What is the biggest problem when you are in a state of total and pure bliss?

Exactly. You forget everything around you!

Pant

I wonder...

And for one moment, it didn't matter!

My suddenly growing sister...

So intense...

**Her even bigger boobs
and especially...**

**...her impressive amount
of milk production...**

One can only think, what went through her mind!

...there is probably a connection!

But...do I actually want to know what she thought?

This milk is actually the most interesting aspect in all of this.

And so I slowly returned...

Good god...

...and had to be honest. It felt so damn good!

...that was almost magical!

Hehe...

It was getting harder and harder to deny it. Jennifer was right. I really did!

**... I think you are starting
to really enjoy this,
Tiffany!**

She was right. She looked even smaller now!

Well...

And you got even bigger during it, haha!

But soon it all kicked in...

Hard to deny it, eh?

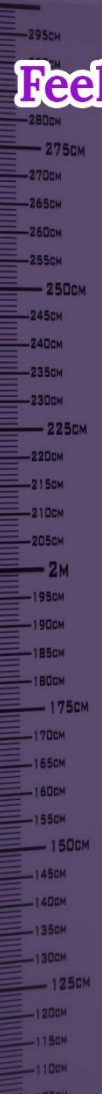

Give it just one more second...

Huh?

...before I realized that...

Feeling better now, big sis?

Ah, there it was!

**Oh-oh...
*Don't tell me,
we did it right in...***

Look at those!

It was getting worse by the second!

****No, no, no. My milk!****

****Just stay cool, hehe.****

This was not good!

****I made such a mess.
And she saw it all!****

Just kill me!

She is so cute when she is like this, hihi.

Relax, Tiffy!

****I am so screwed!****

At least she wasn't mocking me.

**Just don't be ashamed.
It is alright, honestly!**

If you say so...

Amazing view!

And after a few more words of my little sister...

**I will support you in
all of this.
Whatever caused this
to happen!**

**Thank you, Dorothea.
I truly mean it!**

****She is even bigger
than Dorothea now!
So cool!****

**This all happened so fast.
Me suddenly growing huge,
my breasts growing as well.
Suddenly producing this milk.
Just everything!**

****So...much...bigger!****

But not just Dorothea, Jennifer too!

Awww!

**And then there is this tiny devil
staying with me through all
of this crazyness!**

**Hehehe, as if I would
want to miss this!**

It is getting late.
You should head home
and get some rest.
And don't worry, I...

...I will take care of
this little mess you
just made, haha!

...

****Just why did she have to make it awkward again?****

Don't be embarrassed. You have no idea how awesome this *product* of yours is, haha!

**I have no idea on how to
answer for it to be
less awkward for me.**

Just one more
thing, Tiffy...

Yes, Dorothea?

Watch your head when you get up.
Ceilings are an annoying thing
for tall girls like us, haha!

Guess you are right, sis.

And you are probably still not used
to your own huge size.
Heck, you have even outgrown me!

Hehe...

I will keep it in mind!

****Look at that CAKE!****

If only I had eyes on the back...

****Even in this position...
I am no match for her!****

Anyway, time to get up!

Probably better if you take
your time, Tiffy.

Yeah, yeah...

Boy, you truly have grown huge,
big sister!

But even with her warning...

Watch your...too late!

Ouch!

Told...you...so!

Stupid ceiling!

Hehe.

*Very funny,
Ms. always has been gigantic!*

Hey, I think your
size suits you nicely.
I am not even mad
you outgrew me, hihi.

SIGH

I was finally able to...

At long last!

You have no idea how good it was!

**This feels so good
to stretch like this!**

Dr. T
Lock

My giantess!

**And I know far too good, who enjoyed
this even more than I did!**

**Hopefully nobody will see me
like this for now!**

Hehe, I do.

Time to tease her a little bit.

**Did you say something,
short stuff?**

**Can she read my
mind now too?**

Okay, maybe more than just a bit, hehe.

Oops, sorry.
I almost didn't see you
down there.

HOT!

She is so easy to entertain, hehe.

Let's go home, my love!

****Your wish
is my command!****

My tiny devil.

I hope, this was not too much, Jennifer.

**Are you kidding me?
More of it, please!**

But maybe...leaving Dorothea...

Just what is it about you?

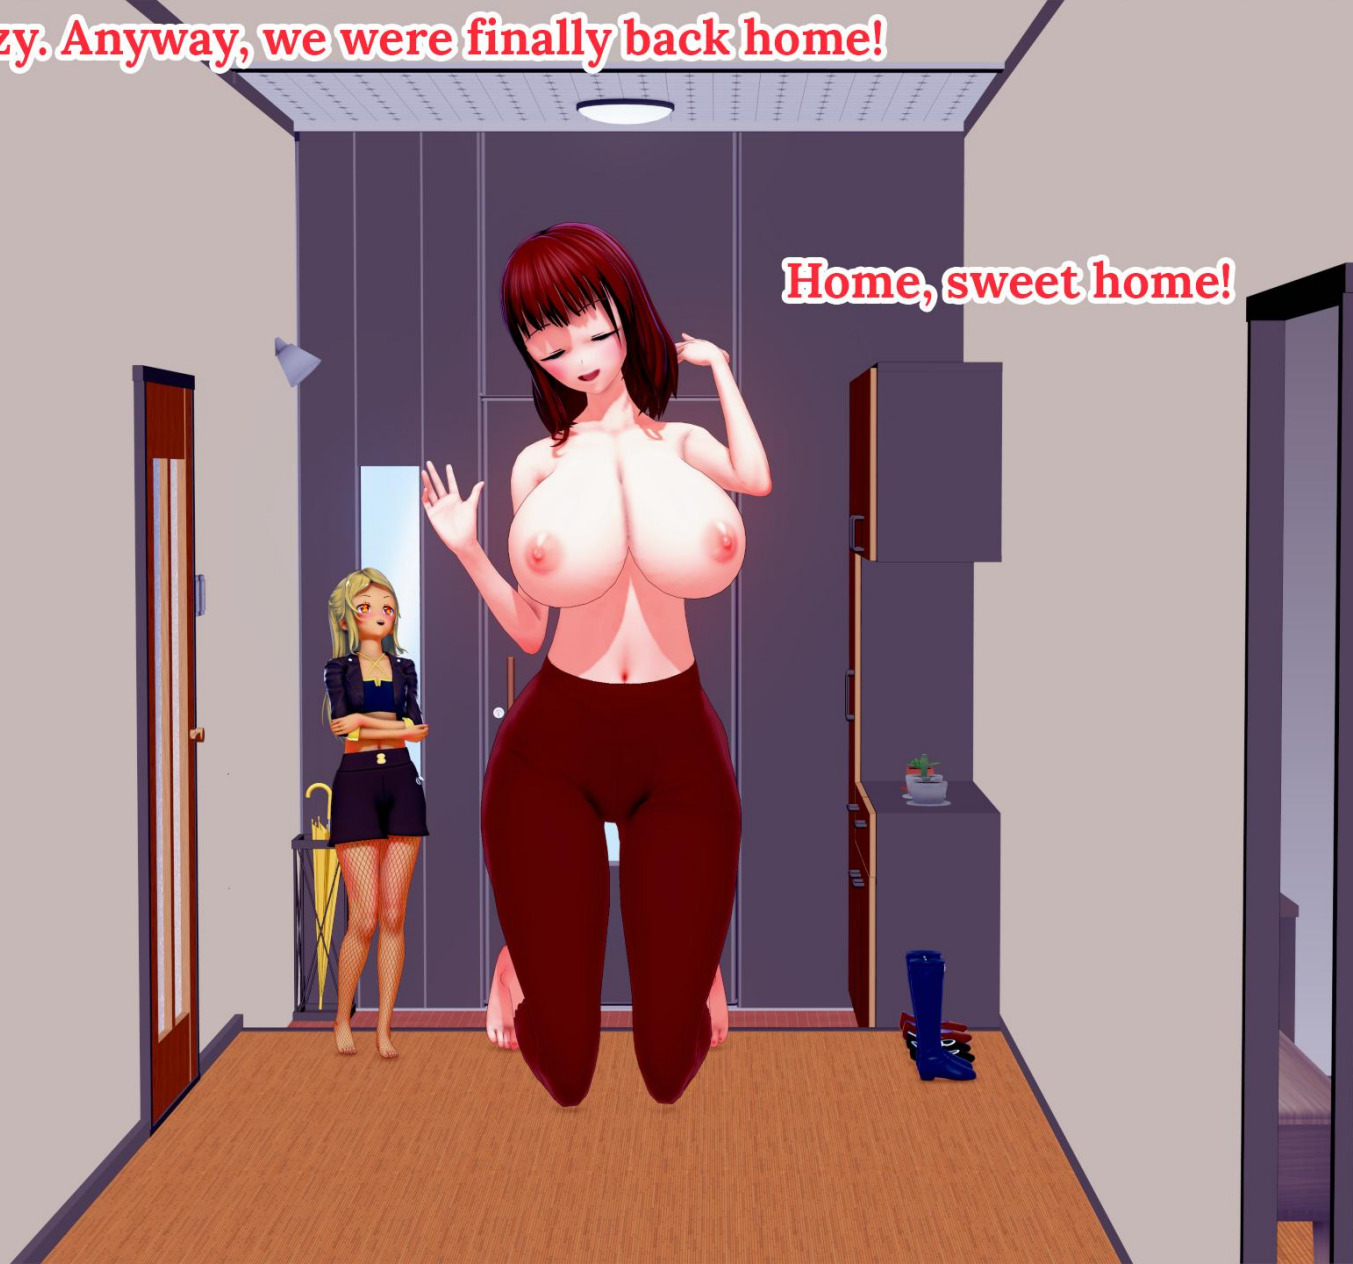

...was a mistake.

I think...I have an idea.

Ah, I am just crazy. Anyway, we were finally back home!

Home, sweet home!

And boy, did my perspective change!

Hmm...that door.

When we left, I was a head
taller when standing.
And I am not even standing
right now. Wow!

I just had to try this out myself.

Let's see if I...

And would you believe it? It was...fun to me!

...yep. And way too easy!

Amazing!

This was truly the first I...

**I think I understand now,
why Dorothea loves being so tall!**

**Says the woman that
was growing while
walking home, hihi.**

I have to be honest with you...

I...did?

You sure did, haha!

I had not even noticed it one bit!

**Yup. It was actually
hard to hold on tight
while you were walking.**

I was probably more concerned with not having anyone see me.

Oh...sorry!

No problem.
As if that is a
bad thing, hehe.

grow

grow

grow

So sorry if I oversaw that I grew a bit more.

You tiny devil you!

At least I am YOUR tiny devil, my beauty!

But how much was a bit?

Point for you, Jen!

YAY!

Once again, my mind was searching
for an answer for all of this...

**Just what is causing
all of this?**

But not tonight, because...

**...I am too tired
to think anymore!**

I need some sleep!

****I could watch
her like this
for hours!****

**You are like my sister.
You two enjoy this
way too much,
don't you agree?**

**It is probably more
comfortable for you
than this tiny
couch, haha!**

**In the end, I was too tired to argue.
I needed sleep!**

****Maybe tomorrow...****

****I hope tomorrow...****

Even if this bed was also too small!

****...everything will be normal again.****

****...she grows even more!****

Wouldn't that be nice?

****Or at least I will stop growing...****

****I want her to tower even more over me!****

grow

grow

grow

There was only one problem...

grow

****We will see...****

****Keep on growing,
my love!****

grow

grow

**While I was sleeping, someone else
was still awake and active!**

**Maybe...this is the root
to all of Tiffy's changes!**
