Is that so? What's so unfilling about being an influencer?

Well-

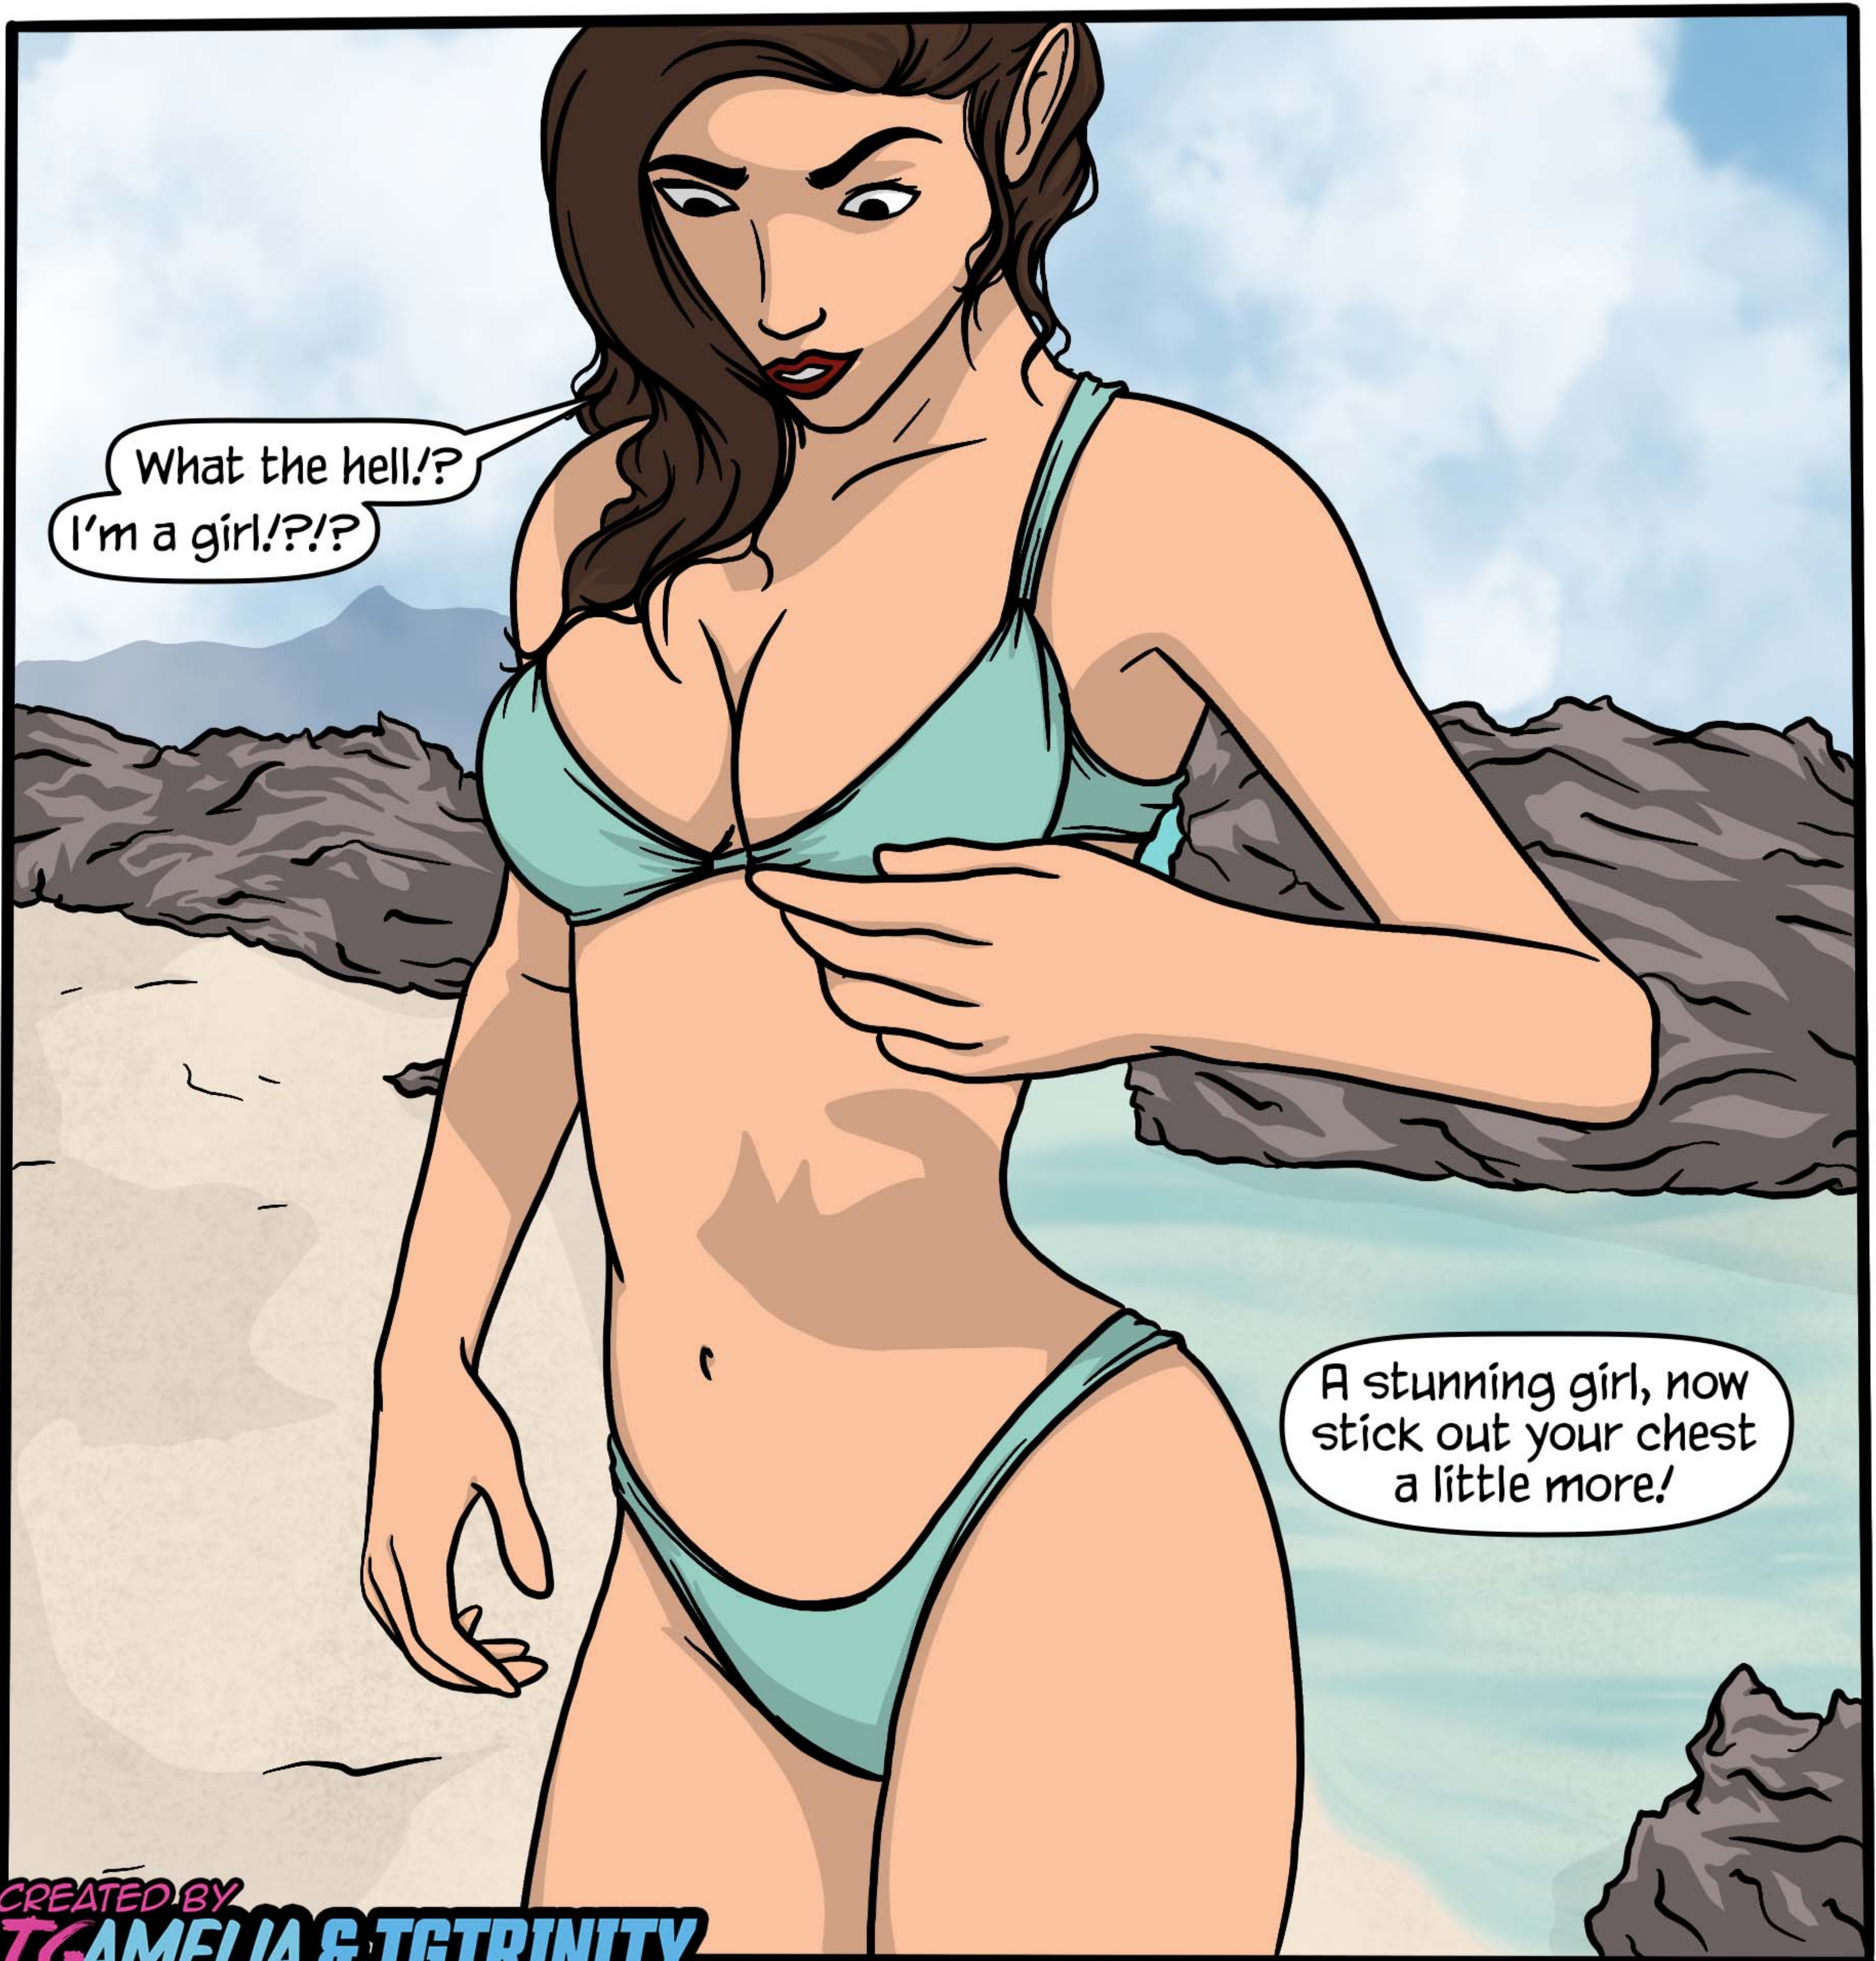

What the hell!?

Come on, give me another pose, Kylie!

The camera loves you!

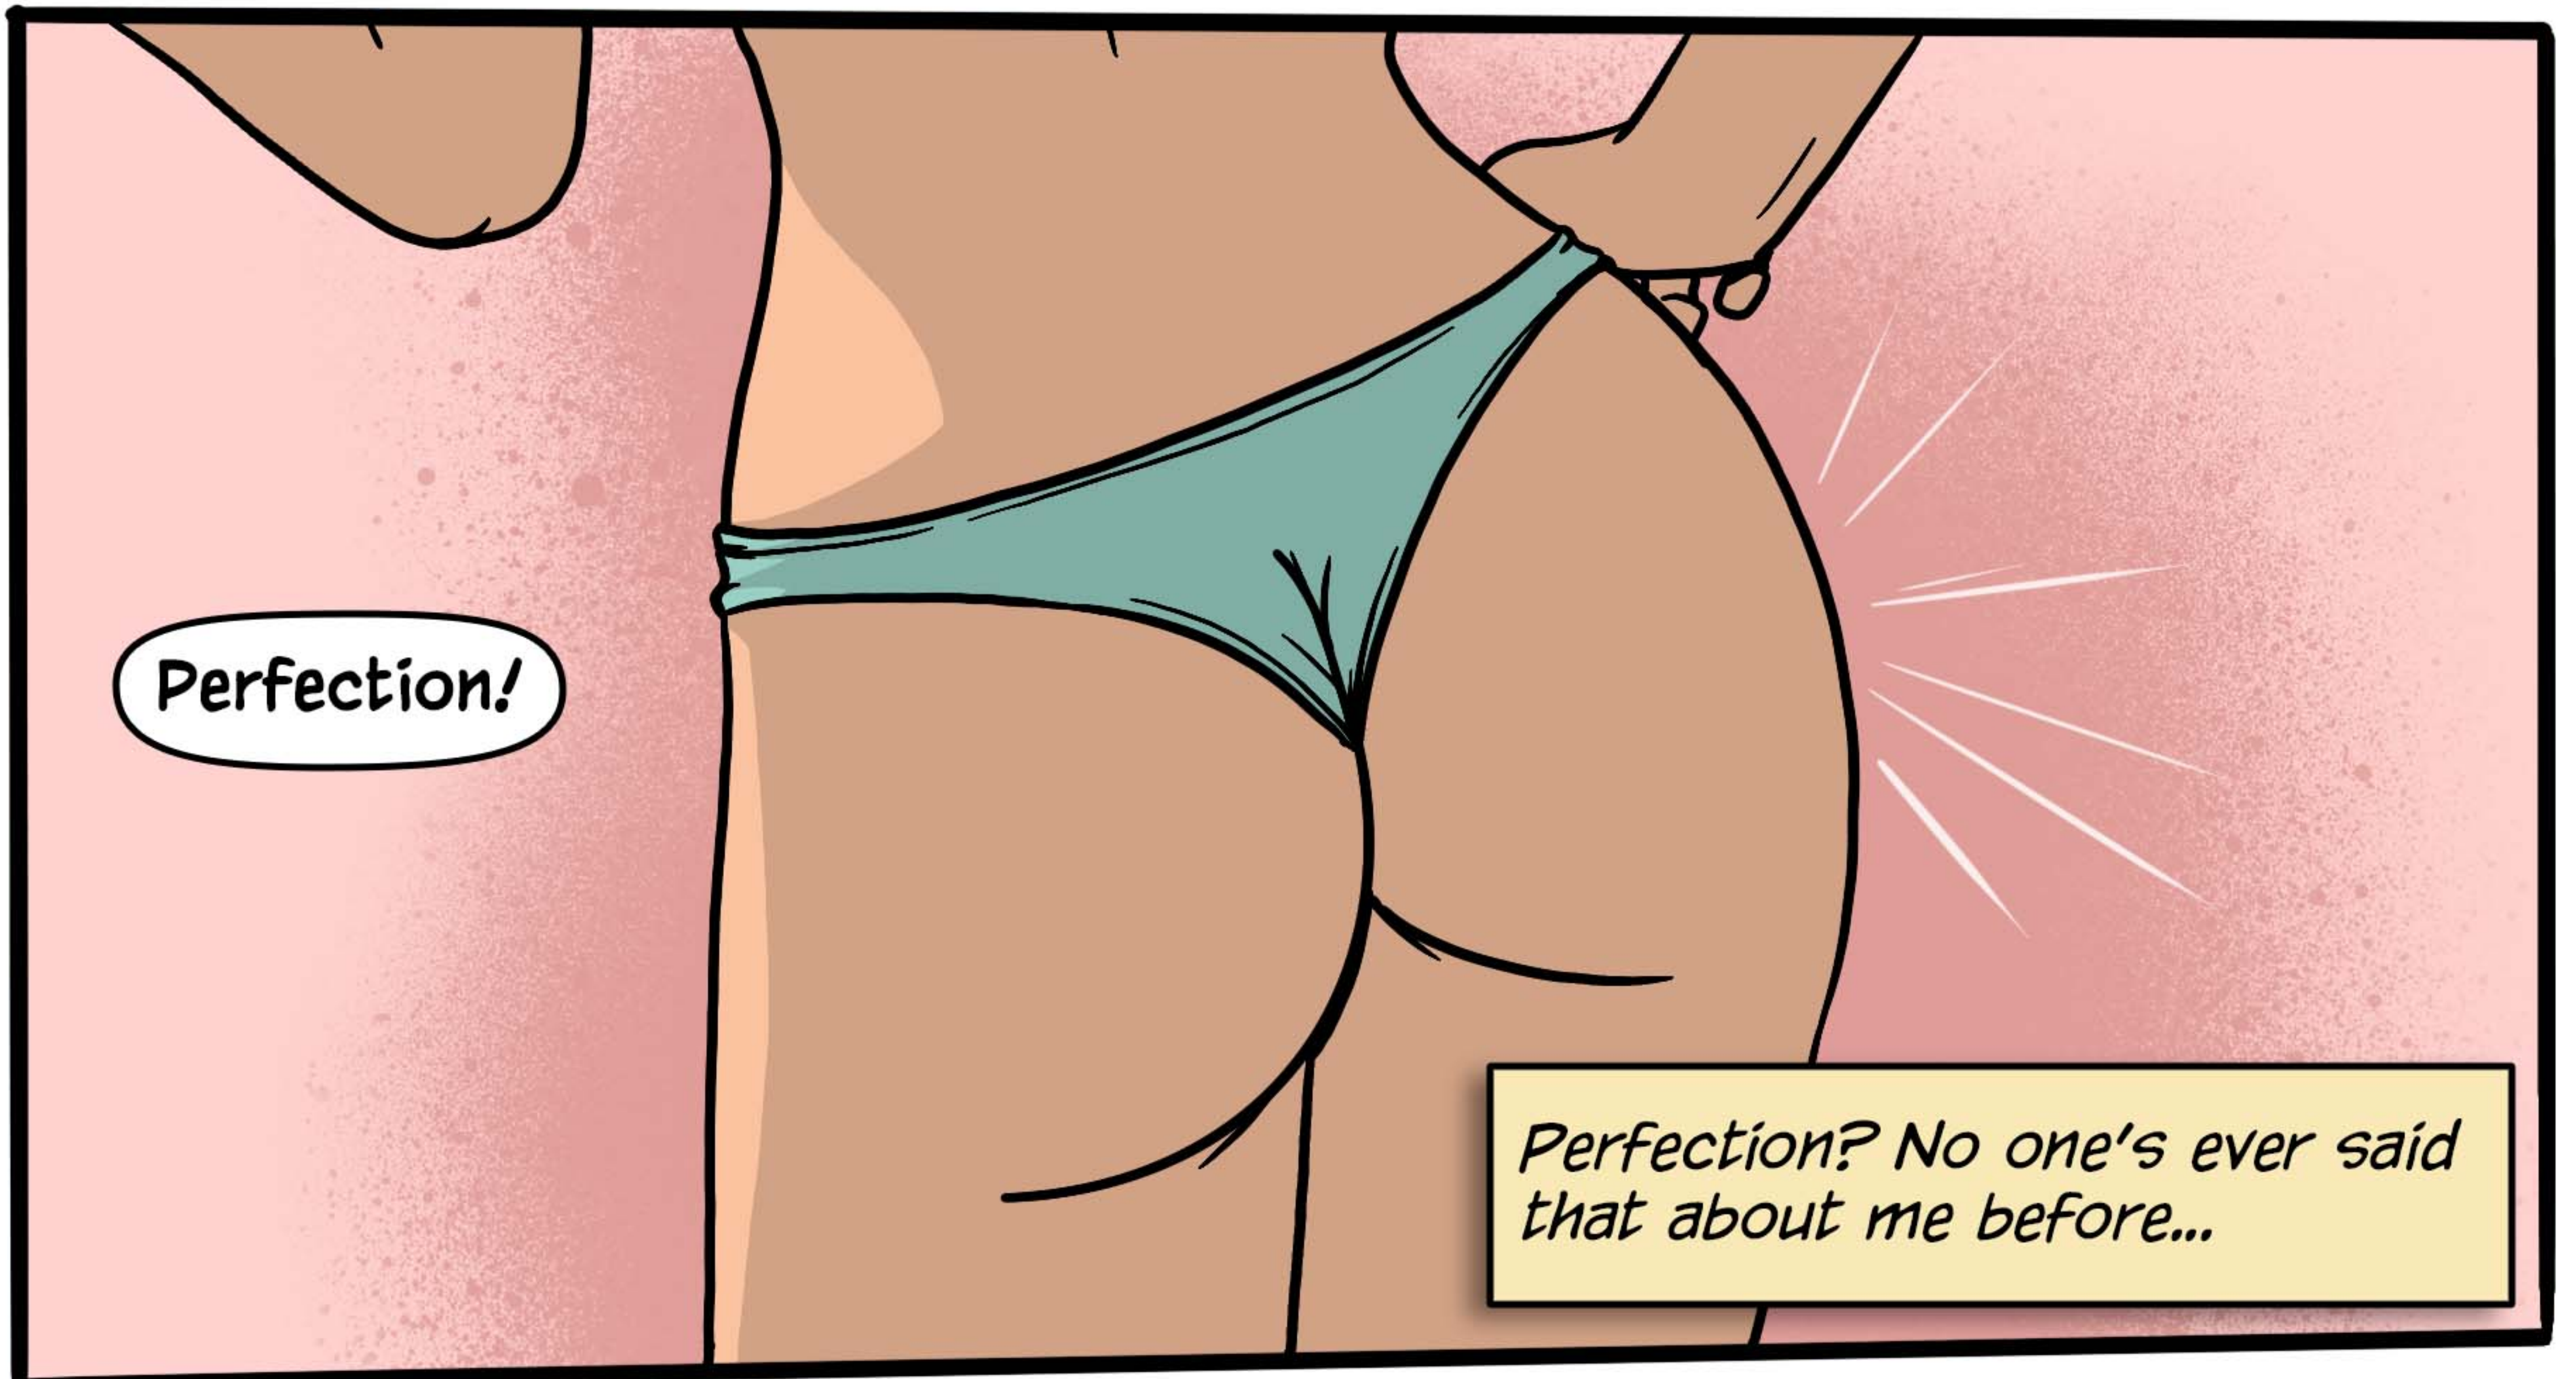

What the hell!?!
I'm a girl!?!?!?

A stunning girl, now stick out your chest a little more!

What am I doing?

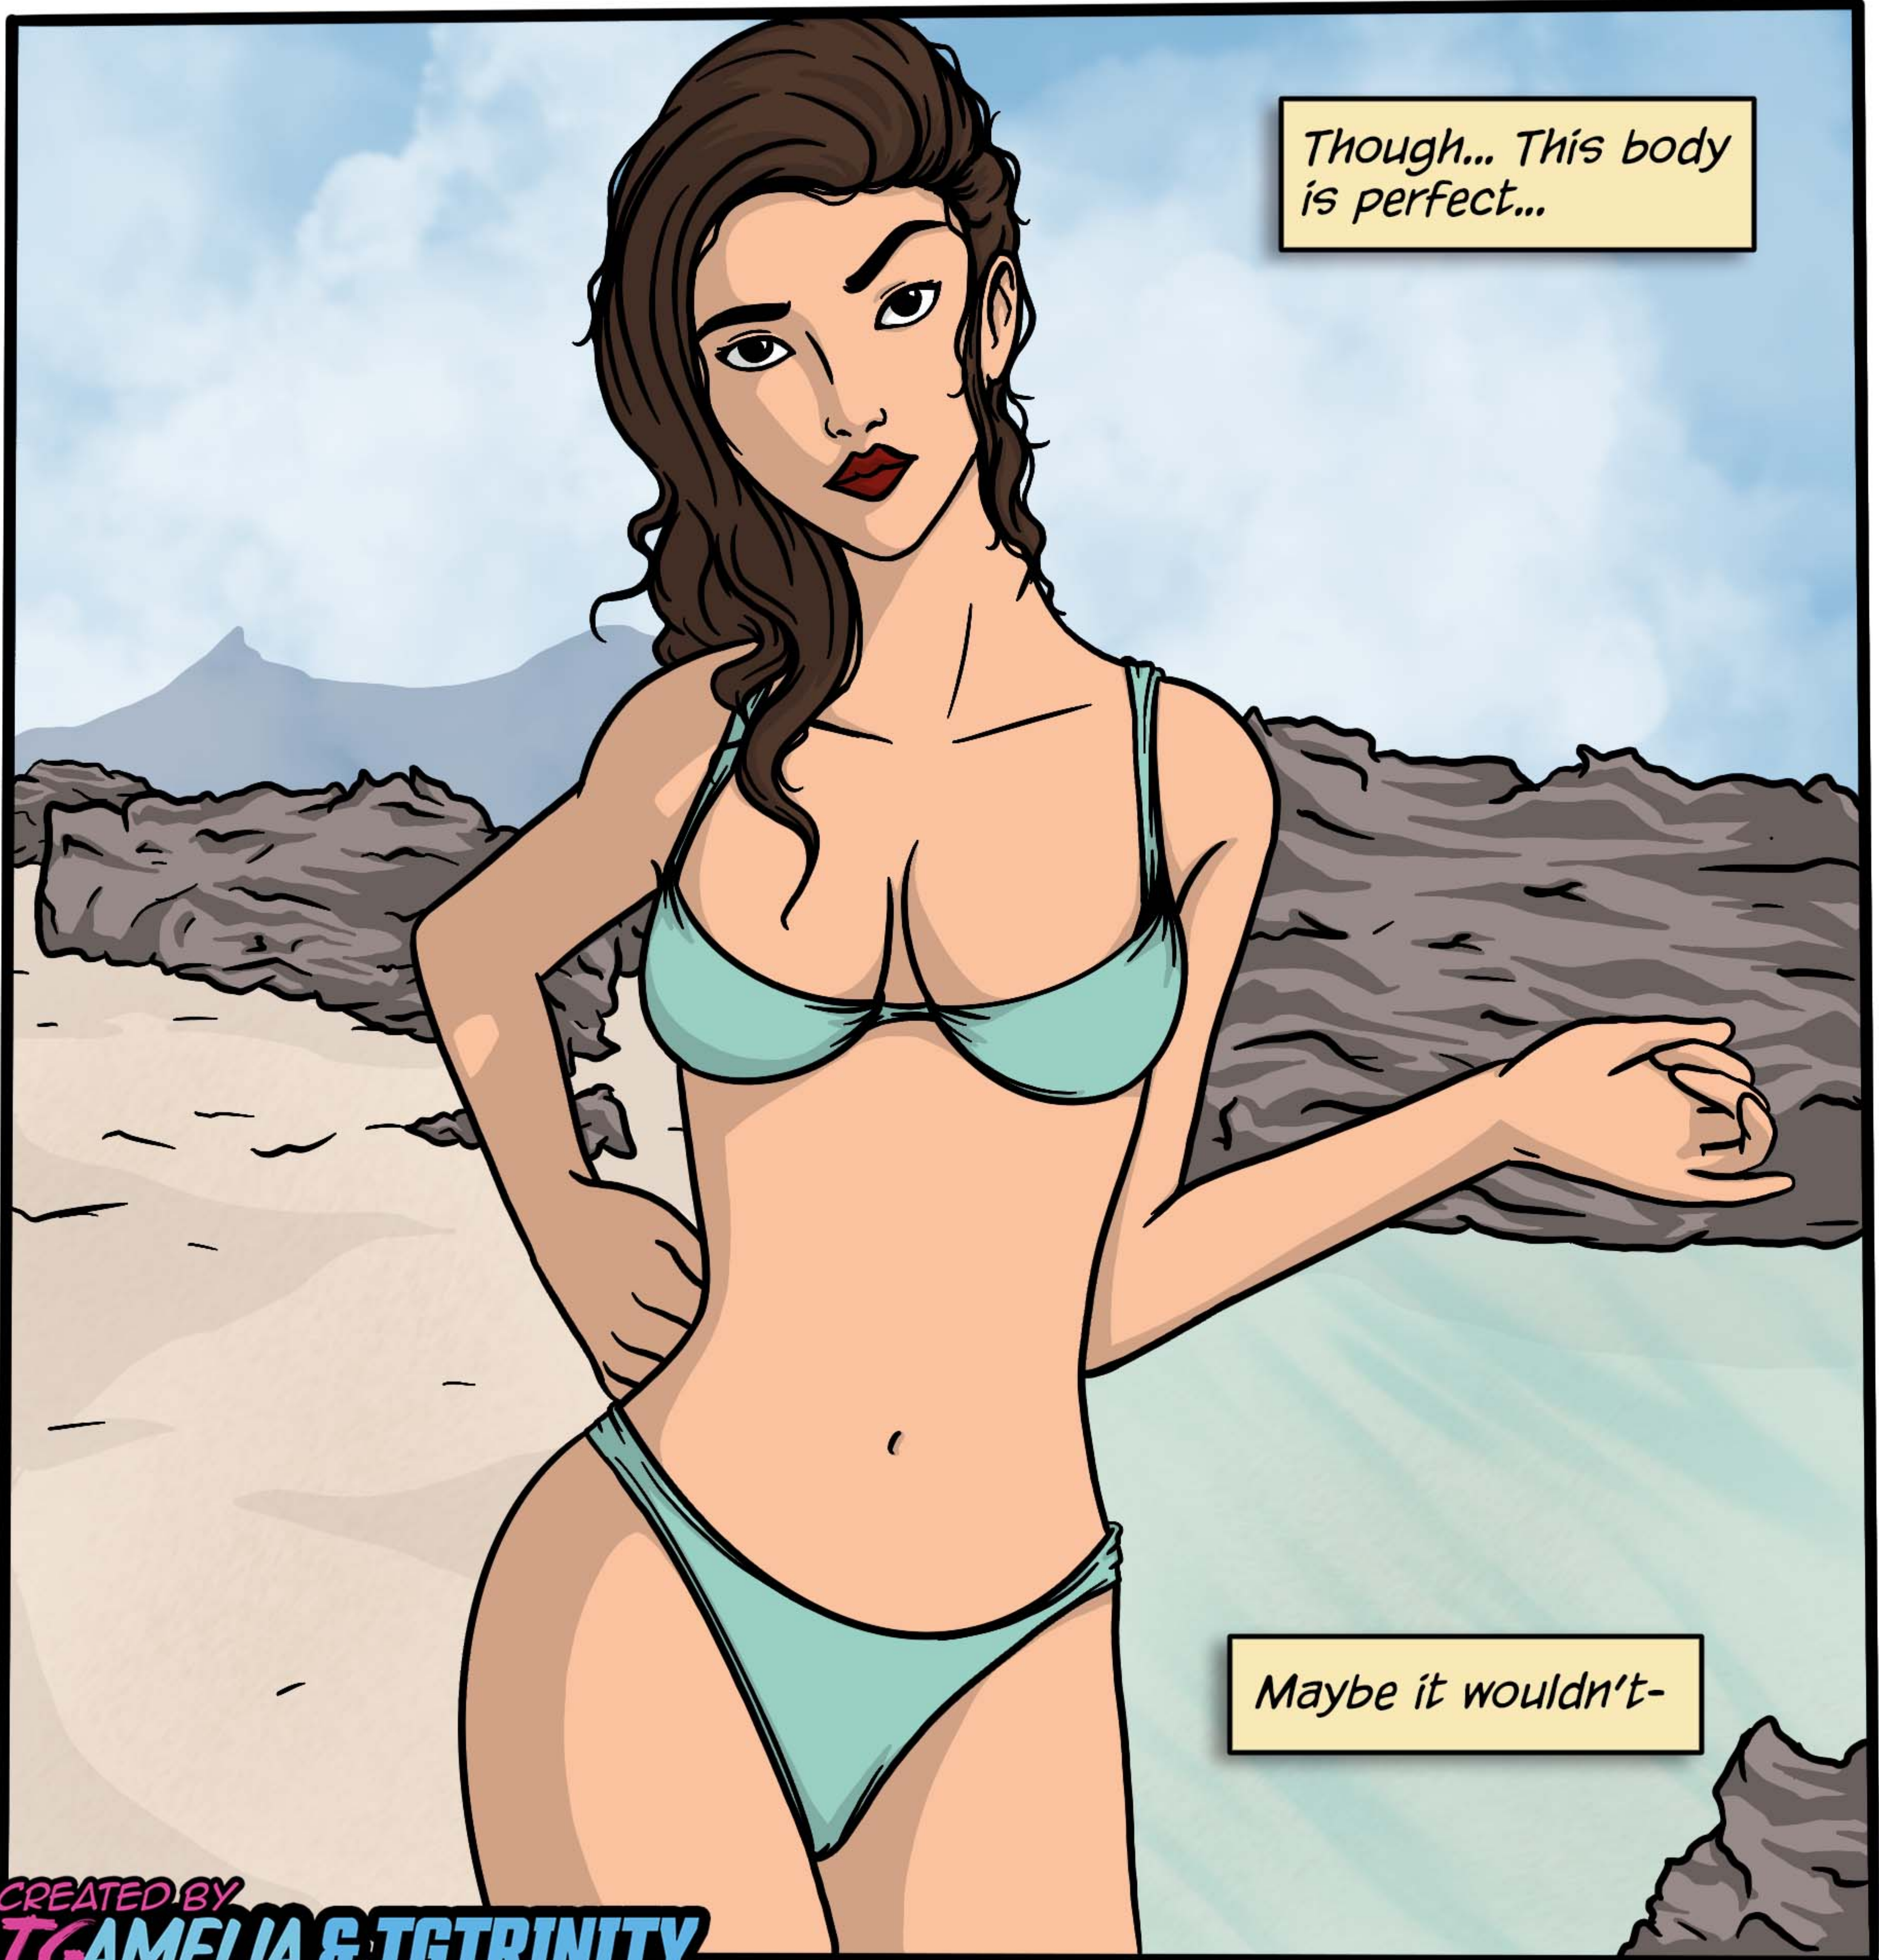

Why am I listening to him?

Fantastic! Sexy!
Let's see that tush!

Perfection!

Perfection? No one's ever said that about me before...

Though... This body is perfect...

Maybe it wouldn't-

Be so bad if-

Hey!
What the hell
is going on!?

Finish that
thought, Kyle?
What wouldn't
be so bad?

What is this?
What are you
doing to me?

What wouldn't be
so bad, Kyle?

No... Not again...

God, you are so sexy, Kylie.

Oh, my god...

What are you still doing dressed, love? Or do you want me to help you out of that bikini?

I... I don't know what's...

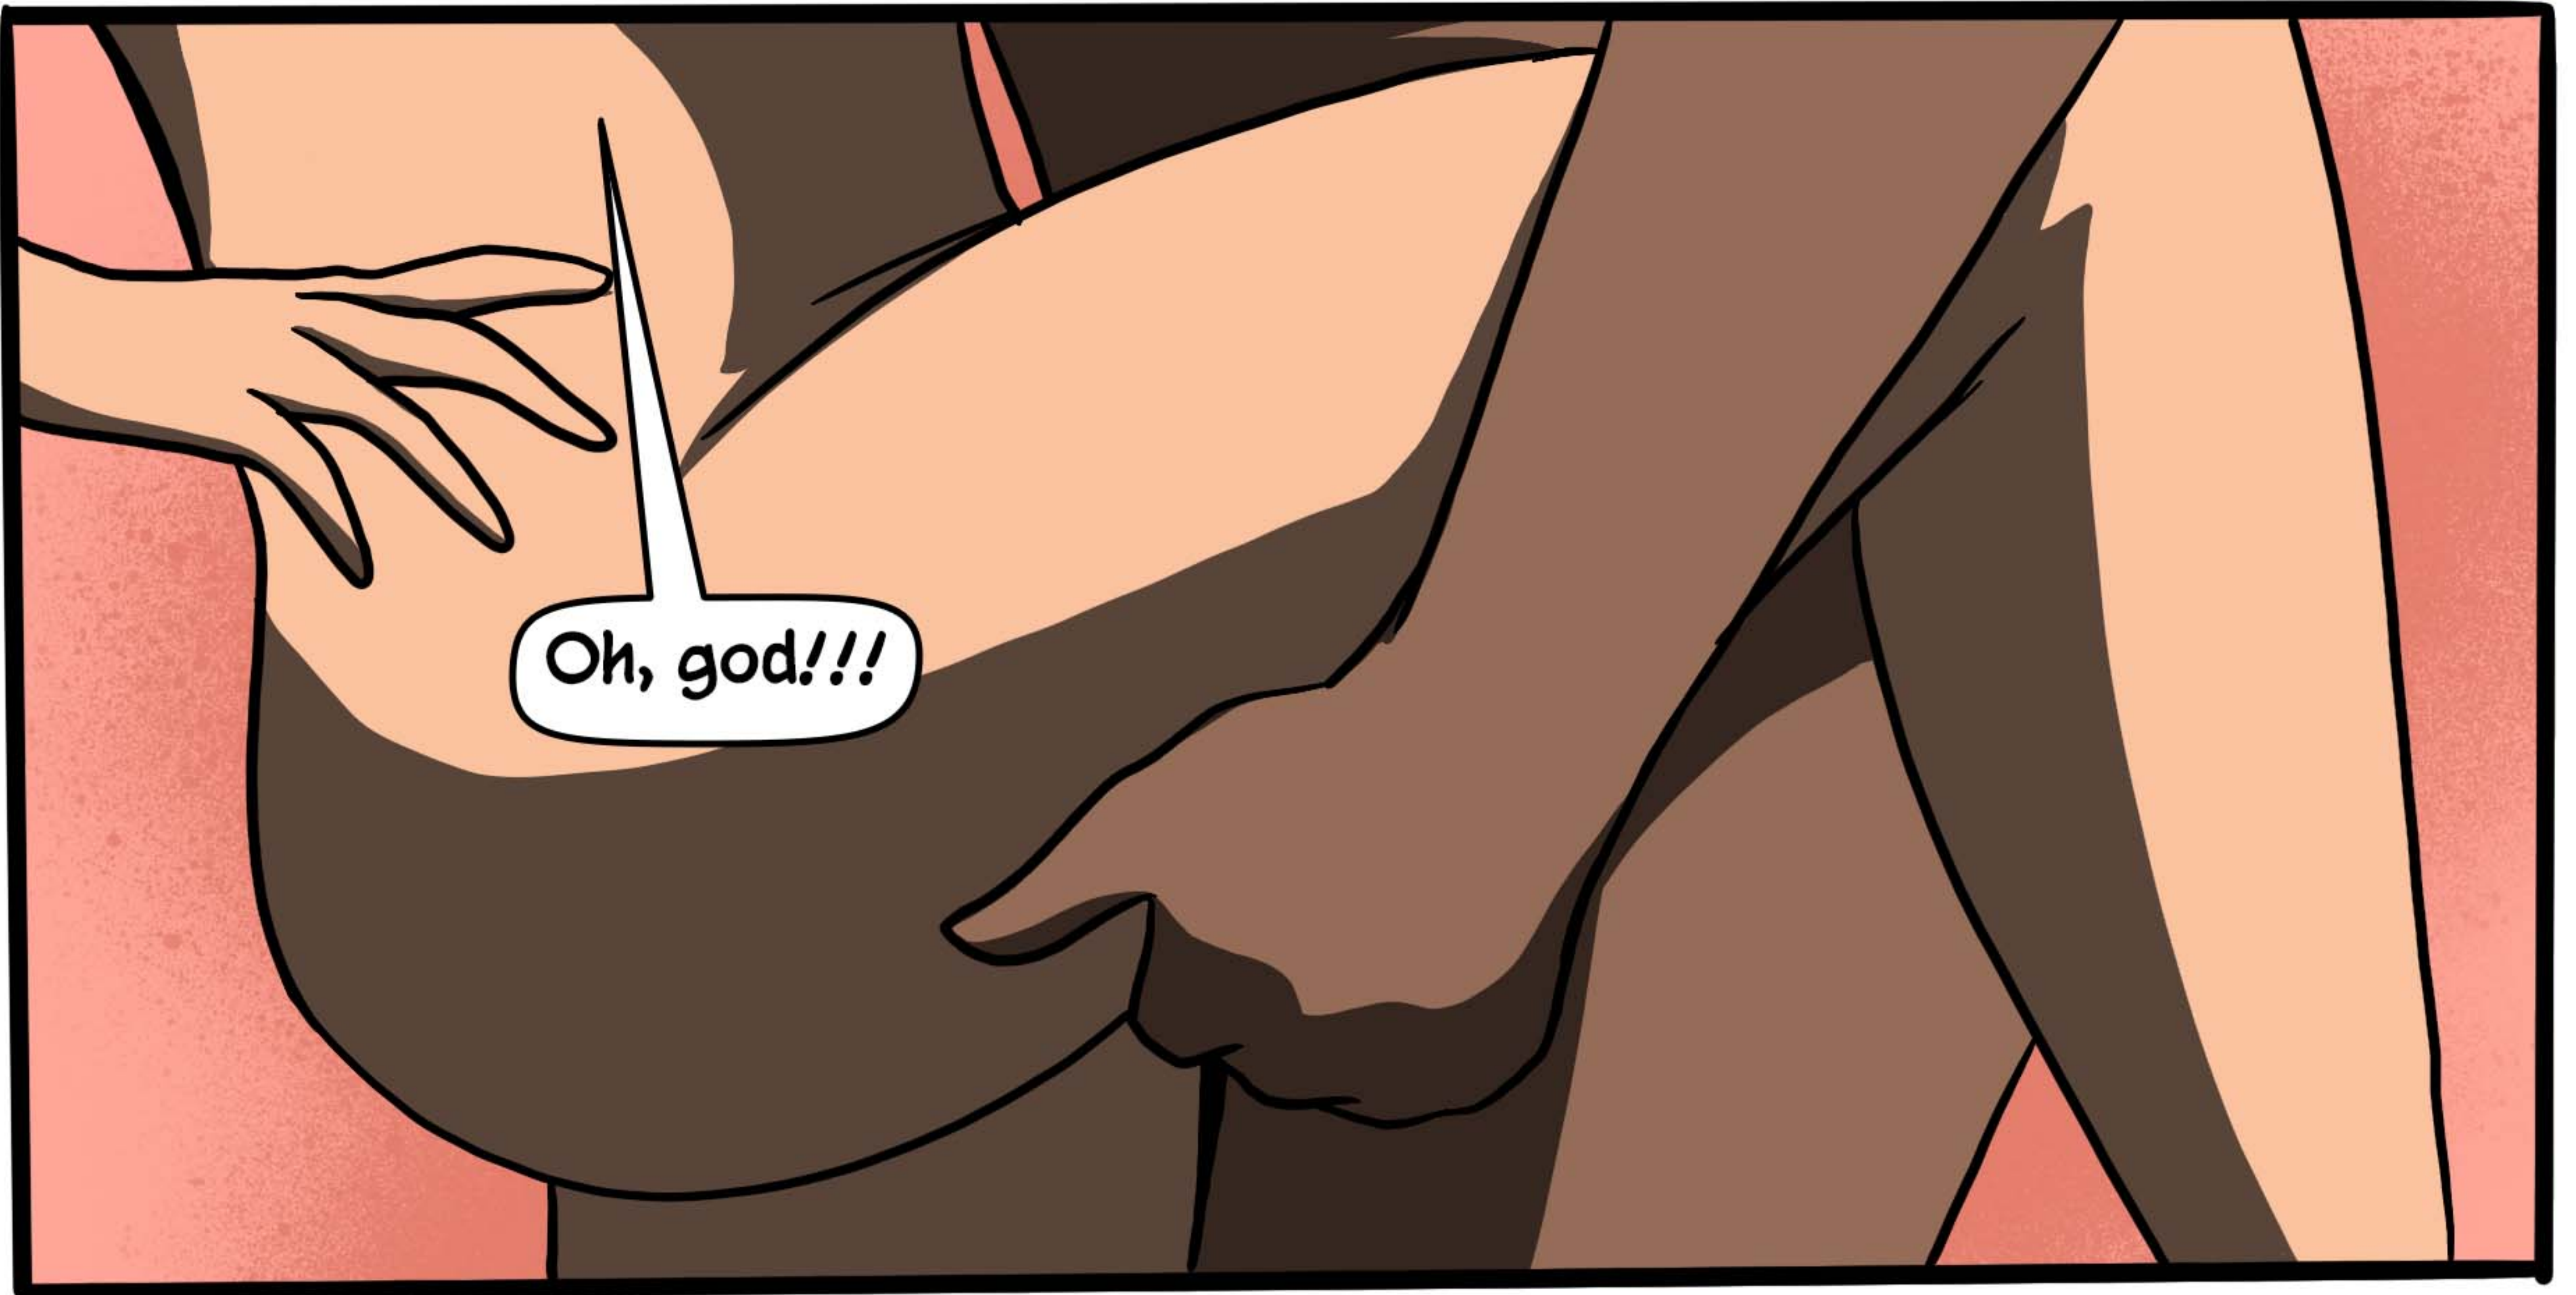

He's kissing me!?

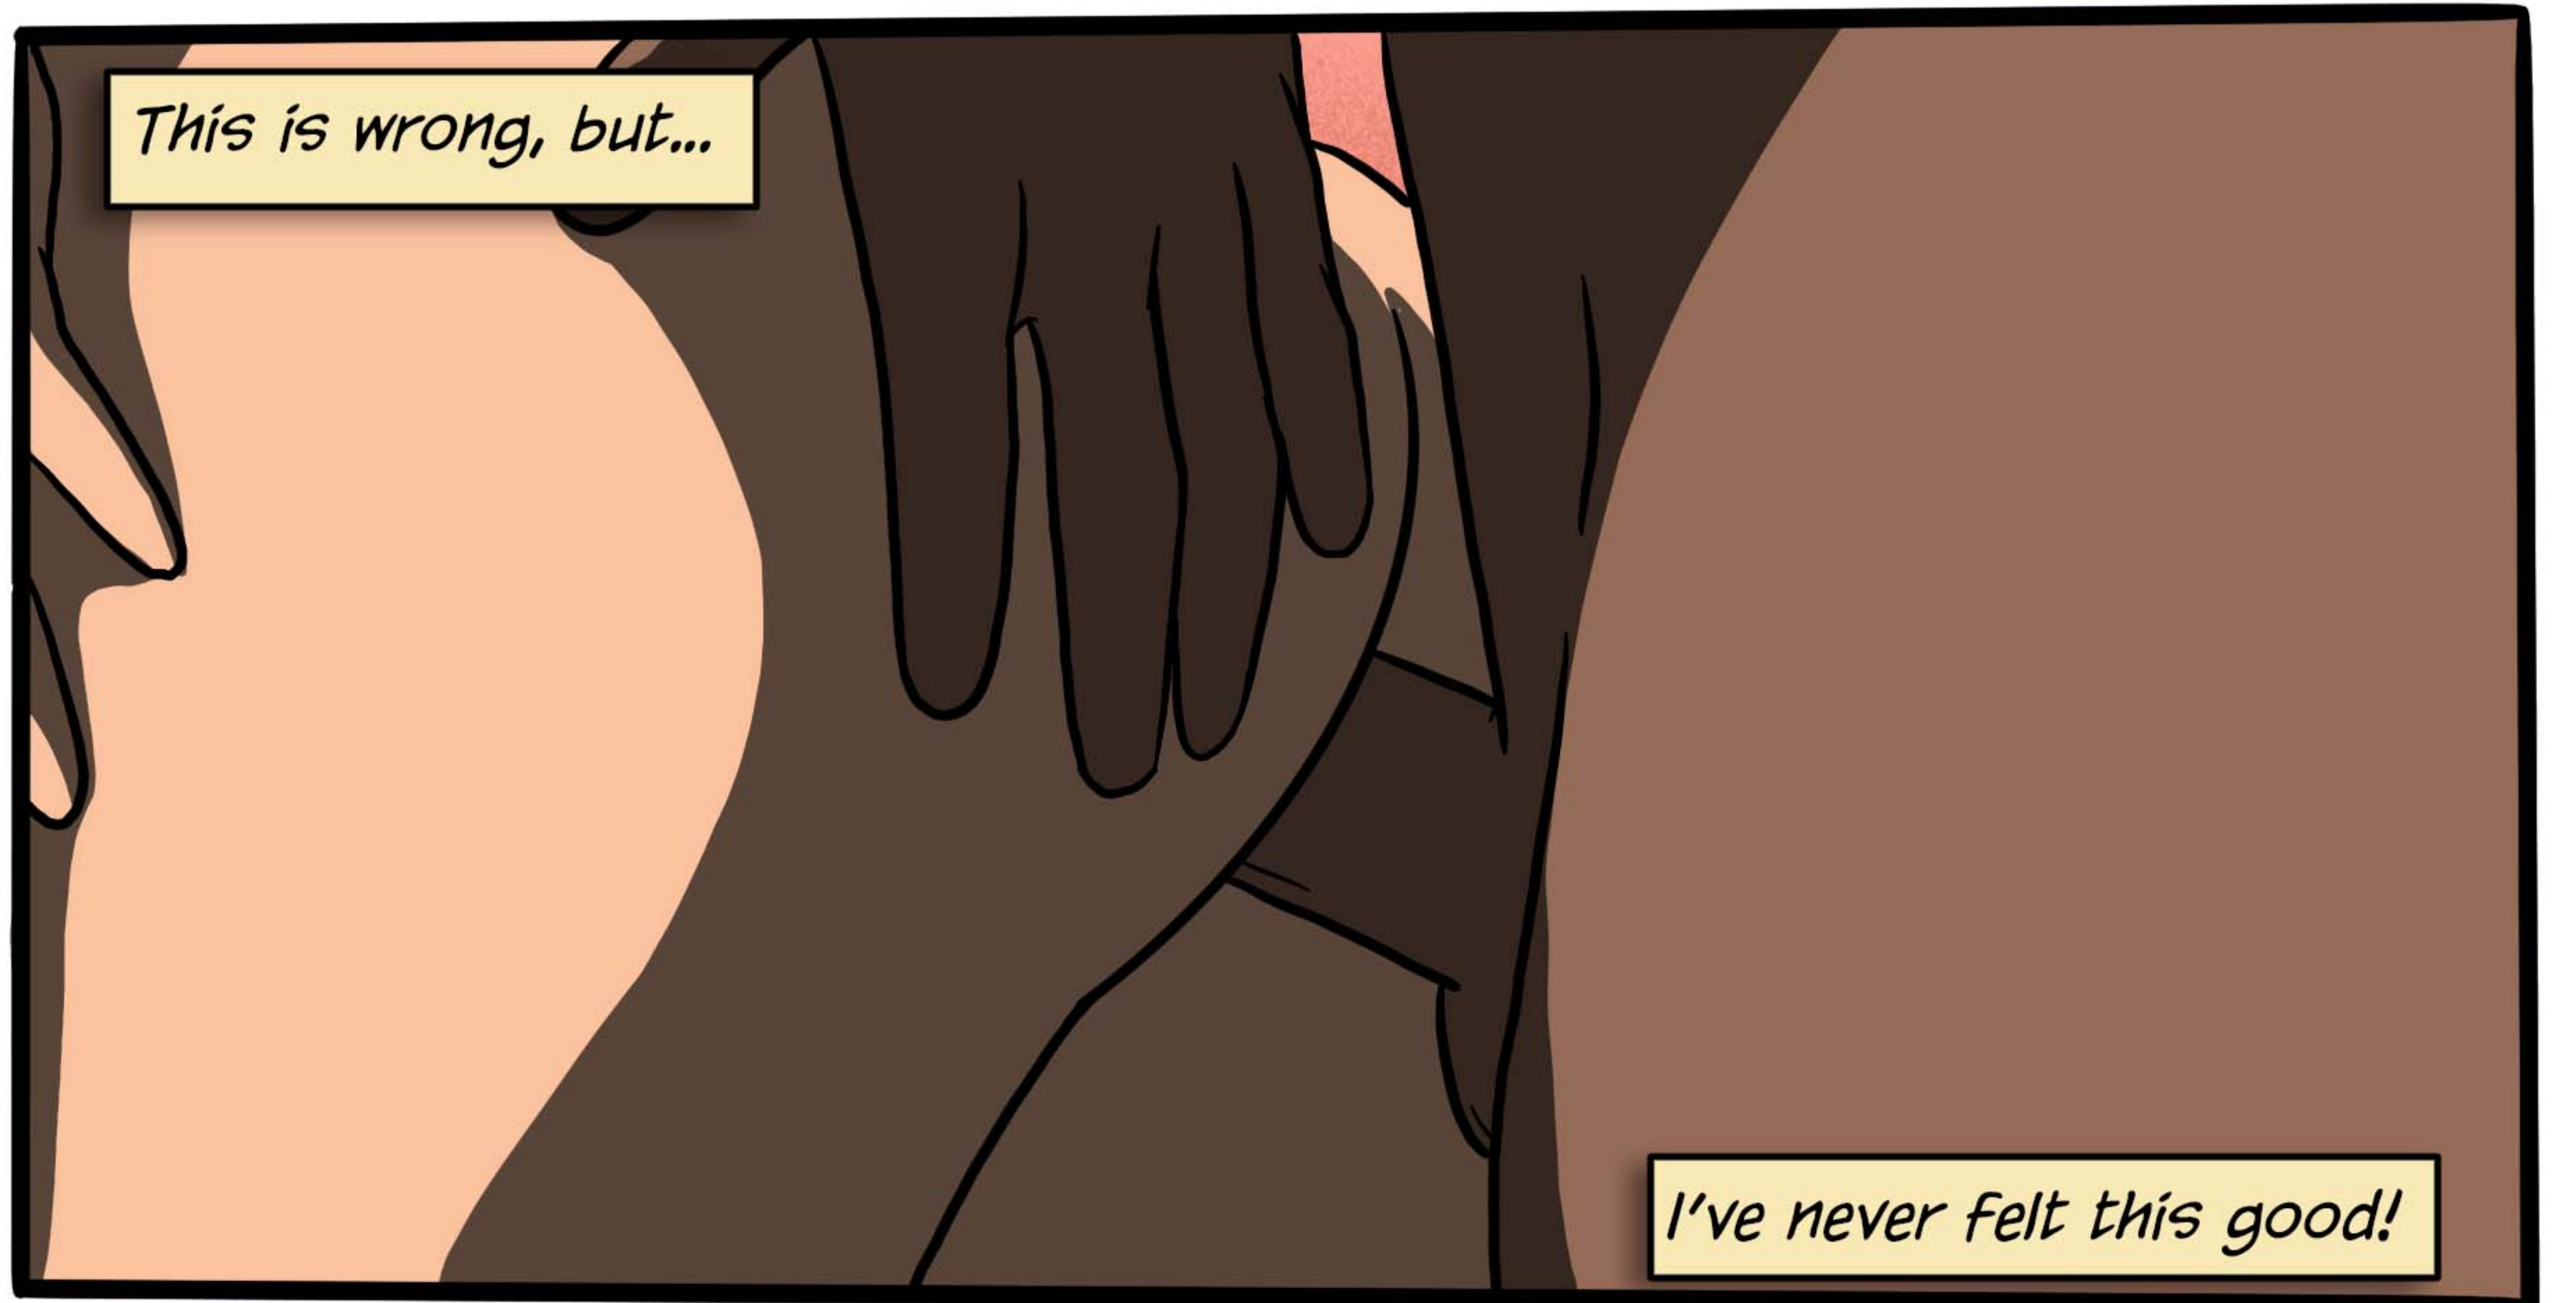

A man is kissing me!?!?

No... I need to stop this... I... I...

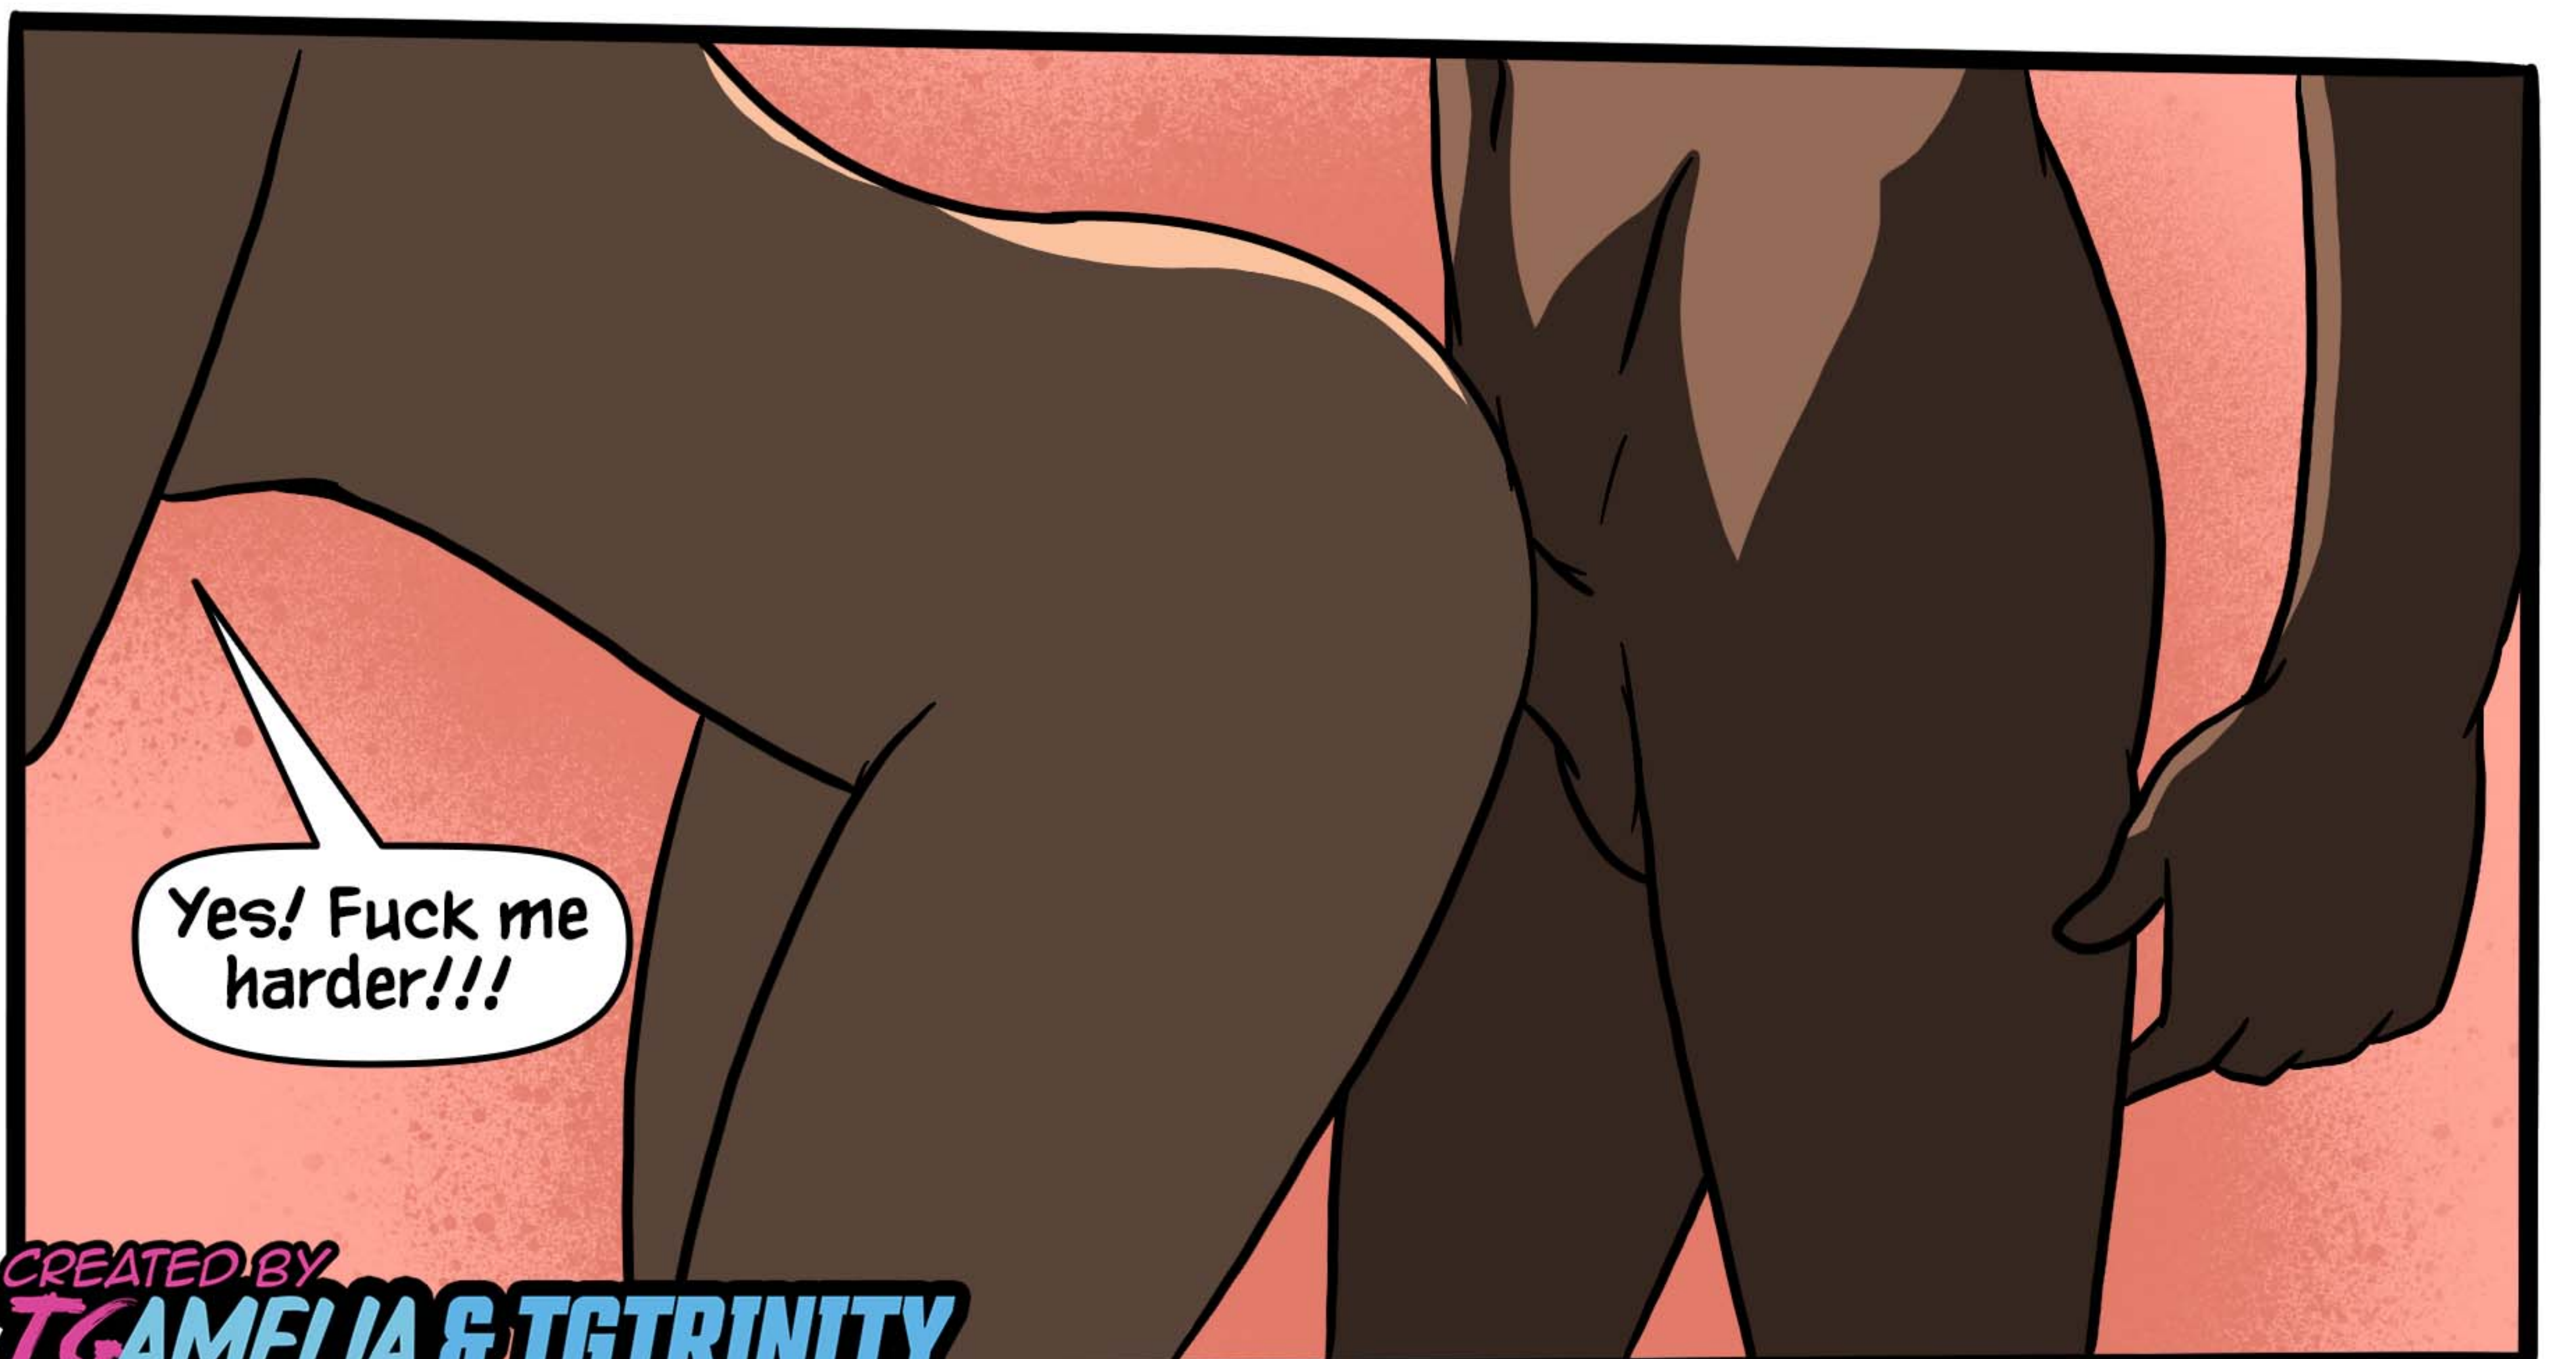

Oh, god!!!

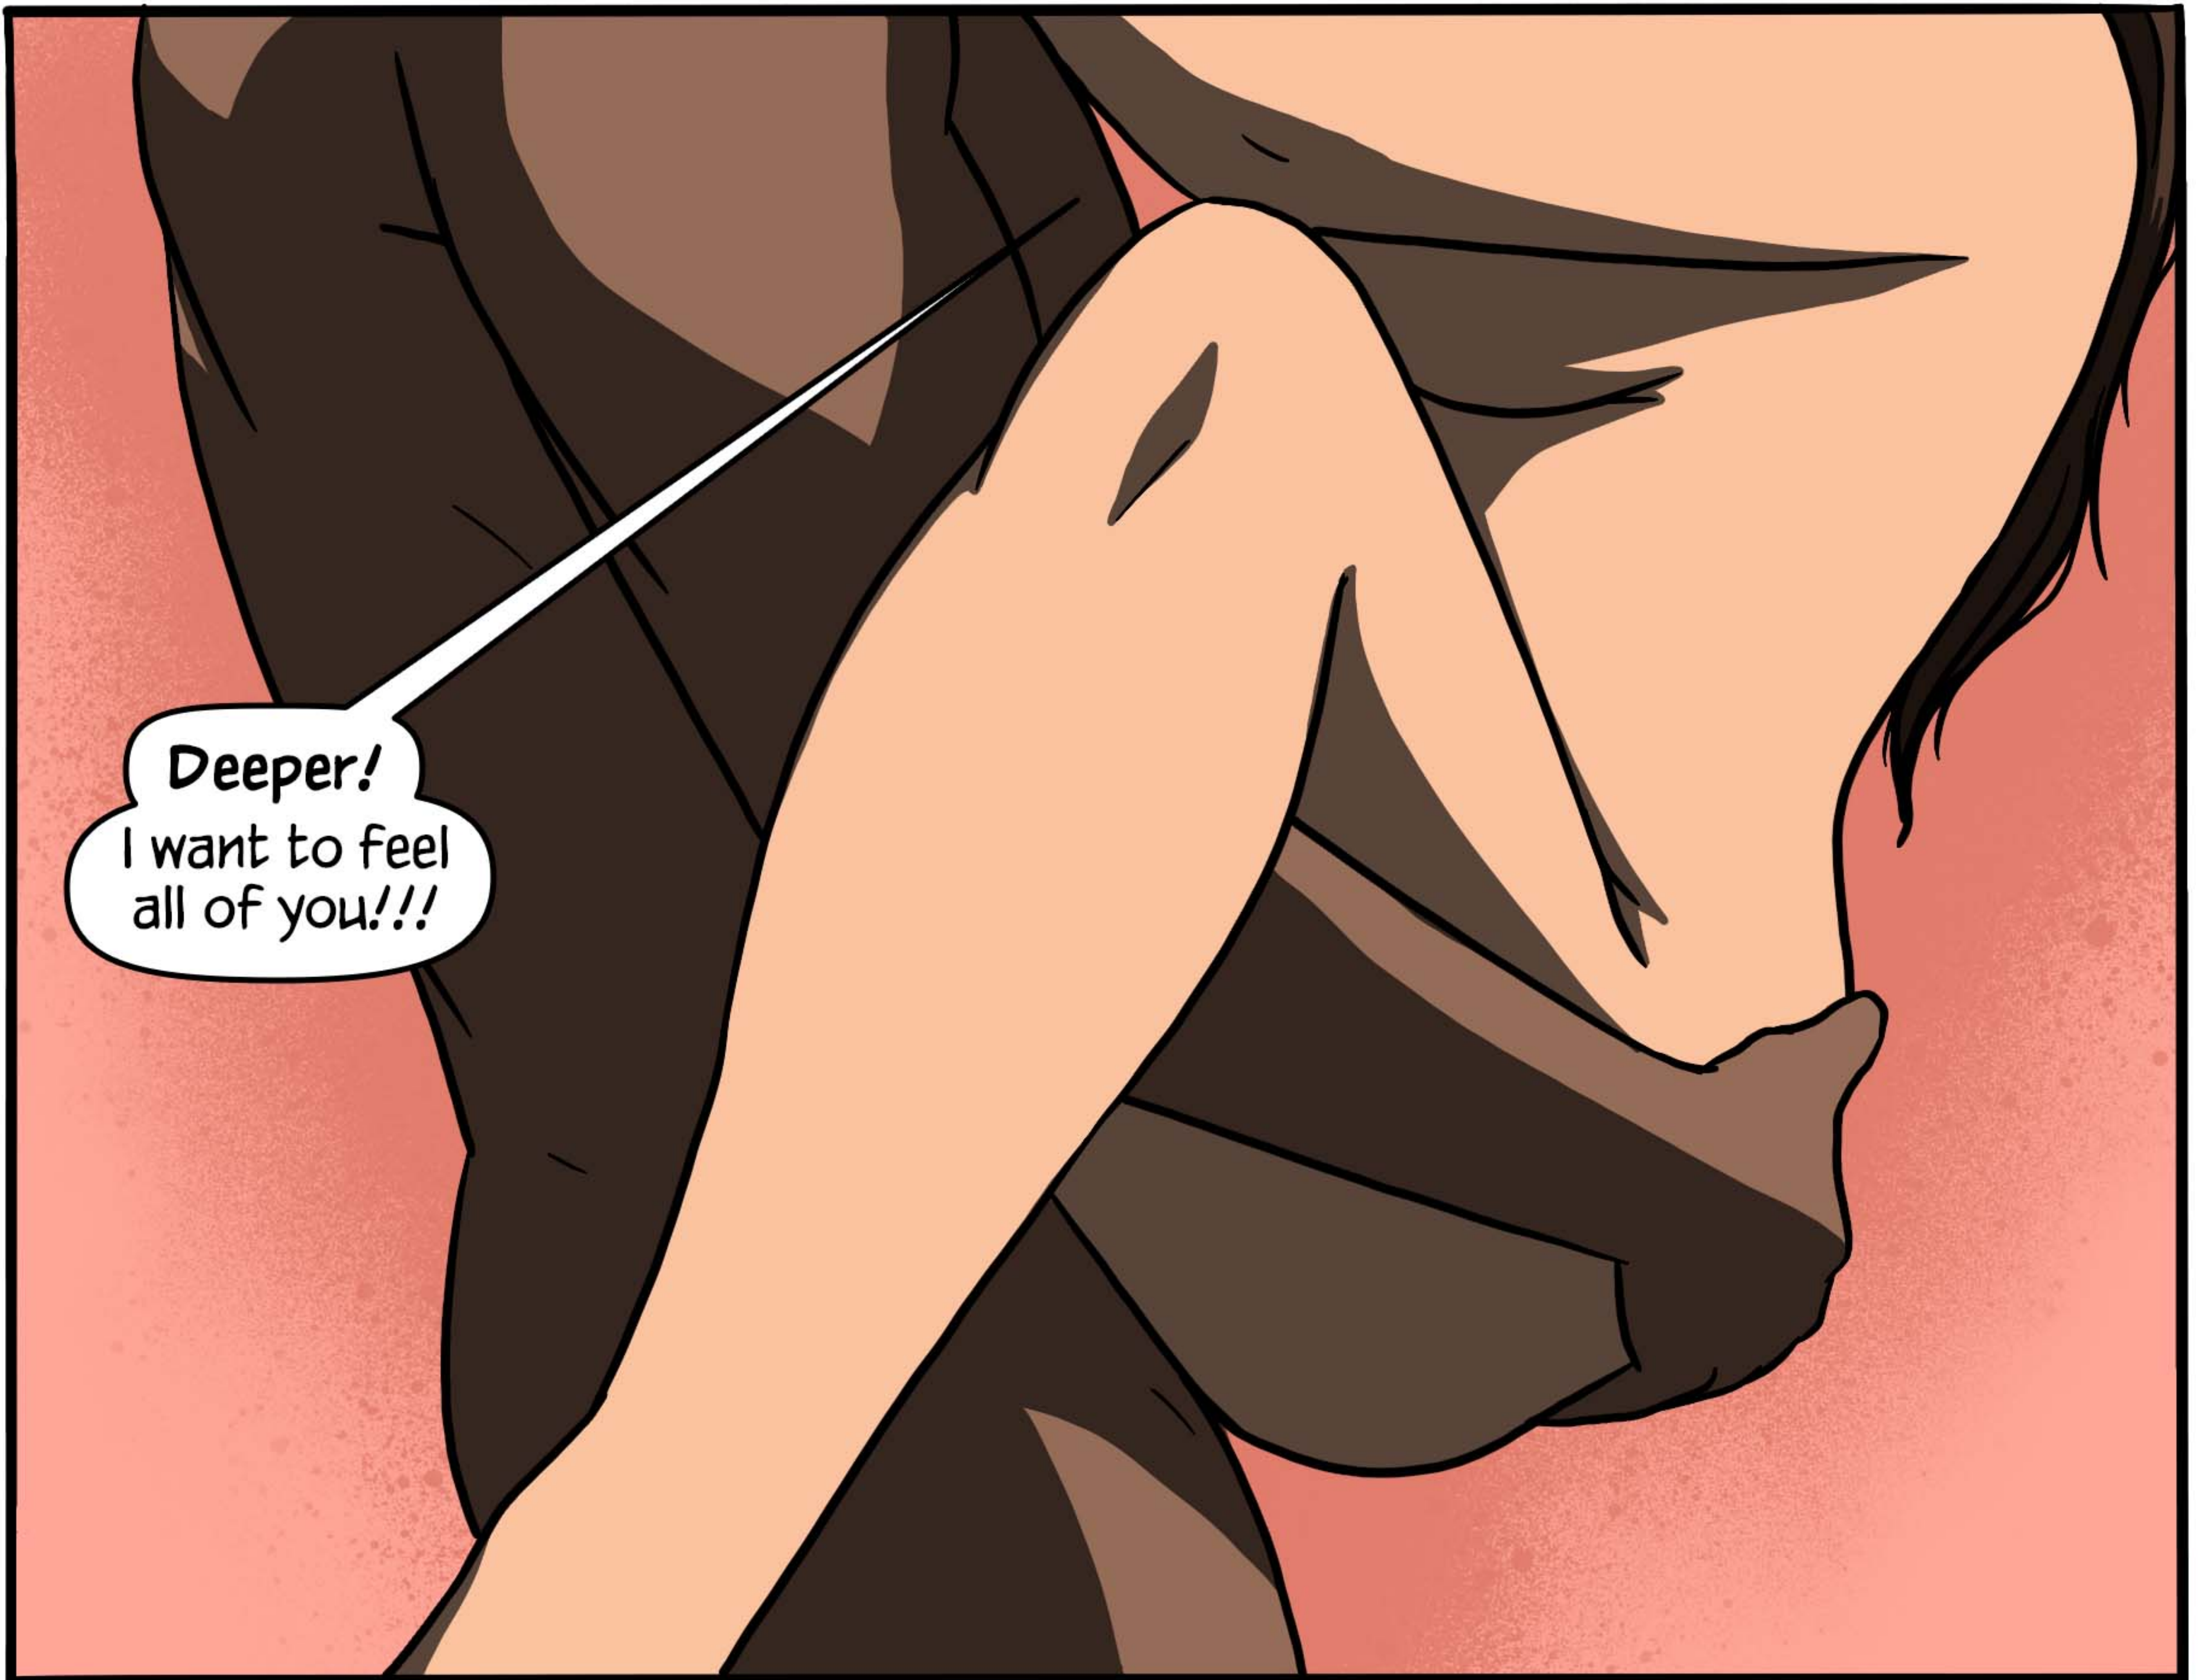

This is wrong, but...

I've never felt this good!

Yes! Fuck me harder!!!

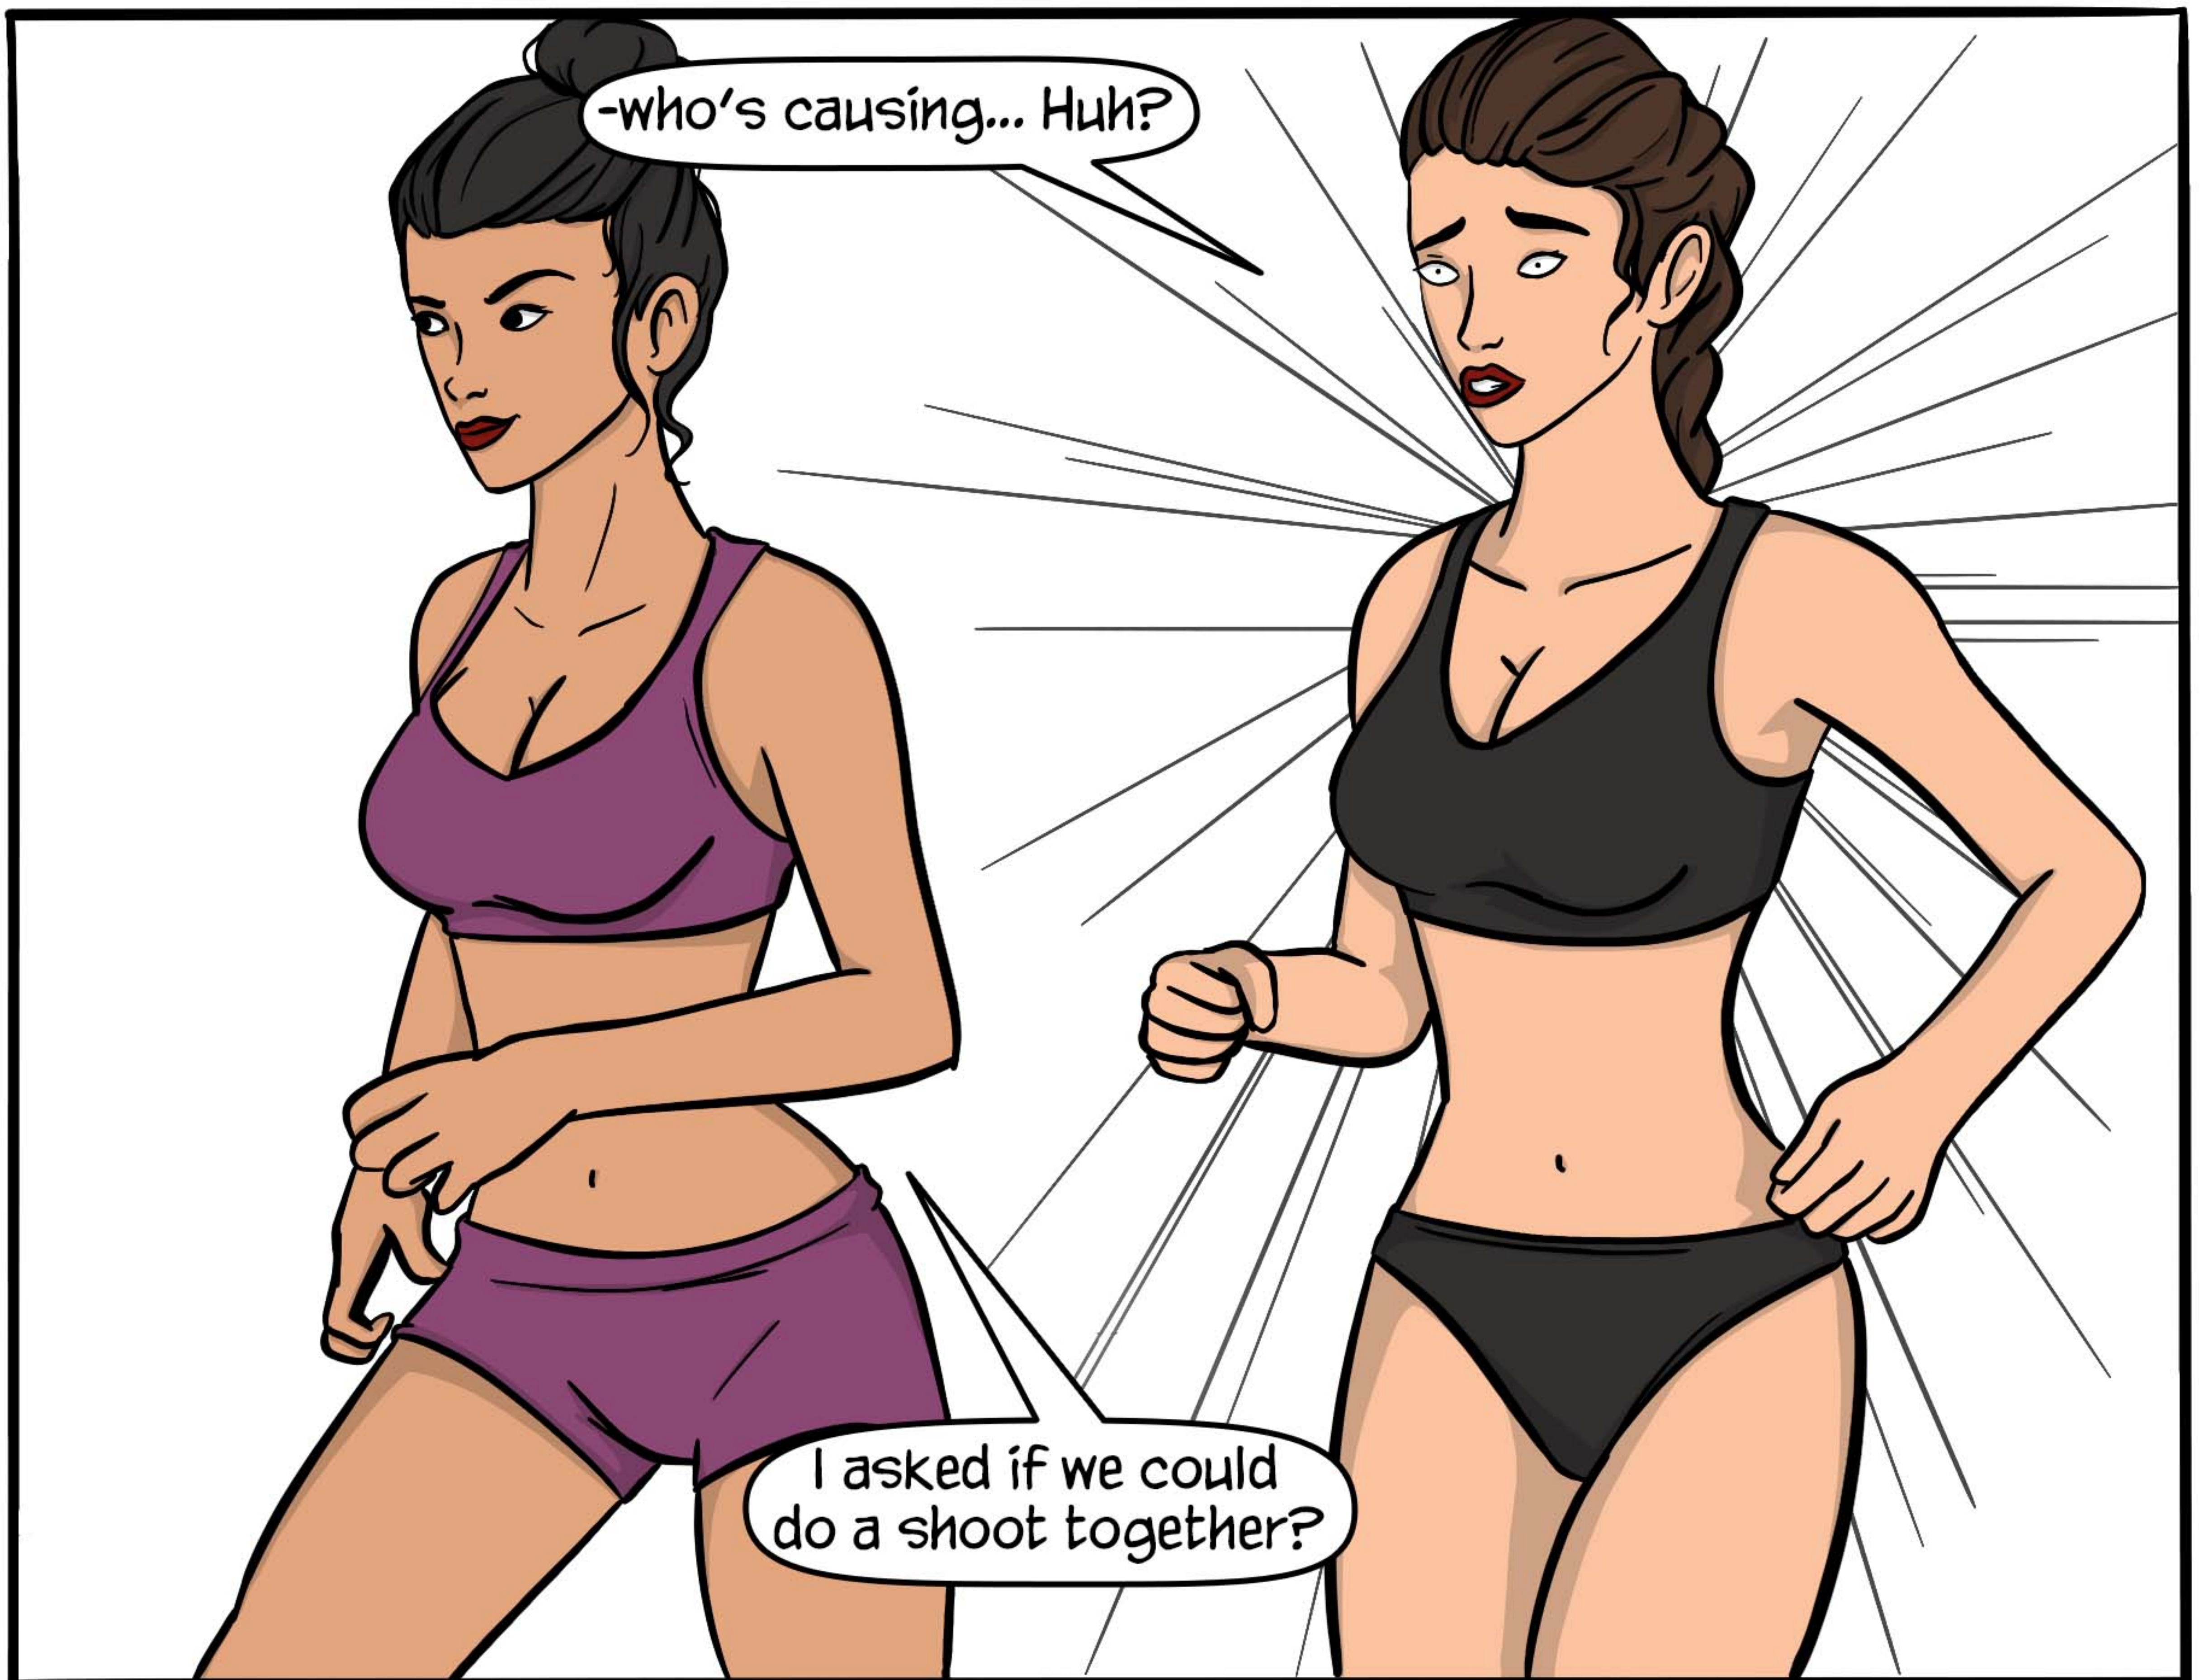

Deeper!
I want to feel
all of you!!!

Oh, fuck... I'm...
You're going
to make me-

-who's causing... Huh?

I asked if we could do a shoot together?

I... *pant* I can't keep going this...

I know, it's rough...

But all this time running and working out has really paid off for me.

Like you said, it's a lot of work to maintain these bodies, but it's all worth it in the end.

You... You're so sexy...

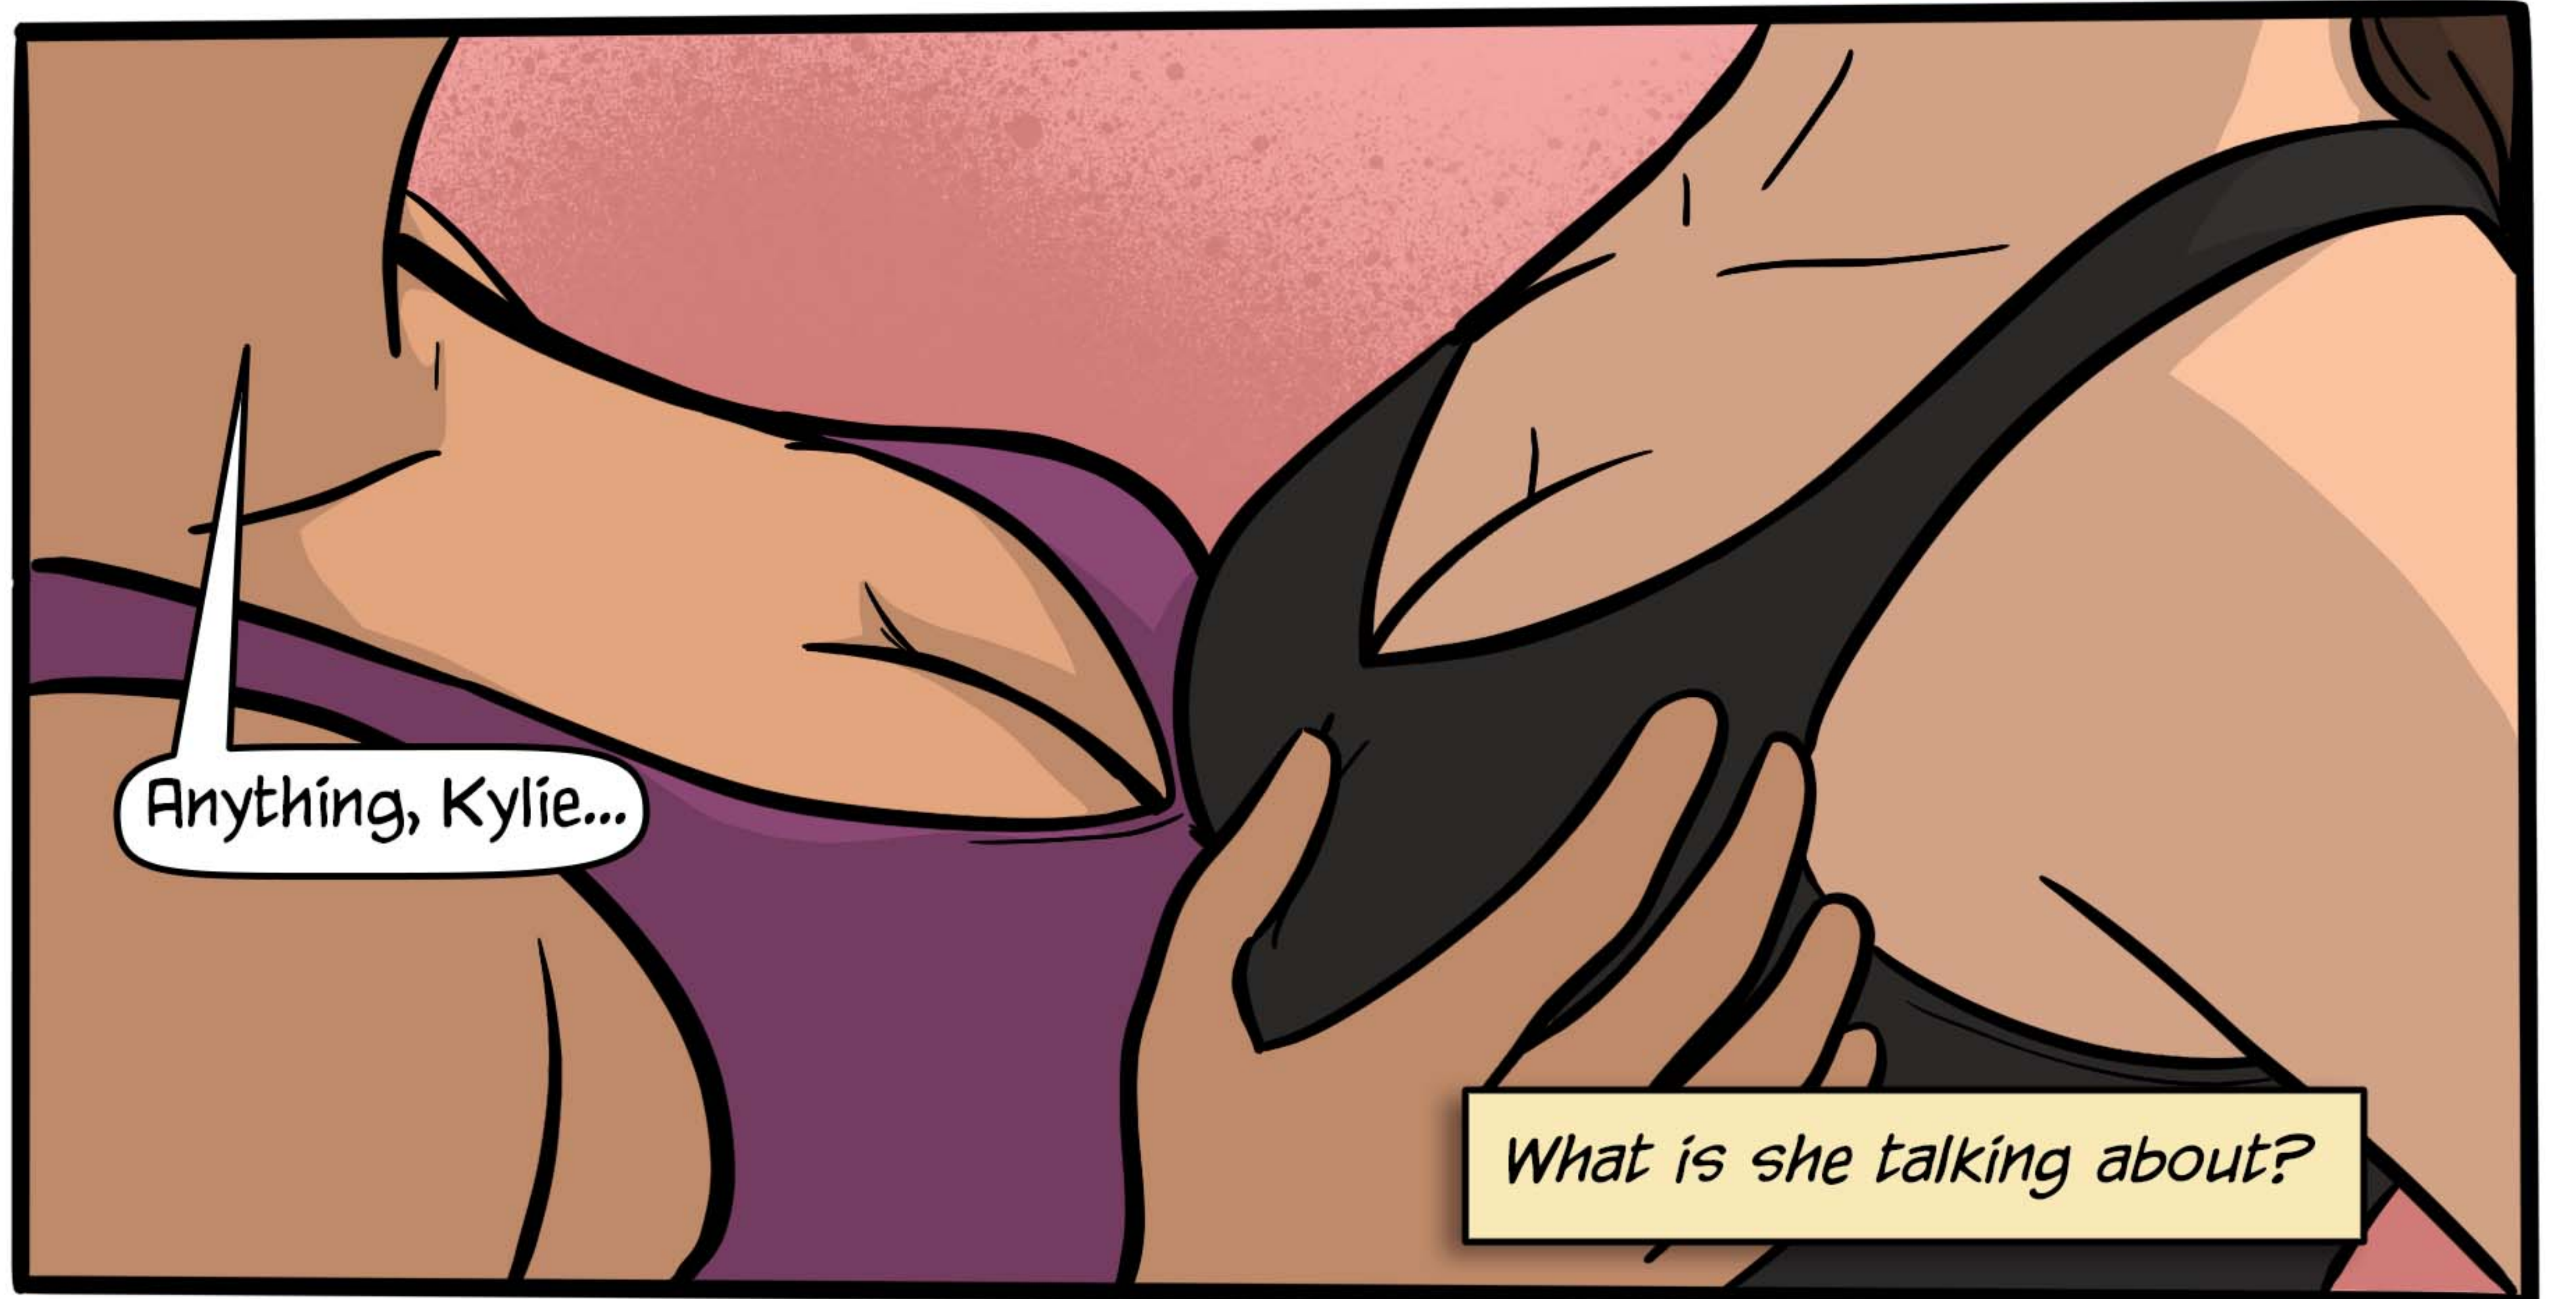

Thanks, but... I have nowhere near as many followers as you have.

But...

I'd do anything to do a shoot with you... or even just one joint post on Currentpic.

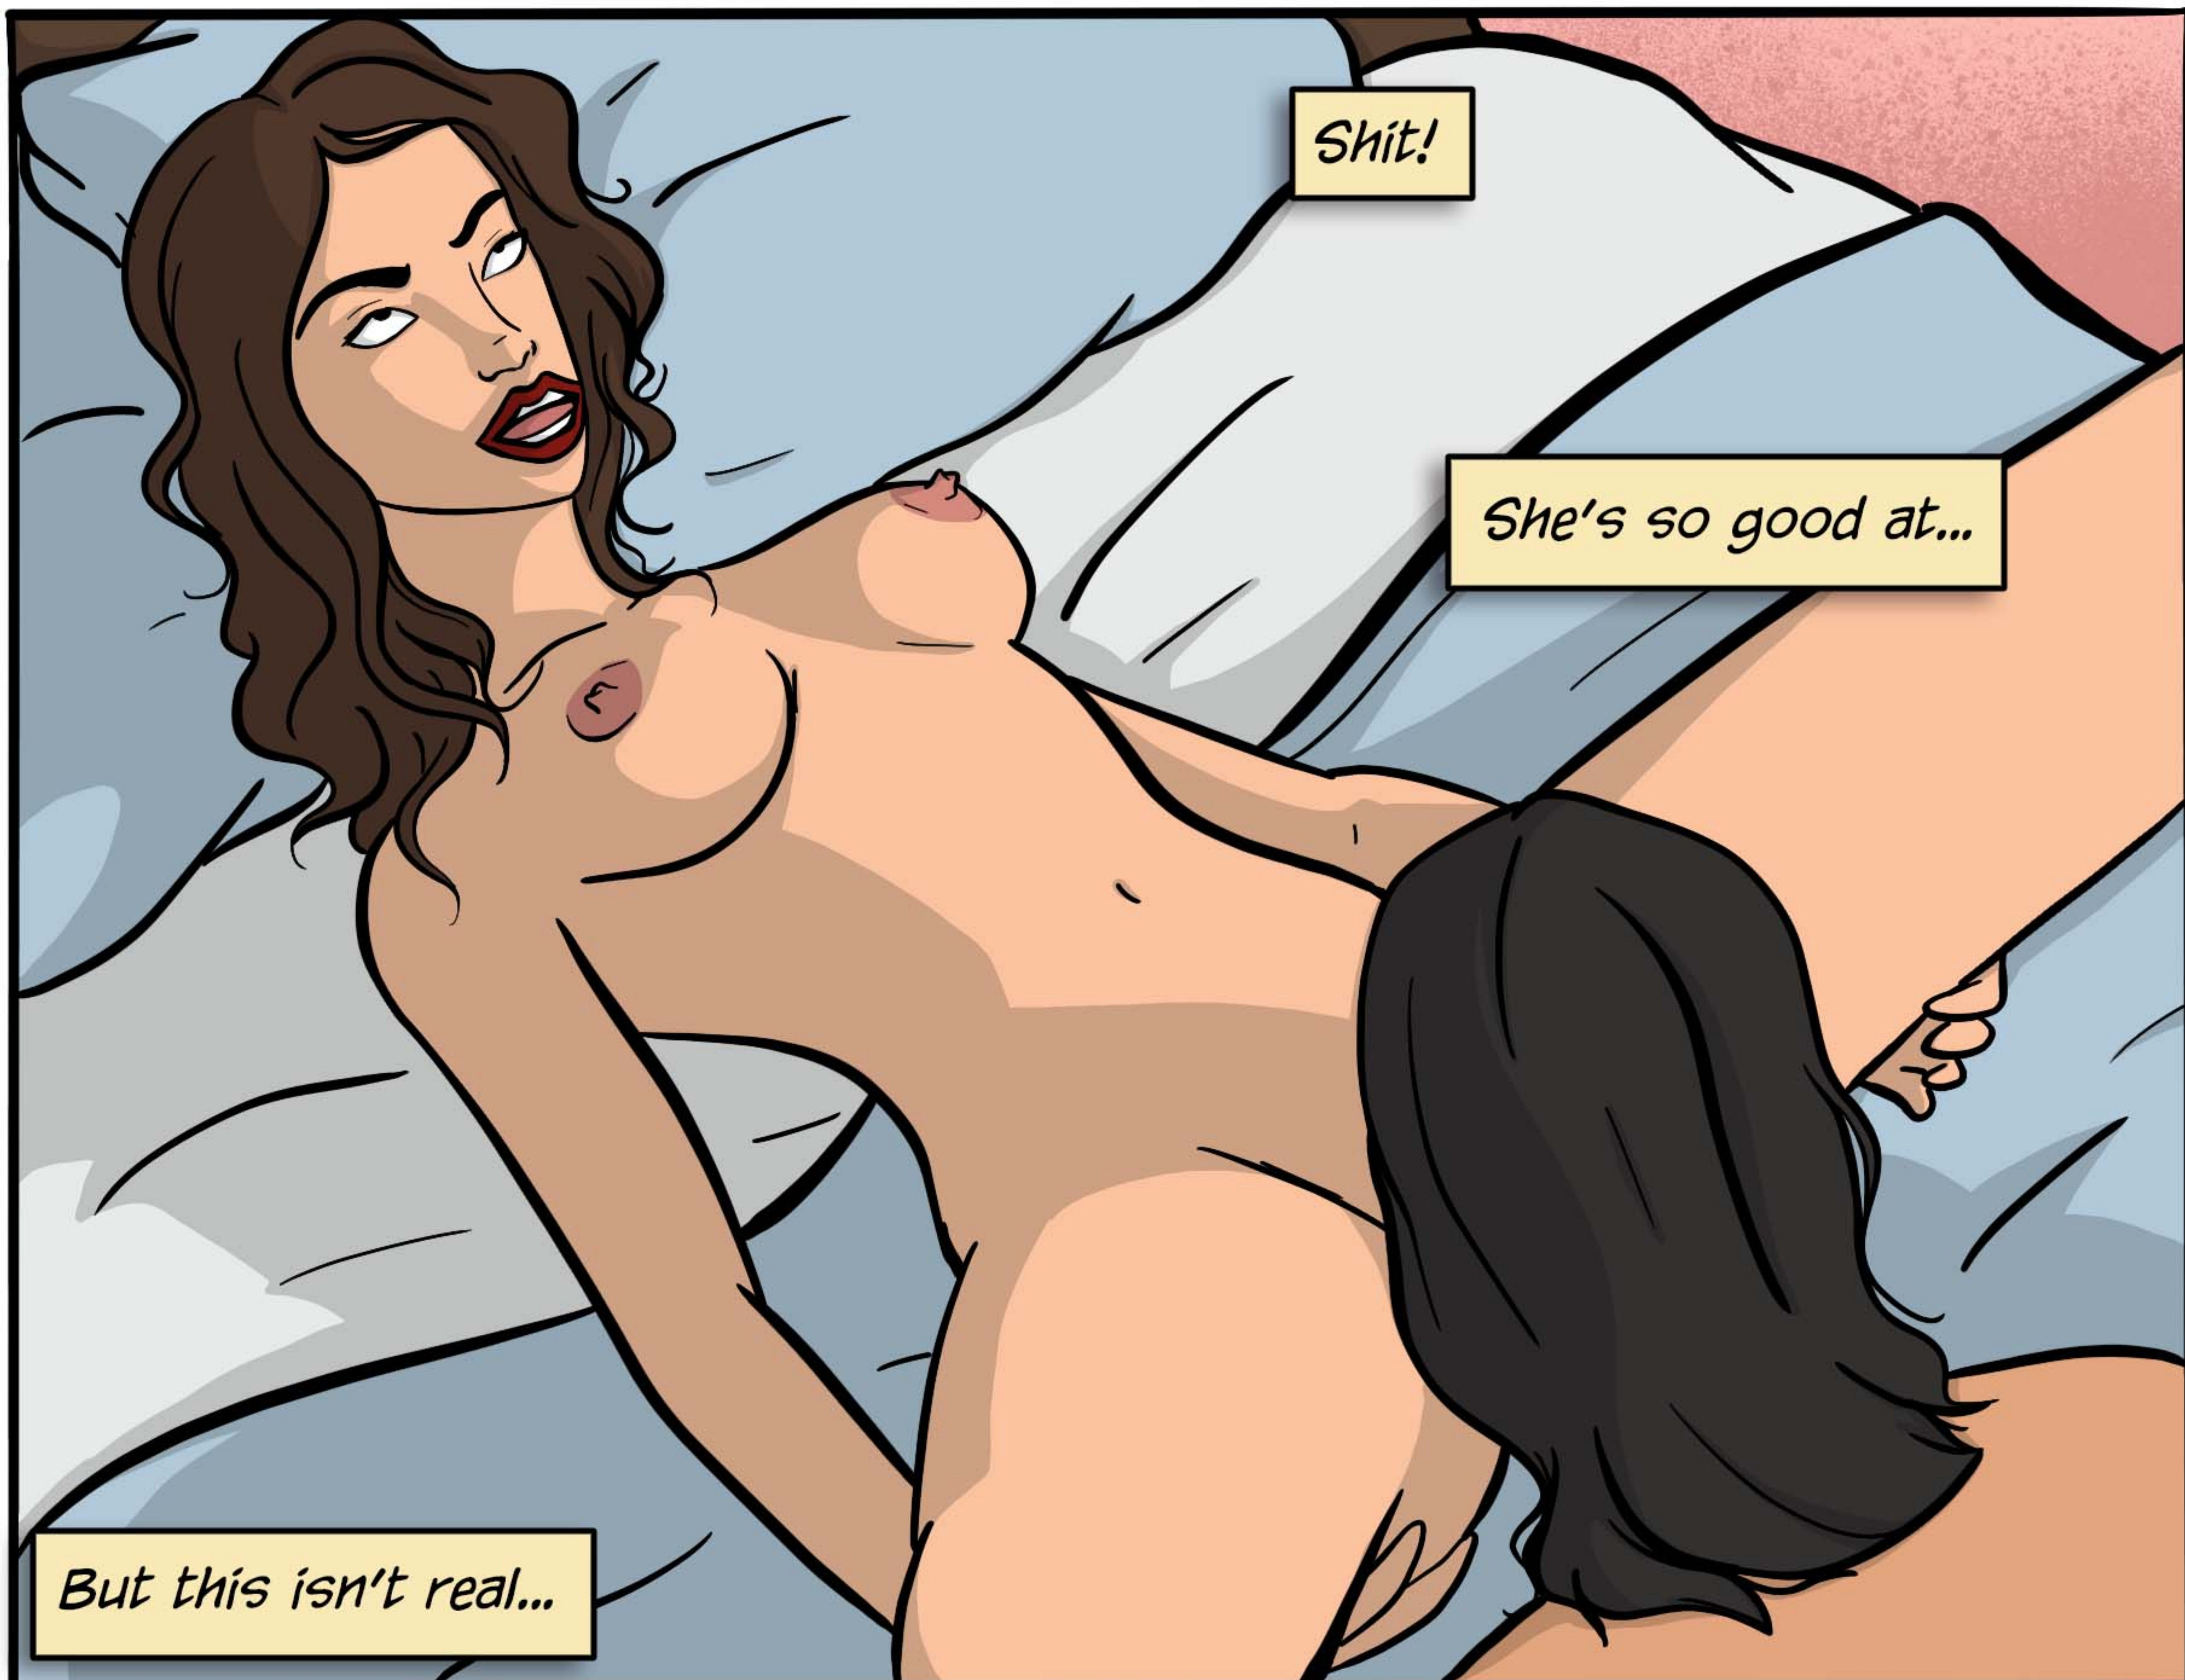

Anything, Kylie...

What is she talking about?

Oh...

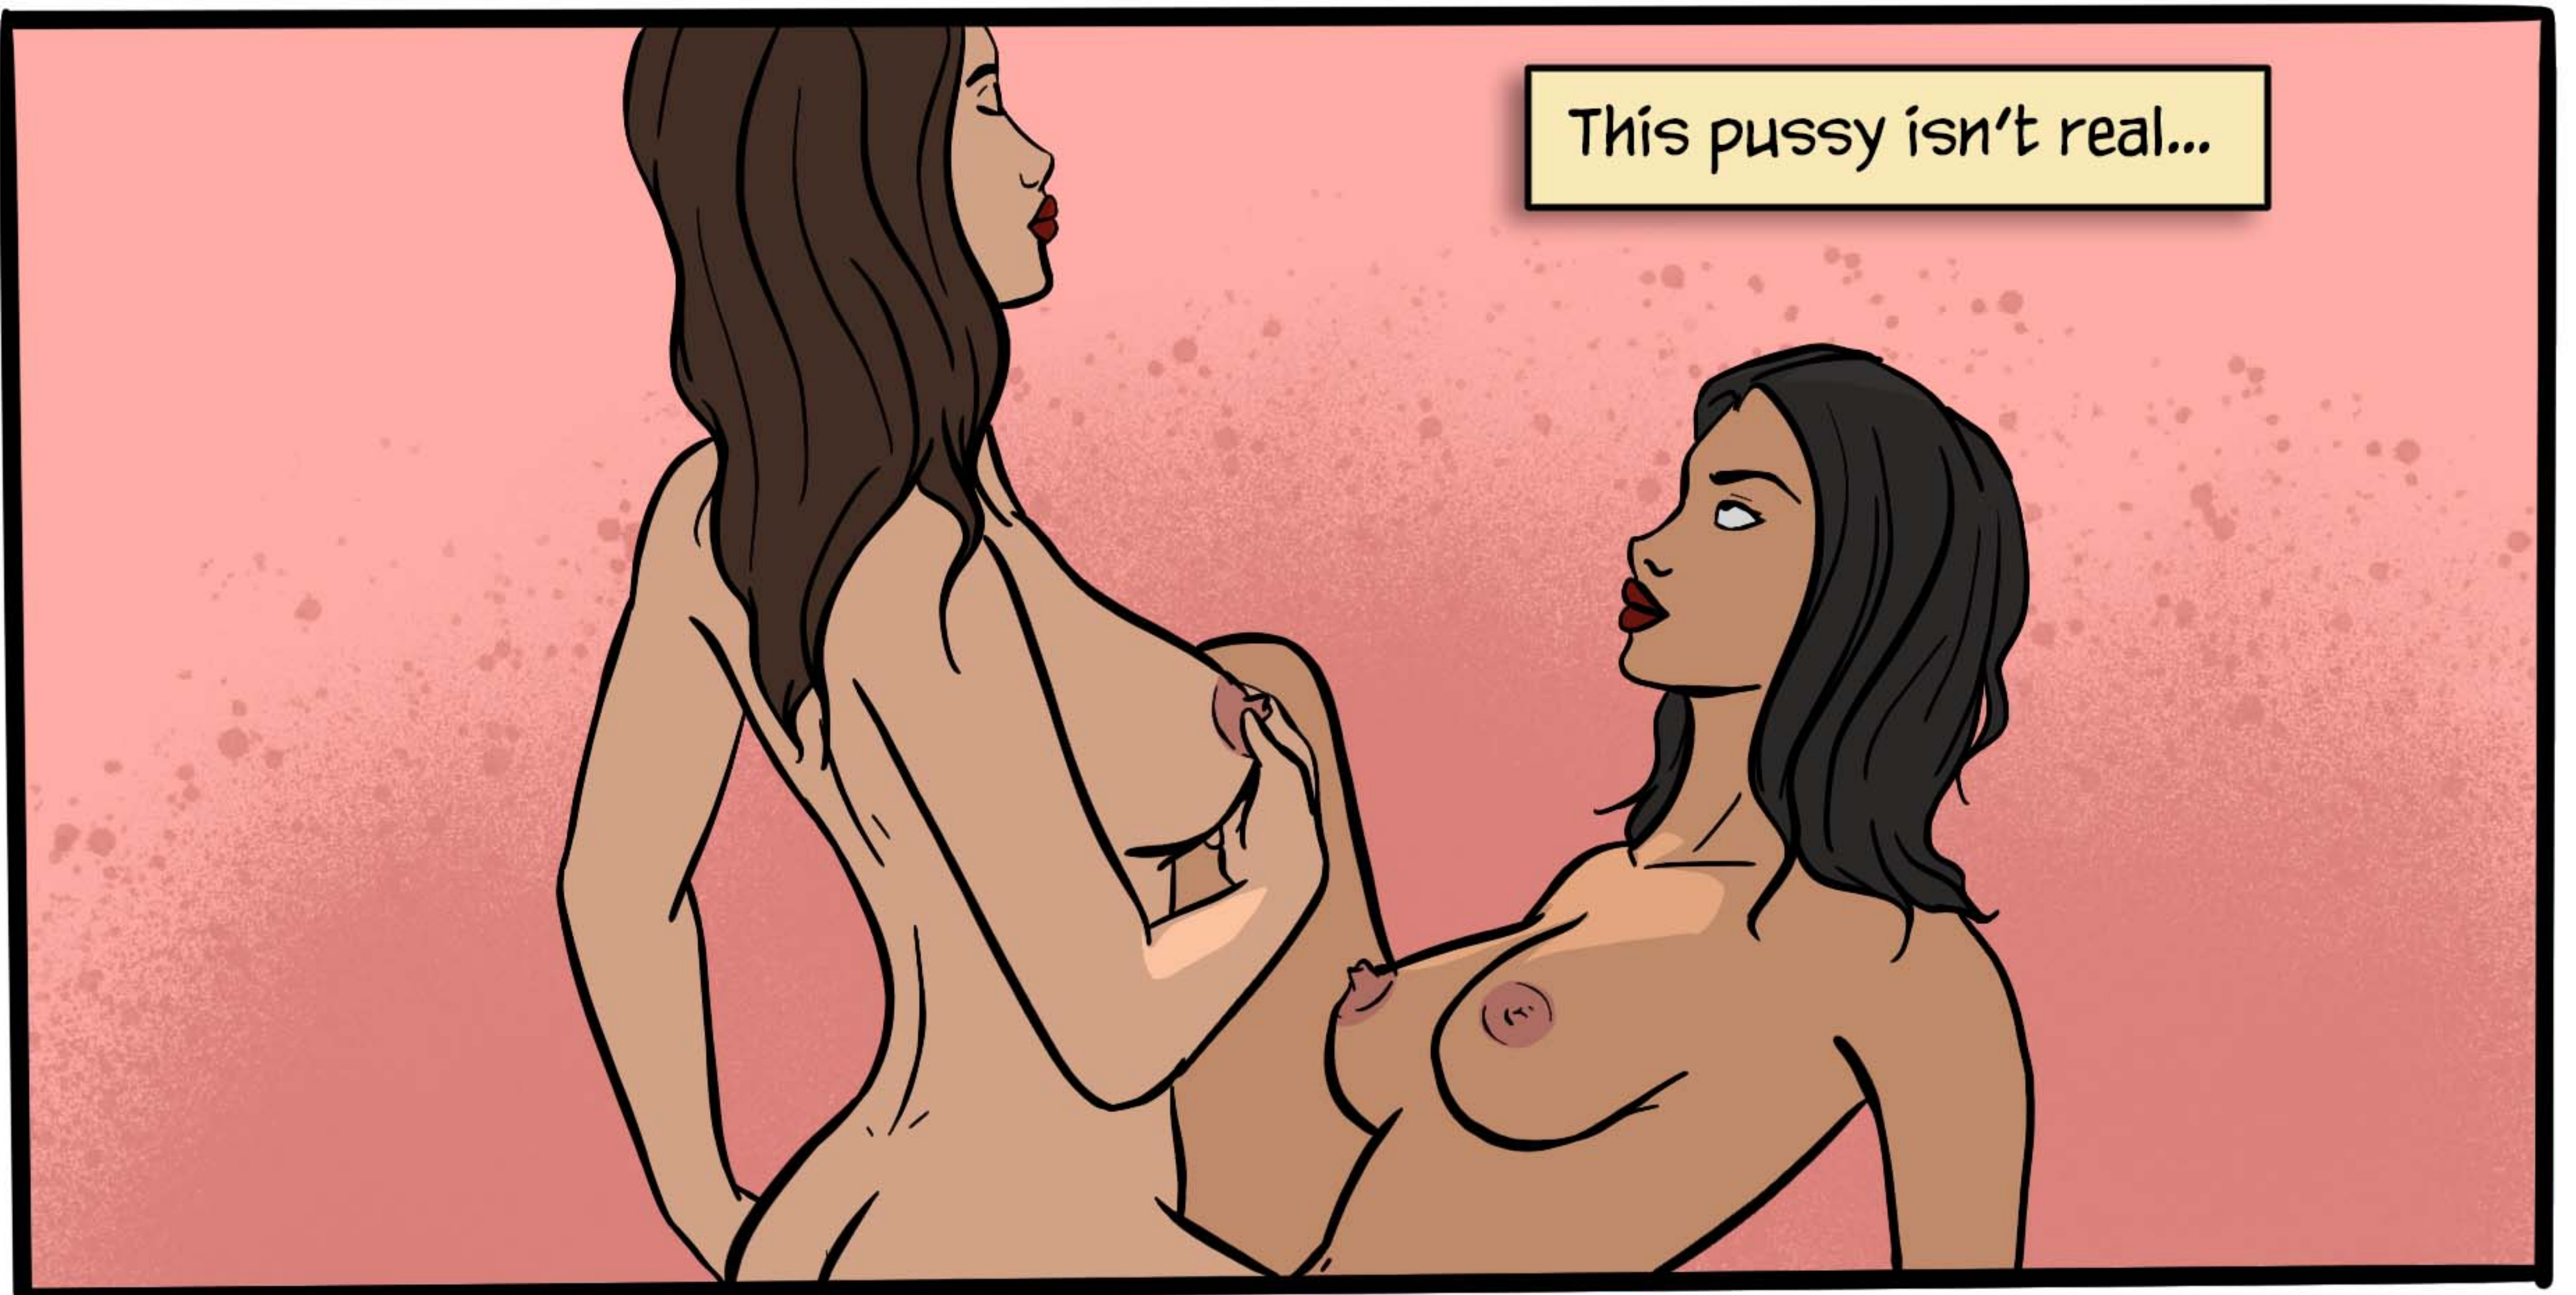

Shit!

She's so good at...

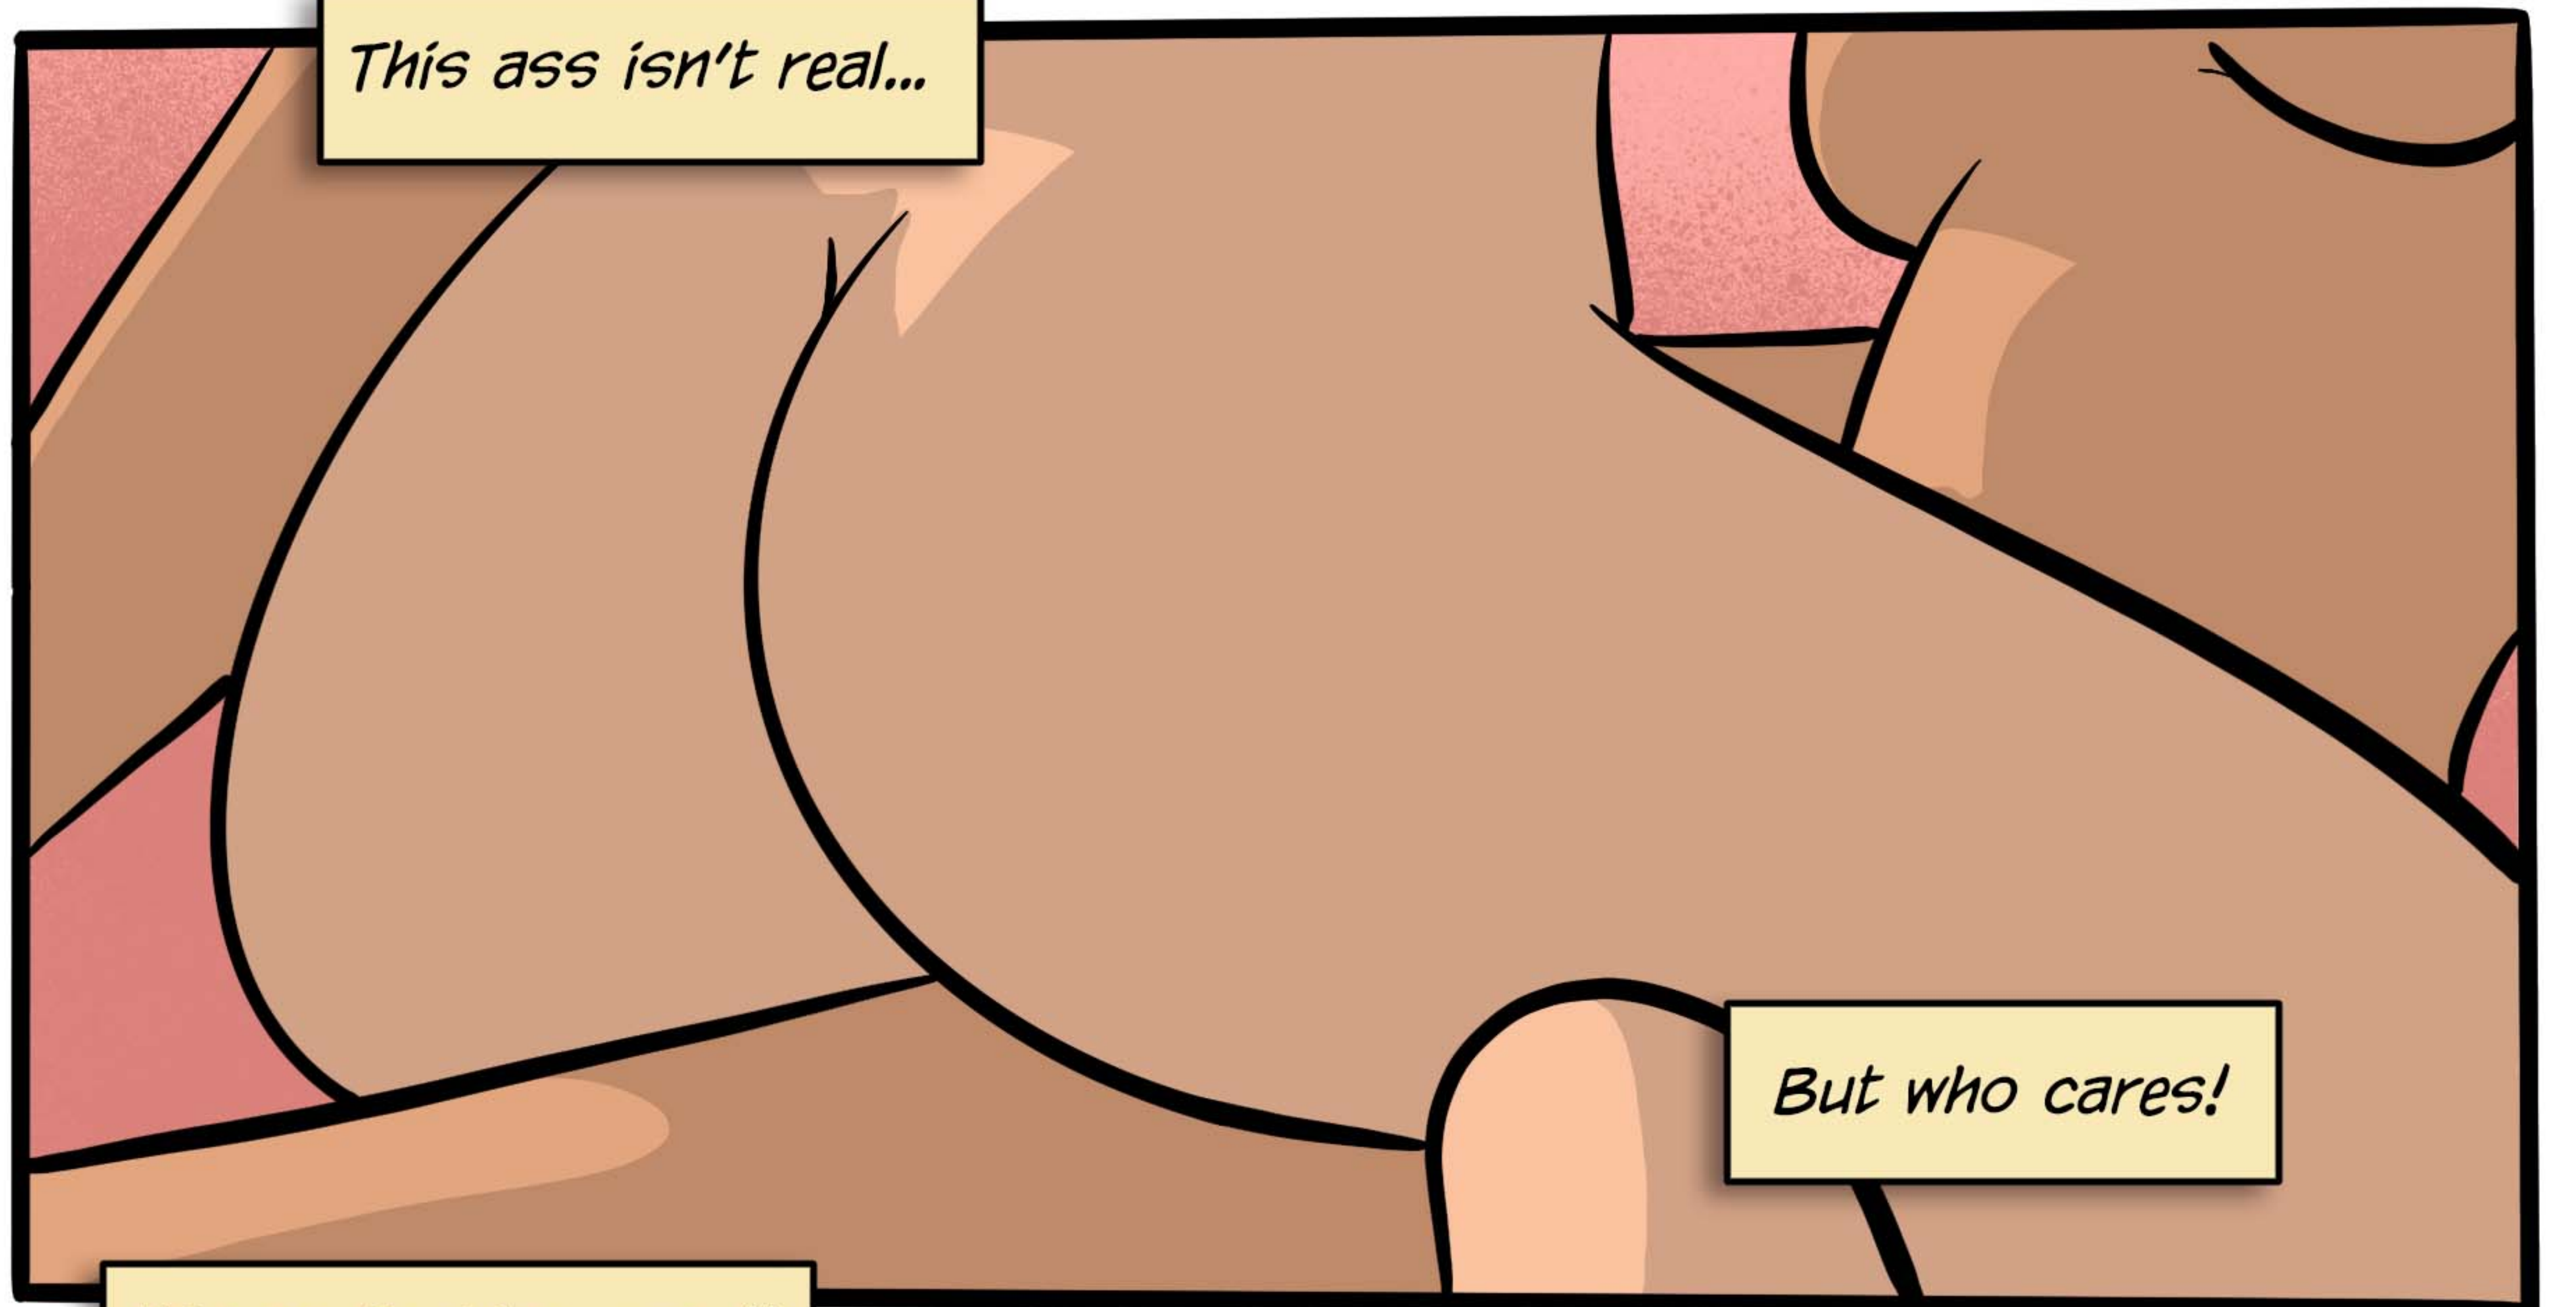

But this isn't real...

These breasts aren't real...

This pussy isn't real...

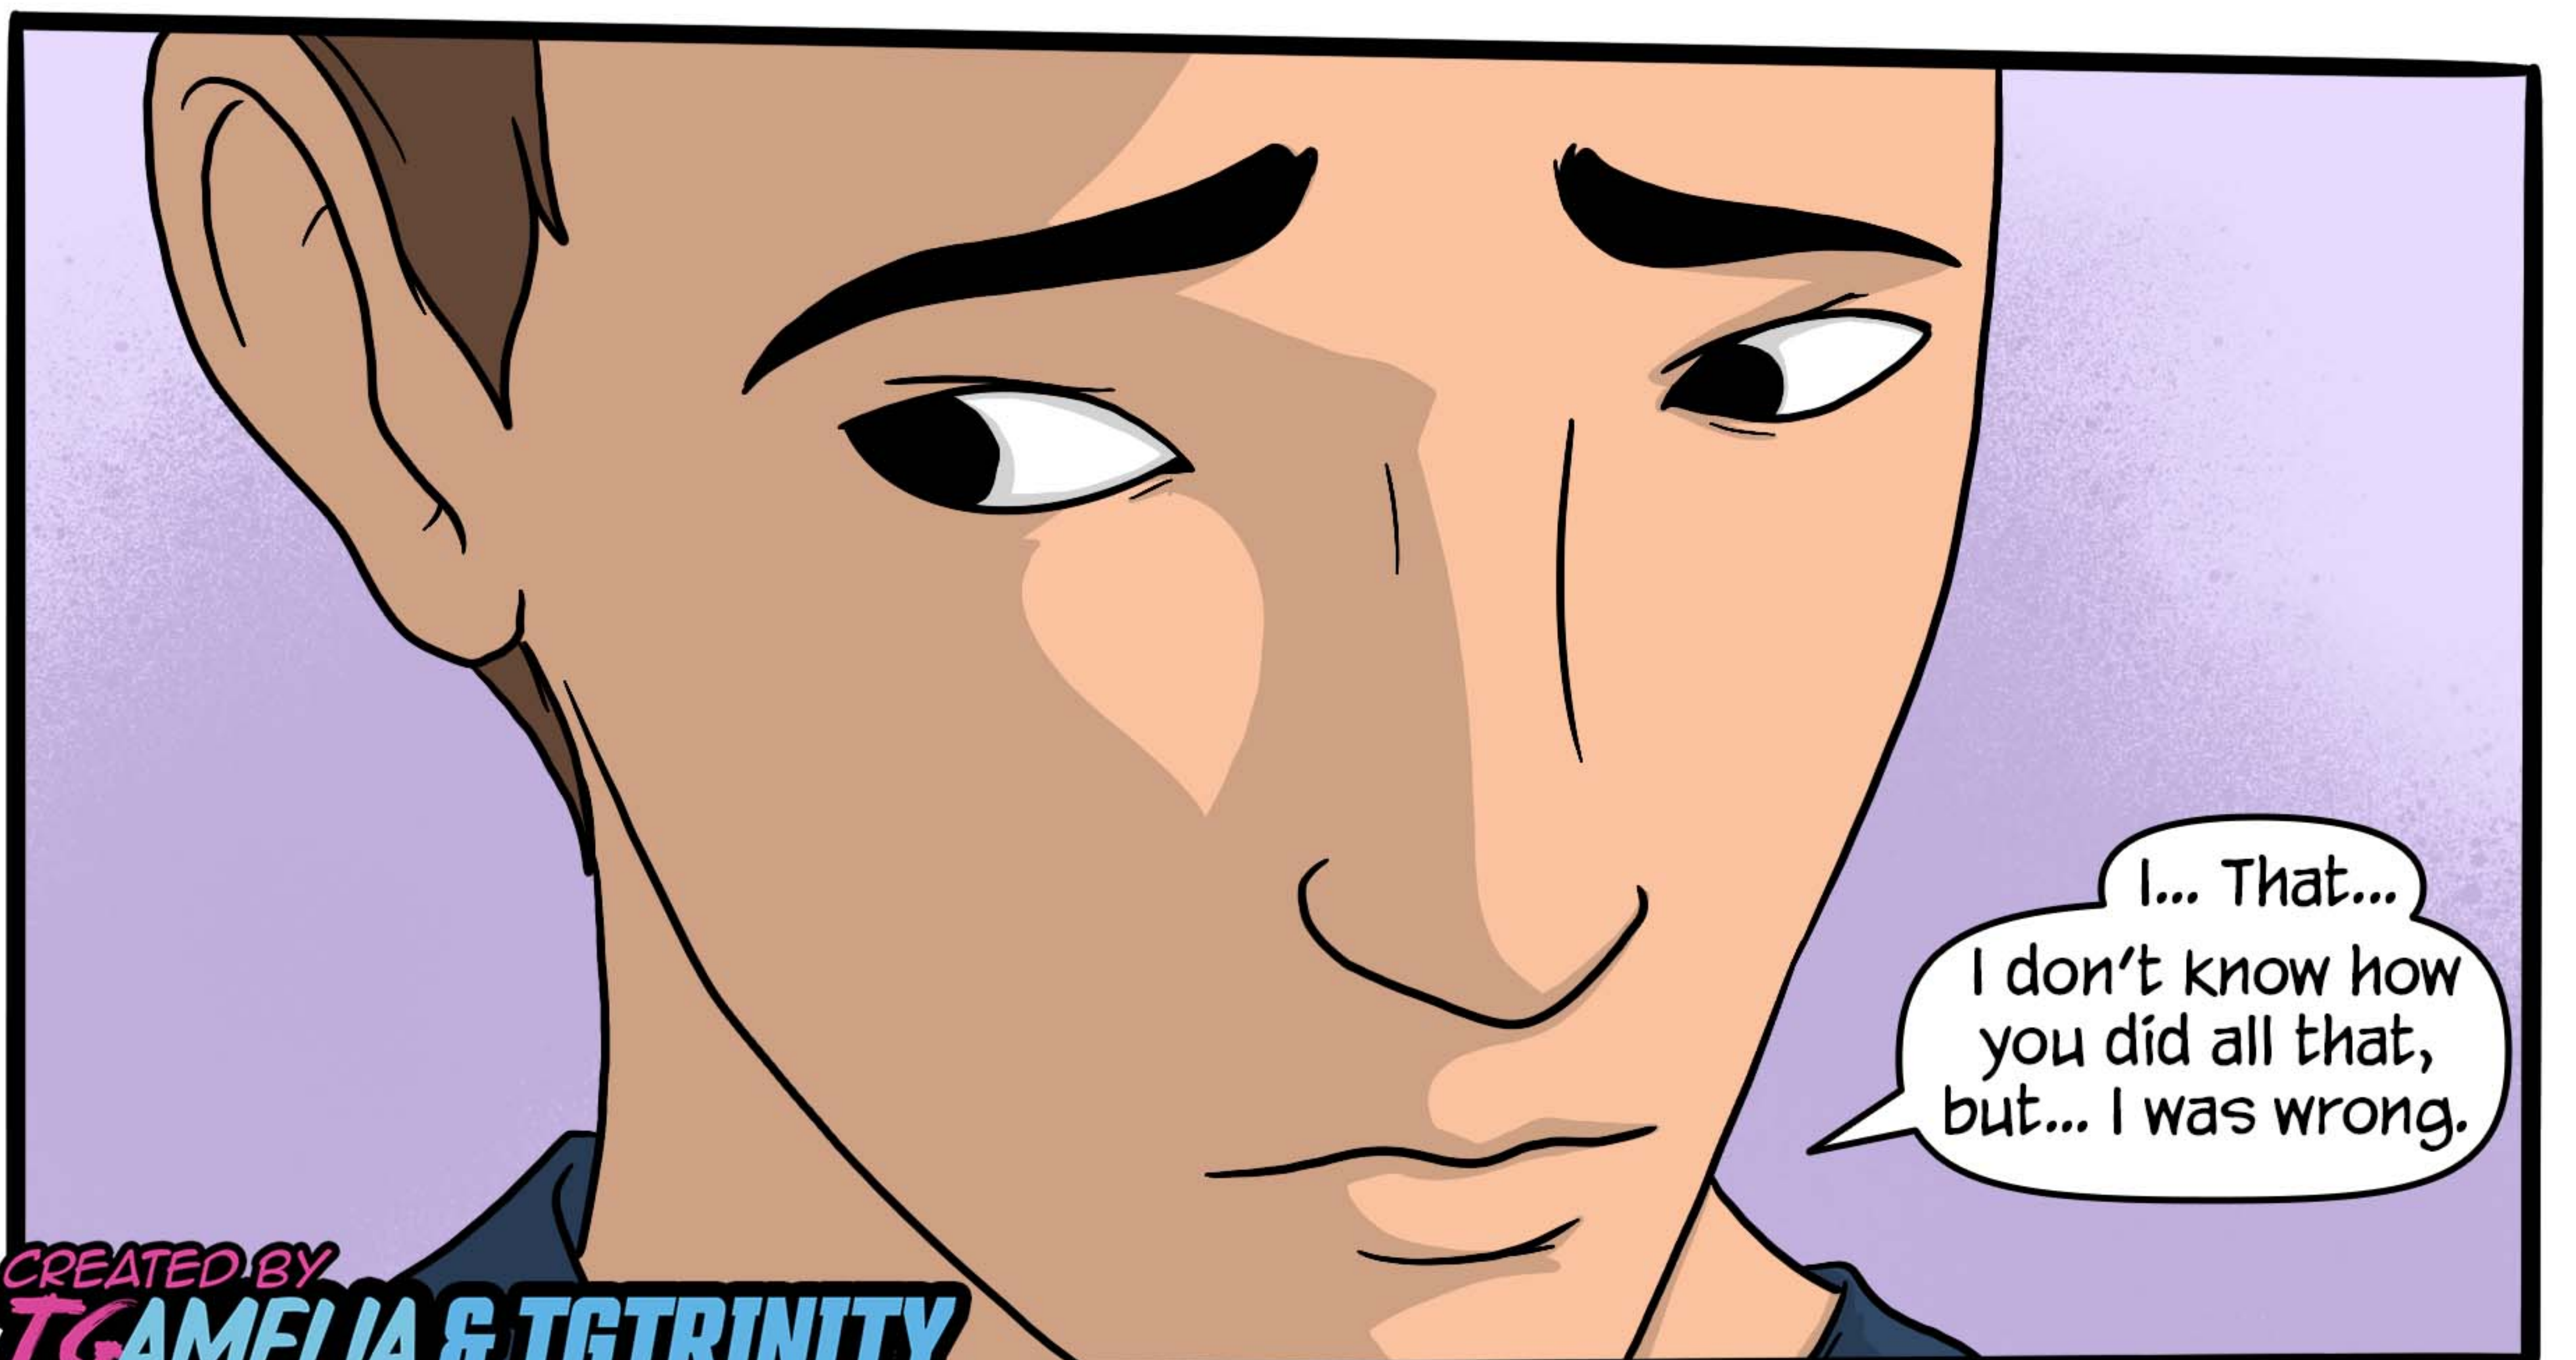

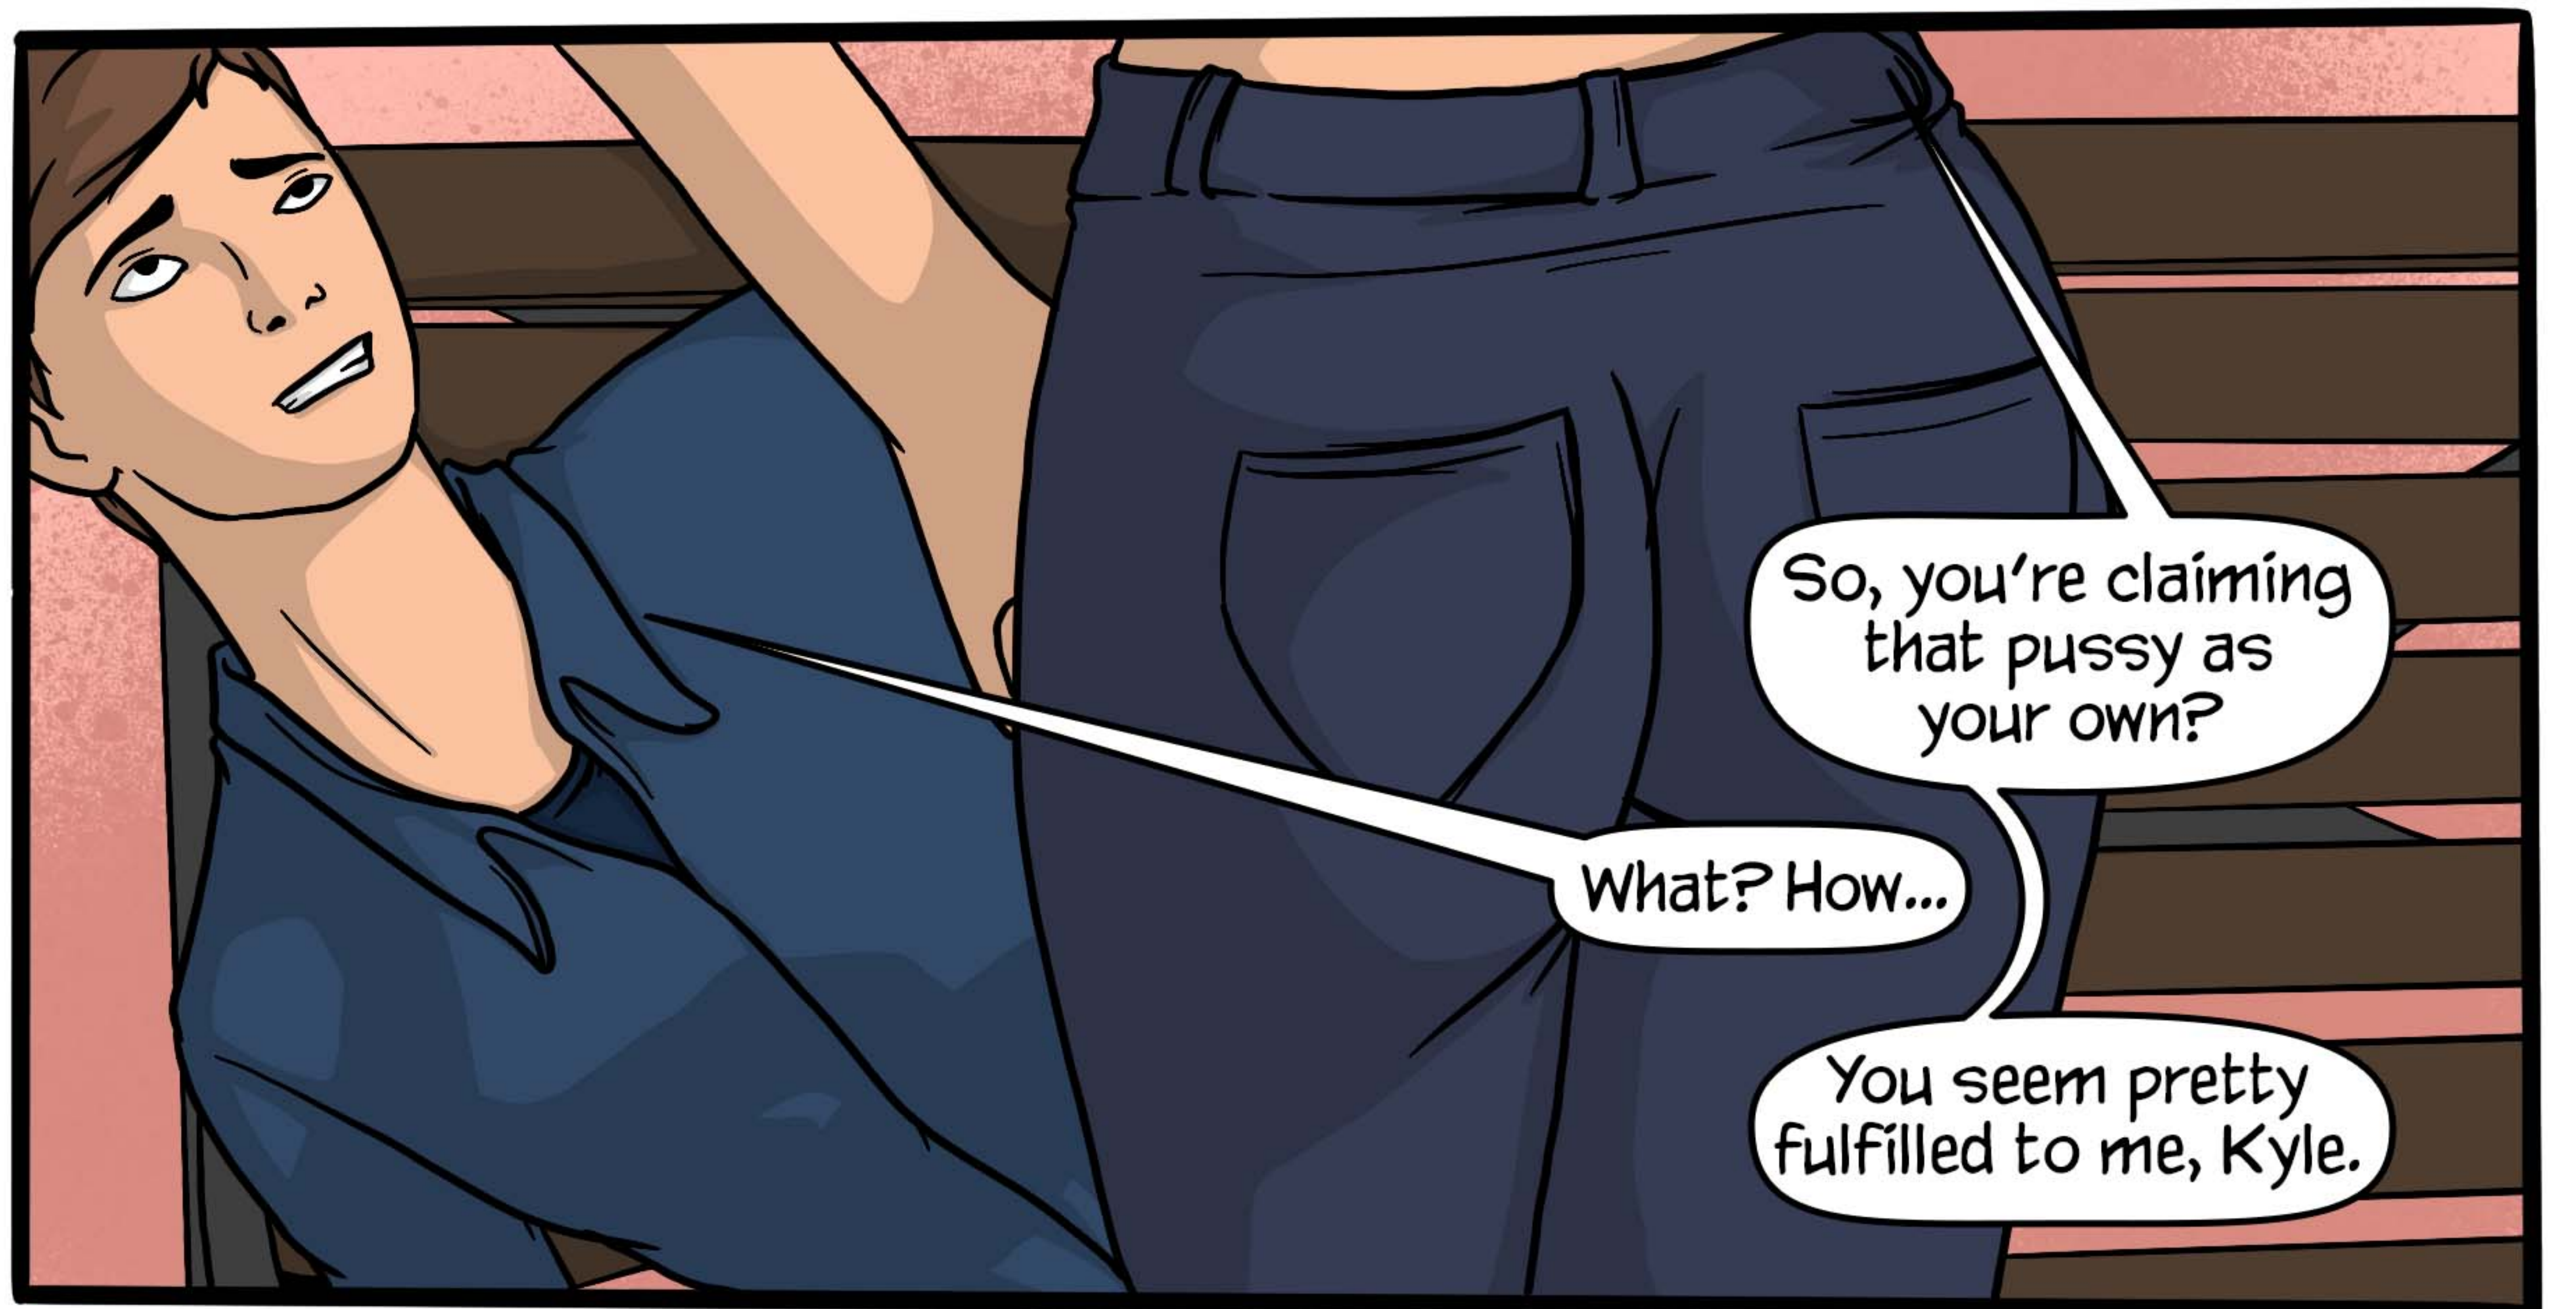

This ass isn't real...

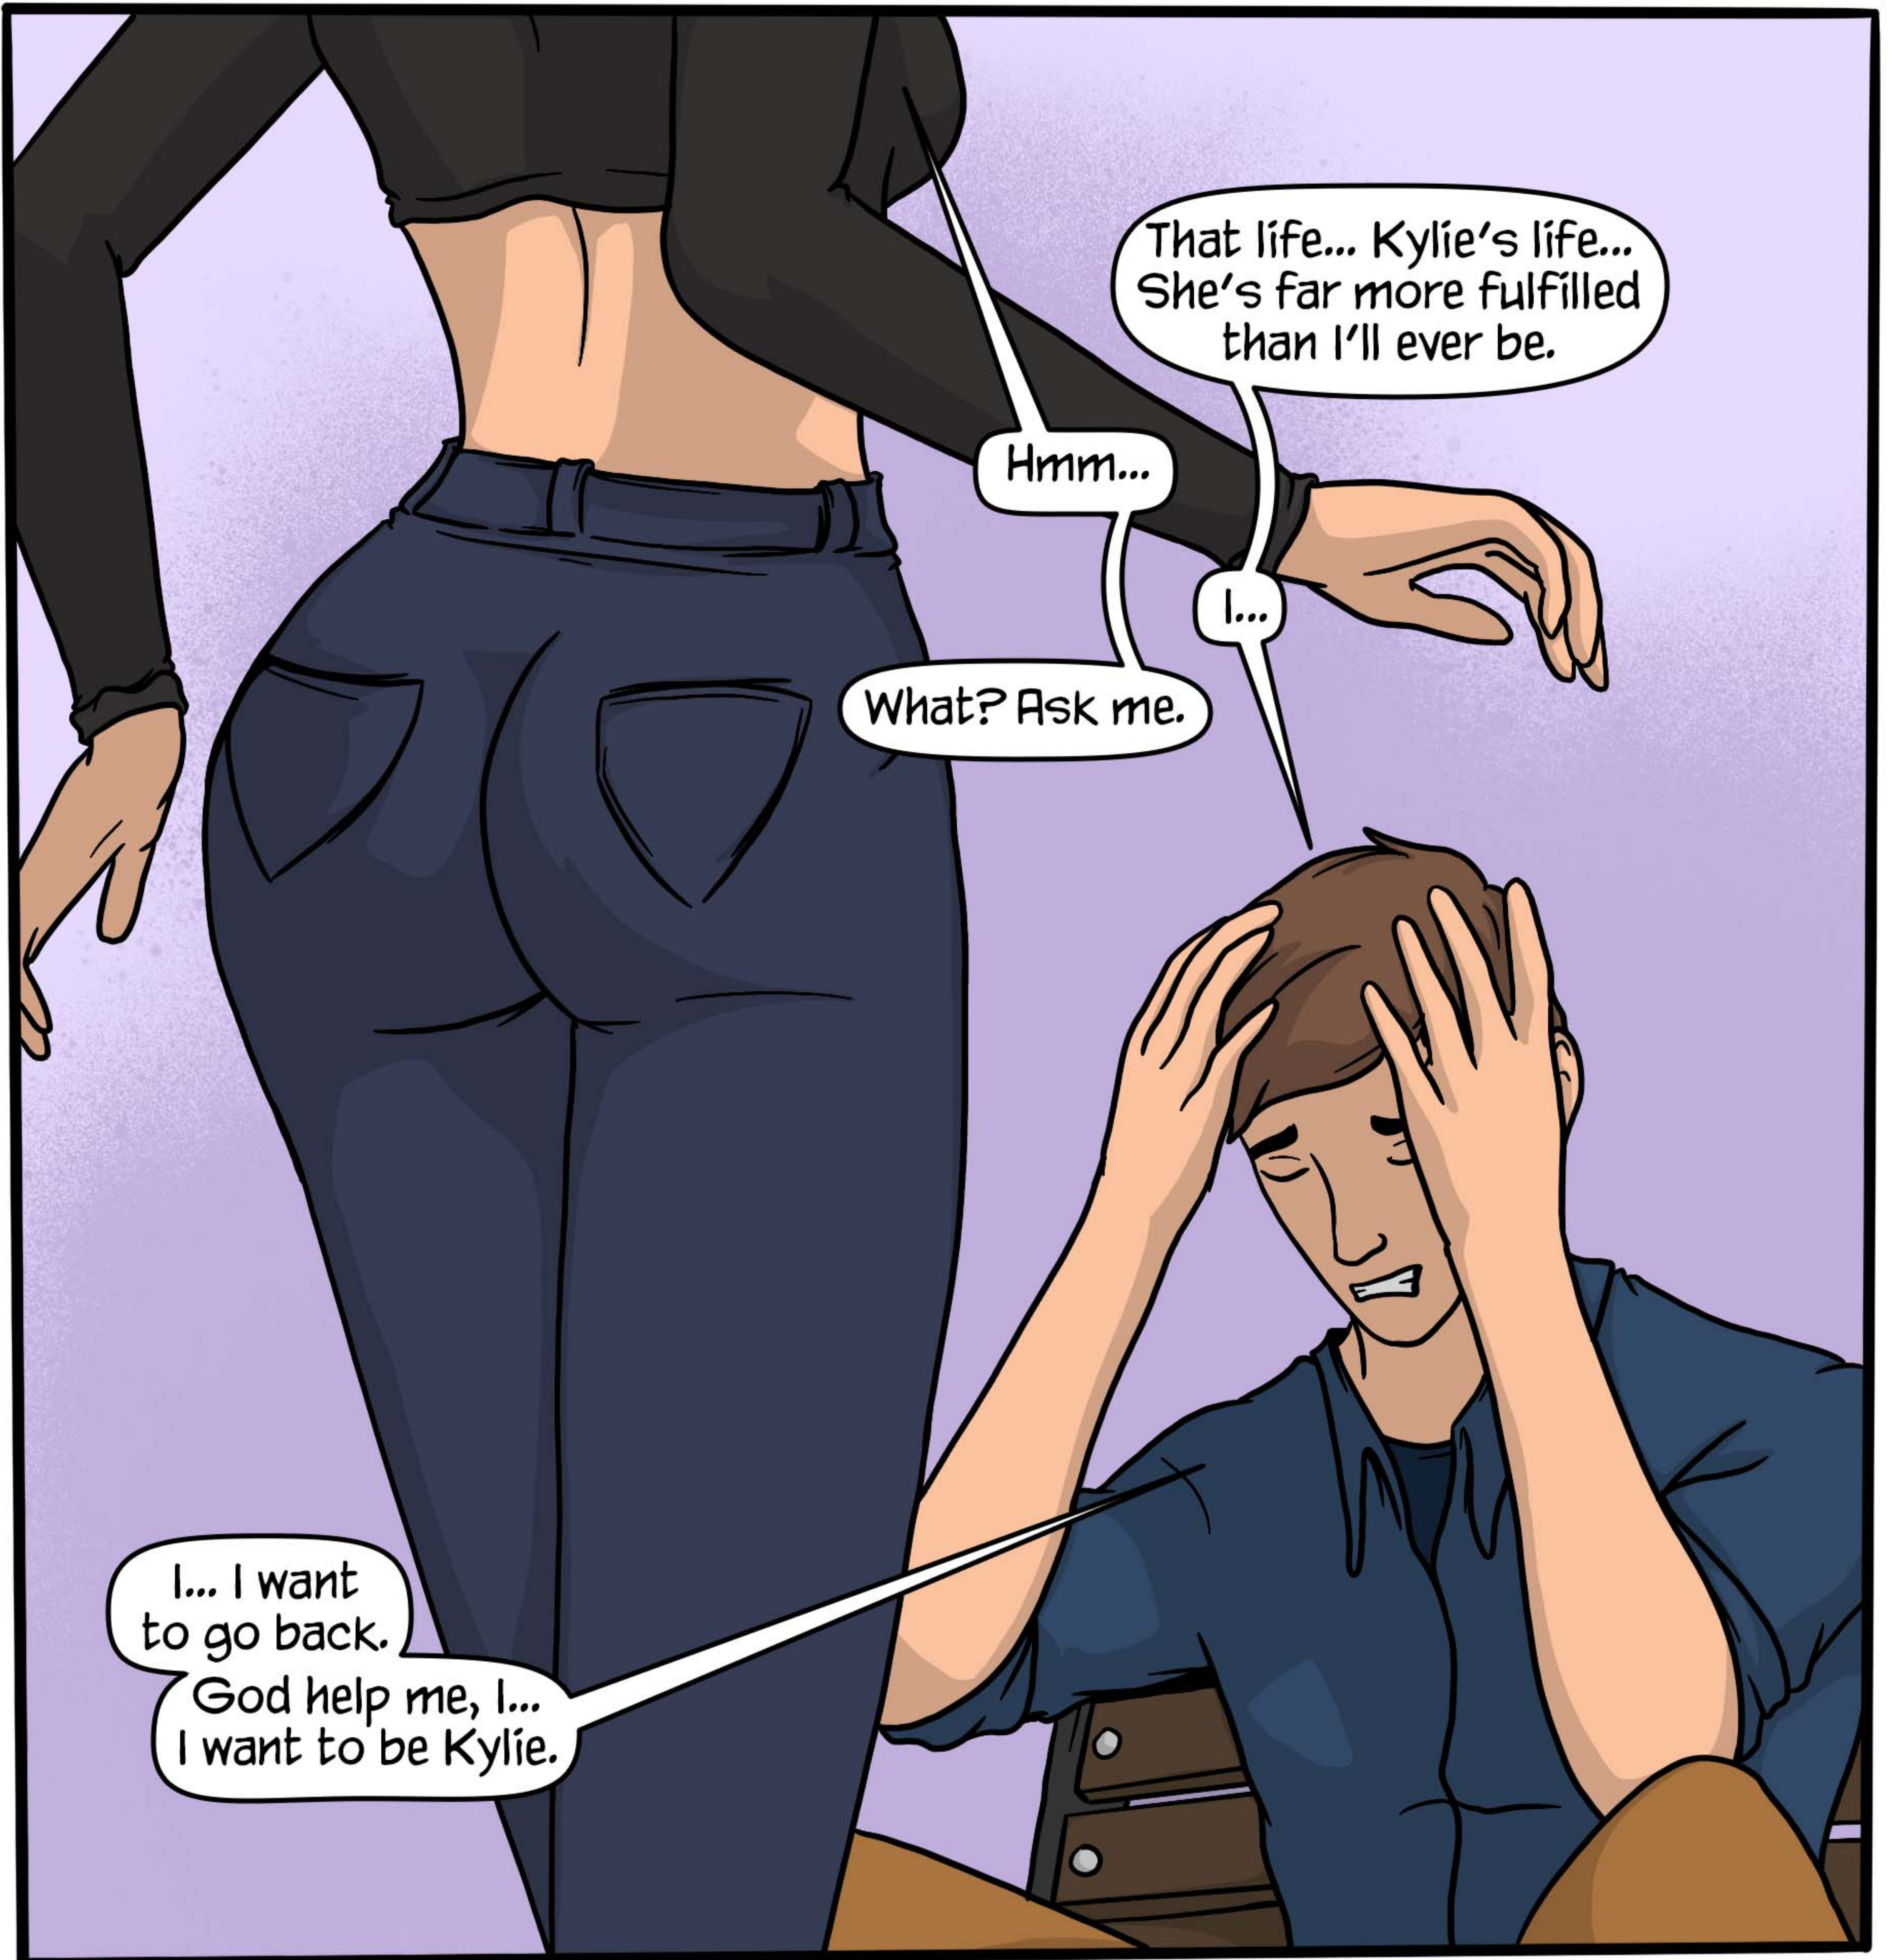

But who cares!

It's so fucking good!

Fuck! Your snatch is so wet, I love how it feels-

That life... Kylie's life...
She's far more fulfilled
than I'll ever be.

Hmm...

I...

What? Ask me.

I... I want
to go back.
God help me, I...
I want to be Kylie.

Just like that? You're
willing to give up your life
as a man to be her?

I am... Please-
