

Abandoned Mines

Scroll of Revelation #066

Lost Excavations

This mine was sealed up because...

1. **{Selfish}** Its dwarven founder didn't want anyone [especially the greedy humans] getting their hands on her mithril.
2. **{Cursed}** All of the miners who entered it started blowing themselves up with tnt.
3. **{Cannibals}** The miners started eating each other only to forget anything that happened once they returned to town.
4. **{Lost}** Its last mining crew dug themselves into the Plane of Earth, and now nobody is brave enough to try and dig there again.
5. **{Pests}** Kobolds relentless pranked the miners. Nobody was ever harmed, the kobolds just made it impossible work.
6. **{Howling}** What was thought to be the howling of wind through its tunnels turned out to be a entombed banshee.

Magical Dregs

This mine was known for its...

1. **{Flutter Stone}** Feather-light gemstones that allowed you to slowly jump great distances if you kept one in your pocket.
2. **{Youth Diamond}** Age-reversing diamonds that were ruthlessly coveted by kings and queens who set them into their jewelry.
3. **{Phylactery Gems}** Necrotic gemstones that trap souls and prevent them from being resurrected or reincarnated.
4. **{Ghost Glass}** Foggy glass that can peer

into the ethereal plane but makes you vulnerable to ghostly possession.

5. **{Mimic Stone}** Soft, purple sapphires that take on an identical enchantment to whatever runestone they touch.
6. **{Primordial Silver}** Incredibly rare silver that can slay a vampire without it needing to be staked or in its coffin.

Uncovered Horrors

They dug to deep and found...

1. **{Divine Crime}** The butchered remains of a young god who was thought to have left for another plane of existence.
2. **{Buried Pyramid}** The top of a mummy queen's bone pyramid that fell from the sky following her rumored death.
3. **{Rune Texts}** Ancient cult texts carved into smelted blood which the miners are secretly studying and praying from.
4. **{Underground Ocean}** The shore of an underground ocean. It's opposite shore has not yet been found.
5. **{Insect Kingdom}** A massive colony of beetlefolk who've mistaken the accidental intrusion as an invasion.
6. **{Prison Maze}** A sealed labyrinth which an eye tyrant was trapped in. It's since gone blind but has nearly memorized the maze.
