

Roundtable - Midnight Hunt:

Josh Lee Kwai @JoshLeeKwai - Jimmy Wong @jfwong

INTROS: It's time for another Roundtable! We haven't done one of these in a while. It's just the two of us in-studio but we have clips from **Xolo Mariduena** and (hopefully) **Voxy**. BUT FIRST:

****CHANNELFIREBALL - ULTRAPRO CALL-OUT #1****

****GAME KNIGHTS TOKENS KICKSTARTER****

Our goal is to cover the most asked questions and most commented on moments that we received via YouTube, Twitter, Facebook, etc regarding the episode.

If you want to have your comment shown on-air - watch and comment in the first 24 hours for the best chance!

WARNING: SPOILERS AHEAD!!!

(NOTE: We're not calling anyone stupid for having these questions. The fact that there were a lot of the same questions indicates improper explanation on our part. So these are OUR mistakes) Also – some of these are actually just straight-up mistakes by us.

XOLO'S MTG BACKGROUND

Most people know that Voxy plays Magic (she streams it every day) but there were some surprised by Xolo. Let's hear how he got into the game.

WHY DID YOU CHOOSE YOUR COMMANDER?

Let's have everyone explain why they chose the Commander that they did:

Jimmy - Ludevici

JLK - Florian

Voxy - Sigarda

Xolo - Tovolar

THOUGHTS ON MIDNIGHT HUNT

What do we think about the set and it's impact on Commander?

RULES QUESTIONS:

As usual, we will begin by discussing rules related comments/questions:

FLORIAN FLUB

Discuss JLK revealing the cards off of Florian. What did Xolo and Voxy think about it?

****PLAY CLIPS****

SIGN IN BLOOD - MANA COST

JLK tapped a Rakdos Carnarium (bounceland) to cast Sign in Blood. What gives?

-Urborg was out. We didn't make a point of showing this to the audience during the game though. Was that a mistake?

IMMERWOLF + DAY/NIGHT

A lot of people thinking that Immerwolf does not stop Day/Night cards from transforming.

-Really didn't matter because of Tovolar. Ironically, the intimidate ended up being the most important text on Immerwolf.

TYRANT'S TOO FAMILIAR?

Why didn't JLK attack Xolo for lethal when he brought Tyrant's Familiar out?

-He already had to use his combat phase in order to trigger Florian.

MEATHOOK MISTAKE

JLK missed a Meathook trigger when Voxy's Enduring Angel died. Would have brought him to 8 life and Xolo KO'd him for exactly 7.

-How much did this matter?

*****MIDROLL POINT*****

VOTING RIGHTS (AND WRONGS)

Selvala's Stampede. Was it the correct choice? Would you vote that way again?

-Let's ask Xolo: ***PLAY CLIP***

-Ok what does Voxy think ***PLAY CLIP***

XOLO POLITICS:

Xolo was a very political this game. (talk about Xolo being a political player)

This caused two very interesting moments:

THE DON'T "ATTACK" DEAL

Xolo makes a deal with Voxy and JLK that he'll KO Jimmy if they don't "swing" or "attack" him. But on JLK's turn he proceeds to cast about 9 Dragon's Approach and nearly take out Xolo. Was this on the up-and-up?

-Let's hear from Xolo *PLAY CLIP*

THE CRATERHOOF'S DILEMMA

Later in the game. Xolo plays Craterhoof and makes his "immunity" deal. First let's hear what he was thinking:

PLAY XOLO CLIP

*-Now let's get Voxy's perspective on it *PLAY CLIP**

JLK and Jimmy discuss their thoughts on this very shrewd play.

LOVE FOR THE ANIMATIONS

Animations were awesome, as always (Great work Sam, Patrick and Evan & Nick!) Let's hear if Voxy and Xolo had any favorites: *PLAY CLIPS*

(**PLAY MONTAGE**)

AWESOME EDITING:
