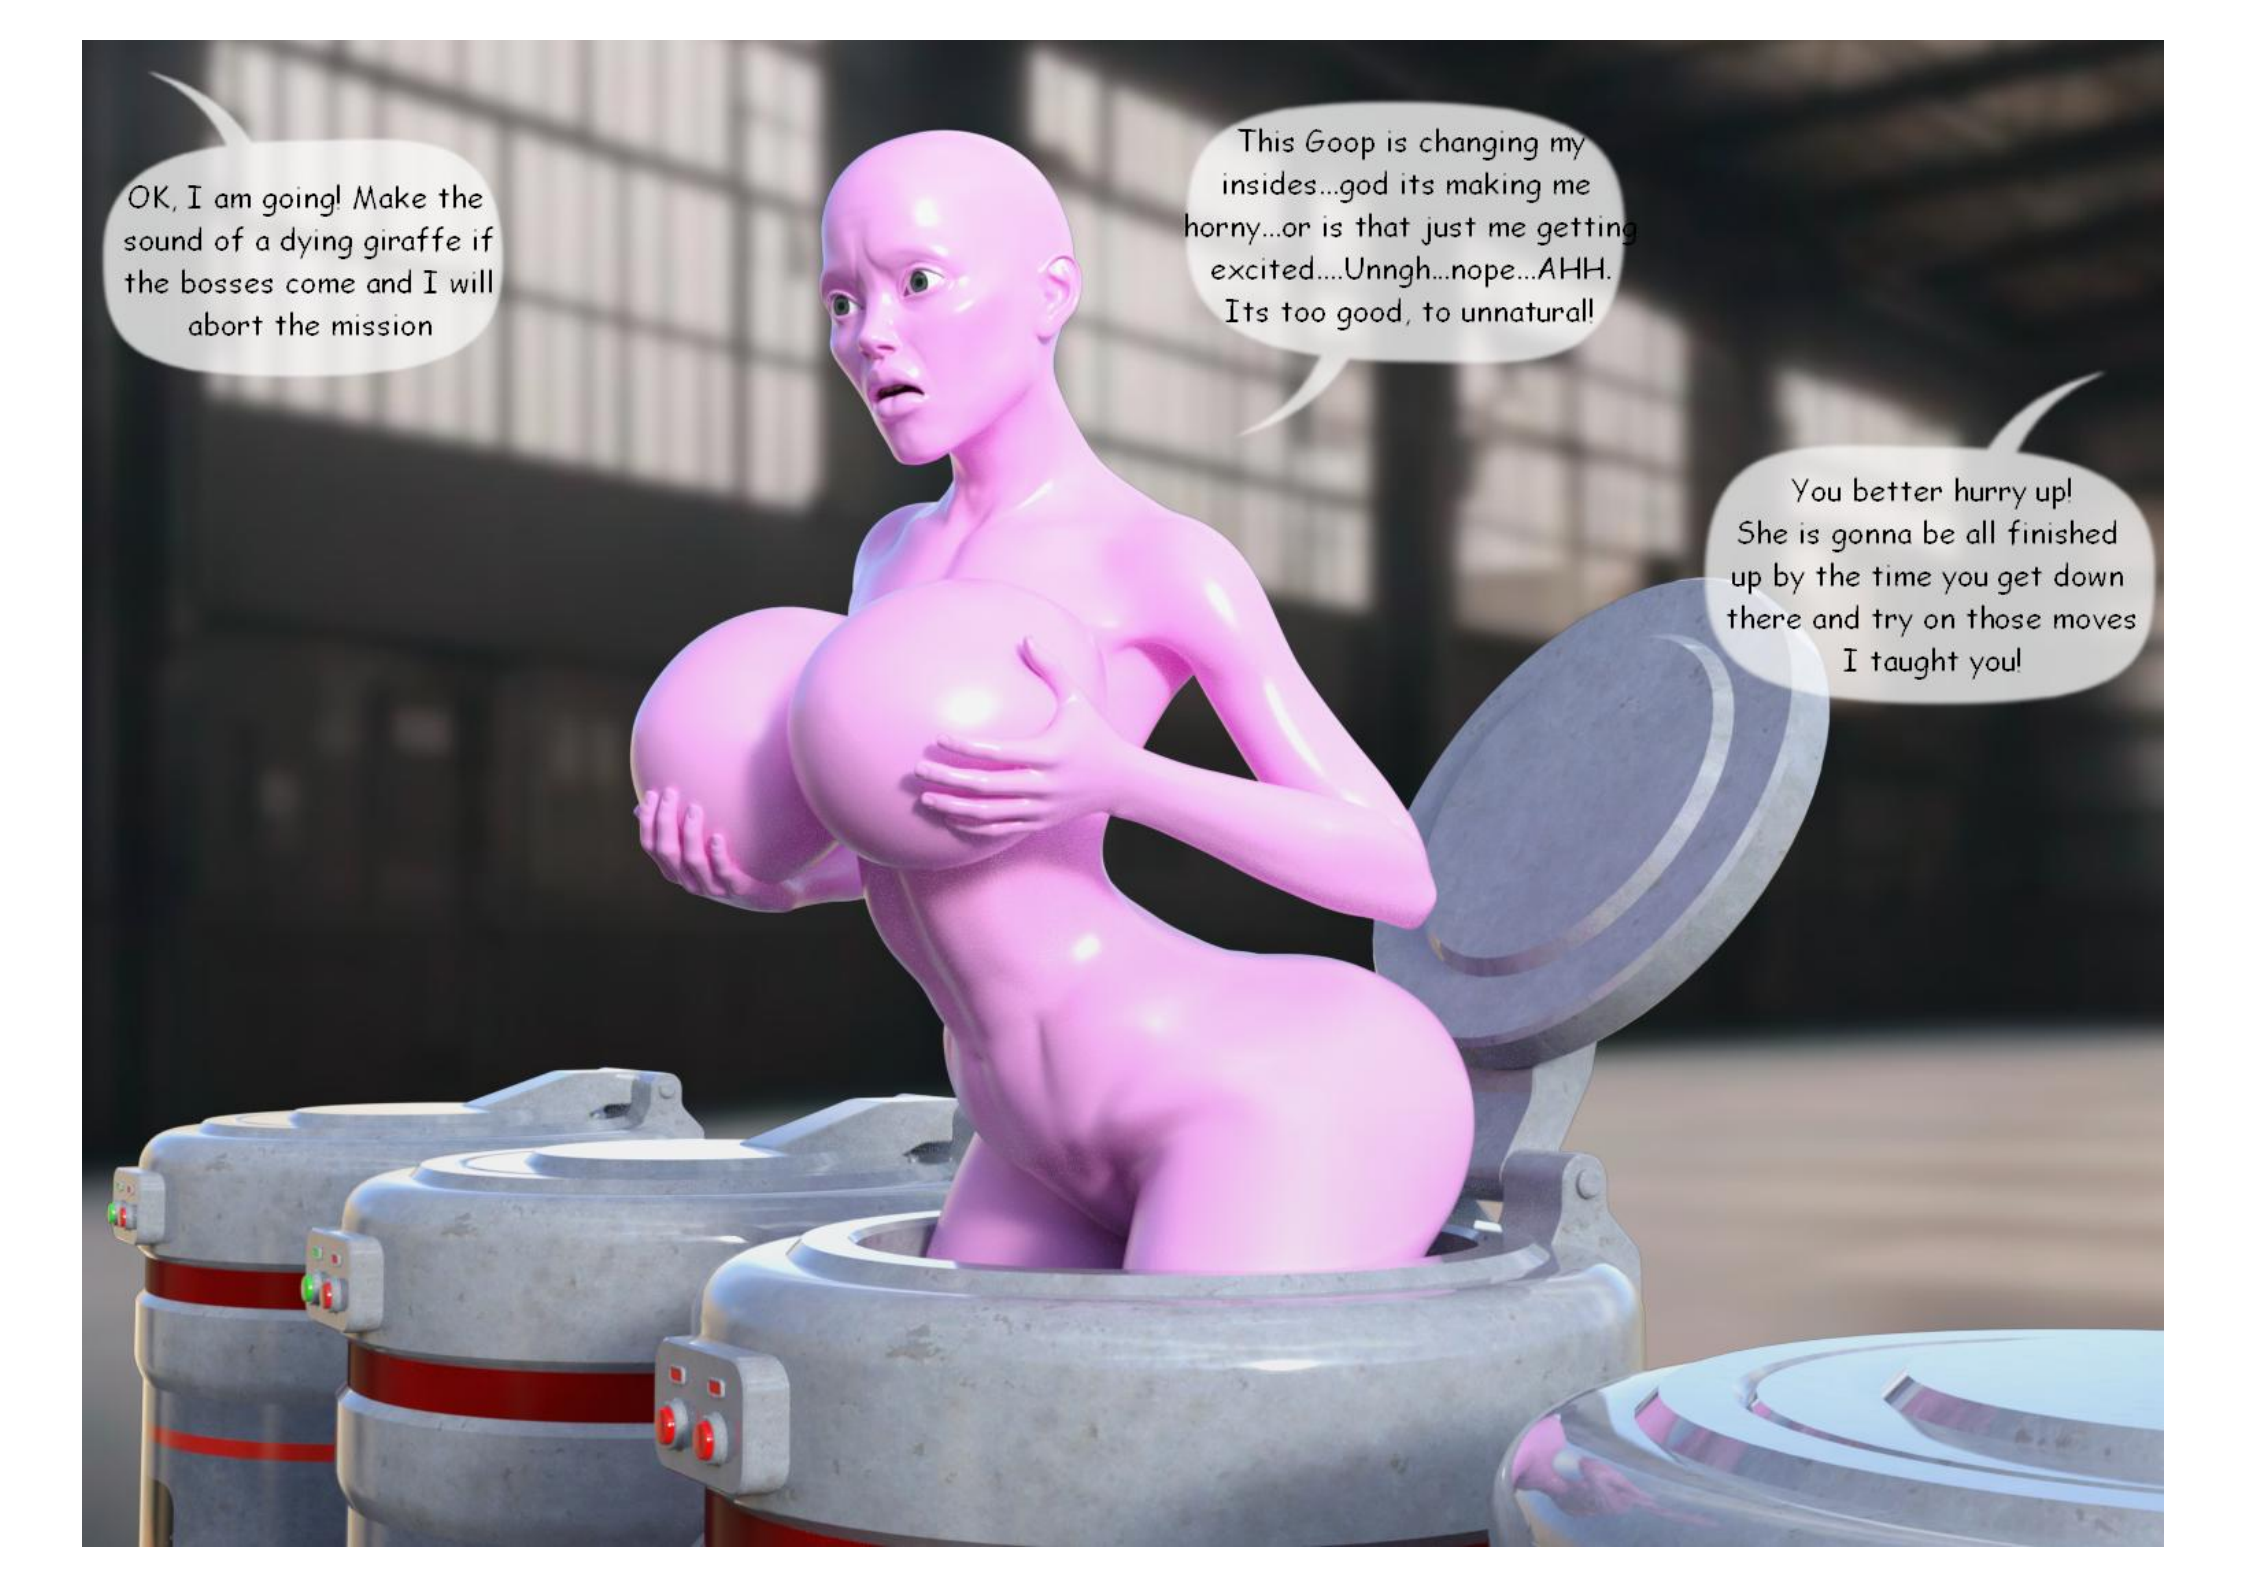

I dunno what I just  
heard down there but I think  
she is having her own sort of  
fun. What...you don't hear  
some moaning!

Ok, so I go down there and introduce myself...but I need you to hold down the fort...I was told to stay put!

Oh my god, look at how giant my titties are...and my uniform...dissolved? Is this paint? It feels...is this goop my skin? It feels good!

Yeah, I'll watch for the bosses and give yall a warning if the higher up show up for an inspection.

A pink, glossy humanoid figure with exaggerated features, specifically very large breasts and buttocks, is sitting inside a grey trash can. The trash can is part of a row of similar bins in an industrial or outdoor setting. The figure has a surprised or distressed expression. Three speech bubbles are present: one on the left, one above the figure's head, and one on the right.

OK, I am going! Make the sound of a dying giraffe if the bosses come and I will abort the mission

This Goop is changing my insides...god its making me horny...or is that just me getting excited....Unngh...nope...AHH. Its too good, to unnatural!

You better hurry up!  
She is gonna be all finished up by the time you get down there and try on those moves I taught you!

Hello Nurse...NURSE!

Don't panic...its  
open and its empty! Just  
no matter what, don't get  
any of the goop on you!  
Thats what they told us!

Oh my god! Nurse what happened! You're....covered... in goop...Uh, stay back! Don't touch me...Oh geez, look at those spectacular breasts...I wanna squeeze them so bad....but no, we have to quarantine!

Mmm, Quarantine! Like, just you and me STUCK TOGETHER...Yes, I can't wait to get you all alone and make you into my little plaything!

You are so hot! BBBUT

of the containers...its dangerous.  
Dangerously....sexy. Whoa, not so  
close. Crap...You look really horny,  
now don't do anything weird...  
OK?

OH, Innocent little me...  
You're worried that I will jump  
on you and fuck you just like that?  
Like some kind of animal in heat,  
driven solely by instinct.....  
YEP....thats right!

PSSSS!

BEEP!

A man with light brown hair, wearing a white button-down shirt and black pants, stands with a look of confusion. He has his hand raised in a questioning gesture. To his right, a pink-skinned alien woman with long, wavy hair and extremely large, prominent breasts is smiling broadly. She has her hands near her face. In the background, there is a large, grey, circular metallic structure. A pink, teardrop-shaped object is visible on the left side of the frame. The scene is set in what appears to be a laboratory or industrial environment.

What the fuck is that?  
How did this thing get open?  
I am surrounded, please. Lets just  
remain calm and not do anything  
brash! The whole scenario is almost  
to sexy for me to handle and  
still be responsible.

Well, I opened it behind your  
back...shy, becasue I want you to  
stop being so responsible and  
start fucking my brains out!

GLORP?

Oh yeah, Give me that rock hard dick...I knew you were glad to see me. You are going to love what this stuff does to your libido!

zip!

Oh Yeah, give in to the goop and join me in taking over this boring world...after we consummate our lust of course. Us, goop girls have to stick together!

AHHHHH!

WOW, its working so fast on you! your breasts are coming along nicely...and your cock...is getting bigger, harder and throbbing! Its so HAWT!

Welcome to the fold! As you wish loverboy! Lets wash away all that remains of you!

OK, so...Mmmm. This feels really good....I wanna loose control so bad...help me! Just help me become a goop girl just like you!

Don't stop...I want to spread the goop, need to breed! The pleasure is too much... I am getting dizzy... Forgetting who I am!

Oh yes, we are  
**CUMMING!!**

I am so excited!  
I just assimilated my  
first goop sister! and the  
orgasm was fantastic!

I can't stop cumming,  
more jizz than I even had!

and again and again!

We need more sisters!

containers to release....
