

Pacifier

This is Jim.
He works a
crappy job
that he hates
where he
regularly got
chewed out.

Today he
feels the
lowest he
ever felt in
his life.

When a person
becomes
depressed,
dejected, or
filled with any
kind of
negative
thoughts,

Dark
mystical
power can
reach us
from the
other realm.

And a
demon can
take over a
human eaten
by his dark
thoughts.

This is called a Demi-Demon.

A demonic manifestation in the human world.

Its purpose is to destroy and wreak havoc.

A demi-demon is an endless dark destructive power that keeps growing on negative energies.
