The mischievous Bimbo Genie

Hello everyone. This is me...Cole. I am sure that you do not know me...nobody does, because I am the local egg head...or in short nerd, here on the campus. There are a few like me, but I am the top egg head. My life was...as most nerds can tell you...mostly normal until this day.

Oh, by the way: This is me... a regular day here on campus it is really quite boring for me so i often spend the time solving riddles or doing other intelligence testing activities...

But there are always things I do not see coming...and if I did I would be far to weak to block it...

Is my homework done, Egghead?

Ughhhh!

The mischievous Bimbo Genie

That is how very intelligent, but socially isolated computer fans, or should i say: Nerds...Some one like me got treated every day...

I'm sure you don't want me to fall through the school year, right?

Tom... *sigh*

So as usual. Put my homework into my mailbox. And if I'm not at home, don't ring the bell...

teehee... oh yea like totally... we will have sooo much fun.

Cassy here and I want to have some privacy.

Tom-boy... name is Tina...not Cassy. *giggle*

Tina, eh? Who cares... Cassy was a good fuck like you.

...and of course those guys always got the hottest babes...and what do I get?

The mischievous Bimbo Genie

...but all this will change very soon...but right now I did not realize how my future will be changed in this moment...

The mischievous Bimbo Genie

But even nerds don't hesitate long when they see something that arouses their interest.

It is a bit rusty and dusty...but nothing I can't fix.

I didn't see any „Made in China“ stamps... I wonder how old this lamp may be?

And then, when an inexplicable phenomenon suddenly occurs, they look for logical answers...

What the? A chemical reaction? That...can't be! I used an biodegradable cleaning agent.

Even if the cause is often different.

The mischievous Bimbo Genie

sigh
Another mortal?
Very well...I am the
Djinn of the Lamp ...

Fascinating.
A Djinn? You...I thought you
Guys only existed in fairy tales
from the Orient.

Um... no?
I'm standing here, so I'm
not a fairy tale. So... shall I
now fulfill your wishes by
singing and dancing
for you?

Sure, but first I want
to know your name, Djinn.

What?
Really? You disturb me from
watching the final episode of
„Swami's next Topmodel“ just
to know my name?

Yes, this is a
question of courtesy.

sigh
Very well...my name is...
um...was...I can't remember. I
had one once...but nobody
ever asked.

Okay, okay...
and how many wishes
do I have?

The mischievous Bimbo Genie

The mischievous Bimbo Genie

You have interesting taste in woman, Mortal. I have never seen women with such big breasts.

Well...thank you Djinn. And I already know what my first wish will be.

I often feel inhibited to talk openly with men. So I wish that you were a woman who fits my taste and fullfil my wishes.

Interesting choice, Mortal. Granted!

But don't faint. You have never had a woman so close to you.

The mischievous Bimbo Genie

*Even for me
it feels...fascinating you
should know...*

*Female Breasts
are not only for enjoyment...
they are so important for humankind. But
a college of mine put his personal home
into one females breast...as his powers
grew, her boobs grew too.*

*Ah yes...
a tight pussy...waiting for
more...but not for you mortal.
You can only watch, but
not touch.*

The mischievous Bimbo Genie

*Wish done,
Master...Do you have
another wish?*

That
was unexpected Djinn...
but I think now with this look the
name Jenny would suit
you well.

Djinn in female
would be Djinni...or for
todays terms...Jenny.

*That is not a wish,
but I accept the name...
for now.*

The mischievous Bimbo Genie

Damn!
Holy gazongas,
Batman!

*Stop! As
I said before,
Master...*

*Touch them...
and I will grant you
your own pair of huge,
wobbly jugs!*

*And you can be sure
that yours will be far bigger
and heavier than my
girls here.*

And while Jenny indulges in her thoughts, Cole sleeps the sleep of the righteous. And finally, the next morning... begins with entering the school, the usual routine.

Hey look...
there's our homework
coming to us...

Listen Clyde!
Come over here before we
come to you...where is our
homework you did
for us?

Tom, he is called
Cole...not Clyde.

I don't care
what this clown's name is, Josh.
He is an egghead. Nobody
cares about that piece
of shit.

The mischievous Bimbo Genie

Master, these people seek to harm you for their pleasure, how about we change that?

Good idea, Jenny.
Let's start with my old childhood friend Dick...he betrayed my friendship years ago.

I wish that he would turn into a strongly cum addicted Girl, that every time, she drinks cum become more and more a Cumslut Bimbo, with huge tits, wide hips... the whole package.

Oh, is he ignoring us?

Granted, Master.

The mischievous Bimbo Genie

The mischievous Bimbo Genie

I think I must have eaten something bad guys!

Dick...you run like a Girl!?

Yo, man, is it just me or does his shirt looks larger...I mean then usual...

These are...argh... stomach cramps! I'll... urk...see...

...you later. I need to get to a toilet now!

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Hole shit! Damn!
My body! After all those hours of exercising
to lose weight and gain muscles it's
finally paying off...

Though why am I getting
a boner in this situation?

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Thank god... my
penis is still there...

But it feels smaller...
is it sh-shrinking?

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Damn! I look
cute...so damn
cute!

I'm a cute
fucking Girl!!!

You sure do
look like a Girl
to me...and you are also
standing naked in
the boys toilet.

WHAT THE!

Oh, Damien...
it's y...

You know my name?
But...I can't say I remember
yours. But there is a slight
similarity to a guy
I know...Dick.

eeEEEEK!

Do you know him?
Is he here? Did
he bully you? Is that
why you are naked?

The mischievous Bimbo Genie

The mischievous Bimbo Genie

I dunno why...
but I absolutly WANT
to suck you dry...

PANT

Wait...
WHAT? You...
want?

PANT

I somehow NEED
very single bit of you...
pretty please.

Uhh...
your hand is
on my...

Cock?
Yea...I can feel him
pulsing...so strong
and BIG...

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Dick's, or rather be now Ricky, can't explain her transformation into a woman...but that doesn't change the fact that her desire for Spunk is rapidly skyrocketing.

Which in turn causes changes to your body as soon as it comes into contact with the liquid.

The mischievous Bimbo Genie

And while her growing blonde hair frames her uplifting face, her thinking ability is declining alongside her intelligence, which will lead her into becoming the new Cumslut Bimbo Cole wished for...

Give me a moment
Girl...I am exhausted.

pout
THAT was it? Awww,
come on...

giggle
Look...there is still
like some yummy spunk
coming!

The mischievous Bimbo Genie

Dude, look at
this bitch. Move aside
it's my turn now.

Have fun, Pal.
She blows like a pro It's
Unbelievable!

The mischievous Bimbo Genie

Meanwhile, Cole sits in the subject of sexual Ed and does what he does best... discuss.

Mr. Plast, your theory of Sexual education is outdated and just plain stupid. You say it's God's will, I say it's humbug.

LGBTQ Enlightenment is needed and you say it should be forbidden because, a not existent God created Male and Female?

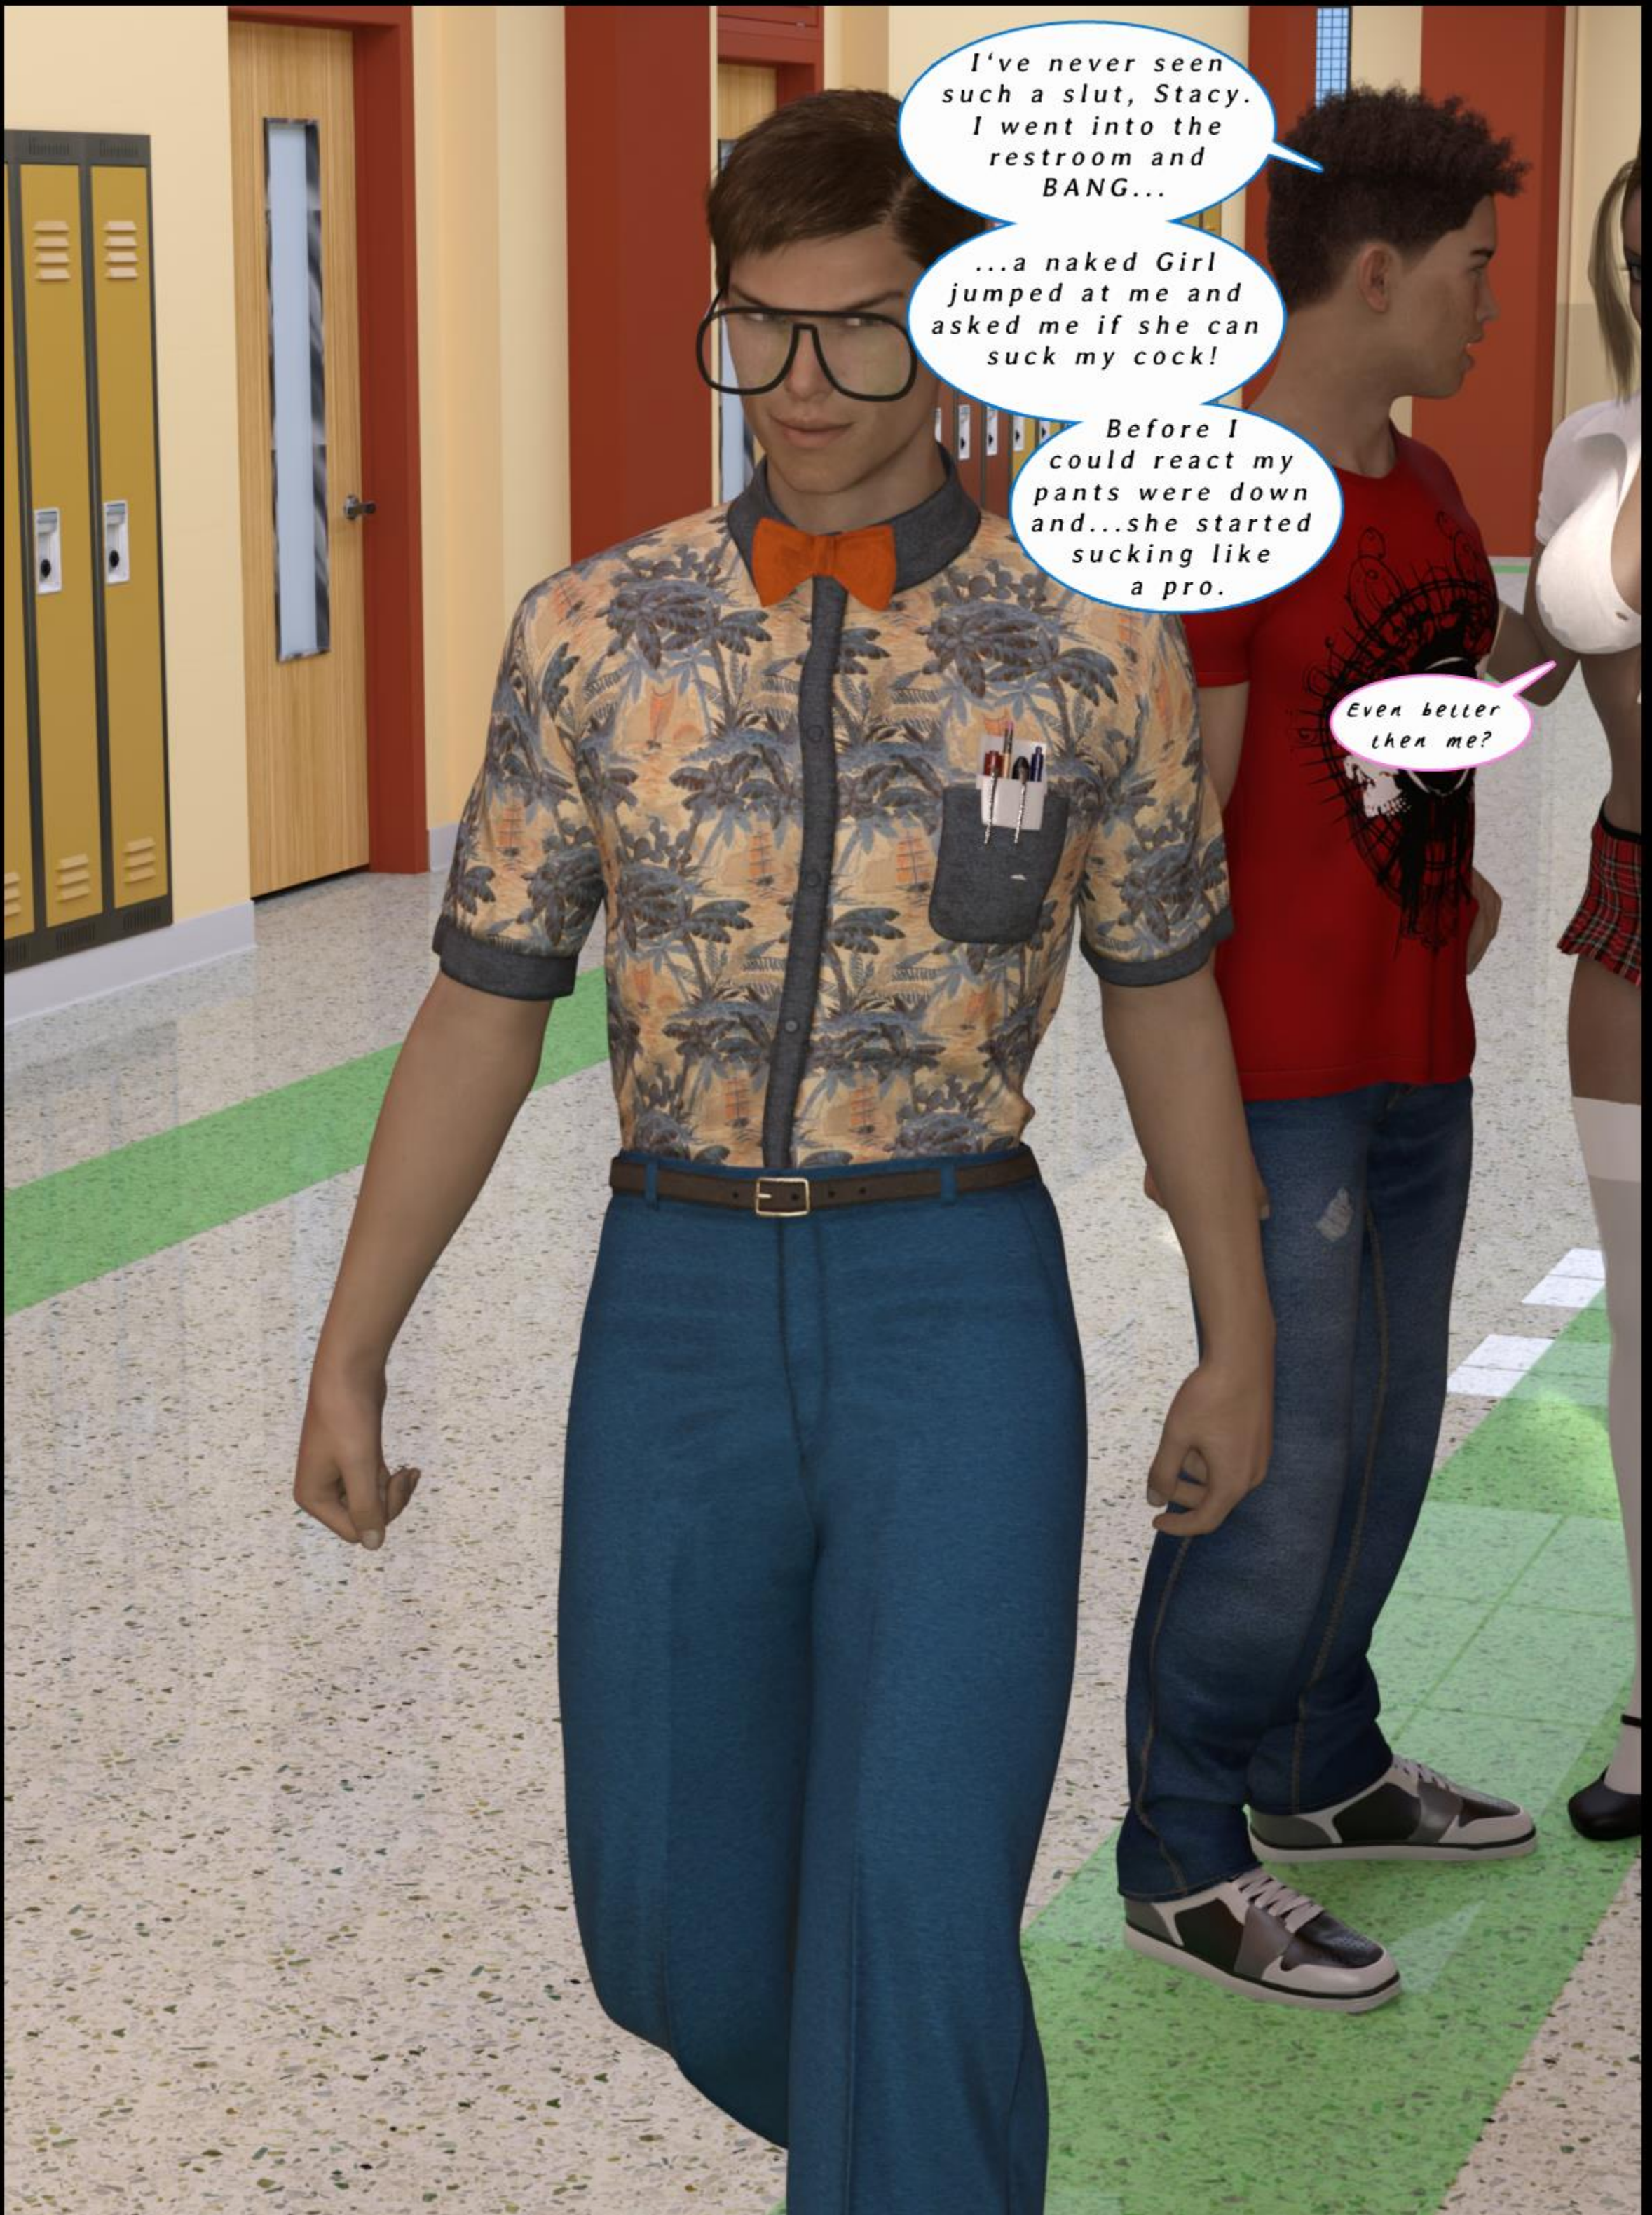

Where are your arguments? Where are the facts? All you have is your old book... the oldest porn ever.

What is „SIN“?
For me it is a Sin to add a 2 where only 0 and 1 exist.

Oh, but we can discuss this later. I need to visit the restroom.

Master...you should go to the restroom. There is a surprise waiting in there.

The mischievous Bimbo Genie

I've never seen such a slut, Stacy. I went into the restroom and BANG...

...a naked Girl jumped at me and asked me if she can suck my cock!

Before I could react my pants were down and...she started sucking like a pro.

Even better than me?

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Because I wished that this would happen, Dick. And believe me. This is just the beginning for your journey as Cumslut Bimbo.

I will slap you so hard for this!

What the...

Am I shrinking? What da fuck?

Oh...it seems that the cum in your stomach counts too. Interesting.

The mischievous Bimbo Genie

The mischievous Bimbo Genie

pout
Are u like serious, Cole?
giggle even my old cawck
was waaaay bigger.

*Wow...even
Genghis Khan had a
larger one...*

*She is not wrong,
master. With this size and
your lousy popularity....*

*...why don't you
wish to become a popular girl? All
your problems would be solved.*

You're
trying again Jenny?
Okay...

I wish that
my cock be the length and shape
that most women here in the
college would wish....

*But...who
cares...cawck is cawck,
no matter how tiny.*

The mischievous Bimbo Genie

*Damn it.
I failed again?*

*Now I am worried...
how much more will my body
bimbofie this time?*

But Ricky, the soon to be Bimbo is not aware of the Djinn or her worries...Ricky is more focused on much more important meaty things

*It may be
tiny...but it looks
sooo yummy...oh?*

**Giggle*
THAT is what I call
a CAWCK!*

*Oh...it's
like totally growin
an stuff?*

*I can feel
the taste of your
cum already...*

The mischievous Bimbo Genie

Interesting...I
guess to women it is the size
that counts after all.

Ohhh...yes!
Delicious cum...
come to me!

The mischievous Bimbo Genie

And while Ricky and Cole have some fun, Jenny the Djinni, clearly feels the fruits of her attempt to deceive Cole.

How could it have come to this? I fell into his trap like a rank amateur.

I can feel the magic starting to work...

My thoughts are starting to get... simpler? Why do I suddenly care so much about Make up?

Is that what a Bimbo feels like? Empty headed...

The mischievous Bimbo Genie

I like
totally have to
find a way out
of this...

But it is a
magic contract. If
I leave my Master I will
cease to exist...

But if I try
to be mischievous like
I usually am, I
bimbofie...

Like O-M-G!
I feel another wave
of pressure in my
chest...

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Huh?
What now?

Haven't I changed
enough already? These melons
on my chest aren't exactly
light as a feather.

JUJEE

JUJEE

The mischievous Bimbo Genie

The mischievous Bimbo Genie

*Look at that
piece of Ass.*

*I've turned
into a hot chick who's look says:
Hey...I'm ready for hant and
steamy sex if you are!*

The mischievous Bimbo Genie

But Jenny the Djinni was not the only one going through changes. Ricky's body and mind also underwent drastic changes, while her body consumed every single drop of Cole's sperm. She not longer remember being a guy named Dick...there is only Ricky, the Bimbo Cumslut left.

The mischievous Bimbo Genie

But suddenly...

WHAT the heck is going on here?

I have received complaints that some sort of sex orgy was going on....

By God!
Stop this sinful
behavior immediately.
YOU are sinning!

Mr. Cole Danvile!
I wouldn't have expected this
behavior from you! Let go of
this harlot immediately!

Like who
is that old
hag?

Not now,
Miss Engstroem.

What? How
dare you....I am the director of this
institution and I will see to it that both of you
are thrown out of the school immediately!

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Wait...
where is my
dress?

Cole?
This is like so boring
and stuff... can I suck your
yummy cock some more?

The mischievous Bimbo Genie

How is this possible? There is no way wishes don't come true... my life is great... ummm... what is with wrong with me my life sucks?

I'm 19 years old and a freshmen here in this college... which is **like totally** strange... because I also... ummm...

By the dark **lady Eve**, why am I wearing such **like totally** old woman Clothes?

Wait... are my clothes **like totally** changing?

The mischievous Bimbo Genie

Am I **like totally**
some sort **of a bubblegoth**
Bimbo?

I'm **like totally**
way to **grey** for
my **taste!**

The mischievous Bimbo Genie

Mr. Danvile...how are you **like doing...mhhh** that to **like me?**

STRETCH

Like Stop it right... uhhh... now!

GROWTH

The mischievous Bimbo Genie

The mischievous Bimbo Genie

*I'm getting
out of here... maybe if
I leave these changes will stop?
Wait not only is my body changing...
I can feel I'm forgetting Memories...
while others are changing
drastically.*

The mischievous Bimbo Genie

Woa...
What the... What now?

The hell and
small titties... I'm
like totally stumbling...
ahhh...

The mischievous Bimbo Genie

giggle
It's like super slippery
here, fer sure!

Why by
like all demons is
my ass still shaky
shaky? teehee

wobble

The mischievous Bimbo Genie

The mischievous Bimbo Genie

The mischievous Bimbo Genie

But suddenly...

Seriously?
Look at this slut!
Who is she?

Clearly, she is
part of the local
Goth scene.

giggle
Oh! Em! Ge! I should
like totally go to my crypt
and masturbate real
hard an stuff.

I'm way
to horny to hang around
with all those lame normals
here in this ab-sooo-lutely
boring Edu... cati... um...
what ever sheds.*

*Education shed - direct translation from the german word „Bildungsschuppen“. Pupulis who think that school is wasting their time often call school as „Bildungsschuppen“.

The mischievous Bimbo Genie

"BubbleGum

The mischievous Bimbo Genie

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Ohhh...

teehee

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Oh Amber... you are here? Was your stream successful? I would say it was at least lustful, huh?

snort
you can bet on it, Cole!
Have fun too?

Yeah... day of the Nerds I guess. It seems that we both had some fun.

In any case,
I've never had so many likes during a stream.

She is in the best situation, master. Should I turn her into a horny slut too?

Alright...guess I'll see you at our next DnD session.

See you later.

The mischievous Bimbo Genie

Are you ignoring me, Master?

No Jenny, I don't. But I had to answer Amber, while you weren't visible...

Like true... but should I change her?

And no. Leave her as she is... but I've got another idea for my revenge...

Let's hear.

This place is like some stupid teen movie from the 90's... Someone is always banging or making a party or some other frat house crap, you know... Tom is one of those people that does that. I bet he is fucking a not too very bright girl somewhere right now.

But you banged that girl in the toilet too, Master...

Jenny, I wish that everytime when Tom ejaculates he will feminize more and more until he is a fullgrown woman.

Granted, Master.

The mischievous Bimbo Genie

Meanwhile in the boys locker room...

Ohhh...
Tom... you are
splitting me in two
with your erupting
vulcano!

I know
Tina... I'm the
best you've ever
had!

But this
load is truly amazing...
I don't think I've ever cum
that much.

TOM...
So... rude! I'm
Cassy.

The mischievous Bimbo Genie

Don't make a scene. I don't care what your name is. You we're a good fuck... later I'll fuck another girl.

And I bet she will be better then you we're, Slut.

That hurts...
I... I've never felt so humaliated before.

sob
That... wasn't very... *sob*

I don't care. Now leave or are you ready for another round?

sob
That... wasn't very... *sob*

The mischievous Bimbo Genie

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Asshole!
Fucking again?
Just a few minutes after we fucked
in the locker room? But he looks...
kinda different?

huff huff

Ohhh...
Tommy... ohhh
yeahhh...

... harder!
Fuck me harder!
U are a bull!

The mischievous Bimbo Genie

Meanwhile...

*Now I have found
your weak point, Cole. I can
influence Amber accordingly without disobeying
your wishes and having this bimbofication effect
change me further...*

*... by using Amber
I will be able to behave according to my
Djinn nature and be more
mischievous.... hehe*

The mischievous Bimbo Genie

Meanwhile, Amber is not just sitting idly by.

Jackpot!

It's like
a gold mine
for me...

... First those
two goths and now
these two here...

Tom the most
popular Guy here is fucking
Ricky the School Slut right
here on the school floor...

I never imagined
that voyeurism would turn
me on so much...

... good thing
that no one can see how
wet I am right now.

But I'm not
sure... is it ok to watch other
people while they fuck... or
my increasing number
of watchers?

The mischievous Bimbo Genie

What Amber isn't seeing is that Jenny, who is not visible to her, is twisting her mind, and behavior with hypnotical suggestions, so Amber can be the instrument for Jenny's mischivious ambitions...

The mischievous Bimbo Genie

The mischievous Bimbo Genie

NO WAY!

HOLY SHIT!
My... dick... is
getting...!

The mischievous Bimbo Genie

What The Fuck!

WHY IS MY
DICK GETTING
SMALLER?!

umm...
Tommy... don't get
me like totally wrong an' stuff...
but ur PeeWee like always
sooo small...

giggle

The mischievous Bimbo Genie

The mischievous Bimbo Genie

In the nearest bathroom (the one Ricky has left before)...

This can't be!

What the hell is happening to me? My muscles... my Hair? Even my dick have changed.

This isn't normal. I've got to find out what is happening here. I look somehow...

... like I'm more like a boy than a man.

The mischievous Bimbo Genie

While Tom is still looking at his feminizing body in horror in the toilet mirror, a hard day comes to an end for the students and in front of the school building...

Hey Egghead!

Seriously, Richard. Right now is a very bad time.

I've a DnD session tonight and a lot of work.

Oh... really? I assumed you would spend your days wildly fapping on your PC, looking at cheap websites with fake women.

Time for a new wish, Jenny. Richard's family is very rich and affluent. Accordingly, he himself is arrogant.

I wish that the moment he sees his mother and sister at home together...

... they will transform before his eyes and a short time later he will also change.

His mother is supposed to become a manipulative Gold Digger, she will be the smart one and she helps them to stay wealthy...

... his sister will be a bitchy social media slut and not very bright...

... while Richard himself will become an airhead webcam whore who loves to cosplay and RPG's.

All three are said to spend an enormous amount of money on plastic surgery so their curves look very fake.

As you wish, Master. Granted.

The mischievous Bimbo Genie

While Richard is still indulging his airs and graces, he arrives at his luxurious estate...

Finally... they should forbid the simple mob from being allowed to ride the subway with us rich people...

it is already honor enough that they are allowed to breathe the same fresh air as us... but one day I'll buy my way into politics, become the president of the country and then... yeah, that sounds good.

Listen, young Lady. You're not going to the gala wearing that obscene outfit.

You show more skin than an ordinary street slut without money, no, you can even see your silk panties.

Think of your elevated status. You represent our family at this benefit gala. Go, change your clothes.

Or I'll cancel your credit cards.

But Mother, I ...

Hi Mother, hi Grace...

... Oh... A woman's talk... I better not interrupt.

The mischievous Bimbo Genie

And so begins Cole's wish.... Orl should saycurse... starting to take effect. It starts, of course, with the oldest person in the room, with Frida, Richard's snobby mother....

The mischievous Bimbo Genie

She is changing... *giggle*
Like what should I do?

I know that this is hard to understand, but our body's are our investments for later...

And Dr. Jim did such a wonderful work on us Girls...

...ummm...

... don't you think so, honey-bun?

giggle
Like totally, Mum!

The mischievous Bimbo Genie

The mischievous Bimbo Genie

Why did
Grace call me
sister?

Am I
changing
too?

Good God...
what if I change
too?

Am I
turning into
a girl?

I have
to fight
it!

Look, our
little dummy is trying
to think hard...

Grace,
be nice to your sister.
You're not exactly the brightest
candle on our family
cake either.

The mischievous Bimbo Genie

The mischievous Bimbo Genie

The mischievous Bimbo Genie

But Mum...
maybe she hasn't seen
enough YouTube videos
about it...

... shouldn't we
sit down together and do our
make-up together? That way she'll
learn your make-up tricks too.

HEEEY?!

*That sounds
like a good idea, Grace.
Professional make-up tips from
me can't hurt you both...*

I'm not
even a girl...
I don't want to
wear make-up.

The mischievous Bimbo Genie

*I must remain steadfast...
I have to find a solution...*

Mum? What did Riri like tots mean by not being a girl?

*Nothing Grace.
Your sis is just a typical Bimbo. Who knows what she is thinking right now...*

... damn it...

... My chest feels so wobbly and jiggly.
