

Bimbo Nurses - Chapter 28

Don't get too close to your tanning beds or devices. You don't want to get sun-boobed. I mean sunburned...

Everyone turns to look at Kim. Her statement that Ryan needs to be even sexier is mildly shocking, but not altogether unexpected.

They were all kind of thinking it, but two of them were likely not going to say it. Kim, however, immediately blurted it out.

Are you sure, Kim? We've never used this on a man before. Turning Ryan into a woman with a porn star body might be all that we can do.

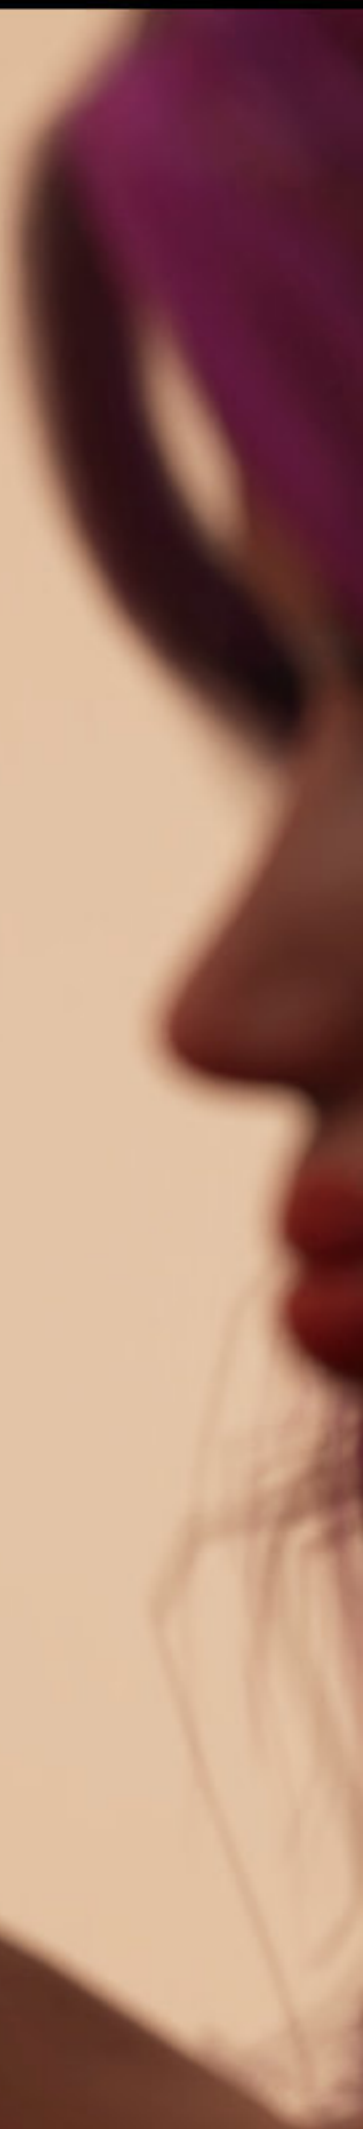

Oh,
I'm sure!
She is hot, but
she doesn't measure
up to the rest of us. She
needs a massive rack,
giant booty,
and killer
curves.

I agree!
That sounds, like,
totally hot, and you don't
want her to
feel left
out.

I
have to
admit that the
idea of my boobs getting
bigger does kind
of turn me
on.

OK, then!
I mean, who
am I to argue if
Ryan says she
wants to be
sexier?!

Hmmm...
not Ryan. I
don't feel like
a Ryan any
longer.

I
feel lighter
and... bubblier?
No, that's not
right.

I
feel...
sparkly! Yeah,
that's it! Call me
Sparkle! That sounds
like a super hot
stripper
name.

All right, Sparkle! Let's see what we can do about giving you some ginormous fucking jugs!

With that decided, Kindra starts tapping keys on the controller tablet almost at random.

BEEP!

BOOP!

ENERGY TRANSMISSION AND
TRANSFORMATIVE LIMITS HAVE
BEEN REACHED.

ADDITIONAL RESTRICTIONS HAVE
BEEN ENACTED TO AVOID ANOTHER
CATASTROPHIC EVENT.

Almost, but not quite. They have hit the limits of what the machine can do by changing Ryan into Sparkle.

ERROR! ERROR! ERROR!

BOOP!

**ADMINISTRATIVE PRIVILEGES

Frankly, they have far exceeded what the machine is supposed to do. But Kindra perseveres in trying to find a way to do even more.

Not surprisingly, boobs will find a way! I mean... Kindra finds a way.

Oh!
This looks **very**
promising!

I
can feel
the machine
warming up again! I
am so ready for this. I
already feel so sexy,
and now I'm about
to get even
hotter.

I
can't wait
to see what I'm
gonna look like. **<giggle>**
That, like, totally
tickles!

The Techno Tanner powers up
once more, and does a single pass
all over Sparkle's luscious body.

Mmmm!
It feels a
little different this
time, better somehow.
Warmer
and...

BLING!

Maybe the machine read her mind,
or maybe Sparkle saw into the
future, because the first thing it
does is add sparkles to her skin.

Some of the mental adjustments that Kindra made start to kick in shortly after the new tattoos are added.

- I.Q.

+ Arousal!

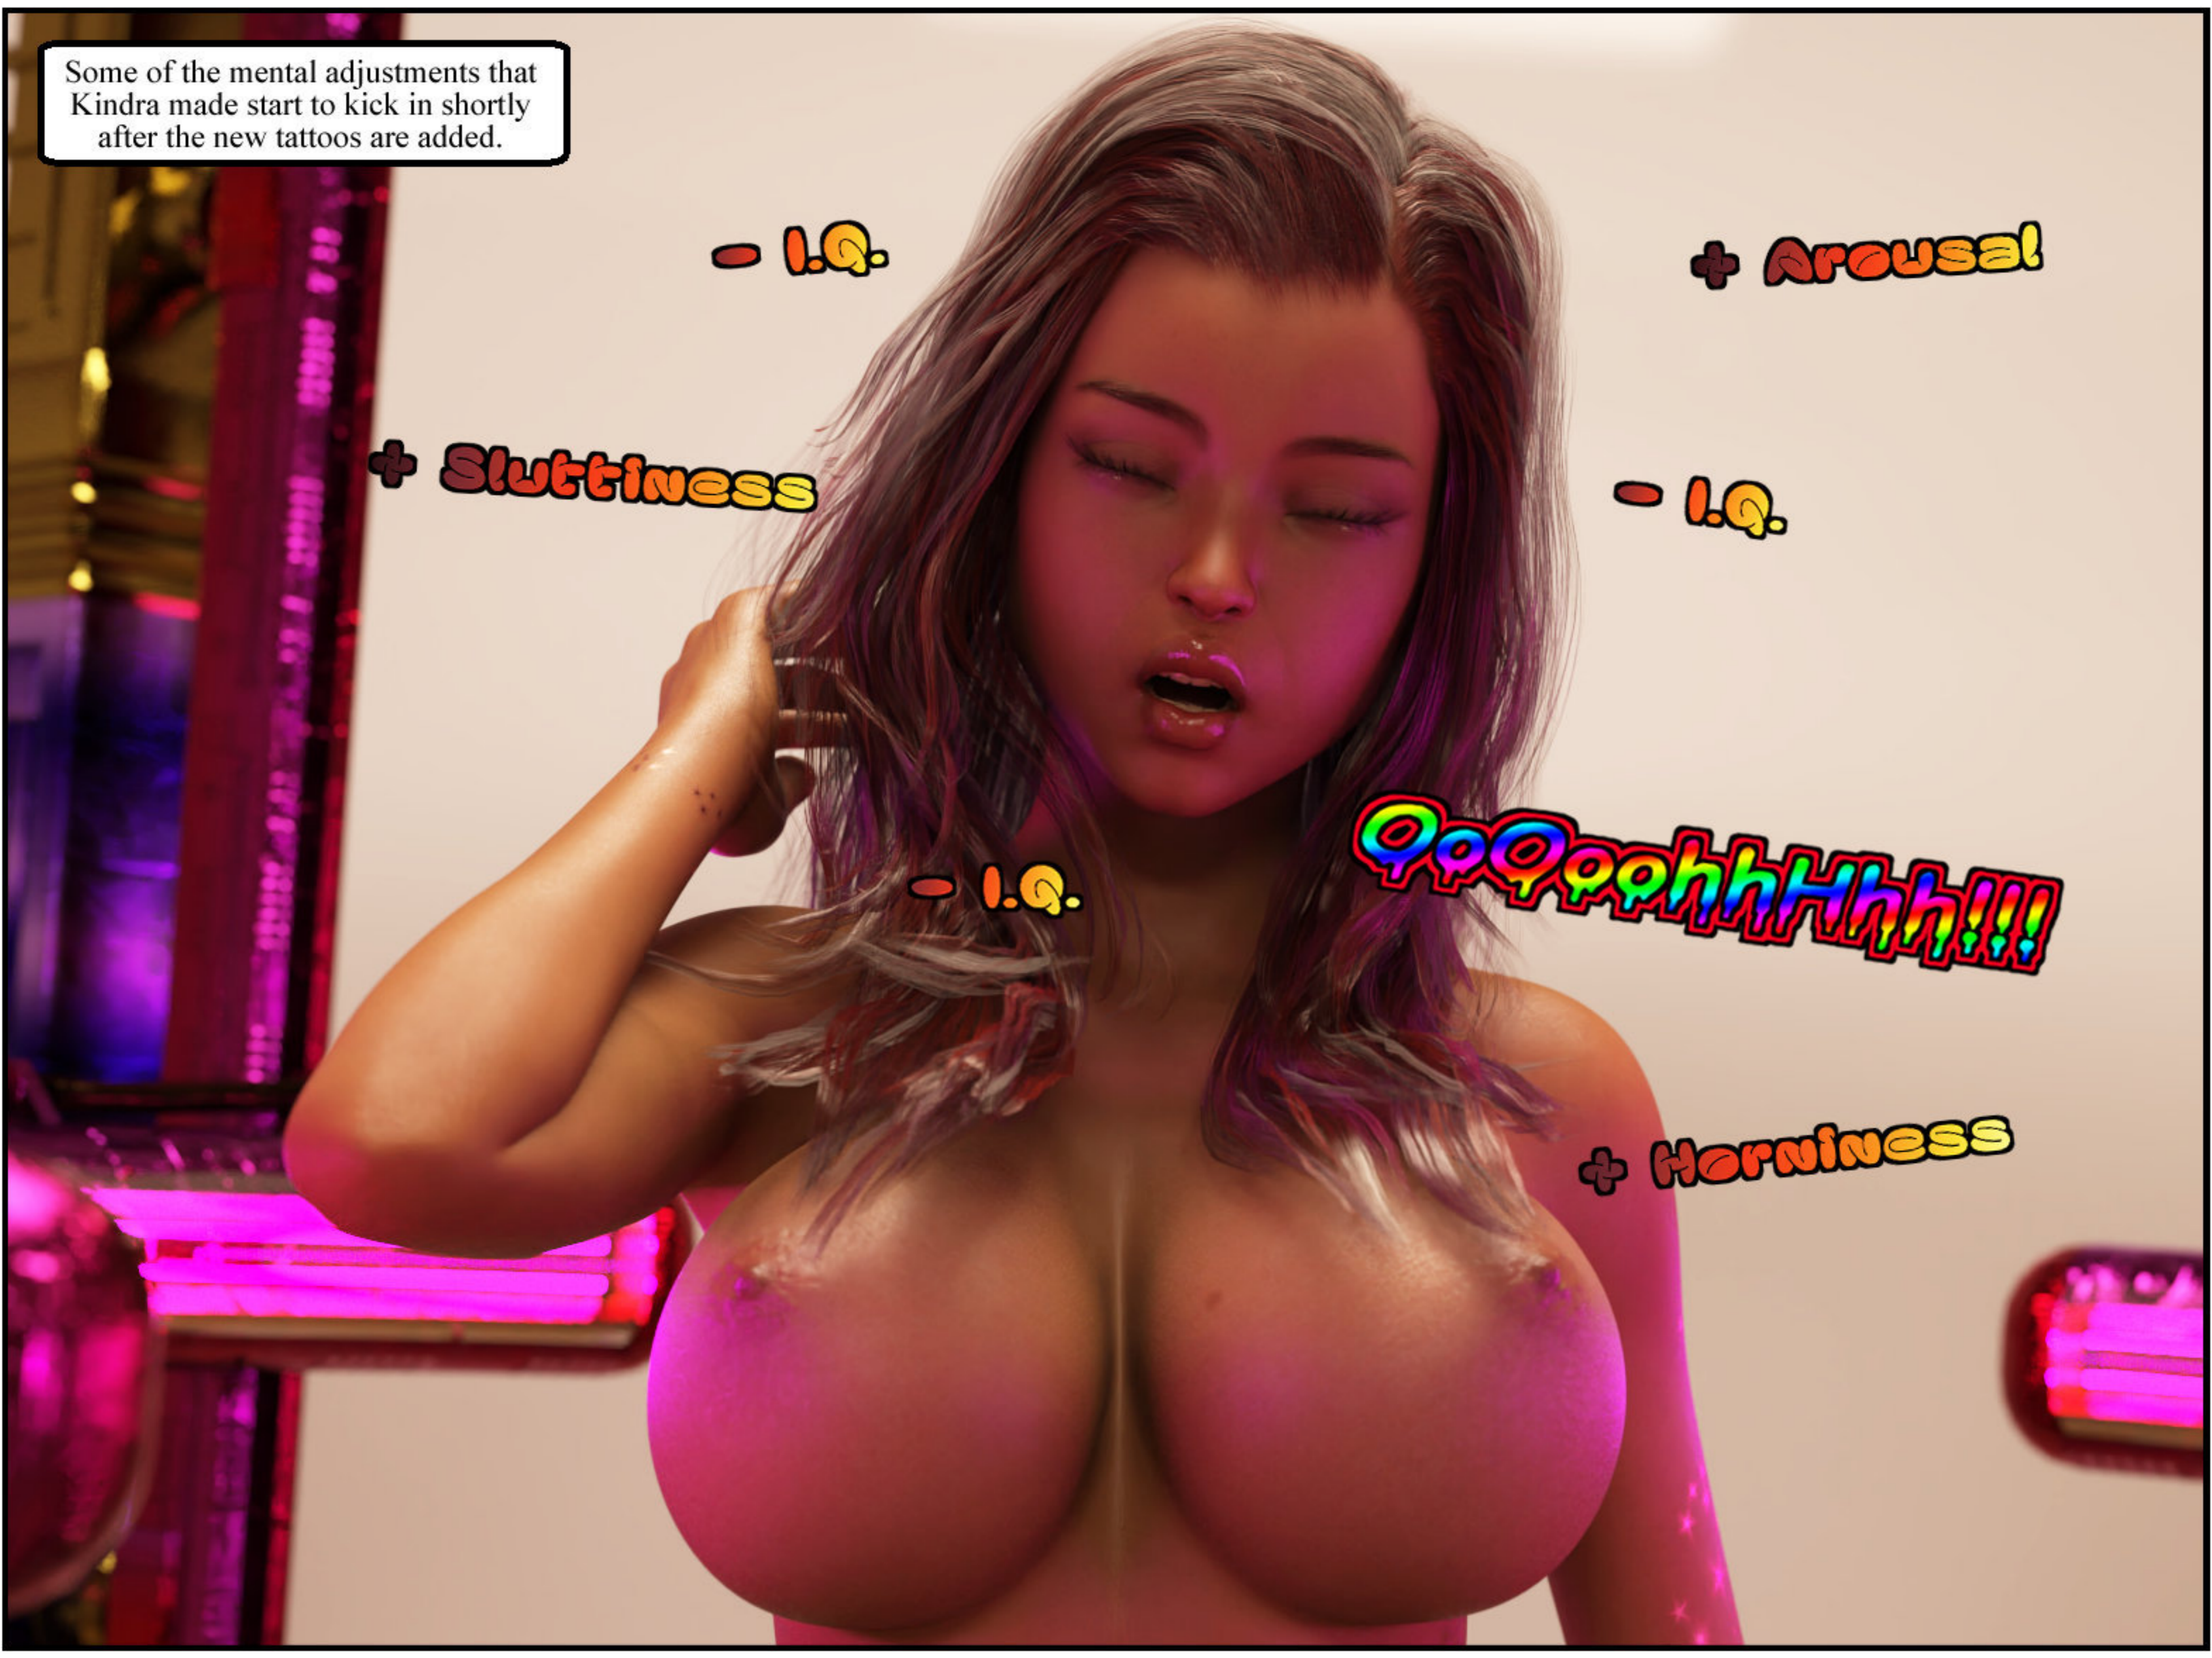

+ Sluttiness

- I.Q.

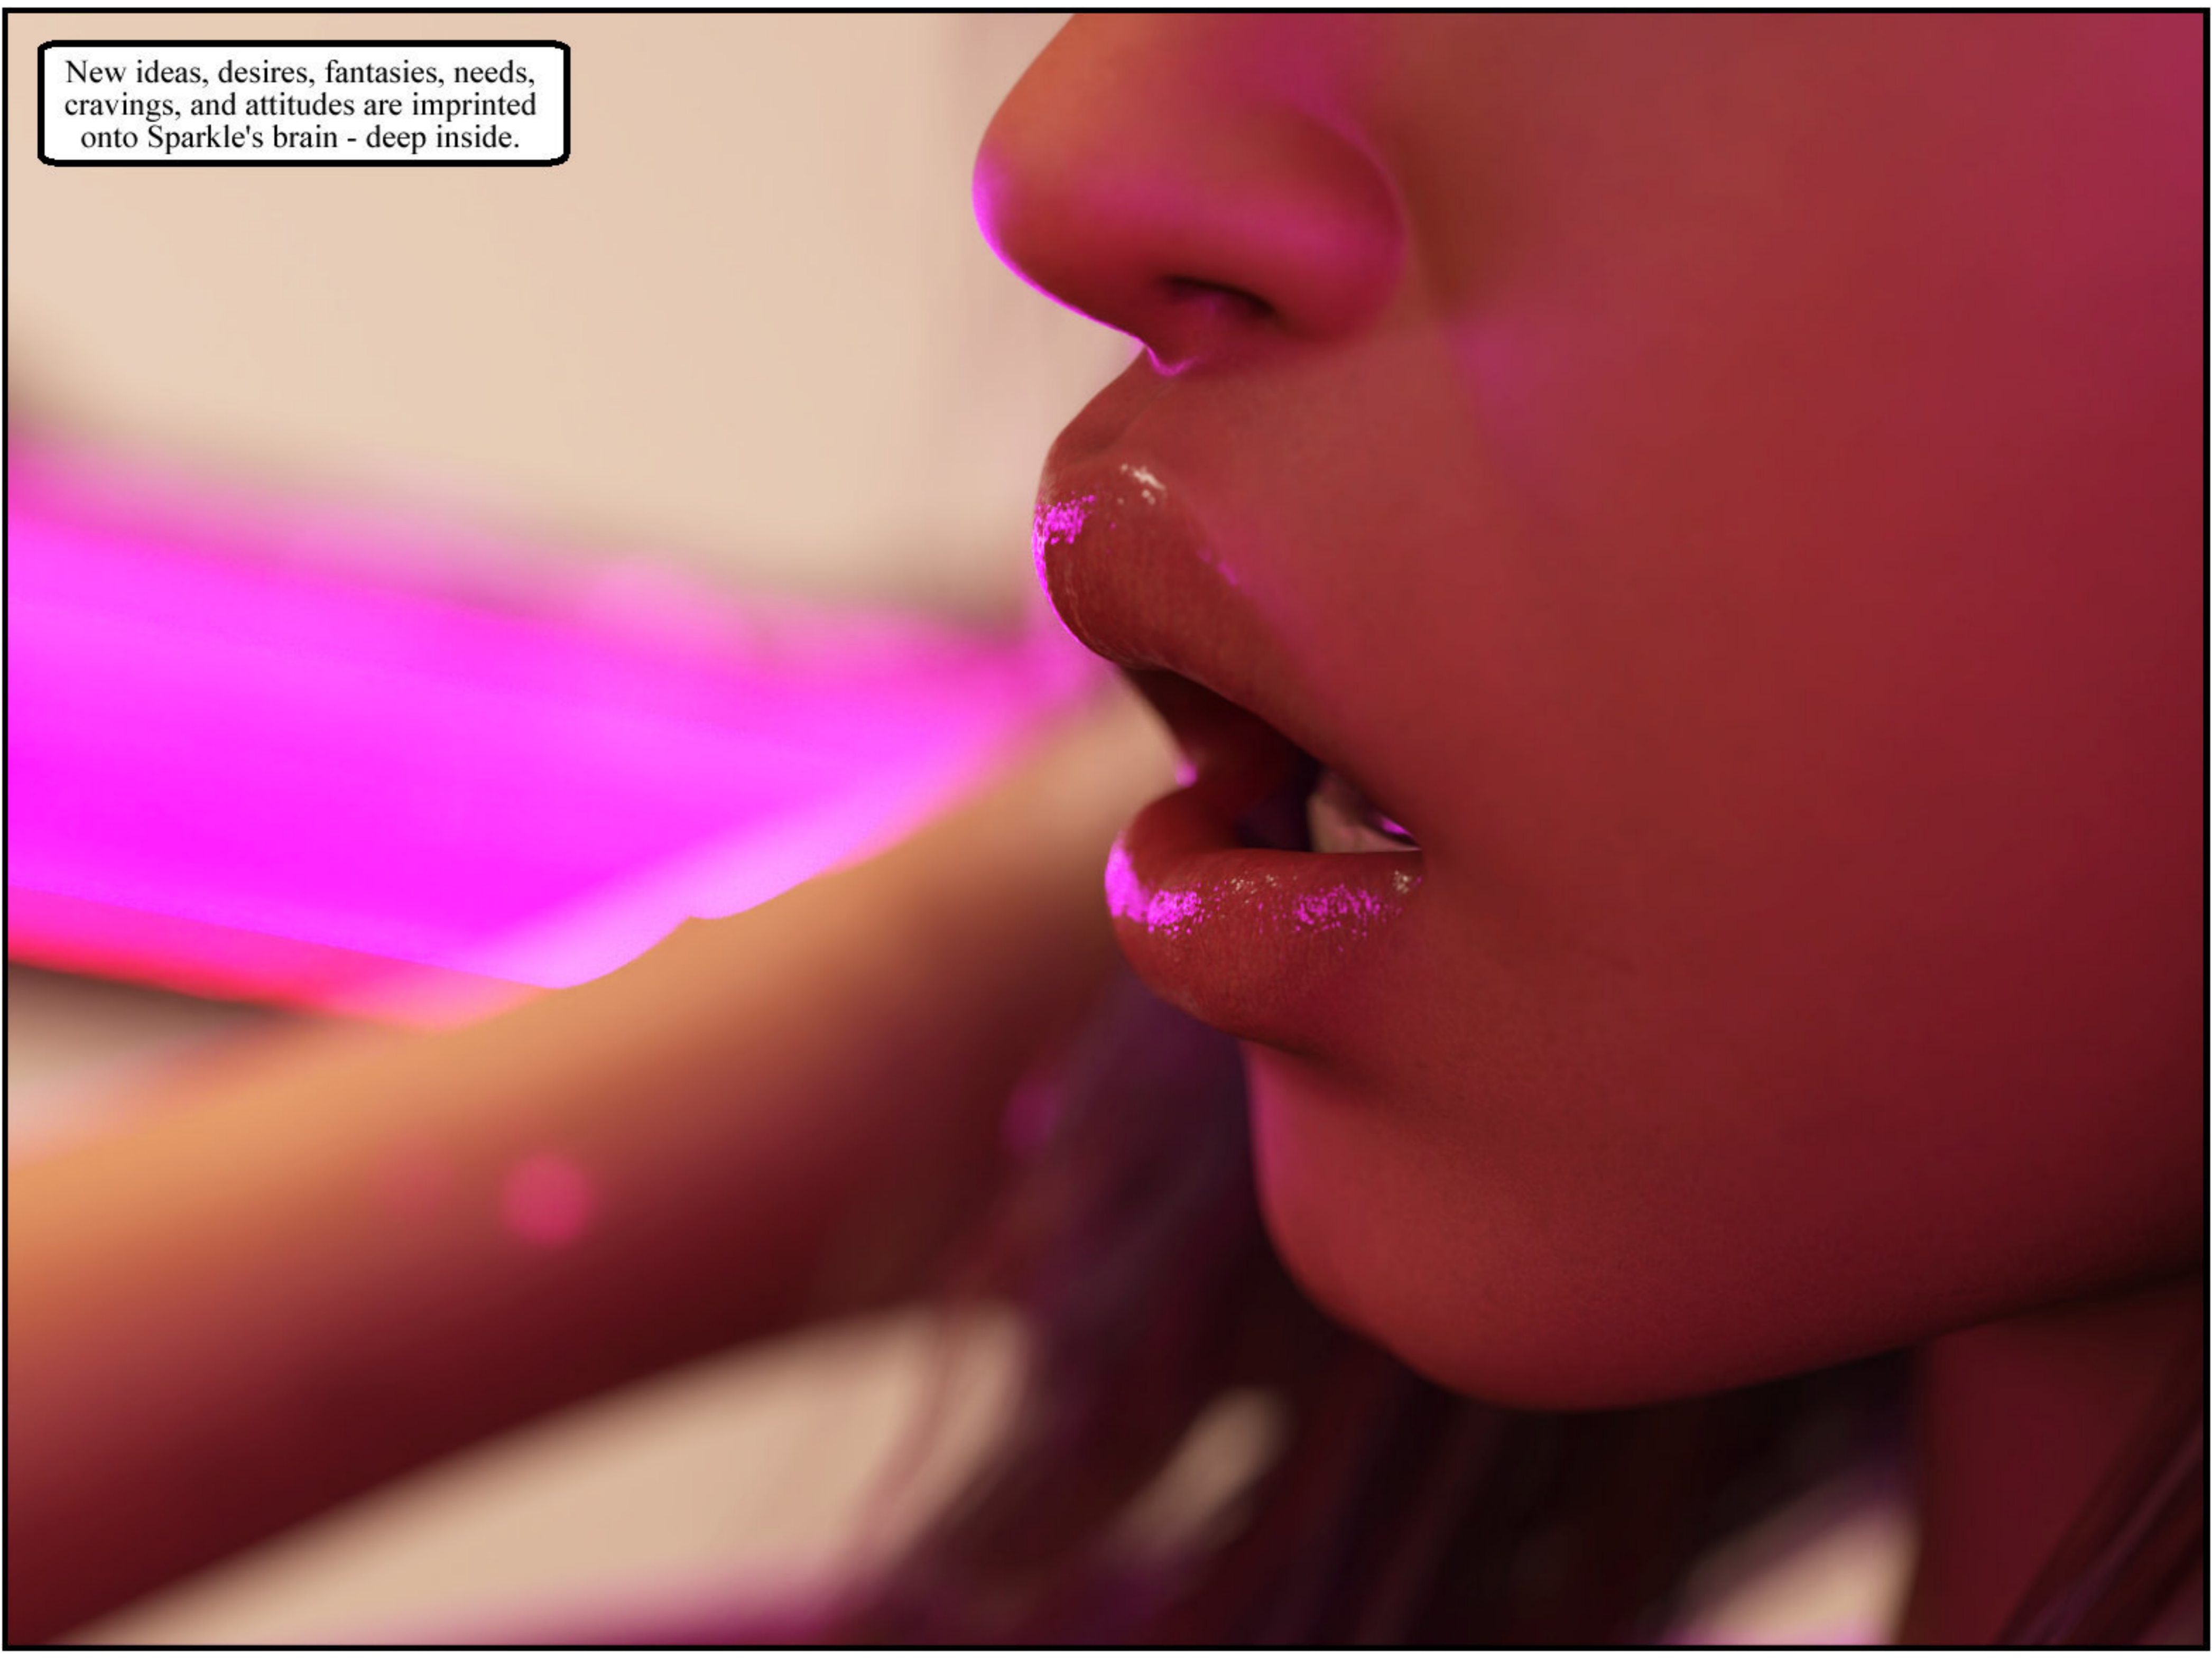

- I.Q.

QqQqohhHhh!!!

+ Horniness

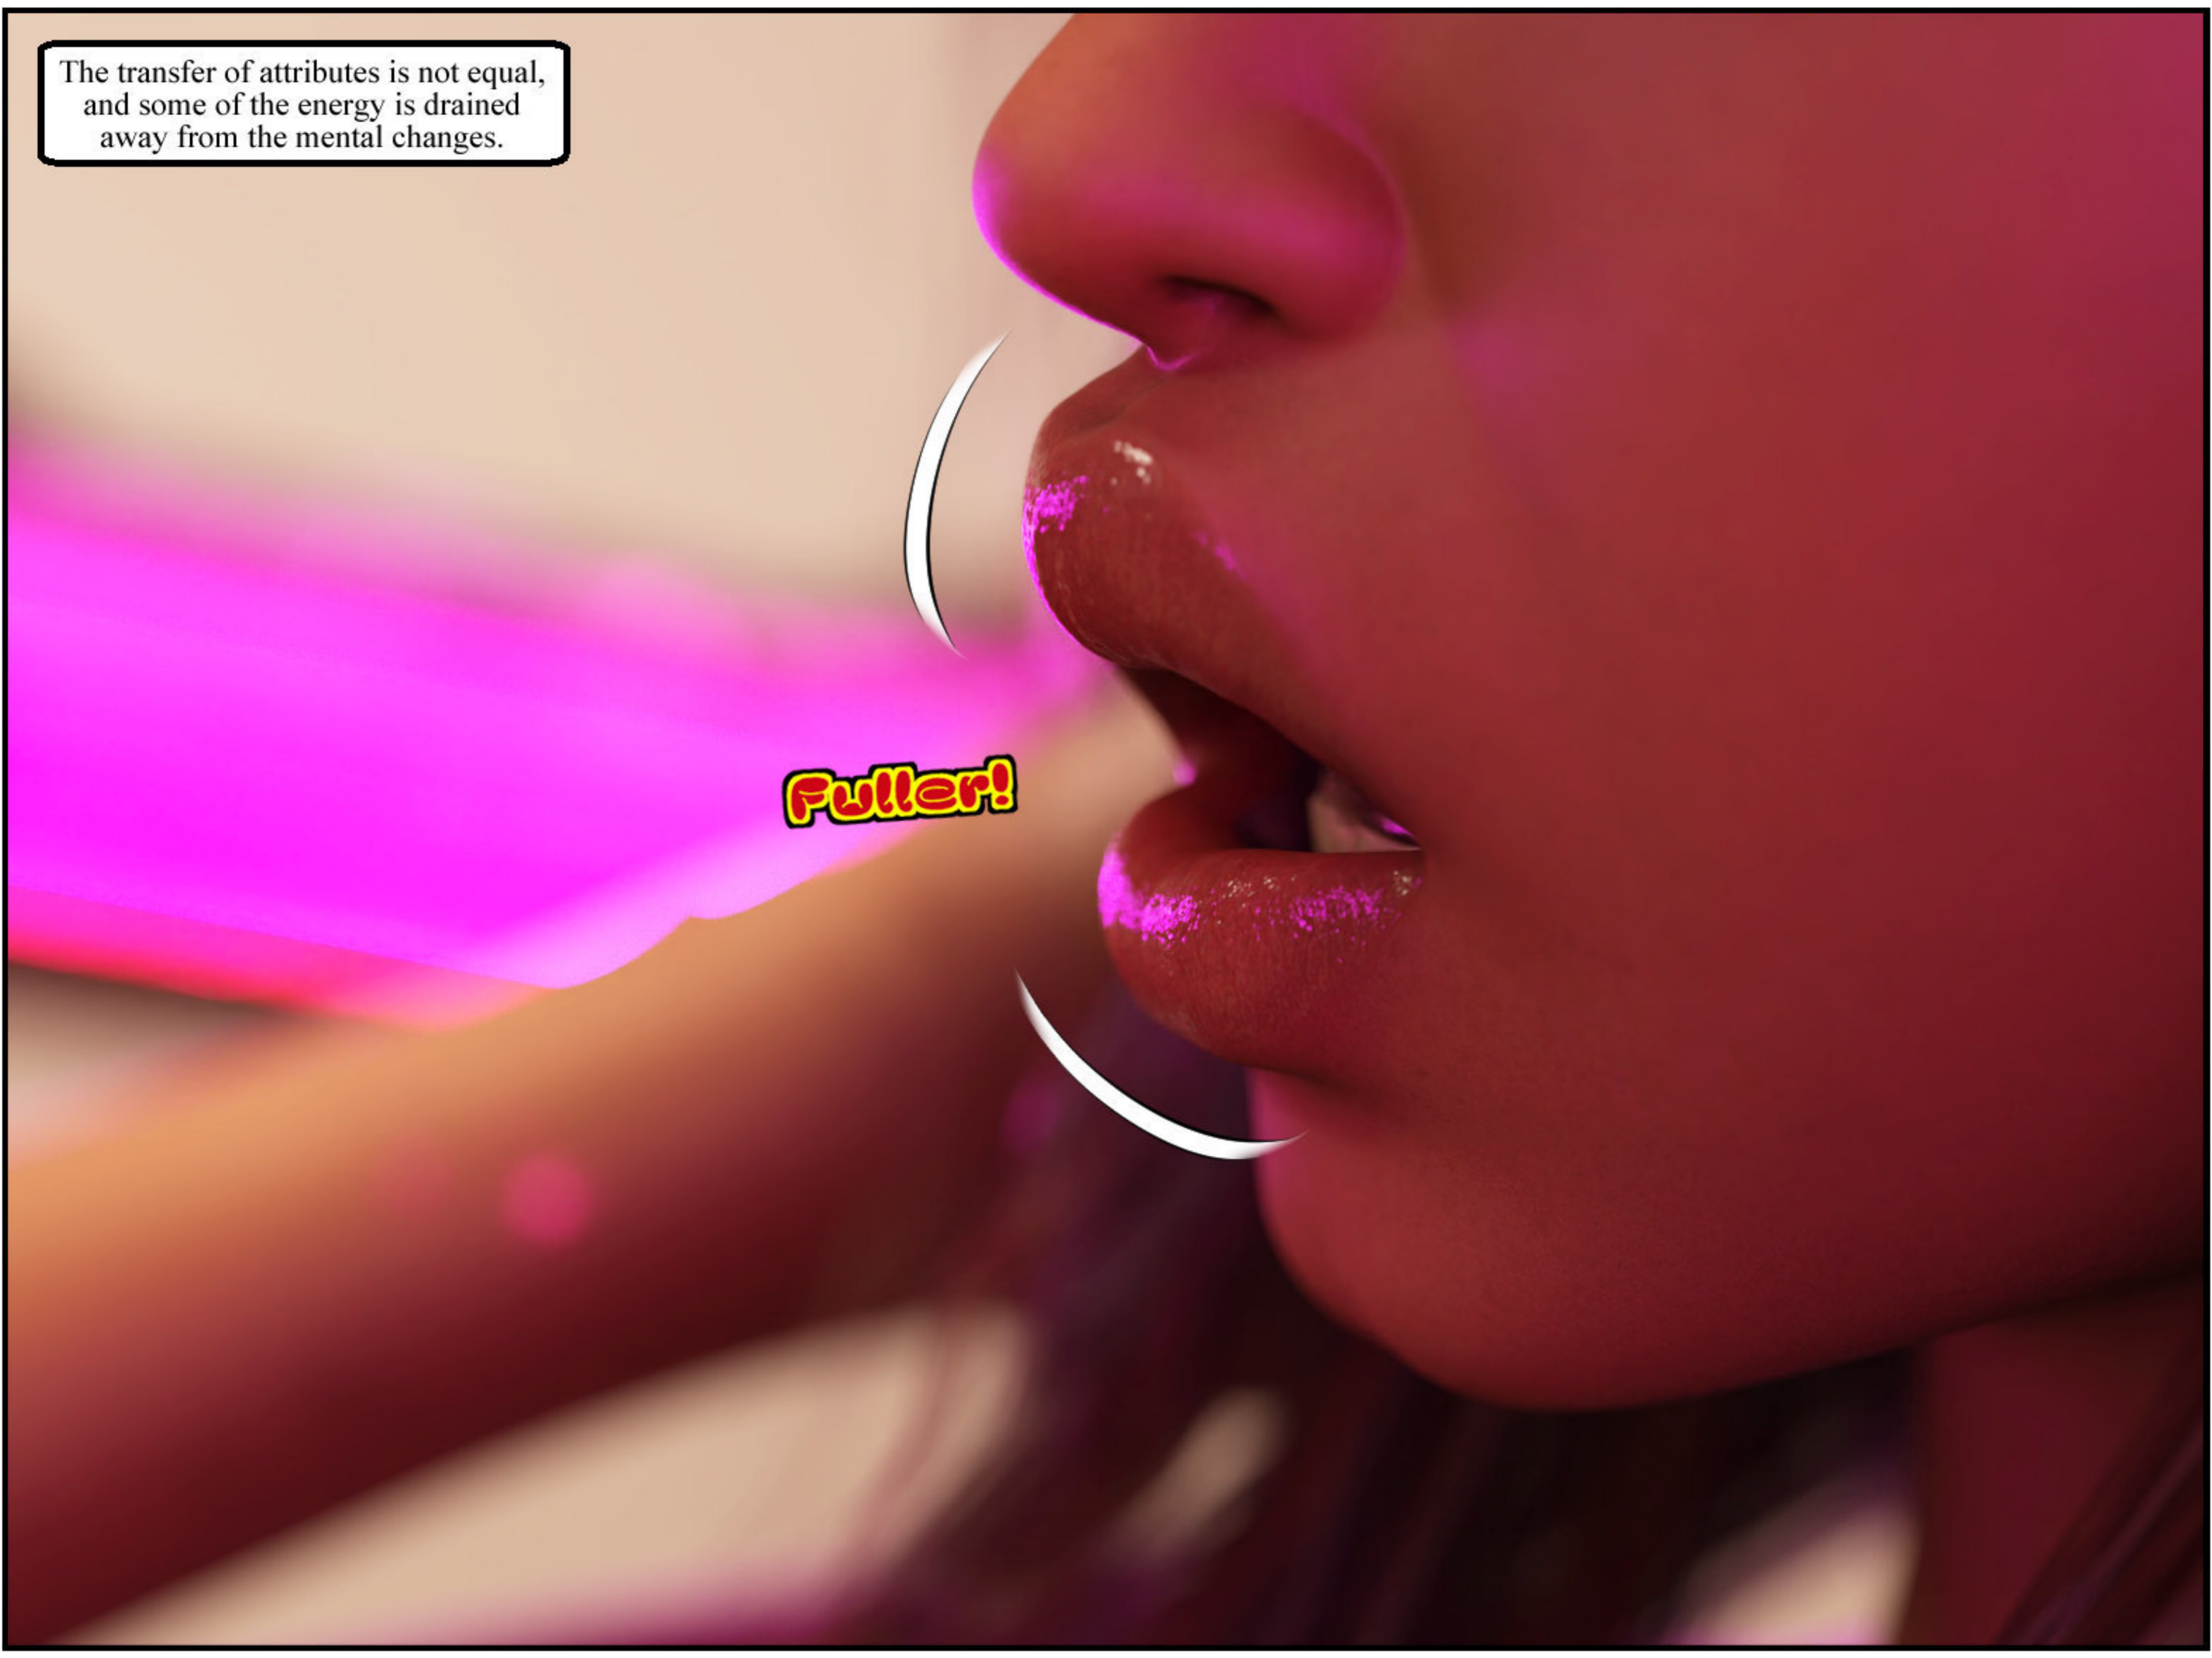

New ideas, desires, fantasies, needs, cravings, and attitudes are imprinted onto Sparkle's brain - deep inside.

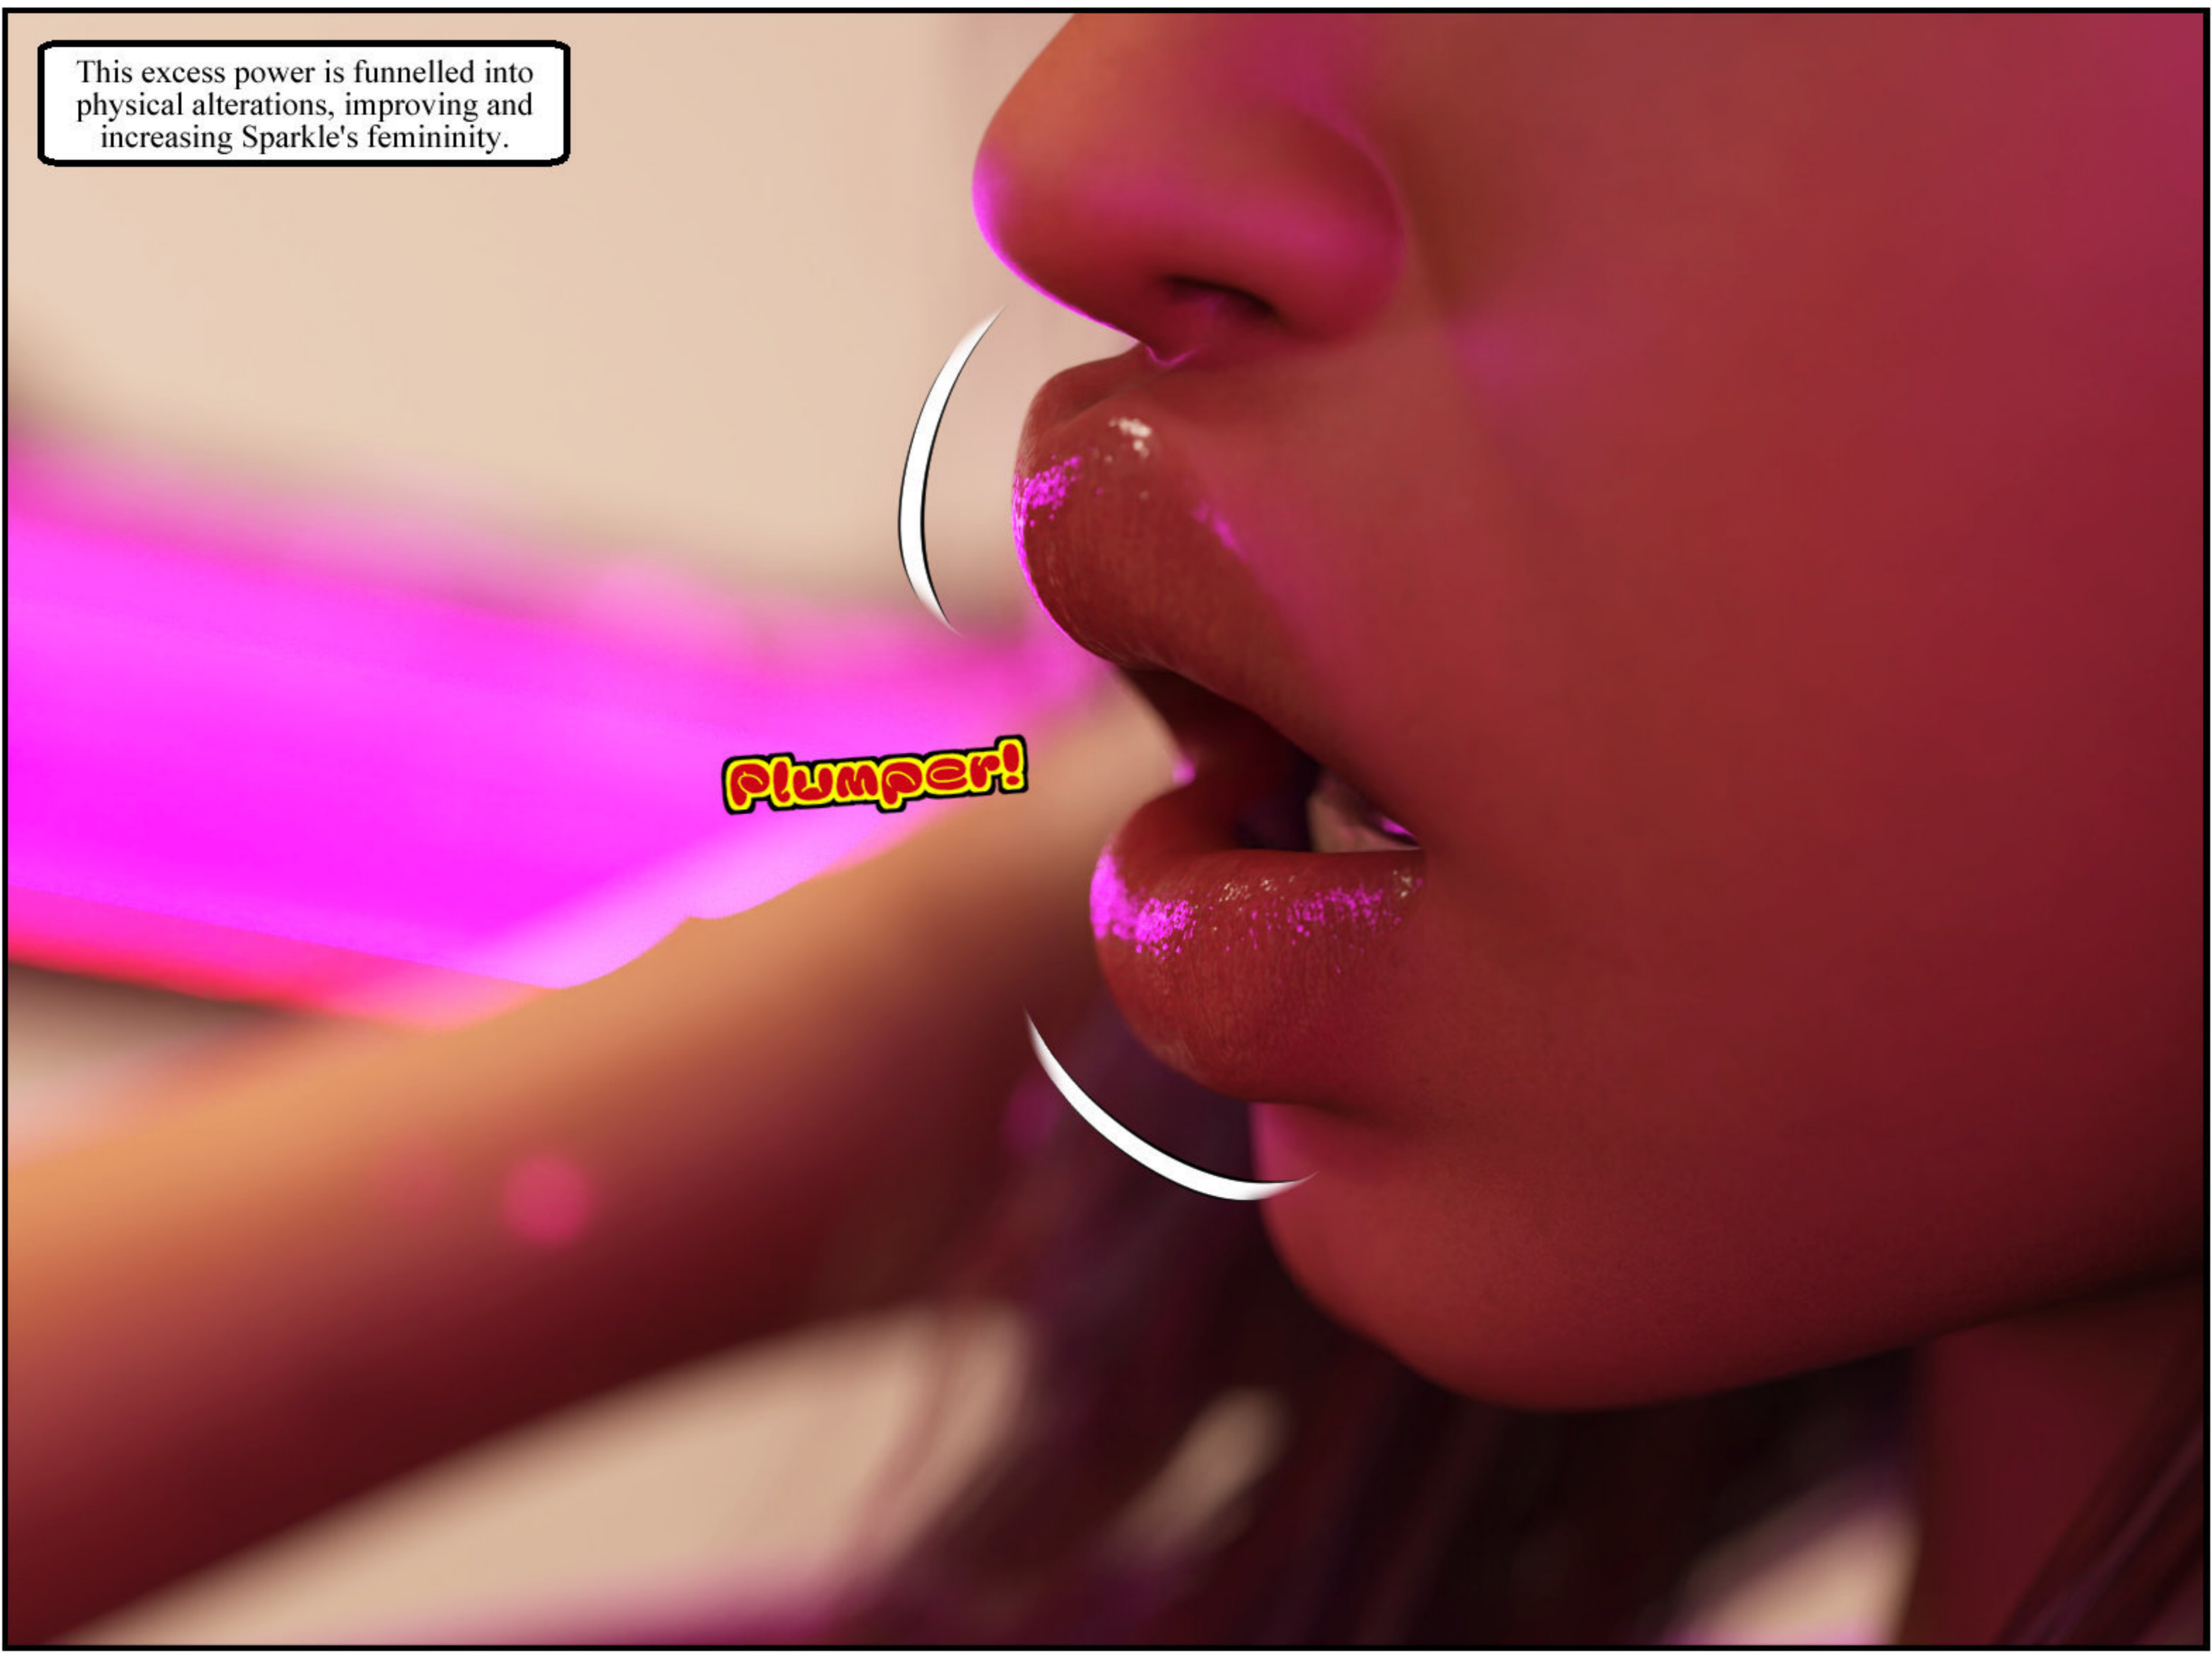

The transfer of attributes is not equal,
and some of the energy is drained
away from the mental changes.

Fuller!

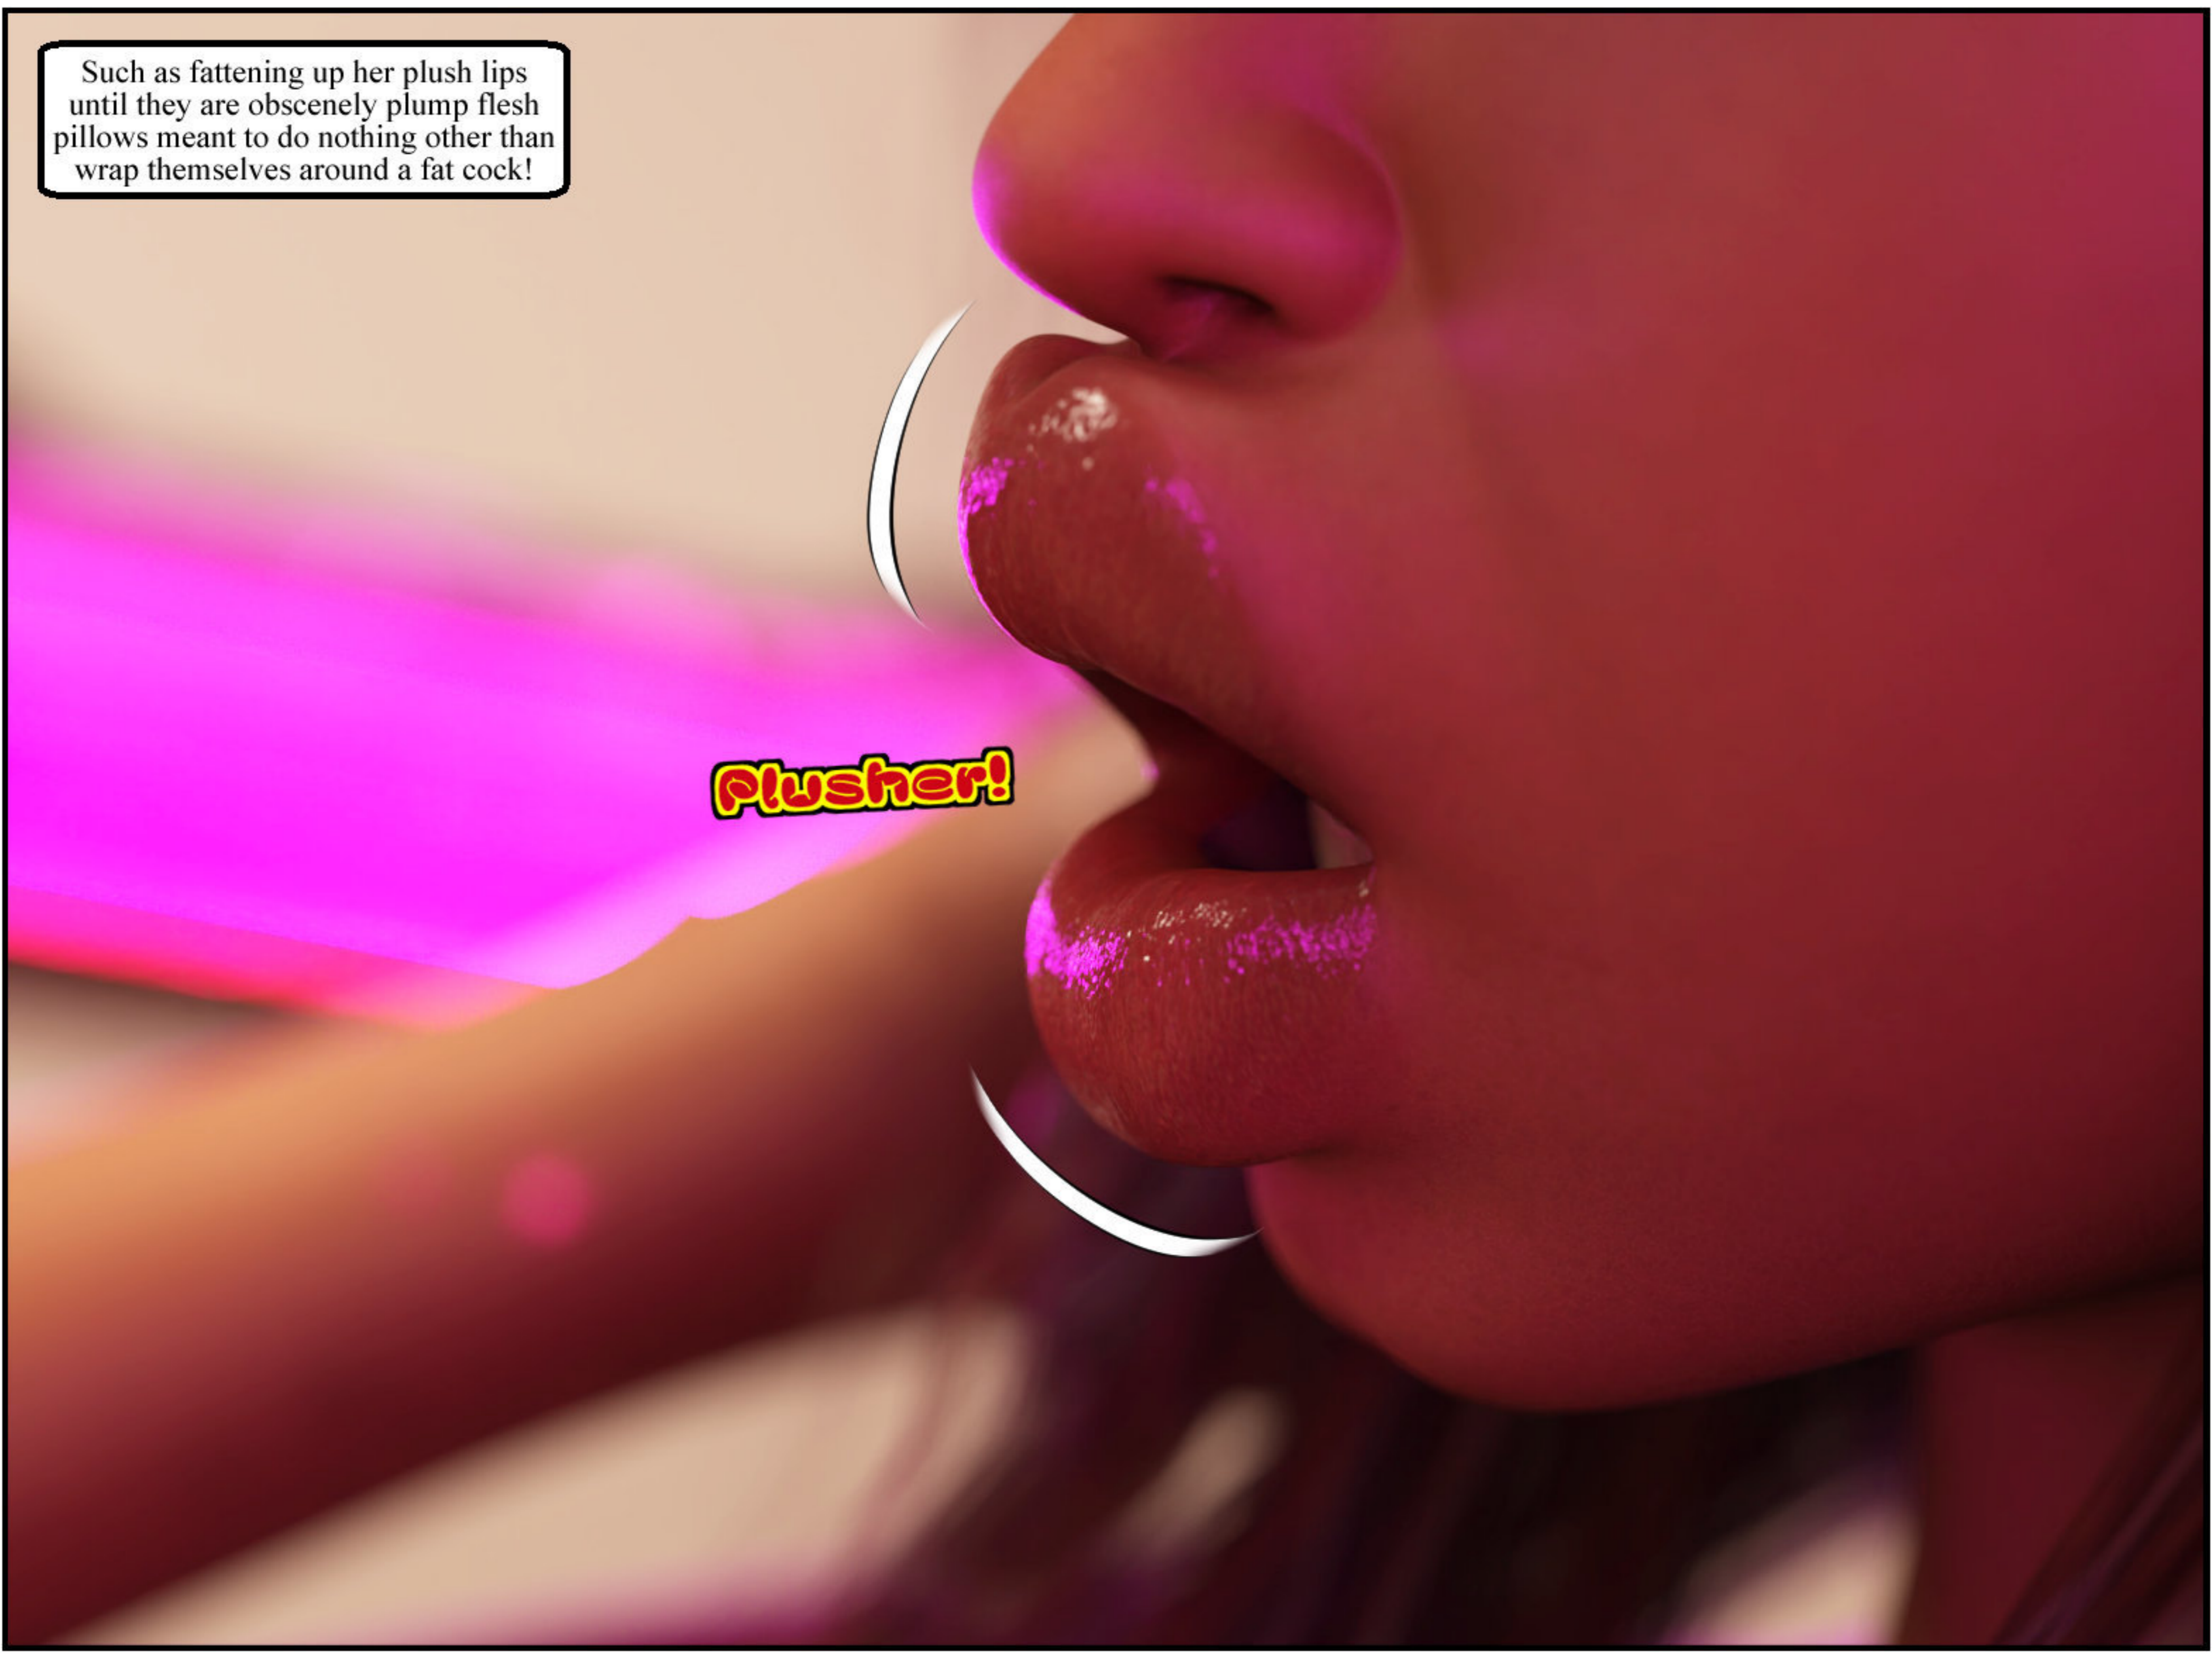

This excess power is funnelled into physical alterations, improving and increasing Sparkle's femininity.

Plumper!

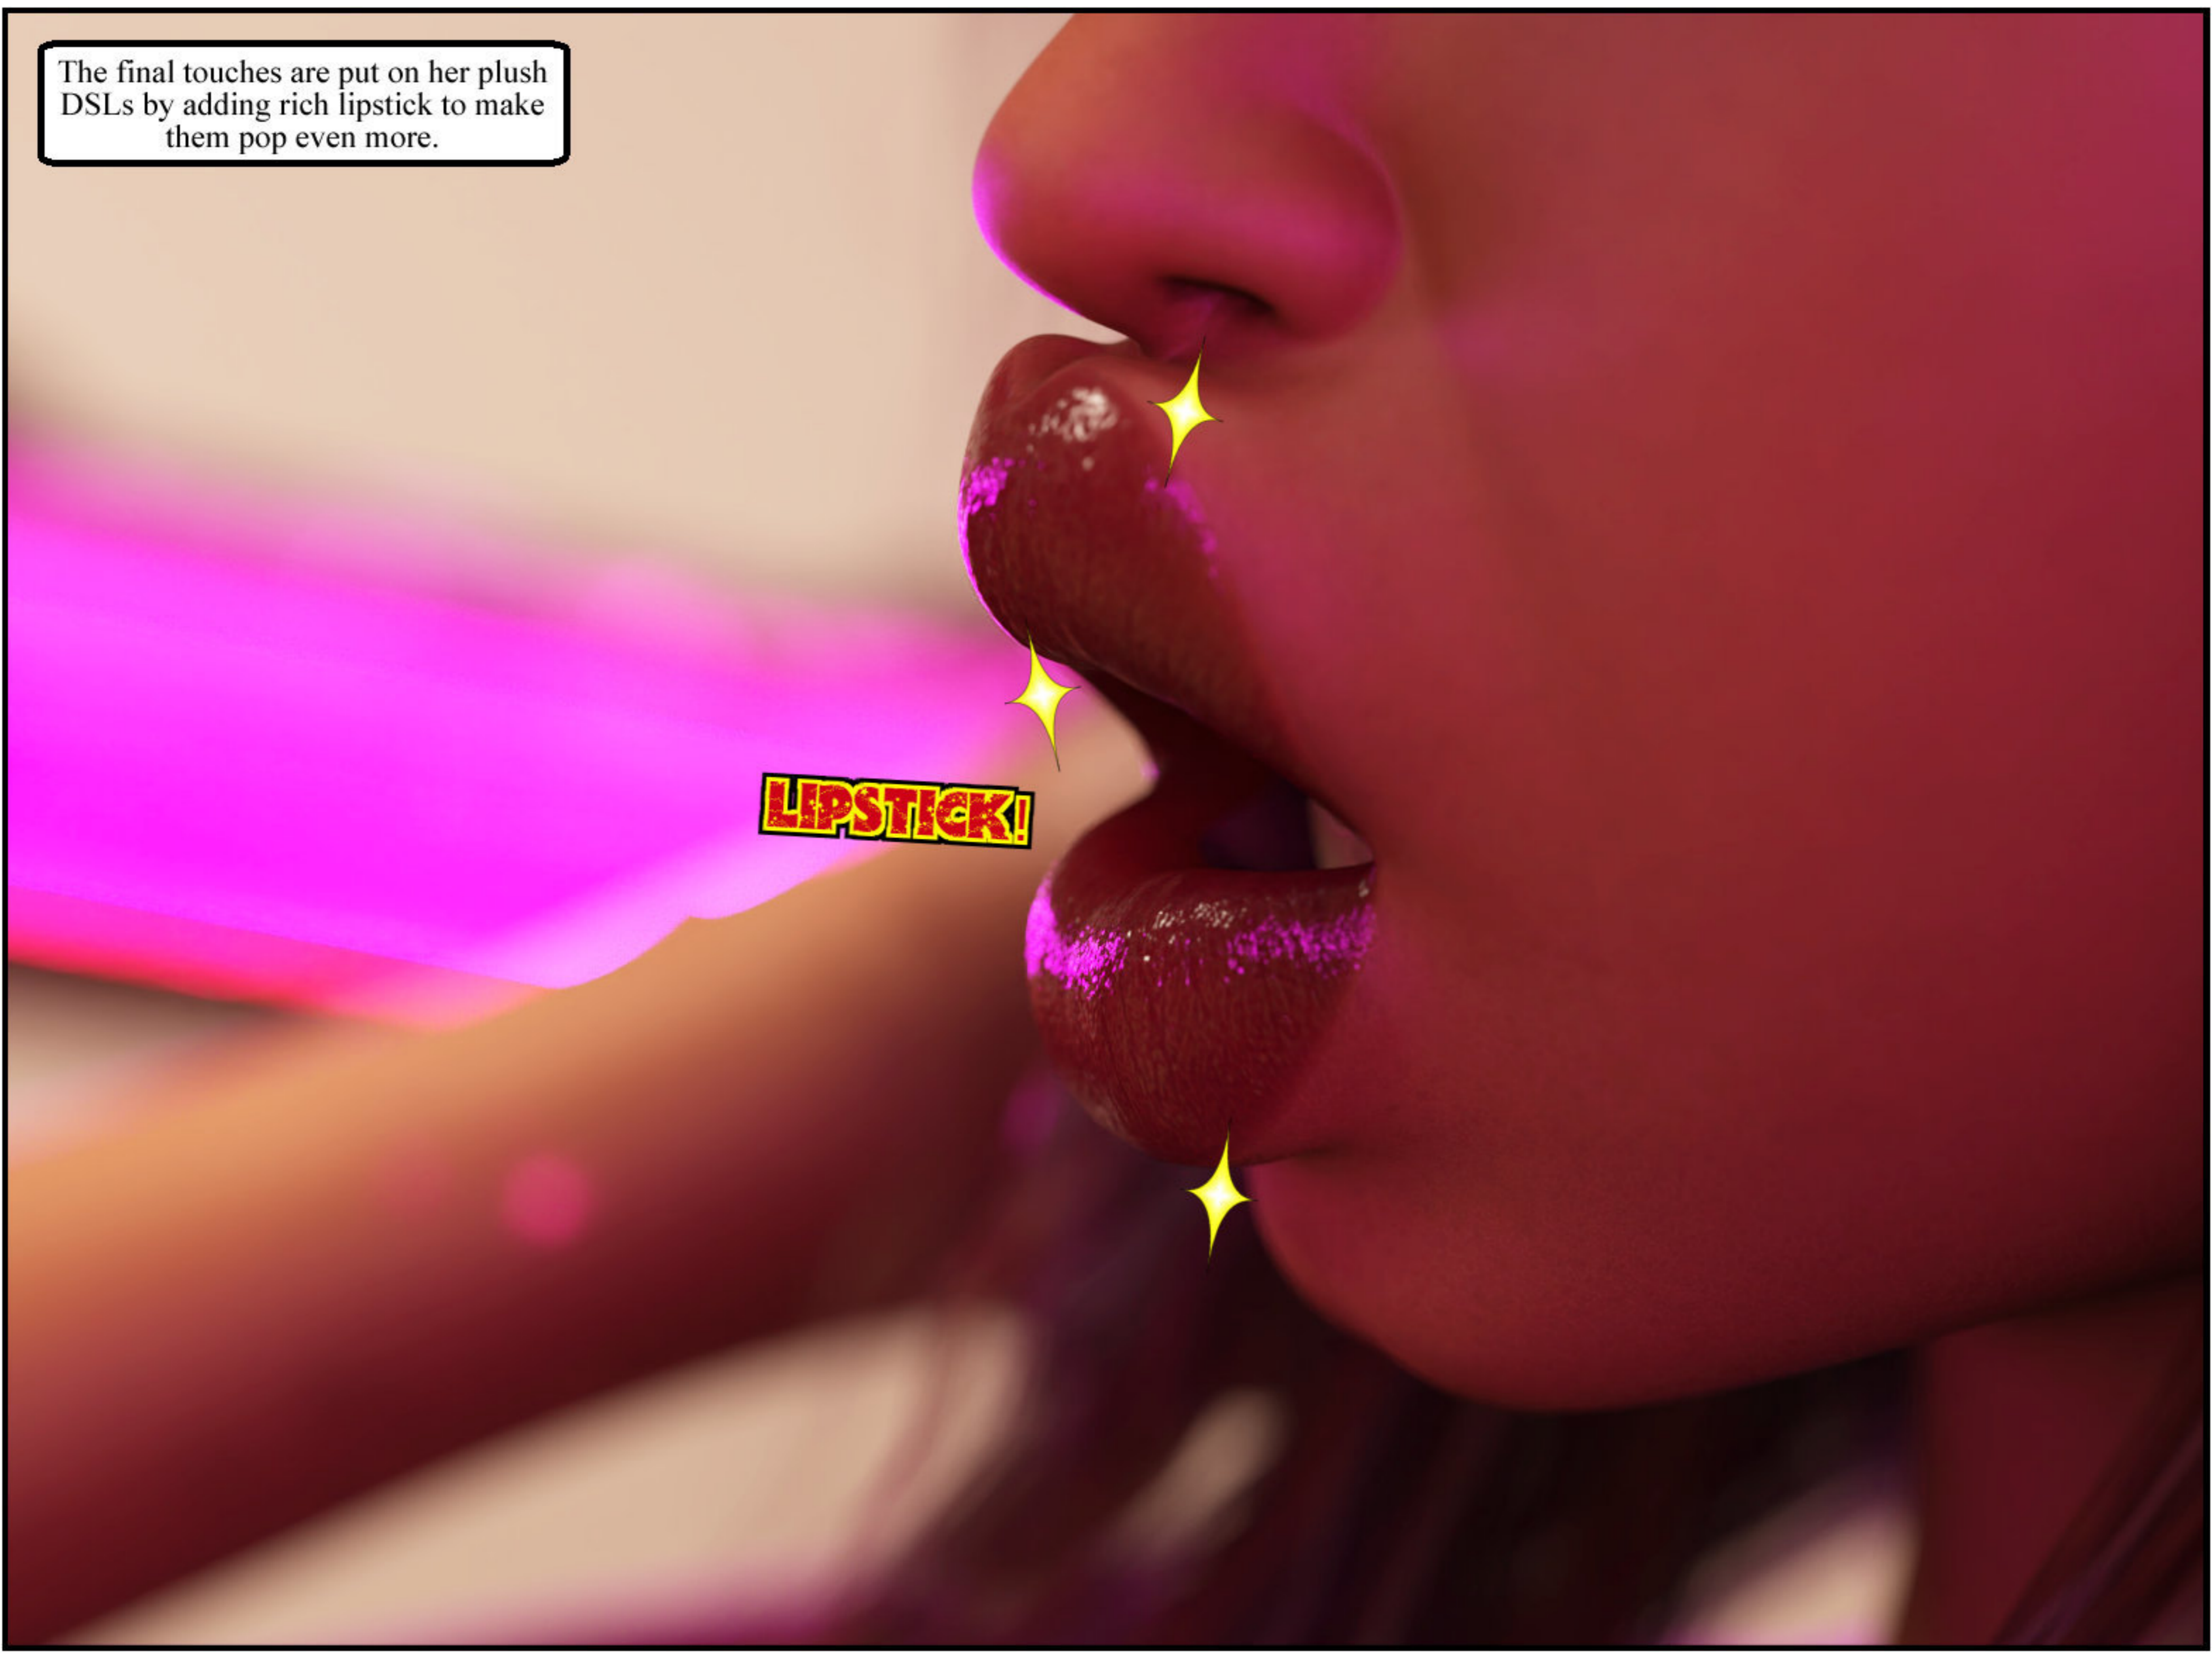

Such as fattening up her plush lips until they are obscenely plump flesh pillows meant to do nothing other than wrap themselves around a fat cock!

Plusher!

The final touches are put on her plush DSLs by adding rich lipstick to make them pop even more.

LIPSTICK!

The pink light continues to hover near Sparkle's face, and she continues to coo and moan through the changes.

Similar to staining Sparkle's lips with lipstick, her lashes are thickened as if she had applied fresh mascara.

Thicken!

More transformative energy is directed to her lashes, causing them to grow longer as well as thicker.

Lengthen!

Until they are incredibly thick, long, and curly. Deliciously sexy lashes that compliment her luxurious lips.

Rich!

Lavish!

One last touch is done to her face, as beautiful makeup enhances the sexy look of her eyes in a similar fashion to the stars that were added to her skin.

MAKEUP!

The combination of these changes alters Sparkle's look significantly and makes her much sexier and sluttier.

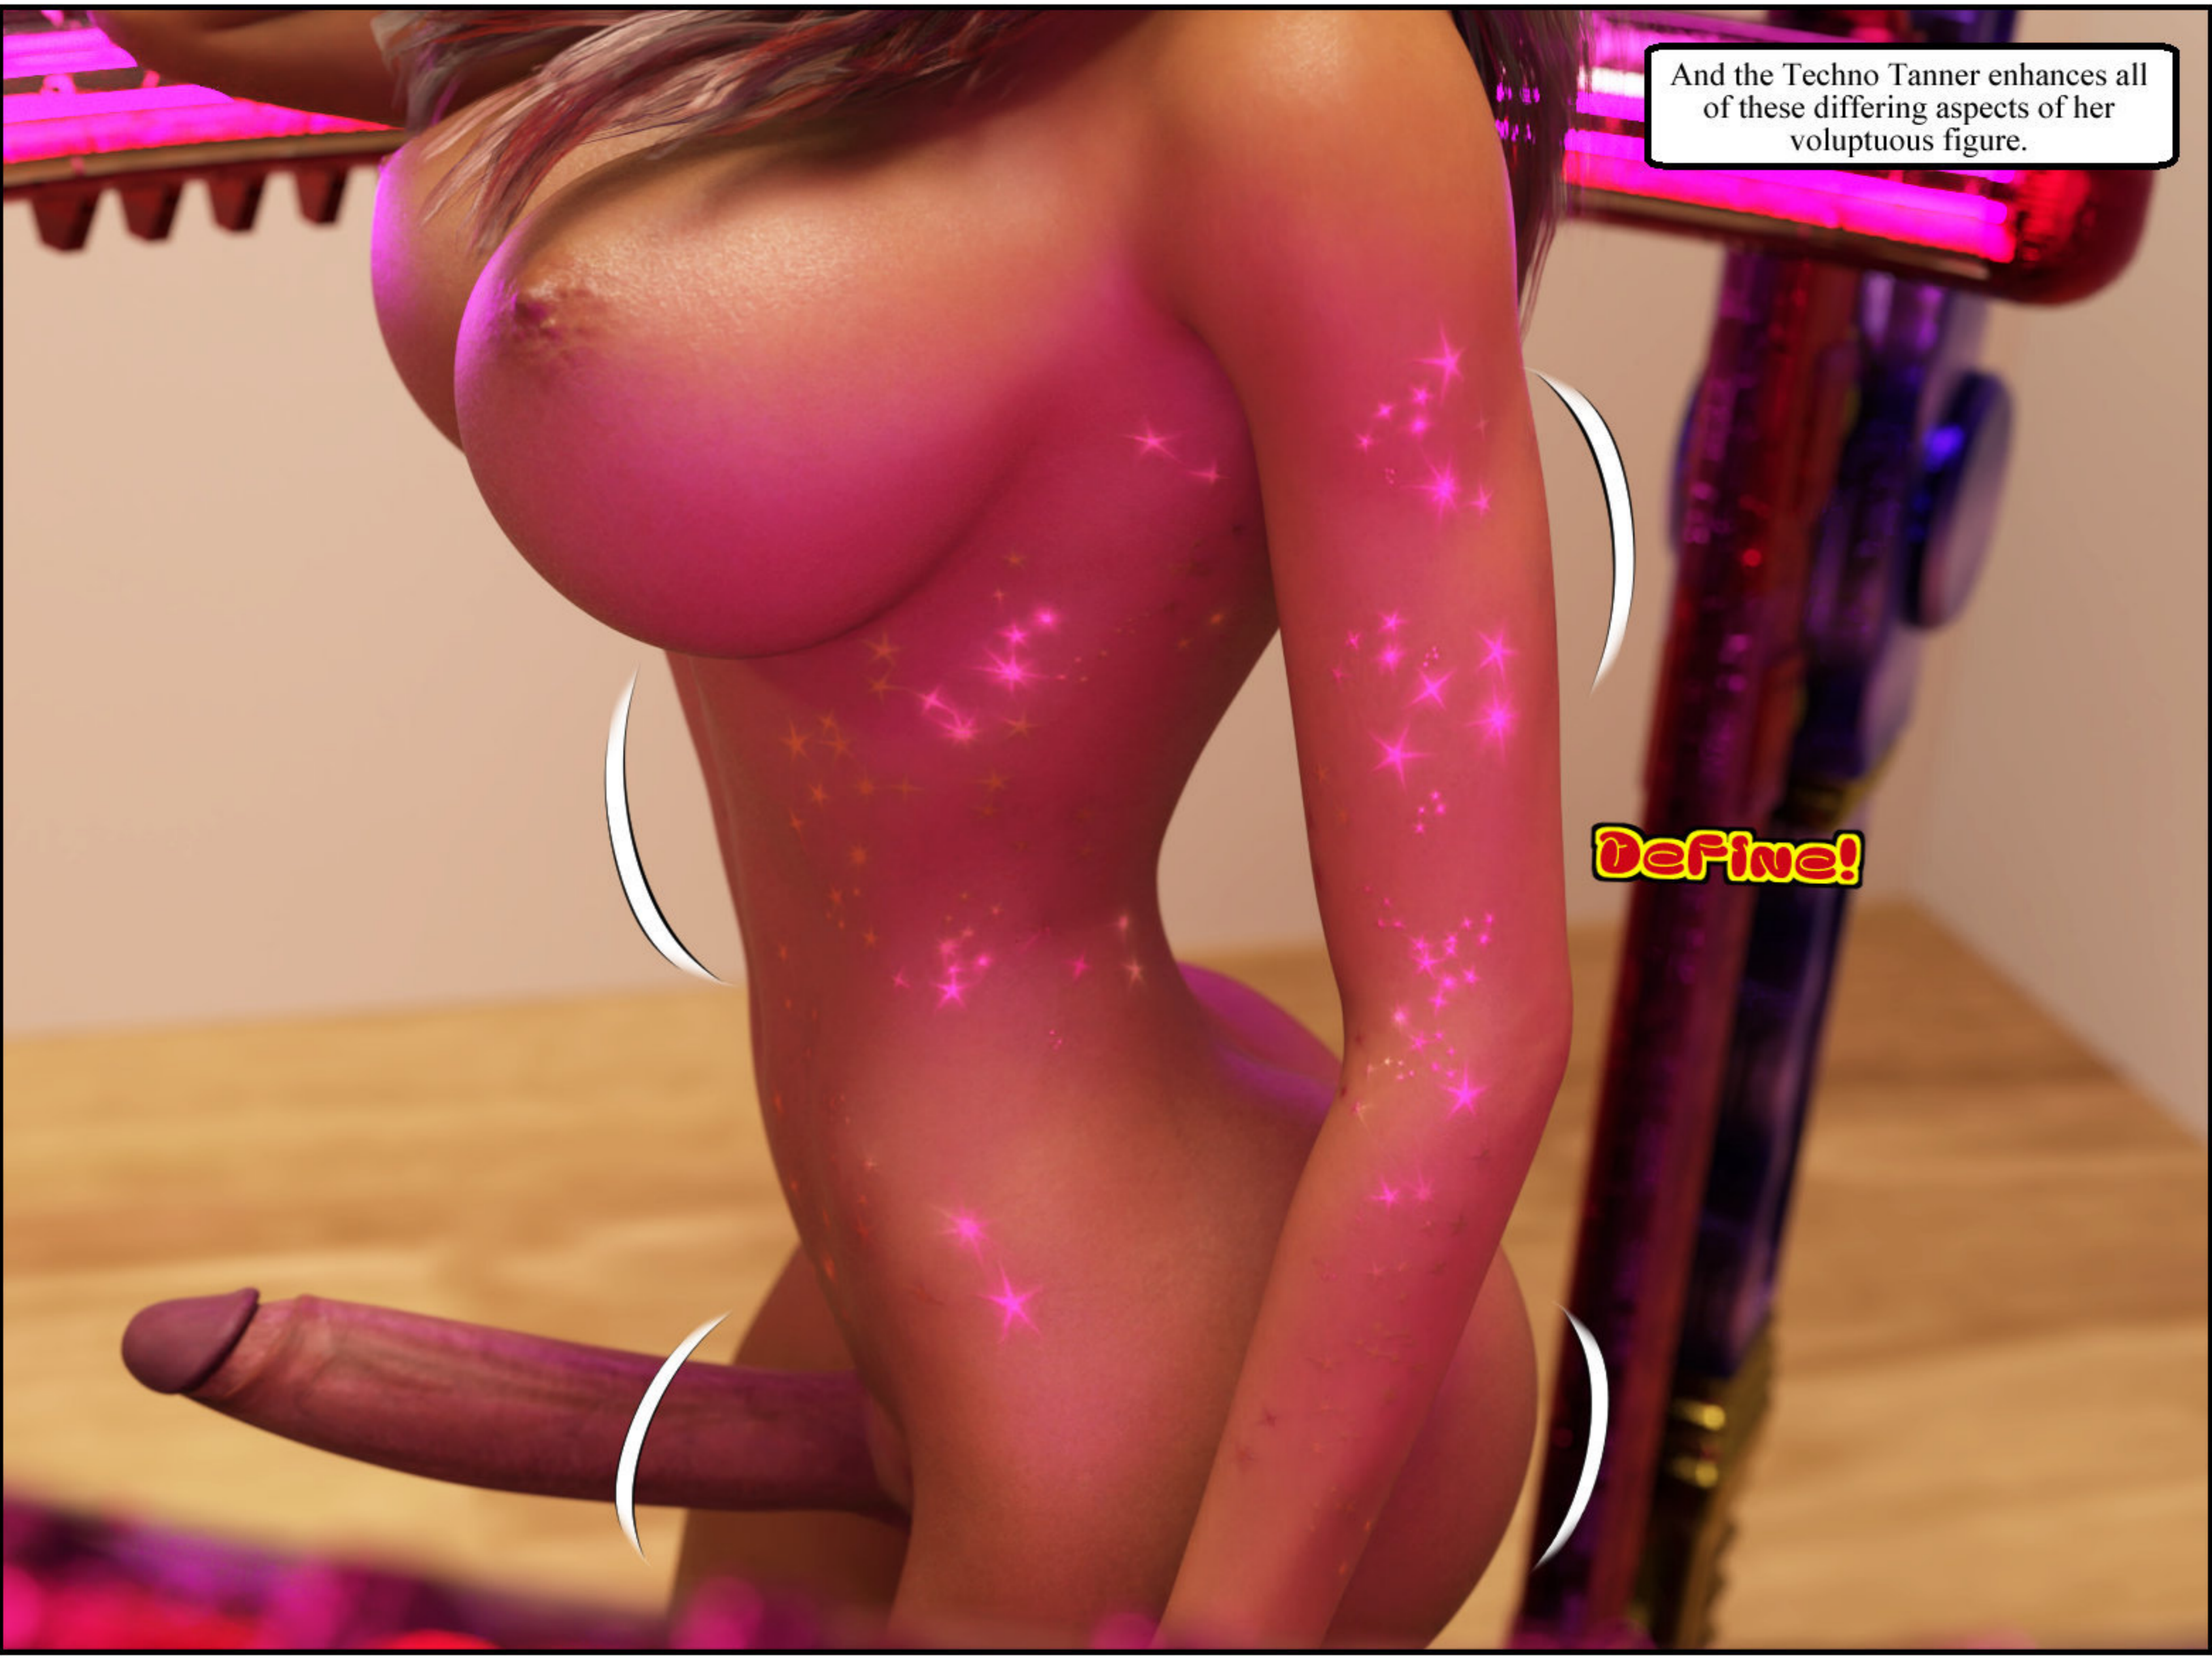

Fuck!
This feels
so good. It's making
me so damn
horny!

However, there are aspects of her body that are feminine and there are things about her that are masculine.

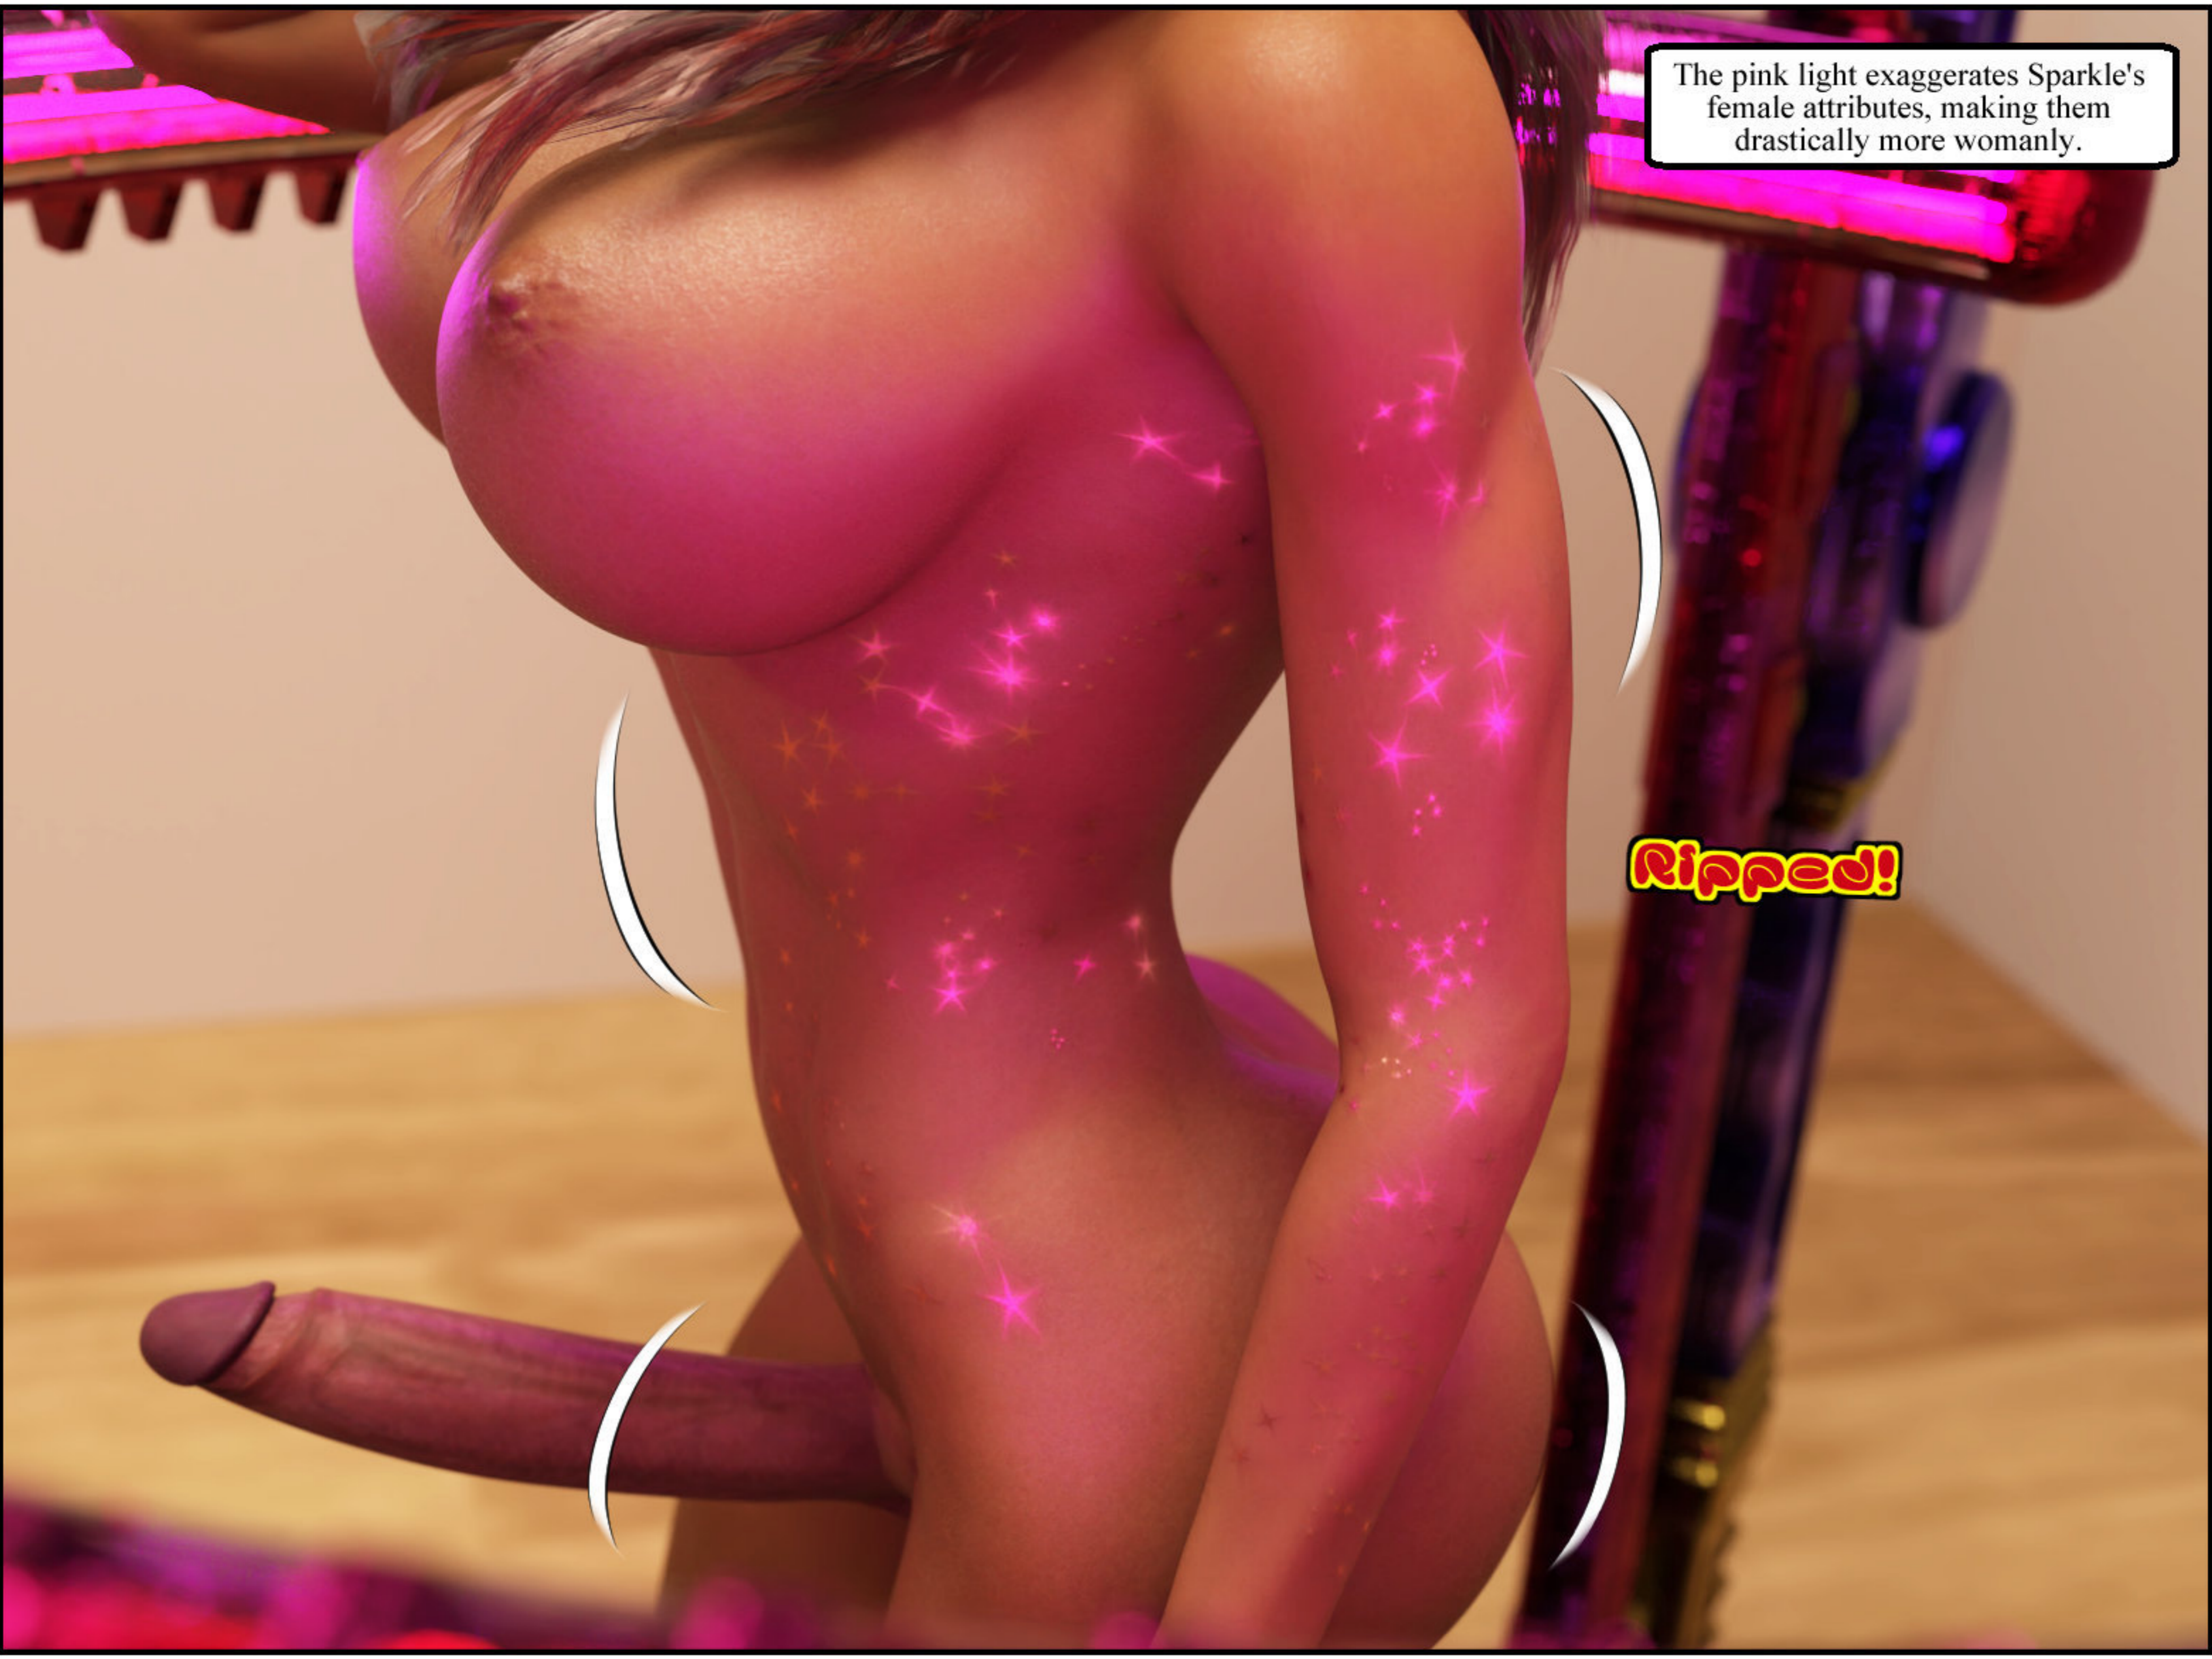

And the Techno Tanner enhances all of these differing aspects of her voluptuous figure.

Define!

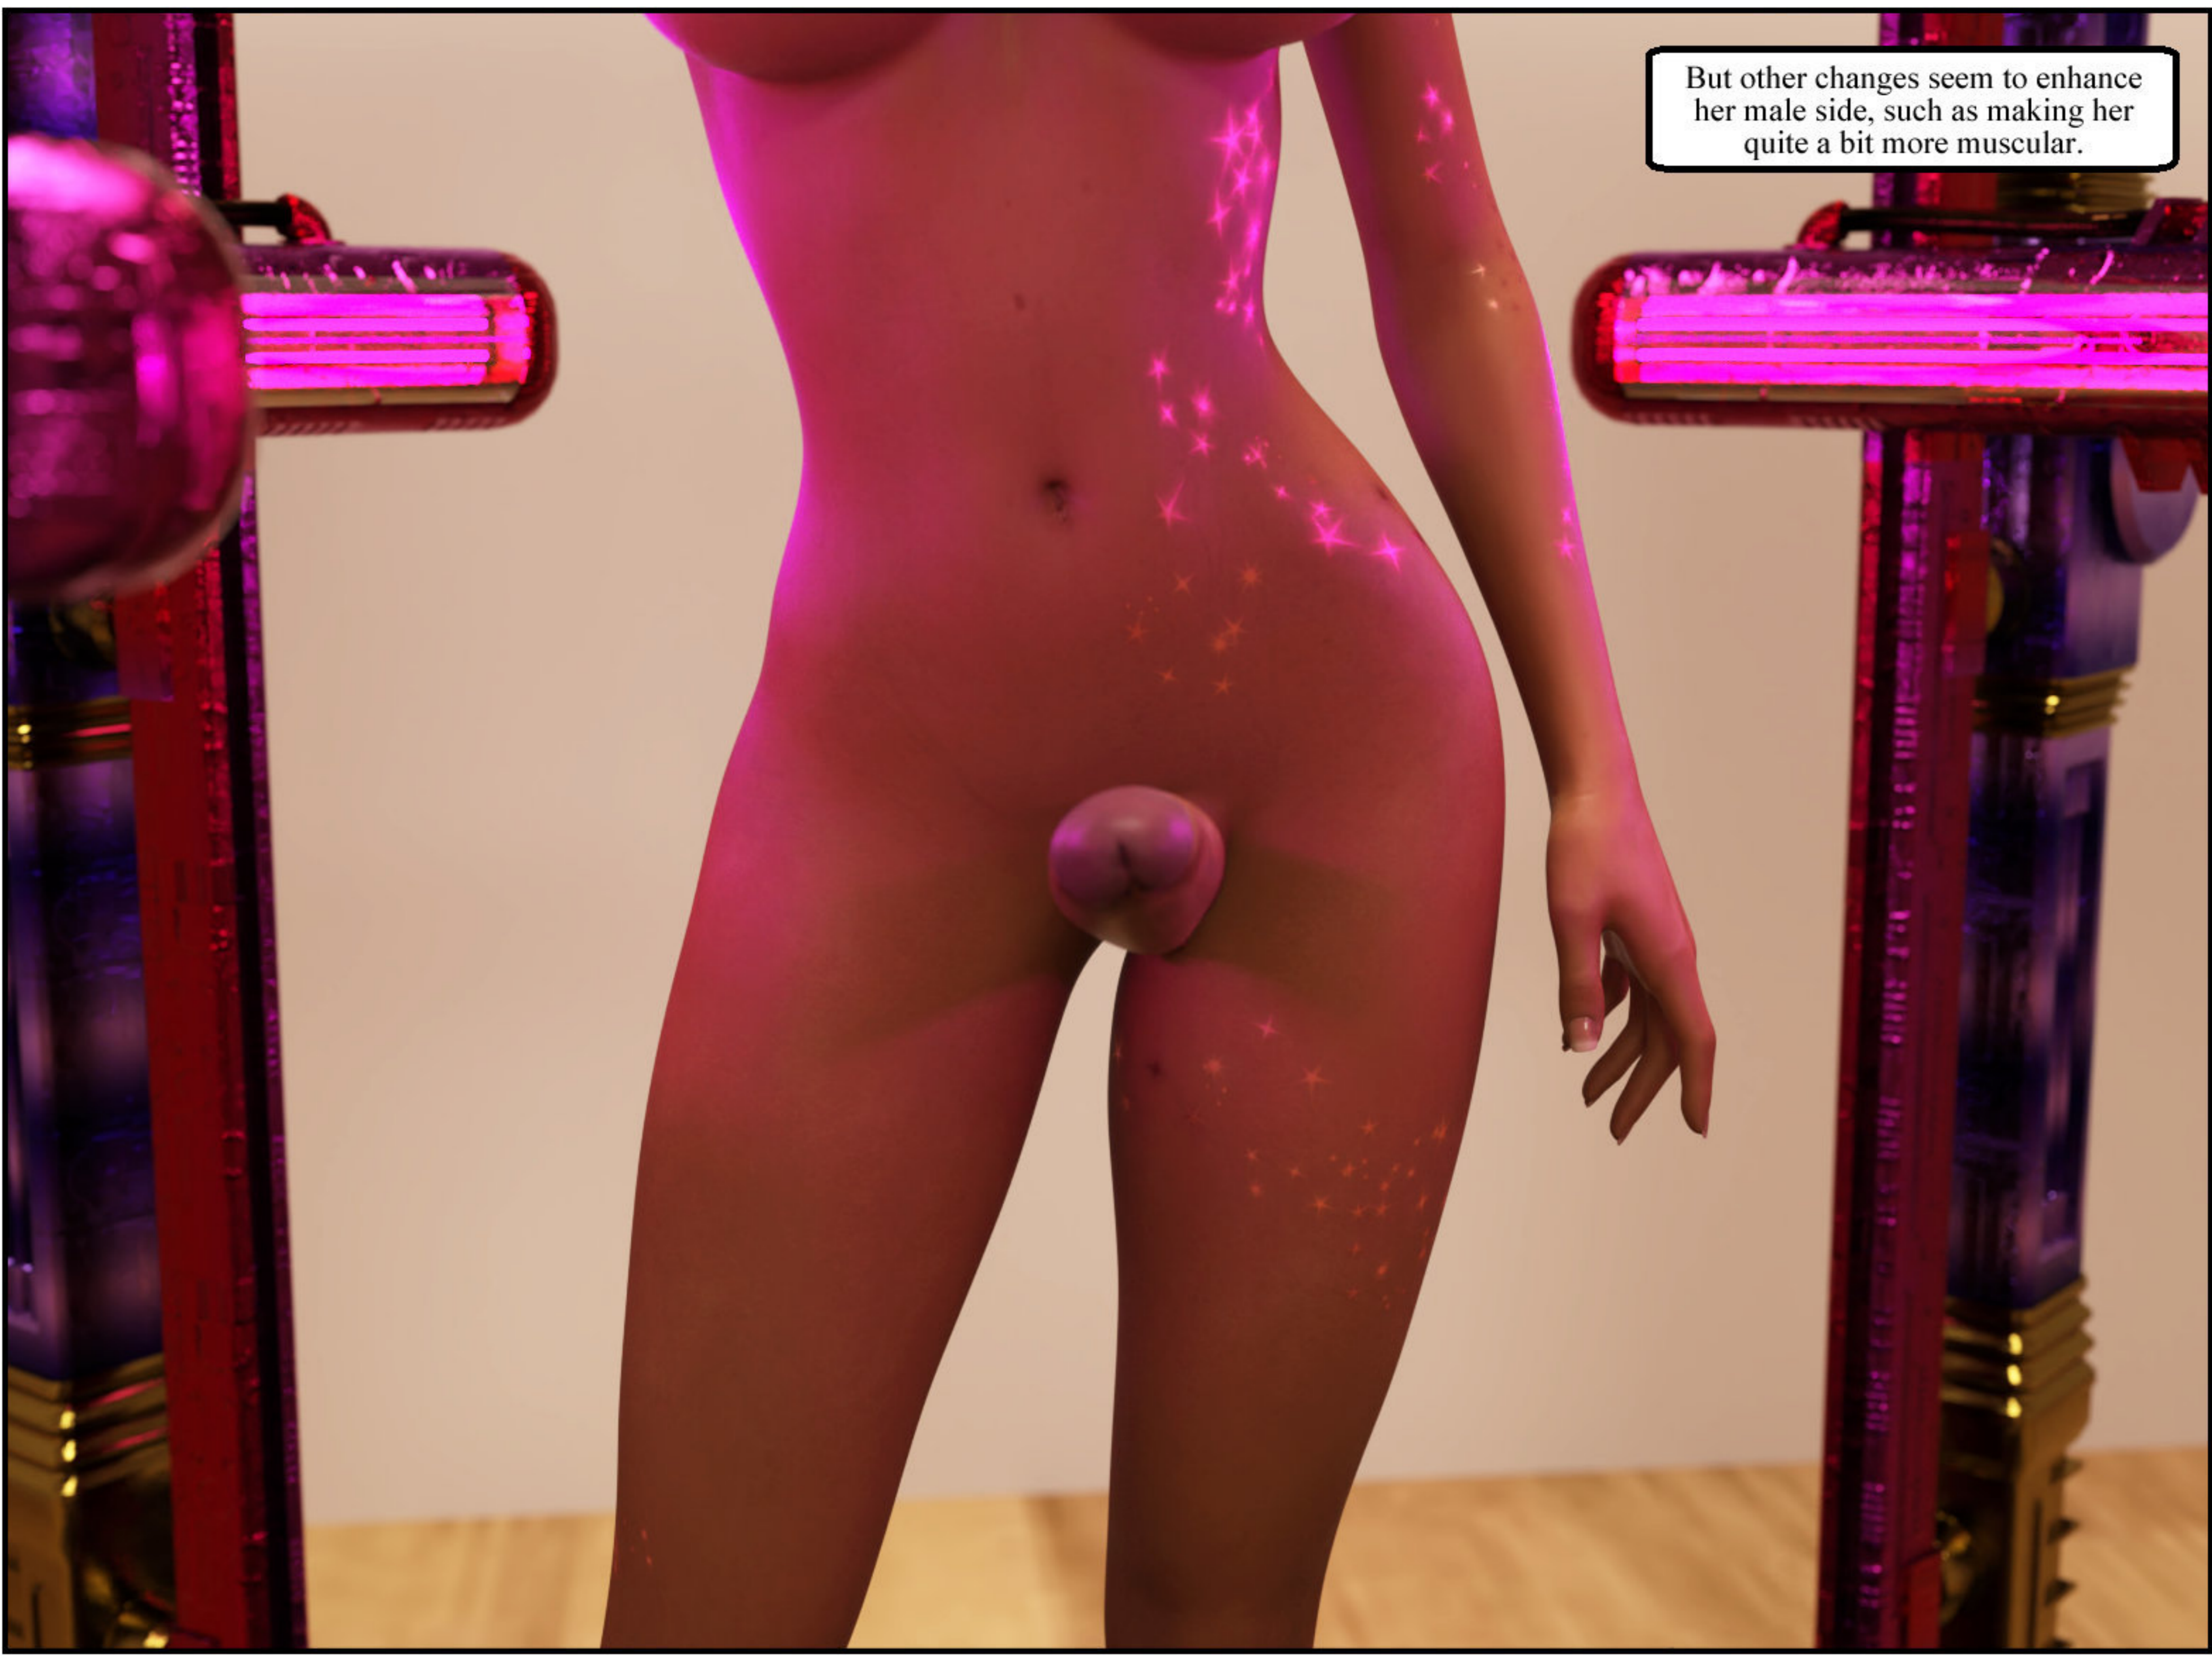

The pink light exaggerates Sparkle's female attributes, making them drastically more womanly.

Ripped!

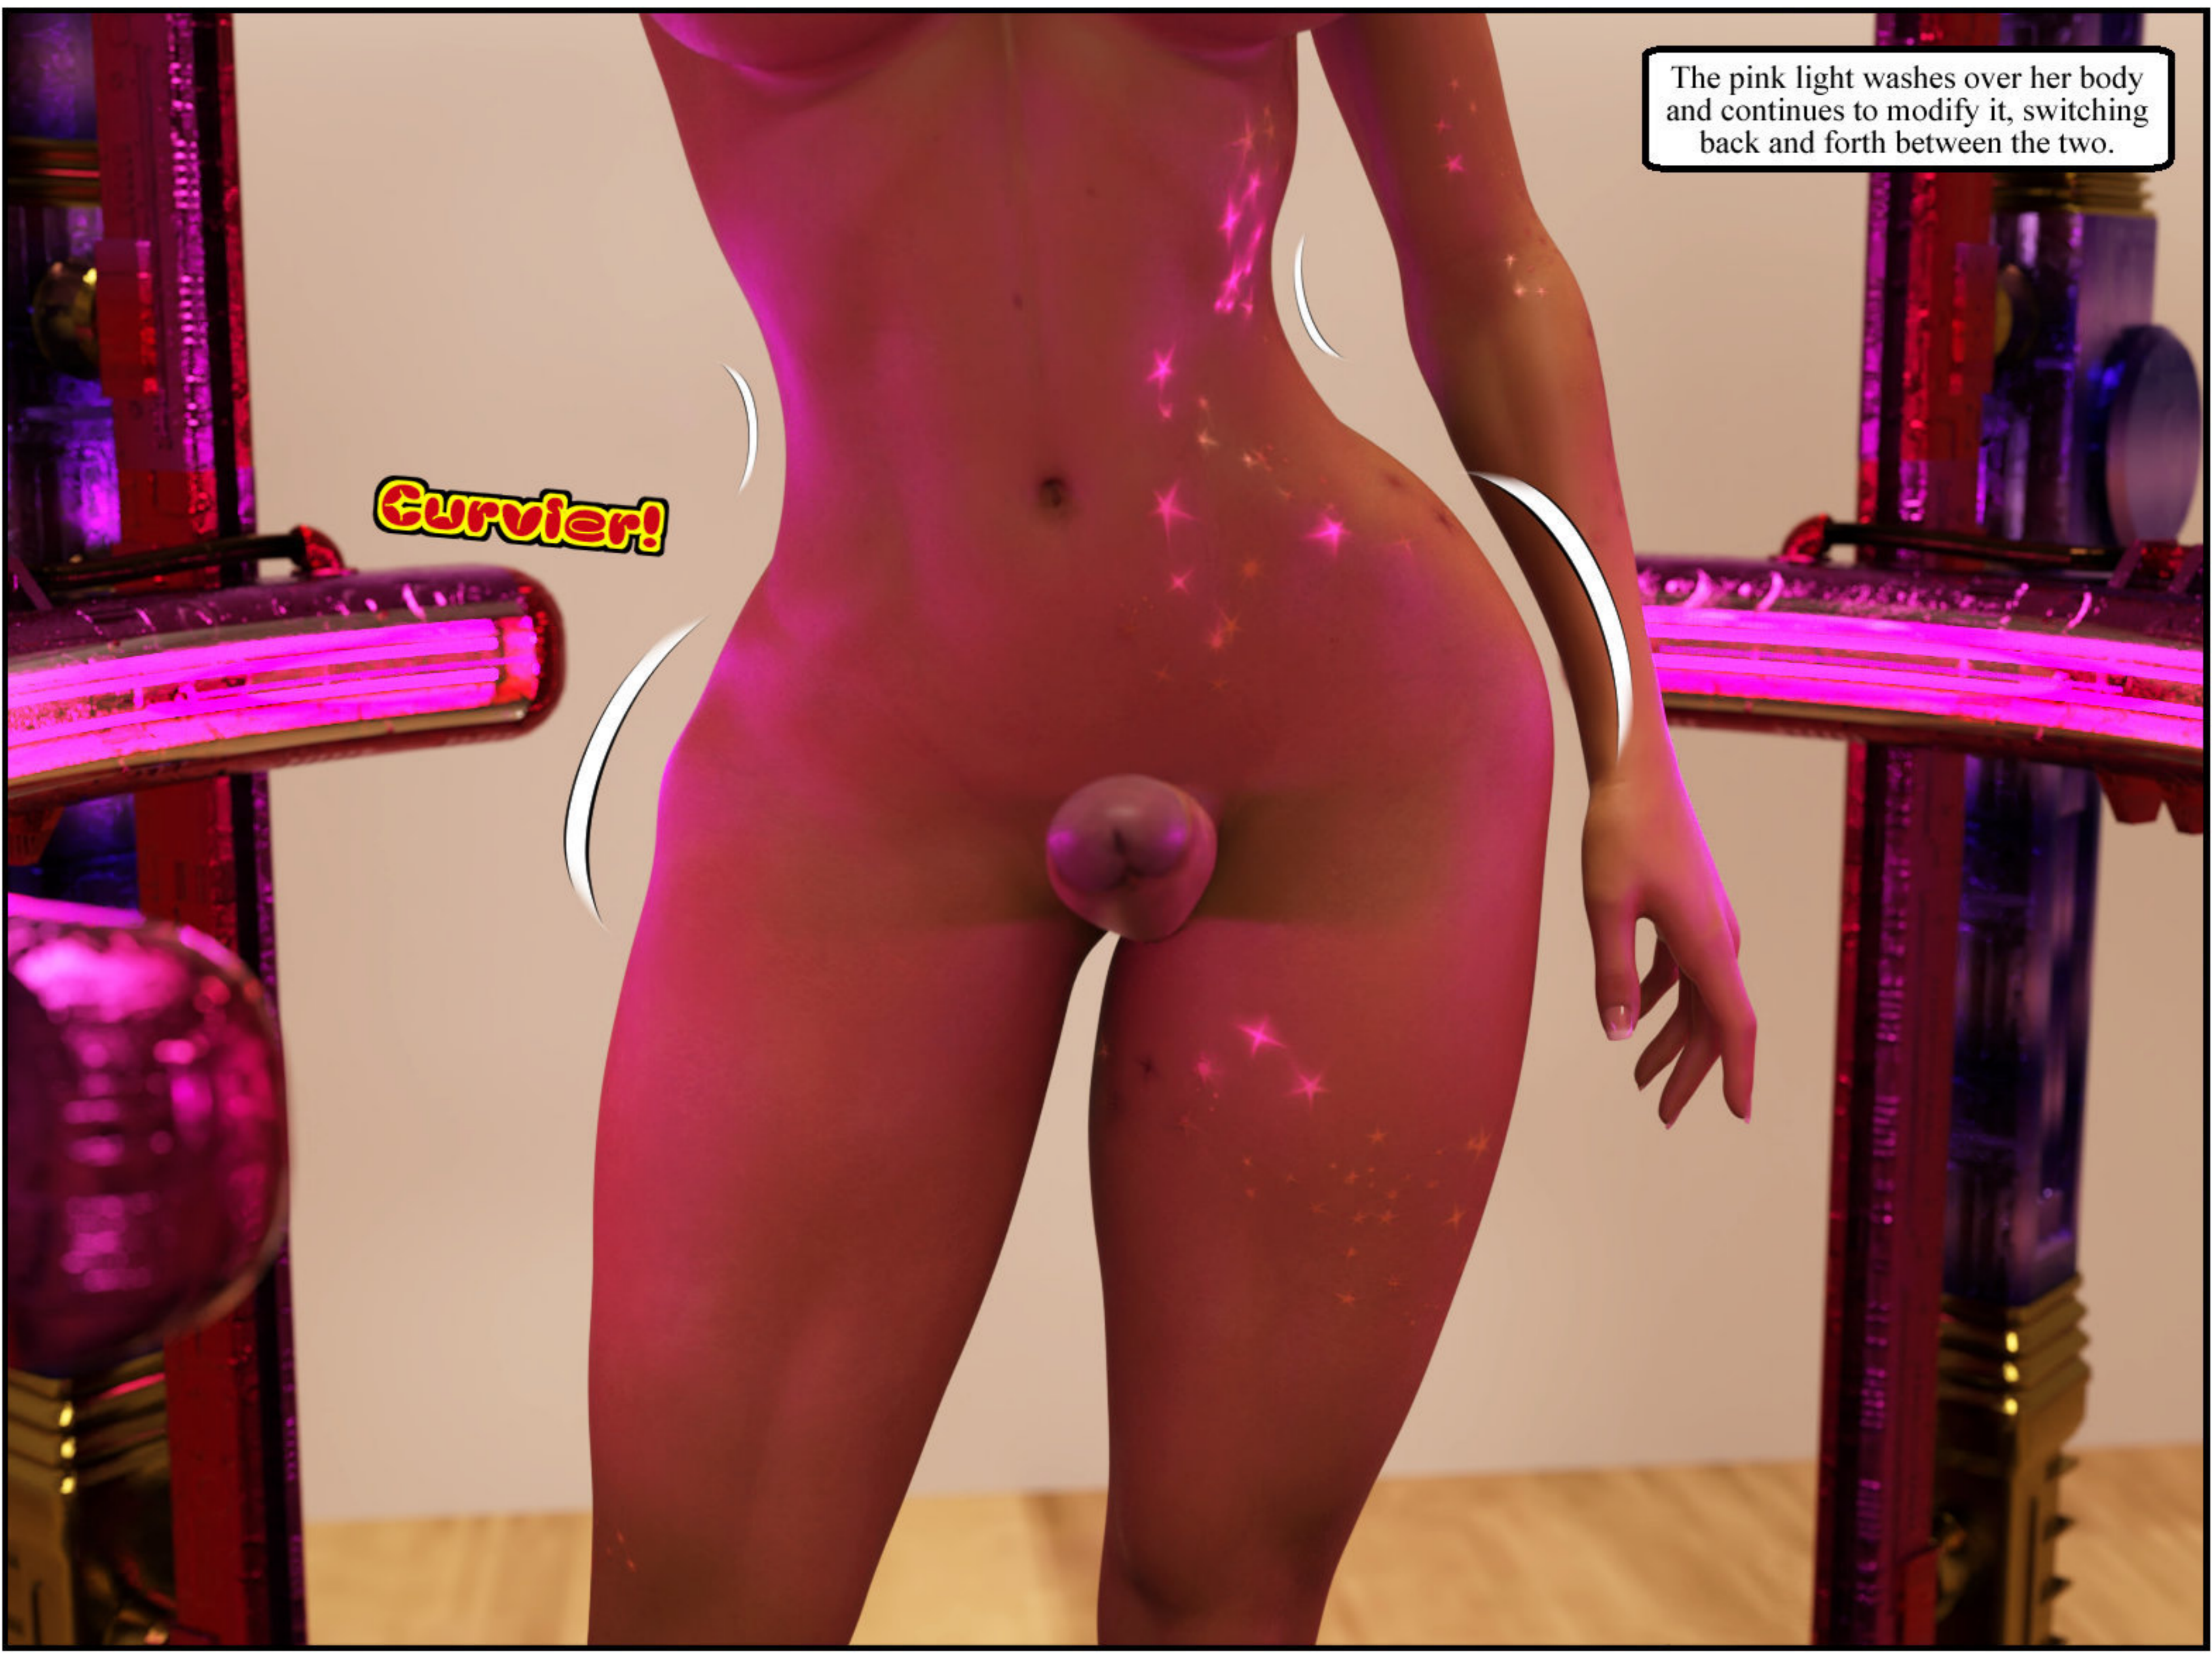

But other changes seem to enhance her male side, such as making her quite a bit more muscular.

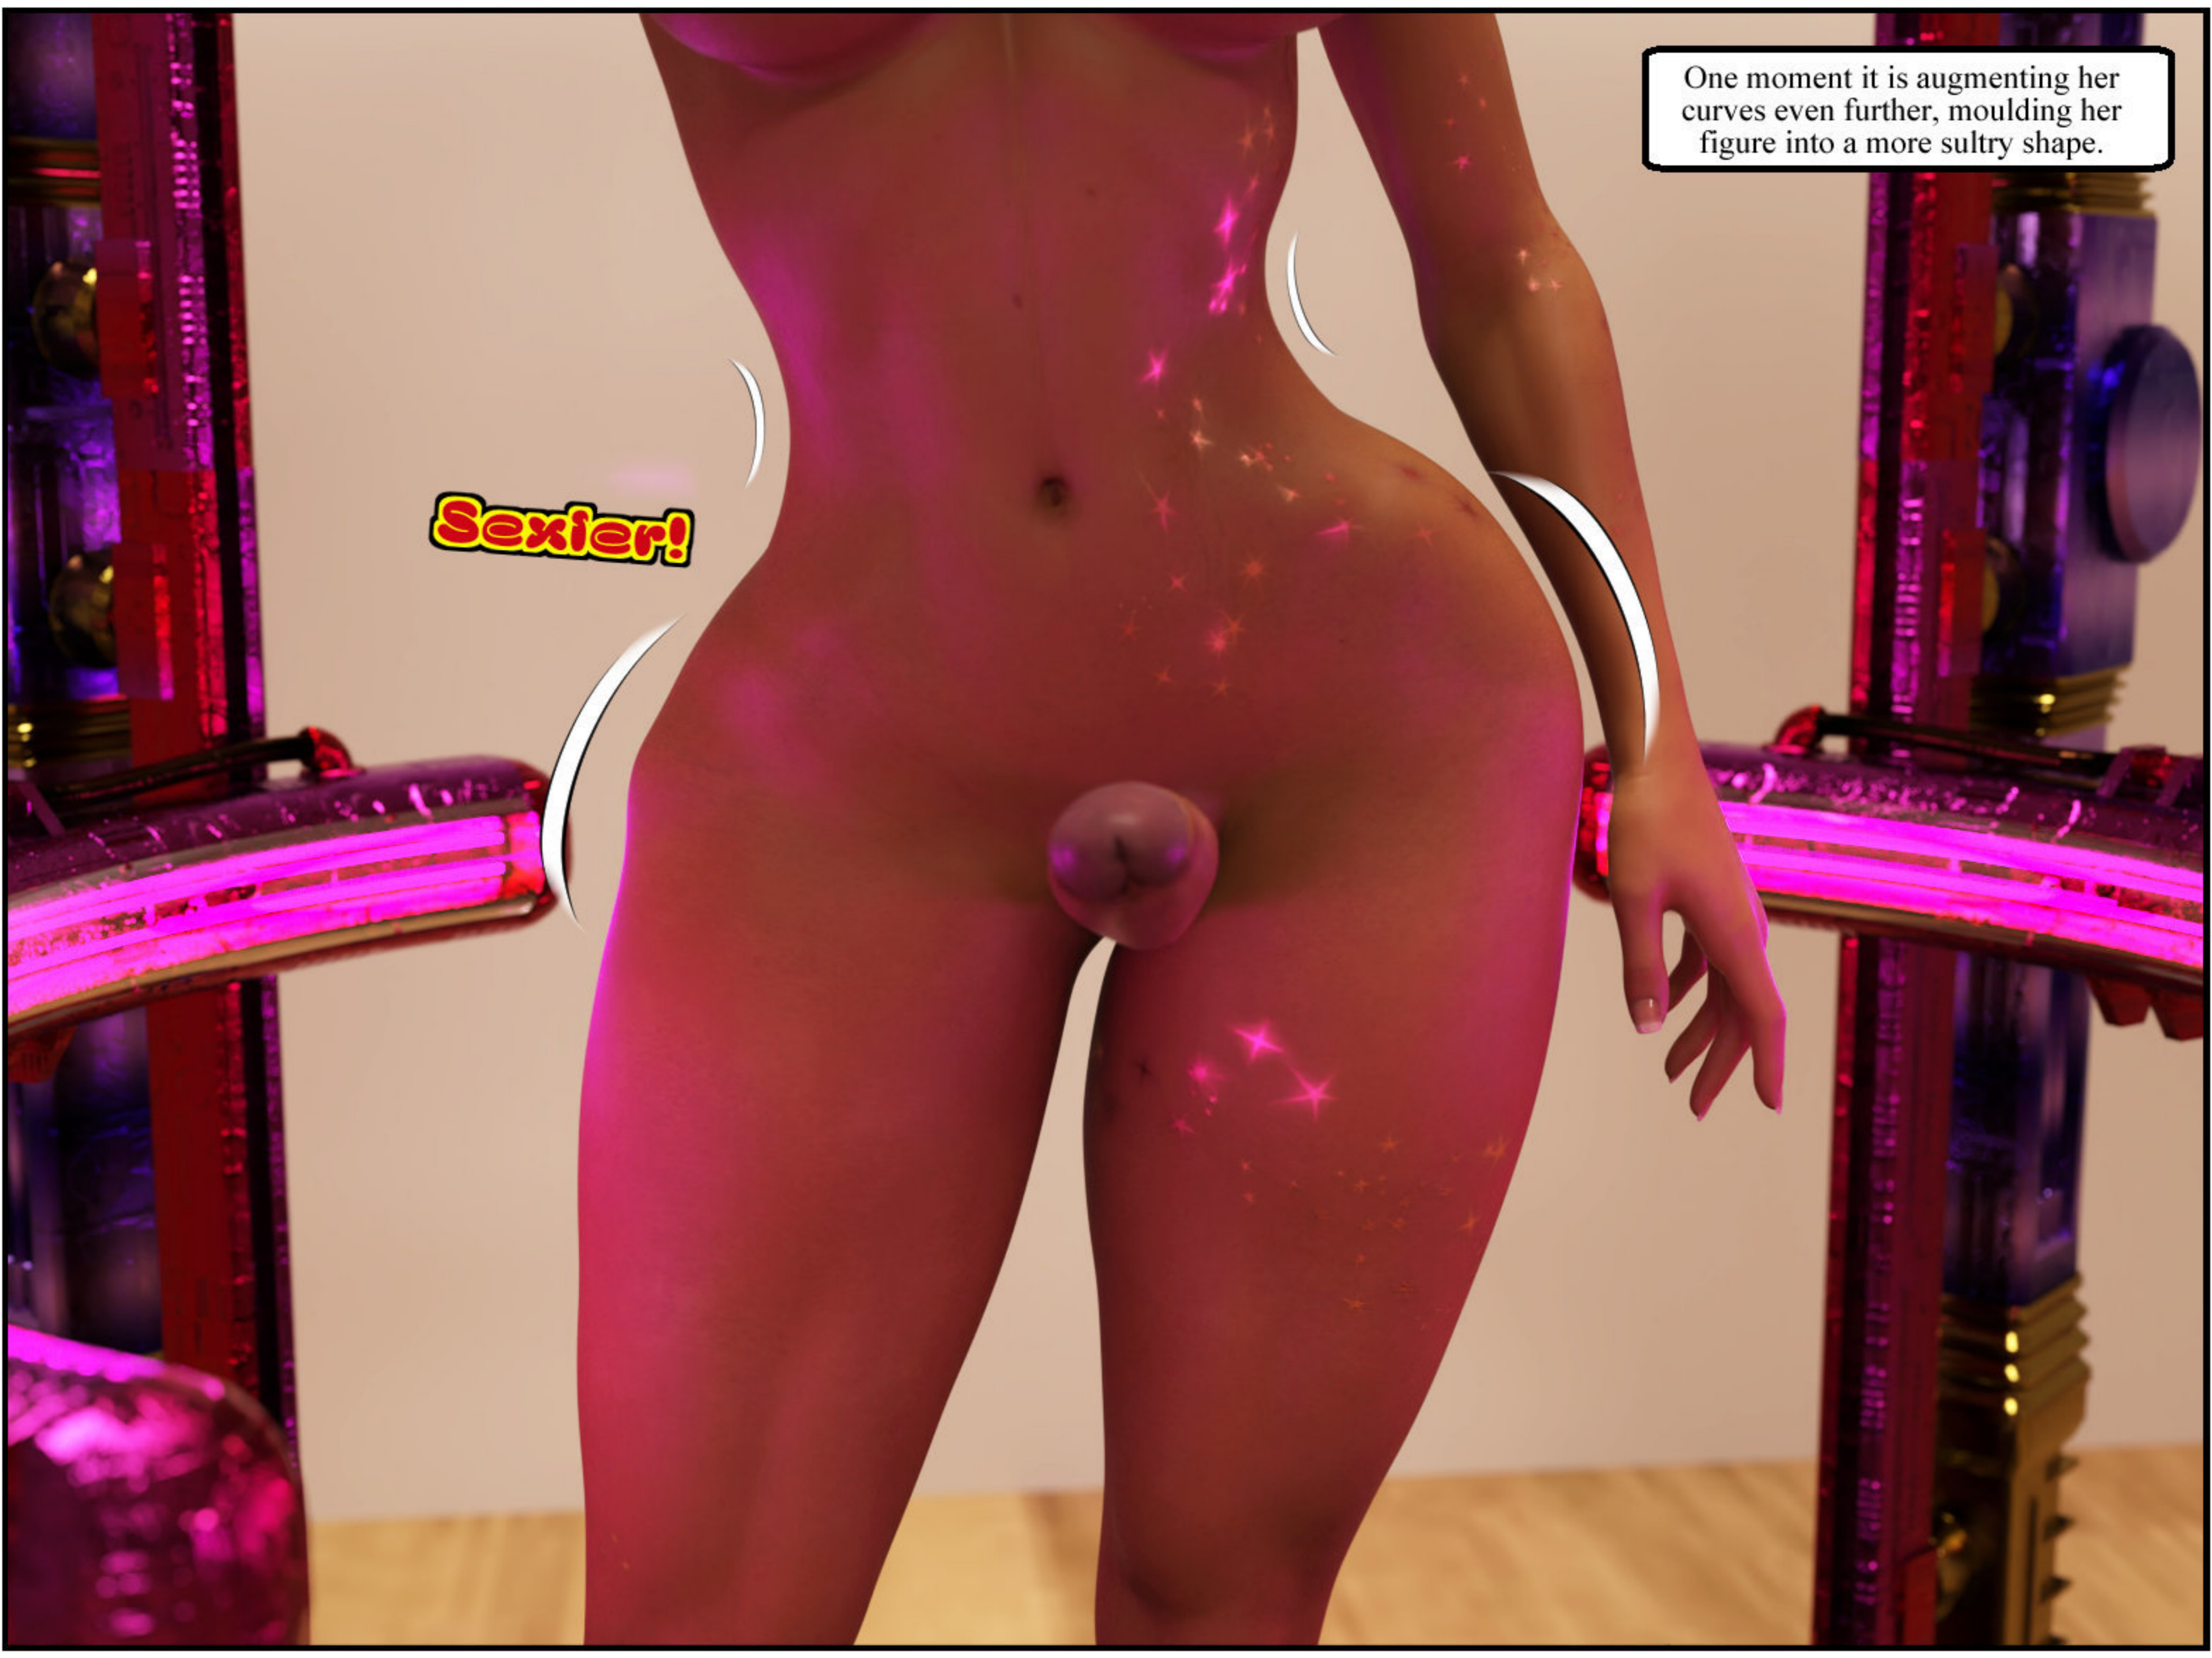

The pink light washes over her body and continues to modify it, switching back and forth between the two.

Curvier!

One moment it is augmenting her curves even further, moulding her figure into a more sultry shape.

Sexier!

The next moment, the machine seems to pick out a more masculine part of her and improves it just as much.

MooOoAaaanNn!!!

As the warm, pink light and electric tingles reach Sparkle's fat cock, her moans intensify considerably.

Bigger!

YyyeEeesSsssSsss!!

She nearly loses control of herself and starts pumping her dick, even as it fills her hands more and more.

Thicker!

Longer!

She can feel it twitching and throbbing in her tightening grip. Pre-cum drips from the end with her increasing need.

Grow!

The need to shove her huge cock deep inside of someone, or in between some giant fucking titties.

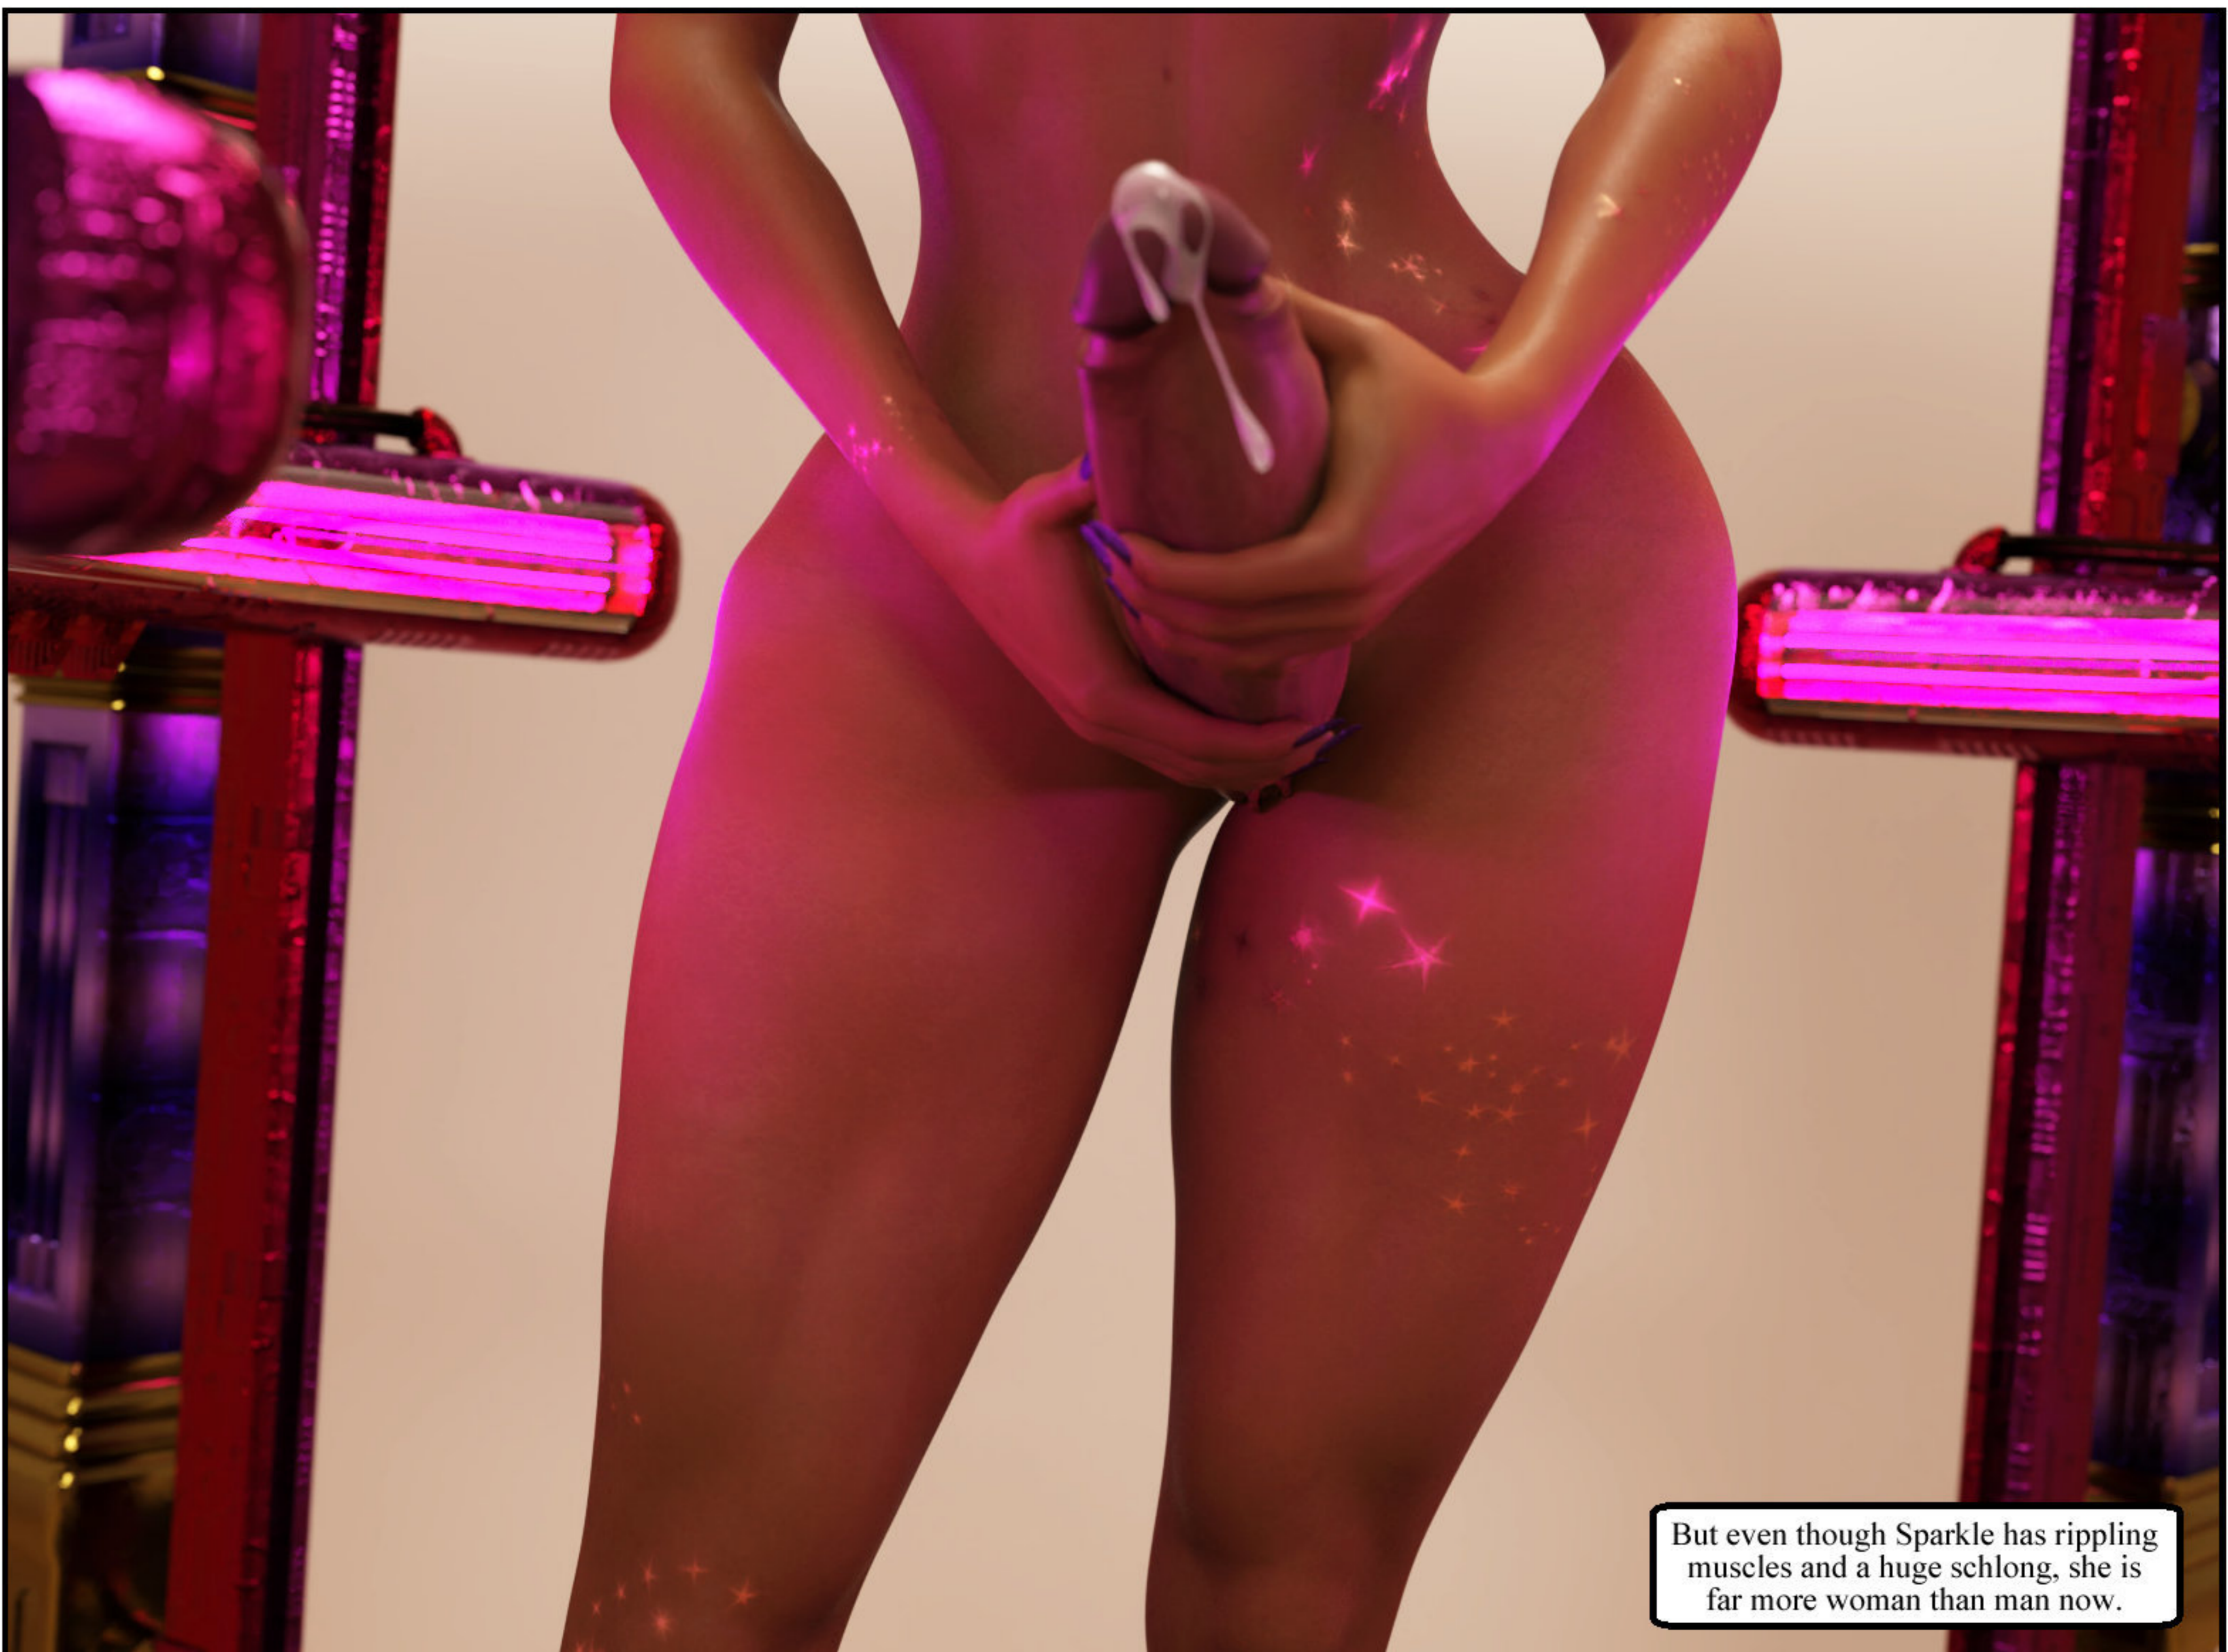

Extend!

That throbbing sends vibrations through her hands, down to the tips of her fingers, and even into her nails.

DLING!

Nails that grow longer and change in line with the more feminine themes of her transformation.

But even though Sparkle has rippling muscles and a huge schlong, she is far more woman than man now.

A woman with a very slender, hourglass-like physique is lying on her back on a table. She is wearing a red bikini. Her arms are raised, and her legs are spread apart. A glowing pink, futuristic-looking device is positioned between her legs. The scene is lit with vibrant pink and purple lights, creating a futuristic or sci-fi atmosphere. There are several white, curved motion lines around the woman's body, suggesting movement or a process. The text "Extra Hourglass!" is written in a stylized, yellow font with a black outline in the upper left corner.

Extra Hourglass!

Which leaves the machine little choice, other than to continue enhancing and augmenting those aspects of her increasingly hot body.

Not just hot in the fact that her ripe body is becoming ever more sexy, but her temperature and arousal are both rising the longer she stays in front of the tanning lamps.

Riper!

But Sparkle doesn't care. She is too busy revelling in the erotic sparks jolting through her body and pumping her huge, throbbing dong with her much cuter and sexier hands.

A close-up photograph of a woman's buttocks, which are the central focus of the image. The skin is a warm, reddish-pink color. The background is a dimly lit club or stage with bright pink neon lights and a blurred crowd of people. A hand is visible on the left side, touching the buttock. A white curved line points from the text 'Bubblier!' towards the buttock. There are small white starburst effects on the skin.

Bubblier!

The fact that she can feel something being pumped into her obscene figure, making it even more curvaceous and lewd, just adds to her rising arousal.

Juicier!

She can feel her thighs getting thicker, her waist narrowing, her hips pushing out wider, and her giant ass becoming juicier and juicier and **juicier!**

Part of Sparkle's growing horniness is caused by her anticipation. There is one body part in particular that she has been waiting to feel grow.

Crow!

The light bar has been travelling up, down, and all over her body, but it finally comes to rest near her chest.

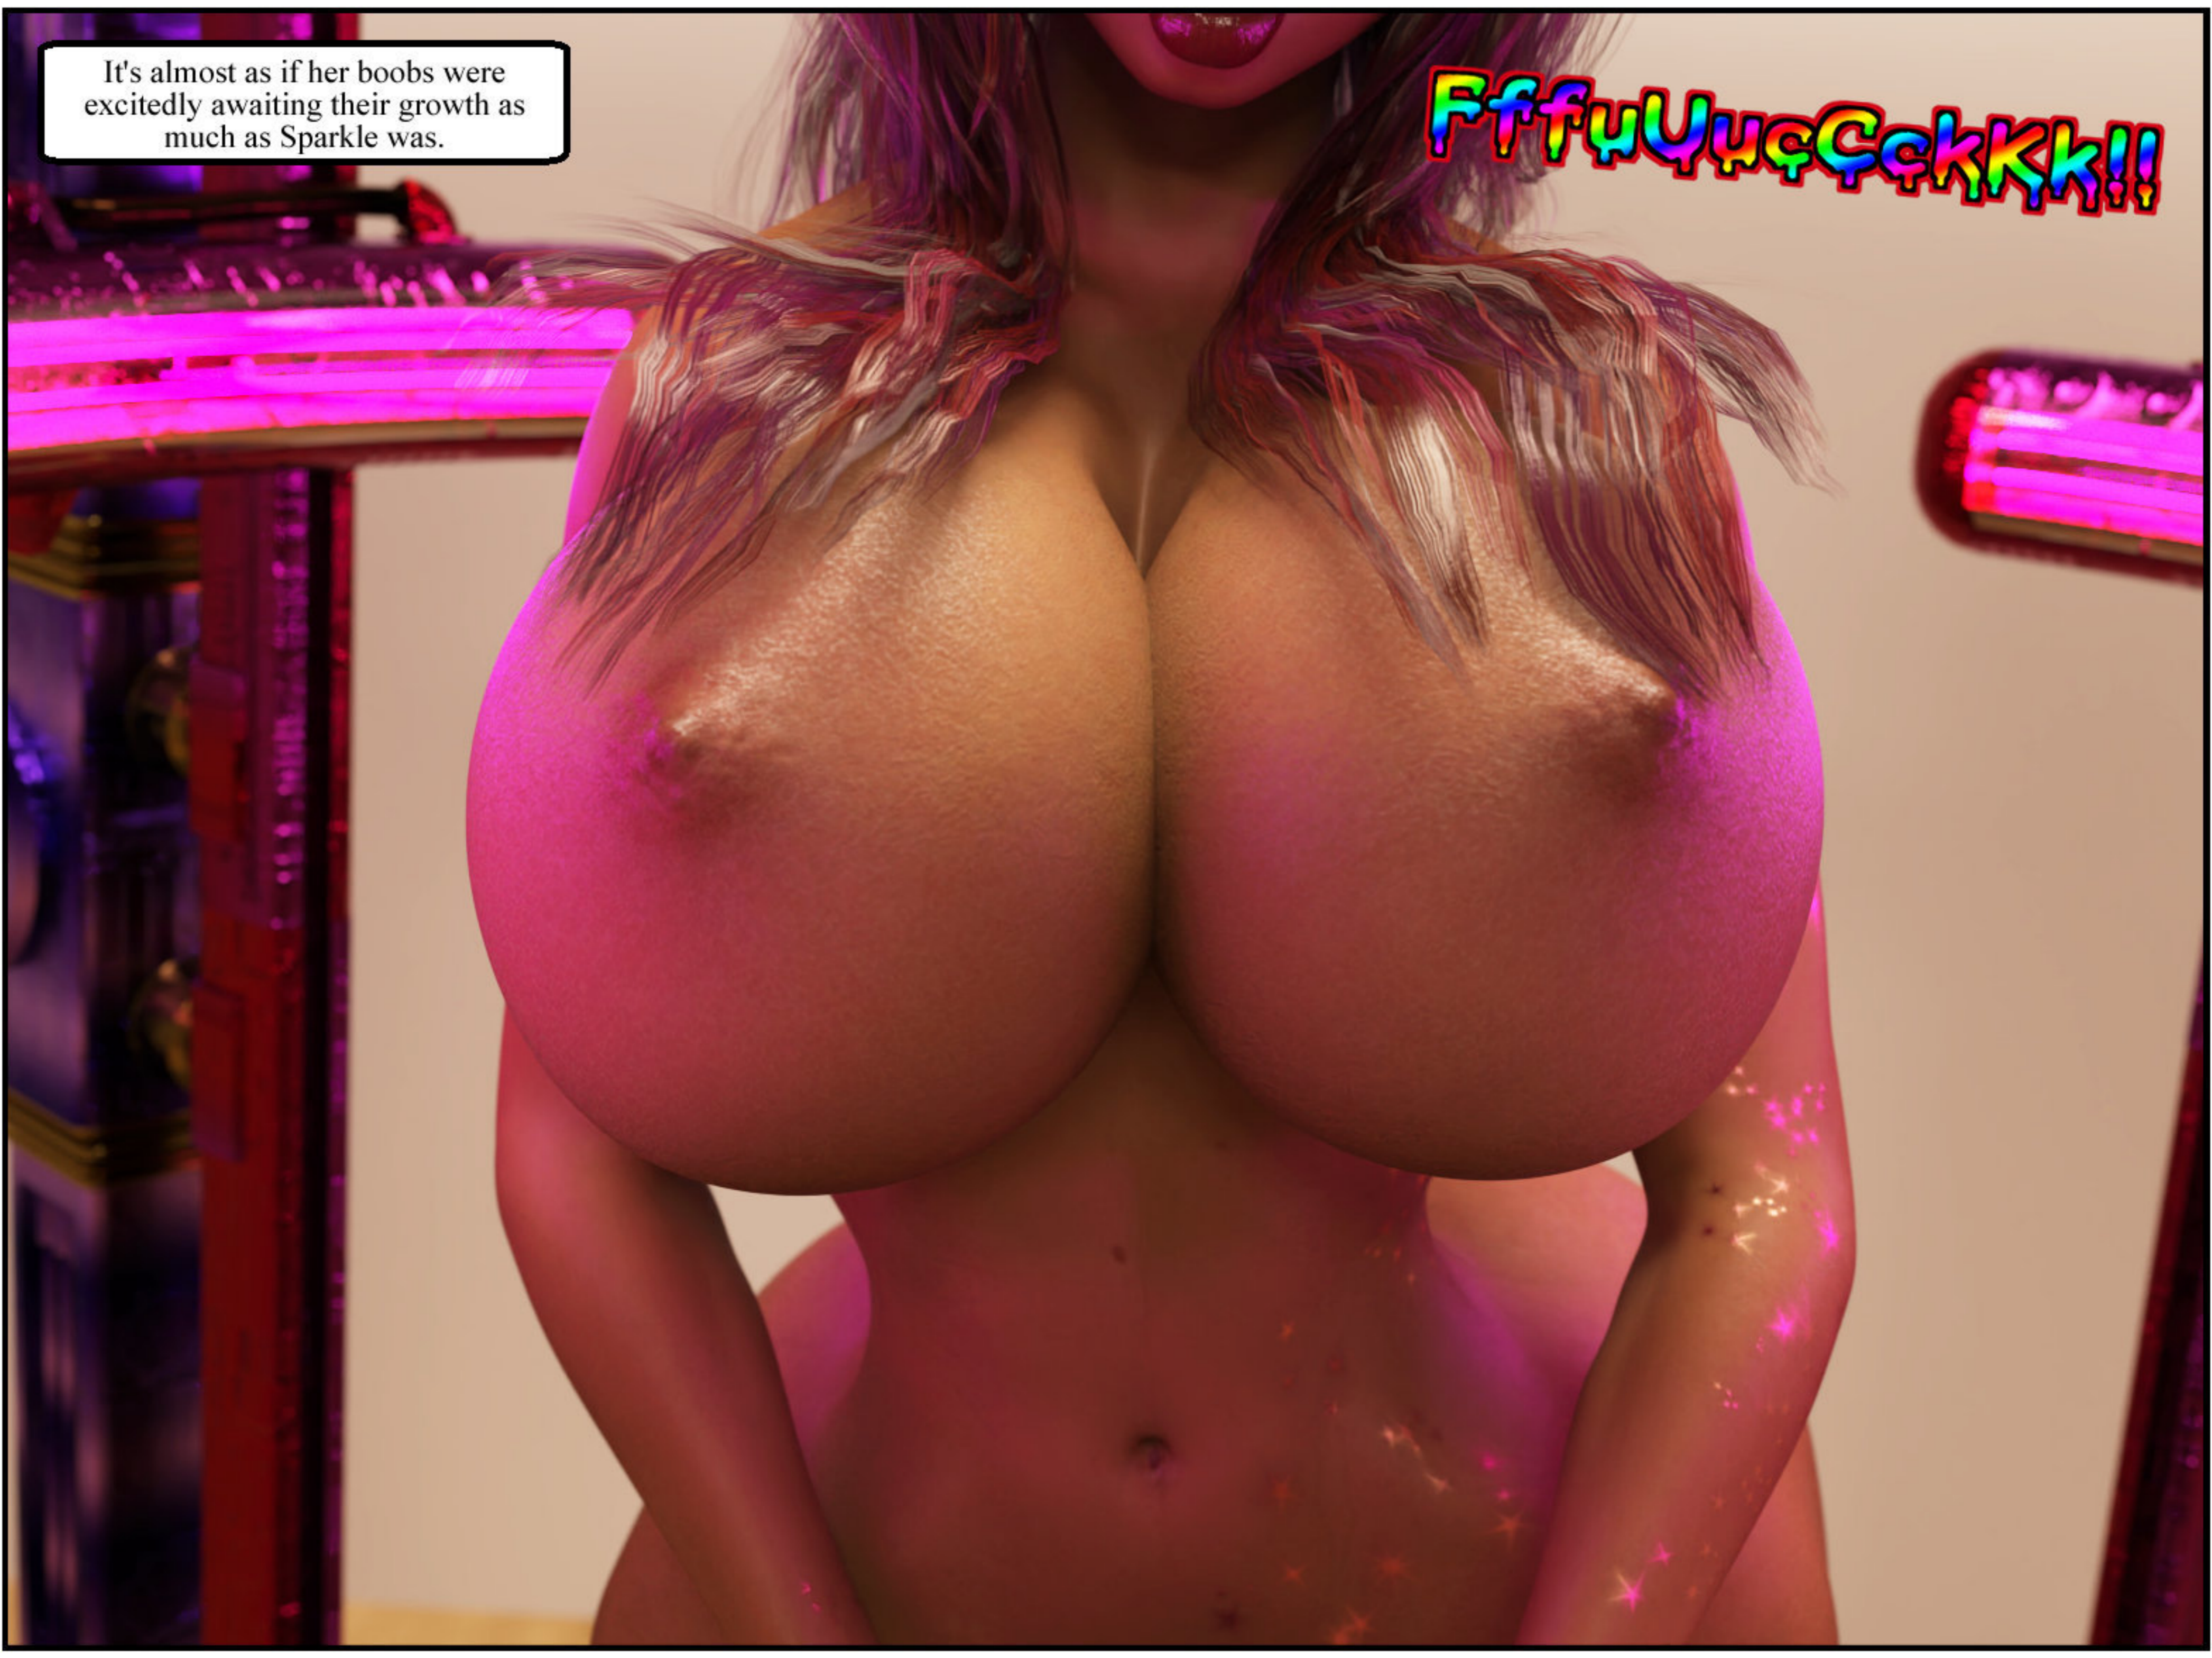

Swell!!

Her already large breasts practically leap forward off of her chest wall as the pink light suffuses the flesh of her full, fat, round orbs.

It's almost as if her boobs were excitedly awaiting their growth as much as Sparkle was.

FffuΨuϕϕkkk!!

Now that it's here, Sparkle starts to pump harder and moan even louder. The display is incredibly arousing to the rest of the ladies in the room.

Bulge!

They also find their hands drifting unconsciously down to their nether regions. They can all relate to what Sparkle is feeling right now.

Expand!

The sensation of the mass and weight slowly increasing in her bust - of her swelling tits pulling down on her chest.

Enlarge!

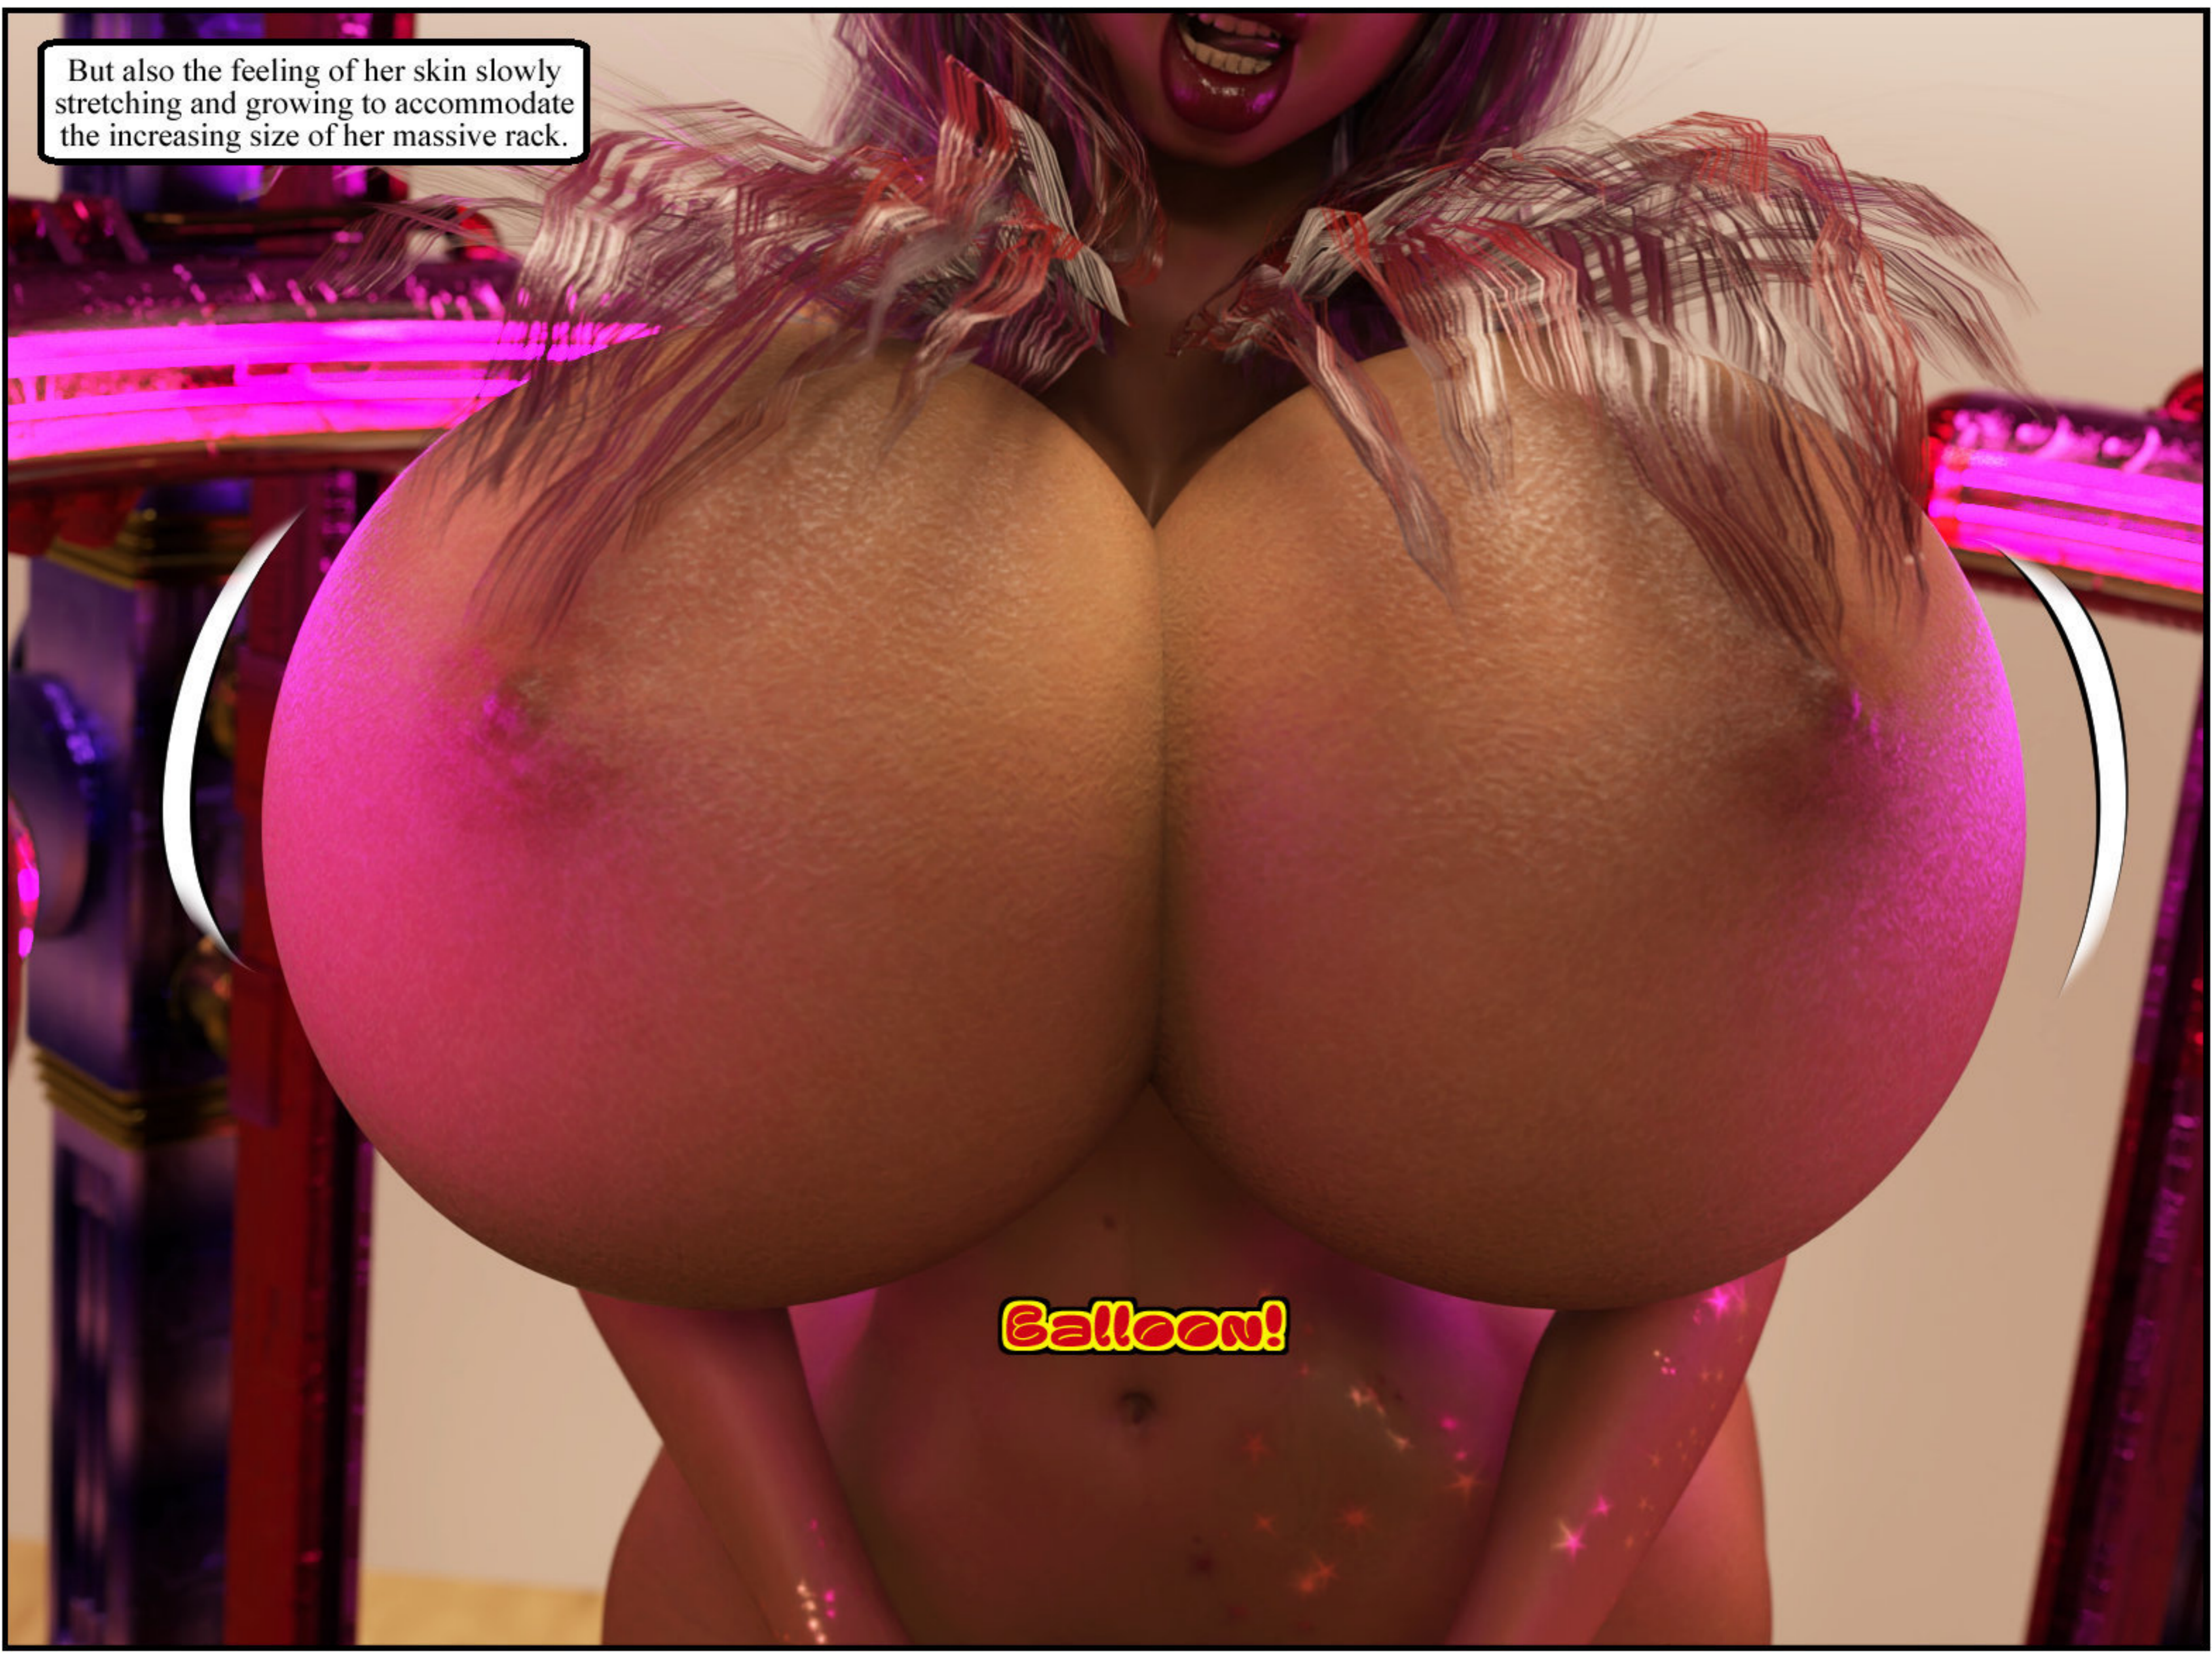

Knowing that as it does so she is becoming even more voluptuous and sexy - that tops are going to fit tighter, reveal more, and look way hotter.

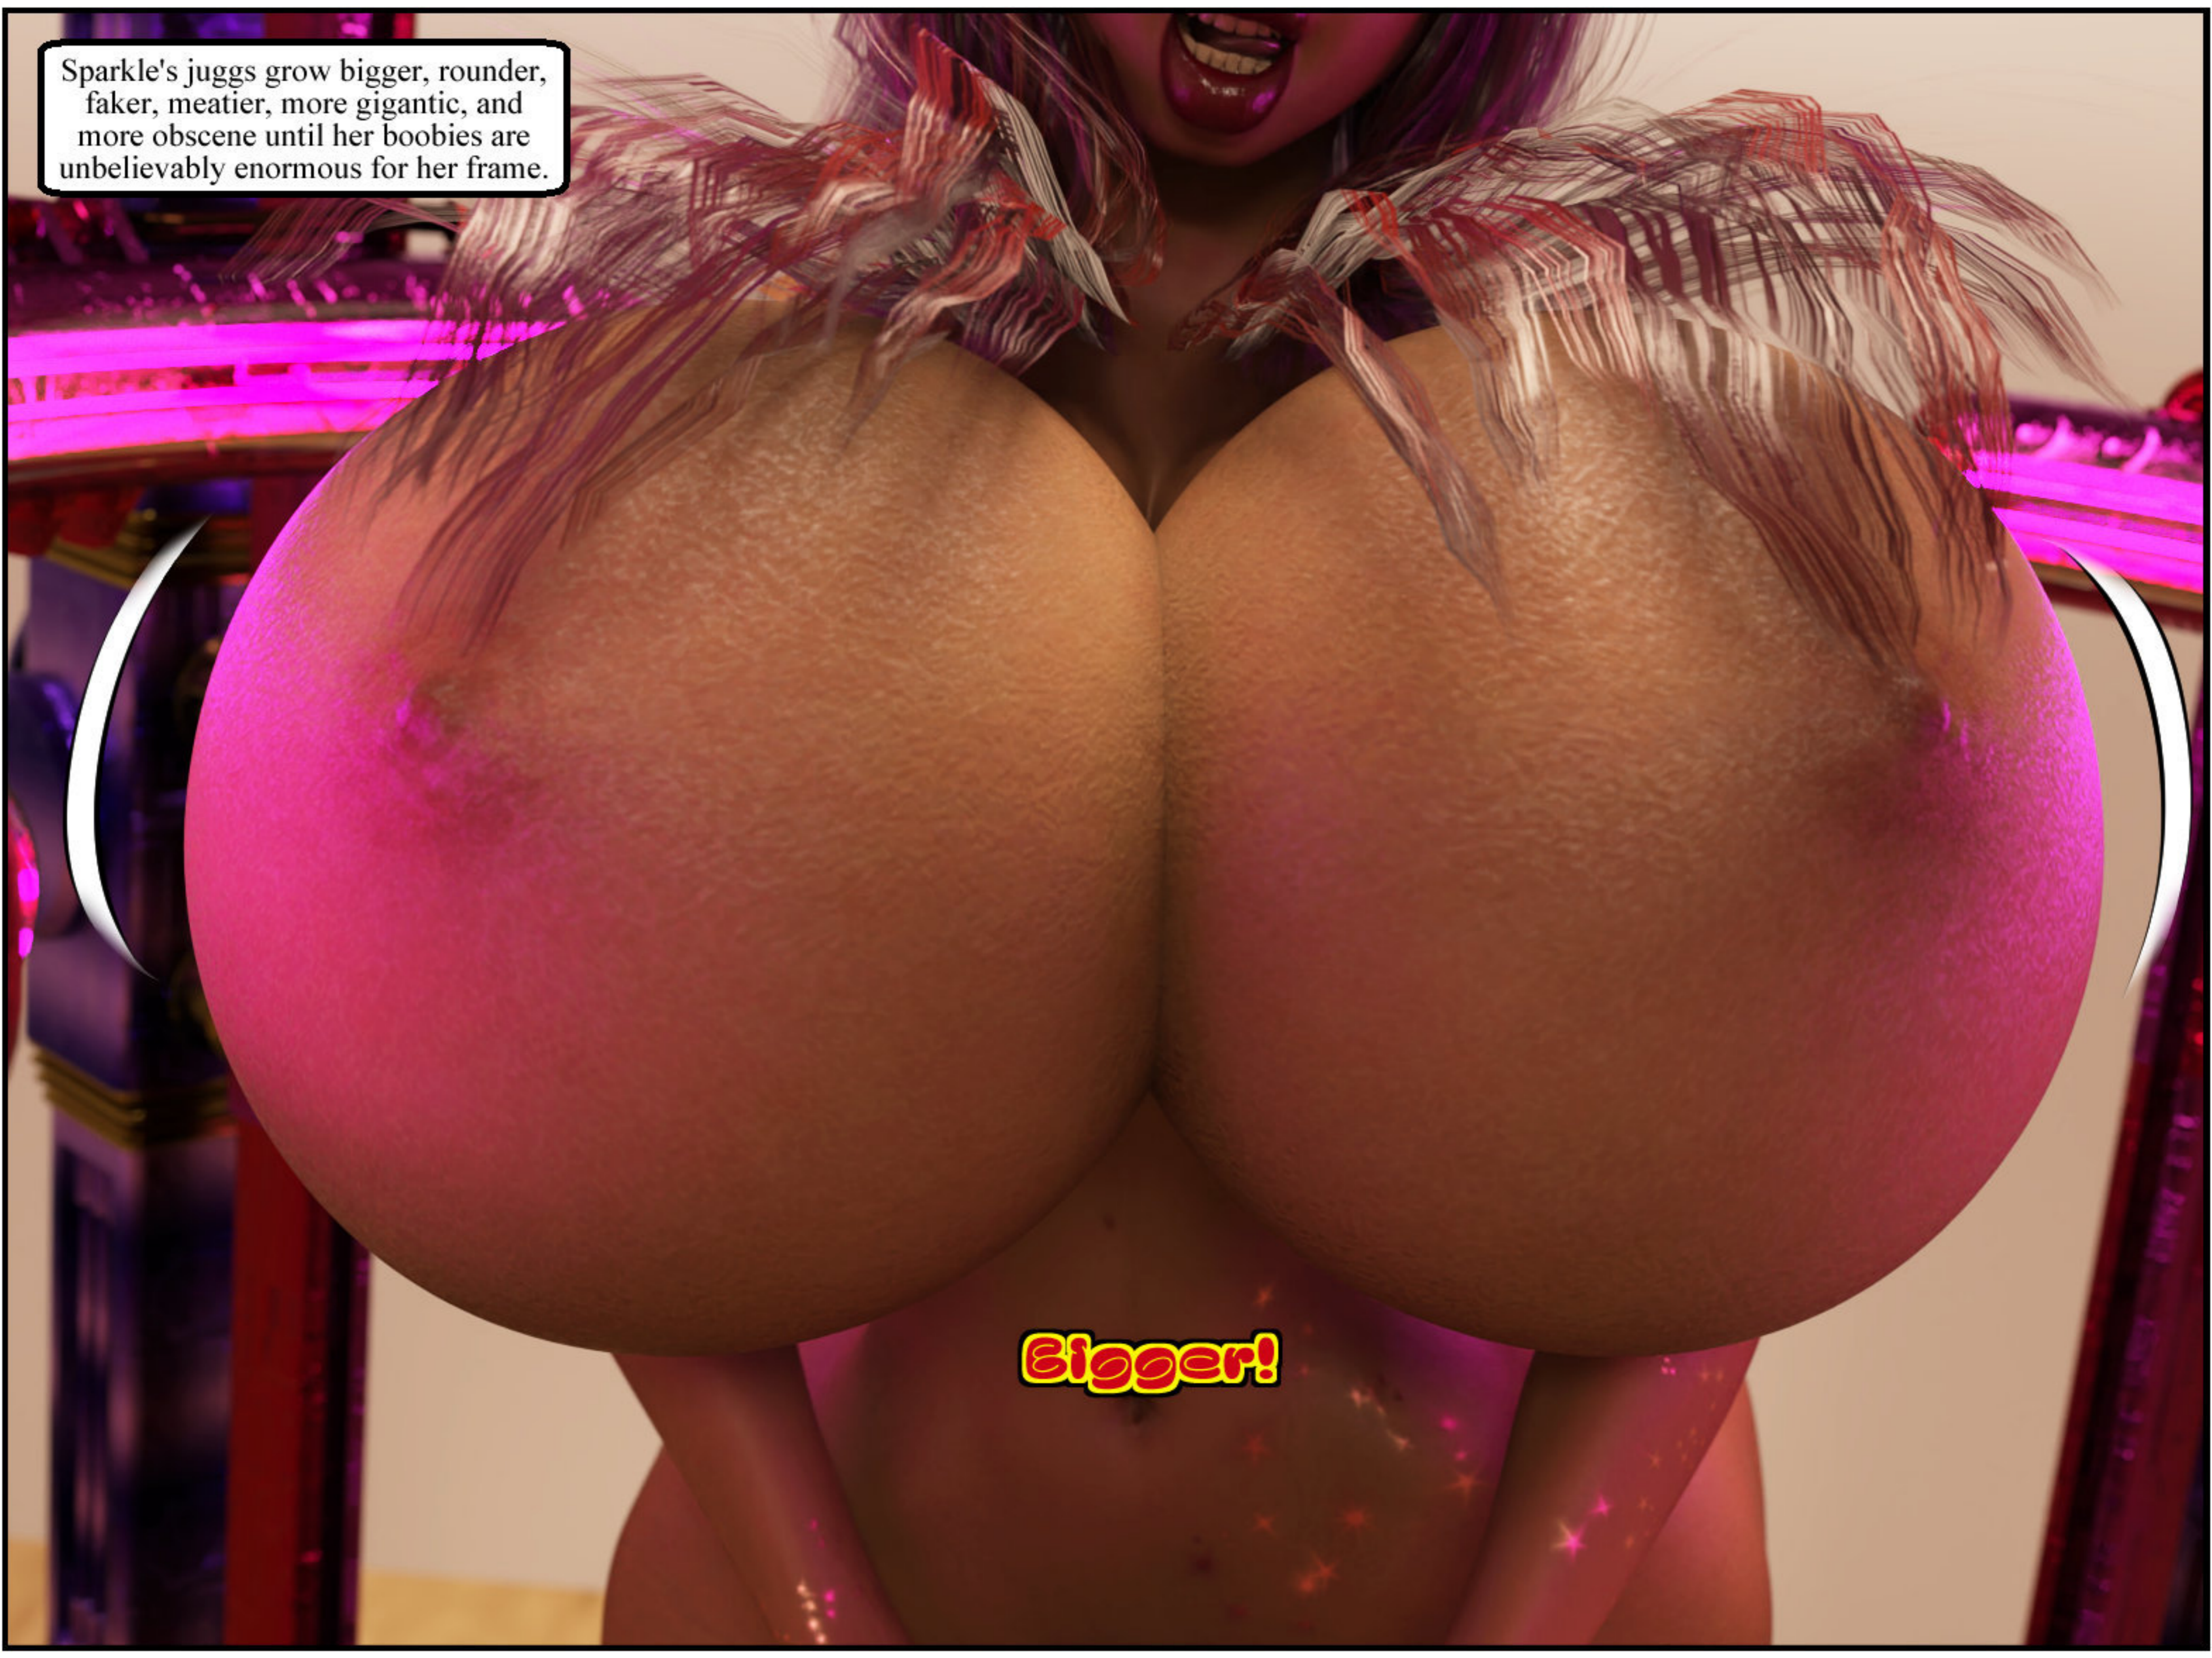

But also the feeling of her skin slowly stretching and growing to accommodate the increasing size of her massive rack.

Balloon!

Sparkle's jugs grow bigger, rounder, faker, meatier, more gigantic, and more obscene until her boobies are unbelievably enormous for her frame.

Bigger!

Well, for her previously tiny frame at least. Now she is built like a brick house with incredible curves and ginormous jugs!

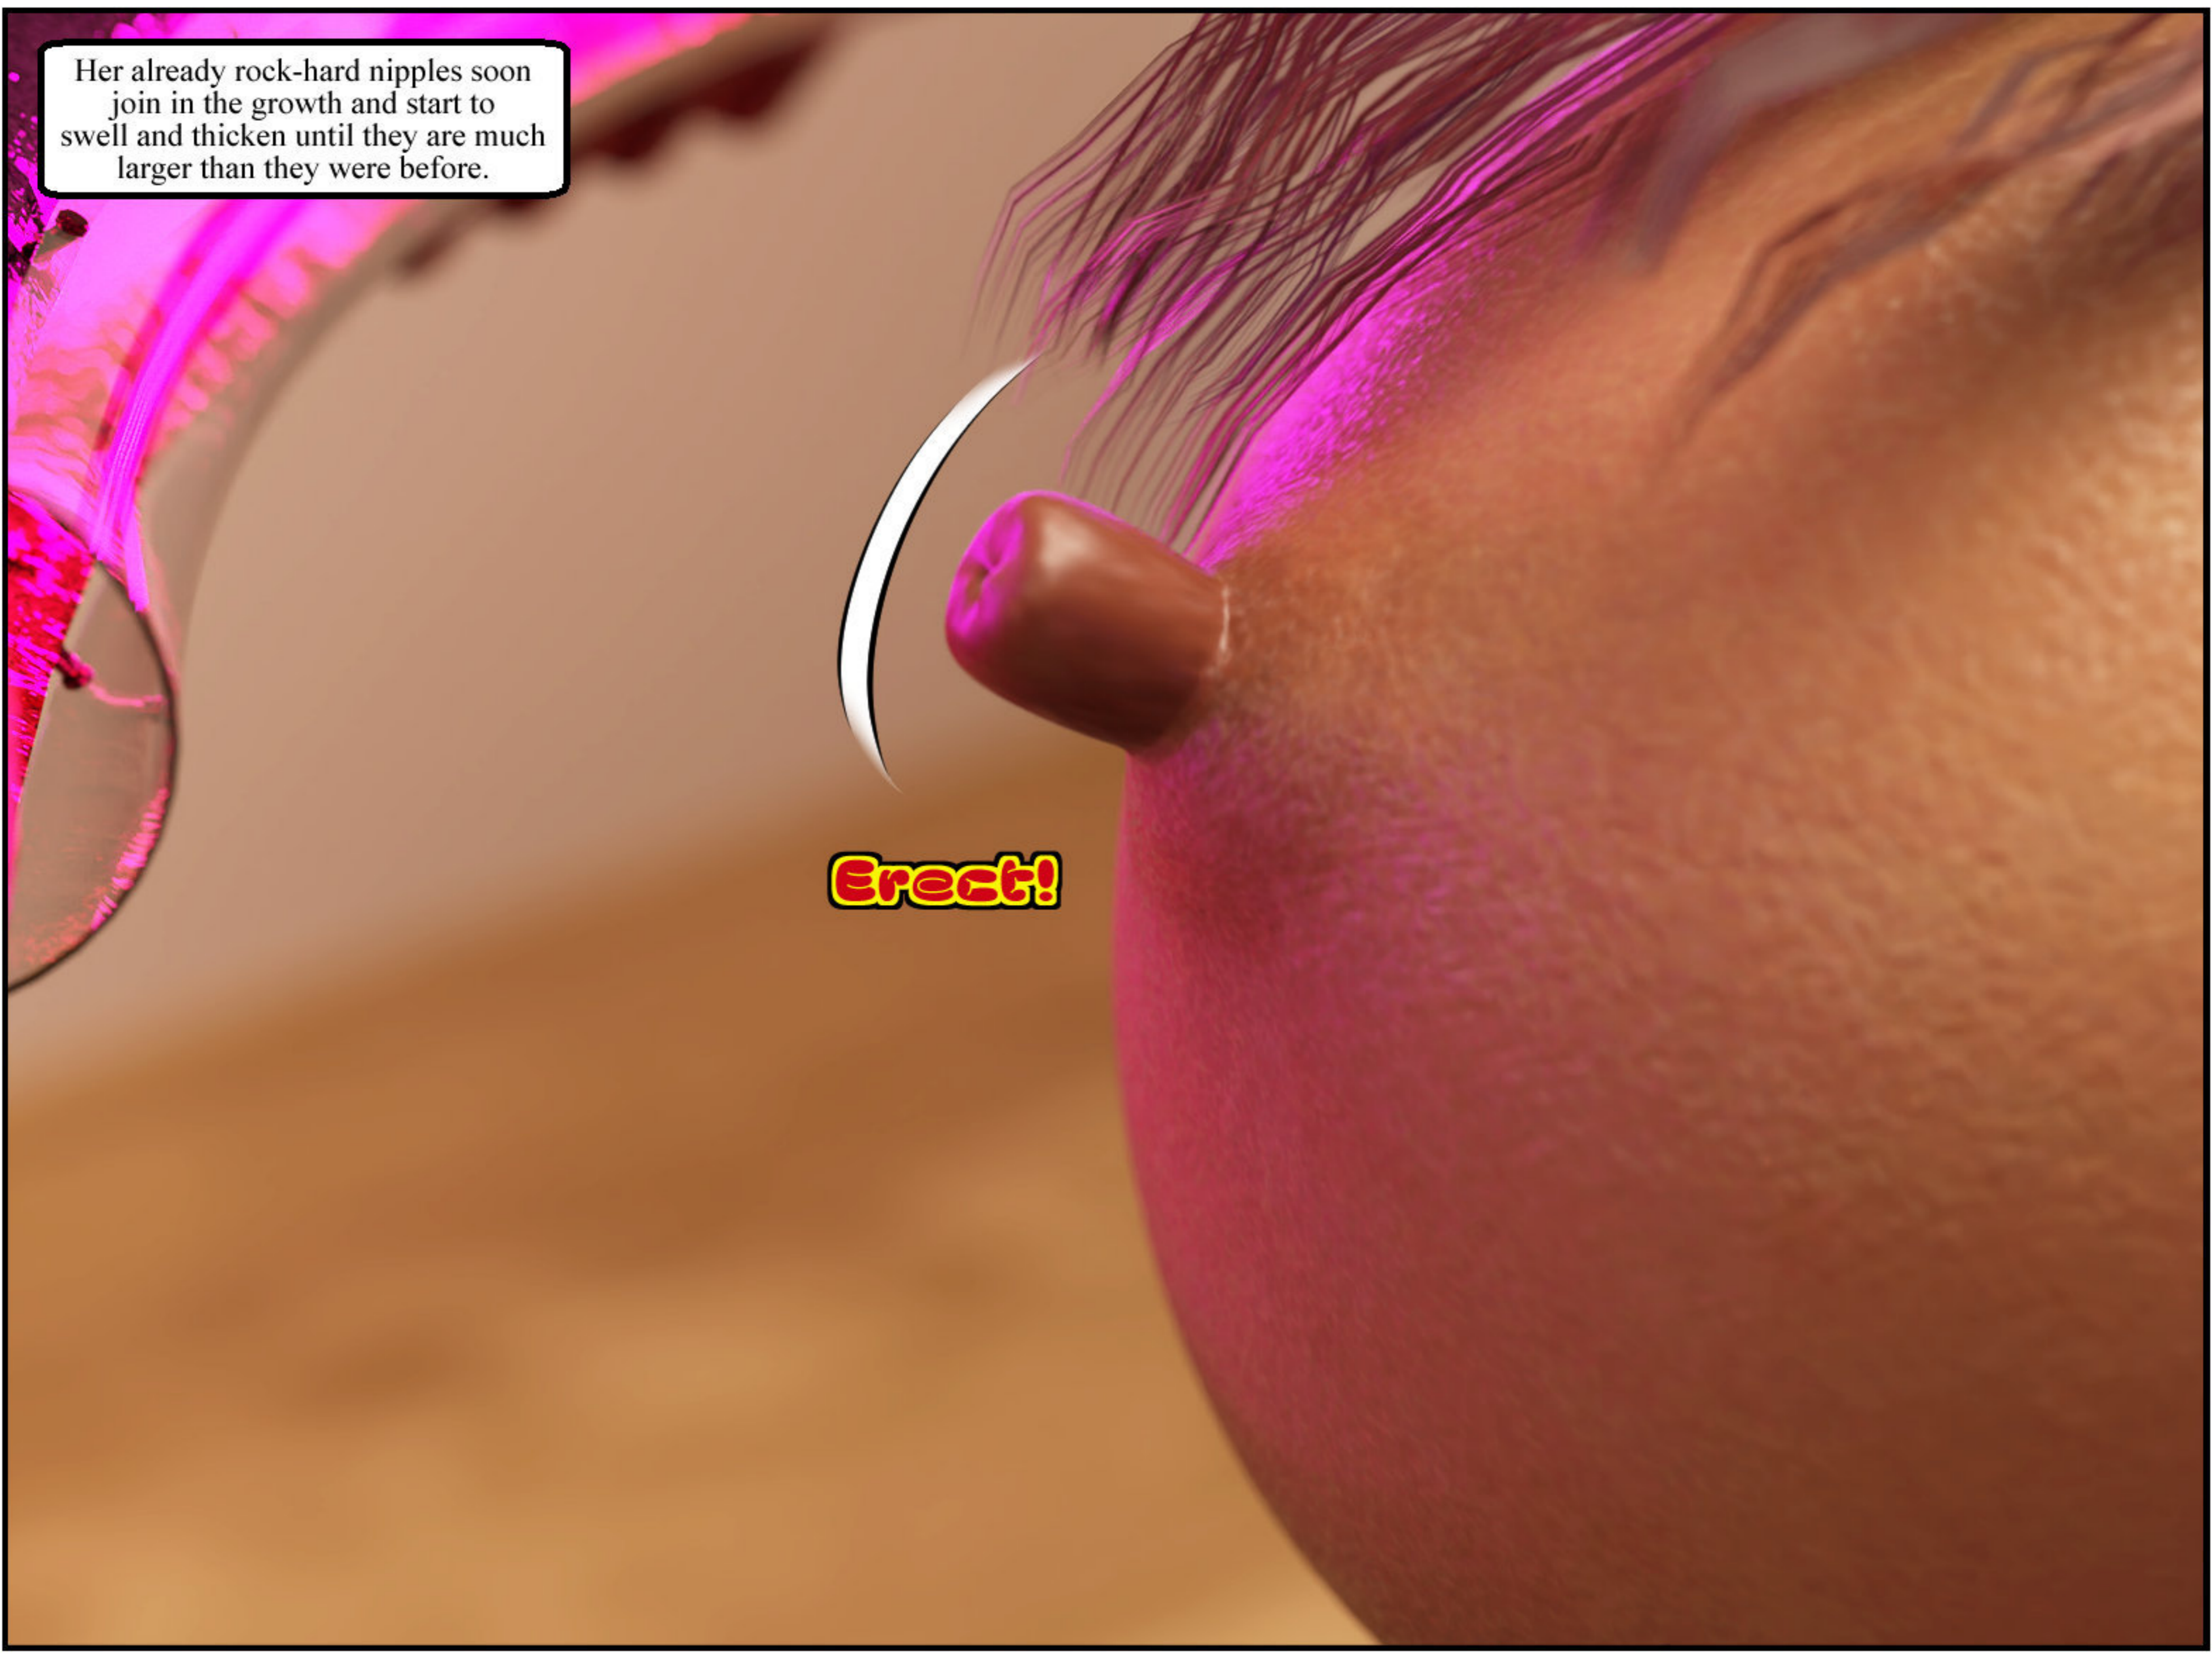

But something still seems to be lacking from her bloated bust. The pink light does not move from Sparkle's heaving bosom.

Pink!

Her already rock-hard nipples soon join in the growth and start to swell and thicken until they are much larger than they were before.

Erect!

They go from perky little nips to finger-sized, to the size of a thumb, and continue to swell until they are the size of a roll of quarters.

Fatter!

Sparkle is just about to explode in pure pleasure, when her huge hooters demand her attention. They simply must be fondled and groped!

Oh gawd! Just look at them. They're glorious! And they feel so fucking amazing too. Just... Mmmmm!

She stares in awe at her monumental mounds, her cock still twitching near explosion between her legs.

But I bet they would, like, totally look and feel even better if they were much bigger!

Sparkle can hear the machine starting to wind down as she fondles her new rack, and she decides that it is not enough for her - not nearly enough!

More! Give me more! I need more!

She grabs hold of the light bar, to stop it from moving to its resting position, and mashes her bloated boobs against the glass that shields the lightbulb.

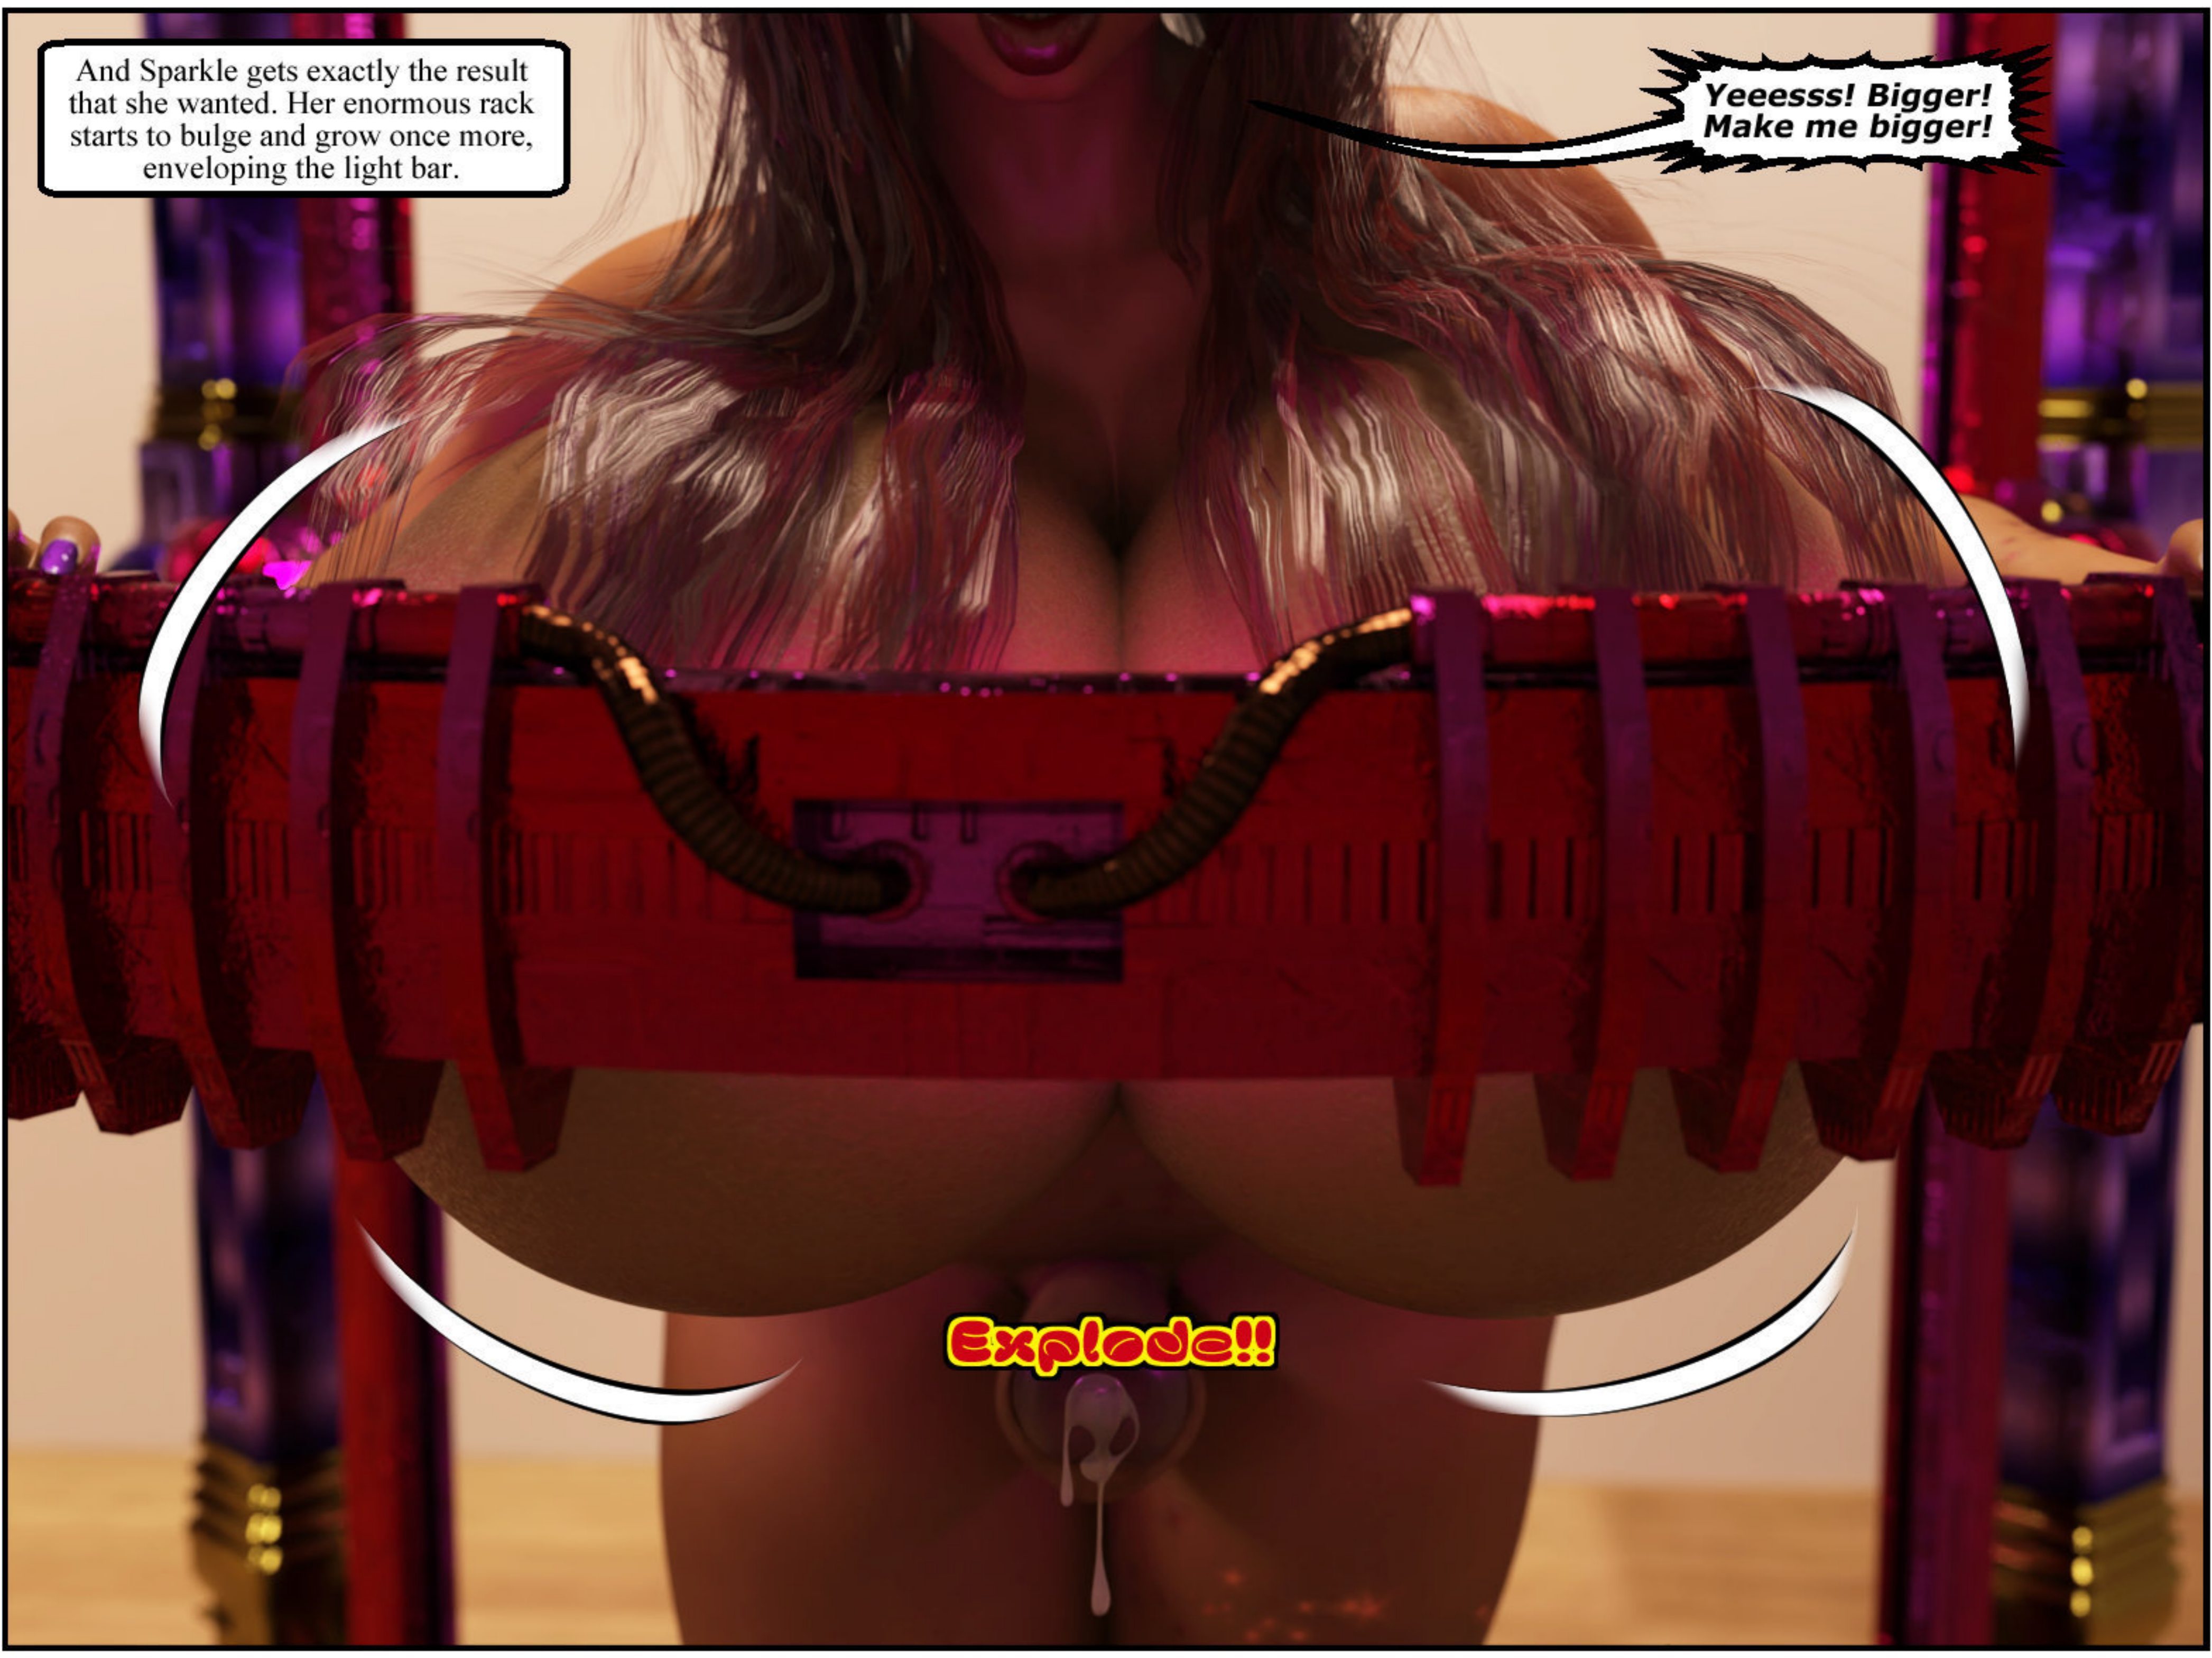

Make my boobies the biggest titties in the whole wide world!

And Sparkle gets exactly the result that she wanted. Her enormous rack starts to bulge and grow once more, enveloping the light bar.

*Yeeesss! Bigger!
Make me bigger!*

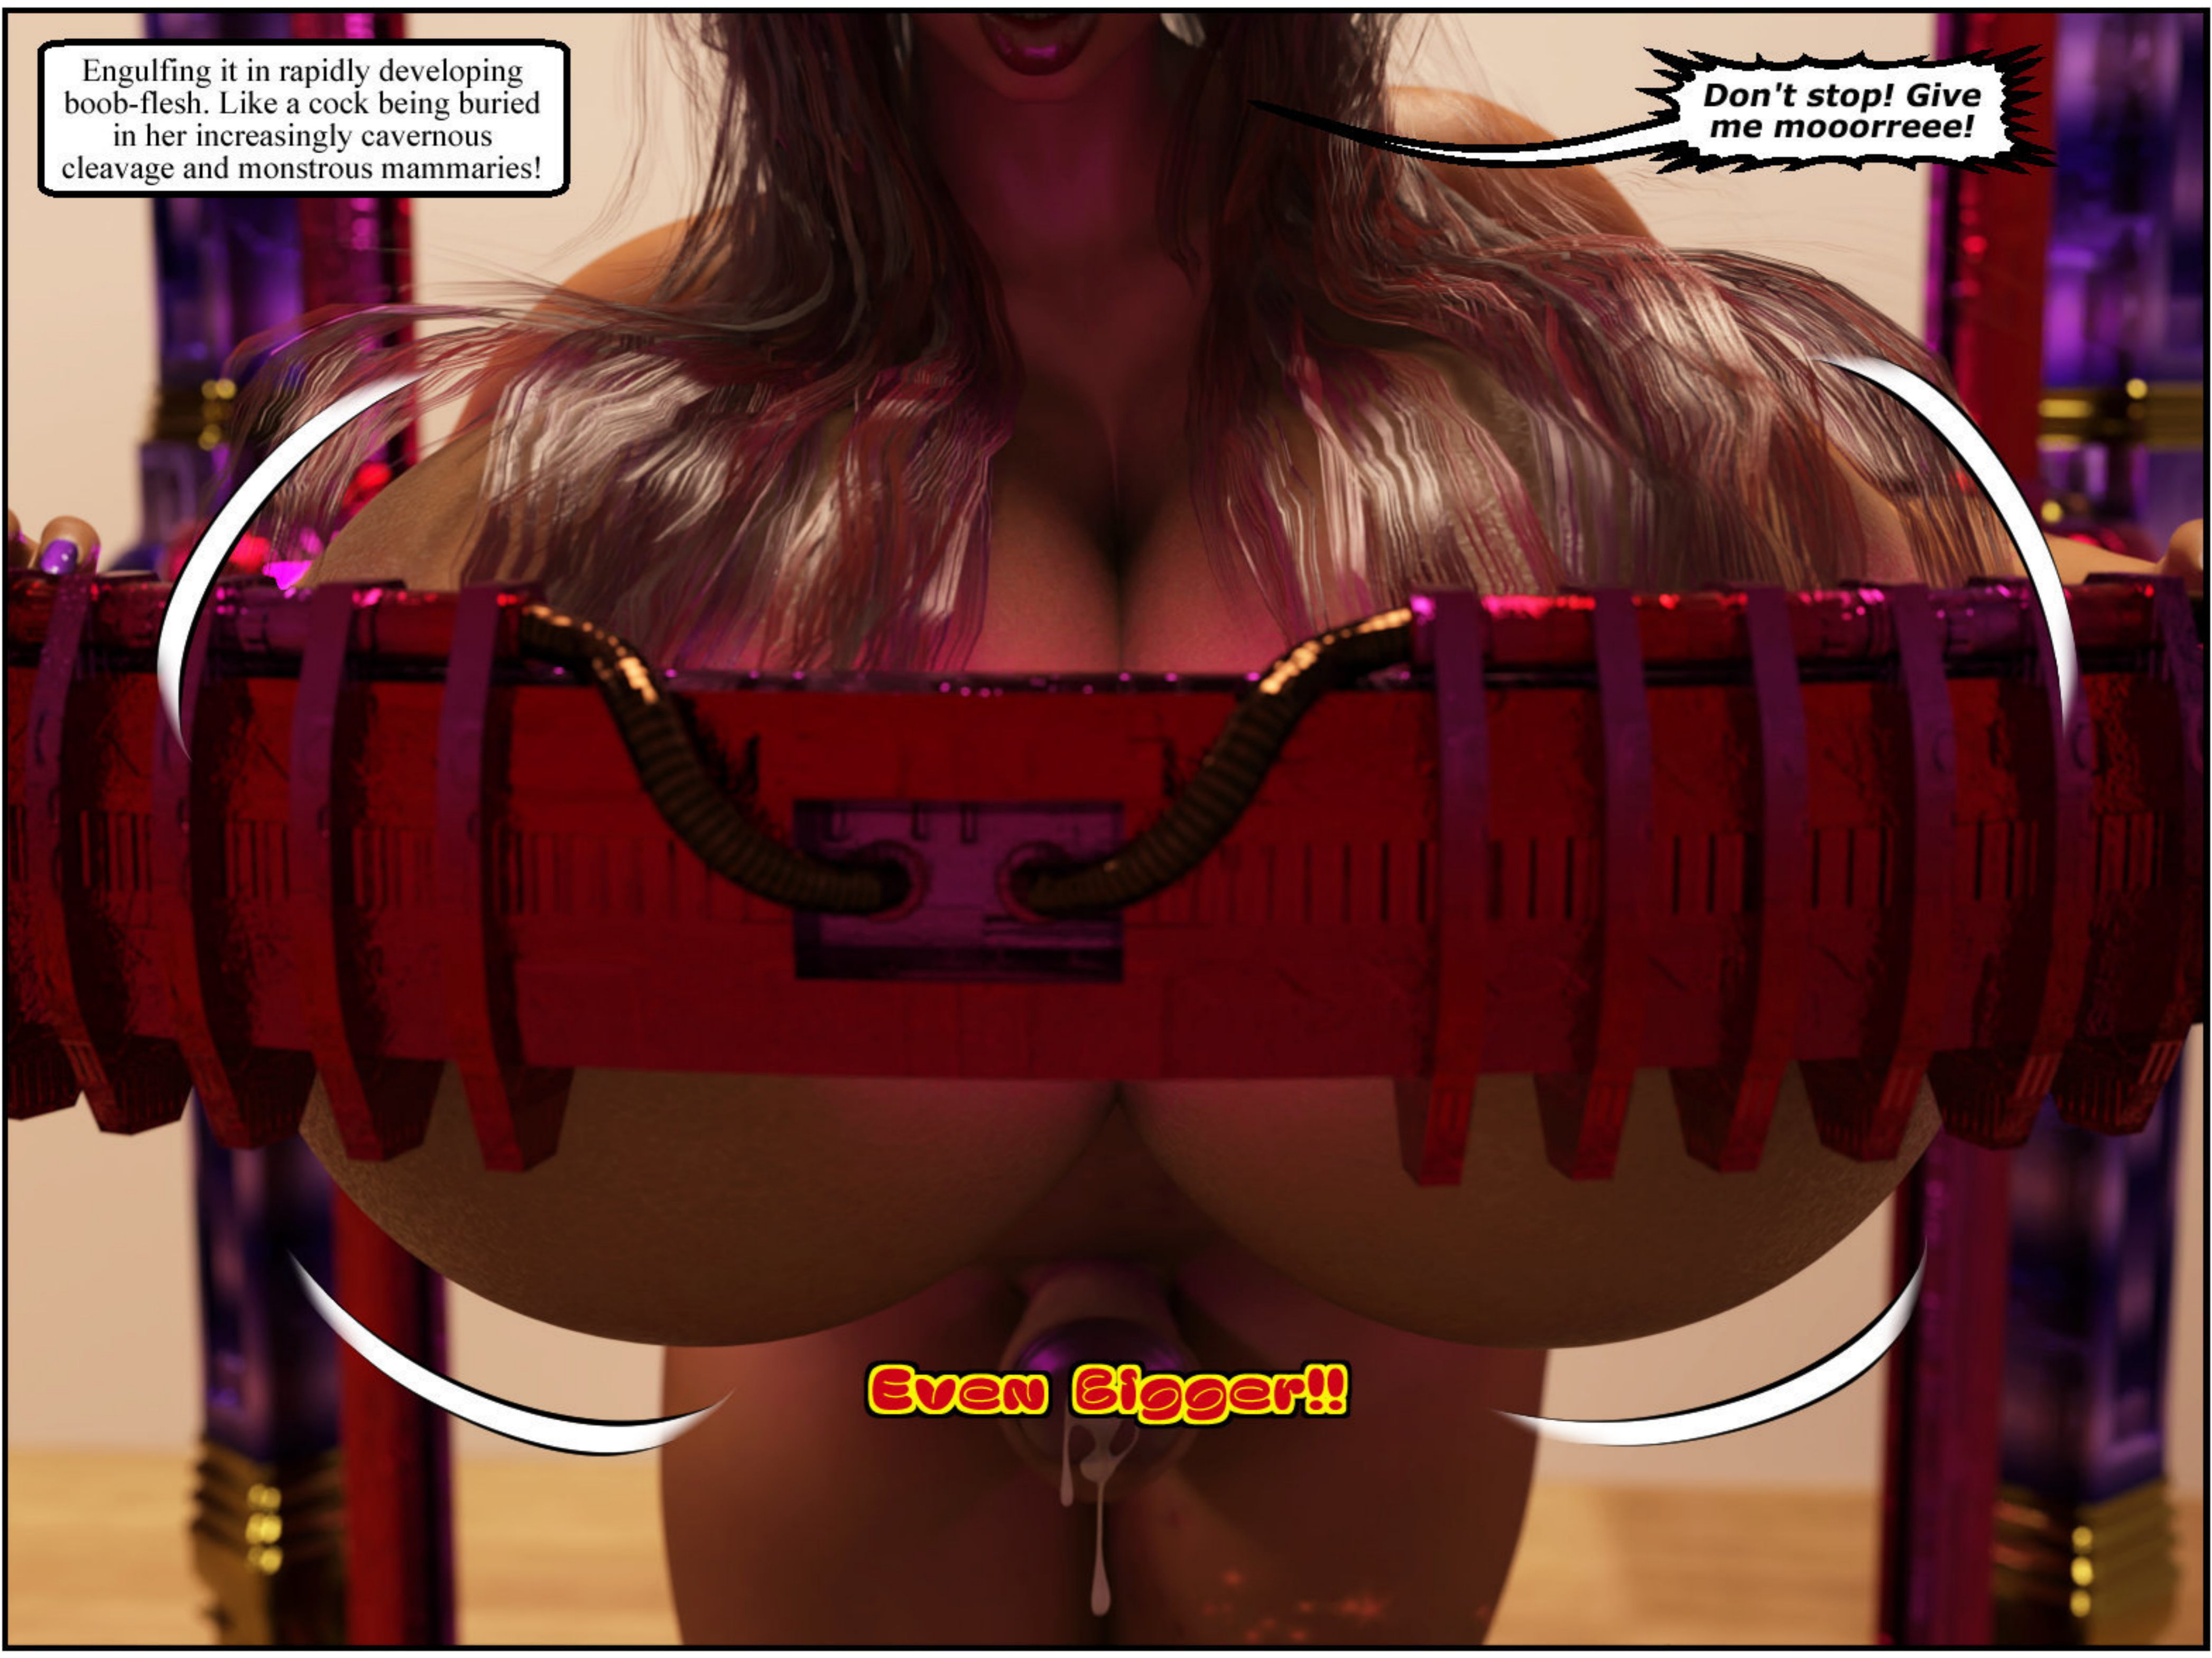

Explode!!

Engulfing it in rapidly developing boob-flesh. Like a cock being buried in her increasingly cavernous cleavage and monstrous mammaries!

Don't stop! Give me moorreee!

Even Bigger!!

The general emotion in the room switches from arousal to stunned shock at Sparkle's vehement screaming for even larger tits!

I don't know about this. I think we have probably reached-- Hey!

Let me see that!

Except maybe for Kim. If anything, Sparkle's yells and growth send her nearly into a horny frenzy.

If my sexy Sparkle-slut wants bigger tits, then we are going to give her bigger tits!

She absolutely loves the idea of her newly improved girlfriend being even more obscenely sexy.

Come on, you stupid machine! Make her boobs fucking huge!

ERROR! ERROR! ERROR!

BOOP!

BOOP!

BOOP!

However, she is just a little too worked up over the idea, overly enthusiastic, and underestimates her new strength.

Damn it! Make her grow!

TABLET PC COMMUNICATOR 4B-3

Smash!

BBRRRRZZZZAAATTT!!

Which has predictable, but rather
unfortunate, consequences.

Oopsie!
I think my
big boobies might
have broken
it.
