

MICHAËL GHELFI STUDIOS

WORLD REFERENCE FOR TABLETOP RPG AUDIO

Dear adventurer,

We are Filip Melvan, Lyre RPG Music and Michael Ghelfi.

The project we have is to keep expanding the ultimate fantasy audio library, to cover all possibilities. The ambiances library we made is already by far the biggest in the world, but thousands of other ambiances, songs and SFX are still waiting to be composed. In that regard, we know we can count on a fantastic community on [YouTube](#) and [Discord](#), which you are more than welcome to join.

We set up a [Patreon](#) page, where you can get hundreds of exclusive ambiances and songs (not on Bandcamp) as well as SFX available nowhere else. On our Patreon, you can also get dozens of battlemaps, game-ready D&D scenarios, magic item cards, SFX, etc.

You can get collaborations we made with great artists such as Czepeku, Loot Tavern, 2MinutesTabletop, TheMADCartographer, etc.

Our Bandcamp compositions are also available on [Spotify](#) and [YouTube](#).

Our [Website](#) has many features you could use. You can find the [audio database](#), the [conditions of use](#) for personal and professional projects, a [blog](#) with useful information such as how to rename Bandcamp tracks in bulk, tricks and tips, a [commission](#) page if you want a personalized composition and a license store for [commercial projects](#).

Subscribe to our [newsletter](#) to immediately receive 10 free ambiances and to stay up to date with our releases, opportunities and free content.

Happy adventuring!
