

Oh, don't be so fussy, hon. You said that you wanted to help with preparing Steph's surprise birthday cake.

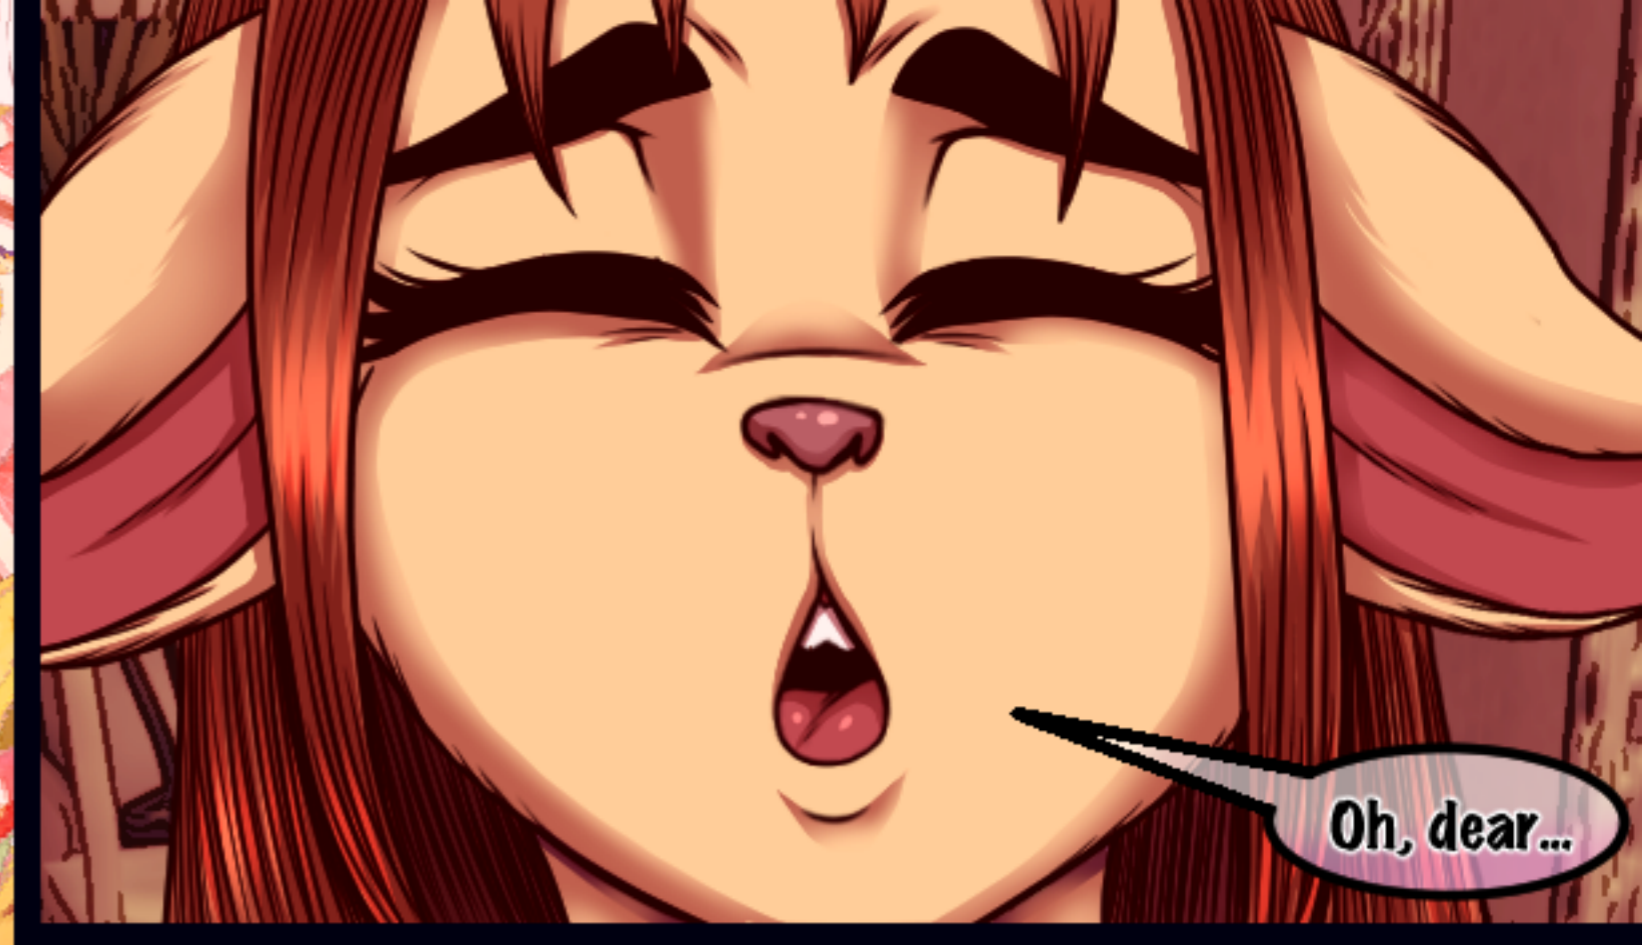

I'm just adding my own personal touch.

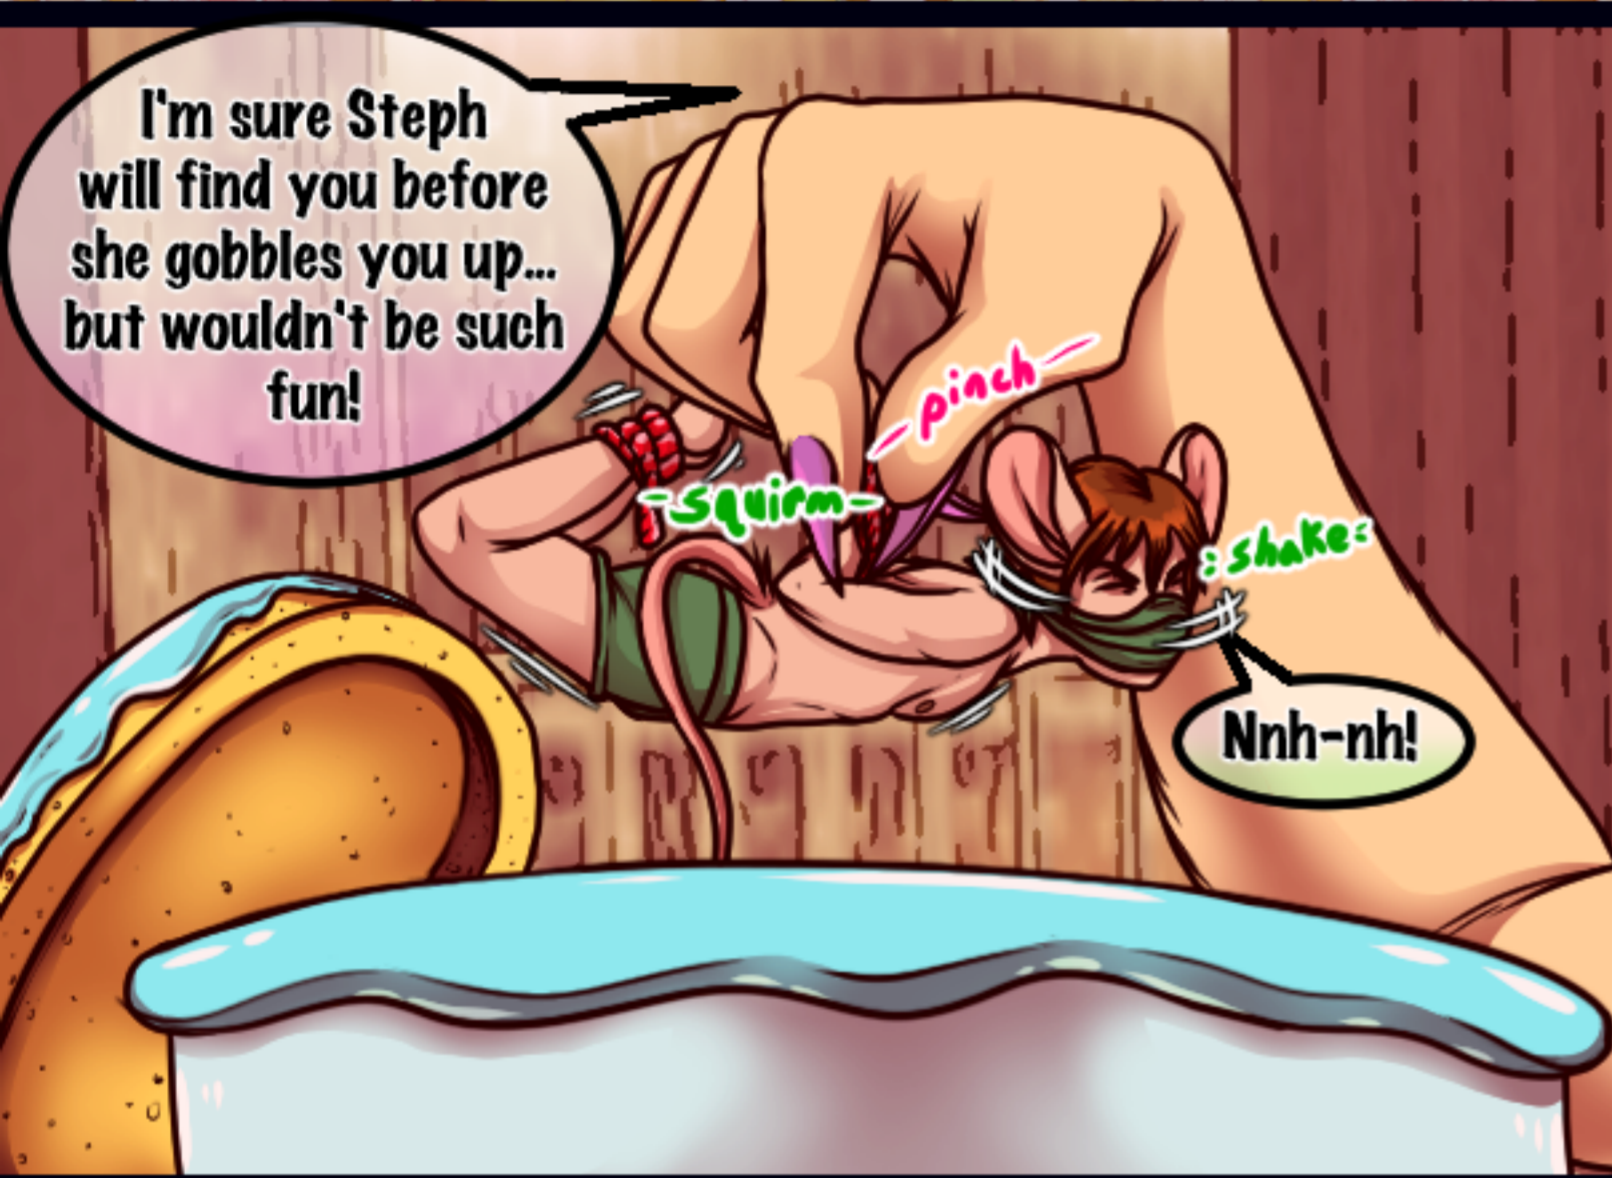

♥BOOP♥

Mmm mff mmm!

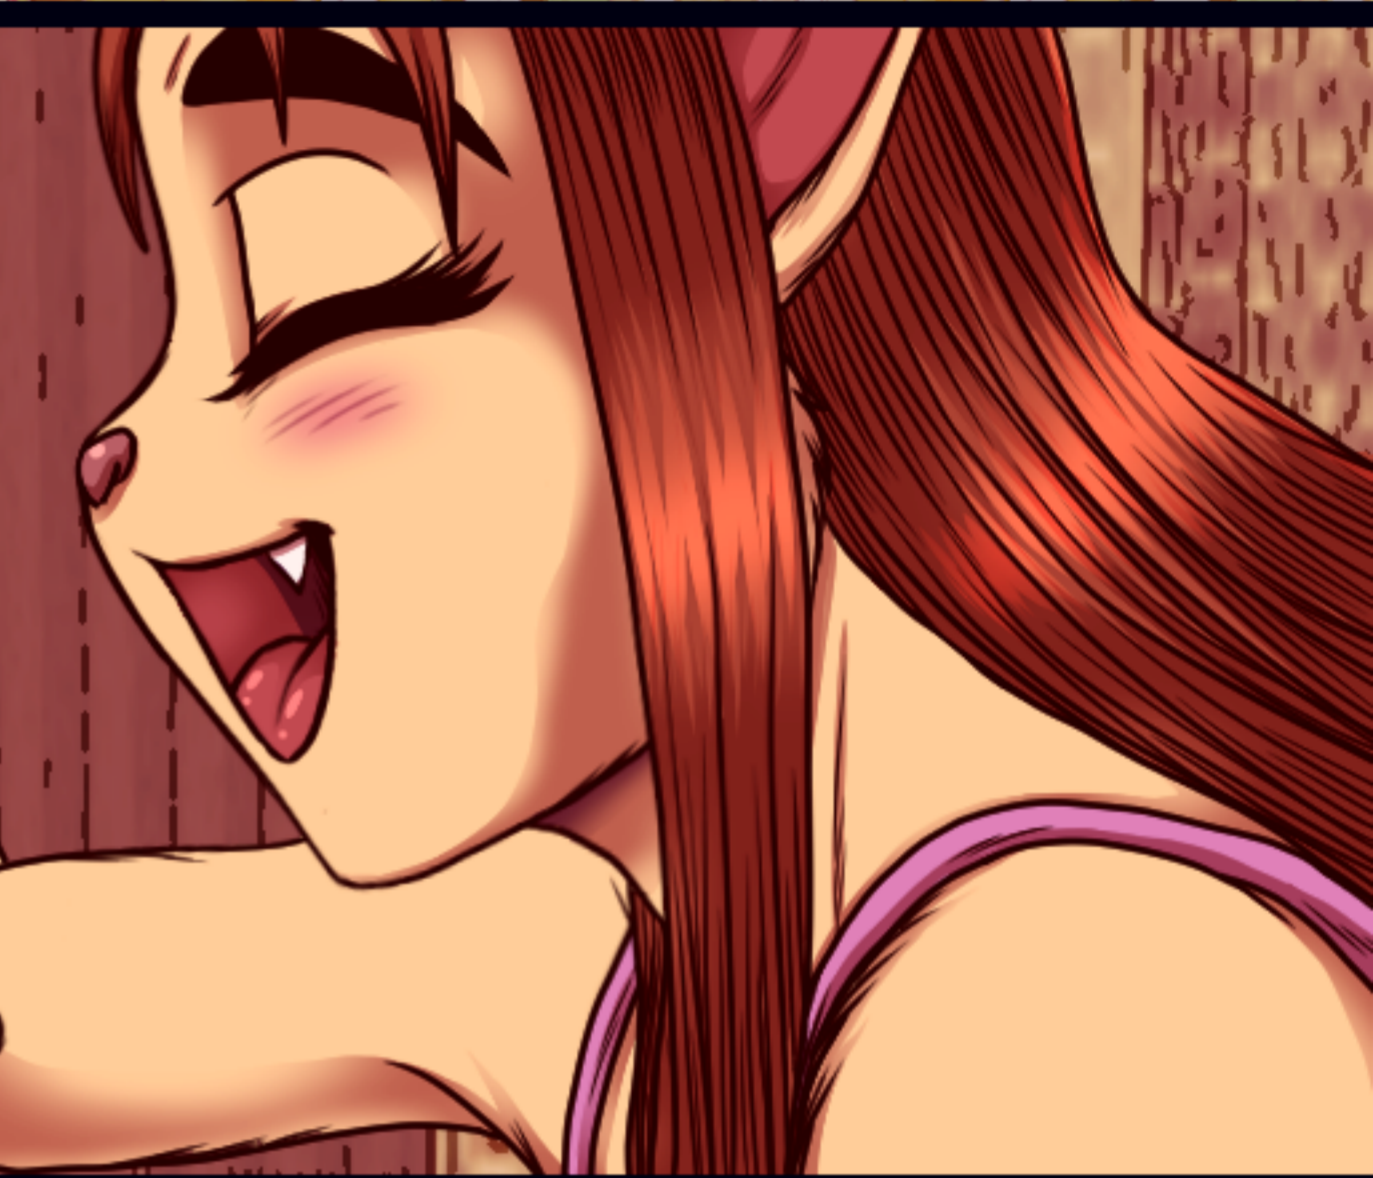

Oh, dear...

I'm sure Steph will find you before she gobbles you up... but wouldn't be such fun!

-close-

Thank you, Mindy. Guess I'll save this cake for tomor-.

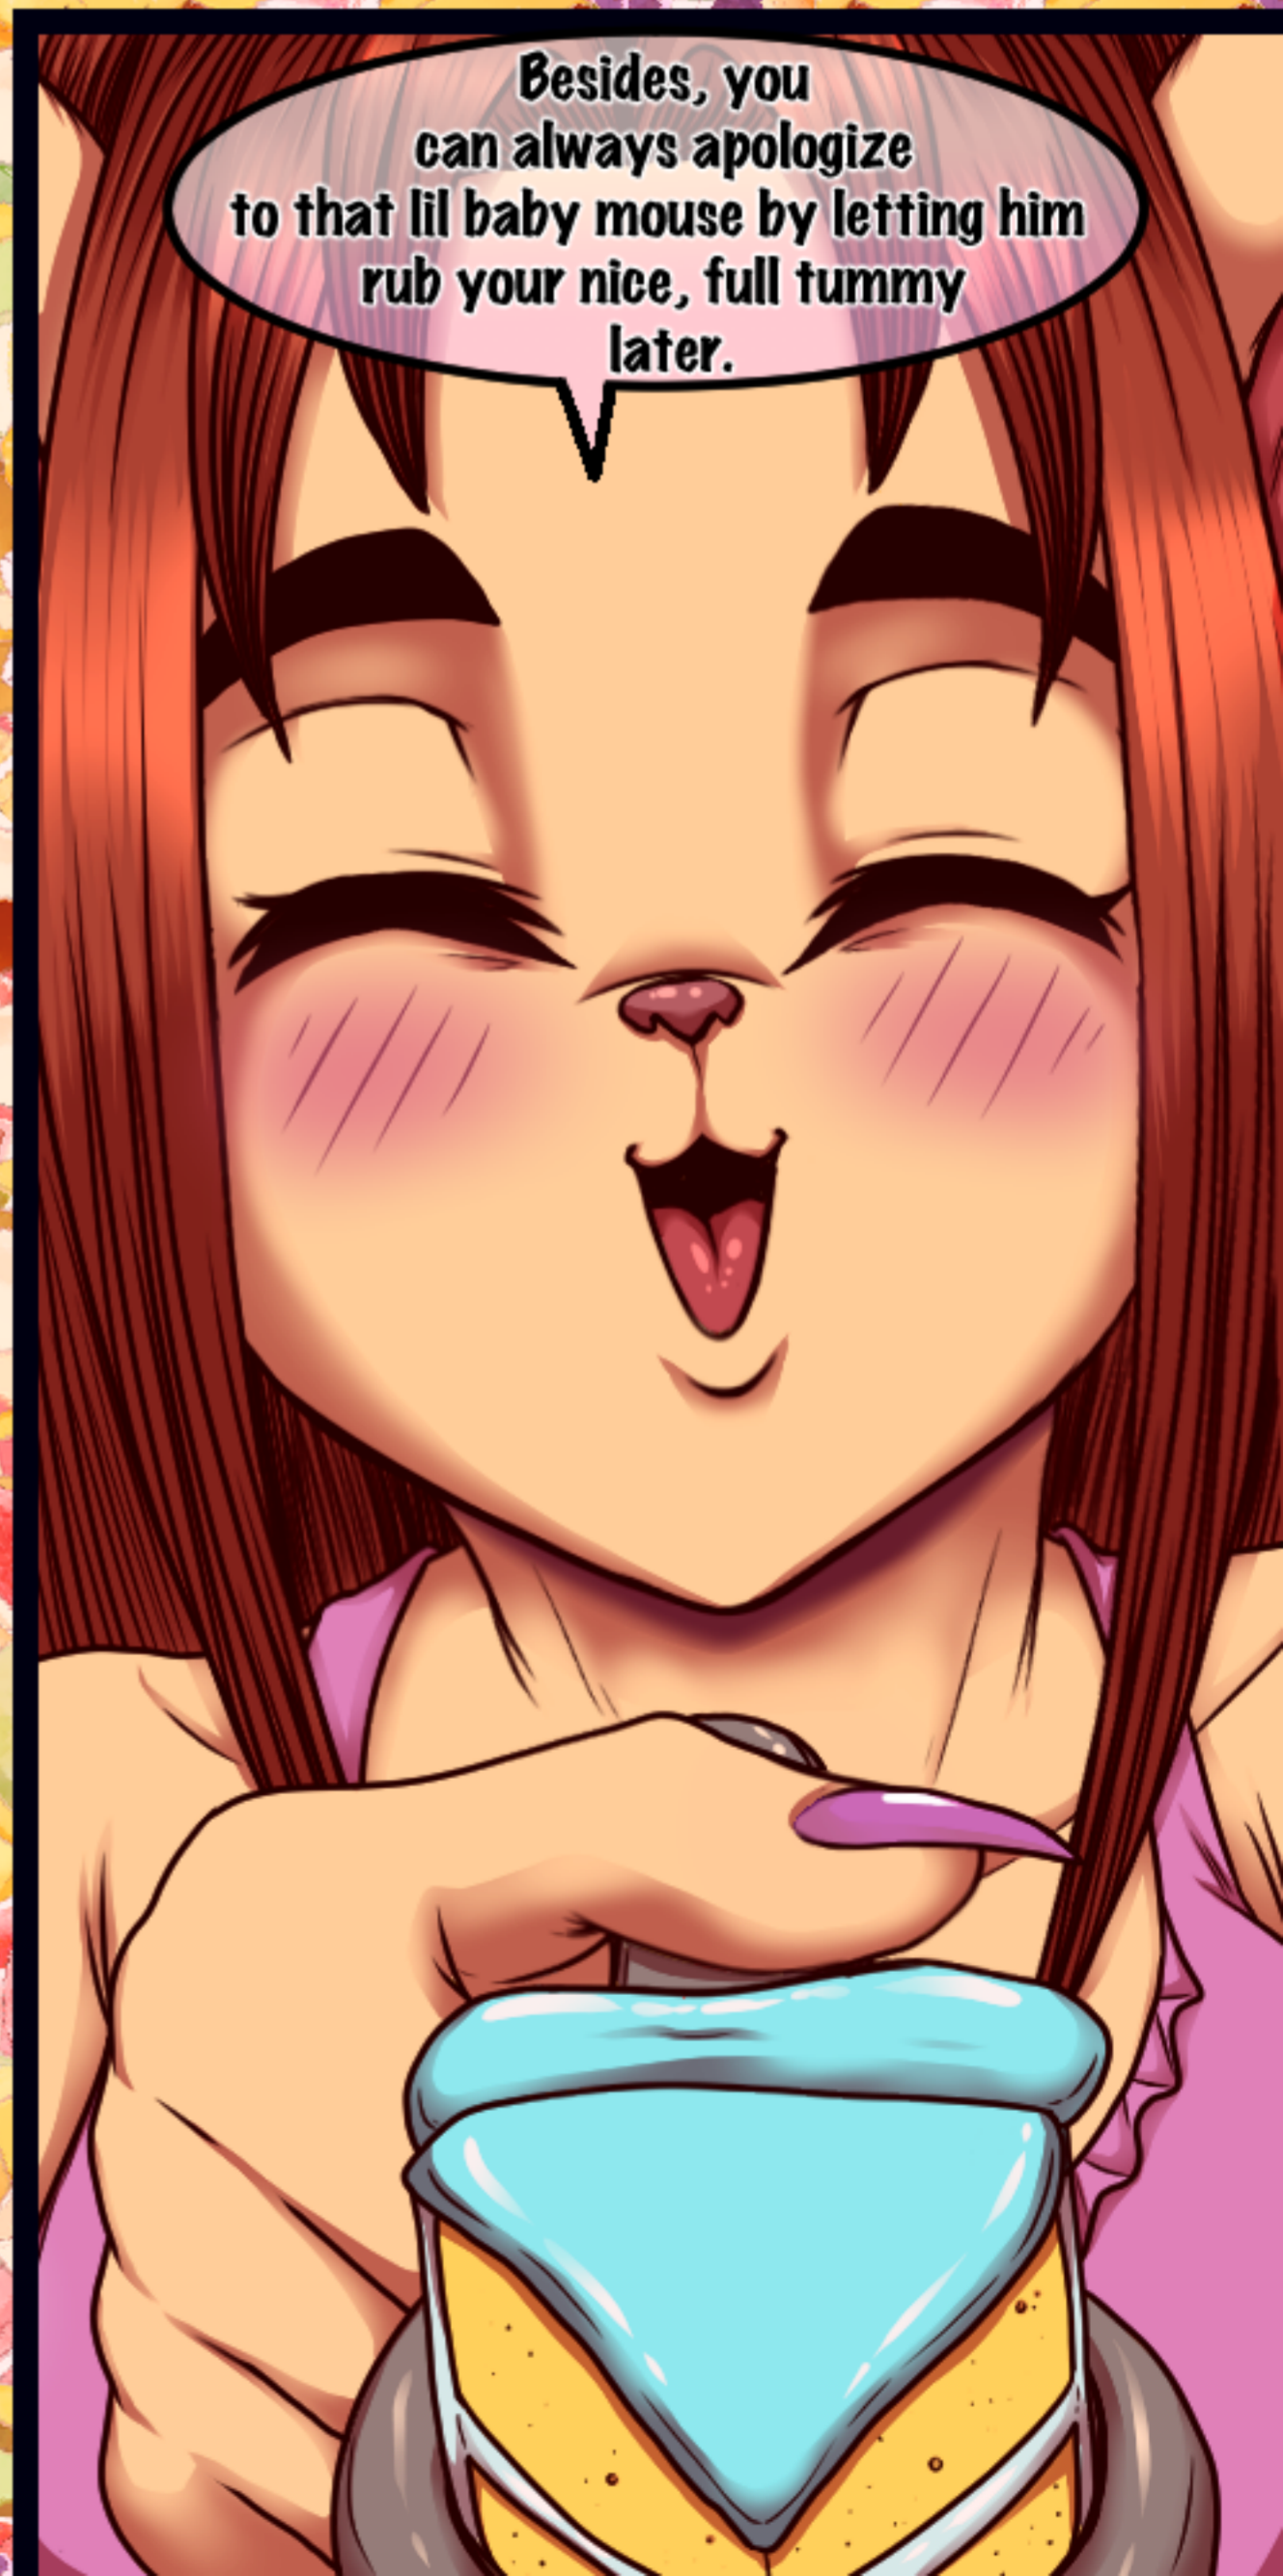

Oh, nonsense, dear! Come on now and eat up.

Now say "ahh~"

U-um ...er...well, shouldn't we at least wait for Adrien?

"The early bird gets the worm." Besides, Adrien told me not to wait up.

Besides, you can always apologize to that lil baby mouse by letting him rub your nice, full tummy later.

I swear, that boy is gonna end up in my gut one day if he get's too close. That lil pest...

I'd gobble him up if he wasn't helping so much with rent...

Or if he wasn't your childhood friend?

-grobe-

Yeah. Yeah. That too...but, honestly, that means he's been thinking about my belly for God knows how many years. I might even be doing him a favor at this point by eating him.

Now, be a good girl and close your eyes and say "ah~".

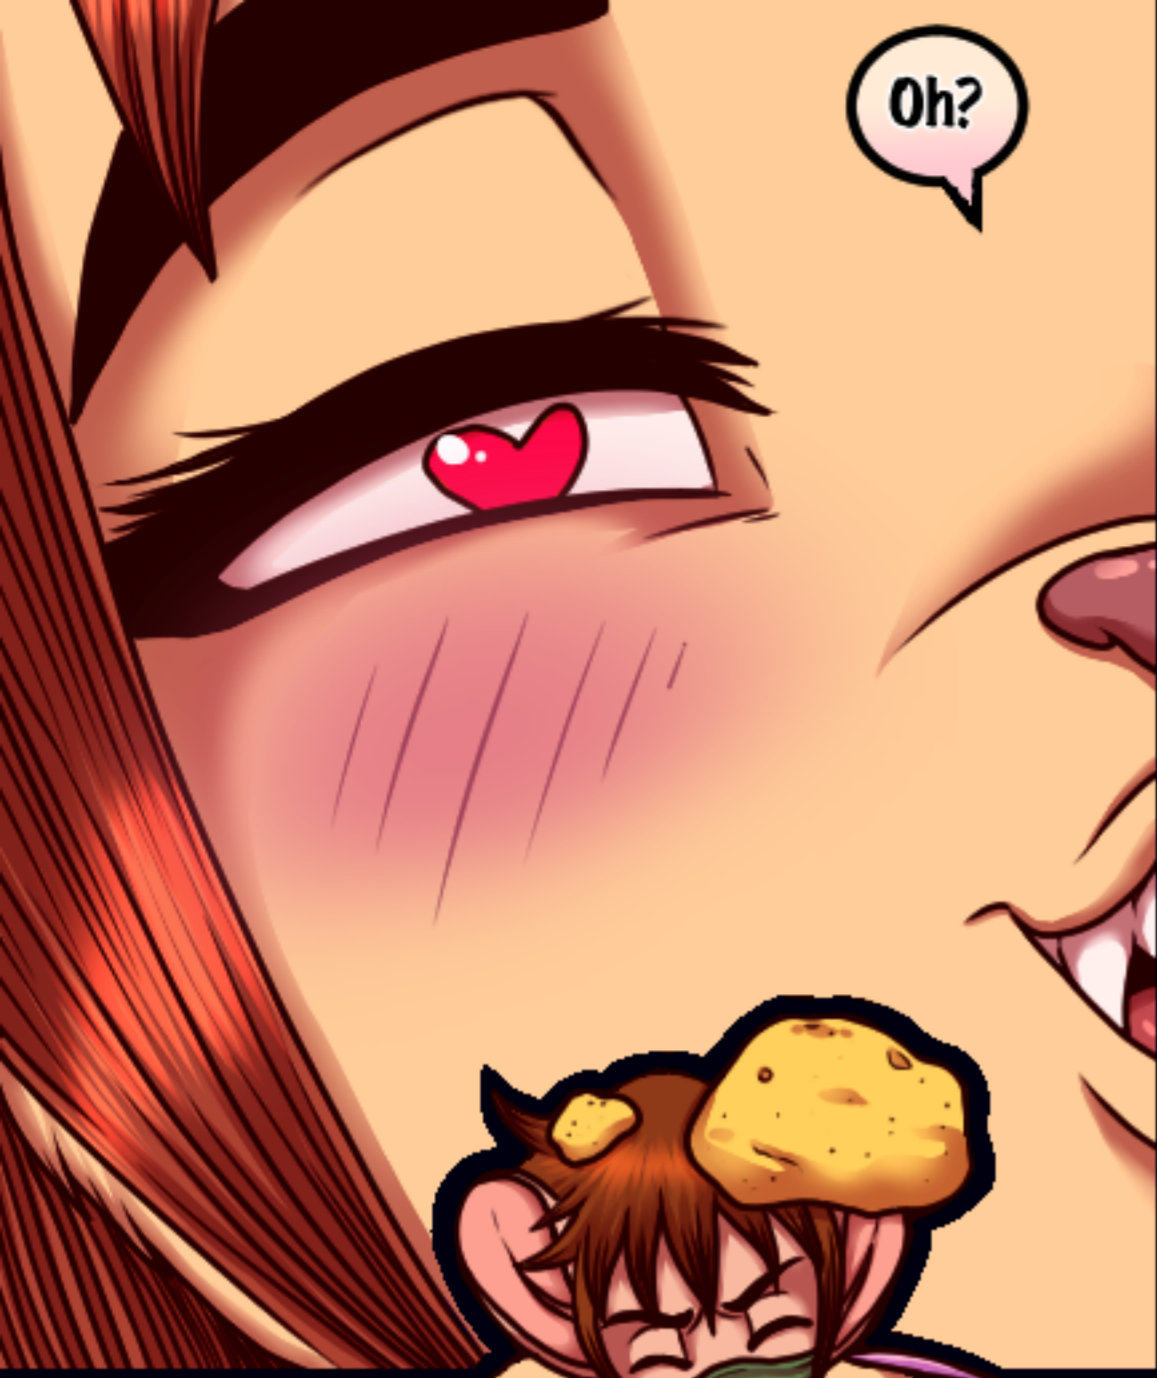

I'm not a child, Mindy.

Of course you're not, hon. Now, open up for the airplane.

F-fine. Nyaaaaah~

Oh?

Now no peeking and say... "ahh~".

Dang it, Mindy! Stop drawing this out or I'm gonna start thinking you're not better than Adrian... Ahh~

-squirm-

Here he comes, hon.

Hmm?

Nyahh~

Mmf! MMFF!!!

-squirm-
